ELECTION OF DIRECTORS

GENERAL INFORMATION

The Company's Amended and Restated Certificate of Incorporation (the Certificate of Incorporation) and bylaws provide that the number of members of the Board shall be fixed from time to time by the Board but shall not be less than one nor more than fifteen persons. The Board has approved a decrease in the size of the Board from six members to five members, effective immediately following the Annual Meeting. As such, if each of the nominees named below is elected to the Board, there will be no vacancies on the Board following the Annual Meeting. Directors hold office until the next annual meeting of stockholders and until their successors have been elected and qualified. Vacancies may be filled by recommendation from the Nominating and Governance Committee and a majority vote by the remaining directors.

It is the intention of the persons named in the accompanying proxy card to vote FOR the election of the nominees named below, unless a stockholder has directed otherwise or withheld such authority. The affirmative vote of holders of a plurality of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote is required to elect each director nominee.

Each of the nominees has consented to being named in this proxy statement and has consented to serve, if elected. If, at the time of or prior to the Annual Meeting, a nominee should be unable or decline to serve, the

discretionary authority provided in the proxy may be used to vote for a substitute designated by the Board. The Board has no reason to believe that any substitute nominee will be required. No proxy will be voted for a greater number of persons than the nominees named herein.

Each nominee with an asterisk next to his name is independent in accordance with the Company's Corporate Governance Guidelines and the rules and regulations of the NASDAQ Global Market System (NASDAQ) and the Securities and Exchange Commission (SEC). After reviewing all relevant facts and circumstances, the Board has affirmatively determined that Messrs. Beynon, Luke and Dowling are independent since they have no relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company), other than as stockholders and/or directors of the Company. Additionally, the Board has affirmatively determined that Mr. Gendell is independent in accordance with the Company's Corporate Governance Guidelines and the rules and regulations of the NASDAQ and the SEC; however, as Mr. Gendell is an employee of Tontine Associates, LLC, an affiliate of Tontine Capital Partners, L.P., the Company's majority stockholder and one of the Company's lenders, the Board has determined that Mr. Gendell does not satisfy the audit committee independence standard set forth in Rule 10A-3 of the Exchange Act. The review was undertaken on an individual director-by-director basis and did not involve a pre-set formula or minimum standard of materiality.

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE ELECTION OF THE NOMINEES LISTED BELOW AND PROXIES EXECUTED AND RETURNED WILL BE SO VOTED UNLESS CONTRARY INSTRUCTIONS ARE INDICATED THEREON.

Stockholder Communications with the Board of Directors

Stockholders who wish to communicate directly with the Board may do so by writing to Integrated Electrical Services, Inc. Board of Directors, c/o Corporate Secretary, Integrated Electrical Services, Inc., One

Sound Shore Drive, Suite 304, Greenwich, Connecticut 06830. Stockholders may also communicate directly with individual directors by addressing their correspondence accordingly. Interested parties may make any concerns known to non-management directors by contacting the Company's Ethics Line at 1-800-347-9550.

The Company has adopted a Code of Ethics for Financial Executives and a code of business conduct and ethics for all directors, officers and employees which has been memorialized as part of the Company's Legal Compliance and Corporate Policy Manual. Each of these documents can be found in the Corporate Governance section of the Company's website at <http://www.ies-corporate.com>. The Manual is also available in print to any stockholder who requests it by contacting Gail D. Makode, Senior Vice President, General Counsel, and Corporate Secretary, Integrated Electrical Services, Inc., One Sound Shore Drive, Suite 304, Greenwich, Connecticut 06830.

The Nomination Process

The Nominating/Governance Committee of the Board, which, as described below, is composed entirely of independent directors, is responsible in accordance with its charter for establishing standards for members of the Board and overseeing the performance evaluation of the Board and its members. Based upon such evaluations, the Nominating/Governance Committee recommends to the Board whether existing members should be nominated for new terms or replaced and whether more or fewer members are appropriate.

The Board, with the assistance of the Nominating/Governance Committee, establishes criteria for the selection of new members. The basic criteria are found in the Company's Corporate Governance Guidelines under Core Competencies of the Board. At any given time, in order to maintain a proper balance of expertise, individuals with particular skills may be favored over other candidates who lack such skills but otherwise possess a core competency.

Additional attributes may include a candidate's character, judgment and diversity of experience, business acumen, ability to act on behalf of all stockholders and a willingness to devote sufficient time to carrying out the duties and responsibilities of Board membership. Candidates must be capable of working with the entire Board and contributing to the overall Board process. The Committee also considers diversity of background experience, age and specialized training. While the Nominating/Governance Committee considers diversity, among other factors, when considering potential director nominees, the Board does not have a policy with regard to diversity in identifying director nominees. Since a majority of the Board is to be independent of management, consideration is also given as to whether or not the individual is independent in accordance with the Company's Corporate Governance Guidelines and the rules and regulations of the NASDAQ and the SEC.

When there is an opening or anticipated opening for a director position, Board members are asked to submit recommendations. Outside sources or third parties may be used to find potential candidates and similarly outside sources and third parties may be used to evaluate or assist in evaluating nominees brought to the attention of the Nominating/Governance Committee. Should the Company use the services of a third party, it would expect to pay a fee for such services.

The Nominating/Governance Committee will also consider director candidates recommended by stockholders. Such candidates will be evaluated using the same criteria and standards described above. Any such recommendation must be delivered to the Company's Corporate Secretary at the address set forth below under Corporate Governance Guidelines, not later than 80 days prior to the date of the annual meeting. In the event that the date of such annual meeting was not publicly announced by the Company by mail, press release or otherwise more than 90 days prior to the annual meeting, notice by the stockholder to be timely must be delivered to the Corporate Secretary of the Company not later than the close of business on the tenth day following the day on which such announcement of the date of the annual meeting was communicated to the stockholders. The recommendation should also provide the reasons supporting a candidate's recommendation, the candidate's qualifications, the candidate's consent to being considered as a nominee and a way to contact the candidate to verify his or her interest and to gather further information, if necessary. In addition, the stockholder

should submit information demonstrating the number of shares he or she owns, the name and address of the stockholder, a description of all arrangements or understandings between the stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the stockholder, and such other information regarding each nominee proposed by such stockholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had the nominee been nominated, or intended to be nominated, by the Board. Stockholders who themselves wish to nominate an individual to the Board must follow the advance notice requirements and other requirements of the Company's bylaws.

CORPORATE GOVERNANCE GUIDELINES

The Company's management and Board are committed to conducting business consistent with good corporate governance practices. To this end, the Board has established a set of Corporate Governance Guidelines which reflect its view of how to help achieve this goal. These guidelines, which may be amended and refined from time to time, are outlined below and may also be found in the Corporate Governance section of the Company's website at <http://www.ies-corporate.com>. The guidelines are also available in print to any stockholder who requests them by contacting Gail D. Makode, Senior Vice President, General Counsel and Corporate Secretary, Integrated Electrical Services, Inc., One Sound Shore Drive, Suite 304, Greenwich, Connecticut 06830.

Directors

Core Competencies of the Board

In order to adequately perform the general corporate oversight responsibilities assumed by the Board, the Board as a whole should possess the following competencies:

Accounting & Finance The Board should have one or more members who are experienced in accounting and finance matters.

Management In order to oversee the Company's management team, the Board should have one or more directors who have experience as a Chief Executive Officer, a Chief Operating Officer or possess similar significant operating experience.

Industry Knowledge While the theory of management is important, it is essential that the Board have one or more members with extensive hands-on practical relevant industry-specific knowledge.

Long-Range Strategy In addition to monitoring the Company's performance in the present, the Board should have one or more members with the skills to look to the future and provide direction for stability and growth.

Track Record The Board should have one or more members who have achieved prominence and strong reputations in their respective professions.

Independence of the Board

A majority of the Board shall be independent of management. An independent director must meet the standards imposed by the SEC and NASDAQ.

Leadership Structure and Risk Management

Since the Company's initial public offering in 1998, with the exception of a ten month period leading up to our reorganization in 2006, the positions of Chairman of the Board and Chief Executive Officer have been separate. Historically, we have considered this to be the appropriate structure for the Company in light of the Company's widely distributed operations and its operations as a consolidated construction services provider, which requires a continuing effort at integration of operations and strong day-to-day management leadership.

However, with the appointment of Mr. Lindstrom as the Company's Chief Executive Officer and President in June 2011, following his appointment as Chairman of the Company's Board of Directors in February 2011, the Company now ascribes to a board leadership structure under which our Chief Executive Officer also serves as the Chairman of our Board of Directors. While we have not historically unified these roles, we believe it is important to maintain the flexibility to have either a combined or a separated structure as circumstances dictate. While each structure has its own unique benefits, currently, we believe that the efficiencies created by a combined position best serve the Company and our stockholders. The combined structure helps to ensure clarity regarding leadership of the Company, allows the Company to speak with one voice and provides for efficient coordination of board action, particularly in times of change. The combination of the Chairman's ability to call board meetings with the Chief Executive Officer's intimate knowledge of our business, including our risk management framework, provides a strong structure for the efficient operation of our Board process and effective leadership of our Board overall. This structure also avoids potential confusion as to leadership roles and duplication of efforts that can result from the roles being separated. It also assists our CEO in managing the Company and dealing with third parties more effectively on a day-to-day basis. Prior to his departure from the Board in February 2011, Mr. Michael J. Hall served as the Board's independent non-executive chairman. Following his departure, our independent directors have not elected a new lead director. Our board regularly reviews all the aspects of our governance profile, including this one, and will make changes as circumstances warrant.

