QUESTIONS AND ANSWERS

Q. Why did I receive an Important Notice Regarding the Availability of Proxy Materials?

- A. In accordance with Securities and Exchange Commission rules, instead of mailing a printed copy of our proxy materials, we may send an Important Notice Regarding the Availability of Proxy Materials to stockholders. All stockholders will have the ability to access the proxy materials on a website referred to in the notice or to request a printed set of these materials at no charge. You will not receive a printed copy of the proxy materials unless you specifically request one from us. Instead, the notice instructs you as to how you may access and review all of the important information contained in the proxy materials via the Internet and submit your vote via the Internet.

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to Be Held on June 23, 2014. The proxy statement is available at www.proxyvote.com.

Q. Who is entitled to vote at our Annual Meeting?

- A. The record holders of our common stock at the close of business on the record date, April 25, 2014, may vote at the Annual Meeting. Each share of our common stock is entitled to one vote. There were shares of common stock outstanding on the record date and entitled to vote at the Annual Meeting. A list of stockholders entitled to vote at the Annual Meeting, including the address of and number of shares held by each stockholder of record, will be available for your inspection beginning Thursday, June 12, 2014, at our offices located at 750 Lexington Avenue, New York, New York 10022, between the hours of 10:00 a.m. and 5:00 p.m., local time, each business day.

ratification of UHY LLP as our independent registered public accounting firm for the year ending December 31, 2014 and (iii) FOR the non-binding proposal to approve the compensation of our named executive officers. Presently, our Board of Directors does not know of any other matter that may come before the Annual Meeting. However, your proxies are authorized to vote on your behalf, using their discretion, on any other business that properly comes before the Annual Meeting.

Q. How do I revoke my proxy?

A. You may revoke your proxy at any time before your shares are voted at the Annual Meeting by:

delivering written notice to our Corporate Secretary, James F. Oliviero, at our address above;

submitting a later dated proxy card or voting again via the Internet as described in the Important Notice Regarding the Availability of Proxy Materials ; or

attending the 2014 Annual Meeting and voting in person.

Q. Is my vote confidential?

A. Yes. All votes remain confidential, unless you provide otherwise.

Q. How are votes counted?

A. Before the Annual Meeting, our Board of Directors will appoint one or more inspectors of election for the meeting. The inspector(s) will determine the number of shares represented at the meeting, the existence of a quorum and the validity and effect of proxies. The inspector(s) will also receive, count, and tabulate ballots and votes and determine the results of the voting on each matter that comes before the Annual Meeting.

Abstentions and votes withheld, and shares represented by proxies reflecting abstentions or votes withheld, will be treated as present for purposes of determining the existence of a quorum at the Annual Meeting. They will not be considered as votes for or against any matter for which the stockholder has indicated their intention to abstain or withhold their vote. Broker or nominee non-votes, which occur when shares held in street name by brokers or nominees who indicate that they do not have discretionary authority to vote on a particular matter, will not be considered as votes for or against that particular matter. Broker and nominee non-votes will be treated as present for purposes of determining the existence of a quorum, and may be entitled to vote on certain matters at the Annual Meeting.

Q. What constitutes a quorum at the Annual Meeting?

A. In accordance with Delaware law (the law under which we are incorporated) and our amended and restated bylaws, the presence at the Annual Meeting, by proxy or in person, of the holders of a majority of the shares of our common stock outstanding on the record date constitutes a quorum, thereby permitting the stockholders to conduct business at the Annual Meeting. Abstentions, votes withheld, and broker or nominee non-votes will be included in the calculation of the number of shares considered present at the Annual Meeting for purposes of determining the existence of a quorum.

If a quorum is not present at the Annual Meeting, a majority of the stockholders present in person and by proxy may adjourn the meeting to another date. If an adjournment is for more than 30 days or a new record date is fixed for the adjourned meeting by our Board of Directors, we will provide notice of the adjourned meeting to each stockholder of record entitled to vote at the adjourned meeting. At any adjourned meeting at which a quorum is present, any business may be transacted that might have been transacted at the originally called meeting.

Table of Contents

Q. What vote is required to elect our directors for a one-year term?

- A. The affirmative vote of a plurality of the votes of the shares present, in person or by proxy, at the Annual Meeting is required for the election of each of the nominees for director. Plurality means that the nominees receiving the largest number of votes up to the number of directors to be elected at the Annual Meeting will be duly elected as directors. Abstentions, votes withheld, and broker or nominee non-votes will not affect the outcome of director elections.

Q. What vote is required to ratify UHY LLP as our independent registered public accounting firm for the year ending December 31, 2014?

- A. The affirmative vote of a majority of the shares present, in person or by proxy, and entitled to vote at the Annual Meeting is required to approve the ratification of UHY LLP as our independent registered public accounting firm for the year ending December 31, 2014. Abstentions and votes withheld will have the same effect as a negative vote. However, broker or nominee non-votes, and shares represented by proxies reflecting broker or nominee non-votes, will not have the effect of a vote against this proposal as they are not considered to be present and entitled to vote on this matter.

Q. How will the outcome of the non-binding advisory vote to approve the compensation of our named executive officers be determined?

- A. The affirmative vote of a majority of the shares present, in person or by proxy, and entitled to vote at the Annual Meeting is required to adopt the non-binding advisory vote to approve the compensation of our named executive officers. Abstentions and votes withheld will have the same effect as a negative vote. However, broker or nominee non-votes, and shares represented by proxies reflecting broker or nominee non-votes, will not have the effect of a vote against this proposal as they are not considered to be present and entitled to vote on this matter. As an advisory vote, this proposal is not binding on Keryx, the Board of Directors, or the Compensation Committee. However, the Board of Directors and Compensation Committee intend to carefully review the results of all stockholder votes and take them into consideration when making future decisions regarding executive compensation.

Q. What percentage of our outstanding common stock do our directors and executive officers own?

- A. As of April 23, 2014, our directors and executive officers owned, or have the right to acquire, approximately 4.2% of our outstanding common stock. See the discussion under the heading *Stock Ownership of Our Directors, Executive Officers, and 5% Beneficial Owners* on page 35 for more details.

Q. Who was our independent public accountant for the year ended December 31, 2013? Will they be represented at the Annual Meeting?

- A. UHY LLP is the independent registered public accounting firm that audited our financial statements for the year ended December 31, 2013. We expect a representative of UHY LLP to be present at the Annual Meeting. The representative will have an opportunity to make a statement and will be available to answer your questions.

Q. How can I obtain a copy of our annual report on Form 10-K?

- A. We have filed our annual report on Form 10-K for the year ended December 31, 2013, with the Securities and Exchange Commission. The annual report on Form 10-K is also included in the 2013 Annual Report to stockholders. You may obtain, free of charge, a copy of our annual report on Form 10-K, including financial statements and exhibits, by writing to our corporate secretary, James F. Table of Contents**CORPORATE GOVERNANCE****Our Board of Directors**

Our amended and restated bylaws provide that the Board of Directors shall consist of one or more members, as determined from time to time by resolution of the Board of Directors. Currently, our Board of Directors consists of seven members. The following individuals are being nominated to serve on our Board of Directors (See Proposal 1 Election of Directors; Nominees):

Name	Age	Position	Director Since
Michael P. Tarnok	59	Chairman of the Board	2007
Ron Bentsur	48	Director and Chief Executive Officer	2009
Kevin J. Cameron	45	Director	2007
Joseph Feczko, M.D.	65	Director	2010
Wyche Fowler, Jr.	73	Director	2006
Jack Kaye	70	Director	2006
Daniel P. Regan	49	Director	2013

The Board of Directors does not have a formal policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board of Directors, as the Board of Directors believes that it is in the best interests of the Company to make that determination based on the direction of the Company and the current membership of the Board of Directors. The Board of Directors has determined that having a director who is not an executive officer serve as the Chairman is in the best interest of the Company's stockholders at this time. This structure allows the Chief Executive Officer to focus on the management of the Company's day-to-day operations.

