Why is the Company Soliciting My Proxy?

The Board of Directors of Alphatec Holdings, Inc. is soliciting your proxy to vote at the Annual Meeting to be held at our corporate headquarters, on June 21, 2012, at 2:00 p.m., local time, and any adjournments of the meeting. The proxy statement along with the accompanying Notice of 2012 Annual Meeting of Stockholders summarizes the purposes of the meeting and the information you need to know to vote at the Annual Meeting.

Who Can Vote?

Only stockholders who owned Alphatec Holdings, Inc. common stock at the close of business on April 25, 2012 are entitled to vote at the Annual Meeting. On this record date, there were 89,617,795 shares of Alphatec Holdings, Inc. common stock outstanding and entitled to vote. Alphatec Holdings, Inc. common stock is our only class of voting stock.

You do not need to attend the Annual Meeting to vote your shares. Shares represented by valid proxies, received in time for the meeting and not revoked prior to the meeting, will be voted at the meeting. A stockholder may revoke a proxy before the proxy is voted by delivering a signed statement of revocation to us at 5818 El Camino Real, Carlsbad, CA 92008, Attention: Ebun S. Garner, Esq., General Counsel, Senior Vice President and Secretary or Michael O. Neill, Chief Financial Officer and Vice President. The proxy may also be revoked by submitting to us prior to the Annual Meeting a more recently dated proxy or by attending the Annual Meeting and voting in person.

How Many Votes Do I Have?

Each share of Alphatec Holdings, Inc. common stock that you own entitles you to one vote.

How Do I Vote?

Whether you plan to attend the Annual Meeting or not, we urge you to vote by proxy. All shares represented by valid proxies that we receive through this solicitation, and that are not revoked, will be voted in accordance with your instructions on the proxy card. If you properly submit a proxy without giving specific voting instructions, your shares will be voted in accordance with the Board's recommendations as noted below. Voting by proxy will not affect your right to attend the Annual Meeting. If your shares are registered directly in your name through our stock transfer agent, Computershare, Inc. (Computershare), 480 Washington Ave., Jersey City, NJ 07310, or you have stock certificates, you may vote:

By mail. Complete and mail the enclosed proxy card, a copy of which is attached hereto as Appendix A, in the enclosed postage prepaid envelope. Your proxy will be voted in accordance with your instructions. If you sign the proxy card but do not specify how you want your shares voted, they will be voted in accordance with the recommendation of our Board of Directors.

In person at the meeting. If you attend the Annual Meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the Annual Meeting.

If your shares are held in street name (held in the name of a bank, broker or other nominee), you must provide the bank, broker or other nominee with instructions on how to vote your shares and can do so as follows:

By mail. You will receive instructions from your broker, bank, or other nominee explaining how to vote your shares.

In person at the meeting. Contact the broker or other nominee who holds your shares to obtain a legal proxy or broker's proxy card and bring it with you to the Annual Meeting. You will not be able to vote at the Annual Meeting unless you have a proxy card from your broker.

How Does the Board of Directors Recommend That I Vote on the Proposals?

The Board of Directors recommends that you vote as follows:

FOR the election of the nominees for director;

FOR the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2012; and

FOR the compensation of our named executive officers set forth in this proxy statement.

If any other matter is presented at the Annual Meeting, the proxy card provides that your shares will be voted by the proxy holder listed on the proxy card in accordance with his or her best judgment. At the time this proxy statement was printed, we knew of no matters that needed to be acted on at the Annual Meeting, other than those discussed in this proxy statement.

May I Change or Revoke My Proxy?

If you give us your proxy, you may revoke it at any time before the Annual Meeting. You may revoke your proxy in any one of the following ways:

signing a new proxy card and submitting it as instructed above;

notifying us at 5818 El Camino Real, Carlsbad, CA 92008, Attention: Ebun S. Garner, Esq., General Counsel, Senior Vice President and Secretary, in writing before the Annual Meeting that you have revoked your proxy; or

attending the Annual Meeting in person and voting in person. Attending the Annual Meeting in person will not in and of itself revoke a previously submitted proxy unless you specifically request it.

Your most-current proxy card is the one that will be counted.

What if I Receive More Than One Proxy Card?

You may receive more than one proxy card or voting instruction form if you hold shares of our common stock in more than one account, which may be in registered form or held in street name. Please vote in the manner described above under **How Do I Vote?** for each account to ensure that all of your shares are voted.

Will My Shares be Voted if I Do Not Return My Proxy Card?

If your shares are registered in your name or if you have stock certificates, they will not be voted if you do not return your proxy card by mail or vote at the meeting as described above under **How Do I Vote?**

If your shares are held in street name and you do not provide voting instructions to the bank, broker or other nominee that holds your shares as described above under **How Do I Vote?**, the bank, broker or other nominee only has the authority to vote your unvoted shares on Proposal 2, even if it does not receive instructions from you. Therefore, we encourage you to provide voting instructions. This ensures your shares will be voted at the meeting in the manner you desire. A **broker non-vote** will occur if your broker cannot vote your shares on a particular matter because it has not received instructions from you and does not have discretionary voting authority on that matter or because your broker chooses not to vote on a matter for which it does have discretionary voting.

Your bank, broker or other nominee no longer has the ability to vote your uninstructed shares in the election of directors. Therefore, if you hold your shares in street name it is critical that you cast your vote if you want your vote to be counted for the election of directors (Proposal 1 of this proxy statement). In the past, if you held your shares in street name and you did not indicate how you wanted your shares voted in the election of directors, your bank, broker or other nominee was allowed to vote your shares on your behalf in the election of directors as it felt appropriate. In addition, your bank, broker or other nominee is prohibited from voting your uninstructed shares on any matters related to executive compensation. Thus, if you hold your shares in street name and you do not instruct your bank, broker or other nominee how to vote in the election of directors or on matters related to executive compensation, no votes will be cast on these proposals on your behalf.

What Vote is Required to Approve Each Proposal and How are Votes Counted?

Proposal 1: Elect Directors

The nominees for director who receive the most votes (also known as a plurality of the votes) will be elected. You may vote either FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one or more of the nominees. Votes that are withheld will not be included in the vote for the election of directors. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name for the election of directors. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

Proposal 2: Ratify Selection of Auditors

The affirmative vote of a majority of the votes cast affirmatively or negatively for this proposal is required to ratify the selection of independent auditors. Abstentions have no effect on the results of this vote. Brokerage firms have authority to vote customers' unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote. We are not required to obtain the approval of our stockholders to select our independent accountants. However, if our stockholders do not ratify the selection of Ernst & Young LLP as our independent accountants for 2012, our Audit Committee of our Board of Directors will reconsider its selection.

