**Item 8.01 Results of Operations and Financial Condition.**

Effective January 1, 2012, DaVita Inc. (the Company) adopted FASB's ASU No. 2011-07 *Health Care Entities Presentation and Disclosure of Patient Service Revenue, Provision for Bad Debts, and the Allowance for Doubtful Accounts*. In addition, effective January 1, 2012, the Company also adopted FASB's ASU No. 2011-05 as amended by ASU No. 2011-12 *Comprehensive Income Presentation of Comprehensive Income*.

Upon adoption of these standards the Company was required to change the presentation of its provision for uncollectible accounts related to patient service revenue as a deduction from patient service operating revenues and to either report the components of comprehensive income separately on the income statement or to present total other comprehensive income and the components of comprehensive income in a separate statement. We have elected to report the components of other comprehensive income in a separate statement of comprehensive income.

The consolidated financial statements attached as Exhibit 99.1 have been revised for all periods presented to reflect the retrospective application of adopting these new presentation and disclosure requirements under these accounting standards updates.

The information included in this Current Report on Form 8-K is presented in connection with the reporting change described above and for the subsequent event associated with the agreement in principle regarding the prospective settlement as described in Note 29 to the consolidated financial statements. This report does not reflect any other events occurring after February 24, 2012, the date we filed our 2011 Form 10-K, except as described above and in Note 29, and does not modify or update any other disclosures therein in any way, other than as required to reflect the adoption of the accounting standards updates described above and for the subsequent event associated with the agreement in principle regarding the prospective settlement. You should therefore read this report in conjunction with our 2011 Form 10-K.
