Trade Date: April 18, 2013

Expected Settlement Date: May 2, 2013 (T+10)

We expect that the delivery of the notes will be made against payment therefor on or about May 2, 2013, which is the tenth business day following the date of pricing of the notes (such settlement cycle being herein referred to as "T+10"). Under Rule 15c6-1 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), trades in the secondary market generally are required to settle in three business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the notes on the date of pricing of the notes or during the next succeeding six business days will be required, by virtue of the fact that the notes initially will settle in T+10, to specify an alternate settlement cycle at the time of any such trade in order to prevent failed settlement and should consult their own advisors.

Other Changes: The following sentence shall be added to the "Underwriting" section of the Preliminary Prospectus Supplement: "In addition, we anticipate paying BBVA Securities Inc. a fee of \$300,000 for advisory services in connection with the offering. BBVA Securities Inc. is not acting as an underwriter in this offering."