The overall duty of risk identification and management lies with the Board. To assist in this task, the Board utilizes the various Board Committees to review their respective areas of responsibility. The Audit Committee addresses accounting controls and general financial risk, the Nominating/Governance Committee addresses Board composition and internal communication risks, such as ethical issues, and the Human Resources and Compensation Committee addresses workforce risks and pay levels.

Committees

The Board has established the Audit, Human Resources and Compensation, and Nominating/Governance Committees to assist in the performance of its functions of overseeing the management and affairs of the Company. The Audit, Human Resources and Compensation, and Nominating/Governance Committees are composed entirely of independent directors under current NASDAQ standards, have written charters, and have the authority to retain and compensate counsel and experts. Copies of the charters may be found in the Corporate Governance section of the Company's website, <http://www.ies-corporate.com>. The charters are also available in print to any stockholder who requests them by contacting Gail D. Makode, Senior Vice President, General Counsel and Corporate Secretary, Integrated Electrical Services, Inc., One Sound Shore Drive, Suite 304, Greenwich, Connecticut 06830.

The independent auditor reports directly to the Audit Committee;

reviews the independence of the independent auditor, giving consideration to the range of audit and non-audit services performed by the independent auditor;

reviews periodically (i) the experience, qualifications and performance of the senior members of the Company's internal auditing team and (ii) the internal audit activities, staffing and budget;

reviews significant reports to management, prepared in connection with internal audits and management's responses;

advises the Board with respect to the Company's policies and procedures regarding conflicts of interest and compliance with material laws and regulations;

reviews legal matters that may have a material impact on the financial statements, the Company's compliance policies and any material reports or inquiries received from regulators or government agencies; and

reviews procedures (i) to handle complaints regarding the Company's accounting practices, internal controls or auditing matters and (ii) to permit confidential anonymous submission to the Audit Committee of concerns by employees regarding accounting or auditing matters.

The Audit Committee's role does not provide any special assurance with regard to the Company's financial statements, nor does it involve a professional evaluation of the quality of the audits performed by the independent registered public accounting firm.

Nominating/Governance Committee

The Nominating/Governance Committee, which met three times during fiscal year 2012, is comprised of Messrs. Luke (Chairman), Gendell and Welsh. Pursuant to its written charter, the Nominating/Governance Committee assists the Board in:

establishing standards for Board and committee members and overseeing the performance of the Board and its members;

making recommendations to the Board with respect to the management organization of the Company;

establishing criteria to select new directors and recommending to the Board a process for orientation of new Board or committee members;

evaluating the Company's corporate governance procedures and recommending to the Board changes that the Nominating/Governance Committee deems appropriate; and

reviewing and addressing conflicts of interest of directors and executive officers and the manner in which any such conflicts are to be resolved.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

The Company has adopted a written Related Person Transaction Policy that addresses the reporting, review and approval or ratification of transactions with related persons. The Company recognizes that related person transactions can involve potential or actual conflicts of interest and pose the risk that they may be, or be perceived to have been, based on considerations other than the Company's best interest. Accordingly, as a general matter, the Company seeks to avoid such transactions. However, the Company recognizes that in some circumstances transactions between related persons and the Company may be incidental to the normal course of business or provide an opportunity that is in the best interests of the Company to pursue or that is not inconsistent with the best interests of the Company and where it is not efficient to pursue an alternative transaction. The policy therefore is not designed to prohibit related person transactions; rather, it is intended to provide for timely internal reporting of such transactions and appropriate review, oversight and public disclosure of them.

The policy supplements the provisions of the Company's Legal Compliance and Conflict of Interest Policy concerning potential conflict of interest situations. With respect to persons and transactions subject to the policy, the procedures for reporting, oversight and public disclosure apply. With respect to all other potential conflict of interest situations, the provisions of the Company's Legal Compliance and Conflict of Interest Policy continue to apply.

The policy applies to the following persons (each a Related Person and, collectively, Related Persons):

Each director or executive officer of the Company;

Any nominee for election as a director of the Company;

Any security holder who is known to the Company to own of record or beneficially more than five percent of any class of the Company's voting securities; and

Any immediate family member of any of the foregoing persons.

A transaction participated in by the Company with a company or other entity that employs a Related Person or is controlled by a Related Person, or in which a Related Person has an ownership of financial interest material to such Related Person, shall be considered a transaction with a Related Person for purposes of the policy. For purposes of the policy, related person transaction means a transaction or arrangement or series of transactions or arrangements in which the Company participates (whether or not the Company is a party) and a Related Person has a direct or indirect interest material to such Related Person. A transaction in which a subsidiary or any other company controlled by the Company participates shall be considered a transaction in which the Company participates.

Except as otherwise provided in the policy, including any delegation of review and approval authority, (i) any director, director nominee or executive officer who intends to enter into a related person transaction shall disclose the intention and all material facts with respect to the transaction to the Audit Committee of the Board and (ii) any officer or employee of the Company who intends to cause the Company to enter into any related person transaction shall disclose that intention and all material facts with respect to the transaction to his or her superior, who shall be responsible for seeing that such information is reported to the Audit Committee. If a member of the Audit Committee has an interest in a related person transaction and, after such Audit Committee member excusing himself or herself from consideration of the transaction, there would be fewer than two members of the Audit Committee available to review the transaction who do approve the transaction, the transaction shall be reviewed by an ad hoc committee of at least two independent directors designated by the Board (which shall be considered the Audit Committee for this purpose).

The Audit Committee will review all related person transactions and approve such transactions in advance of such transaction being given effect. At the discretion of the Audit Committee, consideration of a related person transaction may be submitted to the Board. All related person transactions shall be publicly disclosed to

the extent and in the manner required by applicable legal requirements and listing standards. The Audit Committee may determine that public disclosure shall be made even where it is not so required, if the Audit Committee considers such disclosure to be in the best interests of the Company and its stockholders.

On December 12, 2007, the Company entered into a Note Purchase Agreement (the "Note Purchase Agreement") with Tontine Capital Partners, L.P. ("Tontine"). Tontine, together with its affiliates, owns approximately 57.4% of the Company's outstanding Common Stock. At that time, Joseph V. Lash, a member of Tontine Associates, LLC, an affiliate of Tontine, was a member of the Company's Board of Directors. In approving the Note Purchase Agreement, the Board took into account Mr. Lash's relationship with Tontine and believed that the transaction was in the best interests of the Company and its stockholders.

Pursuant to the Note Purchase Agreement, the Company agreed to sell Tontine \$25 million aggregate principal amount of its 11% Senior Subordinated Notes due 2013 (the "Note"). The Note Purchase Agreement contains customary representations and warranties of the parties and indemnification provisions whereby the Company agreed to indemnify Tontine against certain liabilities. The closing of the sale of the Note occurred on December 12, 2007. The Note was not registered under the Securities Act of 1933, as amended (the "Securities Act"), and was sold to Tontine on a private placement basis in reliance on the exemption from registration provided by Section 4(2) of the Securities Act. The Company issued the Note, which bears interest at 11% per annum on the principal amount from December 12, 2007, payable quarterly in arrears in cash or in kind on March 31, June 30, September 30 and December 31 of each year, beginning on December 31, 2007. The Note will mature on May 15, 2013. The Company is currently evaluating its options with regard to repayment of the Note, including through a refinancing of the Note prior to or at its maturity.

The Note is an unsecured obligation of the Company and ranks junior to all senior obligations of the Company, including its obligations under the Company's revolving credit facility with Wells Fargo Bank, National Association (the "2012 Facility"). The Note Purchase Agreement was amended on August 9, 2012 in connection with the Company entering into the 2012 Facility. The amendment did not materially impact the Company's obligations under the Note Purchase Agreement. As of December 28, 2012, the Company has paid \$15 million of the principal on the Note and an aggregate of \$9,731,232.88 in interest payments on the Note and \$10 million remained outstanding under the Note.

On March 29, 2012, the Company entered into a sublease agreement with Tontine Associates, LLC, an affiliate of Tontine, for corporate office space in Greenwich, Connecticut. The lease extends from April 1, 2012 through March 31, 2014, with monthly payments due in the amount of \$6,000. The lease has terms at market rates and payments by the Company are at a rate consistent with that paid by Tontine Associates, LLC to its landlord.

REPORT OF THE AUDIT COMMITTEE

Audit Committee Financial Expert

The Board has determined that each member of the Audit Committee is financially literate, meets the independence requirements of the SEC and NASDAQ and qualifies as an "audit committee financial expert" as defined by SEC rules.

Establishment of Policies and Procedures

The Audit Committee has overseen the establishment of a number of policies and procedures which are intended to facilitate the reporting and disclosure of improper activities as well as to clearly define the use of the Company's independent auditors for non-audit purposes.

