ChipMOS REPORTS FIRST QUARTER 2012 RESULTS

Hsinchu, Taiwan, May 18, 2012 ChipMOS TECHNOLOGIES (Bermuda) LTD. (ChipMOS or the Company) (Nasdaq: IMOS) today reported unaudited consolidated financial results for the first quarter ended March 31, 2012. All U.S. dollar figures in this release are based on the exchange rate of NT\$29.50 against US\$1.00 as of March 30, 2012.

Net revenue on a US GAAP basis for the first quarter of 2012 was NT\$4,384.0 million or US\$148.6 million, a decrease of 4.9% from NT\$4,608.8 million or US\$156.2 million in the fourth quarter of 2011 and a decrease of 1.9% from NT\$4,469.6 million or US\$151.5 million for the first quarter 2011. Results are in line with the Company's prior guidance for revenue in the seasonally slower quarter to be approximately flat-to-down in the single digits as compared to the fourth quarter of 2011.

Net loss on a US GAAP basis for the first quarter of 2012 was NT\$170.0 million or US\$5.8 million, and NT\$6.29 or US\$0.21 per basic and diluted common share, which compares to net income of NT\$29.1 million or US\$1.0 million, and NT\$1.08 or US\$0.04 per basic common share and NT\$1.07 or US\$0.04 per diluted common share, for the fourth quarter of 2011 and to a net loss of NT\$118.7 million or US\$4.0 million and NT\$4.61 or US\$0.16 per basic and diluted common share, for the first quarter of 2011. As expected, results in the first quarter of 2012 were adversely impacted mainly by the softness of memory business. The Company also incurred a US\$4.2 million foreign exchange loss in the first quarter of 2012.

The unaudited consolidated financial results of ChipMOS for the first quarter ended March 31, 2012 included the financial results of ChipMOS TECHNOLOGIES INC., ChipMOS U.S.A., Inc., MODERN MIND TECHNOLOGY LIMITED and its wholly-owned subsidiary ChipMOS TECHNOLOGIES (Shanghai) LTD., and ThaiLin Semiconductor Corp.

S.J. Cheng, Chairman and Chief Executive Officer of ChipMOS, said, "The seasonally slower first quarter developed in line with prior guidance, with revenue sequentially lower in the single digits and gross margin of 6.2% in the middle of the 4.0% to 9.0% range we provided. Despite seasonal weakness in the quarter, our overall utilization rate exiting the quarter improved to 73%. Strength in our LCD Driver IC business was offset by added softness in our DRAM and flash testing in the first quarter. We expect a further improvement in demand as we move through 2012 and remain confident in our outlook for the year. We continue to gain visibility as our customers become more certain in their operating plans for 2012. We recently announced that we purchased an existing building for approximately US\$10 million. This was a logical transaction for us based on the valuation and the fact that the building is located directly across ChipMOS's existing facility in Southern Taiwan Science Park and features approximately 393,173 square feet of floor space. We have absolutely no intention of increasing our 2012 capex budget from the prior expected range of US\$85 million to US\$95 million. Instead, we will be allocating equipment to the facility that we already own or that was already in our budget. From an operating standpoint, our target for 2012 remains to achieve revenue growth of approximately 10% compared to 2011 and to generate free cash flow of approximately US\$110 million.

S.K. Chen, Chief Financial Officer of ChipMOS, said, "We exited the first quarter with a strong balance of cash and cash equivalents at US\$254.5 million after reducing our total debt by another US\$18.1 million to US\$311.2 million, which in turn further improved our net debt to equity ratio to 16.3% as of March 31, 2012 from 22.6% in Q4 2011. Our blended utilization was 73% in the first quarter, as we continued to meet customer capacity demands, while focusing on our objective of regaining greater profitability. Our capital expenditures in the first quarter

Edgar Filing: CHIPMOS TECHNOLOGIES BERMUDA LTD - Form 6-K

were US\$19.9 million, in line with our plan of spending approximately 60% of our annual capex budget in the first half of 2012. As we have previously commented, by investing in the first half of the year we will be able to continue to support areas that will drive our future growth and profitability, including LCDD and 12-inch wafer gold bumping capacity. We generated free cash flow of US\$24.5 million in Q1 2012.

Selected Operation Data

Cash and cash equivalents at end of period	254.5	193.5

Second Quarter 2012 Outlook

The Company expects revenue growth of approximately 7% to 12% for the second quarter 2012, as compared to the first quarter of 2012, with a further improvement in gross margin on a consolidated basis in the range of approximately 10% to 15%.

Investor Conference Call / Webcast Details

ChipMOS will review detailed first quarter 2012 results on Friday, May 18, 2012 at 8:00AM ET (8:00PM, May 18, Taiwan time). The conference call-in number is 1-201-689-8562. A live webcast of the conference call will be available at ChipMOS website at <http://www.chipmos.com>. The playback is scheduled to be available in 2 hours after the conclusion of the conference call and will be accessible by dialing 1-858-384-5517. The account number to access the replay is 3055 and the confirmation ID number is 393077.

About ChipMOS TECHNOLOGIES (Bermuda) LTD.:

ChipMOS (<http://www.chipmos.com>) is a leading independent provider of semiconductor testing and assembly services to customers in Taiwan, Japan, and the U.S. With advanced facilities in Hsinchu and Southern Taiwan Science Parks in Taiwan and Shanghai, ChipMOS and its subsidiaries provide testing and assembly services to a broad range of customers, including leading fabless semiconductor companies, integrated device manufacturers and independent semiconductor foundries.

Forward-Looking Statements

Certain statements contained in this announcement may be viewed as forward-looking statements within the meaning of Section 27A of the U.S. Securities Act of 1933, as amended, and Section 21E of the U.S. Securities Exchange Act of 1934, as amended. Such forward-looking statements involve known and unknown risks, uncertainties and other factors, which may cause the actual performance, financial condition or results of operations of the Company to be materially different from any future performance, financial condition or results of operations implied by such forward-looking statements. Further information regarding these risks, uncertainties and other factors is included in the Company's most recent Annual Report on Form 20-F filed with the U.S. Securities and Exchange Commission (the SEC) and in the Company's other filings with the SEC.
