**ITEM 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On June 18, 2014, at the Annual Meeting of Stockholders of Celgene Corporation (the Company), the stockholders approved an amendment to the Company's Certificate of Incorporation increasing the authorized shares of common stock and effecting a two-for-one stock split. The amendment to the Company's Certificate of Incorporation was filed with the Secretary of State of the State of Delaware on June 18, 2014 increasing the Company's authorized common stock from 575,000,000 to 1,150,000,000 and effecting the stock split. Reference is made to the amendment to the Company's Certificate of Incorporation, which is attached to this Report as Exhibit 3.1.

Accordingly, the record date for determining those holders who are entitled to receive the stock split shares is June 18, 2014. The new shares are expected to be distributed on June 25, 2014 and the adjusted stock price is expected to be reflected on the Nasdaq Stock Market on June 26, 2014. Each stockholder of record on the close of business on the record date will receive one additional share of common stock for each share held to the extent such shares are still held as of the Payment Date. All shares issued as a result of the stock split will be issued in book-entry form, either through the Direct Registration System (DRS) or as a credit to an existing account of a stockholder of record. Consequently, certificates representing shares of common stock currently issued should be retained by each stockholder and should not be returned to the Company or to its transfer agent, as it will not be necessary to submit outstanding certificates for exchange.

Reference is made to the Company's press release, which is attached to this Report as Exhibit 99.1.
