Table of Contents

How Many Votes Do I Have?

You have one vote for each share of our common stock that you owned at the close of business on April 28, 2014.

What is the Difference Between Holding Shares as a Shareholder of Record and as a Beneficial Owner?

Many of our shareholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some differences between shares held of record and those owned beneficially.

Shareholder of Record

If your shares are registered directly in your name with our transfer agent, Computershare, you are considered, with respect to those shares, the shareholder of record and these proxy materials are being sent to you directly by Addus HomeCare. As the shareholder of record, you have the right to grant your voting proxy directly to Addus HomeCare or to vote in person at the Annual Meeting of Shareholders. Addus HomeCare has enclosed a proxy card for you to use.

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by your broker or nominee who is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct your broker or nominee how to vote your shares and are also invited to attend the Annual Meeting of Shareholders. However, since you are not the shareholder of record, you may only vote these shares in person at the Annual Meeting of Shareholders if you follow the instructions described below under the heading **How Do I Vote in Person at the Annual Meeting of Shareholders?**. Your broker or nominee has enclosed a voting instruction card for you to use in directing your broker or nominee as to how to vote your shares.

How Do I Vote by Proxy?

If you properly fill in your proxy card and send it to us in time to vote, your proxy (one of the individuals named on your proxy card) will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxy will vote your shares as recommended by the Board:

FOR the election of Steven I. Geringer and Michael Earley as Class II directors.

FOR the ratification of BDO USA, LLP as our independent auditor for 2014.

FOR the approval of the amendment and restatement of the 2009 Plan, which revises (i) the performance goals to be used in connection with performance-based awards by including economic value added total shareholder return and objective measures of quality as potential goals and (ii) certain of the 2009 Plan's award limitations.

If any other matter is presented, your proxy will vote in accordance with his best judgment. At the time we began printing this Proxy Statement, we knew of no matters that needed to be acted on at the Annual Meeting of Shareholders, other than those discussed in this Proxy Statement.

May I Revoke My Proxy?

Yes. If you change your mind after you vote, you may revoke your proxy by following any of the procedures described below. To revoke your proxy:

Send in another signed proxy with a later date,

Edgar Filing: Addus HomeCare Corp - Form DEF 14A

Send a letter revoking your proxy to Addus HomeCare's Secretary at 2300 Warrenville Road, Downers Grove, Illinois 60065, or

Attend the Annual Meeting of Shareholders and vote in person.

Table of Contents

If you wish to revoke your proxy, you must do so in sufficient time to permit the necessary examination and tabulation of the subsequent proxy or revocation before the vote is taken.

How Do I Vote in Person at the Annual Meeting of Shareholders?

You may vote shares held directly in your name as the shareholder of record in person at the Annual Meeting of Shareholders. If you choose to vote your shares in person at the Annual Meeting of Shareholders, please bring the enclosed proxy card or proof of identification. Even if you plan to attend the Annual Meeting of Shareholders, Addus HomeCare recommends that you vote your shares in advance as described above so that your vote will be counted if you later decide not to attend the Annual Meeting of Shareholders.

Shares beneficially owned and held in street name may be voted in person by you only if you obtain a signed proxy from the shareholder of record giving you the right to vote the shares. If your shares are held in the name of your broker, bank or other nominee, you must bring to the Annual Meeting of Shareholders an account statement or letter from the broker, bank or other nominee indicating that you are the owner of the shares and a signed proxy from the shareholder of record giving you the right to vote the shares. The account statement or letter must show that you were beneficial owner of the shares on April 28, 2014.

What Votes Need to be Present to Hold the Annual Meeting of Shareholders?

To have a quorum for our Annual Meeting of Shareholders, persons must be present, in person or by proxy, representing a majority of the votes which could be cast by the holders of all outstanding shares of stock entitled to vote at the meeting.

What Vote Is Required to Approve Each Proposal?

Election of Directors

The election of each nominee for Class II director requires the affirmative vote of a plurality of the votes entitled to be cast by shareholders who are present in person or represented by proxy at the Annual Meeting of Shareholders and entitled to vote on the election of directors.

Ratification of Appointment of Independent Auditors

The ratification of the selection of BDO USA, LLP as independent auditor for 2014 requires the affirmative vote of a majority of the votes entitled to be cast by shareholders who are present in person or represented by proxy at the Annual Meeting of Shareholders and entitled to vote.

Amendment to 2009 Plan

The approval of the amendment and restatement of the 2009 Plan requires the affirmative vote of a majority of the votes entitled to be cast by shareholders who are present in person or represented by proxy at the Annual Meeting of Shareholders and entitled to vote.

How Are Votes Counted?

In the election of Addus HomeCare's directors, your vote may be cast **FOR** all of the nominees or your vote may be **WITHHELD** with respect to one or more of the nominees. For the ratification of Addus HomeCare's independent auditors and the approval of the amendment and restatement of the 2009 Plan, your vote may be cast **FOR** or **AGAINST** or you may **ABSTAIN**. If you sign your proxy card or broker voting instruction card with no further instructions, your shares will be voted in accordance with the recommendations of the Board. We will appoint one or more inspectors of election to count votes cast in person or by proxy.

Table of Contents

What Is the Effect of Broker Non-Votes and Abstentions?

Abstentions have the same effect as negative votes. Broker non-votes and shares as to which proxy authority has been withheld with respect to any matter are not entitled to vote for purposes of determining whether shareholder approval of that matter has been obtained and, therefore, will have no effect on the outcome of the vote on any such matter. A broker non-vote occurs on an item when shares held by a broker are present or represented at the meeting, but the broker is not permitted to vote on that item without instruction from the beneficial owner of the shares and no instruction is given.

What Are the Costs of Soliciting these Proxies and Who Will Pay Them?

Addus HomeCare will pay all the costs of soliciting these proxies. Although we are mailing these proxy materials, our directors and employees may also solicit proxies by telephone, by fax or other electronic means of communication, or in person. We will reimburse our transfer agent and banks, brokers, nominees and other fiduciaries for the expenses they incur in forwarding the proxy materials to you.

Where Can I Find the Voting Results?

We will publish the voting results by filing a Current Report on Form 8-K, which we will file with the Securities and Exchange Commission (the SEC) within four business days of our Annual Meeting of Shareholders.

Do Directors Attend the Annual Meeting of Shareholders?

Although we do not have a formal policy regarding director attendance at shareholder meetings, we encourage our directors to attend our annual meeting of shareholders and special meetings of shareholders. In 2013, four of the directors of the Company attended the Annual Meeting.

Can a Shareholder Communicate Directly with our Board? If so, how?

Shareholders and other interested parties may contact any member (or all members) of the Board, any Board committee or any chair of any such committee by mail. To communicate with the Board, any individual director or any group or committee of directors, correspondence should be addressed to the Board or any such individual director or group or committee of directors by either name or title. All such correspondence should be sent to the Secretary, Addus HomeCare Corporation, 2300 Warrenville Road, Downers Grove, Illinois 60065.

All communications received as set forth in the preceding paragraph will be opened by the Company's executive officers for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, or patently offensive material will be forwarded promptly to the addressee. In the case of communications to the Board or any group or committee of directors, the executive officers will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope is addressed.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

General

Our Bylaws divide our Board into three classes with the terms of office of each class ending in successive years. Our Bylaws empower our Board to fix the exact number of directors and appoint persons to fill any vacancies on the Board until the next Annual Meeting of Shareholders.

Following a recommendation from the Nominating and Corporate Governance Committee, our Board has nominated Steven I. Geringer and Michael Earley for re-election as Class II directors of the Company to serve three year terms to expire at the Annual Meeting of Shareholders in 2017.

Table of Contents

**THE BOARD RECOMMENDS A VOTE FOR THE ELECTION OF THESE
NOMINEES AS DIRECTORS OF THE COMPANY.**

It is the intention of the persons named as proxies, subject to any direction to the contrary, to vote in favor of the candidates nominated by the Board. We know of no reason why any nominee would be unable to serve as a director. If any nominee is unable to serve, your proxy may vote for another nominee proposed by the Board, or the Board may reduce the number of directors to be elected. If any director resigns, dies or is otherwise unable to serve out his term, or the Board increases the number of directors, the Board may fill the vacancy until the next election of the class for which such director was chosen.

We have set forth below information with respect to the nominees for election as directors proposed by the Company and the other directors whose terms of office as directors will continue after the Annual Meeting of Shareholders. A majority of the Board, including Mark L. First, Simon A. Bachleda, Mark S. Heaney and Steven I. Geringer, were initially elected pursuant to a shareholders' agreement dated September 19, 2006 (the Shareholders' Agreement). The Shareholders' Agreement was terminated in connection with the Company's initial public offering completed on November 2, 2009 (the IPO) and there are no remaining contractual rights to appoint directors. There are no other arrangements or understandings between any director and any other person pursuant to which any director was or is selected as a director or nominee.

Director Independence

Our Board has affirmatively determined that each director other than Mark S. Heaney is independent, as defined by the Marketplace Rules of The NASDAQ Stock Market LLC. Under the Marketplace Rules, a director can be independent only if the director does not trigger a categorical bar to independence and our Board affirmatively determines that the director does not have a relationship which, in the opinion of our Board, would interfere with the exercise of independent judgment by the director in carrying out the responsibilities of a director.

With respect to Messrs. First and Bachleda, our Board considered Mr. First's role as a managing director and Mr. Bachleda's former role as a principal of Eos Management, which is an affiliate of the Eos Funds, and the fact that the Eos Funds own a significant number of shares of our capital stock. See Information About our Common Stock Ownership. Mr. Bachleda is no longer affiliated with the Eos Funds, and he may no longer be deemed to share beneficial ownership of the shares of Common Stock owned by Eos. In addition, our Board considered that Messrs. First and Bachleda served as non-employee, unpaid executive officers of the Company prior to the IPO. In addition, our Board considered the fact that Addus HealthCare was party to a management consulting agreement with Eos Management, Inc. prior to the completion of the IPO, pursuant to which Eos Management, Inc. served as its consultant with respect to the IPO, acquisitions and other senior management matters related to its business, administration and policies, in exchange for a management fee. Our Board also considered the fact that we were a party to the Shareholders' Agreement with the Eos Funds, among others, which terminated by its terms upon the completion of the IPO, and we are a party to a registration rights agreement with the Eos Funds, among others, in connection with their ownership of our capital stock, which survived the completion of the IPO. Our Board also considered the payments received by the Eos Funds and their affiliates upon completion of the IPO, including the issuance of dividend notes and the prepayments required thereunder at the completion of the IPO, and a \$1,500,000 one-time consent fee paid to the Eos Funds in connection with the IPO. After reviewing the existing relationships between us and the Eos Funds and their affiliates, and considering that the affiliation of Mr. First, and the former affiliation of Mr. Bachleda, with the Eos Funds positively aligns their interests with those of our public shareholders, our Board has affirmatively determined that, in its judgment, Messrs. First and Bachleda do not have any relationship that would interfere with the exercise of independent judgment in carrying out their responsibilities as directors under the standards established by The NASDAQ Stock Market LLC.

Board Leadership Structure

The Company's Bylaws permit the Board to choose a Chairman of the Board from among its members. There is no restriction against appointing the President or Chief Executive Officer of the Company as the Chairman of the Board. This approach gives the Board the necessary flexibility to determine whether these positions should be held by the same person or by separate persons based on the leadership needs of the Company at any particular time. The positions of President and Chief Executive Officer and Chairman of the Company are currently held by Mark S. Heaney. The directors believe that, at the Company's current stage, Mr. Heaney's in-depth knowledge of the Company's operations and strategic goals make him qualified to serve as Chairman as well as Chief Executive Officer. In addition, the Board is permitted to choose a Lead Independent Director, which cannot be an executive officer. The Lead Independent Director presides at all meetings of the Board and shareholders at which the Chairman is not present, including executive sessions of non-executive directors. The Lead Independent Director also serves as a liaison between the Chairman and the independent directors as necessary. The Lead Independent Director is required to consult with the Board regarding the following: (i) the flow of information from management to the independent directors; (ii) the right of the Lead Independent Director to specifically request the inclusion of certain material; (iii) acting as principal liaison between the independent directors and the Chairman of the Board/Chief Executive Officer on sensitive issues; (iv) coordination with the members of the Compensation Committee to facilitate the performance of their obligations under the Compensation Committee Charter; and (v) recommendations relating to the membership of committees of the Board, as well as the selection of committee chairs. The independent directors may delegate

additional duties to the Lead Independent Director as appropriate. The Lead Independent Director has the authority to retain such counsel or consultants as he deems necessary to perform his responsibilities. The position of Lead Independent Director is currently held by Mark L. First.

Committees of the Board

The Board has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, all of which consist exclusively of members who qualify as independent directors under the applicable requirements of The NASDAQ Stock Market LLC and the SEC.

Audit Committee

The audit committee is composed entirely of directors who are independent of the Company and its management as defined by The NASDAQ Stock Market LLC listing standards and Rule 10A-3 of the Securities Exchange Act of 1934, as amended (the Exchange Act). The members of the Audit Committee are Steven I. Geringer, R. Dirk Allison and Michael Earley. Mr. Allison became chairman of the Audit Committee effective May 9, 2013.

The Board has determined that each member of the Audit Committee satisfies the financial literacy requirements of The NASDAQ Stock Market LLC. Additionally, the Board has determined that Mr. Allison and Mr. Earley are audit committee financial experts, as that term is defined under Item 407(d) of Regulation S-K. The members of the Audit Committee are reviewed at least annually by the Board.

The primary purpose of our Audit Committee is to oversee the integrity of our financial statements, our financial reporting process, the independent accountants qualifications and independence, the performance of the independent accountants and our compliance with legal and regulatory requirements on behalf of our Board. In particular, our Audit Committee performs the following key functions, among others:

reviewing our financial statements, reports, earnings press releases and other financial information (including internal procedures used in the preparation thereof) in conjunction with management and the independent auditor;

meeting quarterly with our Chief Financial Officer to monitor certain financial and operational metrics;

appointing our independent auditor and approving all audit and engagement compensation and terms, as well as all significant permitted non-audit services by our independent auditors, and meeting with our independent auditors to review and discuss certain financial measures;

reviewing the adequacy and effectiveness of our internal controls regarding accounting and financial matters;

reviewing and, if appropriate, approving transactions between us and related persons; and

reporting regularly to the full Board.

Table of Contents

Additional information regarding our Audit Committee and its processes and procedures for the consideration and approval of related person transactions can be found under the heading "What Is Our Related Party Transactions Approval Policy and What Procedures Do We Use to Implement It?"

This Committee met six times in 2013.

Compensation Committee

The Compensation Committee is composed entirely of directors who are independent of the Company and its management, as defined by The NASDAQ Stock Market LLC listing standards. The members of the Compensation Committee are Steven I. Geringer, Mark L. First and Simon A. Bachleda. Mr. Geringer serves as chairman of the Compensation Committee.

The Board considered, in its independence evaluation for Mr. First, that the Eos Funds, with which Mr. First is affiliated, from time to time engage Winston & Strawn LLP, the Company's outside legal counsel, to advise on investments. The Board also considered in its independence evaluation of Mr. Bachleda, that Revelstoke Capital Partners LLC, with which Mr. Bachleda is affiliated, from time to time engages Winston & Strawn LLP to advise on investments.

The principal responsibilities of our Compensation Committee are to assist our Board by ensuring that our officers and key executives are compensated in accordance with our total compensation objectives and policies, and developing and implementing these objectives and policies. In particular, the Compensation Committee is responsible for the following key functions, among others:

reviewing and approving corporate goals and objectives of executive compensation;

evaluating and approving the compensation and benefits of our senior executive officers and approving compensation for new senior executive officers hires; and

administering stock plans and other incentive and equity compensation plans.

This Committee met five times in 2013.

Nominating and Corporate Governance Committee The Nominating and Corporate Governance Committee is composed entirely of directors who are independent of the Company and its management, as defined by The NASDAQ Stock Market LLC listing standards. The members of the Nominating and Corporate Governance Committee are Mark L. First and R. Dirk Allison. Mr. First serves as chairman of the Nominating and Corporate Governance Committee.

Table of Contents

The primary responsibilities of the Nominating and Corporate Governance Committee include:

identifying individuals qualified to become board members consistent with the criteria established by our Board from time to time and recommending nominees to our Board;

selecting, or recommending that our Board select, candidates for election to the Board at the next annual meeting of shareholders, or to fill vacancies on our Board as necessary;

evaluating and approving outside director compensation;

overseeing the evaluation of our Board and our management; and

overseeing the succession planning of the President and Chief Executive Officer and senior executive officers.