The Company maintains the Ethics Line, which allows employees to report, on an anonymous basis, occurrences of financial abuse, fraud, theft or discrimination. Complaints are forwarded to the Senior Vice President & General Counsel who, in turn, informs the Audit Committee.

The Company has established a Code of Ethics for Financial Executives, a copy of which may be found on the Company's website, at <http://www.ies-corporate.com>. A copy of the Code is also available in print to any stockholder who requests it by contacting Gail D. Makode, Senior Vice President, General Counsel, and Corporate Secretary, Integrated Electrical Services, Inc. One Sound Shore Drive, Suite 304, Greenwich, Connecticut 06830. The Code of Ethics applies to the Chief Executive Officer, the Chief Financial Officer and the Chief Accounting Officer and reflects the Company's commitment to the highest standards of personal and professional integrity.

The Audit Committee has established a policy requiring pre-approval by the Audit Committee of all but *de minimus* use of the independent auditors for non-audit services, with the exception of the following (each of which the Audit Committee has pre-approved):

consultation on routine matters (if necessary) in the amount of \$50,000, registration statement (if necessary) in the amount of \$50,000, tax matters (if necessary) in the amount of \$50,000 and EY/online in the amount of \$3,500 per fiscal year; *provided, however*, the Audit Committee must be promptly informed of any of the above uses of the independent auditor.

Review of the Company's Audited Financial Statements for the Fiscal Year Ended September 30, 2012

The Audit Committee has reviewed and discussed the Company's audited financial statements for the fiscal year ended September 30, 2012 with Company management. The Audit Committee has discussed with Ernst & Young LLP, the Company's independent auditors, the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees).

The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2012 for filing with the SEC. The Audit Committee has also named Ernst & Young LLP to serve as the Company's independent auditors for fiscal year 2013, subject to stockholder ratification.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

The Role of the Compensation Committee

The Human Resources and Compensation Committee (referred to in this section as the Committee) of the Board of Directors, which is comprised entirely of independent directors, is responsible for ensuring that the Company's executive compensation policies and programs are competitive within the markets in which the Company competes for talent and reflect the investment interests of our stockholders. The Committee reviews and approves the compensation levels and benefits programs for Named Executive Officers (NEOs).

The Committee has from time to time consulted with Meridian Compensation Partners, L.L.C. (Meridian), an independent compensation consultant, regarding specific elements of the Company's compensation program, such as the competitiveness of the compensation structure and pay levels of the NEOs. In this role, Meridian reports directly to the Committee. The NEOs are the executives who appear in the compensation tables of this Proxy Statement.

The NEOs in this Proxy Statement are:

James M. Lindstrom, President and Chief Executive Officer

Robert W. Lewey, Senior Vice President and Chief Financial Officer

William L. Fiedler, former Senior Vice President and General Counsel

Terry L. Freeman, former Senior Vice President and Chief Financial Officer

Heather M. Sahrbeck, former Senior Vice President and General Counsel

The Company's Human Resources Department staff, General Counsel, Chief Executive Officer and controlling shareholder Tontine provide additional analysis and counsel as requested by the Committee. You can learn more about the Committee's purpose, responsibilities, and structure by reading the Committee's charter, which can be found in the Corporate Governance section of the Company's website at <http://www.ies-corporate.com>.

The following is a more detailed discussion of the results of the actions taken by the Committee in fiscal year 2012 and first quarter of fiscal year 2013 and the reasons for such actions.

Compensation Objectives

All of the Company's compensation and benefits for the NEOs, as described below, are focused on the primary objectives of attracting, retaining and motivating the highly talented individuals who will engage in the behaviors necessary to enable the Company to succeed while upholding the Company's values in a highly competitive marketplace.

At the Company's 2011 annual meeting of stockholders (the 2011 Annual Meeting), the Company was required, pursuant to Section 14A of the Exchange Act, to seek a non-binding advisory vote of stockholders to approve the compensation awarded to the Company's NEOs. At the 2011 Annual Meeting, the Company's stockholders approved, on a non-binding advisory basis, the compensation awarded to the Company's NEOs for fiscal year 2010, as disclosed pursuant to Item 402 of Regulation S-K. The Committee has considered the result of this stockholder vote in setting compensation policies and making compensation decisions for fiscal years 2011 and 2012. At the 2011 Annual Meeting, the Company's stockholders also determined, on a non-binding advisory basis, that the stockholder vote on executive compensation should be held once every three years. Under the Compensation Committee's supervision, in fiscal year 2012, we implemented a compensation program, which is comprised of salary, benefits, and incentive opportunity, and is intended to achieve the following objectives:

Be competitive. The program design and levels are set considering the practices of similar companies with which the Company competes for talent.

Drive results. The program emphasizes variable, at-risk incentive award opportunities, which are payable only if specified goals are achieved and include a balance of short-term and long-term incentive opportunities. The largest part of the incentive award for NEOs in fiscal year 2012 was focused on equity grants with short-term or no time-based restrictions and that are based on achievement of critical near-term goals which we believe will significantly impact the long-term performance of the Company. The Company also has in the past provided, and may from time to time in the future provide, long-term equity incentive award opportunities which depend on Company performance and which vest over multiple years. In light of the long-term equity incentive awards that currently remain outstanding for NEOs, and given the current environment, as the Company seeks to stabilize its near-term performance, the Committee believes it is appropriate to offer awards that align the financial incentives of executives with the near-term goals of stockholders. Therefore, we have implemented an incentive program that provides opportunities for discretionary equity awards based on achievement of critical near-term goals, long-term equity incentive awards and annual cash incentive awards based on individual and Company performance. In total, these at-risk incentives traditionally represent approximately 60%-75% of the NEOs targeted total direct compensation, with base salary representing the remaining 25-40%.

Reward individual performance. Salary, annual cash incentive awards and equity incentive awards are based on an individual's job level and performance against specified financial, operational, strategic or safety goals (as appropriate to the individual's position). The Committee also considers Company performance, the desired pay relationships among executive employees and market practices.

Emphasize stock ownership. Incentive awards are delivered as equity and/or cash awards to senior executives. The Board of Directors has established stock ownership guidelines for the NEOs to encourage managing from a stockholder's perspective. The NEOs are expected to own Common Stock with a value equal to between two to three times their annual base salaries. For additional information, please see Executive Stock Ownership Guidelines below.

The Committee believes these principles will reward and incentivize management to deliver on near-term and long-term business objectives and increase stockholder value over time, while helping the Company attract and retain top executive talent.

Compensation Elements

Presented below are the key characteristics of the primary elements of the NEOs' compensation.

Compensation Element	Key Characteristics
<i>Base Pay (Fixed)</i>	Fixed component of pay based on an individual's skills, responsibilities, experience and performance. NEOs, as well as all other salaried employees, are eligible for annual increases based on performance and/or changes in job responsibilities.
<i>Annual Incentive Award (Variable at-risk)</i>	Variable component of pay; may include cash and/or equity. Reward for achieving specified financial, operational, strategic, safety and individual goals.
<i>Short-term Incentives (Variable at-risk)</i>	Variable component of pay; may include cash and/or equity. Reward for achieving critical near-term business goals.
<i>Executive Benefits & Perquisites</i>	NEOs are eligible to participate in certain programs that are part of our broad-based total compensation program. For additional information, please see "Perquisites" below.
<i>Other Benefits (Health and welfare)</i>	NEOs are eligible to participate in benefits programs that are available to substantially all salaried employees which provide for basic life, disability and health insurance needs.

Compensation elements are either cash-based, partly or solely equity-based (and have a value which is at least partly related to the price of the Company's Common Stock) or are comprised of other benefits.

Market Benchmarking

The Company benchmarks its executive compensation programs against those of a group of companies with which the Company competes for executive talent (the "Survey Group"). The Survey Group was revised in 2010 and is compiled based on input from Meridian. The composition is reviewed by the Committee annually and consists of thirteen "Industry Peer Group" and "General Industry" companies. They were selected from the electrical contracting services industry as well as other construction-related industries, as the Company competes across industries for executive talent. The companies comprising the Survey Group are:

Comfort Systems U.S.A., Inc.

Dycom Industries, Inc.

MasTec, Inc.

Pike Electric Corporation

Furmanite Corp.

Englobal Corp.

Matrix Service Company

Team, Inc.

Aegion Corporation

Powell Industries

MYR Group

Primoris Services Corp.

Willbros Group, Inc.

The Committee, in developing total compensation for each executive officer, considers the median compensation levels of the Survey Group for similar jobs giving due consideration to individual elements. An individual executive's base salary, annual cash incentive and equity incentives are established after considering the following factors:

The Company's performance against financial measures, including net income, earnings before interest and taxes, total stockholder return, revenues, cash flow, operating income, cost management discipline and safety performance.

The Company's performance relative to goals approved by the Committee.

Individual performance versus personal performance goals and contributions to Company performance.

Business climate, economic conditions and other factors.

Stockholder input.

The CEO develops pay recommendations for Company executive officers, including the NEOs other than the CEO, based on market data, the Company's performance relative to goals approved by the Committee, individual performance versus personal goals, individual contributions to the Company's performance and market conditions. The CEO receives assistance with compensation analysis from the Company's Human Resources Department as well as the compensation consultant.

