English Language Summary

Subject: Clarification on the media report regarding the verdict against AUO

Regulation: Published pursuant to Article 2-49 of the Taiwan Stock Exchange's Operating Procedures for the Publication of Material Information by Listed Companies

Date of Events: 2012/03/14

Subject: To which item it meets article 2 paragraph xx: 49

Date of events: 2012/03/14

Contents:

1.Date of occurrence of the event:2012/03/14

2.Company name: AU Optronics Corp.

3.Relationship to the Company (please enter head office or affiliate company ): head office

4.Reciprocal shareholding ratios: N/A

5.Cause of occurrence:

- (1) The jury was asked to determine the combined alleged overcharge for all 6 companies, including the Company, our US subsidiary, Samsung Electronics, LG Display, Chunhwa Picture Tubes, Chi Mei and Hannstar and the figure of the verdict in this regard is at least \$500 Million. However, the figure does not represent what the jury found to be AUO's overcharge and it is not the figure of AUO's fine.
- (2) The court, not the jury, makes the determination on the amount of AUO's fine and we expect it will take many months.
- (3) Under the sentencing guidelines, we believe the fine must be assessed based on AUO's own commerce in the US and alleged overcharge. Thus, the Company believes that the DOJ must provide evidence to establish what portion of the \$500 Million the DOJ attributes to AUO and why, and if the DOJ claims the fine should be more, then they must explain why. Further, there is a constitutional prohibition against excessive fines. Upon request by the Court, the Company will provide the Court with data regarding its sales to the US in support of its position as to the appropriate fine.

6.Countermeasures: N/A

7. Any other matters that need to be specified: N/A