This Committee met three times in 2013.

Risk Oversight

Together with the Board's standing committees, the Board is responsible for ensuring that material risks are identified and managed appropriately. The Board and its committees regularly review material operational, financial, compensation and compliance risks with senior management. As part of its responsibilities as set forth in its charter, the Audit Committee is responsible for overseeing the quality and integrity of the Company's financial statements and other financial information, financial reporting process, internal controls and procedures for financial reporting and internal audit function. In addition, the Audit Committee strives to provide an open avenue of communication among the Company's independent auditor, management and the Board. The Compensation Committee considers risk in connection with its design of compensation programs for our executives. The Nominating and Corporate Governance Committee annually reviews its own performance and the Company's corporate governance guidelines and their implementation. Each committee regularly reports to the Board.

How are Directors Nominated?

The Nominating and Corporate Governance Committee identifies potential nominees for directors from various sources. The Nominating and Corporate Governance Committee reviews the appropriate skills and characteristics required of Board members in the context of the current composition of the Board. The Nominating and Corporate Governance Committee considers, among other things, a potential director's independence and conflicts of interests, character and integrity, financial literacy, education and business experience and available time to devote to Board matters. The Nominating and Corporate Governance Committee seeks candidates from diverse business and professional backgrounds with outstanding integrity, achievements, judgment and such other skills and experience that will enhance the Board's ability to serve the long-term interests of the shareholders. The Nominating and Corporate Governance Committee considers diversity as one of a number of factors in identifying nominees for director. The Committee views diversity broadly to include diversity of experience, skills and viewpoint as well as traditional diversity concepts such as race and gender. The Nominating and Corporate Governance Committee's objective is to assemble a slate of directors that can best fulfill the Company's goals and promote the interests of shareholders.

The Nominating and Corporate Governance Committee may from time to time use its authority under its charter to retain at the Company's expense one or more search firms to identify candidates and to approve the search firm's fees and other retention terms, and will specify for the search firm the criteria to use in identifying potential candidates.

The Nominating and Corporate Governance Committee will consider a shareholder's recommendation for director, but the Nominating and Corporate Governance Committee has no obligation to recommend such candidates for nomination by the Board. Assuming that appropriate biographical and background material is

Table of Contents

provided for candidates recommended by shareholders, the Nominating and Corporate Governance Committee will evaluate those candidates by following substantially the same process and applying substantially the same criteria as for candidates recommended by other sources. If a shareholder has a suggestion for candidates for election, the shareholder should mail it to: Secretary, Addus HomeCare Corporation, 2300 Warrenville Road, Downers Grove, Illinois 60065. No person recommended by a shareholder will become a nominee for director and be included in a proxy statement unless the Nominating and Corporate Governance Committee recommends, and the Board approves, such person.

If a shareholder desires to nominate a person for election as director at a shareholders' meeting, that shareholder must comply with Section 1.11 of the Company's Bylaws, which requires, in the case of an annual meeting of shareholders of the Company, that any nomination made by a shareholder be delivered to the Company's secretary at the principal executive offices of the Company not later than the close of business on the one hundred twentieth (120th) day nor earlier than the close of business on the one hundred fiftieth (150th) day prior to the first anniversary of the preceding year's annual meeting (provided, however, that in the event that the date of the annual meeting is more than thirty (30) days before or more than sixty (60) days after such anniversary date, notice by the shareholder must be so delivered not earlier than the close of business on the one hundred fiftieth (150th) day prior to such annual meeting and not later than the close of business on the later of the one hundred twentieth (120th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by the Company). In no event shall the public announcement of an adjournment or postponement of an annual meeting of shareholders of the Company commence a new time period (or extend any time period) for the giving of a shareholder's notice as described above.

Notwithstanding the above, in the event that the number of directors to be elected to the Board at an annual meeting of shareholders of the Company is increased and there is no public announcement by the Company naming the nominees for the additional directorships at least one hundred (100) days prior to the first anniversary of the preceding year's annual meeting, the shareholder's notice required by the Bylaws shall also be considered timely, but only with respect to nominees for the additional directorships, if it shall be delivered to the secretary of the Company at the principal executive offices of the Company not later than the close of business on the tenth (10th) day following the day on which such public announcement is first made by the Company.

In the case of a special meeting of shareholders of the Company, to be timely, any nomination shall be delivered to the secretary of the Company at the principal executive offices of the Company not earlier than the close of business on the one hundred fiftieth (150th) day prior to such special meeting and not later than the close of business on the later of the one hundred twentieth (120th) day prior to such special meeting or the tenth (10th) day following the day on which public announcement is first made of the date of such special meeting and of the nominees proposed by the Board of the Company to be elected at such special meeting. In no event shall the public announcement of an adjournment or postponement of a special meeting of shareholders of the Company commence a new time period (or extend any time period) for the giving of a shareholder's notice as described above.

The time period for delivery of notice of nominations has passed with respect to the 2014 Annual Meeting of Shareholders. With respect to the 2015 Annual Meeting of Shareholders, the Company must receive such written notice no earlier than January 19, 2015 and no later than February 18, 2015. To be in proper form the shareholder's notice of nominations must set forth:

all information relating to the individual being nominated that is required to be disclosed in solicitations of proxies for election of directors in an election contest and such individual's written consent to be named in a proxy statement as a nominee and to serve as a director if elected;

the name and address of the shareholder, as they appear on the Company's books, and of the beneficial owner proposing such business;

the class, series and number of shares of capital stock of the Company which are owned beneficially and of record by the shareholder and beneficial owner;

Table of Contents

a representation that the shareholder is a holder of record of stock of the Company entitled to vote at such meeting and such shareholder intends to appear in person or by proxy at the annual meeting to propose such business;

whether and the extent to which any hedging or other transaction or series of transactions has been entered into by or on behalf of, or any other agreement, arrangement or understanding (including any short position or any borrowing or lending of shares of stock) has been made, the effect or intent of which is to mitigate loss to or manage risk of stock price changes for, or to increase the voting power of, such shareholder or beneficial owner or any of its affiliates with respect to any share of stock of the Company; and

a representation whether the shareholder or the beneficial owner, if any, intends or is part of a group which intends (1) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Company's outstanding capital stock required to elect the individual nominated and/or (2) otherwise to solicit proxies from shareholders of the Company in support of such nomination.

The Company may require any individual nominated to furnish such other information as it may reasonably require to determine the eligibility of such individual to serve as a director of the Company.

Role of Compensation Consultants

The Compensation Committee has the authority to retain a compensation consultant or obtain advice from external legal, accounting or other advisors to assist in the evaluation of senior executive compensation. During 2012, the Compensation Committee engaged Pearl Meyer & Partners as its independent compensation consultant to provide advice as discussed in the following paragraph, which advice was used in making 2013 compensation decisions.

What Is Our Related Party Transactions Approval Policy and What Procedures Do We Use to Implement It?

Our written Code of Business Conduct and Ethics provides that our directors, officers and employees are not permitted to enter into a related person transaction with us without the prior consent of our Audit Committee, or other independent committee of our Board in the event it is inappropriate for our Audit Committee to review such transaction due to a conflict of interest. In addition, the charter of our Audit Committee states that the Audit Committee shall review and approve all related person transactions. Any request for us to enter into a transaction with an executive officer, director, nominee for director, principal shareholder or any of such persons' immediate family members or affiliates, or our employees, in which the amount involved may exceed \$120,000, will first be presented to our Audit Committee or such other committee for review, consideration and approval. All of our directors, officers and employees are required to report to our Audit Committee or such other committee any such related person transaction. In approving or rejecting the proposed agreement, our Audit Committee or such other committee will consider the facts and circumstances available and deemed relevant, including, but not limited to, the risks, costs and benefits to us, the terms of the transaction, the availability of other sources for comparable services or products and, if applicable, the impact on a director's independence. Our Audit Committee or such other committee will approve only those transactions that, in light of known circumstances, are in, or are not inconsistent with, our best interests, as our Audit Committee or such other committee determines in the good faith exercise of its discretion. Under the policy, if we should discover related person transactions that have not been approved, the Audit Committee or such other committee will be notified and will determine the appropriate action, including ratification, rescission, or amendment of the transaction. Notwithstanding the foregoing, compensatory transactions with our related persons will be reviewed by our Compensation Committee.

What Related Person Transactions Do We Have?

In connection with the settlement of a derivative lawsuit, the Company agreed, among other things, to lower the disclosure threshold for certain related party transactions from \$120,000 (which is the requirement under the

Table of Contents

rules of the SEC) to \$60,000. Since January 1, 2013, there has not been, nor is there currently proposed, any transaction or series of similar transactions to which we were or are a party in which the amount involved exceeded or exceeds \$60,000 and in which any of our directors, executive officers, holders of more than 5% of any class of our voting securities, or any member of the immediate family of any of the foregoing persons, had or will have a direct or indirect material interest, other than compensation arrangements with directors and executive officers, which are described where required under the captions Executive Officers and Executive Compensation appearing elsewhere in this proxy, and the transactions described below.

Property Lease

The Company leased its former corporate office space from W. Andrew Wright, III, a former member of our Board and former Chairman of Addus HealthCare who is also a 5% shareholder of the Company, under the terms of an operating lease that expired in May 2014. The Company made monthly rent payments of \$40,050, plus our proportionate share of the common costs and expenses. Rental expense relating to this lease amounted to approximately \$480,600 for the year ended December 31, 2013.

Escrow Related to Acquisition of Addus HealthCare

In connection with the acquisition of Addus HealthCare on September 19, 2006, the Company entered into a purchase agreement with Mark S. Heaney, President and Chief Executive Officer and Chairman of the Board of the Company, W. Andrew Wright, III, a holder of more than 5% of our common stock and a former member of our Board, and certain members of Mr. Wright's family and trusts for their benefit, who we collectively refer to as the sellers. Pursuant to the purchase agreement, subject to certain limitations, the sellers have ongoing obligations to indemnify us for losses we may incur as a result of breaches of certain representations, warranties and covenants set forth in the purchase agreement; sellers' expenses, indebtedness and brokers' fees to the extent not paid or assumed at closing; certain tax, litigation and insurance matters; certain matters relating to certain discontinued operations; and workers' compensation claims relating to events that occurred prior to January 1, 2006, referred to as the pre-2006 workers' compensation claims.

We also entered into an escrow agreement on September 19, 2006 with Mr. Wright, in his capacity as the representative of the sellers, and Fifth Third Bank (Chicago) as the escrow agent, pursuant to which \$25.7 million of the acquisition purchase price was deposited into escrow to serve as security for the post-closing indemnification obligations of the sellers and payment of certain pre-2006 workers' compensation claims. Messrs. Heaney and Wright were entitled to 5.6% and 75.8% of any funds released to the sellers from escrow, respectively. As of March 31, 2014, approximately \$14.5 million, including interest to which the sellers are entitled, of the escrowed funds had been released to the sellers, and \$11.5 million of the escrowed funds had been released to us in respect of certain indemnifiable events, including pre-2006 workers' compensation claims and certain litigation, insurance and tax claims.

Approximately \$1.3 million, including interest to which the sellers are entitled, remained in escrow as of March 31, 2014, and serves as collateral for outstanding letters of credit securing the pre-2006 workers' compensation claims. The beneficiary of one such letter of credit permitted a reduction in the amount of its letter of credit relating to pre-2006 workers' compensation claims by \$450,000, provided its letter of credit relating to workers' compensation claims arising from and after 2006 was correspondingly increased. On the business day following the effective date of such proposed reduction and corresponding increase, we instructed the escrow agent to release \$450,000 to the sellers representative on behalf of the sellers. Once the letters of credit are no longer outstanding and until September 19, 2014, the sellers are required to maintain in the escrow account an amount equal to 120% of the outstanding reserve amounts for the pre-2006 workers' compensation claims. The outstanding reserve amount will be determined by us in conjunction with Mr. Wright according to the procedures set forth in the purchase agreement.

Table of Contents

Upon completion of the IPO, the obligation of the sellers to indemnify us in respect of the pre-2006 workers' compensation claims became limited to the cash amounts then remaining in the escrow account, which was \$1.7 million, and the obligation of the sellers to contribute any additional funds to the escrow account terminated. All remaining escrowed funds serving as collateral for outstanding letters of credit or the outstanding reserve amount will be released to the sellers on September 19, 2014, to the extent not subject to pending claims.

Registration Rights Agreement

We are a party to a registration rights agreement with the Eos Funds, Freeport Loan Fund LLC, Mark S. Heaney, W. Andrew Wright, III and certain members of Mr. Wright's family and trusts for their benefit, pursuant to which, under certain circumstances, we are required to register shares of our common stock held by those shareholders under the Securities Act of 1933, as amended (the "Securities Act").

Limitation of Liability and Indemnification

Our amended and restated certificate of incorporation contains provisions that limit the liability of our directors for monetary damages to the fullest extent permitted by Delaware law. Consequently, our directors will not be personally liable to us or our shareholders for monetary damages for any breach of fiduciary duties as directors, except liability for the following:

any breach of their duty of loyalty to our company or our shareholders;

acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;

unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the Delaware General Corporation Law; and

any transaction from which the director derived an improper personal benefit.

Our amended and restated bylaws provide that we are required to indemnify our directors and officers and may indemnify our employees and other agents to the fullest extent permitted by Delaware law. Our amended and restated bylaws also provide that we will advance expenses incurred by a director or officer in advance of the final disposition of any action or proceeding, and permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in that capacity, regardless of whether our bylaws would otherwise permit indemnification. We believe that these by-law provisions are necessary to attract and retain qualified directors and officers. We also maintain directors' and officers' liability insurance.

The limitation of liability and indemnification provisions in our amended and restated certificate of incorporation and amended and restated bylaws may discourage shareholders from bringing a lawsuit against our directors for breach of their fiduciary duties. They may also reduce the likelihood of derivative litigation against our directors and officers, even though an action, if successful, might benefit us and our shareholders. Furthermore, a shareholder's investment may be adversely affected to the extent that we pay the costs of settlement and damage awards against directors and officers as required by these indemnification provisions.

We are party to indemnification agreements with each of Mark L. First, Simon A. Bachleda, Mark S. Heaney, Steven I. Geringer, R. Dirk Allison and Michael Earley in their capacities as officers and directors, and with Brian D. Young, a former member of our board of directors and an affiliate of the Eos Funds, Wayne Lowell, a former member of our board of directors, and W. Andrew Wright, III, a former member of our board of directors and a 5% stockholder (each, an indemnitee). Pursuant to these agreements, we have agreed to hold each indemnitee harmless and indemnify him to the fullest extent permitted by law against all expenses, judgments, penalties, fines and amounts paid in settlement including, without limitation, all liability arising out of the negligence or active or passive wrongdoing of the indemnitee. We are not obligated to make any payment to any indemnitee that is finally determined to be unlawful. In respect of any threatened, pending or completed proceeding in which we are jointly liable with an indemnitee, we

Table of Contents

will pay the entire amount of any judgment or settlement without requiring the indemnitee to contribute. We will advance, to the extent permitted by law, all expenses incurred by or on behalf of an indemnitee in connection with a proceeding. No amendment, alteration or repeal of our certificate of incorporation, our bylaws or the indemnification agreement with any indemnitee will limit any right of that indemnitee in respect of any action taken or omitted by that indemnitee prior to such amendment. With respect to Messrs. Young, First and Bachleda, we have agreed that, where the indemnitee has certain rights to indemnification, advancement of expenses and/or insurance provided by any of the Eos Funds or their affiliates, we will be the indemnitor of first resort, we will be required to advance the full amount of expenses incurred by the indemnitee and we will waive and release the Eos Funds and their affiliates from any and all claims for contribution, subrogation or any other recovery of any kind. We anticipate that we will enter into similar indemnification agreements with any new member elected to our board of directors.

At present, we are not aware of any pending litigation or proceeding involving any of our directors, officers, employees or agents in their capacity as such, for which indemnification will be required or permitted. In addition, we are not aware of any other threatened litigation or proceeding that may result in a claim for indemnification by any director or officer.

We have been informed that, in the opinion of the SEC, any indemnification of directors or officers for liabilities arising under the Securities Act is against public policy and therefore unenforceable.

Section 16(a) Beneficial Ownership Reporting Compliance in 2013

Section 16(a) of the Exchange Act requires our executive officers and directors and persons who own more than ten percent of a registered class of our equity securities (collectively, the reporting persons) to file reports of ownership and changes in ownership with the SEC and to furnish us with copies of these reports. Based upon our review of reports filed with the SEC by the reporting persons, and based upon written representations received from the reporting persons, we believe that all of the reporting persons timely complied with the reporting requirements of Section 16(a) of the Exchange Act during 2013, except that an amendment was filed late to correct W. Andrew Wright, III s beneficial ownership of shares that were previously reported as owned by a trust for which Mr. Wright was a trustee.

