PROSPECTUS SUPPLEMENT SUMMARY

This summary contains a general discussion of our business, the offering of the shares and summary financial information. It does not contain all the information that you should consider before investing in the shares. You should read this entire prospectus supplement and the related documents to which we refer. Unless noted, all business data included in this summary is as of December 31, 2012.

For definitions of certain capitalized terms used in the prospectus supplement that are not defined elsewhere herein, see [Certain Definitions](#).

Unless stated otherwise, the discussion in this prospectus supplement of our business includes our direct and indirect subsidiaries. Unless stated otherwise or the context otherwise requires, the terms [we](#), [us](#) and [our](#) refer to Charter Communications, Inc. and its direct and indirect subsidiaries on a consolidated basis.

Our Business

We are among the largest providers of cable services in the United States, offering a variety of entertainment, information and communications solutions to residential and commercial customers. Our infrastructure consists of a hybrid of fiber and coaxial cable plant with approximately 12.1 million estimated passings, with 98% at 550 megahertz (MHz) or greater and 98% of plant miles two-way active. A national Internet Protocol (IP) infrastructure interconnects Charter markets.

As of December 31, 2012, we served approximately 5.4 million residential and commercial customers. We sell our video, Internet and telephone services primarily on a subscription basis, often in a bundle of two or more services, providing savings and convenience to our customers. Bundled services are available to approximately 98% of our passings, and approximately 62% of our customers subscribe to a bundle of services.

We served approximately 4.0 million residential video customers as of December 31, 2012, and approximately 87% of our video customers subscribed to digital video service. Digital video enables our customers to access advanced video services such as high definition (HD) television, Charter OnDemandTM (OnDemand) video programming, an interactive program guide and digital video recorder (DVR) service.

We also served approximately 3.8 million residential Internet customers as of December 31, 2012. Our Internet service is available in a variety of download speeds up to 100 megabits per second (Mbps) and upload speeds of up to 5 Mbps.

We provided telephone service to approximately 1.9 million residential customers as of December 31, 2012. Our telephone services typically include unlimited local and long distance calling to the U.S., Canada and Puerto Rico, plus other features, including voicemail, call waiting and caller ID.

Through Charter Business[®], we provide scalable, tailored broadband communications solutions to business and carrier organizations, such as Internet access, data networking, fiber connectivity to cellular towers and office buildings, video entertainment services and business telephone services. As of December 31, 2012, we served approximately 467,000 commercial primary service units, primarily small- and medium-sized commercial customers. Our advertising sales division, Charter Media[®], provides local, regional and national businesses with the opportunity to advertise in individual markets on cable television networks.

For the year ended December 31, 2012, we generated approximately \$7.5 billion in revenue, of which approximately 84% was generated from our residential video, Internet and telephone services. We also generated revenue from providing Internet, telephone and video services to commercial businesses and from the sale of advertising. Sales from residential Internet and commercial services have contributed to the majority of our recent revenue growth.

Table of Contents

We have a history of net losses. Our net losses are principally attributable to insufficient revenue to cover the combination of operating expenses, interest expenses that we incur on our debt, depreciation expenses resulting from the capital investments we have made, and continue to make, in our cable properties, amortization expenses related to our customer relationship intangibles and non-cash taxes resulting from increases in our deferred tax liabilities.

Charter was organized as a Delaware corporation in 1999. On March 27, 2009, we and certain affiliates filed voluntary petitions in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"), to reorganize under Chapter 11 of the United States Bankruptcy Code (the "Bankruptcy Code"). The Chapter 11 cases were jointly administered under the caption *In re Charter Communications, Inc., et al.*, Case No. 09-11435. On May 7, 2009, we filed a Joint Plan of Reorganization (the "Plan") and a related disclosure statement with the Bankruptcy Court. The Plan was confirmed by the Bankruptcy Court on November 17, 2009, and became effective on November 30, 2009 (the "Effective Date"), the date on which we emerged from protection under Chapter 11 of the Bankruptcy Code.

Our principal executive offices are located at 400 Atlantic Street, 10th Floor, Stamford, Connecticut 06901. Recent Developments

Bresnan Acquisition

On February 7, 2013, we and Charter Operating entered into an agreement with a wholly owned subsidiary of Cablevision Systems Corporation to acquire Bresnan Broadband Holdings, LLC and its subsidiaries (collectively, "Bresnan") for a cash purchase price of \$1.625 billion, subject to a working capital adjustment, a reduction for certain funded indebtedness of Bresnan and payment of any post-closing refunds of certain Montana property taxes paid under protest by Bresnan prior to the closing. The closing of the transactions contemplated by the agreement is subject to customary closing conditions, including the expiration or early termination of the waiting period applicable under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and receipt of FCC approvals, franchise approvals covering not less than 80% of Bresnan's video customers as of the date of the agreement and certain state telecommunication authorizations. The closing of the transaction is expected to occur during the third quarter of 2013. However, there can be no assurances that the conditions to closing will be satisfied or waived or that the closing will occur at all.