The Committee reviews and approves all compensation elements for the executive officers and sets the compensation of the CEO, after receiving advice from the compensation consultant, if appropriate. The compensation consultant provides advice to the Committee after reviewing market data, compensation levels and general trends in executive compensation. The Committee also has discretionary authority to increase or decrease recommended compensation for the CEO.

In addition to benchmarking compensation levels, the Committee also reviews tally sheets for the NEOs, modeling all aspects of compensation (base salary, annual cash incentive awards, short-term equity incentives, benefits and perquisites), which are utilized as the targeted overall compensation level.

Risk Analysis

The Committee analyzes risk with respect to the Company's compensation programs on an annual basis. The Committee's risk assessment for fiscal year 2012 concluded that our compensation programs do not create risks that are reasonably likely to have a material adverse effect on the Company. In reaching this conclusion, the Committee considered the following: (i) balanced performance targets, where no one metric is

Edgar Filing: INTEGRATED ELECTRICAL SERVICES INC - Form DEF 14A

excessively weighted; (ii) the Company's clawback policy, as described under Severance and Employment Agreements below; (iii) the Company's executive stock ownership guidelines, as described under Executive Stock Ownership Guidelines below; (iv) performance metrics that are uniformly applied to executives; and (v) annual incentives that do not allow for unlimited payouts.

Compensation Actions Taken by the Committee based on Fiscal Year 2012 Results

After careful consideration of the Company's results in fiscal year 2012, the Committee took the following compensation actions during the first quarter of fiscal year 2013:

Base Salary The Committee agreed to award targeted salary increases as a reflection of fiscal year 2012 results and a review of market data. These increases included an increase in the CEO's salary from \$390,000 to \$500,000 and in the CFO's salary from \$290,000 to \$325,000, in each case effective as of January 1, 2013.

Annual Cash Incentive Award The Committee approved annual discretionary awards for the CEO and other NEOs based on fiscal year 2012 results as described below.

Base Pay

The Committee evaluates the CEO's performance annually in light of established corporate and personal goals and objectives. NEO salary levels and adjustments are recommended by the CEO and reviewed and approved by the Committee. Changes in base salary for the CEO and the NEOs are based on responsibility, the external market for similar jobs, the individual's current salary compared to the market and success in achieving business results.

Annual Incentive Awards**Fiscal Year 2012 Annual Incentive Plan**

On September 28, 2011, the Committee approved the Annual Incentive Plan for fiscal year 2012 (the 2012 Plan). As with the Annual Incentive Award for fiscal year 2011, the 2012 Plan provides for an incentive compensation pool for certain key employees and officers of the Company, based on specified performance criteria. For fiscal year 2012, the plan was based on achievement of prescribed levels of the Company's consolidated annual net income, adjusted to exclude income or losses from operations in markets the Company has elected to exit, as more fully described in our Annual Report on Form 10-K for the fiscal year ended September 30, 2012, or other unusual items as determined by the Committee (the 2012 Adjusted Consolidated Net Income). Pursuant to the 2012 Plan, Messrs. Lindstrom, Fiedler and Lewey and Ms. Sahrbeck, who replaced Mr. Fiedler as Senior Vice President, General Counsel and Corporate Secretary effective September 1, 2012, were eligible to receive the amounts set forth below if the corresponding levels of 2012 Adjusted Consolidated Net Income were achieved for fiscal year 2012. Incentive awards were to be adjusted ratably for net income amounts that fell between net income levels above \$0.6 million, net of incentives paid to all participants, and in the case of Mr. Fiedler and Ms. Sahrbeck, for partial year employment.

Executive	Fiscal Year 2012 Adjusted Consolidated Net Income(1)					
	<\$0.2 MM	\$0.2 MM	\$0.6 MM	\$0.8 MM	\$1.5 MM	>\$1.5 MM
James M. Lindstrom	\$ -0-	\$ 97,500	\$ 195,000	\$ 390,000	\$ 780,000	\$ 780,000
William L. Fiedler(2)	\$ -0-	\$ 37,500	\$ 75,000	\$ 150,000	\$ 300,000	\$ 300,000
Robert W. Lewey(3)	\$ -0-	\$ 36,250	\$ 72,500	\$ 145,000	\$ 290,000	\$ 290,000
Heather M. Sahrbeck(4)	\$ -0-	\$ 22,500	\$ 45,000	\$ 90,000	\$ 180,000	\$ 180,000

- (1) Net of incentives paid to all participants.
- (2) Mr. Fiedler's employment with the Company terminated on August 31, 2012. Under the terms of the Severance Plan (described below) governing his termination, he was entitled to receive a prorated portion of his annual performance-based awards at the time any such awards were granted to the other NEOs.
- (3) Mr. Lewey assumed the position of Senior Vice President and Chief Financial Officer on January 20, 2012.

Edgar Filing: INTEGRATED ELECTRICAL SERVICES INC - Form DEF 14A

- (4) Ms. Sahrbeck assumed the position of Senior Vice President, General Counsel and Corporate Secretary on September 1, 2012 and her employment with the Company terminated on November 1, 2012.

Mr. Freeman, pursuant to his employment agreement with the Company, described further below in Severance and Employment Agreements, was entitled to receive a prorated portion of his annual performance based awards at the time any such awards were granted to the other NEOs. The Committee determined that Mr. Freeman's eligibility for a performance-based award would be based on the 2012 Plan eligibility available to Mr. Lewey, the current CFO.

At the Committee's discretion, the final awards were subject to adjustment downward or upward in amounts not to exceed 50 percent of the award based upon the individual's performance considerations. The performance review of Mr. Lindstrom was based upon the attainment of individual goals and objectives established for Mr. Lindstrom as discussed below. The other NEOs were reviewed based upon their performance in assisting Mr. Lindstrom in his efforts. The Committee had the sole discretion to increase or decrease the annual incentive award made to the CEO. The Committee had the right, in its sole discretion, to reduce or eliminate the amount otherwise payable based upon individual performance or any other factors the Committee deems appropriate.

Fiscal Year 2012 Goals and Objectives

On December 5, 2011, the CEO recommended, and the Committee approved, the following goals and objectives to be used by the Committee when determining the discretionary element of the fiscal year 2012 annual incentive awards discussed above. These goals and objectives were established based on three primary factors:

Financial Performance.

Financial performance measures were based on consolidated annual net income and earnings per share. Primary focus was to return the Company to profitability and to generate appropriate risk-adjusted returns on capital.

Financial incentives for NEOs and other corporate executive management were tied to the Company's consolidated performance. Incentives for other executive officers, managers and operating division personnel were tied to both their respective operating company and/or organizational unit results.

Strengthen the Company's balance sheet.

Safety Performance.

Safety performance targets were based on the Company's Total Recordable Incident Rate (TRIR) for the fiscal year.

The safety performance targets for NEOs and other corporate executive management were tied to the Company's consolidated TRIR. Safety performance targets for other executive officers, managers and operating division personnel were tied to the TRIR of both their respective operating company and organizational unit.

Maintain and enhance the Company's safety culture.

Business/Personal Objectives.

Other performance criteria in the form of personal objectives were established for each executive officer in line with the Company's fiscal year 2012 plan, including the following:

Edgar Filing: INTEGRATED ELECTRICAL SERVICES INC - Form DEF 14A

Setting the tone at the top for achieving highest level of ethical conduct

Improved financial control environment

Leadership/successor development

Assure adequate liquidity and risk mitigation to support current operations

Fiscal Year 2012 Annual Incentive Plan Awards

Based on a review of fiscal year 2012 financial results and in light of the disparity between the Company's negative consolidated net income for fiscal year 2012 and its positive 2012 Adjusted Consolidated Net Income, each as presented in its Annual Report on Form 10-K for the fiscal year ended September 30, 2012, the Committee determined that neither consolidated net income nor 2012 Adjusted Consolidated Net Income accurately reflected its assessment of management performance. The Committee instead identified the following criteria as more relevant to its assessment in the context of management's primary objective of stabilizing results and returning the Company to profitability: the Company's progress on critical near-term strategic goals, including refinancing of its credit facility, the Company's improvement in overall financial performance from the prior fiscal year, and each NEO's performance against the safety and business/personal objectives outlined above. The Committee then assessed the performance of each of Mr. Lindstrom, Mr. Lewey and Ms. Sahrbeck against these objectives and determined to award each of them 50% of the maximum eligible award under the 2012 Plan, representing 100% of their target awards, in light of their direct involvement in achieving these objectives and, in particular, the credit facility refinancing, and, in its discretion, the Committee adjusted downward by an additional 50% the awards available to Messrs. Freeman and Fiedler in light of their more limited involvement during the fiscal year in achieving these objectives. As a result, the Committee awarded annual cash incentive awards to Mr. Lindstrom of \$390,000, to Mr. Fiedler of \$68,750, to Mr. Freeman of \$26,847, to Mr. Lewey of \$145,000 and to Ms. Sahrbeck of \$37,500, reflecting these performance adjustments and a ratable adjustment for partial year employment, in the cases of Messrs. Fiedler and Freeman and Ms. Sahrbeck.