INFORMATION ABOUT OUR COMMON STOCK OWNERSHIP

How Much Stock is Owned By Directors, Executive Officers and Holders of at Least 5% ?

The following table sets forth information regarding beneficial ownership of our common stock, as of April 28, 2014, by the following:

each person, or group of affiliated persons, who is known by us to beneficially own 5% or more of any class of our voting securities;

each of our current directors;

each of our named executive officers; and

all current directors and executive officers as a group.

Beneficial ownership is determined according to the rules of the SEC. Beneficial ownership means that a person has or shares voting or investment power of a security, and includes shares underlying options and warrants that are currently exercisable or exercisable within 60 days after the measurement date. The information in the table below is based on information supplied by our directors and named executives and public filings.

Except as otherwise indicated, we believe that the beneficial owners of the common stock listed below have sole investment and voting power with respect to their shares, except where community property laws may apply. Unless otherwise indicated, we deem shares of common stock subject to options that are exercisable within 60 days of April 28, 2014 to be outstanding and beneficially owned by the person holding the options for the

purpose of computing percentage ownership of that person, but we do not treat them as outstanding for the purpose of computing the ownership percentage of any other person. As of April 28, 2014, we did not have any warrants issued or outstanding. The percentage of shares beneficially owned is based on 10,951,053 shares of our common stock outstanding as of April 28, 2014. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The purpose of this compensation discussion and analysis is to provide information about the material elements of compensation that is paid or awarded to, or earned by, our named executive officers.

Named Executive Officers

Our named executive officers for the last completed fiscal year were as follows:

Mark Heaney, President and Chief Executive Officer;

Dennis Meulemans, Chief Financial Officer, Vice President and Secretary;

Darby Anderson, Senior Vice President;

Inna Berkovich, Chief Information Officer; and

Paul Diamond, Former Vice President of Human Resources.

Overview of our Compensation Program and Compensation Philosophy and Objectives

Our compensation and benefits programs are designed to attract and retain talented, qualified senior executives to manage and lead the Company, to motivate them to pursue corporate objectives and to maximize the long-term growth of the Company. We believe that our compensation program allows us to meet the following objectives:

Reward the named executive officer for a job done well. While base salary, which is related to the essential elements of a named executive officer's position, remains the largest component of a named executive officer's compensation, annual cash bonuses based on corporate, divisional/departmental and individual performance comprise a significant portion of compensation, with named executive officers having the opportunity to obtain a target bonus of 40% to 60% of base salary and a maximum bonus of 70% to 100% of base salary, depending on the individual, as set forth in their respective employment agreements.

Compensate named executive officers within market standards. We believe that competitive pay, together with our significant growth opportunities and employee-centered corporate culture, allow us to attract and retain top-quality executives. To ensure the competitiveness of our compensation levels within the comparable markets for executive talent, we will direct the conduct of

Edgar Filing: Addus HomeCare Corp - Form DEF 14A

periodic independent consulting studies to evaluate our executive compensation program in comparison to pertinent market data and specified peer companies.

Provide compensation that is fair to the named executive officer and the Company. We believe that it is important for named executive officers to be fairly compensated, at levels reflective of their talents and experience, and the scope of their job responsibilities. We also believe that it is important that each named executive officer perceives that his or her compensation is fair and equitable relative to his or

Table of Contents

her peers and others in the organization. This perceived equity promotes executive retention and satisfaction, and is consistent with our beliefs and values.

Create a high-performance culture. We believe that named executive officers should strive to achieve and exceed performance expectations, and drive the growth and success of the business. We also believe that superior performance warrants superior rewards. Our merit-based salary increases and performance-based annual cash bonus plans are designed to promote this high-performance culture and motivate our executives to achieve at their highest potential.

2013 Advisory Vote on Executive Compensation

The Compensation Committee reviewed the results of the 2013 shareholder advisory vote on named executive officer compensation and incorporated the results as one of the many factors considered in connection with the discharge of its responsibilities. Since a substantial majority (over 98%) of our shareholders at our 2013 annual meeting of shareholders approved the compensation program described in our 2013 Proxy Statement, the Compensation Committee did not implement changes to our executive compensation program as a direct result of the shareholders' advisory vote.

The Company also held a non-binding shareholder vote at the 2013 annual meeting of shareholders regarding whether to hold an advisory vote on named executive officer compensation every one, two or three years. In line with the results of the vote, the Company will present an advisory vote on named executive officer compensation every three years, the next of which will appear in the 2016 Proxy Statement.

Role of the Compensation Committee, Consultants and Executive Officers in Determining Executive Compensation

The targeted compensation range and amount of each element of our compensation program is determined by our Compensation Committee at the time of initial hire or promotion, taking into consideration our results of operations, long and short-term goals, the competitive market for the named executive officer and general economic factors. We then review compensation on an annual basis as described below. We seek to combine the components of our executive compensation program to achieve a total compensation level appropriate for our size and corporate performance. We then determine the amount of each element of compensation based on our compensation objectives.

Role of the Compensation Committee

The Compensation Committee has primary responsibility for all compensation decisions relating to our named executive officers. The Compensation Committee reviews the aggregate level of our executive compensation, as well as the mix of elements used to compensate our named executive officers on an annual basis. In addition, the targeted compensation range for each executive, along with the amount of each program element, is determined by the Compensation Committee. During 2012, the Compensation Committee engaged Pearl Meyer & Partners as its independent compensation consultant to provide advice as discussed in the following paragraph, which advice was used in making 2013 compensation decisions.

Role of the Independent Compensation Consultant

The Compensation Committee has the authority to retain a compensation consultant or obtain advice from external legal, accounting or other advisors to assist in the evaluation of senior executive compensation. The Compensation Committee retained Pearl Meyer & Partners as an outside compensation consultant during 2012. Pearl Meyer & Partners was engaged to provide advice with respect to Mr. Heaney's total compensation opportunity and to provide market data regarding other senior executives' base salaries. The Compensation Committee reviewed the independence of Pearl Meyer & Partners in light of new SEC rules and NASDAQ listing standards regarding compensation consultants and has concluded that Pearl Meyer & Partners' work for the Compensation Committee does not raise any conflict of interest. All work performed by Pearl Meyer & Partners is

Table of Contents

subject to review and approval of the Compensation Committee. Pearl Meyer & Partners did not provide any other services to the Company and only received fees from the Company on behalf of the Compensation Committee.

Benchmarking

To ensure that our executive compensation program is competitive in the industry, we have occasionally benchmarked certain aspects of our compensation program against a peer group of companies. In 2012, we reviewed an analysis of CEO pay at the following peer group companies used by Pearl Meyer & Partners, the Compensation Committee’s independent consultant:

Providence Service Corp.
Advocat Inc.

LHC Group Inc.
U S Physical Therapy Inc.

Almost Family Inc.
Sunlink Health Systems Inc.

In determining our peer group, we selected similarly-sized companies which provide comparable services in the healthcare industry. The Compensation Committee targeted Mr. Heaney’s total compensation opportunity at the 50th percentile of the peer group, on average, though his actual compensation varies based on such factors as external business conditions and the Company’s financial performance. Overall performance may result in actual compensation levels that are more or less than the target.

Role of the Executive Officers

Mr. Heaney regularly participates in meetings of the Compensation Committee at which compensation actions involving our named executive officers are discussed. Mr. Heaney assists the Compensation Committee by making recommendations regarding compensation actions relating to the named executive officers other than himself. Mr. Heaney recuses himself and does not participate in any portion of any meeting of the Compensation Committee at which his compensation is discussed.

Elements of Our Executive Compensation Program

The compensation we provide to our named executive officers is primarily comprised of three elements – base salary, performance-based annual cash bonuses and equity compensation. We believe that offering these elements of compensation allows us to meet each of the objectives of our compensation philosophy, as well as to remain competitive with the market for acquiring executive talent. We also provide our named executive officers with certain other benefits and perquisites that are discussed below under – Other Compensation.

Base Salary

We utilize base salary as the primary means of rewarding our named executive officers for their individual job performance, and encouraging them to focus on their most important priorities and initiatives. The Compensation Committee may adjust executive base salary levels based on performance, competitive market conditions, and/or changes in position scope and responsibilities.

We agree upon a base salary with each named executive officer at the time of initial employment or promotion, which historically has been reflected in employment agreements. The amount of base salary initially offered to a new or newly-promoted named executive officer agreed upon, which is not at risk, reflects our views as to the individual named executive officer’s scope of anticipated responsibilities; past experience; and future potential to add value through performance, knowledge, skills and expertise. This base salary level is also based on competitive industry salary practices.

A named executive officer may receive a merit-based salary increase to the extent such named executive officer is eligible pursuant to his or her employment agreement. In addition, we may adjust salary due to other circumstances, such as a change in responsibilities or position. Executive merit-based salary increases, to the extent permitted by a named executive officer’s employment agreement, have generally been determined based

Table of Contents

on the named executive officer's performance of key Company and divisional or departmental objectives, as well as his or her effectiveness in performing his or her role.

Our named executive officers received the following base salary increases, effective as of March 11, 2013: Mr. Heaney from \$325,000 to \$400,000; Mr. Meulemans from \$250,000 to \$265,000; and Mr. Anderson from \$237,500 to \$265,000. Ms. Berkovich's base salary increased from \$225,000 to \$235,000, effective as of June 18, 2013, per the terms of her employment agreement. Mr. Diamond did not receive an annual base salary increase for 2013. Mr. Diamond terminated his employment with the Company on June 28, 2013.

Performance-Based Annual Bonuses

A significant part of each named executive officer's annual cash compensation is awarded under our individualized performance-based annual bonus plans. Our annual cash bonuses are intended to incentivize and reward our named executive officers for the achievement of certain financial objectives, and are dependent on the attainment of corporate performance goals and individually tailored performance criteria. These objectives are separated so that a named executive officer may be paid a bonus for meeting one objective even if he or she fails to meet other objectives. Performance-based annual bonuses are designed so that a significant portion is at risk, and that the named executive officer will only receive the maximum bonus if his or her performance exceeds our expectations.

Our financial objectives are established to drive performance at or above Company budgetary levels, requiring that internal budget levels be exceeded to achieve the maximum bonus potential. Individual performance objectives are intended to add economic value and align each named executive officer's compensation with expectations of leadership and achievement placed on the individual to realize various aspects of our business plan.

For Mr. Heaney, the award opportunity for 2013 performance was based 100% on the achievement of certain levels of EBITDA (earnings before interest expense, income taxes, depreciation and amortization). For each of Messrs. Meulemans, Anderson and Diamond and Ms. Berkovich, the award opportunity for 2013 performance was based 75% on the achievement of certain levels of EBITDA and 25% on the achievement of individual performance goals (MIT goals). The target EBITDA goal was set based on the budget/forecast for the period reflecting a level of performance which at the time was anticipated to be challenging, but achievable. The threshold EBITDA goal was set to be reflective of performance at which the Compensation Committee believed a portion of the award opportunity should be earned. The maximum level was set well above the target, requiring exemplary performance. The MIT goals were separately established for each named executive officer other than Mr. Heaney and were anticipated to be challenging, but achievable. MIT performance is measured based on the Compensation Committee's subjective evaluation of the named executive officer's performance during the fiscal year. The table which follows provides the EBITDA performance targets established by the Compensation Committee for 2013 as well as the actual level of performance achieved (dollars in thousands):

	EBITDA GOALS			
	Threshold	Target	Maximum	Actual
EBITDA	\$ 15,820	\$ 18,612	\$ 22,334	\$ 18,906

The target amount for each annual performance bonus is set as a percentage of the named executive officer's base salary, as set forth in the executive's employment agreement, and is based on the achievement of certain performance objectives. The target opportunity for Mr. Heaney in 2013 was 60% of base salary. For each of Messrs. Meulemans, Anderson and Diamond and Ms. Berkovich, the target opportunity was 40%. Threshold performance objectives must be met in order for any payout to occur and payouts cannot exceed the maximum level, as set forth in the table below. The bonus plans are structured so that a named executive officer may receive a portion of the target amount based on

Table of Contents

achievement of one or more financial or non-financial objectives, but may not receive another portion of the bonus if other objectives are not achieved. The following table shows the annual incentive opportunities and actual bonus percentages earned for our named executive officers with respect to 2013 performance:

Name	Base Salary	EBITDA			Actual % of Base Salary Earned	MIT			Actual % of Base Salary Earned
		Threshold % of Base Salary	Target % of Base Salary	Maximum % of Base Salary		Threshold % of Base Salary	Target % of Base Salary	Maximum % of Base Salary	
Mr. Heaney	\$ 400,000	20	60	100	64				
Mr. Meulemans	\$ 265,000	7.5	30	52.5	33	2.5	10	17.5	12.75
Mr. Anderson	\$ 265,000	7.5	30	52.5	33	2.5	10	17.5	10.35
Ms. Berkovich	\$ 225,000	7.5	30	52.5	33	2.5	10	17.5	13
Mr. Diamond	\$ 174,200	7.5	30	52.5		2.5	10	17.5	

The Compensation Committee makes recommendations to the Board regarding the actual annual bonus amount payable to Mr. Heaney based on the extent to which his annual bonus plan objectives have been achieved. Mr. Heaney makes recommendations to the Compensation Committee regarding the actual annual bonus amounts payable to the other named executive officers based on the extent to which their annual bonus plan objectives have been achieved. Mr. Diamond did not receive an annual bonus with respect to his 2013 performance due to his termination of employment on June 28, 2013. The respective award amounts for the other named executive officers are set forth in the Summary Compensation Table.

Long-Term Incentive Awards and Equity Compensation

We believe compensation in the this form of incentive equity awards aligns the interests of our named executive officers with the interests of our shareholders, and rewards our named executive officers for superior corporate performance. We believe this form of compensation is particularly effective for those individuals who have the most impact on the management and success of our business, providing them with a valuable long-term incentive while providing us with a valuable retention tool through the use of vesting periods. We also believe that equity incentives are an important part of a competitive compensation structure necessary to attract and retain talented named executive officers.

The long-term incentive component of our executive compensation program is designed to provide our senior management with performance-based award opportunities, to drive superior long-term performance and to align the interests of our senior management with those of our shareholders.

2013 Awards

On March 11, 2013, the Company granted long-term incentive awards to certain of our named executive officers in the form of stock options and restricted stock under the Addus HomeCare Corporation 2009 Stock Incentive Plan (the 2009 Plan), in accordance with the following table:

	Annual Option Awards (#)	Special Option Awards (#)	Special Restricted Stock Award (#)
Mr. Heaney	12,500	100,000	50,000
Mr. Meulemans	8,556	7,500	
Mr. Anderson	4,453	7,500	
Ms. Berkovich			
Mr. Diamond	6,125		

The annual option award levels were determined based on performance in relation to the EBITDA and MIT goals established with respect to 2012 performance. The annual option awards vest in equal one-third

Table of Contents

installments on each of the first three anniversaries of the grant date. The special option awards were granted in amounts necessary to achieve the Company’s goals of rewarding high performance and to enhance its retention efforts. The special option awards vest in equal one-fourth installments on each of the first four anniversaries of the grant date. For all 2013 option awards, such options would be forfeited upon a termination for Cause (whether or not vested) or become fully vested upon a Change in Control or upon the named executive officer’s death or Disability (each term as defined in the 2009 Plan). The 2013 option awards generally remain exercisable for a maximum of three months following the named executive officer’s termination for any reason, except (i) all options are forfeited upon a termination for Cause, (ii) vested options remain exercisable for a period of six months following termination in the event of the named executive officer’s Retirement and (iii) vested options remain exercisable for a period of twelve months following termination in the event of the named executive officer’s death or Disability (each term as defined in the 2009 Plan).

The special restricted stock award to Mr. Heaney was granted in an amount necessary to achieve the Company’s goals of rewarding high performance and to enhance its retention efforts. This award vests in equal one-fourth installments on each of the first four anniversaries of the grant date. The restricted stock would be forfeited upon a termination for Cause (to the extent unvested) or become fully vested upon a Change in Control or upon Mr. Heaney’s death or Disability (each term as defined in the 2009 Plan).