Using Cablevision's Optimum West brand name, Bresnan manages cable operating systems in Colorado, Montana, Wyoming and Utah that pass more than 660,000 homes and serve 304,000 video subscribers and 370,000 customer relationships. For the year ended December 31, 2012, Bresnan reported revenues of \$509 million; Adjusted EBITDA of \$170 million (which includes general and administrative expense of \$6 million attributable to a corporate overhead allocation by Cablevision); and a net loss of \$39 million (which includes general and administrative expense of \$6 million attributable to a corporate overhead allocation by Cablevision). As of December 31, 2012, Bresnan reported assets of \$1.3 billion and total liabilities of \$380 million (not including amounts drawn under its credit facility which will be retired at the consummation of the acquisition of Bresnan). At closing of the transaction, Bresnan is expected to have \$250 million of 8.00% Senior Notes due 2018 outstanding, which is included in the \$380 million of total liabilities reported. The amount of notes outstanding at closing will reduce the \$1.625 billion purchase price for Bresnan indicated above.

Table of Contents

Adjusted EBITDA for Bresnan is defined as net loss plus net interest expense, income tax, depreciation and amortization and non-cash stock compensation expense. Adjusted EBITDA for Bresnan includes property tax payments made to the Montana Department of Revenue which Optimum West is currently disputing in the Montana Supreme Court and corporate overhead allocations from Cablevision. For the year ended December 31, 2012, Bresnan reported net interest expense of \$60 million; an income tax benefit of \$19 million; depreciation and amortization of \$166 million; and \$2 million of non-cash stock compensation expense. Adjusted EBITDA is a non-GAAP financial measure and should be considered in addition to, not as a substitute for, net loss reported in accordance with GAAP. This term, as defined, may not be comparable to similarly titled measures used by other companies.

We expect to finance the purchase of Bresnan with additional indebtedness. To that end, our subsidiary, Charter Operating, has obtained a commitment from several financial institutions to provide a \$1.5 billion term loan to fund a portion of the purchase price.

Senior Unsecured Notes Offering

On March 14, 2013, our subsidiaries CCO Holdings, LLC and CCO Holdings Capital Corp. closed \$1 billion in aggregate principal amount of senior unsecured notes in two tranches due in 2021 (the 2021 Notes) and 2023 (the 2023 Notes and, together with the 2021 Notes, the Notes) guaranteed by Charter. The 2021 Notes total \$500 million in aggregate principal amount and bear an interest rate of 5.25% per annum. The 2023 Notes total \$500 million in aggregate principal amount and bear an interest rate of 5.75% per annum. The Notes were issued at par. The 2021 Notes will mature on March 15, 2021, and the 2023 Notes will mature on September 1, 2023. The net proceeds of the offering will be used for general corporate purposes, including repayment of amounts outstanding under the Charter Operating credit facilities.

Unless otherwise stated, all business data included in this summary is as of September 30, 2010.

Our Business

We are among the largest providers of cable services in the United States, offering a variety of entertainment, information and communications solutions to residential and commercial customers. Our infrastructure consists of a hybrid of fiber and coaxial cable plant passing approximately 12.0 million homes, with 96% of homes passed at 550 MHz or greater and 96% of plant miles two-way active. A national Internet Protocol (IP) infrastructure interconnects all Charter markets.

For the nine months ended September 30, 2010, we generated approximately \$5.3 billion in revenue, of which approximately 53% was generated from our residential video service. For the year ended December 31, 2009, we generated approximately \$6.8 billion in revenue, of which approximately 55% was generated from our residential video service. We also generate revenue from high-speed Internet, telephone service and advertising with residential and commercial high-speed Internet and telephone service contributing the majority of the recent growth in our revenue.

As of September 30, 2010, we served approximately 5.2 million customers. We sell our video, high-speed Internet and telephone services primarily on a subscription basis, often in a bundle of two or more services, providing savings and convenience to our customers. Bundled services are available to approximately 96% of our homes passed, and approximately 60% of our customers subscribe to a bundle of services.

