Description of the Amendments. As described below, the Incentive Plan would be amended to, among other things:

Edgar Filing: FreightCar America, Inc. - Form DEFR14A

Add 800,000 shares of common stock to be available for issuance under the Incentive Plan;

Provide for fungible share counting under which the number of shares authorized to be issued under the Incentive Plan is reduced by 2.0 shares for every one share that was subject to a restricted share, restricted share unit (RSU), performance share, or other full value stock based award granted after the effective date of the restated Incentive Plan;

Prohibit reissuance of shares under the Incentive Plan under certain conditions:

Extend the termination date from April 5, 2015 to May 23, 2023;

Provide that upon the occurrence of a change of control, as defined in the Incentive Plan, all awards will fully vest following a change of control only if, within 24 months of such change in control, the participant terminates employment upon the participant's death or disability (as defined in the Incentive Plan) or upon an involuntary termination of employment (other than a termination for cause) or a voluntary termination for good reason, as defined in the Incentive Plan (commonly described as "double trigger" vesting);

Allow the Committee (as defined in the Incentive Plan) to make awards under the Incentive Plan subject to restrictive covenants, such as non-competition requirements;

Empower the Committee to recoup awards to current and former employees for engaging in activities that are detrimental to the Company (commonly described as a "claw-back" provision);

Limit the amounts payable to any individual Incentive Plan participant, including separate, lower award limitations for directors;

Expand the list of business criteria applicable for performance-based awards;

Add annual cash incentive awards to the list of permitted awards; and

Clarify other provisions and limits in the Incentive Plan.

Appendix I to the Proxy Statement is amended to add the amendment to the amended and restated Incentive Plan (the "Plan Amendment") attached hereto as Appendix A. The Plan Amendment amends the amended and restated Incentive Plan by substituting the following for Section 4(b) of the Incentive Plan:

(b) Any Shares related to Awards that terminate by expiration, forfeiture, or cancellation without the issuance of such Shares, cash or other benefit in lieu of Shares shall be available again for grant under the Plan. The following Shares shall not become available for issuance under the Plan: (i) Shares tendered by Participants as full or partial payment to the Company upon exercise of Options granted under this Plan; (ii) Shares reserved for issuance upon grant of SARs, to the extent the number of reserved Shares exceeds the number of Shares actually issued upon exercise of the SARs; and (iii) Shares withheld by, or otherwise remitted to, the Company to satisfy a Participant's tax withholding obligations upon the lapse of restrictions on Restricted Stock or the exercise of Options or SARs granted under the Plan or upon any other payment or issuance of Shares under the Plan.

The Plan Amendment should be read together with the amended and restated Incentive Plan attached as Appendix I to the Proxy Statement.

The changes set forth above are the only changes to the Proxy Statement for the annual meeting. Otherwise, the Proxy Statement remains unchanged.