Fiscal Year 2013 Annual Incentive Plan

On December 5, 2012, the Committee approved the Annual Incentive Plan for fiscal year 2013 (the 2013 Plan). As with the 2012 Plan, the 2013 Plan provides for an incentive compensation pool for certain key employees and officers of the Company, based on specified performance criteria. For fiscal year 2013, the awards may be made either in cash, equity or a combination thereof, at the Committee's discretion, and are based (1) 75% on achievement of the financial goals outlined below for fiscal year 2013 and (2) 25% on the achievement of the personal goals outlined below for fiscal year 2013. Pursuant to the 2013 Plan, Mr. Lindstrom, Mr. Lewey and Ms. Makode, who assumed the position of Senior Vice President, General Counsel and Corporate Secretary on October 16, 2012, are eligible to receive target awards, respectively, between \$0 and a maximum of \$500,000, \$0 and a maximum of \$162,500 and \$0 and a maximum of \$120,000, corresponding to the level of performance achieved with respect to these goals for fiscal year 2013, with the maximum award representing 100% performance with respect to the financial and personal goals outlined below. The Committee believes that there is a greater than 50% probability that the NEOs will receive the maximum available award under the 2013 Plan.

The performance review of the NEOs is based upon the attainment of individual goals and objectives established as discussed below. The Committee has the sole discretion to increase or decrease the annual incentive award made to the CEO. The Committee has the right, in its sole discretion, to reduce or eliminate the amount otherwise payable based upon individual performance or any other factors the Committee deems appropriate.

Fiscal Year 2013 Goals and Objectives

On December 5, 2012, the CEO recommended, and the Committee approved, the following goals and objectives to be used by the Committee when determining awards under the 2013 Plan.

Financial Goals: Reflecting a primary focus on returning the Company to profitability and generating appropriate cash flow, financial performance measures for NEOs are based (1) 50% on fiscal year 2013 consolidated annual net income and (2) 50% on fiscal year 2013 consolidated annual operating cash flow less capital expenditures. Each such financial measure may be considered on an adjusted basis, in the sole discretion of the Committee, to reflect unusual items during the fiscal year.

Business/Personal Goals: The following business/personal goals and objectives were established for each NEO:

James M. Lindstrom

Ensure behavior consistent with established values of integrity and safety

Oversee acquisition program

Further development of the Company's succession planning program

Further development of the Company's strategic and capital plan and promotion of human capital investment program across the Company

Robert W. Lewey

Support acquisition program

Develop financial and operational targets with divisional leadership

Ensure financial reporting integrity

Gail D. Makode

Further enhancement of the Company's risk management program and framework

Lead governance and legal resources on strategic transactions

Promote a culture of integrity, ethics and compliance

Additional Short-Term Incentives

The Company's compensation program emphasizes variable, at-risk incentive award opportunities, which are payable only if specified goals are achieved and which include both short-term and long-term incentive opportunities. In addition to the annual incentive awards described above, which may take the form of cash or equity, the Company provides short-term equity or cash incentive awards for NEOs based on achievement of critical near-term goals which we believe will significantly impact the long-term performance of the Company. The Company also has in the past provided, and may from time to time in the future provide, long-term equity incentive award opportunities which depend on Company performance and which vest over multiple years. In light of the long-term equity incentive awards that currently remain outstanding, and given the current environment, as the Company seeks to stabilize its near-term performance, the Committee believes it is appropriate to offer additional awards that align the financial incentives of executives with the near-term goals of stockholders. Therefore, we have implemented an incentive program that includes short-term incentive award opportunities, on a discretionary basis, based on achievement of critical near-term goals which drive long-term stockholder value. These awards generally are made in equity form and have short-term or no time-based

restrictions to strengthen the alignment of the incentive with achievement of the identified near-term goals.

Fiscal Year 2012 Additional Short-Term Incentives

On August 9, 2012, the Committee approved the grant of phantom stock units (PSUs) pursuant to the Company s 2006 Equity Incentive Plan, as amended and restated (the Plan), to Messrs. Lindstrom and Lewey and two other officers. The Committee granted a target amount of 50,000 and 25,000 PSUs to Messrs. Lindstrom and Lewey, respectively, and an aggregate target amount of 15,000 PSUs to the two other officers. These awards were subject to attainment by the Company of a target cash and cash equivalents (including restricted cash and without an adjustment to working capital) balance at fiscal year-end 2012 (a Cash Target) of \$20 million. Failure to meet a Cash Target of \$20 million, but attainment of a Cash Target of \$15 million, would result in a 50% payment of the PSUs, and failure to attain a Cash Target of \$15 million would result in no payment. Payment of the PSUs would be in the form of an equal amount of shares of the Company s Common Stock to be

vested and delivered on December 6, 2012. As a result of the Company's attainment of a Cash Target of \$20 million, the Committee approved on December 5, 2012 the immediate vesting of 100% of the PSUs on December 6, 2012.

Long-Term Equity Incentives

While the incentive portion of the Company's compensation program for NEOs is focused primarily on annual cash and discretionary short-term equity incentive compensation due to the Company's focus on near-term stabilization of performance, the Company maintains a Long-Term Incentive Plan (LTIP), which the Company has used to promote long-term performance in the past and may use from time to time in the future. The Company made no grants under its LTIP during fiscal year 2012.

The LTIP was established on November 12, 2007 for certain Company officers and the officers of certain of its subsidiaries to foster and promote the long term financial success of the Company and increase stockholder value by (a) strengthening the Company's ability to develop, maintain and retain effective senior management; (b) motivating superior performance by means of long-term performance related incentives linked to business performance; (c) encouraging and providing for ownership interests in the Company by its senior management; (d) attracting and retaining qualified senior management personnel by providing incentive compensation opportunities competitive with comparable companies; and (e) enabling senior management to participate in the long-term financial growth and financial success of the Company. To the extent that awards are granted under the LTIP, performance periods will commence on October 1st of each applicable fiscal year. The Committee may, in its sole discretion, establish the duration of any future performance period, provided such period may not be less than one year.

To the extent that new awards are granted under the LTIP, the Committee will establish in writing the performance goals for the next performance period, which may include any of the following performance criteria (either alone or in any combination) as the Committee may determine: return on net assets, sales, net asset turnover, cash flow, cash flow from operations, operating profit, net operating profit, income from operations, operating margin, net income margin, net income, return on total assets, return on gross assets, return on total capital, earnings per share, working capital turnover, economic value added, stockholder value added, enterprise value, receivables growth, earnings to fixed charges ratios, safety performance, customer satisfaction, customer service, or developing and/or implementing action plans or strategies. The foregoing criteria shall have any reasonable definitions that the Committee may specify at the time such criteria are adopted. Any such performance criterion or combination of such criteria may apply to a participant's award opportunity in its entirety, or to any designated portion or portions of the award opportunity, as the Committee may specify.

Each executive that participates in the LTIP is entitled to an award each year in which a grant is made based on a percentage of his or her annualized base salary in effect on the first day of the performance period. Up to one half of the award is payable as a retention component in the form of restricted Common Stock, restricted share units, stock appreciation rights or stock options, which vest three years from the grant date or as otherwise set forth in the grant. Upon vesting, retention-based restricted share units are convertible into Common Stock or cash, as determined by the Committee at the time of vesting. The remaining one-half of the award may be in the form of restricted share units or a cash bonus which vesting is based on the achievement of a predetermined performance goal(s) over a prescribed performance period. Upon vesting, such performance-based restricted share units are convertible into restricted Common Stock or the right to receive cash, as determined by the Committee at the time of grant. Restricted Common Stock issued on conversion of performance-based restricted share units vests one year following the end of the performance period. Cash remitted on conversion of performance-based restricted share units is payable to the participants one year following the end of the performance period. All shares of restricted Common Stock, restricted share units, stock appreciation rights and stock options granted under the LTIP are pursuant to the Plan. Upon vesting and delivery of restricted Common Stock or cash, the awardees are taxed at applicable income tax rates and the Company receives a corresponding tax deduction.

The 2010 Retention Grant

For fiscal year 2010, in recognition of the importance of retaining senior management and key personnel and, with the assistance of Meridian, the Committee made grants of restricted Common Stock under the Plan to certain senior management and other key personnel. The grants vest in full on the second anniversary of the grant date. The basis of the grant awards and the selection of participants were to:

enhance retention

increase stock ownership by senior management and key personnel

focus on incentivizing the executives and other key personnel who are critical to leading the Company through this challenging business and operating environment.

On September 28, 2010, the Committee made grants of restricted Common Stock to Messrs. Freeman and Fiedler of 23,500 and 14,200 shares, respectively, as well as 167,900 shares to an additional 20 individuals. Other than those previously forfeited, these shares vested in full on September 28, 2012.

The 2011 LTIP Grant

On December 16, 2010, the Committee made grants of restricted Common Stock to Messrs. Freeman and Fiedler of 12,000 and 10,000 shares, respectively, as well as 178,000 shares to an additional 22 individuals. Unless previously forfeited, these shares vest as to the first one-third on December 16, 2011, as to the second one-third on December 16, 2012 and as to the last one-third on December 16, 2013. Upon their termination of employment with the Company on January 20, 2012 and August 31, 2012, respectively, certain of Mr. Freeman's and Mr. Fiedler's outstanding restricted shares were vested, as described under "Option Exercises and Stock Vested in Fiscal Year 2012" below.