We served approximately 4.7 million video customers as of September 30, 2010, of which approximately 73% subscribed to digital video service. Digital video enables our customers to access advanced services such as high definition television, OnDemand video programming, an interactive program guide and digital video recorder, or DVR service.

We also served approximately 3.2 million high-speed Internet customers as of September 30, 2010. Our high-speed Internet service is available in a variety of download speeds up to 60 Mbps. We also offer home networking service, or Wi-Fi, enabling our customers to connect up to five computers wirelessly in the home.

We provided telephone service to approximately 1.7 million customers as of September 30, 2010. Our telephone services typically include unlimited local and long distance calling to the U.S., Canada and Puerto Rico, plus more than 10 features, including voicemail, call waiting and caller ID.

Through Charter Business[®], we provide scalable, tailored broadband communications solutions to business organizations, such as business-to-business Internet access, data networking, fiber connectivity to cellular towers, video and music entertainment services and business telephone. As of September 30, 2010, we

Table of Contents

served approximately 255,200 business revenue generating units, including small- and medium-sized commercial customers. Our advertising sales division, Charter Media®, provides local, regional and national businesses with the opportunity to advertise in individual markets on cable television networks.

We have a history of net losses. Our net losses are principally attributable to insufficient revenue to cover the combination of operating expenses, interest expenses that we incur because of our debt, and depreciation expenses resulting from the capital investments we have made, and continue to make, in our cable properties, and in 2010, amortization expenses resulting from the application of fresh start accounting.

On March 27, 2009, we filed voluntary petitions in the United States Bankruptcy Court for the Southern District of New York (the Bankruptcy Court), to reorganize under Chapter 11 of the United States Bankruptcy Code (the Bankruptcy Code). The Chapter 11 cases were jointly administered under the caption In re Charter Communications, Inc., et al., Case No. 09-11435. On May 7, 2009, we filed a Joint Plan of Reorganization (the Plan), and a related disclosure statement (the Disclosure Statement), with the Bankruptcy Court. The Plan was confirmed by the Bankruptcy Court on November 17, 2009 (the Confirmation Order), and became effective on November 30, 2009 (the Effective Date), the date on which we emerged from protection under Chapter 11 of the Bankruptcy Code.

DESCRIPTION OF CAPITAL STOCK

The following summary of the terms of our capital stock is not meant to be complete and is qualified in its entirety by reference to our amended and restated certificate of incorporation, our amended and restated bylaws and the provisions of applicable law. Copies of our amended and restated certificate of incorporation and our amended and restated bylaws are filed as exhibits to the Current Reports on Form 8-K filed with the SEC on August 20, 2010 and December 4, 2009, respectively, and incorporated herein by reference.

Authorized Capital Stock upon Emergence

Charter has the authority to issue a total of 1,175,000,000 shares of capital stock, consisting of:

900,000,000 shares of Class A Common Stock;

25,000,000 shares of Class B Common Stock; and

250,000,000 shares of preferred stock.

Common Stock

Common Stock Outstanding

The rights, preferences and privileges of holders of Class A Common Stock and Class B Common Stock (collectively with the Class A Common Stock, the Common Stock) are subject to, and may be adversely affected by, the rights of the holders of our preferred stock which we may designate and issue in the future.

To the greatest extent permitted by applicable Delaware law, the shares of Class A Common Stock are uncertificated, and transfer will be reflected by book-entry, unless a physical certificate is requested by a holder.

The Class B Common Stock is identical to the Class A Common Stock except with respect to certain voting, transfer and conversion rights. Each share of Class B Common Stock is convertible into one share of Class A Common Stock at the option of the holder or, at any time on or after January 1, 2011 and until September 15, 2014, at the option of a majority of the disinterested members of the board of directors, and at any time after September 15, 2014 at the election of a majority of the members of the board of directors (other than members of the board of directors elected by holders of Class B Common Stock). Class B Common Stock is subject to significant transfer restrictions. Class A Common Stock, however, issued upon conversion of Class B Common Stock, is not subject to the same restrictions. Shares of Class B Common Stock must at all times be held only by (i) Mr. Paul G. Allen, (ii) his estate, spouse, immediate family members and heirs, and (iii) any trust, corporation, partnership or other entity, the beneficiaries, stockholders, partners or other owners of which consist exclusively of Mr. Allen or such other persons referred to in clause (ii) above or a combination of the above, which we refer to collectively as Authorized Class B Holders, and upon any transfer to a person or entity other than an Authorized Class B Holder, each share of Class B Common Stock will be automatically converted into one share of Class A Common Stock. Shares of the Class B Common Stock are only to be issued to Mr. Allen or certain of his affiliates.