2014 Awards

On April 4, 2014, the Company granted long-term incentive awards to certain of our named executive officers in the form of stock options under the 2009 Plan, in accordance with the following table:

	Annual Option Awards (#)
Mr. Heaney	17,850
Mr. Meulemans	12,856
Mr. Anderson	12,698
Ms. Berkovich	10,225
Mr. Diamond	

The annual option award levels were determined based on performance in relation to the EBITDA and MIT goals established with respect to 2013 performance, as described above in the Performance-Based Annual Bonuses section. These awards contain substantially the same material terms as the 2013 annual option grants, as described above in the 2013 Awards section.

Other Compensation

In addition to the primary compensation elements discussed above, we provide our named executive officers with limited benefits and perquisites as described below in footnote 4 to the Summary Compensation Table. We consider these additional benefits to be a part of a named executive officer’s overall compensation. These benefits generally do not impact the level of other compensation paid to our named executive officers, due to the fact that the incremental cost to us of these benefits and perquisites represents a small percentage of each named executive officer’s total compensation package. We believe that these enhanced benefits and perquisites provide our named executive officers with security, convenience and support services that allow them to focus attention on carrying out their responsibilities to us. In addition, we believe that these benefits and perquisites help us to be competitive and retain talented executives.

In addition, we offer other employee benefits to our named executive officers for the purpose of meeting current and future health and security needs for the named executive officers and their families. These benefits, which we generally offer to all eligible employees, include medical, dental and life insurance benefits, short-term

Table of Contents

disability pay, long-term disability insurance, flexible spending accounts for medical expense reimbursements and a 401(k) retirement savings plan, which matches 6% of each dollar of compensation contributed to the plan by the employee, up the maximum allowed by the Internal Revenue Service.

Change in Control and Severance

Each of our named executive officers is eligible to receive contractually-provided severance benefits pursuant to his or her employment agreement. These severance benefits are generally intended to match the terms that we believe to be standard within the market, show the named executive officer that we have made an investment in the named executive officer and provide stability for both us and the named executive officer in a competitive market for qualified talent. We believe that providing severance protection to our named executive officers upon their involuntary termination of employment is an important retention tool that is necessary in the competitive marketplace for talented executives. We believe that the amounts of these payments and benefits and the periods of time during which they would be provided are fair and reasonable. We generally do not take into account any amounts that may be received by a named executive officer following termination of employment when establishing current compensation levels. The terms of each arrangement were determined in negotiation with the applicable named executive officer in connection with his or her hiring and were not based on any set formula. Our equity award agreements with each of the named executive officers also generally provide for unvested options or restricted stock to vest immediately upon a Change in Control of the Company.

We believe that these change in control and severance arrangements provide additional benefits to the Company by allowing us to receive certain covenants from our named executive officers in partial consideration of the compensation to be received upon a Change in Control or termination without Reasonable Cause. These covenants include agreements not to compete, agreements not to solicit our employees, payors or consumers, agreements not to disclose trade secrets and agreements not to disparage the Company. These covenants are described in further detail below under Potential Payments upon Termination or Change in Control.

Anti-Hedging of Company Stock

According to the Company's Insider Trading Policy, directors, officers and employees are prohibited from buying or selling put options, call options or other derivatives of Company stock, and from short sales of Company stock, without obtaining the consent of the Company's Compliance Officer and the Board of Directors (or a duly appointed committee thereof).

Financial Restatements

The Compensation Committee has not adopted a policy with respect to whether we will make retroactive adjustments to any cash- or equity-based incentive compensation paid to named executive officers (or others) where the payment was predicated upon the achievement of financial results that were subsequently the subject of a restatement. The Compensation Committee believes that this issue is best addressed when the need actually arises, when all of the facts regarding the restatement are known. However, the Company intends to adopt a compensation recoupment policy that will comply with the requirements of the Dodd-Frank Wall Street Reform and Consumer Protection Act when such requirements become effective.

Effect of Accounting and Tax Treatment on Compensation Decisions

Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code) imposes a limitation on the deductibility of non-performance-based compensation in excess of \$1 million for the Chief Executive Officer of the Company and each of the three next most highly compensated executive officers (other than the Chief Financial Officer). The 2009 Plan, which is proposed to be amended pursuant to Proposal 3, is designed to allow us to grant awards that may qualify for the performance-based exception to the Code Section 162(m) deductibility limit. Historically, while the Company has generally considered the financial accounting and tax

Table of Contents

implications of executive compensation decisions, these implications have not been material considerations and compensation has not been specifically designed to meet the Code Section 162(m) performance-based exception because our named executive officers generally have received compensation which is below the \$1 million threshold for Code Section 162(m) purposes. The Compensation Committee retains the flexibility to award compensation that may exceed the limitation on deductibility under Code Section 162(m) when it believes it is in the Company's and shareholders' best interests.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis contained in this proxy statement with management and based on such review and discussion, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this proxy statement.

The foregoing report has been approved by all members of the Compensation Committee.

On April 1, 2012, the Company adopted the Excess Plan. During 2013, only Messrs. Meulemans and Diamond participated in the Excess Plan.

The Company may make discretionary contributions to a participant's deferred compensation account, which vest in increments based on the participant's number of years of service and become fully vested upon the participant's completion of five years of service (or, if earlier, upon the participant's death or disability or upon a Change in Control event as defined in the Excess Plan). The Excess Plan is administered by the management of the Company and the Company may also make discretionary credits to a participating employee's deferred compensation account.

Distributions of amounts under the Excess Plan are made (i) in a lump sum upon the participant's death or disability or (ii) in a lump sum or in annual installments for a term not to exceed 10 years, at the participant's election, upon the participant's retirement or separation from service. Plan earnings under the Excess Plan are generally tied to rates of return on investment choices selected by plan participants. The Excess Plan is an unfunded, nonqualified deferred compensation plan that is intended to comply with the requirements of Code Section 409A.

the initial term of the agreement until September 19, 2012; after the initial term, the agreement automatically renews for successive one-year terms, unless either party provides at least 30 days' notice prior to the expiration of the applicable term of its intention not to renew the agreement. Severance Benefits

If we terminate a named executive officer's employment other than for Reasonable Cause (or, in the case of Mr. Meulemans and Ms. Berkovich only, the executive resigns for Good Reason), then, generally, such executive is entitled to the following:

Mr. Heaney (i) unpaid base salary for any period prior to the effective date of termination, (ii) accrued but unpaid bonus with respect to a prior completed period and (iii) accrued but unpaid benefits, including accrued vacation time and unused holidays. In addition, subject to strict compliance with the noncompetition, confidentiality and other covenants, Mr. Heaney would receive severance pay equal to three times his annual base salary determined at the time of termination and payable on the Company's regular pay dates for three years following termination of Mr. Heaney's employment with the Company.

Mr. Meulemans (i) unpaid base salary for any period prior to the effective date of termination, (ii) a pro rata payment of bonus for any period prior to the effective date of termination, (iii) accrued but unpaid benefits, including accrued vacation time and unused holidays (including life and disability insurance benefits if terminated due to death or disability) and (iv) outplacement services reimbursement up to \$10,000. In addition, subject to strict compliance with the noncompetition, confidentiality and other covenants, Mr. Meulemans would receive (i) severance pay equal to three-quarters of Mr. Meulemans' annual cash compensation, which is defined as the sum of the highest base salary in effect for the executive, plus the greater of the prior year's bonus or the annualized amount of the executive's target bonus (provided that the bonus portion of the severance payment shall not exceed 50% of annual base salary), payable in equal installments for 12 months following termination; provided, that for every 12-month period Mr. Meulemans remains employed after his first year, Mr. Meulemans shall become entitled to one additional month of severance up to a total of 12 months' severance total (the Meulemans Severance Period), plus (ii) a cash payment equal to the Company's share of COBRA premiums for the Meulemans Severance Period.

Mr. Anderson (i) unpaid base salary for any period prior to the effective date of termination, (ii) a pro rata payment of bonus for any period prior to the effective date of termination and (iii) accrued but unpaid benefits, including accrued vacation time and unused holidays. In addition, subject to strict compliance with the noncompetition, confidentiality and other covenants, Mr. Anderson would receive (i) severance pay for one year equal to Mr. Anderson's annual cash compensation, which is defined as the sum of the highest base salary in effect for the executive, plus the greater of the prior year's bonus or the annualized amount of the executive's maximum target bonus (provided that the bonus portion of the severance payment shall not exceed 50% of annual base salary), plus (ii) a cash payment equal to the Company's share of COBRA premiums for a period of 12 months.

Ms. Berkovich (i) unpaid base salary for any period prior to the effective date of termination, (ii) a pro rata payment of bonus for any period prior to the effective date of termination, (iii) accrued but

unpaid benefits, including accrued vacation time and unused holidays (including life and disability insurance benefits if terminated due to death or disability) and (iv) outplacement services reimbursement up to \$10,000. In addition, subject to strict compliance with the noncompetition, confidentiality and other covenants, Ms. Berkovich would receive (i) severance pay equal to one-half of Ms. Berkovich's annual cash compensation, which is defined as the sum of the highest base salary in effect for the executive, plus the greater of the prior year's bonus or the annualized amount of the executive's target bonus (provided that the bonus portion of the severance payment shall not exceed 50% of annual base salary), payable in equal installments for 12 months following termination; provided, that for every 12-month period Ms. Berkovich remains employed after her first year, Ms. Berkovich shall become entitled to one additional month of severance up to a total of 12 months' severance total (the Berkovich Severance Period), plus (ii) a cash payment equal to the Company's share of COBRA premiums for the duration of the Berkovich Severance Period.

Change in Control Severance Enhancements

Messrs. Heaney and Meulemans and Ms. Berkovich are entitled to severance enhancements in the event they experience a termination by the Company without Reasonable Cause in connection with a Change in Control (as defined in their employment agreements), as follows:

Mr. Heaney if a Change in Control of the Company occurs less than two years prior to or 18 months after termination without Reasonable Cause, then he would receive the remainder of his severance in a lump sum, and the total amount of Mr. Heaney's severance would be increased to include the average bonus paid over the previous two fiscal years, rather than just base salary. Furthermore, if any payments in connection with a termination or Change in Control would be subject to the excise tax on excess parachute payments as defined in Code Section 280G, he would be entitled to a tax gross-up payment from us sufficient so that after paying ordinary income taxes and the excise tax on the tax gross-up payment, the balance of the payment will be equal to the excise tax on the other excess parachute payments, with the effect that he will be economically in the same position as he would have been had such excise tax not been applied.

Mr. Meulemans if Mr. Meulemans is terminated by the Company without Reasonable Cause within 12 months of a Change in Control of the Company, then he would receive, in lieu of the amounts described above in Severance Benefits, his annual cash compensation, which is defined as the sum of the highest base salary in effect for the executive, plus the greater of the prior year's bonus or the annualized amount of the executive's target bonus (provided that the bonus portion of the severance payment shall not exceed 50% of annual base salary), payable in equal installments for 12 months following termination.

Ms. Berkovich if Ms. Berkovich is terminated by the Company without Reasonable Cause within 12 months of a Change in Control of the Company, then she would receive, in lieu of the amounts described above in Severance Benefits, (i) her annual cash compensation, which is defined as the sum of the highest base salary in effect for the executive, plus the greater of the prior year's bonus or the annualized amount of the executive's target bonus (provided that the bonus portion of the severance payment shall not exceed 50% of annual base salary), payable in equal installments for 12 months following termination, plus (ii) continued benefits for a period of 12 months.

Compensation Risks

Based on our review, we believe that risks arising from our compensation policies and practices for our employees are not reasonably likely to have a material adverse effect on the Company.

2013 Director Compensation

The Company's independent director compensation policy provides that independent directors receive an annual retainer of \$25,000 for service on the Company's board of directors, \$1,500 per in person scheduled board meeting (whether attended in person or telephonically) and \$750 per telephonic board meeting.

The chairmen of the Company's Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee receive an additional annual retainer of \$12,000, \$7,500 and \$5,000, respectively. Independent directors who serve on the Audit Committee receive \$1,500 per Audit Committee meeting attended and independent directors who serve on other committees receive \$1,000 per committee meeting attended. Independent directors are also reimbursed for reasonable expenses incurred in attending board of directors meetings, committee meetings and shareholder meetings.

In addition, each independent director is entitled to receive an annual grant of restricted shares of the Company's common stock valued at approximately \$20,000, which shall be awarded following the Company's annual meeting each year. Each grant of restricted stock to an independent director vests on the first anniversary of the date of issuance.

The Company's Board established a special committee in 2012 to oversee a review of strategic alternatives with respect to the Company's home health division, which was sold in the first quarter of 2013. Messrs. Geringer and Bachleda each received \$2,250 during 2013 in connection with their participation in this special committee.

On March 28, 2014 the Board appointed Michael Earley as a director. In connection with his appointment he was granted restricted stock valued at \$10,000 on the date of the grant.

The foregoing independent director compensation is subject to review and adjustment on the recommendation of our Nominating and Corporate Governance Committee.

PROPOSAL NO. 3: APPROVAL OF THE AMENDMENT AND RESTATEMENT OF THE ADDUS

HEMOCARE CORPORATION 2009 STOCK INCENTIVE PLAN

We are asking shareholders to approve the amendment and restatement of the 2009 Plan. The amendment and restatement of the 2009 Plan was approved by the Board in April 2014, subject to obtaining shareholder approval. The amendments to the 2009 Plan revise (i) the performance goals to be used in connection with the performance-based awards by including economic value added, total shareholder return and objective measures of quality as potential goals and (ii) certain of the 2009 Plan's award limitations. No other changes were made under the 2009 Plan. This proposal does not seek to increase the number of shares that can be issued pursuant to awards under the 2009 Plan.

The following summary of the 2009 Plan, as amended, should be read in conjunction with, and is qualified by reference to, the full text of the Company's Amended and Restated 2009 Stock Incentive Plan, which is included in this Proxy Statement as Annex A.

The Company adopted the 2009 Plan in order to optimize the profitability and growth of the Company through incentives that are consistent with the Company's goals and that link the personal interests of participants to those of the Company's shareholders, to provide participants with an incentive for excellence in individual performance, and to promote teamwork among participants. The 2009 Plan is further intended to provide flexibility to the Company and its subsidiaries in their ability to motivate, attract and retain the services of participants who make significant contributions to the Company's success and to allow participants to share in that success. Under the 2009 Plan, eligible employees, consultants and directors may receive performance-based incentive awards and equity-based awards (each an Award). The 2009 Plan became effective in September 2009.

The Board may at any time alter, amend, suspend or terminate the 2009 Plan in whole or in part. The Board may not, without the approval of the Company's shareholders, (i) increase the total number of shares of the Company's common stock, par value \$0.001 per share (Common Stock), or the types of Awards, available under the 2009 Plan, (ii) change the designation of the class of persons eligible to receive Incentive Stock Options (as defined below) under the 2009 Plan or (iii) modify the 2009 Plan in a manner that requires shareholder approval under applicable law or the rules of a stock exchange or trading system on which the Common Stock is traded.

The Compensation Committee or such other committees or subcommittees of the Board appointed by the Board to administer the 2009 Plan (the Committee) may not amend any outstanding Award to increase or reduce the price per share or to cancel and replace an Award with the grant of an Award having a price per share that is less than, greater than or equal to the price per share of the original Award. No termination, amendment or modification of the 2009 Plan may adversely affect in any material way any Award previously granted under the 2009 Plan without the prior written consent of the participant holding that Award.

In the event of (1) any sale or conveyance to another entity of all or substantially all of the property and assets of the Company, (2) a Change in Control (as defined in the 2009 Plan) or (3) an event that, with the

Table of Contents

passage of time, would result in a Change in Control, unless otherwise specifically prohibited under applicable laws, or by the rules and regulations of any governing governmental agencies or national securities exchange or trading system, or unless the Committee shall otherwise specify in an applicable Award Agreement (as defined below), the Board, in its sole discretion, may, as applicable: (a) accelerate the time at which some or all of the Awards then outstanding may be exercised so that such Awards may be exercised in full for a limited period of time on or before a specified date (before or after such Change in Control) fixed by the Committee, (b) terminate options or SARs (as defined below) in exchange for a cash payment equal to the amount by which the fair market value of the shares subject to such option or SAR (to the extent the option or SAR has vested) exceeds the exercise price with respect to such shares, (c) terminate options or SARs provided that each participant is first notified and given an opportunity to exercise vested options for a specified period of time (not less than 15 days) from the date of notification and before the option or SAR is terminated, (d) permit Awards to be assumed by a new parent corporation or a successor corporation (or its parent) and replaced with a comparable Award of the parent corporation or successor corporation (or its parent), (e) amend an Award Agreement or take such other action with respect to an Award that it deems appropriate, in its sole discretion or (f) implement any combination of (a)-(e). In the event of a Change in Control or other event as described in the preceding sentence, the Board need not provide for identical treatment of each such outstanding Award.