Keryx has a risk management program overseen by Ron Bentsur, our Chief Executive Officer. Mr. Bentsur identifies material risks and prioritizes them for our Board of Directors. Our Board of Directors regularly reviews information regarding our credit, liquidity, and operations, as well as the risks associated with each.

The corporate governance standards adopted by the Nasdaq Stock Market, or Nasdaq, require that a majority of the members of our Board of Directors be independent as Nasdaq defines that term. Additionally, the Nasdaq rules require our Board of Directors to make an affirmative determination as to the independence of each director. Consistent with these rules, our Board of Directors undertook its annual review of director independence on March 6, 2014. During the review, our Board of Directors considered relationships and transactions during 2013 and during the past three fiscal years between each director or any member of his immediate family, on the one hand, and our company and our subsidiaries and affiliates, on the other hand. The purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent. Based on this review, our Board of Directors determined that Kevin Cameron, Joseph Feczko, M.D., Wyche Fowler, Jr., Jack Kaye, Daniel P. Regan and Michael P. Tarnok are independent under the criteria established by Nasdaq and by our Board of Directors. Our independent directors met four times during 2013 in sessions in which only the independent directors participated.

The following biographies set forth the names of our director nominees, their ages, the year in which they first became directors, their positions with us, their principal occupations and employers for at least the past five years, any other directorships held by them during the past five years in companies that are subject to the reporting requirements of the Securities Exchange Act of 1934, or the Exchange Act, or any company registered as an investment company under the Investment Company Act of 1940, as well as additional information, all of which we believe sets forth each director nominee's qualifications to serve on the Board of Directors. There is no family relationship between and among any of our executive officers or directors. There are no arrangements or understandings between any of our executive officers or directors and any other person pursuant to which any of them are elected as an officer or director.

Mr. Cameron holds a law degree from the University of Chicago and an undergraduate degree from McGill University. Mr. Cameron also serves as a board member of Ecotality, Inc. We believe that Mr. Cameron is qualified to serve on our Board of Directors due to his legal background and years of service as one of our directors.

Communicating with the Board of Directors

Our Board of Directors has established a process by which stockholders can send communications to the Board of Directors. You may communicate with the Board of Directors as a group, or to specific directors, by writing to James F. Oliviero, our Corporate Secretary, at our offices located at 750 Lexington Avenue, New York, New York 10022. The Corporate Secretary will review all such correspondence and regularly forward to the Board of Directors a summary of all correspondence and copies of all correspondence that, in the opinion of the Corporate Secretary, deals with the functions of the Board of Directors or committees thereof or that he otherwise determines requires their attention. Directors may at any time review a log of all correspondence we receive that is addressed to members of our Board of Directors and request copies of any such correspondence. Concerns relating to accounting, internal controls, or auditing matters may be communicated in this manner, or may be submitted on an anonymous basis via e-mail at info@keryx.com. These concerns will be immediately brought to the attention of our Audit Committee and handled in accordance with procedures established by our Audit Committee.

Audit Committee

The Audit Committee currently consists of Jack Kaye, Kevin Cameron, Joseph Feczko, M.D., and Wyche Fowler, Jr.

The Audit Committee held four meetings during the fiscal year ended December 31, 2013. The duties and responsibilities of the Audit Committee are set forth in the Amended and Restated Charter of the Audit Committee which was recently reviewed by our Audit Committee. Our Audit Committee determined that no revisions needed to be made to the charter at this time. A copy of the Amended and Restated Charter of the Audit Committee is available on our website, located at www.keryx.com. Among other things, the duties and responsibilities of the Audit Committee include reviewing and monitoring our financial statements and internal accounting procedures, the selection of our independent registered public accounting firm and consulting with and reviewing the services provided by our independent registered public accounting firm. Our Audit Committee has sole discretion over the retention, compensation, evaluation and oversight of our independent registered public accounting firm.

The SEC and Nasdaq have established rules and regulations regarding the composition of audit committees and the qualifications of audit committee members. Our Board of Directors has examined the composition of our Audit Committee and the qualifications of our Audit Committee members in light of the current rules and regulations governing audit committees. Based upon this examination, our Board of Directors has determined that each member of our Audit Committee is independent and is otherwise qualified to be a member of our Audit Committee in accordance with the rules of the SEC and Nasdaq.

Additionally, the SEC requires that at least one member of the Audit Committee have a heightened level of financial and accounting sophistication. Such a person is known as the audit committee financial expert under the SEC's rules. Our Board of Directors has determined that Mr. Kaye is an audit committee financial expert, as the SEC defines that term, and is an independent member of our Board of Directors and our Audit Committee. Please see Mr. Kaye's biography on page 6 for a description of his relevant experience.

The report of the Audit Committee can be found on page 13 of this proxy statement.

The Compensation Committee evaluates the performance of the Chief Executive Officer, Chief Financial Officer and other executive officers of the Company on an annual basis and reviews and approves on an annual basis all compensation programs and awards relating to such officers. The Compensation Committee applies discretion in the determination of individual executive compensation packages to ensure compliance with the Company's compensation philosophy. The Chief Executive Officer makes recommendations to the Compensation Committee with respect to the compensation packages for officers other than himself. The Compensation Committee may delegate its authority to grant awards to certain employees, and within specified parameters under the Company's 2013 Incentive Plan, to a special committee consisting of one or more directors who may but need not be officers of the Company. On October 4, 2013, the Compensation Committee delegated such authority to the Chairman of the Compensation Committee, Kevin Cameron.

Nasdaq has established rules and regulations regarding the composition of compensation committees and the qualifications of compensation committee members. Our Board of Directors has examined the composition of our Compensation Committee and the qualifications of our Compensation Committee members in light of the current rules and regulations governing compensation committees. Based upon this examination, our Board of Directors has determined that each member of our Compensation Committee is independent and is otherwise qualified to be a member of our Compensation Committee in accordance with such rules.

The report of the Compensation Committee can be found on page 20 of this proxy statement. Additional information regarding the Compensation Committee's processes and procedures for consideration of executive compensation can be found in the Compensation Discussion and Analysis on page 15 of this proxy statement.

Research and Development Committee

The Research and Development Committee held four meetings during the fiscal year ended December 31, 2013. The Research and Development Committee currently consists of Joseph Feczko, M.D., Ron Bentsur and Michael Tarnok. The duties and responsibilities of the Research and Development Committee are set forth in the Charter of the Research and Development Committee. A copy of the Charter of the Research and Development Committee is available on our website, located at www.keryx.com. As discussed in its charter, among other things, the duties and responsibilities of the Research and Development Committee include assisting our Board of Directors in understanding any evolving issues around the conduct of our clinical trials programs, assisting our Board of Directors in understanding the status of and progress towards completion of manufacturing requirements, advising our management, as needed, on aspects of clinical trial, manufacturing process development and regulatory strategies, and providing our management with advice regarding potential licensing opportunities (both in- and out-licensing).