Proposal 3: Approve an Advisory Vote on the Compensation of our Named Executive Officers

The affirmative vote of a majority of the votes cast affirmatively or negatively for this proposal is required to approve, on an advisory basis, the compensation of our named executive officers, as described in this proxy statement. Abstentions have no effect on the results of this vote. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name on this proposal. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote. Although the advisory vote is non-binding, the Compensation Committee and the Board of Directors will review the voting results and take them into consideration when making future decisions regarding executive compensation.

Is Voting Confidential?

We will keep all the proxies, ballots and voting tabulations private. We only let our Inspectors of Election, Computershare, examine these documents. Management will not know how you voted on a specific proposal unless it is necessary to meet legal requirements. We will, however, forward to management any written comments you make, on the proxy card or elsewhere.

Where can I find the voting results of the Annual Meeting?

The preliminary voting results will be announced at the Annual Meeting and we will publish preliminary, or final results if available, in a Current Report on Form 8-K within four business days of the Annual Meeting. If

final results are unavailable at the time we file the Form 8-K, then we will file an amended report on Form 8-K to disclose the final voting results within four business days after the final voting results are known.

What Are the Costs of Soliciting these Proxies?

We will pay all of the costs of soliciting these proxies. Our directors and employees may solicit proxies in person or by telephone, fax or email. We will pay these employees and directors no additional compensation for these services. We will ask banks, brokers and other institutions, nominees and fiduciaries to forward these proxy materials to their principals and to obtain authority to execute proxies. We will then reimburse them for their expenses.

What Constitutes a Quorum for the Annual Meeting?

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the meeting. Votes of stockholders of record who are present at the Annual Meeting in person or by proxy, abstentions, and broker non-votes are counted for purposes of determining whether a quorum exists.

Attending the Annual Meeting

The Annual Meeting will be held at 2:00 p.m. Pacific Time, on Thursday, June 21, 2012 at our corporate headquarters, which are located at 5818 El Camino Real, Carlsbad, CA 92008. When you arrive at our headquarters signs will direct you to the appropriate meeting room. You need not attend the Annual Meeting in order to vote.

Householding of Annual Disclosure Documents

SEC Rules concerning the delivery of annual disclosure documents allow us or your broker to send a single set of our annual report and proxy statement to any household at which two or more of our stockholders reside, if we or your broker believe that the stockholders are members of the same family. This practice, referred to as householding, benefits both you and us. It reduces the volume of duplicate information received at your household and helps to reduce our expenses. The rule applies to our annual reports, proxy statements and information statements. Once you receive notice from your broker or from us that communications to your address will be householded, the practice will continue until you are otherwise notified or until you revoke your consent to the practice. Stockholders who participate in householding will continue to have access to and utilize separate proxy voting instructions.

If your household received a single set of disclosure documents this year, but you would prefer to receive your own copy, please contact our transfer agent, Computershare, by calling their toll free number, 1-866-265-1875.

If you do not wish to participate in householding and would like to receive your own set of the annual disclosure documents in future years, follow the instructions described below. Conversely, if you share an address with another Alphatec Holdings, Inc. shareholder and together both of you would like to receive only a single set of our annual disclosure documents, follow these instructions:

If your shares are registered in your own name, please contact our transfer agent, Computershare and inform them of your request by calling them at 1-866-265-1875 or writing them at 480 Washington Ave., Jersey City, NJ 07310.

If a broker or other nominee holds your Alphatec Holdings, Inc. shares, please contact the broker or other nominee directly and inform them of your request. Be sure to include your name, the name of your brokerage firm and your account number.

CORPORATE GOVERNANCE MATTERS

Board of Directors Leadership Structure

The Board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board, as the Board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. The Board has determined that having an employee director serve as Chairman is in the best interest of the Company's stockholders at this time because of the efficiencies achieved in having the role of Chief Executive Officer and Chairman combined, and because the detailed knowledge of our day-to-day operations and business that the Chief Executive Officer possesses greatly enhances the decision-making processes of the Board as a whole. We have a strong governance structure in place, including independent directors, to ensure the powers and duties of the dual role are handled responsibly. Furthermore, consistent with NASDAQ listing requirements, the independent directors regularly have the opportunity to meet without Mr. Cross in attendance. We do not have a lead independent director. When Les Cross was appointed to the position of Chairman and Chief Executive Officer in February 2012, our board no longer met the Nasdaq rules for director independence, which require that a majority of the members of the Board be independent (as such term is defined in the Nasdaq rules). On April 30, 2012 both we and Dr. Hochschuler agreed that it was in our mutual best interests to have Dr. Hochschuler resign from the Board so that we could meet the Nasdaq independence requirements. Dr. Hochschuler will remain the Chairman of our Scientific Advisory Board.

Mr. Cross has served as Chairman of the Board of Directors since July 2011. The Chairman of the Board of Directors provides leadership to the Board and works with the Board to define its activities and the calendar for fulfillment of its responsibilities. The Chairman of the Board of Directors approves the meeting agendas after input from management, facilitates communication among members of the Board and presides at meetings of our Board and stockholders.

The Chairman of the Board of Directors, the Chairman and the Executive Committee of the Board of Directors, the Chairman of the Audit Committee, of the Board of Directors and the other members of the Board work in concert to provide oversight of our management and affairs. The leadership of Mr. Cross fosters a culture of open discussion and deliberation, with a thoughtful evaluation of risk, to support our decision-making. Our Board encourages communication among its members and between management and the Board to facilitate productive working relationships. Working with the other members of the Board, Mr. Cross also works to ensure that there is an appropriate balance and focus among key Board responsibilities such as strategic development, review of operations and risk oversight.

The Board of Directors Role in Risk Oversight

The Board plays an important role in risk oversight through direct decision-making authority with respect to significant matters and the oversight of management by the Board and its committees. In particular, the Board administers its risk oversight function through (1) the review and discussion of regular periodic reports to the Board and its committees on topics relating to the risks that we face, (2) the required approval by the Board (or a committee of the Board) of significant transactions and other decisions, (3) the direct oversight of specific areas of our business by the Audit and Compensation committees, and (4) regular periodic reports from our auditors and outside advisors regarding various areas of potential risk, including, among others, those relating to our internal control over financial reporting. The Board also relies on management to bring significant matters impacting us to the Board's attention.

