Business Day:	Any weekday on which banking or trust institutions in neither New York nor London are authorized generally or obligated by law, regulation or executive order to close.
Ranking:	The 2017 Notes are unsecured and unsubordinated and will rank equally with all of BP Capital U.K. s other unsecured and unsubordinated indebtedness.
Regular record dates for interest:	The 15th calendar day preceding each Interest Payment Date, whether or not such day is a Business Day.

Payment of additional amounts:	Under current law, payments of interest may be made without withholding or deduction for or on account of U.K. income tax, and no additional amounts will therefore be payable, provided that the 2017 Notes are listed on a recognised stock exchange within the meaning of Section 1005 of the UK Income Tax Act 2007. The New York Stock Exchange is a recognised stock exchange at the date hereof.
Listing:	Application will be made to list the 2017 Notes on the New York Stock Exchange although neither BP Capital U.K. nor BP can guarantee such listing will be obtained.
Redemption:	The 2017 Notes are not redeemable, except as described under Description of Debt Securities and Guarantees Optional Tax Redemption on page 27 of the prospectus and as described below under Optional make-whole redemption. The provision for optional tax redemption described in the prospectus will apply in respect of changes in tax treatments occurring after May 7, 2012.
Optional make-whole redemption:	BP Capital U.K. has the right to redeem the 2017 Notes, in whole or in part, at any time and from time to time at a redemption price equal to the greater of (i) 100% of the principal amount of the 2017 Notes to be redeemed and (ii) the sum of the present values of the remaining scheduled payments of principal and interest on the 2017 Notes to be redeemed (not including any portion of payments of interest accrued and unpaid to the redemption date) discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the treasury rate plus 15 basis points, plus in each case accrued and unpaid interest to the date of redemption. For purposes of determining the optional make-whole redemption price, the following definitions are applicable. Treasury rate means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity or interpolated (on a day count basis) of the comparable treasury issue, assuming a price for the comparable treasury issue (expressed as a percentage of its principal amount) equal to the comparable treasury price for such redemption date. Comparable treasury issue means the U.S. Treasury security or securities selected by the quotation agent as having an actual or interpolated maturity comparable to the remaining term of the 2017 Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such notes. Comparable treasury price means, with respect to any redemption date, the average of the reference treasury dealer quotations for such redemption date. Quotation agent means one of the reference treasury dealers appointed by BP Capital U.K. Reference treasury dealer means Credit Suisse Securities (USA) LLC, Mizuho Securities USA Inc., Morgan Stanley & Co. LLC, RBS Securities Inc. and UBS Securities LLC or their affiliates, each of which is a primary U.S. government securities