The 2011 New Hire Grants

At the time he assumed the position of Interim President and Chief Executive Officer on June 30, 2011, Mr. Lindstrom received a grant of 100,000 shares of restricted Common Stock, which vest in thirds on December 16, 2011, December 16, 2012 and December 16, 2013. On October 3, 2011, when Mr. Lindstrom assumed the position of President and Chief Executive Officer on a permanent basis, he was granted an additional 100,000 shares of restricted Common Stock, which vest in thirds on the first, second and third anniversaries of the grant date. Both grants (together, the "2011 New Hire Grants") were made under the 2006 Equity Incentive Plan.

The 2012 New Hire Grant

On October 15, 2012, the Committee made a grant of restricted Common Stock to Ms. Makode of 12,500 shares in connection with her appointment as Senior Vice President, General Counsel and Secretary. The grant was made under the 2006 Equity Incentive Plan. Unless previously forfeited, these shares vest as to the first one-third on October 15, 2013, as to the second one-third on October 15, 2014 and as to the last one-third on October 15, 2015.

Chief Executive Officer

James M. Lindstrom has served as the Company's President and Chief Executive Officer since October 3, 2011, prior to which he served as the Company's Interim President and Chief Executive Officer since June 30, 2011. As Interim President and Chief Executive Officer, Mr. Lindstrom's base salary was \$25,000 per month, and upon assuming the position of President and Chief Executive Officer on a permanent basis, his base annualized salary was adjusted to \$390,000 (a reduction of \$220,000 from that of his immediate predecessor), due to the overall economic environment and the Company's specific financial condition. Upon assuming the position of Interim President and Chief Executive Officer, he also received the first of the 2011 New Hire Grants and upon assuming the position of President and Chief Executive Officer on a permanent basis, he received the second of the 2011 New Hire Grants. Mr. Lindstrom also received an annual incentive award for fiscal year 2012 of \$390,000 and received, in connection with achievement of certain of the Company's financial targets, a grant of 50,000 PSUs under the 2006 Equity Incentive Plan which vested on December 6, 2012, as further described under "Additional Short-Term Incentives" above.

Chief Financial Officer

Robert W. Lewey has served as the Company's Senior Vice President and Chief Financial Officer since January 20, 2012. During fiscal year 2012 his annual base salary was \$290,000. Mr. Lewey received an annual incentive award for fiscal year 2012 of \$145,000 and received, in connection with achievement of certain of the Company's financial targets, a grant of 25,000 PSUs which vested on December 6, 2012, as further described under "Additional Short-Term Incentives" above.

Former Senior Vice President, General Counsel and Corporate Secretary

William L. Fiedler served as the Company's Senior Vice President, General Counsel and Corporate Secretary from March 2009 until August 31, 2012. His annualized base salary for fiscal year 2012 was \$300,000. He did not receive a salary increase for calendar year 2012. Upon his termination of employment Mr. Fiedler received payments pursuant to the terms of the Severance Plan, described below, including an award under the Annual Incentive Plan of \$68,750. For additional information, please see "Severance and Employment Agreements" below.

Former Chief Financial Officer

During fiscal year 2012, Mr. Freeman's base annual salary was \$350,000. He did not receive a salary increase for calendar year 2012. Upon his termination of employment, Mr. Freeman received payments pursuant to the terms of his employment agreement, described below, including an award under the Annual Incentive Plan of \$26,847. For additional information, please see "Severance and Employment Agreements" below.

Former Senior Vice President, General Counsel and Corporate Secretary

Heather M. Sahrbeck served as the Company's Senior Vice President, General Counsel and Corporate Secretary on an interim basis from September 1, 2012 until November 1, 2012. Her annualized base salary for fiscal year 2012 was \$180,000. Subsequent to her termination of employment, Ms. Sahrbeck received an annual cash incentive award of \$37,500, as described under "Annual Cash Incentive Awards" above.

401(k) and Deferred Compensation Plan

The Company provides all employees the opportunity to participate in a 401(k) plan. Under the Integrated Electrical Services, Inc. Retirement Savings Plan (the "401(k) Plan"), the Company has historically matched 50% of the first 5% that an employee contributes to the 401(k) Plan on a pre-tax basis. However, in order for the

401(k) Plan to comply with nondiscrimination requirements of Section 401(k) of the Internal Revenue Code, beginning in 2008, highly compensated employees (HCEs) became subject to a maximum contribution limit of 4% of their base annual earnings. On February 15, 2009 the Company suspended the employer matching contribution to the 401(k) Plan as part of its cost cutting initiatives.

In order to further assist NEOs and certain other HCEs in saving for retirement, the Company also provides an elective Deferred Compensation Plan. The Deferred Compensation Plan allows participants to voluntarily defer the receipt of salary (maximum deferral of 75%) and earned annual incentive awards (maximum deferral of 75%).

In October 2007, the Committee amended the Deferred Compensation Plan to provide a Company matching component effective for deferrals made beginning January 1, 2008 for selected employees, which includes the NEOs. Each participant who elects to make deferrals of eligible compensation to the Deferred Compensation Plan was eligible to receive a matching contribution equal to 25% of the first 10% of a participant's annual base salary deferrals into the Deferred Compensation Plan. Effective February 15, 2009, the Company instituted a suspension of the employer matching contribution to the IES Deferred Compensation Plan as part of its cost cutting initiatives.

Details about NEO participation in the Deferred Compensation Plan and accumulated balances are presented under Nonqualified Deferred Compensation below. The NEOs' accumulated balances disclosed under Nonqualified Deferred Compensation represent voluntary deferrals of earned compensation, not matching contributions by the Company.

Other Benefits

Some NEOs, along with certain other executives, are provided with a limited number of perquisites and additional benefits that are part of the Company's broad-based total compensation program. An item is not a perquisite if it is integrally and directly related to the performance of the executive's duties. An item is a perquisite if it confers a direct or indirect benefit that has a personal aspect, without regard to whether it may be provided for some business reason or for the convenience of the Company, unless it is generally available on a non-discriminatory basis to all employees.

During fiscal year 2012, the Company provided some or all of the following perquisites to the NEOs, all of which are quantified in the Summary Compensation Table and All Other Compensation table below.

Monthly auto allowance of \$1,500, subject to normal payroll taxes, was provided to Messrs. Freeman and Fiedler. This benefit is not part of Mr. Lindstrom's, Mr. Lewey's or Ms. Sahrbeck's compensation.

Executive physical examination. The Company believes it benefits from this perquisite by encouraging its executive officers to protect their health.

Company match under the Company's non-qualified Deferred Compensation Plan. The Deferred Compensation Plan provides a 25 percent match on the first 10 percent of a participant's annual base salary deferrals, which vests following three years of service with the Company. As noted above, the Company instituted a suspension of the Company's matching contribution to the Deferred Compensation Plan on February 15, 2009. No matching contribution was made to executives for fiscal year 2012.

The Committee annually reviews the perquisites and additional benefits provided to executive officers as part of their overall review of executive compensation. The Committee has determined the perquisites to be within the appropriate range of competitive compensation practices. Details about the NEOs' perquisites, including the fiscal year 2012 cost to the Company, are shown in the All Other Compensation column of the Summary Compensation Table and in the accompanying narrative.

Executive Stock Ownership Guidelines

In October 2007, the Board of Directors, upon the Committee's recommendation, adopted Stock Ownership Guidelines (the Guidelines) for NEOs to ensure that they have a meaningful economic stake in the Company. The Guidelines are designed to satisfy an individual executive's need for portfolio diversification, while maintaining management stock ownership at levels significant enough to assure our stockholders of management's commitment to value creation.

The Committee will annually review each executive's compensation and stock ownership levels for adherence to the Guidelines and to consider potential modifications of or exceptions to the Guidelines. The Guidelines currently recommend that the following executives have direct ownership of our Common Stock in at least the following amounts:

Officer Position	Multiple of Salary
Chief Executive Officer	3X
All Other NEOs	2X

The Guidelines encourage each executive to comply with the Guidelines no later than five years after either the October 8, 2007 Board approval of the Guidelines or the date the executive is appointed to a position subject to the Guidelines, whichever is later. Common Stock ownership by the NEOs has not reached the levels recommended in the Guidelines.

For purposes of the Guidelines, stock ownership includes Common Stock beneficially owned (including Common Stock owned by immediate family members) and deferred stock not yet delivered. Performance share grants are not counted for purposes of the Guidelines.

TAX CONSIDERATIONS

Deductibility Cap on Executive Compensation

Under the U.S. federal income tax law, the Company cannot take a tax deduction for certain compensation paid in excess of \$1 million to our executive officers. The Committee considers tax implications to the Company as one of many factors in its compensation decisions and attempts to structure compensation and awards to preserve tax deductibility. The Committee may choose, however, to provide compensation that may not be deductible if it believes such payments are necessary to achieve our compensation objectives and to protect stockholder interests.

Golden Parachute Taxes

Under certain circumstances, payments received by our executive officers as a result of a change in control may be subject to excise taxes and may not be fully deductible. The Committee considered the possible effects of these taxes in developing the Executive Officer Severance Benefit Plan described under [Severance and Employment Agreements](#) below.