Pursuant to the Audit Committee's charter, the Audit Committee is responsible for discussing the guidelines and policies that govern the process by which our exposure to risk is assessed and managed by management. As part of this process, the Audit Committee discusses our major financial risk exposures and steps that management has taken to monitor and control such exposure. In addition, we, under the supervision of the Audit Committee, have established procedures available to all employees for the anonymous and confidential submission of

complaints relating to any matter to encourage employees to report questionable activities directly to our senior management and the Audit Committee.

Because of the role of the Board in risk oversight, the Board believes that any leadership structure that it adopts must allow it to effectively oversee the management of the risks relating to our operations. The Board recognizes that there are different leadership structures that could allow it to effectively oversee the management of the risks relating to our operations. The Board believes its current leadership structure enables it to effectively provide oversight with respect to such risks.

Committees of the Board and Meetings

Meeting Attendance. During the 2011 fiscal year, there were seven meetings of our Board, and the various committees of the Board met a total of 10 times. No director attended fewer than 75% of the total number of meetings of the Board or committees of the Board on which he or she served during the 2011 fiscal year. The Board has adopted a policy under which each member of the Board is strongly encouraged, but not required, to attend each annual meeting of our stockholders. Four directors attended our annual meeting of stockholders held in 2011.

Audit Committee. Our Audit Committee met four times during the 2011 fiscal year. This committee currently has two members, James R. Glynn (Chairman) and R. Ian Molson. Our Audit Committee's role and responsibilities are set forth in the Audit Committee's written charter and include the authority to retain and terminate the services of our independent accountants, reviews annual and quarterly financial statements, considers matters relating to accounting policy and internal controls and reviews the scope of annual audits. All members of the Audit Committee satisfy the current independence standards promulgated by the Securities and Exchange Commission and The NASDAQ Stock Market, as such standards apply specifically to members of audit committees. The Board has determined that Messrs. Molson and Glynn are each an audit committee financial expert, as the Securities and Exchange Commission has defined that term in Item 407 of Regulation S-K. A copy of the Audit Committee's written charter is publicly available on our website at www.alphatecspine.com under Investor Relations Corporate Governance. Please also see the report of the Audit Committee set forth elsewhere in this proxy statement.

Compensation Committee. Our Compensation Committee met six times during the 2011 fiscal year. In 2011 this Committee had two members, R. Ian Molson (Chairman) and Stephen E. O'Neil. In April 2012, Mr. Desai was appointed to this committee by the Board, thereby increasing the membership to three members. Our Compensation Committee's role and responsibilities are set forth in the Compensation Committee's written charter and includes reviewing, approving, and making recommendations regarding our compensation policies, practices and procedures to ensure that legal and fiduciary responsibilities of the Board are carried out and that such policies, practices and procedures contribute to our success. Our Compensation Committee also administers our Amended and Restated 2005 Employee, Director and Consultant Stock Plan and our 2007 Employee Stock Purchase Plan. The Compensation Committee is responsible for the determination of the compensation of our CEO, and shall conduct its decision-making process with respect to that issue without the presence of the CEO. All members of the Compensation Committee qualify as independent directors under the standards promulgated by The NASDAQ Stock Market. A copy of the Compensation Committee's written charter is publicly available on our website at www.alphatecspine.com under Investor Relations Corporate Governance. Please also see the report of the Compensation Committee set forth elsewhere in this proxy statement.

Further discussion of the process and procedures for considering and determining executive compensation, including the role that our executive officers play in determining compensation for other senior management, is included below in the section entitled Compensation Discussion and Analysis.

Nominating and Governance Committee. Our Nominating and Governance Committee did not meet during the 2011 fiscal year. This committee currently has two members, Stephen E. O'Neil (Chairman) and R. Ian Molson. The Nominating and Governance Committee's role and responsibilities are set forth in the Nominating

Committee's written charter and include evaluating and making recommendations to the full Board as to the size and composition of the Board and its committees, and evaluating and making recommendations as to potential candidates. All members of the Nominating and Governance Committee qualify as independent directors under the definition promulgated by The Nasdaq Stock Market. The Nominating and Governance Committee may consider candidates recommended by stockholders as well as from other sources such as other directors or officers, third party search firms or other appropriate sources. For all potential candidates, the Nominating and Governance Committee may consider all factors it deems relevant, such as a candidate's personal integrity and sound judgment, business and professional skills and experience, independence, knowledge of the industry in which we operate, possible conflicts of interest, diversity, the extent to which the candidate would fill a present need on the Board, and concern for the long-term interests of the stockholders. Although the Company has no policy regarding diversity, the Nominating Committee seeks a broad range of perspectives and considers both the personal characteristics (gender, ethnicity, age) and experience (industry, professional, public service) of Directors and prospective nominees to the Board. In general, persons recommended by stockholders will be considered on the same basis as candidates from other sources. If a stockholder wishes to nominate a candidate to be considered for election as a director at the 2013 Annual Meeting of Stockholders, it must comply with the procedures set forth in our By-laws and give timely notice of the nomination in writing to our Secretary not less than 45 or more than 75 days prior to the date on which we first mail our proxy statement relating to our Annual Meeting of Stockholders to be held in 2011. See [Stockholder Proposals and Nominations for Directors](#). If a stockholder wishes simply to propose a candidate for consideration as a nominee by the Nominating and Governance Committee, it must make such proposal for such candidate in writing, addressed to the Nominating and Governance Committee care of our Secretary at our principal offices. Submissions must be made by mail, courier or personal delivery and must contain the information set forth in our Nominating and Governance Committee Charter, which is available on our website at www.alphatecspine.com under [Investor Relations](#) [Corporate Governance](#).

The Corporate Secretary will receive the correspondence and forward it to the Chairman of the Board, or to any individual director or directors to whom the communication is directed, unless the communication is unduly hostile, threatening, illegal, does not reasonably relate to the Company or its business or is similarly inappropriate. The Corporate Secretary has the authority to discard or disregard any inappropriate communications or to take other appropriate actions with respect to any such inappropriate communications.

Compensation Practices and Policies Relating to Risk Management

We do not utilize compensation policies or practices that create risks that are reasonably likely to have a material adverse effect on us. This

Compensation Discussion and Analysis section describes generally our compensation policies and practices that are applicable for executive and management employees. We use common variable compensation designs across all of our business units and divisions, with a significant focus on corporate and business financial performance.

