Dear Northeast Bancorp Shareholders:

The enclosed supplement to our proxy statement, with the accompanying amended formal notice of meeting, is being furnished to you as a shareholder of Northeast Bancorp in connection with the annual meeting of shareholders of Northeast Bancorp to be held on Wednesday, November 28, 2012.

In the Northeast Bancorp proxy statement dated October 18, 2012, we asked our shareholders to vote on a number of proposals, including Proposal 4, which is a proposal to approve an amendment to our Amended and Restated Articles of Incorporation, as amended, to increase the authorized shares of capital stock to 30,000,000, including an increase in the authorized shares of voting common stock to 25,000,000 and an increase in the authorized shares of non-voting common stock to 4,000,000.

In response to shareholder concerns, we are amending Proposal 4 to reduce the proposed increase in authorized shares of non-voting common stock from 4,000,000 to 3,000,000. Proposal 4 remains unchanged as it relates to the proposed increase in authorized shares of voting common stock.

The supplement includes information relating to the revised Proposal 4. Please read the proxy statement that was previously made available to you and the supplement in their entirety, as together they contain information that is important to your decision in voting at the annual meeting.

Accompanying the supplement is another proxy card. You may vote on all proposals by submitting the enclosed proxy card or the proxy card previously furnished to you with the proxy statement dated October 18, 2012, or by submitting a proxy via the Internet or by telephone, in each case following the procedures on the proxy card. **If you have already voted and do not submit a new proxy, your previously submitted proxy will be voted at the Annual Meeting in the same manner as you voted for Proposal 4 on that proxy and, with respect to all other proposals, in the same manner as you voted for such proposals on that proxy.**

Your vote is important. We hope that you will be able to attend the meeting. Whether or not you plan to attend the meeting, please vote as soon as possible. Instructions on how to vote are contained in the supplement and the proxy card.

Thank you for your continued support of Northeast Bancorp.

STATEMENT

This supplement to our proxy statement (this Supplement) is being furnished to shareholders of Northeast Bancorp in connection with the solicitation of proxies by the Board of Directors of Northeast Bancorp for use at the 2012 annual meeting of shareholders of Northeast Bancorp to be held on Wednesday, November 28, 2012 at 10:00 a.m., Eastern Time, at the offices of Goodwin Procter LLP located at Exchange Place, 53 State Street, Boston, Massachusetts 02109, and at any adjournments or postponements thereof.

This Supplement and the Amended Notice of 2012 Annual Meeting of Shareholders supplement the Proxy Statement and the Notice of Annual Meeting of Shareholders, each dated October 18, 2012, previously furnished to our shareholders in connection with the solicitation for proxies for use at the annual meeting. In this Supplement, the terms Northeast, the company, we, our and us refer to Northeast Bancorp and its subsidiaries.

This Supplement is being furnished to amend and restate Proposal 4 in the Proxy Statement previously furnished to our shareholders. In the Proxy Statement dated October 18, 2012, we asked our shareholders to vote on Proposal 4 to approve an amendment to our Amended and Restated Articles of Incorporation, as amended, to increase the authorized shares of capital stock to 30,000,000, including an increase in the authorized shares of voting common stock to 25,000,000 and an increase in the authorized shares of non-voting common stock to 4,000,000. Proposal 4 is amended and restated to reduce the proposed increase in authorized shares of non-voting common stock from 4,000,000 to 3,000,000 and to reduce the proposed increase in authorized shares of capital stock from 30,000,000 to 29,000,000.

Except for the Proposal 4, this Supplement does not modify, amend, supplement or otherwise affect any matter presented for consideration in the Proxy Statement.

The proxy card enclosed with this Supplement differs from the proxy card previously furnished to you with the Proxy Statement dated October 18, 2012 in that Proposal 4 has been amended to reduce the proposed increase in authorized shares of non-voting common stock to 3,000,000 and to reduce the proposed increase in authorized shares of capital stock to 29,000,000. If you have already voted and do not submit a new proxy, your previously submitted proxy will be voted at the Annual Meeting in the same manner as you voted for Proposal 4 on that proxy, and, with respect to all other proposals, in the manner as you voted for such proposals on that proxy.

PROPOSAL 4

APPROVAL OF AMENDMENT TO THE COMPANY'S ARTICLES OF INCORPORATION TO INCREASE AUTHORIZED SHARES OF CAPITAL STOCK

Our Board of Directors is proposing to amend our Amended and Restated Articles of Incorporation, as amended (the *Articles of Incorporation*). A summary of Proposal 4 follows. This summary may not contain all of the information that may be important to you. See *Appendix A* to this Supplement for the form of amendment we intend to file with the Secretary of State of the State of Maine if Proposal 4 is approved. The discussion in this summary of the proposed amendment is qualified in its entirety by reference to *Appendix A*, and we urge you to read *Appendix A* in its entirety.