Voting Rights

Holders of shares of our capital stock are entitled to vote on all matters submitted to a vote of our stockholders, including the election of directors, as follows:

shares of Class A Common Stock are entitled to one vote per share; and

Edgar Filing: CHARTER COMMUNICATIONS, INC. /MO/ - Form 424B3

shares of Class B Common Stock are entitled to a number of votes per share, which at all times when shares of Class B Common Stock are outstanding represent 35% of the combined voting power of the Company's capital stock, on a fully diluted basis.

Table of Contents

Mr. Allen and entities affiliated with Mr. Allen hold in excess of 35% of the combined voting power of the capital stock of Charter and have the right to elect four of 11 members of the board of directors. There may be additional holders of significant voting power in Charter, though pursuant to the Amended and Restated Certificate of Incorporation, prior to September 15, 2014, the votes attributable to each share of Class A Common Stock held by any holder (other than Mr. Allen and certain of his affiliates) will be automatically reduced pro rata among all shares of Class A Common Stock held by such holder and (if applicable) shares of Class A Common Stock held by any other holder (other than Mr. Allen and certain of his affiliates) included in any person or group with such holder so that no person or group (other than Mr. Allen and certain of his affiliates) is or becomes the holder or beneficial owner (as such term is used in Rule 13d-3 and Rule 13d-5 under the Exchange Act, except that in calculating the beneficial ownership of any particular person (as such term is used in Section 13(d) of the Exchange Act) such person shall be deemed to have beneficial ownership of all securities that such person has the right to acquire, whether such right is currently exercisable or is exercisable only upon the occurrence of a subsequent condition), directly or indirectly, of more than 34.9% of the combined voting power of the capital stock of Charter, subject to waiver by the disinterested members of the board of directors as provided in the Amended and Restated Certificate of Incorporation. We refer to this voting power limitation as the Voting Threshold. Holders of Class B Common Stock (other than Mr. Allen and certain of his affiliates) are also subject to a reduction of their voting power to comply with the Voting Threshold.

The holders of Common Stock and their respective affiliates will not have cumulative voting rights.

Pursuant to our amended and restated bylaws, the number of members of the board of directors shall be fixed at 11 members. Except for the initial board of directors, which was appointed pursuant to the terms of the Plan, for as long as shares of Class B Common Stock are outstanding, holders of Class B Common Stock have the right to elect 35% of the members of the board of directors (rounded up to the next whole number), and all other members of the board of directors will be elected by majority vote of the holders of Class A Common Stock (and any series of preferred stock then entitled to vote at an election of the directors). In addition, members of the board of directors elected by holders of Class B Common Stock have no less than proportionate representation on each committee of the board of directors, subject to applicable SEC and stock exchange rules and except for any committee formed solely for the purpose of reviewing, recommending and/or authorizing any transaction in which holders of Class B Common Stock or their affiliates (other than Charter or its subsidiaries) are interested parties.

Under our Amended and Restated Certificate of Incorporation, (i) any director may be removed for cause by the affirmative vote of a majority of the voting power of the outstanding Class A Common Stock and Class B Common Stock (and any series of preferred stock then entitled to vote at an election of directors), voting together as a single class, (ii) any director elected by the holders of Class B Common Stock voting separately as a class may be removed from office, without cause, solely by the vote of a majority of the voting power of the outstanding Class B Common Stock, voting as a separate class, and (iii) any director elected by the vote of the holders of Class A Common Stock voting separately as a class (including holders of voting preferred stock, as applicable) may be removed from office, without cause, solely by the vote of a majority of the voting power of the outstanding Class A Common Stock, voting separately as a class (including any holders of voting preferred stock entitled to vote thereon).

Dividend Rights

Subject to limitations under Delaware law, preferences that may apply to any outstanding shares of preferred stock, and contractual restrictions, holders of each class of Common Stock are entitled to receive ratably dividends or other distributions when and if declared by the board of directors. In addition to such restrictions, whether any future dividends are paid to Charter's stockholders will depend on decisions that will be made by the board of directors and will depend on then existing conditions, including Charter's financial condition, contractual restrictions, corporate law restrictions, capital requirements and business prospects. The ability of the board of directors to declare dividends also will be subject to the rights of any holders of

outstanding shares of Charter's preferred stock, if any, and the availability of sufficient funds under the Delaware General Corporation Law (DGCL) to pay dividends.