Any portion of the 2009 Plan that allows participants to defer payment of compensation may be subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA), if the result is a systematic deferral of compensation until termination of employment or beyond. If such systematic deferral were to occur, a part of the 2009 Plan would be an ERISA top-hat plan, which is subject to certain reporting and disclosure requirements. The remainder of the 2009 Plan is not subject to the provisions of ERISA. The 2009 Plan is not qualified under Section 401(a) of the Code and the 2009 Plan is unfunded.

Administration

The 2009 Plan is administered by the Committee (or by any other committee appointed by the Board that satisfies the nonemployee director requirements of Rule 16b-3 under the Exchange Act, the independent director requirements of the NASDAQ Marketplace Rules and the outside director provisions of Code Section 162(m)). Except as otherwise limited by law or the Company's organizational documents and subject to the terms of the 2009 Plan, the Committee has the power to, among other things, select participants in the 2009 Plan, determine the size, types and terms and conditions of each Award under the 2009 Plan, construe and interpret the 2009 Plan and any documents entered into pursuant to the 2009 Plan, establish, amend or waive rules and regulations for the 2009 Plan's administration, amend the terms and conditions of outstanding Awards (subject to any applicable 2009 Plan restrictions) and make all other determinations that are necessary or advisable to administer the 2009 Plan.

As permitted by law and subject to the provisions of the 2009 Plan, the Committee may delegate some or all of its authority under the 2009 Plan, including to officers of the Company. The Committee shall in all events conform to any requirements of the applicable laws, rules, and regulations. The Committee's determinations and decisions will be final, conclusive and binding on all persons.

Eligibility

Any employee, consultant or director of the Company or of any of its subsidiaries is eligible to receive an Award under, and become a participant in, the 2009 Plan. The Committee, or its delegates, will select the individuals who will receive Awards under the 2009 Plan.

Shares Subject to the 2009 Plan and Award Limitations

An aggregate of 1,500,000 shares have been authorized for issuance under the 2009 Plan. The aggregate awards granted during any calendar year to any single individual shall not exceed (i) 500,000 shares subject to

Table of Contents

stock options or stock appreciation rights (SARs) or (ii) 300,000 shares subject to restricted stock, restricted stock units, deferred stock units, performance shares or other stock unit awards, which annual limits shall apply whether awards are settled in cash or in shares.

Any shares of Common Stock subject to an Award under the 2009 Plan that are forfeited, canceled, settled in cash or otherwise terminated without a distribution of shares to a participant, or that are delivered by attestation or withheld by the Company in connection with an option exercise or the payment of any required income tax withholding upon an option exercise or the vesting of restricted stock, will be deemed available for Awards under the 2009 Plan. Shares of Common Stock that may be issued under the 2009 Plan may be authorized or unissued shares.

Upon a change in corporate capitalization, such as a stock split, stock dividend or a corporate transaction, such as any merger, consolidation, combination, exchange of shares or the like, separation, including a spin-off, or other distribution of stock or property of the Company, any reorganization (whether or not such reorganization comes within the definition of such term in Code Section 368) or any partial or complete liquidation of the Company, the Committee shall make adjustments to the number and class of shares of Common Stock that may be delivered under the 2009 Plan, in the number and class of and/or price of Common Stock subject to outstanding Awards granted under the 2009 Plan, as the Committee, in its sole discretion, may determine to be appropriate and equitable to prevent dilution or enlargement of rights.

Awards

Subject to terms of the 2009 Plan, the Committee may grant the following types of Awards to eligible employees, directors and consultants: stock options intended to satisfy the requirements of Code Section 422 (Incentive Stock Options), stock options not intended to satisfy the requirements of Code Section 422 (Nonstatutory Stock Options), SARs, Restricted Stock, Restricted Stock Units, Performance Shares and Other Stock Unit Awards. The 2009 Plan also provides the opportunity for a participant to elect to defer the payment of bonuses and other Awards (Deferred Stock Units). All Awards granted under the 2009 Plan will be evidenced by an agreement with the participant (an Award Agreement).

Under Code Section 162(m), the Company is not entitled to a federal income tax deduction for compensation in excess of \$1 million (per executive) paid in any year to its chief executive officer and its three next most highly compensated executive officers (other than the Chief Financial Officer), subject to certain exceptions, such as performance-based compensation. The Committee may grant Performance Shares, Restricted Stock and other Awards subject to the following performance criteria: (a) increases in the Fair Market Value (as defined in the 2009 Plan) of a share, (b) shareholder value added, (c) cash flow, (d) earnings per share, (e) earnings of the Company before deducting interest, taxes, depreciation and amortization, (f) return on equity, (g) return on capital, (h) return on assets or net assets, (i) cost reduction or control, (j) operating income or net operating income, (k) operating margins/sales in one or more business segments or product lines, (l) return on operating revenue, (m) market share in one or more business segments or product lines, (n) earnings before interest and taxes, (o) units of specified products sold or depleted, (p) free cash flow, (q) sales growth, (r) capital expenditures, (s) working capital, (t) inventory, (u) cash flow from operations, (v) gross margin, (w) economic value added, (x) total shareholder return, (y) objective measures of quality or (z) any measure that indicates any of the foregoing or any combination of the foregoing. Performance criteria may be established on a corporate, divisional, business unit or consolidated basis and measured absolutely or relative to the Company's peers or any index of companies selected by the Committee. The approval of the amendment and restatement of the 2009 Plan will constitute re-approval of the performance criteria under the 2009 Plan. Awards may be structured with the intent that they will be performance-based compensation within the meaning of Code Section 162(m) and will be paid solely to the extent to which pre-established, objective performance goals are attained. The Committee retains the discretion to grant Awards that will not qualify as performance-based compensation.

Table of Contents

Stock Options

The Committee may grant Incentive Stock Options or Nonstatutory Stock Options under the 2009 Plan. The Award Agreement for each option grant will specify the exercise price, the duration of the option, the number of shares of Common Stock to which the option pertains and such other provisions as the Committee shall determine which are not inconsistent with the terms of the 2009 Plan. The exercise price of each option will equal the fair market value of a share of Common Stock at the time such option is granted. The term of each option will be determined by the Committee, but may not be greater than ten years from the date of grant. Options are exercisable at the times and subject to such restrictions and conditions as determined by the Committee.

No Incentive Stock Options shall be granted to an employee under the 2009 Plan or any other Incentive Stock Option plan of the Company or its subsidiaries to purchase Common Stock as to which the aggregate fair market value (determined as of the date of grant) of the Common Stock which first become exercisable by the employee in any calendar year exceeds \$100,000. To the extent an option initially designated as an Incentive Stock Option exceeds this value limit (or otherwise fails to satisfy the requirements applicable to Incentive Stock Options), it shall be deemed a Nonstatutory Stock Option and shall otherwise remain in full force and effect.

To exercise a vested option, the participant must provide the Company or its designated agent with a written, electronic or telephonic notice setting forth the number of shares of Common Stock with respect to which the option is to be exercised, accompanied by full payment of the exercise price for the shares. This payment may be made in one of the following ways: (a) in cash or its equivalent; (b) subject to the Committee's approval, by delivery of previously acquired shares of Common Stock having an aggregate fair market value at the time of exercise equal to the total exercise price (provided that the shares that are delivered must have been held by the participant for at least six (6) months prior to their delivery); (c) subject to the Committee's approval, by authorizing a third party to sell shares of Common Stock (or a sufficient portion of the shares) acquired upon exercise of the option and remitting to the Company a sufficient portion of the sales proceeds to pay the exercise price; (d) subject to the Committee's approval, by a combination of (a), (b) or (c); or (e) by any other method approved by the Committee in its sole discretion. Unless otherwise determined by the Committee, all payments under all of the exercise methods shall be paid in U.S. dollars. Unless otherwise determined by the Committee, cashless exercises are permitted, subject to applicable law (including without limitation the requirements of Regulation T and other applicable regulations promulgated by the Federal Reserve Board), or by any other means which the Committee determines to be consistent with the 2009 Plan's purpose and applicable law.

The Committee may impose such restrictions on any shares of Common Stock acquired pursuant to the exercise of an option granted under the 2009 Plan as it may deem advisable, including, without limitation, (a) restrictions under applicable federal securities laws, under the requirements of any stock exchange or market upon which such shares are then listed and/or traded, or under any blue sky or state securities laws applicable to such shares, restrictions required by any shareholders' or other agreement governing ownership of the Company's Common Stock, and (b) restrictions permitted under the 2009 Plan with respect to Restricted Stock.

Stock Appreciation Rights

The Committee may grant SARs under the 2009 Plan, either in tandem with options or freestanding. Tandem awards may be granted at the same time as the grant of the related options or at any time thereafter prior to the end of the exercise period for the related options. The Award Agreement for each SAR grant will specify the grant price, the duration of the SARs and such other provisions as the Committee determines. Each Award Agreement for a tandem SAR will specify the options to which it relates and the terms and conditions under which exercise or expiration of the related options will result in automatic expiration of the related SAR and the terms and conditions on which exercise or expiration of the SAR will result in automatic expiration of the related options.

The grant price for each SAR shall be equal to the fair market value of a share of Common Stock on the date of grant, provided that for each tandem SAR, the grant price shall not be less than the exercise price of the related

Table of Contents

options. The Committee shall determine the term of the SAR, in its sole discretion, provided that a SAR must expire no later than the tenth (10th) anniversary of the grant date.

SARs may be exercised on the terms and conditions the Committee, in its discretion, chooses to impose. The exercise of related options will cause the immediate automatic expiration of related SARs on the terms and conditions specified by the Committee. Upon exercise of a SAR, a participant shall be entitled to receive payment from the Company in an amount determined by multiplying (a) the amount by which the fair market value of a share of Common Stock on the date of exercise exceeds the grant price of the SAR by (b) the number of shares of Common Stock with respect to which the SAR is exercised.

Settlement of SARs may be made in shares of Common Stock (valued at their fair market value at the time of exercise), in cash, or in a combination of shares and cash, as determined by the Committee in its discretion. Any shares of Common Stock delivered in payment shall be deemed to have a value equal to the fair market value of such shares on the date of exercise of the SAR.

Restricted Stock or Restricted Stock Units

The Committee may grant Restricted Stock or Restricted Stock Units under the 2009 Plan. The Award Agreement for each Restricted Stock or Restricted Stock Unit grant will specify the number of shares of Common Stock or share equivalent units granted, the period (the Restriction Period) during which any restrictions apply to the Restricted Stock or Restricted Stock Units and such other provisions as the Committee determines which are not inconsistent with the terms of the 2009 Plan.

An Award of Restricted Stock is a grant of shares of Common Stock that are subject to restrictions on the transfer or other disposition of the shares and such other restrictions as the Committee deems appropriate. These restrictions may include, but are not limited to, a requirement that participants pay a stipulated purchase price for each share of Restricted Stock, restrictions based upon the achievement of specific performance goals, time-based restrictions on vesting following the attainment of the performance goals, time-based restrictions or restrictions under applicable federal or state securities laws. To the extent deemed appropriate by the Committee, the Company may retain the certificates representing shares of Restricted Stock until such time as all conditions and/or restrictions applicable to such shares have been satisfied.

Except as otherwise provided in the Award Agreement, shares of Restricted Stock covered by each Restricted Stock grant made under the 2009 Plan shall become freely transferable by the participant after the last day of the applicable Restriction Period.

If the Committee so determines, participants holding shares of Restricted Stock may exercise full voting rights and (whether or not the Company holds the certificate(s) representing such shares) be credited with dividends paid with respect to the underlying shares of Common Stock during the Restriction Period. The Committee may, however, apply any restrictions to dividends that the Committee deems appropriate, including any restrictions that may be necessary to maintain eligibility for the performance-based exception from the tax-deductibility limitations of Code Section 162(m).

Restricted Stock Units are similar to Restricted Stock, except that no actual shares of Common Stock are issued. Instead, a bookkeeping account is established for a participant that is valued solely by reference to the Common Stock. A grant of Restricted Stock Units may contain restrictions similar to those that apply to Restricted Stock, as described above. Upon the termination of the applicable Restriction Period or on the date provided in an Award Agreement, the Restricted Stock Units are paid in cash, shares of Common Stock or a combination of cash and shares, as soon as practicable after the Restricted Stock Units or portion of the Award vests, but in no event later than 2 1/2 months after the calendar year in which vesting occurs. It is intended that a Restricted Stock Unit Award be exempt from the application of Code Section 409A as a short-term deferral.

Performance Shares

The Committee may grant Performance Shares under the 2009 Plan. The Award Agreement for each Performance Share grant shall specify the initial value, the duration of the Award, the performance goals, if any, applicable to the Award, and such other provisions as the Committee shall determine which are not inconsistent with the terms of the 2009 Plan.

Each Performance Share will have an initial value equal to the fair market value of a share of Common Stock on the grant date. The Committee shall set performance goals in its discretion which, depending on the extent to which they are met, will determine the number and/or value of Performance Share Awards that will be paid out to the participant. The time period during which the performance goals must be met shall be called a Performance Period.

After the applicable Performance Period has ended, the participant will receive a payout of the number and value of the Performance Shares that have been earned, based on the extent to which the applicable performance goals have been met. Payment of earned Performance Share Awards shall be as determined by the Committee and, if applicable, as provided in the related Award Agreement. Subject to the terms of the 2009 Plan, the Committee, in its sole discretion, may pay earned Performance Share Awards in the form of cash, shares of Common Stock or a combination of cash and shares, that have an aggregate fair market value equal to the value of the earned Performance Share Awards at the close of the applicable Performance Period. Such shares of Common Stock may be delivered subject to any restrictions deemed appropriate by the Committee. No fractional shares will be issued. The determination of the Committee with respect to the form of payout of such Awards shall be set forth in the Award Agreement relating to the grant of the Award or the resolutions establishing the Award.

Participants holding Performance Shares may be entitled to receive the dividends declared during the Performance Period with respect to the shares of Common Stock represented by such Performance Shares, as determined by the Committee in its discretion.

If applicable tax and/or securities laws change to permit Committee discretion to alter the governing performance goals without obtaining shareholder approval of such changes, the Committee shall have sole discretion to make such changes without obtaining shareholder approval.

Other Stock Unit Awards

Subject to the terms of the 2009 Plan, Other Stock Unit Awards may be granted to participants in such amounts and upon such terms, and at any time from time to time, as the Committee determines. Such Awards may be granted either alone or in addition to other Awards granted under the 2009 Plan, and such Other Stock Unit Awards shall also be available as a form of payment in the settlement of other Awards granted under the 2009 Plan. Each Other Stock Unit Award grant shall be evidenced by an Award Agreement that shall specify the restrictions upon such Award, if any, the number of Other Stock Units granted, and such other provisions as the Committee shall determine which are not inconsistent with the terms of the 2009 Plan.

Deferred Stock Units

Subject to the terms and provisions of the 2009 Plan, the Committee, at any time and from time to time, may award Deferred Stock Units to participants in lieu of payment of a bonus or other Award if so elected by a participant under such terms and conditions as the Committee shall determine, including terms that provide for the grant of Deferred Stock Units valued in excess of the bonus or Award deferred.

A participant must make an election to receive Deferred Stock Units in the calendar year before the calendar year in which the services related to the Award are first performed. The Committee may require a participant to defer, or permit (subject to any conditions as the Committee may from time to time establish) a participant to

elect to defer, receipt of all or any portion of any payment of cash or shares of Common Stock that otherwise would be due to such participant in payment or settlement of an Award under the 2009 Plan, to the extent consistent with Code Section 409A. Such payments may include, without limitation, provisions for the payment or crediting of reasonable interest in respect of deferred payments credited in cash, and the payment or crediting of dividend equivalents in respect of deferred amounts credited in stock equivalents. Settlement of any Deferred Stock Units shall be made in a single sum of cash or shares of Common Stock.

U.S. Federal Tax Consequences

The following discussion is a summary of certain of the United States federal income tax consequences of Awards under the 2009 Plan. This discussion only applies to U.S. citizens and/or residents and does not address tax consequences under foreign, state or local laws or estate tax consequences. This description is intended for use by the Company's shareholders in determining how to vote at its Annual Meeting and not as tax advice to participants under the 2009 Plan. Each participant is strongly encouraged to seek expert tax advice with specific reference to his or her own tax situation.