Nominating Process

We do not currently have a nominating committee or any other committee serving a similar function. Director nominations are approved by a vote of a majority of our independent directors as required under Nasdaq rules and regulations. Although we do not have a written charter in place to select director nominees, our Board of Directors has adopted resolutions regarding the director nomination process. Our policy describing our director nomination process is available on our website, located at www.keryx.com. We believe that the current process in place functions to select director nominees who will be valuable members of our Board of Directors.

Our independent directors identify potential nominees to serve as directors through a variety of business contacts, including current executive officers, directors, community leaders and stockholders. The independent directors may, to the extent they deem appropriate, retain a professional search firm and other advisors to identify potential nominees.

Table of Contents

Our independent directors will also consider candidates recommended by stockholders for nomination to our Board of Directors. A stockholder who wishes to recommend a candidate for nomination to our Board of Directors must submit such recommendation to our Corporate Secretary, James F. Oliviero, at our offices located at 750 Lexington Avenue, New York, New York 10022. Any recommendation must be received not less than 60 calendar days nor more than 90 calendar days before the anniversary date of the previous year's annual meeting. All stockholder recommendations of candidates for nomination for election to our Board of Directors must be in writing and must set forth the following: (i) the candidate's name, age, business address, and other contact information, (ii) the number of shares of Keryx common stock beneficially owned by the candidate, (iii) a complete description of the candidate's qualifications, experience, background and affiliations, as would be required to be disclosed in the proxy statement pursuant to Schedule 14A under the Exchange Act, (iv) a sworn or certified statement by the candidate in which he or she consents to being named in the proxy statement as a nominee and to serve as director if elected, and (v) the name and address of the stockholder(s) of record making such a recommendation.

We believe that our Board of Directors as a whole should encompass a range of talent, skill, and expertise enabling it to provide sound guidance with respect to our operations and interests. Our independent directors evaluate all candidates to our Board of Directors by reviewing their biographical information and qualifications. If the independent directors determine that a candidate is qualified to serve on our Board of Directors, such candidate is interviewed by at least one of the independent directors and our Chief Executive Officer. Members of the Board of Directors also have an opportunity to interview qualified candidates. The independent directors then determine, based on the background information and the information obtained in the interviews, whether to recommend to the Board of Directors that the candidate be nominated for approval by the stockholders to fill a directorship. With respect to an incumbent director whom the independent directors are considering as a potential nominee for re-election, the independent directors review and consider the incumbent director's service during his or her term, including the number of meetings attended, level of participation, and overall contribution to the Board of Directors. The manner in which the independent directors evaluate a potential nominee will not differ based on whether the candidate is recommended by our directors or stockholders.

We consider the following qualifications, among others, when making a determination as to whether a person should be nominated to our Board of Directors: the independence of the director nominee; the nominee's character and integrity; financial literacy; level of education and business experience, including experience relating to biopharmaceutical companies; whether the nominee has sufficient time to devote to our Board of Directors; and the nominee's commitment to represent the long-term interests of our stockholders. We review candidates in the context of the current composition of the Board of Directors and the evolving needs of our business. We believe that each of the current members of our Board of Directors (who are also our director nominees) has the requisite business, biopharmaceutical, financial and/or managerial experience to serve as a member of the Board of Directors, as described above in their biographies under the heading "Our Board of Directors." We also believe that each of the current members of our Board of Directors has other key attributes that are important to an effective board, including integrity, high ethical standards, sound judgment, analytical skills, and the commitment to devote significant time and energy to service on the Board of Directors and its committees.

We do not have a formal policy in place with regard to the consideration of diversity in considering candidates for our Board of Directors, but the Board of Directors strives to nominate candidates with a variety of complementary skills so that, as a group, the Board of Directors will possess the appropriate talent, skills and expertise to oversee our business.

Code of Ethics

We have adopted a Code of Conduct and Ethics, or the Code, which applies to all of our directors and employees, including our principal executive officer and principal financial officer. The Code includes guidelines dealing with the ethical handling of conflicts of interest, compliance with federal and state laws, financial reporting, and our proprietary information. The Code also contains procedures for dealing with and reporting violations of the Code. We have posted our Code of Conduct and Ethics on our website, located at www.keryx.com.

All proposed engagements of UHY, whether for audit services, audit-related services, tax services, or permissible non-audit services, were pre-approved by our Audit Committee.

Our Audit Committee has established a policy setting forth the procedures under which services provided by our independent registered public accounting firm will be pre-approved by our Audit Committee. The potential services that might be provided by our independent registered public accounting firm fall into two categories:

Services that are permitted, including the audit of our annual financial statements, the review of our quarterly financial statements, related attestations, benefit plan audits and similar audit reports, financial and other due diligence on acquisitions, and federal, state, and non-US tax services; and

All proposed engagements of our independent registered public accounting firm, whether for audit services or permissible non-audit services, are pre-approved by the Audit Committee. We jointly prepare a schedule with our independent registered public accounting firm that outlines services that we reasonably expect we will need from our independent registered public accounting firm, and categorize them according to the classifications described above. Each service identified is reviewed and approved or rejected by the Audit Committee.

REPORT OF THE AUDIT COMMITTEE

In monitoring the preparation of our financial statements, the Audit Committee met with both management and UHY LLP, our independent registered public accounting firm for the year ended December 31, 2013, to review and discuss all financial statements prior to their issuance and to discuss any and all significant accounting issues. Management and our independent registered public accounting firm advised the Audit Committee that each of the financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee's review included a discussion of the matters required to be discussed pursuant to the Statement on Auditing Standards No. 61,

Communication with Audit Committees, as amended, (Codification of Statements on Auditing Standards, AU Section 380) as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T, or SAS 61. SAS 61 requires our independent registered public accounting firm to discuss with the Audit Committee, among other things, the following:

Methods used to account for significant or unusual transactions;

The effect of any accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;

The process used by management to formulate sensitive accounting estimates and the basis for the independent registered public accounting firm's conclusion regarding the reasonableness of any such estimates; and

Any disagreements with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures necessary in the financial statements.

The Audit Committee has discussed the independence of UHY LLP, including the written disclosures made by UHY LLP to the Audit Committee, as required PCAOB Rule 3526, Communication with Audit Committees Concerning Independence. PCAOB Rule 3526 requires the independent registered public accounting firm to (i) disclose in writing all relationships that, in the independent registered public accounting firm's professional opinion, may reasonably be thought to bear on independence, (ii) confirm their perceived independence, and (iii) engage in a discussion of independence with the Audit Committee.

Finally, the Audit Committee continues to monitor the scope and adequacy of our internal controls and other procedures, including any and all proposals for adequate staffing and for strengthening internal procedures and controls where appropriate and necessary.

On the basis of these reviews and discussions, the Audit Committee recommended to the Board of Directors that it approve the inclusion of our audited financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, for filing with the SEC.

The Audit Committee reviewed its written charter previously adopted by our Board of Directors. Following this review, the Audit Committee determined that no changes needed to be made with respect to the Audit Committee charter at this time.

