(the Company) consummated the transactions contemplated by the previously announced stock purchase agreements (the Stock Purchase Agreements) and exchange agreements (the Exchange Agreements) pursuant to which: (i) it sold (the Sales), in the aggregate, a combination of shares of its Common Stock, par value \$0.01 per share (the Common Stock), and shares of the Company's new Class A Convertible Preferred Stock, par value \$1.00 per share (the Preferred Stock), for an aggregate purchase price of \$250.0 million in cash and (ii) certain existing holders of the Company's 10% Series B Convertible Senior Secured Notes due 2015 (the Series B Notes) exchanged or converted their Series B Notes in an aggregate principal amount of approximately \$50.6 million, plus, in the case of exchanged Series B Notes, accrued and unpaid interest thereon up to and including January 15, 2014, for an aggregate of 3,394,501 shares of Common Stock (the Series B Note Exchanges). The Company intends to use the proceeds therefrom to repay indebtedness. The Company refers to the Sales, the application of the proceeds therefrom and the Series B Note Exchanges collectively as the Financing Transactions.

The Company intends to file a proxy statement with the Securities and Exchange Commission (the SEC) in connection with a special meeting of the Company's stockholders to vote on a proposal (i) to approve an amendment to the Company's Certificate of Incorporation (the Certificate Amendment) to increase the amount of authorized shares of Common Stock to a number of shares sufficient for effecting the conversion of the Preferred Stock into shares of Common Stock and (ii) approve the removal of any restrictions on the conversion of the Preferred Stock (the Removal) in order to comply with the Nasdaq stockholder approval requirements relating to the issuance of shares of Common Stock upon conversion of the Preferred Stock. If approval with respect to either the Certificate Amendment or the Removal is not obtained at the first stockholders' meeting, then the Company will continue to seek approval of the Certificate Amendment and/or the Removal at subsequent stockholders' meetings.

### Third Supplemental Indenture

On January 31, 2014, the Company entered into a third supplemental indenture (the Supplemental Indenture), by and among the Company, the guarantors party thereto, and U.S. Bank National Association, as trustee (the Trustee), to the indenture, dated July 22, 2011, among the Company, the guarantor named therein and the Trustee (the Indenture), under which the Company issued the Series B Notes. The Supplemental Indenture was entered into in connection with the Financing Transactions and contains certain amendments (the Amendments) to the Indenture. #### **Certificate of Designations, Preferences, Powers and Rights of Class A Convertible Preferred Stock**

On January 30, 2014, the Company filed a Certificate of Designations, Preferences, Powers and Rights (the Certificate of Designations ) with the Delaware Secretary of State for the purposes of amending its certificate of incorporation, as amended, to fix the designations, preferences, powers and rights of the Preferred Stock issued to certain investors pursuant to a Stock Purchase Agreement upon the consummation of the Financing Transactions. The Preferred Stock will have an initial stated value and liquidation preference of \$60 per share. Beginning on the six month anniversary of the issue date of the Preferred Stock, the Preferred Stock will accrue cumulative dividends at an annual rate of 5% until the first anniversary of the issue date, at an annual rate of 10% for the period beginning on the first day after the first anniversary of the issue date and ending on the eighteen-month anniversary of the issue date and at an annual rate of 15% thereafter (the Accrued Dividends ).

Immediately upon effectiveness of the Certificate Amendment, each share of the Preferred Stock will automatically be converted into a number of shares of the Company's Common Stock equal to the quotient obtained by dividing (i) the liquidation preference plus the amount of accrued dividends by (ii) the conversion price of \$15 per share; provided that if the conversion would result in a Buyer owning more than 19.99% of the issued and outstanding Common Stock, the portion of the Buyer's shares of Preferred Stock will only convert such that the Buyer will hold not more than 19.99% of the issued and outstanding Common Stock (the Common Stock Cap ). The Preferred Stock will continue to automatically convert in this manner on the last day of each calendar quarter subsequent to the date of the Certificate Amendment and at any time shares of Preferred Stock are transferred by a Buyer to an unaffiliated third party following effectiveness of the Certificate Amendment. If the holders of the Common Stock approve the Removal, all remaining shares of Preferred Stock will automatically convert into Common Stock at the conversion price.

Prior to any conversion of the Preferred Stock, the holders of the Preferred Stock have the right to vote together as a single class with the shares of the Common Stock, giving effect immediately prior to the applicable record date to the conversion of the Preferred Stock and Accrued Dividends thereon into Common Stock in accordance with the Certificate of Designations (subject to the terms and conditions contained therein) as if the Certificate Amendment had become effective ( As-Converted-to-Common Stock-Basis ), at any annual or special meeting of stockholders of the Company and each holder of shares of the Preferred Stock shall be entitled to such number of votes as they would receive on an As-Converted-to-Common Stock-Basis on the record date for such vote, *provided, however*, that (i) any portion of such shares of the Preferred Stock held by a Buyer or its affiliates that are or would otherwise be subject to the Common Stock Cap assuming for this purpose the conversion of the Preferred Stock in accordance with the Certificate of Designations shall not have any right to vote together as a single class with the shares of Common Stock on an As-Converted-to-Common Stock-Basis and (ii) no holder of the Preferred Stock will be entitled to vote such shares of the Preferred Stock in connection with any proposal submitted to the stockholders of the Company to approve the the removal of the Common Stock Cap.

The foregoing description of the Certificate of Designations does not purport to be complete, and is qualified in its entirety by reference to the full text of the Certificate of Designations, a copy of which is filed as Exhibit 3.1 to this current Report on Form 8-K and is incorporated herein by reference.