COMPENSATION DISCUSSION AND ANALYSIS

We have prepared this Compensation Discussion and Analysis, or CD&A, to provide you with information that we believe is necessary to understand our executive compensation policies and decisions as they relate to the compensation of the individuals identified below, who are our Named Executive Officers, as such term is defined in Item 402 of Regulation S-K:

Dirk Kuyper, President, Global Commercial Operations (former President and Chief Executive Officer)

William Patrick Ryan, Chief Operating Officer

Michael O'Neill, Chief Financial Officer, Vice President and Treasurer

Stephen Lubischer, Vice President, Sales

Mitsuo Asai, President, Alphatec Pacific, Inc.

We held our first advisory shareholder vote on the compensation of our named executive officers (a say-on-pay vote) as required under the Dodd-Frank legislation in 2011. The Compensation Committee has reviewed the investor feedback received in connection with the last annual meeting and has deliberated over the results of the vote on fiscal 2010 executive compensation. The Compensation Committee believes that our fiscal 2011 executive compensation program has been tailored to our business strategies and aligns pay with our successful performance. We will continue to consider shareholder sentiments about our core principles and objectives when determining executive compensation.

Compensation Philosophy and Objectives

We are engaged in a very competitive industry, and our success depends upon our ability to attract and retain qualified executives. Accordingly, our compensation arrangements must be competitive. The Compensation Committee's intent is generally to target salaries, annual incentives and long-term incentive grant values at a range that is competitive with programs offered by other companies against whom we compete for personnel. The Compensation Committee's decisions are based upon a philosophy of pay for performance, with an individual's experience, potential and contribution to our business determining his or her actual compensation. The Compensation Committee administers the compensation programs for our executive officers, considering this competitive environment, but also believes that the compensation paid to our executive officers should be dependent upon our financial performance and the value that we create for our stockholders. For this reason, the Compensation Committee's philosophy is to structure our compensation programs to provide meaningful incentives for the attainment of specific financial objectives and to reward those executive officers who make substantial contributions to the attainment of those objectives, and to link executive officer compensation with performance.

The Compensation Committee's objectives are to:

attract, retain, and motivate talented executives responsible for the success of the organization;

provide compensation to executives that is externally competitive, internally equitable and performance-based; and

ensure that total compensation levels are reflective of company and individual performance and provide executives with the opportunity to receive above market total compensation for exceptional business performance.

Compensation Process and Benchmarking

Compensation Process

Edgar Filing: Alphatec Holdings, Inc. - Form DEF 14A

Pursuant to its charter, the Compensation Committee has responsibility for, among other things, discharging the Board's responsibilities relating to compensation and benefits of our executive officers, including

responsibility for evaluating management performance, officer compensation and benefits plans and programs. In carrying out these responsibilities, the Compensation Committee is required to review all components of executive officer compensation for consistency with our compensation philosophy.

In 2011, we hired several new executive officers, including Mr. Ryan, our COO. With respect to each of such individuals, their compensation for 2011 was determined during arms-length negotiations with our President and CEO. With respect to all of such hires, the Compensation Committee approved the compensation terms set forth in such individual's employment agreement prior to their hire. As requested by the Compensation Committee, our President and CEO presents individual performance feedback, proposed annual salary increases and long-term incentive grant recommendations for the other executive officers to the members of the Compensation Committee. The Compensation Committee reviews the information and either approves the recommendation or makes changes at its discretion. The Compensation Committee, in consultation with the Chairman of the Board of Directors, makes its own assessment of our President and CEO based on our financial performance, his compensation compared to CEOs in our peer group, the components of his compensation and his total compensation level. The Compensation Committee then approves the compensation of our President and CEO.

In 2011, in lieu of using a compensation consultant, our President and CEO, working with our Senior Vice President, Human Resources, reviewed published compensation survey data in the Radford Compensation Survey for companies in our industry or similar industries with annual revenues similar to ours. Except to the extent described under 2011 Benchmarking, the Compensation Committee did not rely on formulas or specific analysis in determining levels and mixes of compensation but rather relied on its members' subjective but reasonable, good faith judgment based on their years of experience both with us and with other companies they have been involved with in their professional careers.

In 2011, our President and CEO provided recommendations to the Compensation Committee regarding financial goals and criteria for the establishment of an annual bonus plan for our executive officers. These criteria and targets were based upon our operating plan for the 2011 fiscal year, as approved by the Board. The corporate performance metrics under the bonus plan as approved by the Compensation Committee included attainment of certain financial targets. The bonus plan for fiscal year 2011 is further described below under the heading 2011 Bonus Plan.

2011 Benchmarking

In benchmarking compensation for the executive officers (other than the President and CEO) for 2011, the President and CEO made recommendations to the Compensation Committee based on total cash compensation (base salary plus annual cash incentives) and long-term equity incentives. Under this system, the President and CEO assigned a total target compensation range to a particular executive officer after considering various factors under the major categories of job demands, knowledge, level of responsibility and the total target compensation paid by comparable companies as set forth in the Radford Compensation Survey. With respect to our executive officers, all of Mr. Kuyper's total target compensation recommendations were reviewed and approved by the Compensation Committee.

Our President and CEO evaluated the total targeted compensation of our executive officers by comparing our information to published compensation survey data from companies in our industry or similar industries with annual revenues similar to those of ours. The survey data included information on job duties, and target and actual total compensation. The President and CEO and the Compensation Committee generally considered total targeted compensation for key employees to be within the market competitive range if total targeted compensation was comparable.

Elements of Compensation and How Each Element is Chosen

As indicated above, compensation elements for our executive officers are designed to attract and retain individuals with exceptional ability for these key roles in a very competitive market for such talent. Certain

elements of compensation serve other important interests. For example, annual incentive pay is designed to motivate the executive officers to attain our vital short-term goals. Long-term incentive pay in the form of equity awards vesting over a number of years aligns the executive officer's interest with that of our stockholders in seeing long-term increases in the value of our shares. The main compensation elements for our executive officers (salary, annual incentive, long-term incentive, and other benefits and perquisites) are described in more detail below.

For fiscal year 2011, each executive officer's compensation generally consisted of three elements: (i) base salary, (ii) cash bonus based upon our attainment of pre-established objectives; and (iii) long-term stock-based incentive awards designed to align the interests between our executive officers and our stockholders.