By the Audit Committee of the Board of Directors

COMPENSATION DISCUSSION AND ANALYSIS

In the paragraphs that follow, we give an overview and analysis of our compensation program and policies, the material compensation decisions we have made under those programs and policies with respect to our executive officers, and the material factors that we considered in making those decisions. Later in this proxy statement under the heading *Executive Compensation*, you will find a series of tables containing specific information about the compensation earned or paid in 2013 to the following individuals, whom we refer to as our named executive officers, or NEOs:

Ron Bentsur, our Chief Executive Officer; and

James F. Oliviero, our Chief Financial Officer, Treasurer and Corporate Secretary.

Compensation Philosophy and Objectives

Our compensation programs are designed to motivate our employees to work toward achievement of our corporate mission to create long-term sustained stockholder value by acquiring, developing and commercializing pharmaceutical products for the treatment of renal disease. Attaining our key business and strategic goals depends on attracting, retaining and motivating quality employees in an exceptionally competitive environment. Our industry is highly scientific, regulated, scrutinized and dynamic, and as a result, we require employees that are highly educated, dedicated and experienced. The driving philosophy and objectives behind our executive compensation programs are:

to attract, retain, motivate and reward outstanding employees;

to align employees' interests with those of our stockholders by creating a strong focus on stock ownership and basing pay on performance measures that drive long-term stockholder value;

to incentivize our employee to achieve our business goals; and

to reflect our 'pay for performance' culture.

Determining Executive Compensation

Role of the Compensation Committee

The Compensation Committee oversees our executive compensation programs, including approving incentive programs, granting equity awards, and determining appropriate levels of compensation for our NEOs. Information about the Compensation Committee and its composition and responsibilities can be found on page 8 under the caption *Compensation Committee*.

Role of the Executives

Our Chief Executive Officer develops recommendations regarding the compensation levels for our Chief Financial Officer based upon a subjective assessment of his individual performance during the prior year and overall trends in the marketplace. In addition, each year, management delivers to the Compensation Committee a set of proposed corporate goals and objectives that management believes are essential to the achievement of the Company's mission and long-term goals and objectives. These recommendations and proposed goals and objectives are reviewed, modified if deemed appropriate, and approved by the Compensation Committee.

Table of Contents

Elements of Compensation

Our executive compensation program for 2013 consisted of the following components:

Compensation Element	Purpose
Base salary	Base salary represents the fixed portion of an executive's annual compensation and is intended to recognize the executive's value to the Company based on skills and experience relative to the responsibilities of his position.
Annual cash incentive awards	Annual cash incentive awards represent the portion of an executive's compensation that is intended to vary as a direct reflection of Company and individual performance for the year. Mr. Bentsur's maximum annual incentive award was equal to 75% of his base salary, per the terms of his employment agreement. Mr. Oliviero's annual incentive award was determined in connection with the Company's annual incentive bonus pool, as described below.
Special bonus awards	The Compensation Committee decided to pay additional bonus amounts to our executive officers based upon the FDA's filing acceptance of the Company's New Drug Application for Zerenex and our executive officers' performance for the year.
Long-term equity awards	Long-term equity awards are intended to reward performance over a multi-year period, link the interests of executives to those of the stockholders, and encourage retention. Restricted stock and stock options generally are issued based upon achievement of corporate goals and objectives in the prior year. In addition, Mr. Bentsur is eligible to receive grants of restricted stock pursuant to the performance thresholds provided in his employment agreement, with additional time-based vesting requirements.
Health and welfare plans and retirement plan	These benefits are intended to provide competitive levels of medical and disability coverage, and retirement benefits under our 401(k) plan. Our executives participate in the same programs offered to all of our eligible employees.
Severance benefits	Our Chief Executive Officer has an employment agreement that provides for severance benefits in certain circumstances and our Chief Financial Officer has a change-in-control agreement that provides for severance benefits in the event of a qualifying termination following a change in control of the Company.

No specific formula is used in regard to the allocation of the various elements within our executive compensation program. The Compensation Committee retains the discretion to reduce or eliminate the payment that otherwise might be payable to our executives based upon unforeseen events occurring during the year or its assessment of the Company's or our executives' performance in general.

In order to maximize the incentive effect of our compensation program, we have structured our performance-based compensation to involve a mix of value opportunities and performance measures.

Our annual cash incentive awards and our annual equity awards are based partially upon the Company's performance against pre-set corporate goals and objectives and partially upon the Compensation Committee's assessment of each individual executive's contribution to the Company's performance.

Table of Contents

The ultimate realized value of our equity awards (stock options and restricted stock awards) is tied to our stock price, in alignment with our stockholders.

Consideration of Last Year's Advisory Stockholder Vote on Executive Compensation

At the 2013 Annual Meeting of Stockholders, approximately 96% of the shares represented and entitled to vote at the annual meeting were voted to approve the compensation of the Company's named executive officers, as discussed and disclosed in the 2013 Proxy Statement. In considering the results of this advisory vote on executive compensation, the Compensation Committee concluded that the compensation paid to our named executive officers and the Company's overall pay practices enjoy stockholder support.

In light of this support, the Compensation Committee decided to retain the core design of our executive compensation program, with an emphasis on short and long-term incentive compensation that rewards our senior executives when they successfully achieve our corporate goals and objectives and, in turn, deliver value for our shareholders. As described below, in 2013, the Compensation Committee decided to pay additional bonus amounts to our executive officers based upon the FDA's filing acceptance of the Company's New Drug Application for Zerenex and our executive officers' performance for the year. In addition, in 2014, the Compensation Committee increased our executives' salaries and decreased our CEO's target incentive percentage, which it believes will provide a more competitive pay package when compared to the market median. Going forward, future advisory votes on executive compensation will serve as an additional tool to guide the Board of Directors and the Compensation Committee in evaluating the alignment of the Company's executive compensation program with the interests of the Company and its stockholders.

At the 2011 Annual Meeting of Stockholders, our stockholders expressed a preference that advisory votes on executive compensation be held on an annual basis. Consistent with this preference, the Board of Directors determined to implement an advisory vote on executive compensation on an annual basis until the next required vote on the frequency of stockholder votes on the compensation of executive officers, which is scheduled to occur at the 2017 annual meeting.

2013 Executive Compensation

2013 Corporate Performance Goals

Our 2013 annual incentive awards were based, in large part, upon the achievement of corporate performance goals, which included a combination of clinical and regulatory goals related to our products as well as other corporate goals, and were achieved at an aggregate level of 100.0%. The corporate performance goals and objectives used to determine annual incentive awards in 2013 were as follows:

Various goals related to regulatory filings for Zerenex 55.0% maximum potential weighting (55.0% achieved);

Various goals related to Zerenex clinical studies 20.0% maximum potential weighting (20.0% achieved); and

Various goals related to Zerenex manufacturing 25.0% maximum potential weighting (25.0% achieved).

The Compensation Committee considered performance against these goals in determining the amounts paid as annual incentive awards in 2013, as well as its subjective assessment of our executives' contributions to Company performance.

Base Salary

Mr. Bentsur's and Mr. Oliviero's base salaries for 2013 remained unchanged at \$300,000 and \$265,000, respectively.

Table of Contents
Cash Incentive Awards

In 2013, Mr. Bentsur was eligible to earn an annual cash incentive of up to 75% of his base salary, per the terms of his employment agreement. Mr. Oliviero's annual incentive award was determined in connection with the Company's annual incentive bonus pool, as described below. Both executives' annual cash incentive awards were based upon the Company's performance against pre-established corporate goals and objectives, which are discussed above, and each executive's individual performance based upon subjective performance reviews. The actual amounts paid to the executives pursuant to their annual cash incentive awards are reported in the Summary Compensation Table as non-equity incentive plan compensation.