Warrants to Purchase Class A Common Stock

Pursuant to the Plan, Charter issued warrants to purchase Class A Common Stock to (i) holders of notes issued by CCH I Holdings, LLC (CIH) (the CIH Warrants), (ii) holders of notes issued by Charter Communications Holdings, LLC (Charter Holdings or CCH) (the CCH Warrants) and (iii) Charter Investment, Inc. (CII), an entity that was previously 100% owned by Mr. Allen (the CII Warrants). The CIH Warrants, CCH Warrants and CII Warrants have an exercise price of \$46.86, \$51.28 and \$19.80, respectively. Each of the CIH Warrants and CCH Warrants expire five years after the date of issuance. The CII Warrants expire seven years after the date of issuance. The warrants provide for a cashless exercise by the warrant holder. The warrant exercise price and the number of shares issuable upon exercise of the warrants are subject to adjustment upon certain events including: stock subdivisions, combinations, splits, stock dividends, capital reorganizations, or capital reclassifications of Class A Common Stock and in connection with certain distributions of cash, assets or securities. In addition, holders of certain of the warrants have the right to participate, along with other holders of Common Stock, in future below-market offerings of rights to purchase securities (including, but not limited to, Common Stock) on an as-exercised basis. The warrants are not redeemable.

Liquidation Rights

In the event of any liquidation, dissolution or winding up of Charter, the holders of Class A Common Stock and Class B Common Stock will be entitled to share pari passu in the net assets of Charter available after the payment of all debts and other liabilities and subject to the prior rights of any outstanding class of our preferred stock.

Preemptive Rights

Pursuant to our amended and restated certificate of incorporation, the holders of Class A Common Stock and Class B Common Stock have no preemptive rights.

Anti-Takeover Provisions

Our amended and restated certificate of incorporation provides that the board of directors may impose restrictions on the trading of Charter's stock if (i) Charter has experienced an owner shift as determined for purposes of Section 382 of the Internal Revenue Code of 1986, as amended, of at least 25 percentage points and (ii) the equity value of Charter has fallen below \$3.2 billion. These restrictions, which are intended to preserve Charter's ability to use its net operating losses, which we refer to as NOLs, may prohibit any person from acquiring stock of Charter if such person is a 5% shareholder or would become a 5% shareholder as a result of such acquisition. The restrictions will not operate to prevent any stockholder from disposing of shares and are subject to certain other exceptions relating to shares of Common Stock issued or issuable under the Plan. The board of directors' ability to impose these restrictions will terminate on November 30, 2014.

In addition, our amended and restated certificate of incorporation, in addition to any affirmative vote required by law or our amended and restated bylaws, a business combination (as defined in our amended and restated certificate of incorporation) involving as a party, or proposed by or on behalf of, an interested stockholder, an affiliate, or an associate of the interested stockholder (each as defined in our amended and restated certificate of incorporation) or a person who upon consummation of the business combination would become an affiliate or associate of an interested stockholder requires, unless prohibited by law, that (i) a majority of the members of the board of directors who are not an affiliate or associate or representative of an interested stockholder must determine that the business combination, including the consideration, is fair to

² CII warrants were transferred to Mr. Allen on or about February 8, 2010 and in connection with the exchange of his Holdco Units, Mr. Allen further transferred ownership of CII to Charter.

the Company and its stockholders (other than any interested stockholder or its affiliates and associates); and (ii) holders of a majority of the votes entitled to be cast by holders of all of the then outstanding shares of voting stock (as defined in our amended and restated certificate of incorporation), voting together as a single class (excluding voting stock beneficially owned by any interested stockholder or its affiliate or associate) must approve the transaction.

Section 203 of the DGCL provides that if a person acquires 15% or more of the voting stock of a Delaware corporation, such person becomes an interested stockholder and may not engage in certain business combinations with the corporation for a period of three years from the time such person acquired 15% or more of the corporation's voting stock, unless: (1) the board of directors approves the acquisition of stock or the merger transaction before the time that the person becomes an interested stockholder, (2) the interested stockholder owns at least 85% of the outstanding voting stock of the corporation at the time the merger transaction commences (excluding voting stock owned by directors who are also officers and certain employee stock plans), or (3) the merger transaction is approved by the board of directors and by the affirmative vote at a meeting, not by written consent, of stockholders of 2/3 of the holders of the outstanding voting stock which is not owned by the interested stockholder. A Delaware corporation may elect in its certificate of incorporation or bylaws not to be governed by this particular Delaware law, or opt-out. We have not elected to opt-out.