Section 409A

During fiscal year 2012, the Committee continued to monitor the regulatory developments under Internal Revenue Code Section 409A, which was enacted as part of the American Jobs Creation Act of 2004. Section 409A imposes additional limitations on non-qualified deferred compensation plans in order to insure their full compliance with the Act prior to December 31, 2008, the expiration of the transition period. The Company believes all of its benefit plans substantially conform to the requirements of Section 409A.

PAYMENTS UPON A CHANGE IN CONTROL

For information concerning payments upon the termination of the NEOs, including upon certain triggering events, please see [Severance and Employment Agreements](#) below.

HUMAN RESOURCES AND COMPENSATION COMMITTEE REPORT

The Committee believes that the executive compensation and policies provide the necessary incentives to properly align executive performance and the interests of the stockholders.

The Committee has reviewed and discussed the Compensation Discussion and Analysis with management and, based on such review and discussion, the Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement.

In order to further assist NEOs and certain other executives in saving for retirement, the Company also provides an elective Deferred Compensation Plan. The Deferred Compensation Plan allows participants to voluntarily defer the receipt of salary (maximum deferral of 75%) and earned annual incentive awards (maximum deferral of 75%).

The Plan allows for distributions to commence after retirement or after a specific future year, even if the specific future year is later or earlier than the retirement date. Distributions may be paid either in a lump sum or in equal annual installments up to 10 years based on the employee's initial election as to the time and form of payment. If installments were elected, the unpaid balance will continue to accumulate gains and losses based on the employee's investment selections. Investment options mirror the 401(k) Plan. Investment choices are self-directed and may be changed at any time by the participant.

On October 9, 2007, the Committee amended the Deferred Compensation Plan to provide a Company matching component effective for deferrals made beginning January 1, 2008 to selected employees, including NEOs. Each participant who elects to make deferrals of eligible compensation to the Elective Deferral Plan will receive a matching contribution equal to 25% of the first 10% of the participant's base salary deferrals into the Deferred Compensation Plan. Effective February 15, 2009, the Company instituted a suspension of the matching contributions as part of its cost cutting initiatives.

SEVERANCE AND EMPLOYMENT AGREEMENTS**Introduction**

While the Company historically entered into employment agreements with its executive officers, including the NEOs, on January 23, 2012, the Committee adopted an Executive Officer Severance Benefit Plan (the "Severance Plan") to rationalize all NEO employment arrangements by requesting that all NEOs relinquish their rights pursuant to existing employment agreements. All NEOs were subject to the Severance Plan other than Mr. Freeman, whose employment terminated prior to enactment of the Severance Plan and who was subject to the terms of his employment agreement, as further described below. The Committee annually reviews the Severance Plan to determine its continuing need as well as the amount and nature of compensation potentially payable in the event a change in control or in the event that other provisions are triggered.

When executive positions become available, we may search for potential replacements not only within the Company but also in the marketplace, with the assistance of placement firms. Since prospective candidates from outside the Company are often already employed, they must be recruited and the total compensation offered must satisfy the need to incentivize and reward the individual. Additionally, we find that, in light of variable economic conditions, prospective executives are often also looking for an element of security, which will ensure a source of income in the event that their employment is terminated without Cause (as defined in the Severance Plan).

The risk of unemployment is heightened in the event of a Change of Control (as defined in the Severance Plan) of the Company, since the limited number of executive positions often results in terminations due to

non-cost effective duplication. Thus, in order for the Company to recruit the best possible executives, the Severance Plan provides for the mutual benefit of the Company and the executive. Income, under the Severance Plan, is comprised of the same elements of compensation as the Company's ongoing compensation program discussed above, which includes base salary, annual cash incentives, equity incentives, benefits and, in certain circumstances, perks such as car allowances. The only employment agreement that we have entered into with any of our NEOs is described in more detail below.

The Severance Plan also includes a clawback provision which permits the Company, in the event the Dodd-Frank Wall Street Reform and Consumer Protection Act requires an executive to repay the Company erroneously awarded amounts of incentive compensation, to recoup such amount by reducing the severance pay or benefit otherwise due the executive under the Severance Plan.

The following information provides more detail concerning the specific terms and conditions of the Severance Plan and Mr. Freeman's employment agreement and describes the approximate value of the payments that may result if the executives were to terminate employment. The actual amounts to be paid can only be determined at the time of an executive's separation from the Company. Thus, as disclosed herein, the amounts of compensation payable assume that such terminations were effective as of September 30, 2012 and include amounts earned through such time. However, in the case of Mr. Fielder, the amount of compensation payable is provided as of August 31, 2012, the effective date of his termination. Information with respect to Mr. Freeman is provided in a separate table which follows.

Terry L. Freeman

On January 20, 2012, Mr. Freeman's employment with the Company terminated. As such, Mr. Freeman was not subject to the Severance Plan, and the payments made to Mr. Freeman upon termination were governed by his employment agreement with the Company.

On March 29, 2010 (the Effective Date), the Company entered into an employment agreement with Mr. Freeman. The agreement had no definitive term and was terminable at any time and for any reason, at the option of either Mr. Freeman or the Company, upon written notice to the other party. Pursuant to the terms of the agreement Mr. Freeman served as a Senior Vice President and Chief Financial Officer of the Company.

The agreement provides for (i) an annual base salary of \$350,000 (which could be increased in the sole discretion of the Committee), (ii) an annual bonus with a target opportunity of 75% of annual base salary (the Annual Bonus Opportunity) for fiscal year 2010, prorated, and thereafter as determined by the Committee and (iii) a signing bonus of \$50,000. Mr. Freeman was also eligible to participate in the Company LTIP.

If Mr. Freeman terminated his employment for Good Reason (as defined below) or if his employment was terminated by the Company without Cause (as defined below) he was entitled to receive: (i) continued payment of base salary then in effect for 12 months immediately following the date of termination, (ii) any unpaid annual bonus that has been earned for the immediately preceding fiscal year plus the current year annual bonus, prorated based upon the percentage of the fiscal year that shall have elapsed through the date of termination to the extent performance objectives have been met, (iii) Company paid COBRA coverage, an automobile allowance of \$1,500 per month and outplacement services (reasonable in amount but not to exceed \$20,000) for 12 months immediately following the date of such termination or until Mr. Freeman obtained comparable employment, whichever is shorter, and (iv) a prorated amount of unvested equity awards under all equity plans for awards granted prior to September 24, 2010. The vesting proration period was to be calculated as the percentage of the vesting period for each unvested equity award in which he was actively employed.

Effective September 24, 2010, the Company and Mr. Freeman entered into the first amendment to his employment agreement. The amendment changed the amount of awards that vest upon termination of employment for Good Reason or by the Company without Cause to result in (i) a prorated amount of his then outstanding cash incentive awards and equity based awards granted after September 24, 2010, other than an annual bonus or a cash incentive award or an equity based award the payment of which is dependent upon the achievement of performance objectives during a performance period that has not ended, and (ii) a prorated portion of each performance award then outstanding, if any, which shall vest at the end of the performance period applicable to such award, but only if and to the extent the performance objectives have been achieved. In addition, in the event the Dodd-Frank Wall Street Reform and Consumer Protection Act required Mr. Freeman to repay the Company erroneously awarded amounts of incentive compensation, he agreed to repay such amounts promptly.

Mr. Freeman was subject to non-compete and non-solicit restrictive covenants during the employment term and for a period of one year (or two years if terminated by the Company for Cause or if he resigns without Good Reason) following the termination of his employment. Mr. Freeman was also subject to restrictive covenants prohibiting disclosure of confidential information and intellectual property of the Company.

When Mr. Freeman's employment with the Company terminated on January 20, 2012, he became entitled to the payments and benefits outlined in the table below.

- (1) Mr. Freeman, pursuant to his employment agreement with the Company, was entitled to receive a prorated portion of his annual performance based awards at the time any such awards were granted to the other NEOs. The Committee determined that Mr. Freeman's eligibility for a performance-based award would be based on the 2012 Plan eligibility available to Mr. Lewey, the current CFO.
- (2) Mr. Freeman had no stock options.
- (3) Reflects the value of 17,313 shares of restricted Common Stock that vested upon his termination without cause. The closing price of the Common Stock on January 20, 2012 was \$2.67 per share.
- (4) Mr. Freeman and the Company agreed that in lieu of outplacement services, he would be paid \$20,000 in consideration for providing consulting services to the Company pursuant to a Consulting Agreement entered into with the Company on January 20, 2012.
- (5) Reflects cost to provide health care continuation benefits to executive under COBRA for 12 months following termination.

DEFINITIONS

The following definitions are used in the Severance Plan and Mr. Freeman's amended employment agreement described above.