Withholding

The Company has the right to deduct or withhold, or require the participant to remit to the Company, the amount the Company determines is necessary to satisfy federal, state and local taxes, domestic or foreign, required by applicable law or regulation to be withheld with respect to any taxable event arising under the 2009 Plan. The participant may satisfy, totally or in part, such obligations by electing to have shares of Common Stock withheld, to redeliver shares of Common Stock acquired under an Award, or to deliver previously owned shares of Common Stock that have been held for at least six (6) months, provided that the election is made in writing on or prior to (i) the date of exercise, in the case of options or SARs; (ii) the date of payment, in the case of Performance Shares, Restricted Stock Units or Deferred Stock Units; or (iii) the expiration of the Restriction Period in the case of Restricted Stock. Any such election may, however, be disapproved by the Committee at any time in its sole discretion. If an election is disapproved by the Committee, the participant must satisfy these withholding obligations in cash.

Nonstatutory Stock Options

A participant should not recognize income at the time of grant of a Nonstatutory Stock Option, and the Company will not be entitled to a deduction at that time. When the Nonstatutory Stock Option is exercised, the participant will recognize ordinary income equal to the excess of the fair market value of the shares of Common Stock on the date of exercise over the exercise price, if any. The participant's tax basis in these shares will equal the exercise price paid plus the amount recognized by the participant as ordinary income. The Company will generally be entitled to a federal income tax deduction, in the Company's tax year in which the Nonstatutory Stock Option is exercised, equal to the ordinary income recognized by the participant as described above. If the participant holds the shares of Common Stock acquired pursuant to the exercise of a Nonstatutory Stock Option for more than one year after the exercise of the option, the capital gain or loss realized upon the sale of these shares should be a long-term capital gain or loss. The participant's holding period for the shares acquired upon the exercise of a Nonstatutory Stock Option will begin on the date of exercise.

Incentive Stock Options

A participant will not recognize income at the time of grant of an Incentive Stock Option, and the Company will not be entitled to a deduction at that time. If the Incentive Stock Option is exercised during employment, or within three months thereafter (or one year thereafter in the case of a permanently and totally disabled employee), the participant will not recognize any income, and the Company will not be entitled to a deduction. However, the excess of the fair market value of the shares of Common Stock on the date of exercise over the exercise price is includable in computing the participant's alternative minimum taxable income.

Table of Contents

Generally, if the participant disposes of the shares of Common Stock acquired by exercise of an Incentive Stock Option within either two years of the date of grant or one year of the date of exercise, the participant will recognize ordinary income, and the Company will be entitled to a deduction, equal to the excess of the fair market value of these shares on the date of exercise over the exercise price (limited generally to the gain on the sale). The balance of any gain or loss will be treated as a capital gain or loss to the participant. If the shares of Common Stock are disposed of after the two-year and one-year periods described above, the Company will not be entitled to any deduction, and the entire gain or loss for the participant will be treated as a long-term capital gain or loss.

Other Awards

Stock Appreciation Rights are taxed and deductible by the Company in substantially the same manner as Nonstatutory Stock Options.

A participant will not recognize income at the time of grant of shares of Restricted Stock that are subject to a substantial risk of forfeiture and restrictions on transfer (unless the participant elects to accelerate recognition as of the date of grant in accordance with Code Section 83(b)). The participant generally will recognize ordinary income equal to the market value of the shares of Restricted Stock at the time the restrictions lapse or at the time the shares are transferable. With respect to Restricted Stock Units, the participant generally will not recognize income upon grant, but will recognize ordinary income when the cash or shares of Common Stock are distributed to the participant, based on the market value of the shares at the time of distribution. The Company will generally have a corresponding deduction at the time the participant recognizes income.

Performance Shares and dividend equivalents generally are subject to tax at the time of payment, and the Company will generally have a corresponding deduction at that time.

Payment with Shares

When shares of Common Stock subject to an Award are used to satisfy any minimum required tax withholding, the participant will recognize gain or loss with respect to those shares. In this situation, the participant will recognize a short-term capital gain or loss, as the case may be, equal to the difference between the amount of the minimum required tax withholding satisfied by the shares over the participant's tax basis, if any, in those shares.

If the participant uses shares of Common Stock he or she owns to pay, in whole or part, the exercise price of an option, no gain or loss will be recognized with respect to these shares. In this situation, however, the tax basis of the shares of Common Stock received upon exercise will be the tax basis of the shares delivered as payment, share for share, to the extent the number of shares received equals the number of shares delivered as payment. The tax basis of the balance of the shares of Common Stock received in excess of the number of shares delivered by the participant will be equal to the sum of the amount of the exercise price paid for the balance of the shares received in cash or by check, if any, plus any amount the participant is required to recognize as income as a result of the exercise. It should be noted, however, that if payment of the exercise price of an Incentive Stock Option is made with shares of Common Stock acquired by an earlier exercise of an Incentive Stock Option, and those shares have not been held for the required holding periods discussed above, payment in shares will result in the participant recognizing ordinary income.

Code Section 409A

No Award that is subject to Code Section 409A shall provide for deferral of compensation that does not comply with Code Section 409A. Any ambiguities in the 2009 Plan or an Award Agreement shall be construed so that benefits shall not be subject to tax under Code Section 409A, and if any provision of any Award is found to be in violation of the requirements of Code Section 409A, then such provision shall be deemed modified or

Table of Contents

restricted to the extent and in the manner necessary to render such provisions in conformity with Code Section 409A. For any Awards subject to Code Section 409A, all rights to amend, terminate or modify the 2009 Plan or any such Award, including any discretionary rights or powers the Committee may have with respect to an Award, are subject to the requirements and limitations of Code Section 409A. Notwithstanding any provision in the Plan to the contrary, with respect to any Award subject to Code Section 409A, distributions on account of a separation from service may not be made to a specified employee within the meaning of Code Section 409A before the date that is six (6) months after the date of separation from service (or, if earlier, the date of death of the employee).

Code Section 162(m)

It is the intent of the Company that all Awards that are intended to qualify as performance-based compensation under Code Section 162(m) be granted and interpreted in a manner to satisfy all applicable requirements of Code Section 162(m). Any provision, application or interpretation of the 2009 Plan inconsistent with the intent to satisfy the standards in Code Section 162(m) shall be disregarded. Notwithstanding anything to the contrary in the 2009 Plan, the provisions of the 2009 Plan may at any time be bifurcated by the Committee in any manner so that certain provisions of the 2009 Plan or any Award intended (or required in order) to satisfy the applicable requirements of Code Section 162(m) may be applicable only to covered employees (as defined in the 2009 Plan).

Nontransferability

Except as provided in an Award Agreement, no Award under the 2009 Plan may be sold, transferred, pledged or assigned other than by will or by the laws of descent and distribution. Unless otherwise provided in an Award Agreement, options and SARs are exercisable only by the participant during the participant's lifetime.

Termination of Employment/Directorship

Except as otherwise provided in the Award Agreement, upon termination of a participant's employment or directorship for any reason other than disability (as defined in the 2009 Plan), death or retirement (as defined in the 2009 Plan), an Award granted to a participant may be exercised by the participant or a permitted transferee at any time on or prior to the earlier of the expiration date of the Award or, in the case of an option or a SAR, the expiration of three (3) months after the date of termination but only if, and to the extent that, the participant was entitled to exercise the Award at the date of termination. Upon termination of the participant's employment or directorship by reason of the participant's disability or death, an Award granted to a participant shall become vested and/or may be exercised by the participant or a permitted transferee only to the extent set forth in such participant's Award Agreement. Upon termination of the participant's employment or directorship due to retirement, a Nonstatutory Stock Option granted to the participant may be exercised by the participant or a permitted transferee at any time on or prior to the earlier of the expiration date of the option or the expiration of six months after the date of termination due to retirement but only if, and to the extent that, the participant was entitled to exercise the Nonstatutory Stock Option at the date of termination. All Awards or any portion thereof not yet vested or exercisable or whose restriction period has not expired as of the date of termination (other than a termination by reason of disability, death or retirement) shall terminate and be forfeited immediately on the date of termination.

If the Committee finds by a majority vote that cause (as defined in the 2009 Plan or in a participant's employment agreement) exists with respect to a participant, then as of the date the Committee makes its finding, any Awards awarded to the participant that have not been exercised (including all Awards that have not yet vested) will be forfeited.

A termination includes an event which causes a participant to lose his eligibility to participate in the 2009 Plan. In the case of a consultant and a nonemployee director, the meaning of termination or termination of employment includes the date that the individual ceases to provide significant services to the Company or its

Table of Contents

subsidiaries. Unless otherwise determined by the Committee, an authorized leave of absence pursuant to a written agreement or other leave entitling an employee to reemployment in a comparable position by law or rule shall not constitute a termination of employment for purposes of the 2009 Plan unless the employee does not return at or before the end of the authorized leave or within the period for which re-employment is guaranteed by law.

Notwithstanding the foregoing, the Committee has the authority to prescribe different rules that apply upon the termination of employment of a particular participant, which shall be provided in the participant's Award Agreement or similar document. However, with respect to any Award subject to Code Section 409A, any reference to termination of employment or similar term shall mean an event that constitutes a separation from service within the meaning of Code Section 409A.

Securities Law Compliance

Section 16(b) of the Exchange Act provides for the recovery of profits realized by certain officers and directors resulting from the purchase and sale or sale and purchase of Common Stock within any six-month period. The SEC has promulgated rules that provide exemptions from those profit recovery provisions for participant-directed transactions under an employee benefit plan, such as the 2009 Plan, if certain conditions are satisfied.

To the extent any provision of the 2009 Plan or action by the Committee fails to comply with applicable securities laws, it shall be deemed null and void, to the extent permitted by law and deemed advisable by the Board.

The Company may use reasonable endeavors to register shares of Common Stock issued pursuant to Awards with the SEC or to effect compliance with the registration, qualification, and listing requirements of any state or foreign securities laws, stock exchange, or trading system.

Certain directors and officers of the Company may be deemed to be affiliates of the Company under federal securities law and, as such, may be restricted in the resale of shares of Common Stock acquired pursuant to the 2009 Plan. Generally, any resale by an affiliate must comply with Rule 144 under the Securities Act.

New Plan Benefits

HOUSEHOLDING

The SEC has adopted rules that permit companies and intermediaries (*e.g.*, brokers) to satisfy the delivery requirements for proxy materials with respect to two or more shareholders sharing the same address by delivering a single proxy statement and annual report addressed to those shareholders. This process, which is commonly referred to as *householding*, potentially means extra convenience for shareholders and cost savings for companies. We have not implemented *householding* rules with respect to our record holders. However, a number of brokers with account holders who are shareholders may be *householding* our proxy materials. If a shareholder receives a *householding* notification from his, her or its broker, a single proxy statement and annual report will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from an affected shareholder. Once you have received notice from your broker that they will be *householding* communications to your address, *householding* will continue until you are notified otherwise.

Shareholders who currently receive multiple copies of the proxy materials at their address and would like to request *householding* of their communications should contact their broker. In addition, if any shareholder that receives a *householding* notification wishes to receive a separate annual report and proxy statement at his, her or its address, such shareholder should also contact his, her or its broker directly. Shareholders who in the future wish to receive multiple copies may also contact the Company at 2300 Warrenville Road, Downers Grove, Illinois 60065, Attention: Secretary.

SHAREHOLDER PROPOSALS FOR 2015 ANNUAL MEETING

How do I Submit a Proposal for Inclusion in Next Year's Proxy Material?

If you wish to submit a proposal to be considered for inclusion in the proxy material for the next annual meeting, please send it to the Secretary, Addus HomeCare Corporation, 2300 Warrenville Road, Downers Grove, Illinois 60065. Under the rules of the SEC, proposals must be received no later than January 8, 2015, and otherwise comply with the requirements of the SEC to be eligible for inclusion in the Company's 2015 Annual Meeting of Shareholders proxy statement and form of proxy.

How do I Submit a Proposal or Make a Nomination at an Annual Meeting of Shareholders?

Our Bylaws provide that if a shareholder desires to nominate persons for election as directors, the shareholder must provide written notice of an intent to make such nomination which the secretary of the Company must receive at our principal executive offices no later than 120 days prior and no earlier than 150 days prior to the anniversary date of the preceding year's annual meeting of shareholders (provided, however, that in the event that the date of the annual meeting is more than thirty (30) days before or more than sixty (60) days after such anniversary date, notice by the shareholder must be so delivered not earlier than the close of business on the one hundred fiftieth (150th) day prior to such annual meeting and not later than the close of business on the later of the one hundred twentieth (120th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by the Company). In no event shall the public announcement of an adjournment or postponement of an annual meeting of shareholders of the Company commence a new time period (or extend any time period) for the giving of a shareholder's notice as described above.

Notwithstanding the above, in the event that the number of directors to be elected to the Board at an annual meeting of shareholders of the Company is increased and there is no public announcement by the Company naming the nominees for the additional directorships at least one hundred (100) days prior to the first anniversary of the preceding year's annual meeting, the shareholder's notice required by the Bylaws shall also be considered timely, but only with respect to nominees for the additional directorships, if it shall be delivered to the secretary of the Company at the principal executive offices of the Company not later than the close of business on the tenth (10th) day following the day on which such public announcement is first made by the Company.

With respect to the 2015 Annual Meeting of Shareholders, written notice of a nomination must be received no earlier than January 19, 2015 and no later than February 18, 2015.

We amended our Bylaws in April 2013 to align the provisions regarding submission of shareholder proposals with Rule 14a-8 under the Exchange Act. Our Bylaws now provide that if a shareholder desires to submit a proposal for consideration at an annual meeting of shareholders, the shareholder must provide written notice of an intent to make such a proposal which the secretary of the Company must receive at our principal executive offices no later than one hundred twenty (120) days prior to the anniversary date of the proxy statement for the immediately preceding annual meeting of shareholders.

With respect to the 2015 Annual Meeting of Shareholders, written notice of a shareholder proposal must be received no later than January 8, 2015. The notice must meet the requirements set forth in our Bylaws. Under the circumstances described in, and upon compliance with, Rule 14a-4(c) under the Exchange Act, management proxies would be allowed to use their discretionary voting authority to vote on any proposal with respect to which the foregoing requirements have been met.

OTHER MATTERS

The Board of the Company does not know of any matters which may be presented at the 2014 Annual Meeting of Shareholders other than those specifically set forth in the Notice of Annual Meeting of Shareholders. If any other matters come before the meeting or any adjournment thereof, the persons named in the accompanying form of proxy and acting thereunder will vote in accordance with their best judgment with respect to such matters.

Article 1. Establishment, Objectives, and Duration

1.1 Establishment of the Plan. Addus HomeCare Corporation, a Delaware corporation, hereby adopts the Addus HomeCare Corporation Amended and Restated 2009 Stock Incentive Plan (hereinafter referred to as this **Plan**), as set forth in this document. This Plan permits the grant of Nonqualified Stock Options, Incentive Stock Options, Stock Appreciation Rights, Restricted Stock, Deferred Stock Units/Restricted Stock Units, Other Stock Units, and Performance Shares.

The Addus HomeCare Corporation 2009 Stock Incentive Plan originally became effective as of October 27, 2009 (the **Effective Date**). Subject to approval by the Company's stockholders, this Amended and Restated Plan shall become effective as of June [___], 2014.

1.2 Objectives of this Plan. The objectives of this Plan are to optimize the profitability and growth of the Company through incentives that are consistent with the Company's goals and that link the personal interests of Participants to those of the Company's stockholders, to provide Participants with an incentive for excellence in individual performance, and to promote teamwork among Participants. This Plan is further intended to provide flexibility to the Company and its Subsidiaries in their ability to motivate, attract and retain the services of Participants who make significant contributions to the Company's success and to allow Participants to share in that success.

This Plan is intended to satisfy the requirements for a plan described in Rule 701 promulgated under the Securities Act of 1933, as amended, and the Company intends that this Plan be interpreted in accordance with that intent.

1.3 Duration of this Plan. This Plan shall remain in effect, subject to the right of the Committee to amend or terminate this Plan at any time pursuant to Article 16 hereof, until all Shares subject to it shall have been purchased or acquired according to the provisions hereof. However, in no event may an Award of an Incentive Stock Option be granted under this Plan on or after the tenth (10th) anniversary of the Effective Date.

- (c) If the Shares are not listed or admitted to trading on any exchange or traded in the over-the-counter market, the Fair Market Value of a Share shall be as determined in good faith by the Committee through any reasonable valuation method which satisfies the requirements of Section 409A of the Code.

3.2 Authority of the Committee. Article 4. Shares Subject to this Plan and Maximum Awards

4.1 Number of Shares Available for Grants. Subject to adjustment as provided in Section 4.2 hereof, the number of Shares that may be delivered to Participants under this Plan shall equal 1,500,000.

