**Item 1.01. Entry into a Material Definitive Agreement**

As previously disclosed, on November 12, 2013, US Airways Group, Inc. ( US Airways ) and AMR Corporation ( AMR ) announced that US Airways and AMR had settled the litigation brought by the U.S. Department of Justice (the DOJ ) and the States of Arizona, Florida, Michigan and Tennessee, the Commonwealths of Pennsylvania and Virginia, and the District of Columbia (together, the Plaintiff States ) challenging the proposed merger between AMR and US Airways under federal antitrust law (the DOJ and State AG Action ). AMR and US Airways also announced that they had entered into an Agreement regarding Merger between US Airways Group, Inc. and AMR Corporation (the DOT Agreement ) with the U.S. Department of Transportation (the DOT ) related to small community service from Washington Reagan National Airport ( DCA ).

In connection with the settlement of the DOJ and State AG Action, US Airways and AMR entered into an Asset Preservation Order and Stipulation (the Asset Preservation Order ) by and among US Airways, AMR, the United States of America, the DOJ and the Plaintiff States pursuant to which the parties to the Asset Preservation Order filed with the Court (i) a Proposed Final Judgment (the Proposed Final Judgment ); (ii) a Joint Stipulation of the Plaintiff States and Defendants Requesting Entry of Supplemental Stipulated Order (the Joint Stipulation ) by and among US Airways, AMR and the Plaintiff States; and (iii) a Supplemental Stipulated Order (the Supplemental Stipulated Order ) by and among US Airways, AMR and the Plaintiff States, each dated as of November 12, 2013 (collectively, the Settlement Documents ). Together, the Settlement Documents resolve all claims and disputes among the parties asserted in the DOJ and State AG Action. Pursuant to the Settlement Documents, US Airways and AMR agreed to divest certain rights and assets (the Divestiture Assets ) consisting of 52 slot pairs at DCA, 17 slot pairs at New York LaGuardia Airport, and associated gates and related ground facilities necessary to operate those slot pairs, and two gates each at Boston Logan International Airport, Chicago O Hare International Airport, Dallas Love Field, Los Angeles International Airport and Miami International Airport. US Airways and AMR also agreed to take all steps necessary to ensure that their respective Divestiture Assets are maintained until the divestitures required by the Settlement Documents have been accomplished. In addition, US Airways and AMR committed the combined company to, for specified periods of time and subject to certain conditions, (i) maintain in a manner generally consistent with historical operations its hubs at Charlotte Douglas International Airport, John F. Kennedy International Airport, Los Angeles International Airport, Miami International Airport, Chicago O Hare International Airport, Philadelphia International Airport and Phoenix Sky Harbor International Airport and (ii) provide daily scheduled service from one or more hubs to certain airports that had such service at the time the DOJ and State AG Action was commenced. Pursuant to the DOT Agreement, US Airways and AMR committed the combined company to utilize DCA commuter slots held by the combined company for service from DCA to small, medium and non-hub airports (as defined in the DOT Agreement) at certain levels set forth in the DOT Agreement, for a period of five years.

The foregoing descriptions of the Settlement Documents and the DOT Agreement are qualified in their entirety by reference to such documents, which are filed as exhibits hereto and are incorporated herein by reference.