Mr. Bentsur's 2013 Annual Cash Incentive Award. As noted above, in 2013, Mr. Bentsur was eligible to earn an annual cash incentive of up to 75% of his base salary, per the terms of his employment agreement. Mr. Bentsur's annual cash incentive was based on achievement of the corporate goals and objectives (80% weighting), which was achieved at the 100% level, and on individual performance, based upon a subjective review by the Compensation Committee (20% weighting), which was achieved at the 100% level, resulting in a \$225,000 cash incentive payment (the maximum amount). In addition, based on its assessment of Mr. Bentsur's contribution to the Company's performance during 2013, the Compensation Committee granted Mr. Bentsur an additional \$75,000.

Additionally, during 2013, the Compensation Committee approved the grant of an incentive bonus to Mr. Bentsur in the amount of \$100,000, which was achieved upon the FDA's filing acceptance of the Company's New Drug Application for Zerenex.

Annual Cash Incentive Award Pool and Mr. Oliviero's 2013 Annual Cash Incentive Award. In 2013, our employees, other than Mr. Bentsur, were eligible for annual cash incentives based on an overall annual cash incentive award pool calculated as the sum of our employees' salaries (excluding Mr. Bentsur) multiplied by a percentage set by the Compensation Committee for such year. In 2013, the percentage was set at 25%, resulting in a maximum cash incentive pay pool of \$885,071. For most of our employees, a component of their annual cash incentive is based on corporate goals and objectives and a component is based on individual performance. At the lowest level, employees only have an individual component. For 2013, the Compensation Committee used its discretion to increase the overall cash incentive award pool, and an aggregate of \$906,990 was distributed to employees, including Mr. Oliviero.

Mr. Oliviero's maximum 2013 annual cash incentive was determined to be 40% of his base salary. Mr. Oliviero was allocated 11.7% of the overall cash incentive award pool. His award was based on achievement of the corporate goals and objectives (60% weighting), which was achieved at the 100% level, and on individual performance, based upon a subjective review by the Chief Executive Officer and the Compensation Committee (40% weighting), which was achieved at the 100% level, resulting in a \$106,000 cash incentive payment (the maximum amount). In addition, based on its assessment of Mr. Oliviero's contribution to the Company's performance during 2013, the Compensation Committee granted Mr. Oliviero an additional \$40,000.

Additionally, during 2013, the Compensation Committee approved the grant of an incentive bonus to Mr. Oliviero in the amount of \$100,000, which was achieved upon the FDA's filing acceptance of the Company's New Drug Application for Zerenex.

Long-Term Equity Incentive Awards

Mr. Bentsur. After consideration of our 2012 corporate goals and objectives, which were achieved at a 87.5% level, and a subjective consideration of Mr. Bentsur's individual performance during 2012, the Compensation Committee granted Mr. Bentsur, on January 2, 2013, an option to purchase 75,000 shares of our common stock and an award of 25,000 shares of restricted stock.

In addition, Mr. Bentsur's employment agreement provides that he has the opportunity to receive certain restricted stock awards upon the achievement of performance milestones. He received the first two restricted

Table of Contents

stock awards in 2009 and 2010, which we refer to as the Bentsur¹ Milestone Award and the Bentsur² Milestone Award, respectively. Upon achievement of the second milestone, the Bentsur 1st Milestone Award was immediately vested. Mr. Bentsur did not receive any milestone awards in 2011 or 2012. On October 4, 2013, Mr. Bentsur received a third restricted stock award, which we refer to as the Bentsur³ Milestone Award, in connection with our filing of an accepted new drug application with the U.S. Food and Drug Administration for Zerenex. Such restricted stock will vest in equal installments over each of the first three anniversaries of the grant date provided that Mr. Bentsur remains employed by us during such vesting period.

Mr. Bentsur's employment agreement, as amended, provides that he has the opportunity to receive the following additional milestone awards:

500,000 shares of fully-vested stock upon the first to occur of (a) our first commercial sale of Zerenex in the U.S. off an approved NDA, (b) our receipt of the first royalty upon the commercial sale of Zerenex in the U.S. by a partner to whom the Company has sold exclusive or non-exclusive commercial rights, or (c) our complete outlicensing of the entire product rights of Zerenex in the U.S., which we refer to as the Bentsur 4th Milestone Award.

100,000 shares of restricted stock upon each event of our outlicensing Zerenex in a foreign market, other than Japan, resulting in a greater than \$10 million non-refundable cash payment to the Company with a gross deal value to the Company of at least \$50 million, which we refer to as the Bentsur 5th Milestone Award. Such restricted stock will vest in equal installments over each of the first three anniversaries of the date of grant provided he remains employed by us during such vesting period.

Annual Equity Award Pool and Mr. Oliviero. In 2013, based upon performance during 2012, our employees, other than Mr. Bentsur, were eligible to receive long-term equity awards based on an overall annual equity award pool of 558,574 shares, calculated based upon 0.75% of an adjusted fully-diluted shares outstanding figure (74,476,501). Each employee was allocated a portion of the annual equity award pool which represented such employee's maximum potential grant. For most of our employees, a component of their annual equity award is based on corporate goals and objectives and a component is based on individual performance. At the lowest level, employees only have an individual component. In 2013 (based upon performance during 2012), options to purchase 315,366 shares of our common stock and awards of 236,020 shares of restricted stock were granted to employees from the annual equity award pool, including grants of 55,866 stock options and 33,520 restricted shares to Mr. Oliviero.

For additional information regarding our named executive officers' stock grants, see the Summary Compensation Table, the Grants of Plan-Based Awards Table and the Outstanding Equity Awards at 2013 Fiscal Year End table. Awards based upon consideration of 2013 performance were granted on January 2, 2014. Pursuant to SEC rules, these awards will appear in next year's proxy statement.

Perquisites and Other Executive Benefits

We do not offer our NEOs any perquisites or other executive benefits.

Severance Benefits

We have an employment agreement with Mr. Bentsur that provides, among other things, payment and benefits upon certain terminations of employment. We believe this agreement was an important component in our effort to recruit and retain a chief executive officer, particularly for a company at our stage of development and in our relatively high-risk industry. On June 11, 2013, we amended Mr. Bentsur's employment agreement to (i) extend the term of the agreement until May 20, 2015, (ii) increase the severance payable upon a termination without Cause or resignation for Good Reason to 100% of his then-current base salary, (iii) extend the opportunity for certain unearned milestone opportunities to vest following certain terminations of employment, (iv) provide for immediate vesting of all stock options upon a change in control, (v) revise the definition of Commercial Sales Milestone to remove all references to Perifosine, and (vi) provide for the grant of fully-vested shares of common stock upon achievement of the Bentsur 4th Milestone Award, as set forth in the amendment.

Table of Contents

On October 31, 2011, we entered into a change-in-control agreement with Mr. Oliviero that provides certain payments and benefits upon his involuntary termination of employment within 12 months following a change in control. On June 10, 2013, we amended Mr. Oliviero's change-in-control agreement to extend the automatic termination date of the agreement to October 31, 2015.

The Board of Directors believes that the change in control benefits described above are in the best interests of the Company and its stockholders to assure that the Company will have the continued dedication of Mr. Bentsur and Mr. Oliviero, notwithstanding the possibility, threat or occurrence of a change in control of the Company.

