Item 1.01 Entry into a Material Definitive Agreement.

On May 8, 2013, StoneMor Partners L.P. (the Partnership) entered into the Second Amendment (the Second Amendment) to the Third Amended and Restated Credit Agreement, as amended (the Credit Agreement), with StoneMor Operating LLC as a Borrower (the Operating Company), each of the subsidiaries of the Operating Company as additional Borrowers, StoneMor GP LLC, the general partner of the Partnership, the Lenders identified therein, and Bank of America, N.A., as Administrative Agent, Swing Line Lender and L/C Issuer.

The Second Amendment amended the Credit Agreement in connection with the refinancing of 10.25% senior notes due 2017 (2017 Notes). On May 13, 2013, the Partnership announced the commencement of (i) its private \$175 million offering (the Notes Offering) of senior notes due 2021 (2021 Notes) and (ii) a cash tender offer and consent solicitation (the Tender Offer) with respect to any and all of the \$150 million aggregate outstanding principal amount of 2017 Notes. The Second Amendment permitted the Partnership to incur the indebtedness to be evidenced by the 2021 Notes, to enter into the related indenture and to use the proceeds of the Notes Offering, in part, to fund the Tender Offer.

The Second Amendment also includes various representations, warranties and other provisions customary for a transaction of this nature. The foregoing summary of the Second Amendment is not intended to be complete and is qualified in its entirety by reference to the Second Amendment, a copy of which is attached hereto as Exhibit 10.1 and is incorporated by reference herein. Capitalized terms which are not defined in this Current Report on Form 8-K shall have the meanings assigned to such terms in the Second Amendment or the Credit Agreement, as applicable.

The Lenders and their respective affiliates act as lenders under the Second Amendment and the Credit Agreement and engage in investment banking and other commercial dealings with the Partnership and its affiliates for which they received, and will receive, the payment of their customary fees and expenses.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On May 8, 2013, the Partnership entered into the Second Amendment. The terms of the Second Amendment are described in Item 1.01 above, which description is incorporated in its entirety by reference herein.

Item 7.01 Regulation FD Disclosure.

Adjusted EBITDA and Adjusted Free Operating Cash Flow

In connection with the Notes Offering, the Partnership is providing the following information. The information contained in this Current Report on Form 8-K is neither an offer to sell nor a solicitation of an offer to buy any securities.

Adjusted EBITDA represents net income before interest, taxes, depreciation and amortization and before the following items:

Amortization of cemetery property, an expense item resulting from the Partnership's sales of burial lots, lawn crypts and mausoleum crypts, which is based on the historical allocation of the Partnership's original cemetery acquisition and construction costs to individual burial lots and crypts. Management considers this expense to represent the depletion of the Partnership's interment spaces that are available for sale;

Non-cash unit-based compensation, an expense representing the fair value of share based payment awards made to the Partnership employees. The Partnership has issued certain key employees and management unit-based compensation in the form of unit appreciation rights and phantom units;

Increase in deferred revenues, which represents the increase in revenue on merchandise and services sold and investment income earned in the Partnership's trust for which the Partnership has not yet delivered the underlying merchandise or performed the underlying service as GAAP requires before revenue may be recognized; and

Increase in deferred costs and expenses, which represents the increase in associated costs of merchandise and services sold for which the Partnership has not yet delivered the underlying merchandise or performed the underlying service as GAAP requires before the associated costs and expenses may be recognized.

Because Adjusted EBITDA includes increases in revenues and costs and expenses that otherwise would be deferred under GAAP, it is able to reflect such revenues from contracts written and their related costs and expenses generated in a particular period.

- (a) The increase in deferred revenues does not directly tie to the change in deferred cemetery revenues, net, that can be calculated by comparing the Partnership's balance sheet position at different points in time. This is because deferred cemetery revenues, net, as presented on the Partnership's balance sheet also includes deferred unrealized gains and losses on the Partnership's merchandise trust asset. Changes in these unrealized gains and losses are not included in net income.