- (a) The aggregate Awards granted during any calendar year to any single Participant shall not exceed (i) 500,000 shares subject to Options or SARs or (ii) 300,000 shares subject to Restricted Stock, Restricted Stock Units, Deferred Stock Units, Performance Shares or Other Stock Unit Awards, which annual limits shall apply whether awards are settled in cash or in Shares.
- (b) Any Shares covered by an Award (or portion of an Award) granted under this Plan that are forfeited back to the Company because of the failure to meet an Award contingency or condition shall again be available for delivery pursuant to new Awards granted under this Plan. To the extent any Shares covered by an Award are not delivered to a Participant because the Award is forfeited or canceled, or the Shares are not delivered because the Award is settled in cash, such Shares shall not be deemed to have been delivered for purposes of determining the maximum number of Shares available for delivery under this Plan.
- (c) If a Participant tenders Shares (either actually, by attestation or otherwise) to pay all or any part of the Option Price or purchase price of an Award, or if any Shares deliverable with respect to any Award are retained by the Company in satisfaction of the Participant's obligation for taxes, only the number of Shares issued net of the Shares tendered shall be deemed delivered for purposes of determining the maximum number of Shares available for delivery under this Plan.
- (d) Shares delivered under this Plan in settlement, assumption or substitution of outstanding awards (or obligations to grant future awards) under the plans or arrangements of another entity shall not reduce the maximum number of Shares available for delivery under this Plan, to the extent that such settlement, assumption or substitution is as a result of the Company or any Subsidiary acquiring another entity (or an interest in another entity).
- (e) Shares may be authorized or unissued shares. The Committee shall determine the appropriate methodology for calculating the number of Shares issued pursuant to this Plan.

4.2 Adjustments in Authorized Shares. Upon a change in corporate capitalization, such as a stock split, stock dividend or a corporate transaction, such as any merger, consolidation, combination, exchange of shares or the like, separation, including a spin-off, or other distribution of stock or property of the Company, any reorganization (whether or not such reorganization comes within the definition of such term in Code Section 368) or any partial or complete liquidation of the Company, such adjustment shall be made in the number and class of Shares that may be delivered under Section 4.1, in the number and class of and/or price of Shares subject to outstanding Awards granted under this Plan, as may be determined to be appropriate and equitable by the Committee, in its sole discretion, to prevent dilution or enlargement of rights.

4.3 Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events. The Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including, without limitation, the events described in Section 4.2 hereof) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under this Plan; *provided that*, unless the Committee determines otherwise at the time such adjustment is considered, no such adjustment shall be authorized to the extent that such authority would be inconsistent with this Plan's or any Award's meeting the requirements of Code Section 162(m) or an Incentive Stock Option ceasing to meet the requirements of Code Section 422.

4.4 No Repricing. Subject to Section 4.2, the Committee shall not have the authority, without the approval of the stockholders of the Company, to amend any outstanding Award to increase or reduce the price per share or

to cancel and replace an Award with the grant of an Award having a price per share that is less than, greater than or equal to the price per share of the original Award.

Article 5. Eligibility and Participation

5.1 Eligibility. Persons eligible to participate in this Plan include all Employees, Directors and consultants of the Company and its Subsidiaries.

5.2 Actual Participation. Subject to the provisions of this Plan, the Committee may, from time to time, select from all eligible Employees, Directors and consultants those to whom Awards shall be granted and shall determine the nature and amount of each Award, provided that Incentive Stock Options shall only be awarded to Employees of the Company or its Subsidiaries.

Article 6. Stock Options

6.1 Grant of Options. Subject to the terms and provisions of this Plan, Options may be granted to Participants in such number, and upon such terms, and at any time and from time to time as shall be determined by the Committee.

6.2 Award Agreement. Each Option grant shall be evidenced by an Award Agreement that shall specify the Option Price, the duration of the Option, the number of Shares to which the Option pertains and such other provisions as the Committee shall determine which are not inconsistent with the terms of this Plan.

6.3 Option Price. The Option Price for each Option shall equal the Fair Market Value of a Share at the time such option is granted. No ISOs will be granted to a Ten Percent Shareholder. Except as permitted in Section 4.4, the Option Price may not be decreased with respect to an outstanding Option following the date of grant and no Option will be replaced with another Option with a lower Option Price.

6.4 Duration of Options. Each Option granted to a Participant shall expire at such time as the Committee shall determine at the time of grant, provided that an Option must expire no later than the tenth (10th) anniversary of the date the Option was granted. Options must be exercised on or before 5:00 p.m. Central Time on their expiration date.

6.5 Exercise of Options. Options shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall in each instance approve, which need not be the same for each grant or for each Participant. Options may be partially exercised from time to time during the period extending from the time they first become exercisable in accordance with the terms of the Award until the expiration of the exercise period allowed in the Award. Exercise of related Stock Appreciation Rights will cause the immediate automatic expiration of related Options on the terms and conditions specified by the Committee.

6.6 Payment. Options shall be exercised by the delivery of a written, electronic or telephonic notice of exercise to the Company or its designated agent, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment of the Option Price for the Shares.

Upon the exercise of any Option, the Option Price for the Shares being purchased pursuant to the Option shall be payable to the Company in full either: (a) in cash or its equivalent; (b) subject to the Committee's approval, by delivery of previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the total Option Price (provided that the Shares that are delivered must have been held by the Participant for at least six (6) months prior to their delivery to satisfy the Option Price); (c) subject to the Committee's approval, by authorizing a third party to sell Shares (or a sufficient portion of the Shares) acquired upon exercise of the Option and remitting to the Company a sufficient portion of the sales proceeds to pay the Option Price; (d) subject to the Committee's approval, by a combination of (a), (b) or (c); or (e) by any other

method approved by the Committee in its sole discretion. Unless otherwise determined by the Committee, the delivery of previously acquired Shares may be done through attestation. No fractional shares may be tendered or accepted in payment of the Option Price.

Unless otherwise determined by the Committee, cashless exercises are permitted, subject to applicable law (including without limitation the requirements of Regulation T and other applicable regulations promulgated by the Federal Reserve Board), or by any other means which the Committee determines to be consistent with this Plan's purpose and applicable law.

Subject to any governing rules or regulations, as soon as practicable after receipt of notification of exercise and full payment, the Company shall deliver to the Participant, in the Participant's name, Share certificates in an appropriate amount based upon the number of Shares purchased pursuant to the Option(s).

Unless otherwise determined by the Committee, all payments under all of the methods indicated above shall be paid in United States Dollars.

6.7 Restrictions on Shares. The Committee may impose such restrictions on any Shares acquired pursuant to the exercise of an Option granted under this Article 6 as it may deem advisable, including, without limitation, (a) restrictions under applicable federal securities laws, under the requirements of any stock exchange or market upon which such Shares are then listed and/or traded, or under any blue sky or state securities laws applicable to such Shares, restrictions required by any stockholders' or other agreement governing ownership of the Company's Shares, and (b) restrictions permitted under Article 8 with respect to Restricted Stock.

6.8 Limited Transferability of Options.

- (a) **Incentive Stock Options.** No ISO granted under this Plan may be sold, transferred, pledged, assigned, encumbered or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, all ISOs granted to a Participant under this Plan shall be exercisable during such Participant's lifetime only by such Participant.
- (b) **Nonqualified Stock Options.** Except as otherwise provided in the applicable Award Agreement, no NQSO may be sold, transferred, pledged, assigned, encumbered or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, except as otherwise provided in the applicable Award Agreement, all NQSOs granted to a Participant shall be exercisable during such Participant's lifetime only by such Participant.

6.9 Special Limitation on Grants of Incentive Stock Options. No ISO shall be granted to an Employee under this Plan or any other ISO plan of the Company or its Subsidiaries to purchase Shares as to which the aggregate Fair Market Value (determined as of the date of grant) of the Shares which first become exercisable by the Employee in any calendar year exceeds \$100,000. To the extent an Option initially designated as an ISO exceeds the value limit of this Section 6.9 or otherwise fails to satisfy the requirements applicable to ISOs, it shall be deemed a NQSO and shall otherwise remain in full force and effect.

Article 7. Stock Appreciation Rights

7.1 Grant of SARs. Stock Appreciation Rights may be granted by the Committee in Awards which are in tandem with Options or freestanding. Tandem Awards may be granted at the same time as the grant of the related Option or at any time thereafter prior to the end of the exercise period for the related Option.

7.2 SAR Agreement. Each SAR grant shall be evidenced by an Award Agreement that shall specify the grant price, the duration of the SAR and such other provisions as the Committee shall determine. Each tandem SAR shall specify the Option to which it is related and the terms and conditions under which exercise or expiration of the related Option will result in automatic expiration of the related SAR and the terms and conditions on which exercise or expiration of the SAR will result in automatic expiration of the related Option.

Table of Contents

7.3 Term of SARs. The grant price of an SAR shall equal the Fair Market Value of a Share on the date of grant, provided that for each SAR granted in tandem with an Option, the grant price shall be not less than the Option Price of the related Option. The term of an SAR granted under this Plan shall be determined by the Committee, in its sole discretion, provided that an SAR must expire no later than the tenth (10th) anniversary of the date the SAR was granted.

7.4 Exercise of SARs. SARs may be exercised upon whatever terms and conditions the Committee, in its sole discretion, imposes upon them. SARs may be partially exercised from time to time during the period extending from the time they first become exercisable in accordance with the terms of the Award until the expiration of the exercise period allowed in the Award. Exercise of related Stock Options will cause the immediate automatic expiration of related SARs on the terms and conditions specified by the Committee.

7.5 Payment of SAR Amount. Upon exercise of an SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:

(a) the amount by which the Fair Market Value of a Share on the date of exercise exceeds the grant price of the SAR; by

(b) the number of Shares with respect to which the SAR is exercised.

Settlement of SARs may be made in Shares (valued at their Fair Market Value at the time of exercise), in cash, or in a combination thereof, as determined in the discretion of the Committee. Any Shares delivered in payment shall be deemed to have a value equal to the Fair Market Value of such Shares on the date of exercise of the SAR.

7.6 Limited Transferability of SARs. Except as otherwise provided in a Participant's Award Agreement, no SAR granted under this Plan may be sold, transferred, pledged, assigned, encumbered or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, except as otherwise provided in a Participant's Award Agreement, all SARs granted to a Participant under this Plan shall be exercisable during such Participant's lifetime only by such Participant.

Article 8. Restricted Stock

8.1 Grant of Restricted Stock. Subject to the terms and provisions of this Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock to Participants in such amounts as the Committee shall determine.

8.2 Restricted Stock Agreement. Each Restricted Stock grant shall be evidenced by a Restricted Stock Award Agreement that shall specify the Period(s) of Restriction, the number of shares of Restricted Stock granted, and such other provisions as the Committee shall determine which are not inconsistent with the terms of this Plan.

8.3 Transferability. Except as provided in the Award Agreement, the shares of Restricted Stock granted herein may not be sold, transferred, pledged, assigned, encumbered or otherwise alienated or hypothecated until the end of the applicable Period of Restriction established by the Committee and specified in the Restricted Stock Award Agreement, or upon earlier satisfaction of any other conditions, as specified by the Committee in its sole discretion and set forth in the Restricted Stock Award Agreement. All rights with respect to the Restricted Stock granted to a Participant under this Plan shall be available during such Participant's lifetime and prior to the end of the Period of Restriction only to such Participant.

8.4 Other Restrictions. The Committee may impose such other conditions and/or restrictions on any Shares of Restricted Stock granted pursuant to this Plan as it may deem advisable including, without limitation, a requirement that Participants pay a stipulated purchase price for each Share of Restricted Stock, restrictions based upon the achievement of specific performance goals, time-based restrictions on vesting following the attainment of the performance goals, time-based restrictions, and/or restrictions under applicable federal or state securities laws. Restricted Stock grants to Participants who may be Covered Employees which are intended to satisfy the requirements for performance-based compensation under Section 162(m) of the Code shall only be

made if payout is contingent upon achievement of Performance Targets within or at the end of the Performance Period with respect to one or more Performance Criteria as specified by the Committee and the Committee certifies the extent to which any Performance Target has been satisfied and the number of Shares of Restricted Stock deliverable as a result thereof, prior to the delivery of any such Shares to Covered Employees.

To the extent deemed appropriate by the Committee, the Company may retain the certificates representing Shares of Restricted Stock in the Company's possession until such time as all conditions and/or restrictions applicable to such Shares have been satisfied.

Except as otherwise provided in the Award Agreement, Shares of Restricted Stock covered by each Restricted Stock grant made under this Plan shall become freely transferable by the Participant after the last day of the applicable Period of Restriction.

8.5 Voting Rights. If the Committee so determines, Participants holding Shares of Restricted Stock granted hereunder may be granted the right to exercise full voting rights with respect to those Shares during the Period of Restriction.

8.6 Dividends and Other Distributions. During the Period of Restriction, Participants holding Shares of Restricted Stock granted hereunder (whether or not the Company holds the certificate(s) representing such Shares) may, if the Committee so determines, be credited with dividends paid with respect to the underlying Shares while they are so held. The Committee may apply any restrictions to the dividends that the Committee deems appropriate. Without limiting the generality of the preceding sentence, if the grant or vesting of Shares of Restricted Stock granted to a Covered Employee is designed to comply with the requirements of the Performance-Based Exception, the Committee may apply any restrictions it deems appropriate to the payment of dividends declared with respect to such Shares of Restricted Stock, such that the dividends and/or the Shares of Restricted Stock maintain eligibility for the Performance-Based Exception.

Article 9. Deferred Stock Units and Restricted Stock Units

9.1 Award of Deferred Stock Units. Subject to the terms and provisions of this Plan, the Committee, at any time and from time to time, may award Deferred Stock Units to Participants in lieu of payment of a bonus or other Award if so elected by a Participant under such terms and conditions as the Committee shall determine, including terms that provide for the grant of Deferred Stock Units valued in excess of the bonus or Award deferred.

9.2 Election to Receive Deferred Stock Units. A Participant must make an election to receive Deferred Stock Units in the calendar year before the calendar year in which the services related to the Award are first performed. The Committee may require a Participant to defer, or permit (subject to any conditions as the Committee may from time to time establish) a Participant to elect to defer, receipt of all or any portion of any payment of cash or Shares that otherwise would be due to such Participant in payment or settlement of an Award under this Plan, to the extent consistent with Section 409A of the Code. (Such payments may include, without limitation, provisions for the payment or crediting of reasonable interest in respect of deferred payments credited in cash, and the payment or crediting of dividend equivalents in respect of deferred amounts credited in stock equivalents.) Settlement of any Deferred Stock Units shall be made in a single sum of cash or Shares.

9.3 Grant of Restricted Stock Units. Subject to the terms and provisions of this Plan, the Committee, at any time and from time to time, may grant Restricted Stock Units to Participants in such amounts as the Committee may determine.

9.4 Restricted Stock Units Agreement. Each Restricted Stock Unit grant shall be evidenced by a Restricted Stock Unit Award Agreement that shall specify the date or dates and any other terms and conditions on which the Restricted Stock Units may vest and such other terms and conditions of the grant as the Committee shall determine. Restricted Stock Unit grants to Participants who may be Covered Employees which are intended

Table of Contents

to satisfy the requirements for performance-based compensation under Section 162(m) of the Code shall only be made if payout is contingent upon achievement of Performance Targets within or at the end of the Performance Period with respect to one or more Performance Criteria as specified by the Committee and the Committee certifies the extent to which any Performance Target has been satisfied, and the number of Shares or other compensation deliverable as a result thereof, prior to the delivery of any such Shares or compensation to Covered Employees.

9.5 Form and Timing of Payment of Restricted Stock Units. Payment of vested Restricted Stock Units, or, if a Restricted Stock Unit Award is subject to partial vesting, the vested portion of such Award, shall be made in a single sum of cash or Shares or a combination thereof as soon as practicable after the Restricted Stock Units or portion of the Award vests, but in no event later than 2 1/2 months after the calendar year in which vesting occurs. It is intended that a Restricted Stock Unit Award be exempt from the application of Section 409A of the Code as a short-term deferral.

Article 10. Other Stock Unit Awards

10.1 Grant of Other Stock Unit Awards. Subject to the terms of this Plan, Other Stock Unit Awards that are valued in whole or in part by reference to, or are otherwise based on, Shares or other property, may be granted to Participants, either alone or in addition to other Awards granted under this Plan, and such Other Stock Units shall also be available as a form of payment in the settlement of other Awards granted under this Plan. Other Stock Units shall be granted upon such terms, and at any time and from time to time, as shall be determined by the Committee.