For more information on Mr. Bentsur's employment agreement, including the 2013 amendment, and Mr. Oliviero's change-in-control agreement, see the Potential Payments upon Termination or Change-in-Control section beginning on page 27 of this proxy statement.

2014 Executive Compensation

In 2014, the Compensation Committee engaged Radford, An Aon Hewitt Company, a compensation consultant, to conduct a comparative analysis of our executive compensation program, in relation to a group of 21 peer companies in the biotechnology industry. The analysis concluded that there was a significant misalignment of executive cash compensation as compared to the peer group, due primarily to no salary increases for the CEO and CFO for the last 5 years and 4 years, respectively. After considering this analysis, the Compensation Committee approved the following changes to Mr. Bentsur's and Mr. Oliviero's compensation for 2014, which are intended to make their total direct compensation (both cash and equity) more competitive with the peer group median:

Effective March 1, 2014, Mr. Bentsur's base salary was increased from \$300,000 to \$530,000, and his target cash incentive award for 2014 was reduced to be equal to up to 65% of his base salary; and

Effective March 1, 2014, Mr. Oliviero's base salary was increased from \$265,000 to \$365,000.

Report of the Compensation Committee

The Compensation Committee of the Board of Directors has reviewed and discussed with management the Compensation Discussion and Analysis set forth above. Based on the review and discussions noted above, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement and incorporated by reference in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2013, for filing with the SEC.

RISK ASSESSMENT OF COMPENSATION PROGRAMS

The Compensation Committee has reviewed with management the design and operation of our incentive compensation arrangements for all employees, including executive officers, for the purpose of determining whether such programs might encourage inappropriate risk-taking that could have a material adverse effect on the Company. Management and the Compensation Committee reviewed the Company's incentive compensation arrangements for the purpose of identifying any aspects of such programs that might encourage behaviors that could exacerbate business risks. In conducting this assessment, the Compensation Committee considered, among other things, the performance objectives used in connection with these incentive awards and the features of the Company's compensation program that are designed to mitigate compensation-related risk. The Compensation Committee concluded that any risks arising from the Company's compensation plans, policies and practices are not reasonably likely to have a material adverse effect on the Company.

Employment Agreements

We entered into an employment agreement with Mr. Bentsur on September 14, 2009. The Company amended Mr. Bentsur's agreement so that it now terminates on May 20, 2015, rather than May 20, 2014. Potential Payments upon Termination or Change in Control

We have an employment agreement with Mr. Bentsur that provides certain compensation and benefits in the event of the termination of his employment under certain conditions. In addition, in 2011, we entered into a change-in-control agreement with Mr. Oliviero that provides certain compensation and benefits in the event of his qualifying termination in connection with a change in control. In addition, our equity plans provide certain benefits in connection with a change in control.

Equity Plans

Pursuant to the terms of the 2004 Plan, upon the occurrence of a change in control, any awards outstanding under such plan will become fully-vested. Pursuant to the terms of the 2007 Plan and the 2013 Plan, upon the occurrence of a change in control of the Company in which awards are not assumed by the surviving entity or otherwise equitably converted or substituted in connection with the change in control, all outstanding awards under such plan will become fully vested. The 2007 Plan and the 2013 Plan also provide that, with respect to awards assumed by the surviving entity or otherwise equitably converted or substituted in connection with a change in control, if within two years after the effective date of the change in control, a participant's employment is terminated without Cause or the participant resigns for Good Reason, then all outstanding awards under such plan will become fully-vested. For purposes of the 2007 Plan and the 2013 Plan, Good Reason generally means (i) a material diminution in the participant's duties, or the assignment to the participant of duties materially inconsistent with his or her authority, responsibilities and reporting requirements; or (ii) a material breach by the Company of its obligations to the participant under any written employment agreement or arrangement. For purposes of the 2007 Plan and the 2013 Plan, Cause generally means (i) a material breach of the terms of the participant's restrictive covenants with the Company; (b) a material breach by the participant of any provision of his or her employment arrangement; (c) the habitual neglect or gross failure by the participant to adequately perform his or her duties; (d) any act of moral turpitude or criminal action connected to the participant's employment with the Company; or (e) the participant's repetitive refusal to comply with, or his or her violation of lawful instructions of, the Chief Executive Officer, Chief Financial Officer or the Board of Directors.

Table of Contents**Ron Bentsur**

The table below summarizes the value of potential payments and benefits that Mr. Bentsur would receive if his employment was terminated on December 31, 2013 under the circumstances shown, or if a change in control of the Company occurred on December 31, 2013. The table excludes amounts that would be paid in the normal course of continued employment, such as accrued but unpaid salary. Actual amounts to be paid can only be determined at the time of such termination of service.

Type of Payment	Termination Other Than For Cause; Resignation For Good Reason (Prior to a Change in Control)	Death or Disability	Termination of Employment in Connection With Expiration of Employment Period	Termination Other Than For Cause; Resignation For Good Reason (Following a Change in Control)	Change in Control (Absent Termination) ⁽³⁾

For purposes of this calculation, outstanding stock options having an exercise price equal to or more than the closing price of our common stock on such date have a value of \$0.
- (2) Assumes that the Unearned Milestone Opportunity (as defined below) was not achieved during the 3, 6 or 12-month period, as applicable, following termination.
- (3) Assumes that the equity awards are not assumed by the surviving entity or otherwise equitably converted or substituted in connection with the change in control.

Termination Other than for Cause; Termination for Good Reason. If we terminate Mr. Bentsur for any reason other than for Cause or disability, or if he terminates his employment for Good Reason, then he is entitled to the following benefits:

a lump sum cash severance payment equal to 100% of his then-current base salary;

any vested portion of the Initial Option Grant will remain exercisable for a period of one year;

any outstanding shares of restricted stock granted to Mr. Bentsur as a milestone award by reason of the achievement of a milestone (as described earlier in this proxy statement) (the Earned Milestone Awards) prior to the date of termination will become fully vested and non-forfeitable as of the date of termination; and

his opportunity to earn milestone awards with respect to any milestone condition which has not been met as of the date of termination (the Unearned Milestone Opportunity) will continue for a period of six or twelve months (depending on the particular milestone) after the date of termination and, to the extent that a milestone is achieved during such six or twelve-month periods, as applicable, the stock relating to such milestone will be issued to Mr. Bentsur as fully-vested shares, rather than restricted stock, or, in our sole discretion, we may pay Mr. Bentsur an amount in cash equal to the value of such shares.

The employment agreement also provides that if any payments or benefits would be subject to the excise tax imposed on parachute payments under Section 4999 of the Internal Revenue Code, the payments will be limited to the maximum amount that could be paid without triggering the excise tax, provided that such cut-back would produce a greater net benefit to Mr. Bentsur than if he had paid the excise tax.

unprofessional conduct which is, or is likely to be, injurious to the Company, its financial condition, or its reputation; (iv) failure to perform his duties with the Company; (v) failure to meet agreed-upon, written performance standards; or (vi) breach of the covenants in the agreement, or material breach of any other provisions of this Agreement. Good Reason generally means (i) a reduction in his base salary of more than 10% in the aggregate (i.e., in excess of \$30,000); (ii) a material diminution in his authority, duties, or responsibilities; (iii) a requirement that he report to a corporate officer or employee instead of reporting directly to the Board of Directors; (iv) relocation of his principal office to location that is more than 50 miles away from the current location of the Company's principal office; or (v) any other material breach by the Company of the employment agreement.