Overview

Our Board of Directors has unanimously adopted a resolution proposing to amend our Articles of Incorporation to increase the authorized shares of voting common stock of Northeast from 13,500,000 shares to 25,000,000 shares, and to increase the authorized shares of non-voting common stock of Northeast from 1,500,000 shares to 3,000,000 shares, subject to shareholder approval. These increases would result in the total number of authorized shares of all classes of stock that Northeast is authorized to issue, including 1,000,000 shares of preferred stock, from 16,000,000 to 29,000,000. The form of amendment to our Articles of Incorporation is attached to this proxy statement as *Appendix A* and incorporated herein by reference.

If approved by our shareholders, the proposed amendment to the Articles of Incorporation will become effective upon the filing of the amendment to the Articles of Incorporation with, and acceptance for filing by, the Maine Secretary of State.

As of September 1, 2012, there were 9,307,127 shares of voting common stock and 1,076,314 shares of non-voting common stock issued and outstanding. Of the remaining 4,192,873 authorized but unissued shares of voting common stock, 635,018 shares were reserved for issuance under our equity incentive plans, and 67,958 shares were reserved for issuance upon conversion of outstanding warrants. Of the remaining 423,686 authorized but unissued shares of non-voting common stock, 162,010 shares were reserved for issuance under our equity incentive plans. As a result, as of September 1, 2012, we had 3,489,897 shares of voting common stock and 261,676 shares of non-voting common stock unreserved and available for future issuances.

While we have no definitive plans, undertakings, arrangements or agreements for issuing additional shares of voting common stock, non-voting common stock or preferred stock, the Board of Directors believes that it is advisable and in the best interests of the shareholders to increase the number of authorized shares of voting common stock and non-voting common stock to increase our flexibility in structuring capital raising transactions, future acquisitions, joint ventures, and strategic alliances. The additional authorized shares may also be useful in connection with certain merger and acquisition opportunities, or other proper corporate actions. This current increase would avoid the potential delay and expense of holding a special meeting of the shareholders at a later date.

Our capital levels are in compliance with all regulatory guidelines and we exceed the standards to be considered well capitalized. We do not believe that if shareholders refuse to approve the amendment, there is a material risk that we will be unable to continue to be classified as well capitalized. However, if Proposal 4 is not approved, we may not have sufficient authorized but not outstanding shares of common stock to take advantage of business opportunities as they may arise. Without additional capital, we may be unable to take advantage of opportunities on the capital markets or available acquisition opportunities.

Although the increase in the authorized number of shares of common stock could have possible anti-takeover effects, the proposed increase is not in response to any effort by any person or group to accumulate our common stock or to obtain control of us by any means, nor is it part of any plan by our Board of Directors to

implement any anti-takeover measures. However, these authorized but unissued shares could (within the limits imposed by applicable law and the NASDAQ Stock Market rules) be issued in one or more transactions that could make a change of control of us more difficult, and therefore more unlikely. The additional authorized shares could be used to discourage persons from attempting to gain control of us by diluting the voting power of shares then-outstanding or increasing the voting power of persons who would support the Board of Directors in a potential takeover situation, including by preventing or delaying a proposed business combination that is opposed by the Board of Directors, although perceived to be desirable by some shareholders.

Our shareholders do not have preemptive rights. Therefore, if we decide to issue additional shares of common stock, our Board of Directors would have the discretion to determine to whom we offer these additional shares and the shareholders would not receive rights of first offer to purchase these shares. Except for a stock split or stock dividend, issuances of shares of voting common stock will dilute the voting power and ownership of our existing shareholders, and, depending on the price at which the shares are issued, an issuance of shares of voting or non-voting common stock may reduce the per share book value of the Company's common stock. Furthermore, under Maine law and our Articles of Incorporation, shareholders do not have dissenter's rights or appraisal rights with respect to any proposed increase in authorized shares of our common stock. If this amendment is approved and we are authorized to issue additional shares of common stock, the Board of Directors will determine whether, when, and on what terms to issue the additional shares of voting or non-voting common stock without further action by our shareholders, unless shareholder approval is required by applicable law or securities exchange listing requirements in connection with a particular transaction.

Vote Required

The affirmative vote of the holders of two-thirds of the outstanding shares of our voting common stock is required for the approval of Proposal 4. Abstentions and broker non-votes will have the same effect as votes against this proposal.

Recommendation

The Board of Directors unanimously recommends a vote FOR this proposal. Properly authorized proxies solicited by the Board will be voted FOR this proposal unless instructions to the contrary are given.