2011 Base Salaries and Target Bonus Percentages

For 2011, the President and CEO reviewed the base salaries of the executive officers in the first half of the calendar year and determined whether any changes were appropriate. During such review, the President and CEO took multiple factors into consideration. Base salaries of the executive officers were targeted at a competitive market median based on each respective position with individual variations explained by differences in experience, skills and sustained performance. All changes were implemented in the first half of 2011.

Name	2011 Base Salary	2011 Target Bonus Percentage
Dirk Kuyper	\$ 500,000	75%
William Patrick Ryan	\$ 350,000	50%
Michael O. Neill	\$ 325,000	50%
Stephen Lubischer	\$ 249,900	85%
Mitsuo Asai	\$ 355,732(1)	35%

- (1) For the purposes of this table, Mr. Asai's 2011 base salary was converted from Japanese Yen to U.S. Dollars using the exchange rate as of December 31, 2011.

Annual Incentive Compensation

Executive officers are eligible for incentive compensation annually under our non-shareholder-approved bonus plan. Within this plan, the Compensation Committee establishes annual incentive compensation that is based upon target awards expressed as a percentage of each executive's base salary. Payments under the bonus plan are determined based upon our performance against pre-established financial targets.

2011 Bonus Plan

In February 2011, the Compensation Committee approved the bonus plans for each of our executive officers, which we refer to collectively herein as the 2011 Bonus Plan. Under the 2011 Bonus Plan, our Named Executive Officers were eligible for cash bonuses for the 2011 fiscal year as further described below.

2011 Bonus Plan for Messrs. Kuyper, Ryan, and O. Neill

With respect to each of Messrs. Kuyper, Ryan and O. Neill, the target cash bonuses for fiscal year 2011 were determined according to a formula expressed as percentages of the respective executive's base salary actually paid to the executive in 2011, subject to the achievement of corporate and individual performance criteria being achieved. The corporate performance criteria was predicated on the achievement of certain operating profit and end-of-year cash balance metrics to be generated in accordance with our 2011 operating plan that was approved by our Board of Directors (80% of the total amount of the target bonus). The remainder of the bonus was predicated on the achievement of individual goals (20% of the total amount of the target bonus). The amount

actually paid can be above or below the target amount but the maximum that may be earned is equal to 125% of the target amount. The Compensation Committee approved all financial criteria for the awarding of such cash bonuses and the President and CEO presented the financial criteria to Mr. O'Neill for his confirmation of the achievability of such criteria. In the event the executives exceeded such target levels, they were entitled to receive cash bonuses based on higher percentages of their respective base salaries. The table below sets forth for each of these executive officers the percentage of the 2011 base salary earnings that such executive officer was eligible to receive as a cash bonus under the 2011 Bonus Plan based upon the achievement of the applicable performance criteria.

Name	2011 Base Salary Actually Earned	Bonus Percentage Upon 100% Achievement of All Bonus Performance Criteria
Dirk Kuyper	\$ 482,212	75%
William Patrick Ryan	\$ 235,577	50%
Michael O'Neill	\$ 325,000	50%

In 2011, we failed to achieve the minimum levels of performance that would have entitled each of Messrs. Kuyper, Ryan, and O'Neill to receive any bonus based on corporate results. The following bonuses were approved based on achievement of individual goals that were part of each individual's MBO's for 2011: Mr. Ryan received \$18,000 and Mr. O'Neill received \$6,000. This bonus was paid in the second quarter of 2012.

2011 Plan for Mr. Lubischer

With respect to Mr. Lubischer, the target cash bonus for fiscal year 2011 was determined based upon our achievement of certain sales goals in the U.S. Upon 100% achievement of all of such sales targets, Mr. Lubischer's bonus would have equaled 85% of his base salary of \$249,900. The Compensation Committee approved all financial criteria for the awarding of this cash bonus and the President and CEO presented the financial criteria to Mr. Lubischer for his confirmation of the achievability of such criteria. In the event that U.S. sales exceeded certain target levels, Mr. Lubischer would have been entitled to receive a cash bonus that was higher than the percentage of his base salary set forth above. 70% of Mr. Lubischer's bonus was payable quarterly, based on the achievement of quarterly sales targets and 30% of Mr. Lubischer's bonus was payable following the end of the 2011 fiscal year, based on the achievement of an annual sales target.

In 2011, due to our revenue performance, Mr. Lubischer was entitled to 39% of his target bonus. His year-end bonus (which is equal to 6% of the total bonus amount paid to Mr. Lubischer) was paid in the second quarter of 2012.

2011 Bonus Plan for Mr. Asai

With respect to Mr. Asai, the target cash bonus for fiscal year 2011 was determined according to a formula expressed as up to 35% of his base salary of 28.05 million Japanese yen, and was subject to adjustments based on the percentage to which the targeted applicable performance criteria was achieved. Mr. Asai was eligible to receive a cash bonus for 2011 based on the achievement of the following goals (i) achievement of certain receivable days outstanding goals for Alphatec Pacific; (ii) operating income for Alphatec Pacific; and (iii) our operating profit and end-of-year cash balance using the same criteria as set forth in the 2011 Bonus Plan for our other named executive officers discussed above. The Compensation Committee approved all financial criteria for the awarding of this cash bonus and the President and CEO presented the financial criteria to Mr. Asai for his confirmation of the achievability of such criteria. In the event that 2011 results exceeded certain target levels, Mr. Asai was entitled to receive a cash bonus based on higher percentages of his base salary.

In 2011, Alphatec Pacific achieved a percentage of the financial targets that entitled Mr. Asai to 83% of his target bonus. This bonus was paid in the second quarter of 2012.

With respect to all of the bonuses described above, we (or Alphatec Pacific with respect to Mr. Asai) had to have achieved a threshold of financial performance that was established by the Compensation Committee before any of the bonuses based on the financial criteria set forth above would become payable.

Equity Compensation Awards

Equity compensation has traditionally been an important element of our executive compensation program in order to align the interests of our executives with those of our stockholders. Because the value of the equity awards will increase only when we perform and increase stockholder value, the grant of such equity awards provides long-term incentives to the recipients thereof, including our executive officers. These awards not only serve to align the executives' interests with those of the stockholders over an extended period of time, but because they also generally are subject to vesting in connection with continued service to us over a specified period of time, these awards serve as an additional retention mechanism. The Compensation Committee believes that both of these elements are important factors in executive compensation.