Death; Disability; Termination of Employment in Connection With Expiration of Employment Period. If Mr. Bentsur's employment is terminated by reason of his death or disability, or if we terminate his employment upon the normal expiration of the employment period, then he will receive his accrued obligations and any vested portion of the Initial Stock Option will remain exercisable for a period of one year following his date of termination. His outstanding Earned Milestone Awards will become fully vested and non-forfeitable. In addition, any Unearned Milestone Opportunity will continue for a period of six or twelve months (depending on the particular milestone) following his termination and, to the extent that a milestone is achieved during such three-month period, the stock relating to such milestone will be issued to Mr. Bentsur or his estate, as the case may be, as fully-vested shares, rather than restricted stock, or, in our sole discretion, we may pay Mr. Bentsur an amount in cash equal to the value of such shares.

Change in Control. Mr. Bentsur's employment agreement provides that, if, within one year after the effective date of a change in control, Keryx or its successor terminates Mr. Bentsur's employment without cause, or Mr. Bentsur resigns for good reason, then Mr. Bentsur will receive (i) a lump sum cash payment equal to the sum of (A) his then-current annual base salary or, if higher, his base salary in effect immediately prior to the change in control, and (B) the annual bonus earned by Mr. Bentsur for the fiscal year immediately prior to the year in which his date of termination occurs, if any; and (ii) a lump sum cash payment equal to the total monthly premium payment (both the Keryx portion and Mr. Bentsur's portion of such premium) under the Keryx group healthcare plan multiplied by twelve (12).

Upon the occurrence of a change in control:

the Initial Option Grant will immediately vest and become fully exercisable;

any Earned Milestone Awards will become fully vested and non-forfeitable; and

any Unearned Milestone Opportunity will expire without consideration; provided that we will grant to Mr. Bentsur, immediately prior to the effective time of the change in control, 500,000 shares of vested common stock in the event that he has not, as of such time, previously received the Bentsur 4th Milestone Award.

For purposes of Mr. Bentsur's employment agreement, as well as the 2004 Plan, 2007 Plan and 2013 Plan, Change in Control generally means: (i) the incumbent Board of Directors of the Company ceases to constitute a majority of the Board of Directors; (ii) the acquisition by any person of 30% or more ownership interest in the outstanding common stock or combined voting power of the then outstanding securities of the Company (with certain limited exceptions); or (iii) the consummation of a merger, consolidation, reorganization, recapitalization or share exchange or a sale or other disposition of all or substantially all of the assets of the Company, unless (a) the beneficial owners of the Company's stock immediately prior to the transaction continue to own 50% or more of the outstanding common stock and combined voting power of the then outstanding securities of the Company and (b) no person acquires a 30% or more ownership interest in the then outstanding common stock or combined voting power of the then outstanding securities of the Company.

Restrictive Covenants. During the one-year period after his termination of employment, Mr. Bentsur is prohibited from soliciting protected customers or employees of the Company, competing with the Company, and disclosing any of the Company's confidential information or trade secrets.

Table of Contents**James F. Oliviero**

The table below summarizes the value of potential payments and benefits that Mr. Oliviero would receive if his employment was terminated on December 31, 2013 under the circumstances shown, or if a change in control of the Company occurred on December 31, 2013. The table excludes amounts that would be paid in the normal course of continued employment, such as accrued but unpaid salary. Actual amounts to be paid can only be determined at the time of such termination of service.

Type of Payment	Termination without Cause or Resignation for Good Reason Following a Change in Control (\$)	Change in Control (Absent Termination) ⁽²⁾ (\$)
Cash Severance	442,691	
Value of Accelerated Equity ⁽¹⁾	4,681,105	4,681,105
Total	5,123,796	4,681,105

- (1) Represents the fair market value of shares underlying outstanding stock options and restricted shares that would be vested upon the event, based on the closing price of our stock on December 31, 2013 (\$12.95), the last trading day of the most recently completed fiscal year, less the exercise price of the stock option. For purposes of this calculation, outstanding options having an exercise price equal to or more than the closing price of our common stock on such date have a value of \$0.
- (2) Assumes that the equity awards are not assumed by the surviving entity or otherwise equitably converted or substituted in connection with the change in control.

Qualifying Termination in Connection with a Change in Control. We do not have an employment agreement with Mr. Oliviero. On October 31, 2011, the Company entered into a change-in-control agreement with Mr. Oliviero, which provides that in the event that Mr. Oliviero's employment with the Company (or any successor entity) is terminated either by the Company (or any successor entity) without cause or by Mr. Oliviero for good reason, in each case, on, or within 12 months after, the effective date of a change in control, he will receive (subject to his execution of a general release of claims against the Company and its affiliates): (i) a lump sum cash payment equal to the sum of (A) his base salary, and (B) the annual bonus earned by him for the fiscal year immediately prior to the year in which his date of termination occurs, if any, and (ii) a lump sum cash payment equal to the total monthly premium payment (both the Company and employee portion of such premium) under the Company's group healthcare plan multiplied by twelve (12).

Under the terms of the agreement, if it is determined that any payment or benefit would constitute a parachute payment under Section 280G of the Code, and would be subject to the excise tax imposed by Section 4999 of the Code, then such payments or benefits will be reduced to the extent necessary (but not below zero) so that no portion thereof shall be subject to the excise tax imposed by Section 4999 of the Code.

The agreement will be effective upon the consummation of a change in control. In the event that a change in control does not occur on or prior to October 31, 2015, the agreement will automatically terminate on such date and have no force or effect. If Mr. Oliviero's employment with Keryx (or any successor entity) is terminated for any reason other than as described above, he will not be entitled to receive any benefits under the agreement.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, executive officers and persons who own more than 10% of the shares of our common stock to file an initial report of ownership on Form 3 and changes in ownership on Form 4 or Form 5 with the SEC. Such officers, directors and 10% stockholders are also required by SEC rules to furnish us with copies of any Forms 3, 4 or 5 that they file. The SEC rules require us to disclose late filings of initial reports of stock ownership and changes in stock ownership by our directors, executive officers and 10% stockholders. Based solely on a review of copies of the Forms 3, 4 and 5 furnished to us by reporting persons and any written representations furnished by certain reporting persons, we believe that during the fiscal year ended December 31, 2013, all Section 16(a) filing requirements applicable to our directors, executive officers and 10% stockholders were completed in a timely manner, except for one Form 4 by Jack Kaye.

RELATED-PERSON TRANSACTIONS

Policy

Our Board of Directors has determined that the Audit Committee is best suited to review and approve transactions with related persons, and they do so under the terms of our Related Person Transactions Policy, which is available on our website, located at www.keryx.com. According to our Related Person Transactions Policy, prior to entering into a transaction with a related person, (a) the director, executive officer, nominee or significant holder who has a material interest (or whose immediate family member has a material interest) in the transaction or (b) the business unit or function/department leader responsible for the potential transaction with a related person is required to provide notice to the Chairman of the Audit Committee of the Company (Committee Chairman) of the material facts and circumstances of the potential transaction with a related person and such information concerning the transaction as the Committee Chairman may reasonably request. If the Committee Chairman determines that the proposed transaction is a related person transaction, the proposed related person transaction must be submitted to the Audit Committee for consideration at the next Audit Committee meeting or, in those instances in which the Committee Chairman determines that it is not practicable or desirable for the Company to wait until the next Audit Committee meeting, the Committee Chairman possesses delegated authority to act between Committee meetings.