Preferred Stock

Under the terms of our amended and restated certificate of incorporation, the board of directors is authorized to issue from time to time up to an aggregate of 250 million shares of series of preferred stock and to fix or alter the designations, preferences, rights and any qualifications, limitations or restrictions of the shares of each series, including the dividend rights, dividend rates, conversion rights, voting rights, rights and terms of redemption (including sinking fund provisions), redemption price or prices, liquidation preferences and the number of shares constituting any series. These additional shares may be used for a variety of corporate purposes, including future public offerings, to raise additional capital or to facilitate acquisitions. If the board of directors decides to issue shares of preferred stock to persons supportive of current management, this could render more difficult or discourage an attempt to obtain control of the company by means of a merger, tender offer, proxy contest or otherwise. Authorized but unissued shares of preferred stock also could be used to dilute the stock ownership of persons seeking to obtain control of Charter.

Class A Common Stock and Warrants Issued in Reliance on Section 1145 of the Bankruptcy Code

We relied on section 1145(a)(1) and (2) of the Bankruptcy Code to exempt from the registration requirements of the Securities Act the offer and sale of a portion of our Class A Common Stock, as well as the CIH Warrants and CCH Warrants to purchase Class A Common Stock. Section 1145(a)(1) of the Bankruptcy Code exempts the offer and sale of securities under the Plan from registration under Section 5 of the Securities Act and state laws if certain requirements are satisfied. Section 1145(a)(2) of the Bankruptcy Code exempts the offer and sale of securities issued under 1145(a)(1) of the Bankruptcy Code, such as the CIH Warrants and CCH Warrants, from registration under Section 5 of the Securities Act and state laws if certain requirements are satisfied. These shares may be resold without registration unless the recipient is an underwriter with respect to those securities. Section 1145(b)(1) of the Bankruptcy Code defines an underwriter as any person who:

purchases a claim against, an interest in, or a claim for an administrative expense against the debtor, if that purchase is with a view to distributing any security received in exchange for such a claim or interest;

offers to sell securities offered under the Plan for the holders of those securities;

offers to buy those securities from the holders of the securities, if the offer to buy is (i) with a view to distributing those securities; and (ii) (a) under an agreement made in connection with the Plan, the completion of the Plan, or with the offer or sale of securities under the Plan; or (b) is an affiliate of the issuer.

To the extent that persons who receive Class A Common Stock are deemed to be underwriters, resales by those persons would not be exempted by section 1145 of the Bankruptcy Code from registration under the Securities Act or other applicable law. Those persons would, however, be permitted to sell our Class A Common Stock or other securities without registration if they are able to comply with the provisions of Rule 144 under the Securities Act, as described further below.

offering, and the Class B Common Stock and CII Warrants issued to CII pursuant to the Plan, are exempt from the registration requirements of Section 5 of the Securities Act pursuant to Section 4(2) thereof, are deemed restricted securities within the meaning of Rule 144 of the Securities Act and may not be sold unless registered under the Securities Act or in compliance with an applicable exemption therefrom. As a result, the Class A Common Stock issued to the Eligible Holders, and Class B Common Stock and CII Warrants, are not freely tradeable.

Pursuant to the Plan and a registration rights agreement that we entered into with the members of the Crossover Committee (as defined in the Plan), CII and Mr. Allen, we are required to use our commercially reasonable efforts to cause a shelf registration statement covering the resale of the Class A Common Stock issued to the members of the Crossover Committee, and any Class A Common Stock issued to or issuable to Mr. Allen (or his designees) upon (i) exchange of his Class B Common Stock and his membership units in Charter Holdco, our subsidiary, or (ii) exercise of his CII Warrants, to be declared effective by the SEC no later than June 30, 2010, permitting such Class A Common Stock to be freely tradable, subject to the volume limitations and other restrictions set forth in Rule 144 applicable to Class A Common Stock held by affiliates of the Company. Pursuant to such requirement, we have filed a registration statement on Form S-3 of which this prospectus is a part. Eligible Holders that purchased less than 1% of the Class A Common Stock in the rights offering are not entitled to registration rights.

Stock Options and Other Stock Awards

The Plan contemplates the adoption of a new management incentive plan under which shares of our Class A Common Stock, or options or other awards to purchase shares of Class A Common Stock, can be issued to the Company's directors, management and other employees. Regulation M also prohibits any bids or purchases made in order to stabilize the price of a security in connection with the distribution of that security.
