*Explanatory Note:* On July 24, 2014, NanoString Technologies, Inc. (the Company) filed a Current Report on Form 8-K with the United States Securities & Exchange Commission (the SEC) to report under Item 5.07 thereof (the Original Report) the voting results for the proposal submitted to stockholders at the Company's 2014 Annual Meeting of Stockholders (the Annual Meeting), held on July 18, 2014 and adjourned until July 28, 2014 with respect to one of the proposals. This Current Report on Form 8-K/A amends and supplements the Original Report with the voting results with respect to the proposal voted on at the reconvened portion of the Annual Meeting on July 28, 2014. #### **Item 5.07 Submission of Matters to a Vote of Security Holders.**

On July 28, 2014, the Company reconvened and concluded the Annual Meeting. As previously reported in the Original Report, the Company's stockholders voted on, and approved, one proposal on July 18, 2014 relating to the ratification of the appointment of the Company's independent registered public accounting firm. Following ratification of this proposal, the Annual Meeting was adjourned until July 28, 2014 in order to allow the Company's stockholders more time to consider the information contained in a Current Report on Form 8-K and supplemental proxy materials (the Proxy Supplement) filed with the SEC on July 14, 2014 relating to the election as Class I director of the nominee named in the Proxy Supplement.

At the reconvened meeting, proxies representing 17,067,803 shares of the Company's common stock, or approximately 94.5% of the total shares entitled to vote, were present in person or by proxy and voted on the following proposal, which is described in more detail in the Company's definitive proxy statement filed with the SEC on June 6, 2014, as supplemented by the Proxy Supplement:

*Proposal One Election of Class I Director.* The following nominee was elected as Class I director to serve until the 2017 annual meeting of stockholders or until his successor is duly elected and qualified.