The Audit Committee will consider all of the relevant facts and circumstances available to the Audit Committee, including (if applicable) but not limited to: (a) the benefits to the Company; (b) the availability of other sources for comparable products or services; (c) the terms of the transaction; and (d) the terms available to unrelated third parties or to employees generally. No member of the Audit Committee will participate in any review, consideration or approval of any related person transaction if such member, or any of his or her immediate family members, is the related person. The Audit Committee or Chairperson, as applicable, will convey the approval or disapproval of the transaction to the Chief Executive Officer or Secretary, who will convey the decision to the appropriate persons within the Company. The Chairperson of the Audit Committee will report to the Audit Committee at the next Audit Committee meeting any approval under this policy made by the chairperson pursuant to delegated authority.

In the event we become aware of a related person transaction that has not been previously approved or previously ratified under this policy, and such transaction is pending or ongoing, it will be submitted to the Audit Committee or Chairperson, as applicable, promptly, and the Audit Committee or Chairperson will consider all of the relevant facts and circumstances available to the Audit Committee or the Chairperson as provided above. Based on the conclusions reached, the Audit Committee or Chairperson, as applicable, will evaluate all options, including but not limited to, ratification, amendment or termination of the related person transaction.

Related Person Transactions

We did not have any related person transactions in 2013, and none are currently proposed.

PROPOSAL ONE:

ELECTION OF DIRECTORS; NOMINEES

Our Amended and Restated Bylaws provide that the Board of Directors shall consist of one or more members, as determined from time to time by resolution of the Board of Directors. Our Board of Directors currently consists of seven members. All of our current directors have been nominated for re-election at the 2014 Annual Meeting of Stockholders by all of our independent directors. The nominated directors are: Ron Bentsur, Kevin J. Cameron, Joseph M. Feczko, M.D., Wyche Fowler, Jr., Jack Kaye, Daniel P. Regan and Michael P. Tarnok. For information about each of the nominees and our Board of Directors generally, please see Corporate Governance-Our Board of Directors beginning on page 4. If elected, the nominees will hold office until the next annual meeting and until a respective successor is elected and has been qualified, or until such director resigns or is removed from office. Management expects that each of the nominees will be available for re-election, but if any of them is unable to serve at the time the election occurs, your proxy will be voted for the election of another nominee to be designated by a majority of the independent directors serving on our Board of Directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF ALL OF THE NOMINEES FOR DIRECTORS. IF A CHOICE IS SPECIFIED ON THE PROXY BY THE STOCKHOLDER, THE SHARES WILL BE VOTED AS SPECIFIED. IF NO SPECIFICATION IS MADE, THE SHARES WILL BE VOTED FOR ALL OF THE NOMINEES. THE AFFIRMATIVE VOTE OF THE HOLDERS OF A PLURALITY OF THE SHARES OF COMMON STOCK REPRESENTED AND ENTITLED TO VOTE AT THE ANNUAL MEETING AT WHICH A QUORUM IS PRESENT IS REQUIRED FOR THE ELECTION OF THE NOMINEES.

PROPOSAL TWO:

**RATIFICATION OF APPOINTMENT OF UHY LLP AS OUR
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Board of Directors is submitting the selection of UHY LLP as our independent registered public accounting firm to the stockholders for ratification at our Annual Meeting. Stockholder ratification of our independent registered public accounting firm is not required by our Amended and Restated Bylaws or otherwise. If UHY LLP is not ratified as our independent registered public accounting firm by a majority of the shares present or represented by proxy, the Audit Committee will review its future selection of independent registered public accounting firm. UHY LLP will still serve as our independent registered public accounting firm for the year ending December 31, 2014, if it is not ratified by our stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF UHY LLP AS KERYX S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2014. PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE SO VOTED UNLESS THE STOCKHOLDER SPECIFIES OTHERWISE. THE AFFIRMATIVE VOTE OF THE HOLDERS OF A MAJORITY OF THE SHARES OF COMMON STOCK REPRESENTED AND ENTITLED TO VOTE AT THE ANNUAL MEETING AT WHICH A QUORUM IS PRESENT IS REQUIRED FOR RATIFICATION OF THE APPOINTMENT OF UHY LLP.

PROPOSAL THREE:

ADVISORY VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the Dodd-Frank Act) requires that our stockholders approve, on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in accordance with the executive compensation disclosure rules contained in Item 402 of the SEC's Regulation S-K. In accordance with the stockholders' recommendation at the 2011 annual meeting, Keryx has determined that the frequency of an advisory vote on the compensation of the named executive officers of the Company will be conducted every year. Accordingly, we are seeking input from our stockholders with this advisory vote on the compensation of our named executive officers. The vote on this proposal is not intended to address any specific element of compensation; rather, the vote relates to the compensation of our named executive officers as disclosed in the Compensation Discussion and Analysis section and the accompanying executive compensation tables and narrative discussion contained in this proxy statement. We are providing this vote as required pursuant to Section 14A of the Securities Exchange Act of 1934.

As an advisory vote, this proposal is not binding on Keryx, the Board of Directors, or the Compensation Committee. However, the Board of Directors and Compensation Committee intend to carefully review the results of all stockholder votes and take them into consideration when making future decisions regarding executive compensation.

We believe our executive compensation program as a whole is well suited to promote our objectives in both the short and long term. As described above in the Compensation Discussion and Analysis section of this proxy statement, the Compensation Committee has designed our executive compensation program to reflect its philosophy that executive compensation should be directly linked to corporate performance with the ultimate objective of increasing long-term stockholder value. The driving philosophy and objectives behind our executive compensation programs are:

to attract, retain, motivate and reward outstanding employees;

to align employees' interests with those of our stockholders by creating a strong focus on stock ownership and basing pay on performance measures that drive long-term stockholder value;

to incentivize our employees to achieve our business goals; and

to reflect our pay for performance culture.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THE COMPENSATION DISCUSSION AND ANALYSIS SECTION AND THE ACCOMPANYING COMPENSATION TABLES AND NARRATIVE DISCUSSION CONTAINED IN THIS PROXY STATEMENT.

In order to properly bring business before an annual meeting, our Amended and Restated Bylaws require, among other things, that the stockholder submit written notice thereof complying with our Amended and Restated Bylaws to James F. Oliviero, our Corporate Secretary, at the above address, not less than 60 days nor more than 90 days prior to the anniversary of the preceding year's annual meeting. Therefore, Keryx must receive notice of a stockholder proposal submitted other than pursuant to Rule 14a-8 (as discussed above) no sooner than March 25, 2015, and no later than April 24, 2015. If a stockholder fails to provide timely notice of a proposal to be presented at our 2015 Annual Meeting of Stockholders, the proxy designated by our Board of Directors will have discretionary authority to vote on any such proposal that may come before the meeting.

Other Matters

Our Board of Directors does not know of any other matters that may come before the meeting. However, if any other matters are properly presented to the meeting, it is the intention of the person named in the accompanying proxy card to vote, or otherwise act, in accordance with their judgment on such matters.

Solicitation of Proxies

We will bear the cost of solicitation of proxies. In addition to the solicitation of proxies by mail, our officers and employees may solicit proxies in person or by telephone. We may reimburse brokers or persons holding stock in their names, or in the names of their nominees, for their expenses in sending proxies and proxy material to beneficial owners.