Cause means (i) the executive's gross negligence in the performance or intentional nonperformance of any of the executive's material duties and responsibilities to the Company or a participating affiliate; (ii) the executive's dishonesty, theft, embezzlement or fraud with respect to the business, property, reputation or affairs of the Company or a participating affiliate; (iii) the executive's conviction of, or a plea of other than not guilty to, a felony or a misdemeanor involving moral turpitude; (iv) the executive's confirmed drug or alcohol abuse that materially affects the executive's service or violates the Company's or a participating affiliate's drug or alcohol abuse policy; (v) the executive's violation of a material Company or a participating affiliate's personnel or similar policy, such policy having been made available to the executive by the Company or a participating affiliate; or (vi) the executive's having committed any material violation of any federal or state law regulating securities (without having relied on the advice of the Company's attorney) or having been the subject of any final order, judicial or administrative, obtained or issued by the Securities and Exchange Commission, for any securities violation involving fraud, including, without limitation, any such order consented to by the executive in which findings of facts or any legal conclusions establishing liability are neither admitted nor denied

Cause in the agreement entered into with Mr. Freeman is defined in similar terms except it also includes the executive's willful and material breach of the employment agreement if not cured within ten days after receipt of a notice, and it includes a cure period for any act in clause (i) above.

Good Reason in Mr. Freeman's agreement is essentially defined as:

Any material reduction in his position, authority or Base Salary,

Any relocation of the Company's corporate office that is more than 50 miles from his primary location of work, or

The Company's breach of a material term of the agreement.

All of the above are valid reasons only if the Company fails to cure such event within 30 days after receipt from him of written notice of the event which constitutes Good Reason and he must give the Company written notice of the event by the 60th day following its occurrence.

A Change in Control is defined in the agreements as follows:

Any person or persons acting together which would constitute a group for purposes of Section 13(d) of the Exchange Act, other than Tontine Capital Partners L.P. and its affiliates, the Company or any subsidiary, shall beneficially own (as defined in Rule 13d-3 of the Exchange Act) directly or indirectly, at least 50% of the ordinary voting power of all classes of capital stock of the Company entitled to vote generally in the election of the Board, or

Current directors shall cease for any reason to constitute at least a majority of the members of the Board (Current Directors means, as of the date of determination, any person who (i) was a member of the Board on the date that the Company's Joint Plan of Reorganization under Chapter 11 of the United States Bankruptcy Code became effective or (ii) was nominated for election or was elected by the Board with the affirmative vote of a majority of the current directors who were members of the Board at the time of such nomination or election) or at any meeting of stockholders of the Company called for the purpose of electing directors, a majority of the persons nominated by the Board for election as directors shall fail to be elected; or

The consummation of a sale, lease, exchange or other disposition in one transaction or a series of transactions of all or substantially all of the assets of the Company.

A transaction shall not constitute a Change in Control if its sole purpose is to change the state of the Company's incorporation or to create a holding company that will be owned in substantially the same proportions by the persons who held the Company's securities immediately before such transaction.

DIRECTOR COMPENSATION

Directors who are employees of the Company or any of its subsidiaries, do not receive a retainer or fees for service on the Board or any committees. Each non-employee director receives a \$40,000 annual retainer, paid after the annual stockholder meeting. The Chairman of the Human Resources and Compensation Committee and the Chairman of the Nominating/Governance Committee each receive an additional annual retainer of \$10,000 and the Chairman of the Audit Committee receives an additional annual retainer of \$25,000. Each of these retainers is also paid quarterly. In addition, each director receives an annual retainer of \$5,000 for each Committee on which the director serves other than as Chairman. Effective in the third fiscal quarter of fiscal year 2012, the directors elected to receive 50% of their retainers in shares of the Company's Common Stock and 50% in cash.

Each year, in addition to the annual retainers described above, upon their election or re-election to the Board at an annual stockholders' meeting, each director will receive a grant of Phantom Stock Units (Units) pursuant to the Plan. The number of Units granted to each director is determined by dividing \$25,000 by the closing price of the Company's Common Stock on the last trading day immediately preceding the annual stockholder meeting. The Units will convert to Common Stock on the date the director leaves the Board, for any reason. Each director will receive a grant for his or her subsequent periods of service on the Board, provided that he or she is re-elected at subsequent annual stockholder meetings. Directors are also reimbursed for reasonable out-of-pocket expenses incurred in attending Board and committee meetings and for their reasonable expenses related to the performance of their duties as directors. The following table reflects the amounts paid to each individual non-employee director who served on the Board in fiscal year 2012.

Assumptions used in the calculation of these amounts are included in footnote 12 to the Company's audited consolidated financial statements for the fiscal year ended September 30, 2012 included in our Annual Report on Form 10-K filed with the SEC on December 14, 2012.
- (3) As of September 30, 2012, and including post-fiscal-year-end grants made in respect of fees earned in fiscal year 2012, each non-employee director held the following aggregate number of Phantom Stock Units: Mr. Beynon 22,093; Mr. Welsh 20,997; Mr. Dowling 10,396; Mr. Gendell 10,031; Mr. Luke 31,362.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During fiscal year 2012, no executive officer of the Company served as (i) a member of the compensation committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire board of directors) of another entity, one of whose executive officers served on the Human Resources and Compensation Committee of the Company, (ii) a director of another entity, one of whose executive officers served on the Human Resources and Compensation Committee of the Company or (iii) a member of the compensation committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire board of directors) of another entity, one of whose executive officers served as a director of the Company.

During fiscal year 2012, no member of the Human Resources and Compensation Committee (i) was an officer or employee of the Company, (ii) was formerly an officer of the Company or (iii) had any business relationship or conducted any business with the Company other than as an independent director of the Company, other than Mr. Gendell, who is an employee of Tontine Associates, LLC, a majority shareholder and lender of the Company, as described further under "Certain Relationships and Related Party Transactions" above.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors, executive officers and persons holding more than 10 percent of a registered class of the Company's equity securities to file with the SEC and any stock exchange or automated quotation system on which the Common Stock may then be listed or quoted (i) initial reports of ownership, (ii) reports of changes in ownership and (iii) annual reports of ownership of Common Stock and other equity securities of the Company. Such directors, officers and ten-percent stockholders are also required to furnish the Company with copies of all such filed reports.

Based solely upon review of the copies of such reports furnished to the Company and written representations that no other reports were required during fiscal year 2012, the Company believes that all Section 16(a) reporting requirements related to the Company's directors and executive officers were timely fulfilled during fiscal year 2012 other than one late Form 4 filed by Mr. Luke.

RATIFICATION OF THE SELECTION OF INDEPENDENT AUDITORS

The Audit Committee has re-appointed Ernst & Young LLP as the Company's independent auditors for the fiscal year ending September 30, 2013, subject to ratification by the Company's stockholders. Ernst & Young LLP was the Company's independent auditor for the fiscal year ended September 30, 2012.

Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and will have an opportunity to make a statement, if they desire to do so, and to respond to appropriate questions from those attending the Annual Meeting.

The affirmative vote of holders of a majority of the shares of Common Stock voted at the Annual Meeting is required to ratify the appointment of Ernst & Young LLP as the Company's independent auditors for fiscal year 2013.

If the stockholders fail to ratify the appointment, the Audit Committee will reconsider its selection. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent accounting firm at any time during the year if the Audit Committee determines that such a change would be in the Company's and its stockholders' best interests.

THE BOARD RECOMMENDS THAT STOCKHOLDERS VOTE FOR RATIFICATION OF ERNST & YOUNG LLP'S APPOINTMENT, AND PROXIES EXECUTED AND RETURNED WILL BE SO VOTED UNLESS CONTRARY INSTRUCTIONS ARE INDICATED THEREON.

OTHER BUSINESS

The Board knows of no business that will come before the Annual Meeting except that indicated above. However, if any other matters are properly brought before the Annual Meeting, it is intended that the persons acting under the proxy will vote thereunder in accordance with their best judgment.

DEADLINE FOR SUBMISSION OF STOCKHOLDER PROPOSALS AND NOMINATIONS OF BOARD MEMBERS

If a stockholder intends to present a proposal for action at the next annual meeting of stockholders and wishes to have such proposal considered for inclusion in the Company's proxy materials in reliance on Rule 14a-8 under the Securities Exchange Act of 1934, the proposal must be submitted in writing and received by the Secretary of the Company on or before August 30, 2013. Such proposal also must meet the requirements of the rules of the SEC relating to stockholder proposals.

The Company's by-laws establish an advance notice procedure with regard to certain matters, including stockholder proposals and nominations for individuals for election to the Board of Directors. In general, written notice of a stockholder proposal or a director nomination for the next annual meeting must be received by the Secretary of the Company not later than 80 days prior to the next annual meeting (or, if less than 90 days notice of the date of the meeting is given by the Company, notice by the stockholder to be timely must be received by the Secretary of the Company no later than the close of business on the 10th day following the day on which public announcement of the date of the meeting is first made by the Company), and must contain specified information and conform to certain requirements, as set forth in the bylaws. If the presiding officer at any meeting of stockholders determines that a stockholder proposal or director nomination was not made in accordance with the bylaws, the Company may disregard such proposal or nomination.

Stockholder proposals submitted for consideration at the Annual Meeting must be delivered to the Corporate Secretary no later than the close of business on January 7, 2013.

In addition, if a stockholder submits a proposal outside of Rule 14a-8 for the Annual Meeting, and the proposal fails to comply with the advance notice procedures described by the bylaws, then the Company's proxy may confer discretionary authority on the persons being appointed as proxies on behalf of the Board of Directors to vote on the proposal.

Proposals and nominations should be addressed to the Secretary of the Company, Integrated Electrical Services, Inc., One Sound Shore Drive, Suite 304, Greenwich, Connecticut 06830.
