Hubspoke today announced that the Offer expired at 12:00 midnight Eastern Time on the evening of July 15, 2013, the initial expiration date of the Offer, as described in the Offer to Purchase. All Shares that were validly tendered and not withdrawn have been accepted for payment in accordance with the terms of the Offer and applicable law.

Based on preliminary information from the depository for the tender offer, 9,920,156 shares, representing over 90.90% of the outstanding shares of common stock of Veramark as of the close of business on July 15, 2013, were validly tendered and not withdrawn prior to the expiration of the Offer. All of such shares have been accepted for payment in accordance with the terms of the Offer, including 43,819 of such shares that were tendered pursuant to the Offer's guaranteed delivery procedure.