New Hire Grants

Generally, we grant equity awards to our new employees, including our executive officers, in connection with the start of their employment. At the time of the hiring of any executive officer, equity compensation generally is negotiated between such officer and us. Generally, such negotiations are conducted by our President and CEO on our behalf. The Compensation Committee approves such negotiated equity compensation for newly hired executive officers. The size of such awards is determined based upon available information concerning the competitive packages offered to executives in similar jobs at companies with which we are competitive for personnel, but are not established based upon any formal survey or other comparative data. In addition, the President and CEO often adjusts such initial equity compensation grants as deemed appropriate to attract or retain specific candidates based on their experience, knowledge, skills and education and our needs. In November 2009, the Compensation Committee determined that all options issued after such date will vest over four years, with 25% of such option vesting on the anniversary of the grant date, and the remaining 75% vesting in 12 tranches each three months thereafter. In general, all grants of restricted stock have annual vesting. In connection with the commencement of Mr. Ryan's employment we granted him options to purchase up to 250,000 shares of our common stock. The options vest over four years, with 25% of such option vesting on the anniversary of the grant date, and the remaining 75% vesting in 12 tranches every three months thereafter. In addition, we also granted Mr. Ryan 100,000 shares of restricted common stock. The restricted common stock vests annually in four equal tranches over four years.

Annual Equity Grants

We generally award our key employees, including our executive officers an annual stock option grant with the goal of providing continued incentives to retain strong executives and improve corporate performance. Each year, including fiscal year 2011, the President and CEO makes a recommendation to our Compensation Committee regarding whether any equity incentive grant is appropriate for an executive officer and the amount of such grant. The Compensation Committee approves such annual equity grant for executive officers. In reaching their decision, the President and CEO and the Compensation Committee considers each individual's experience, the scope of such individual's responsibilities, his or her performance in the applicable role, and his or her expected future contribution to our goals and stockholder value. On August 1, 2011, following Compensation Committee approval, each of Messrs. O'Neill, Lubischer and Asai received stock options to purchase 25,000, 35,000 and 25,000 shares, respectively, of our common stock as part of our annual option grant program. The amount of the annual equity grant is evaluated so as to ensure that the grants are comparable to similarly situated executives in comparable companies in our industry with whom we directly compete in our hiring and retention of executives.

Employee Stock Purchase Plan

Our 2007 Employee Stock Purchase Plan (the "2007 ESPP") is tax-qualified and is generally available to all U.S.-based employees including executive officers. The 2007 ESPP is intended to qualify under Section 423 of the Internal Revenue Code and provides for two six-month offering periods per calendar year. Each offering period allows participants to purchase our stock through payroll deductions at a discount from the fair market value. Prior to the offering period that began on November 16, 2011, the discount was 85% of the closing price of our common stock on the final day of an offering period. Beginning with the offering period that began on November 16, 2011, the discount was changed to the lower of (i) 85% of the closing price of our common stock on the first date of an offering period, and (ii) 85% of the closing price of our common stock on the final day of an offering period. Prior to the offering period that will begin on May 16, 2012, participants in the 2007 ESPP were not able to sell or transfer purchased shares for a prescribed time period after the date of purchase. This restriction will end beginning with the offering period that begins on May 16, 2012.

Termination and Change in Control Based Compensation

Our Compensation Committee agreed to severance packages for our Named Executive Officers as part of the negotiations with each of these executive officers to secure his or her services. Our Compensation Committee approved the severance packages based on their experience serving on boards of directors and compensation committees of companies of a similar size and stage of development to us and their familiarity with severance packages offered to executive officers of such companies. Based on this knowledge, experience and information, we believe that the respective severance periods and provision of medical and similar benefit programs during such severance periods are both reasonable and generally in line with severance packages negotiated with executive officers of similarly situated companies.

In addition, pursuant to our restricted stock agreements and stock option agreements with our executive officers, including our Named Executive Officers, in the event of a change in control, as defined in our Amended and Restated 2005 Employee, Director and Consultant Stock Plan, as amended, the vesting of outstanding restricted stock grants and stock option awards held by our executive officers will accelerate in connection with a change in control, without regard to whether the executive officer terminates employment in connection with or following the change in control.

Other Compensation

We maintain broad-based benefits and perquisites that are provided to all employees, including health insurance, life and disability insurance, dental insurance, an employee stock purchase plan, and a 401(k) plan. We match employee contributions to our 401(k) plan, including those of our executive officers. In 2011 we provided our President and CEO and all sales employees, including Mr. Lubischer, with a monthly automobile allowance. In particular circumstances, we also utilize cash signing bonuses when certain executives and senior level non-executives join us. Such cash signing bonuses are typically repayable in full to us if the recipient voluntarily terminates employment with us prior to the first anniversary of the date of hire. Whether a signing bonus is paid and the amount thereof is determined on a case-by-case basis under the specific hiring circumstances. For example, we have paid and will consider paying cash bonuses to compensate for amounts forfeited by an executive upon terminating prior employment. In addition, we may assist with certain expenses associated with an executive joining and maintaining their employment with us. For example, in 2011, we reimbursed our Chief Operating Officer and Chief Financial Officer for certain costs and/or expenses related to his and his family's relocation to the Carlsbad, CA area. In addition, in 2011 we reimbursed our President of Alphatec Pacific for rental expenses related to an apartment close in proximity to our corporate office in Japan and expenses related to the purchase of workman's accident compensation insurance. We believe these forms of compensation create additional incentives for an executive to join us in a position where there is high market demand. These forms of compensation are typically structured to not exceed certain monetary amounts and/or time periods.

2012 Base Salary for Named Executive Officers and Employment Agreements for Leslie Cross and Dirk Kuyper

In April 2012, the Compensation Committee determined that none of our Named Executive Officers were eligible to receive a salary increase in 2012.

In February 2012 we and Alphatec Spine entered into an Employment Agreement with Leslie Cross, pursuant to which Mr. Cross agreed to serve as our Chairman and CEO. Pursuant to the agreement, Mr. Cross received an initial annual base salary of \$500,000, and he is eligible to receive incentive bonuses based on our achievement of annual performance objectives established by our Compensation Committee at the beginning of each fiscal year. For fiscal year 2012, Mr. Cross' target bonus percentage is 75% of his base salary. In connection with the commencement of his employment, we granted Mr. Cross 200,000 shares of restricted common stock. All such shares will vest on the anniversary of the date of issuance if certain stock performance measures are achieved, as determined by the Compensation Committee of the Board of Directors. In addition, upon a change of control of the Company that occurs during his employment, any unvested shares of restricted common stock shall become fully vested.