10.2 Award Agreement. Each Other Stock Unit grant shall be evidenced by an Other Stock Unit Award Agreement that shall specify the restrictions upon such Other Stock Units, if any, the number of Other Stock Units granted, and such other provisions as the Committee shall determine which are not inconsistent with the terms of this Plan.

Article 11. Performance Shares

11.1 Grant of Performance Share Awards. Subject to the terms of this Plan, Performance Share Awards may be granted to Participants in such amounts and upon such terms, and at any time and from time to time, as shall be determined by the Committee.

11.2 Award Agreement. At the Committee's discretion, each grant of Performance Share Awards may be evidenced by an Award Agreement that shall specify the initial value, the duration of the Award, the performance measures, if any, applicable to the Award, and such other provisions as the Committee shall determine which are not inconsistent with the terms of this Plan.

11.3 Value of Performance Share Awards. Each Performance Share shall have an initial value equal to the Fair Market Value of a Share on the date of grant. The Committee shall set performance goals in its discretion which, depending on the extent to which they are met, will determine the number and/or value of Performance Share Awards that will be paid out to the Participant. For purposes of this Article 11, the time period during which the performance goals must be met shall be called a **Performance Period**.

11.4 Earning of Performance Share Awards. Subject to the terms of this Plan, after the applicable Performance Period has ended, the holder of Performance Share Awards shall be entitled to receive a payout based on the number and value of Performance Share Awards earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance goals have been achieved.

11.5 Form and Timing of Payment of Performance Shares Awards. Payment of earned Performance Share Awards shall be as determined by the Committee and, if applicable, as evidenced in the related Award Agreement. Subject to the terms of this Plan, the Committee, in its sole discretion, may pay earned Performance Share Awards

Table of Contents

in the form of cash or in Shares (or in a combination thereof) that have an aggregate Fair Market Value equal to the value of the earned Performance Share Awards at the close of the applicable Performance Period. Such Shares may be delivered subject to any restrictions deemed appropriate by the Committee. No fractional shares will be issued. The determination of the Committee with respect to the form of payout of such Awards shall be set forth in the Award Agreement pertaining to the grant of the Award or the resolutions establishing the Award.

Participants holding Performance Shares may be entitled to receive the dividends declared during the Performance Period with respect to the Shares represented by such Performance Shares, subject to the same accrual, forfeiture and payout restrictions as may apply to dividends earned with respect to Shares of Restricted Stock, as set forth in Section 8.6 hereof, as determined by the Committee.

11.6 Limited Transferability. Except as otherwise provided in a Participant's Award Agreement, Performance Share Awards may not be sold, transferred, pledged, assigned, encumbered or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution.

Article 12. Performance Criteria

For each Award of Restricted Stock, Restricted Stock Units or Performance Share Awards intended to qualify as performance based compensation under Section 162(m) of the Code and related rules, the Committee shall select the applicable Performance Criteria, Performance Period and Performance Target for the Award consistent with the terms of this Plan and Section 162(m) of the Code. The Committee may select Performance Criteria, Performance Periods and Performance Targets for Restricted Stock, Restricted Stock Units or Performance Share Awards for Participants other than Covered Employees in its discretion. The Committee shall have no discretion to increase the amount of compensation payable to Covered Employees if a Performance Target has been attained (though the Committee shall retain the discretion to adjust such Awards downward), but the Committee may adjust compensation to increase the amount, in its discretion, to any other Participant. The Committee may adjust Performance Targets to take into account the effects of any Extraordinary Items equitably in a manner consistent with the determination of the original Award; *provided, however*, no such adjustment may be made with respect to any Award to a Covered Employee which is intended to qualify as performance based compensation unless such adjustment satisfies the requirements of Code Section 162(m).

For Awards to Covered Employees which are intended to qualify as performance based compensation under Code Section 162(m), the Performance Target with respect to the selected Performance Criteria must be established by the Committee in advance of the deadlines applicable under Code Section 162(m) and while the performance relating to the Performance Target remains substantially uncertain within the meaning of such Section 162(m) and the related rules. At the time the Performance Targets are established, the Committee shall provide, in terms of an objective formula or standard for each Covered Employee, the method of computing the specific amount that will represent the maximum number of Shares or amount of other compensation payable to the Participant if the Performance Target is attained.

In addition, notwithstanding anything to the contrary in this Plan, in the case of a Covered Employee no payment with respect to an Award subject to a Performance-Based Exception shall be made prior to shareholder approval of this Plan.

If applicable tax and/or securities laws change to permit Committee discretion to alter the governing performance measures without obtaining shareholder approval of such changes, the Committee shall have sole discretion to make such changes without obtaining shareholder approval.

Article 13. Rights of Participants

13.1 Employment. Nothing in this Plan shall confer upon any Participant any right to continue in the Company's or its Subsidiaries' employ, or as a Director, or interfere with or limit in any way the right of the Company or its Subsidiaries to terminate any Participant's employment or directorship at any time.

Table of Contents

13.2 Participation. No Employee, Director or consultant shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.

13.3 Rights as a Stockholder. Except as provided in Sections 8.5, 8.6 and 11.5 or in the applicable Award Agreement consistent with Articles 8, 9, 10 or 11, a Participant shall have none of the rights of a shareholder with respect to Shares covered by any Award until the Participant becomes the record holder of such Shares.

Article 14. Termination of Employment/Directorship

14.1 Vesting and Exercise of Awards. Except as otherwise provided in the Award Agreement, subject to Section 14.2, upon termination of the Participant's employment or directorship for any reason other than Disability, death or Retirement, an Award granted to a Participant may be exercised by the Participant or a permitted transferee at any time on or prior to the earlier of the expiration date of the Award or, in the case of an Option or an SAR, the expiration of three (3) months after the date of termination but only if, and to the extent that, the Participant was entitled to exercise the Award at the date of termination. Upon termination of the Participant's employment or directorship by reason of the Participant's Disability or death, an Award granted to a Participant shall become vested and/or may be exercised by the Participant or a permitted transferee only to the extent set forth in such Participant's Award Agreement. Upon termination of the Participant's employment or directorship due to Retirement, a NQSO granted to the Participant may be exercised by the Participant or a permitted transferee at any time on or prior to the earlier of the expiration date of the Option or the expiration of six months after the date of termination due to Retirement but only if, and to the extent that, the Participant was entitled to exercise the NQSO at the date of termination. All Awards or any portion thereof not yet vested or exercisable or whose Period of Restriction has not expired as of the date of termination (other than a termination by reason of Disability, death or Retirement) shall terminate and be forfeited immediately on the date of termination.

For purposes of this Article, a termination includes an event which causes a Participant to lose his eligibility to participate in this Plan (e.g., an individual is employed by a company that ceases to be a Subsidiary). In the case of a consultant and a nonemployee director, the meaning of termination or termination of employment includes the date that the individual ceases to provide significant services to the Company or its Subsidiaries.

Notwithstanding the foregoing, the Committee has the authority to prescribe different rules that apply upon the termination of employment of a particular Participant, which shall be memorialized in the Participant's original or amended Award Agreement or similar document. However, with respect to any Award subject to Code Section 409A, any reference to termination of employment or similar term shall mean an event that constitutes a separation from service within the meaning of Code Section 409A.

14.2 Termination for Cause. Notwithstanding any other provision of this Plan or an Award Agreement, if the Committee finds by a majority vote that Cause (as defined below) exists with respect to a Participant, then as of the date the Committee makes its finding, any Awards awarded to such Participant that have not been exercised by such Participant (including all Awards that have not yet vested) will be forfeited to the Company. The findings and decision of the Committee or the Board, if applicable, with respect to any such matter, including those regarding the acts of the Participant and the damage done to the Company, will be final for all purposes. No decision of the Committee, however, will affect the finality of the discharge of the individual by the Company or a Subsidiary. As used herein, **Cause** means a Participant, before or after his termination of employment or directorship (a) committed a felony or a crime involving moral turpitude or committed any other act or omission involving fraud, embezzlement or any other act of dishonesty in the course of his employment by the Company or a Subsidiary which conduct damaged the Company or a Subsidiary; (b) substantially and repeatedly failed to perform duties of the office held by the Participant as reasonably directed by the Company or a Subsidiary, (c) committed gross negligence or willful misconduct with respect to the Company or a Subsidiary; (d) committed a material breach of any employment agreement between the Participant and the Company or a Subsidiary that is not cured within ten (10) days after receipt of written notice thereof from the Company or the

Subsidiary, as applicable; (e) failed, within ten (10) days after receipt by the Participant of written notice thereof from the Company or a Subsidiary, to correct, cease or otherwise alter any failure to comply with instructions or other action or omission which the Board reasonably believes does or may materially or adversely affect the Company's or a Subsidiary's business or operations, (f) committed misconduct which is of such a serious or substantial nature that a reasonable likelihood exists that such misconduct will materially injure the reputation of the Company or a Subsidiary, (g) harassed or discriminated against the Company's or a Subsidiary's employees, customers or vendors in violation of the Company's policies with respect to such matters, (h) misappropriated funds or assets of the Company or a Subsidiary for personal use or willfully violated the Company policies or standards of business conduct as determined in good faith by the Board, (i) failed, due to some action or inaction on the part of the Participant, to have immigration status that permits the Participant to maintain full-time employment with the Company or a Subsidiary in the United States in compliance with all applicable immigration law or (j) disclosed trade secrets of the Company or a Subsidiary. Notwithstanding the foregoing, in the event a Participant has an employment agreement with the Company that provides for termination for cause or reasonable cause, Cause as used herein shall have the definition of cause or reasonable cause, as applicable, contained in such employment agreement.

14.3 Leave of Absence. Unless otherwise determined by the Committee, an authorized leave of absence pursuant to a written agreement or other leave entitling an Employee to reemployment in a comparable position by law or rule shall not constitute a termination of employment for purposes of this Plan unless the Employee does not return at or before the end of the authorized leave or within the period for which re-employment is guaranteed by law.

14.4 Forfeiture of Unvested Award. An Award that remains unexercised after the latest date it could have been exercised under any of the foregoing provisions or under the terms of the Award shall be forfeited.

Article 15. Change in Control

In the event of (1) any sale or conveyance to another entity of all or substantially all of the property and assets of the Company, (2) a Change in Control or (3) an event that, with the passage of time, would result in a Change in Control, unless otherwise specifically prohibited under applicable laws, or by the rules and regulations of any governing governmental agencies or national securities exchange or trading system, or unless the Committee shall otherwise specify in the Award Agreement, the Board, in its sole discretion, may, as applicable:

- (a) accelerate the time at which some or all of the Awards then outstanding may be exercised so that such Awards may be exercised in full for a limited period of time on or before a specified date (before or after such Change in Control) fixed by the Committee, after which specified date all such Awards that remain unexercised and all rights of Participants thereunder shall terminate;
- (b) elect to terminate Options or SARs in exchange for a cash payment equal to the amount by which the Fair Market Value of the Shares subject to such Option to the extent the Option or SAR has vested exceeds the exercise price with respect to such Shares;
- (c) elect to terminate Options or SARs provided that each Participant is first notified of and given the opportunity to exercise his/her vested Options for a specified period of time (of not less than 15 days) from the date of notification and before the Option or SAR is terminated;
- (d) permit Awards to be assumed by a new parent corporation or a successor corporation (or its parent) and replaced with a comparable Award of the parent corporation or successor corporation (or its parent);
- (e) amend an Award Agreement or take such other action with respect to an Award that it deems appropriate; or
- (f) implement any combination of the foregoing.

The Board need not provide for identical treatment of each such outstanding Award.

Article 16. Amendment, Modification, and Termination

16.1 Amendment, Modification, and Termination. Subject to the terms of this Plan, the Board may at any time and from time to time, alter, amend, suspend, or terminate this Plan in whole or in part.

16.2 Awards Previously Granted. Notwithstanding any other provision of this Plan to the contrary, no termination, amendment, or modification of this Plan shall adversely affect in any material way any Award previously granted under this Plan, without the written consent of the Participant holding such Award.

16.3 Shareholder Approval Required for Certain Amendments. Shareholder approval will be required for any amendment of this Plan that does any of the following: (a) increases the maximum number of Shares, or the types of Awards, available under this Plan; (b) changes the designation of the class of persons eligible to receive ISOs under this Plan; or (c) modifies this Plan in a manner that requires shareholder approval under applicable law or the rules of a stock exchange or trading system on which Shares are traded.

Article 17. Withholding

The Company shall have the power and the right to deduct or withhold or require a Participant to remit to the Company, an amount sufficient to satisfy any applicable taxes (including social security or social charges), domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of this Plan. The Participant may satisfy, totally or in part, such Participant's obligations pursuant to this Article 17 by electing to have Shares withheld, to redeliver Shares acquired under an Award, or to deliver previously owned Shares that have been held for at least six (6) months, provided that the election is made in writing on or prior to (i) the date of exercise, in the case of Options or SARs; (ii) the date of payment, in the case of Performance Shares or Deferred Stock Units/Restricted Stock Units; or (iii) the expiration of the Period of Restriction in the case of Restricted Stock. Any election made under this Article 17 may be disapproved by the Committee at any time in its sole discretion. If an election is disapproved by the Committee, the Participant must satisfy his obligations pursuant to this Article 17 in cash.

Article 18. Successors

All obligations of the Company under this Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, through merger, consolidation, or otherwise, of all or substantially all of the business, stock and/or assets of the Company.

Article 19. General Provisions

19.1 Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

19.2 Severability. If any provision of this Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of this Plan, and this Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

19.3 Requirements of Law. The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

19.4 Securities Law Compliance. With respect to individuals subject to Section 16 of the Exchange Act, transactions under this Plan are intended to comply with all applicable conditions of Rule 16b-3 or its successors under the Exchange Act, unless determined otherwise by the Board. To the extent any provision of this Plan or action by the Committee fails to so comply, it shall be deemed null and void, to the extent permitted by law and deemed advisable by the Board.

19.5 Listing. The Company may use reasonable endeavors to register Shares issued pursuant to Awards with the SEC or to effect compliance with the registration, qualification, and listing requirements of any state or foreign securities laws, stock exchange, or trading system.

19.6 Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

19.7 No Additional Rights. Neither the Award nor any benefits arising under this Plan shall constitute part of an employment contract between the Participant and the Company or any Subsidiary, and accordingly, subject to Section 16.2, this Plan and the benefits hereunder may be terminated at any time in the sole and exclusive discretion of the Committee without giving rise to liability on the part of the Company for severance payments.

19.8 Noncertificated Shares. To the extent that this Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be effected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange or trading system.

19.9 Governing Law. This Plan and each Award Agreement shall be governed by the laws of Delaware, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Plan to the substantive law of another jurisdiction. Unless otherwise provided in the Award Agreement, recipients of an Award under this Plan are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts whose jurisdiction covers Delaware, to resolve any and all issues that may arise out of or relate to this Plan or any related Award Agreement.

19.10 Other Conditions. At the time of an Award to a Participant under this Plan, the Committee may require a Participant to enter into any agreement or make any representations, not inconsistent with this Plan, as the Committee may, in its sole discretion, prescribe.

19.11 Compliance with Code Section 162(m). It is the intent of the Company that all Awards that are intended to qualify as performance-based compensation under Code Section 162(m) be granted and interpreted in a manner to satisfy all applicable requirements of Code Section 162(m). Any provision, application or interpretation of this Plan inconsistent with this intent to satisfy the standards in Code Section 162(m) shall be disregarded. Notwithstanding anything to the contrary in this Plan, the provisions of this Plan may at any time be bifurcated by the Committee in any manner so that certain provisions of this Plan or any Award intended (or required in order) to satisfy the applicable requirements of Code Section 162(m) may be applicable only to Covered Employees.

19.12 Compliance with Code Section 409A. No Award that is subject to Code Section 409A shall provide for deferral of compensation that does not comply with Code Section 409A. Any ambiguities in this Plan or an Award Agreement shall be construed so that benefits hereunder shall not be subject to tax under Section 409A of the Code, and if any provision of any Award is found to be in violation of the requirements of said Section 409A, then such provision shall be deemed modified or restricted to the extent and in the manner necessary to render such provisions in conformity with said Section 409A. For any Awards subject to Code Section 409A, all rights to amend, terminate or modify this Plan or any such Award, including any discretionary rights or powers the Committee may have with respect to an Award, are subject to the requirements and limitations of Code Section 409A. Notwithstanding any provision in this Plan to the contrary, with respect to any Award subject to Section 409A of the Code, distributions on account of a separation from service may not be made to a Specified
