Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

The Compensation Committee of the Board of Directors (the "Compensation Committee") of Synovus Financial Corp. ("Synovus") previously granted salary stock for 2012 to Synovus executive officers, including its named executive officers, on March 14, 2012. The salary stock was granted in compliance with the executive compensation restrictions implemented under the Troubled Asset Relief Program ("TARP"). On December 10, 2012, the Committee elected to continue to award salary stock units for 2013. The salary stock rate for 2013 for each named executive officer will be equal to the rate for each executive officer in 2012, will take the form of restricted stock units granted under Synovus 2007 Omnibus Plan and will be granted as of each bi-weekly payroll date in 2013. At each salary payment date, the employee will receive a number of salary stock units equal to the proportionate amount of the annual rate for the pay period divided by the stock closing price on the payment date. The salary stock units will be fully vested when awarded and will be settled in cash on January 15, 2014. The form of Salary Stock Award Agreement, which governs the payment of salary stock units granted in 2013, is attached hereto as Exhibit 10.1.

The table below sets forth the salary stock rate for each named executive officer for 2013, as granted by the Compensation Committee.