In February 2012, we and Alphatec Spine entered into an employment agreement with Dirk Kuyper, pursuant to which Mr. Kuyper agreed to serve as our President, Global Commercial Operations. This Agreement amended and restated all prior employment agreements that Mr. Kuyper had previously entered into. Pursuant to the agreement, Mr. Kuyper receives an annual base salary of \$375,000, and Mr. Kuyper is eligible to receive an incentive bonus based on our achievement of performance objectives established by the Compensation Committee of the Company's Board of Directors each fiscal year. In addition, Mr. Kuyper's employment agreement provides that (i) he receives reimbursement of up to \$3,000 per calendar year in connection the purchase of a supplemental long term disability insurance policy; he receives reimbursement of up to \$2,500 in the 2012 calendar year in connection with costs and expenses related to physical examinations conducted in accordance with an executive health program; and (iii) he shall be entitled to use an automobile that has been leased by the Company for the remainder of the lease period, provided that he shall be responsible for any expenses related to such automobile that are in excess of \$1,000 per month.

Potential Payments Upon Termination or Change-in-Control***Termination of Employment and Change in Control Arrangements***

The employment agreements with our Named Executive Officers provide certain benefits upon the termination of employment without cause. Such benefits are described in detail below.

Pursuant to the employment agreement in place as of December 31, 2011, in the event that Mr. Kuyper is terminated without cause, he is entitled to receive as severance compensation his base salary for a period of 12 months, a payment for any accrued but unused vacation days, and payment of, or reimbursement for, the continuation of his health and dental insurance coverage pursuant to the Consolidated Omnibus Budget Reconciliation Act, or COBRA, for a 12-month period following such termination date, and a gross up related to any taxes incurred in connection with such COBRA payments. In the event that Mr. Kuyper's employment is terminated due to either his death or disability, we are required to pay Mr. Kuyper (or his estate, as the case may be) an amount equal to Mr. Kuyper's target bonus for the fiscal year in which such termination occurred (with such amount pro-rated based on the date of termination). In addition, in the event of termination due to death or disability, any unvested stock options and restricted stock awards held by Mr. Kuyper shall become fully vested and not subject to forfeiture or repurchase.

With respect to the employment agreement entered into in 2012, in the event that Mr. Kuyper's employment is terminated (i) by the Company without cause (excluding any termination due to Mr. Kuyper's death or disability), (ii) by Mr. Kuyper or the Company within the first 90 days after February 26, 2012 (other than by the Company for cause), or (iii) by Mr. Kuyper for good reason, the Company is required to pay Mr. Kuyper (1) a severance payment of \$500,000; and (2) payment of, or reimbursement for, the continuation of his health and

dental insurance coverage pursuant to COBRA for a 12-month period following such termination date, provided that Mr. Kuyper is not otherwise eligible for health and dental insurance coverage. In the event that Mr. Kuyper's employment is terminated due to either his death or disability, the Company is required to pay Mr. Kuyper (or his estate, as the case may be) (1) all accrued but unpaid compensation; (2) a pro-rated amount of \$365,000 based on his date of termination. In addition, in the event of termination due to death or disability, any unvested stock options and restricted stock awards held by Mr. Kuyper shall become fully vested and not subject to forfeiture or repurchase.

In the event that Mr. O'Neill is terminated (i) without cause or (ii) by Mr. O'Neill following certain events, he is entitled to receive as severance compensation his base salary for a period of 12 months, a payment for any accrued but unused vacation days, and payment of, or reimbursement of, the continuation of his health and dental insurance coverage pursuant to COBRA for the period in which he is receiving severance, and a gross up related to any taxes incurred in connection with such COBRA payments. In the event that Mr. O'Neill's employment is terminated due to either his death or disability, we are required to pay Mr. O'Neill (or his estate, as the case may be) an amount equal to Mr. O'Neill's target bonus for the fiscal year in which such termination occurred (with such amount pro-rated based on the date of termination). In addition, in the event of termination due to death or disability, any unvested stock options and restricted stock awards held by Mr. O'Neill shall become fully vested and not subject to forfeiture or repurchase.

In the event that Mr. Lubischer is terminated without cause, he is entitled to receive as severance compensation his base salary for a period of at least three, but not more than 12 months, with such period being determined by us based on our desired length of the period of noncompetition, a payment for any accrued but unused vacation days, and payment of, or reimbursement for, the continuation of his health and dental insurance coverage pursuant to COBRA for the period in which he is receiving severance, and a gross up related to any taxes incurred in connection with such COBRA payments. R. Ian Molson

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Our records reflect that all reports which were required to be filed pursuant to Section 16(a) of the Securities Exchange Act of 1934, as amended, were filed on a timely basis, except that one initial report of ownership was filed late by each of Leslie Cross and William Patrick Ryan and 16 reports, in the aggregate, of a change in beneficial ownership were filed late by each of the following: Messrs. or Ms. (as the case may be) Kuyper and Cross (each with three reports regarding three transactions); O'Neill, Garner and Molson (each with two reports regarding two transactions); Desai, Glynn, Marshall, and Hochschuler (each with one report regarding one transaction).

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Agreements with our Officers, Directors and Principal Stockholders

For the year ended December 31, 2011, we incurred costs of \$0.1 million related to reimbursement of travel and administrative expenses to Foster Management Company and HealthpointCapital, LLC., including for the reimbursement of Foster Management Company's airplane. Foster Management Company is an entity owned by John H. Foster, a member of our Board. Based upon a competitive analysis of comparable leased aircraft, our Board determined that the hourly reimbursement rate is at or below market rates for the charter of similar aircraft.

In 2005, we and Alphatec Spine entered into an agreement with Dr. Stephen H. Hochschuler, who became one of our directors in October 2006, pursuant to which Dr. Hochschuler agreed to serve as the Chairman of our Scientific Advisory Board. Pursuant to the agreement we pay Dr. Hochschuler for attending Scientific Advisory Board meetings and he received equity compensation in connection with the agreement. In October 2006, we and Alphatec Spine entered into a Consulting Agreement with Dr. Hochschuler. Pursuant to the terms of the agreement, we agreed to appoint Dr. Hochschuler to our and Alphatec Spine's Board of Directors until the next annual meeting of each of its stockholders or until his successor is duly appointed and qualified. Pursuant to the agreement, Dr. Hochschuler is required to provide advisory services to us related to the spinal implant industry and our research and development strategies. The agreement had an initial term of three years, and in October 2009 it automatically renewed for an additional year. In October 2011 the agreement was amended to remove the automatic renewal provision, and to reduce the amount of the consulting fees. In return for such consulting services, we paid Dr. Hochschuler cash and equity compensation in 2011. In 2011, we issued Dr. Hochschuler an option to purchase 25,000 shares of our common stock, and we paid an aggregate of \$0.2 million to Dr. Hochschuler pursuant to the consulting agreement. The options vest in three tranches over three years.

