**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

(e) At the 2014 Annual Meeting of Stockholders (the Annual Meeting ) of Diamond Offshore Drilling, Inc. (the Company ) held on May 20, 2014, the Company s stockholders approved the Company s Incentive Compensation Plan for Executive Officers (as Amended and Restated as of March 28, 2014) (the Incentive Compensation Plan ). The Company s Board of Directors (the Board ) had previously adopted and approved the Incentive Compensation Plan, subject to stockholder approval.

All of the Company s executive officers are eligible to participate in the Incentive Compensation Plan. The Incentive Compensation Plan is designed to qualify the amounts paid under its terms to executive officers as qualified performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended, to allow amounts awarded under the Incentive Compensation Plan to be deductible by the Company for federal income tax purposes, even if, when combined with other compensation, the award causes the compensation of any of the participants to exceed \$1 million.

The amendments made to the Incentive Compensation Plan as previously in effect included an expansion of the types of performance measures upon which performance-based compensation awards may be based; an increase in the maximum amount payable to each executive officer for each year from \$1,000,000 to \$7,500,000; a provision permitting the Compensation Committee of the Board to vary the treatment of performance awards upon termination of employment in accordance with a participant s employment agreement, as long as that treatment does not cause the award to fail to qualify as performance-based compensation for income tax purposes; and an amendment to define Disability as set forth in the participant s employment agreement, if applicable.

The material features of the Incentive Compensation Plan are described in the Company s Proxy Statement for the Annual Meeting filed with the Securities and Exchange Commission on April 1, 2014, which description is incorporated herein by reference and is qualified in its entirety by reference to the Incentive Compensation Plan, a copy of which is filed as Exhibit 10.1 to this report and is incorporated herein by reference.

At the Company s Annual Meeting held on May 20, 2014, the Company s stockholders also approved the Company s Equity Incentive Compensation Plan (the Equity Plan ), which amends and restates the Company s 2000 Stock Option Plan. The Board had previously adopted and approved the Equity Plan, subject to stockholder approval.

The Equity Plan provides for the award of non-qualified stock options, incentive stock options, stock appreciation rights, restricted stock, restricted stock units, performance shares and units and other stock-based awards. Awards may be granted under the Equity Plan to officers, independent contractors, employees and nonemployee

directors of the Company or of any of its subsidiaries or affiliates. The maximum number of shares of the Company's common stock available for the grant or settlement of awards under the Equity Plan is 7,500,000, subject to adjustment for certain business transactions and changes in capital structure.

The Equity Plan's principal changes compared to 2000 Stock Option Plan as previously in effect include an increase in the number of shares of common stock available for issuance under the Equity Plan from 1,500,000 shares to 7,500,000 shares; an increase in the annual limit on the number of shares of common stock with respect to which awards may be granted to any single individual from 200,000 shares to 500,000 shares; the provision of performance goals upon which the awards under the Equity Plan may be conditioned; and the addition of other stock-based awards (in addition to options and stock appreciation rights) that may be granted under the Equity Plan, including awards of restricted stock, restricted stock units, performance shares and units and other stock-based awards.

The material features of the Equity Plan are described in the Company's Proxy Statement for the Annual Meeting filed with the Securities and Exchange Commission on April 1, 2014, which description is incorporated herein by reference and is qualified in its entirety by reference to the Equity Plan, a copy of which is filed as Exhibit 10.2 to this report and is incorporated herein by reference. In addition, the form of stock option certificate for grants to executive officers, other employees and consultants is filed as Exhibit 10.3 to this report and the form of stock option certificate for grants to non-employee directors is filed as Exhibit 10.4 to this report. The form of award certificate for stock appreciation right grants to the Company's executive officers, other employees and consultants is filed as Exhibit 10.5 to this report and the form of award certificate for stock appreciation right grants to non-employee directors is filed as Exhibit 10.6 to this report. The form of award certificate for grants of performance restricted stock units is filed as Exhibit 10.7 to this report. All of the foregoing forms are incorporated herein by reference.
