Item 2.02 Results of Operations and Financial Condition.

On January 7, 2013, Zogenix, Inc. (the Company or Zogenix) announced preliminary unaudited gross product sales for the quarter ended December 31, 2012. Zogenix expects to report fourth quarter 2012 gross product sales of approximately \$13.5 million on 145,200 units shipped, with unit volume up approximately 9% sequentially from third quarter 2012 and 26% from fourth quarter 2011. For the full year 2012, Zogenix announced preliminary unaudited net product revenue of approximately \$36 million, up approximately 18% over 2011 and slightly below previously issued guidance of \$37 million for 2012. Preliminary unaudited cash and cash equivalents as of December 31, 2012 were approximately \$41.2 million.

The preliminary estimates discussed above are subject to the completion of financial closing procedures, including final adjustment of allowances for sales returns and discounts, and other developments that may arise between now and the time the financial results for the fourth quarter are finalized, as well as the completion of the audit of the 2012 financial statements. Therefore, actual results may differ materially from these estimates. In addition, the above estimates do not present all information necessary for an understanding of Zogenix's financial condition as of December 31, 2012.

In accordance with General Instruction B.2 of Form 8-K, the information in this Current Report on Form 8-K shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liability of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, whether made before or after the date hereof, except as expressly set forth by specific reference in such filing to this Current Report on Form 8-K.