We have entered into indemnification agreements with certain of our directors. The indemnification agreements require us to indemnify these individuals to the fullest extent permitted by Delaware law and to advance expenses incurred by them in connection with any proceeding against them with respect to which they may be entitled to indemnification by us. In addition, each of Scientia and Surgiview has agreed to indemnify its officers and directors in connection with activities undertaken by such individuals on behalf of their respective companies. For the year ended December 31, 2011, the Company paid approximately \$0.5 million in connection with the indemnification obligations of Scientia and Surgiview, all of which was related to the Orthotec matter.

Related Party Transaction Policies

Our officers, directors and affiliates are required to obtain Audit Committee approval for any proposed related party transaction. In addition, our code of conduct requires that each director, officer and employee must do everything he or she reasonably can to avoid conflicts of interest or the appearance of conflicts of interest. The code of conduct states that a conflict of interest exists when an individual's private interest interferes in any way with our interests and sets forth a list of broad categories of the types of transactions that must be reported to our compliance officer. Under the code of conduct, we reserve the right to determine when an actual or potential

conflict of interest exists and then to take any action we deem appropriate to prevent the conflict of interest from occurring.

Director Independence

Our Board has determined that the following members of the Board qualify as independent directors under the current independence standards promulgated by the Securities and Exchange Commission and The NASDAQ Stock Market: R. Ian Molson, Stephen E. O Neil, James R. Glynn, Rohit M. Desai and Siri S. Marshall.

Marshall for election at the Annual Meeting. If they are elected, they will serve on our Board of Directors for a term of one year until the next annual meeting of stockholders and until their respective successors have been duly elected and qualified, or until their earlier death or resignation.

Cross, Mortimer Berkowitz III, John H. Foster, R. Ian Molson, Stephen E. O Neil, James R. Glynn, Rohit M. Desai, Dirk Kuyper and Siri S. Marshall. In the event that either nominee becomes unable or unwilling to serve, the shares represented by the enclosed proxy will be voted for the election of such other person as the Board of Directors may recommend in his/her place. The Board of Directors proposes that the stockholders ratify this appointment. Ernst & Young LLP audited our financial statements for the fiscal year ended December 31, 2011. We expect that representatives of Ernst & Young LLP will be present at the Annual Meeting, will be able to make a statement if they so desire, and will be available to respond to appropriate questions.

The following table presents fees for professional audit services rendered by Ernst & Young LLP for the audit of our annual financial statements for the fiscal years ended December 31, 2011 and December 31, 2010, and fees billed for other services rendered by Ernst & Young LLP during those periods.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

Consistent with Securities and Exchange Commission's policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of our independent public accountant. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by our independent public accountant.

Prior to engagement of our independent public accountant for the next year's audit, management will submit an aggregate of services expected to be rendered during that year for each of four categories of services to the Audit Committee for approval.

1. **Audit** services include audit work performed in the review of financial statements, as well as work that generally only an independent public accountant can reasonably be expected to provide, including comfort letters, statutory audits, and attest services and consultation regarding financial accounting and/or reporting standards.

2. **Audit-Related** services are for assurance and related services that are traditionally performed by an independent public accountant, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements.

3. **Tax** services include all services performed by an independent public accountant's tax personnel except those services specifically related to the audit of the financial statements, and includes fees in the areas of tax compliance, tax planning, and tax advice.

4. **Other Fees** are those associated with services not captured in the other categories. We generally do not request such services from our independent public accountant.

Prior to engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted and the Audit Committee requires our independent public accountant and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage our independent public accountant for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging our independent public accountant. The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

In the event the stockholders do not ratify the appointment of Ernst & Young LLP as our independent public accountants, the Audit Committee will reconsider its appointment.

The affirmative vote of a majority of the votes cast affirmatively or negatively for this proposal at the Annual Meeting is required to ratify the appointment of the independent public accountants.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO RATIFY THE APPOINTMENT OF ERNST & YOUNG LLP AS INDEPENDENT PUBLIC ACCOUNTANTS, AND PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED IN FAVOR OF SUCH RATIFICATION UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.

Advisory Vote on Approval of Executive Compensation as Disclosed in this Proxy Statement

(Notice Item 3)

As required by Section 14A of the Securities Exchange Act, we are seeking your advisory vote of the compensation of our named executive officers as disclosed in the section of this proxy statement titled *Executive Officer and Director Compensation*. You are being asked to vote on the following advisory resolution:

RESOLVED, that the compensation paid to the Company's named executive officers disclosed in the Compensation Discussion and Analysis, the Summary Compensation Table and the related compensation tables, notes and narrative to this proxy statement is hereby approved.

The compensation of our named executive officers is based on a design that ties a substantial percentage of an executive's compensation to the attainment of financial and other performance measures that, the Board of Directors believes, promote the creation of long-term shareholder value and position the Company for long-term success. As described more fully in the Compensation Discussion and Analysis, the mix of fixed and performance based compensation and the terms of long-term incentive awards as well as the terms of executives' employment agreements, are all designed to enable the Company to attract and maintain top talent while, at the same time, creating a close relationship between performance and compensation. The Compensation Committee and the Board of Directors believe that the design of the program, and hence the compensation awarded to named executive officers under the current program, fulfills this objective.

Stockholders are urged to read the *Compensation Discussion and Analysis* section of this proxy statement, which discusses in detail how our compensation policies and procedures implement our compensation philosophy.

The affirmative vote of a majority of the votes cast affirmatively or negatively for this proposal at the Annual Meeting is required to approve the compensation of our named executive officers set forth in this proxy statement. Although the vote is non-binding, the Board of Directors and the Compensation Committee will review the voting results in connection with their ongoing evaluation of the Company's compensation program. Broker non-votes (as described under *Will My Shares be Voted if I Do Not Return My Proxy Card?*) are not entitled to vote on this proposal and will not be counted in evaluating the results of the vote.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS SET FORTH IN THIS PROXY STATEMENT, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF SUCH APPROVAL UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY CARD.
