Pursuant to Rule 13d-4 of the Act, Teledyne expressly declares that the filing of this Schedule 13D shall not be construed as an admission that any person is, for the purposes of Section 13(d) and/or Section 13(g) of the Act or otherwise, the beneficial owner of any securities covered by this Schedule 13D held by any other person.

Attached hereto as Schedule I, and incorporated herein by reference, is additional information required by this Item 2(a) (c) and (f) with respect to each executive officer and director of Teledyne as of the date hereof.

(d) During the last five years, neither Teledyne, nor to the best knowledge of Teledyne, any of the persons listed on Schedule I, has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

**Item 3. Source and Amount of Funds or Other Consideration.**

On September 3, 2014, Bolt, Teledyne and Lightning Merger Sub, Inc. (Merger Sub), entered into an Agreement and Plan of Merger (the Merger Agreement). Pursuant to the terms of, and subject to the conditions set forth in, the Merger Agreement, (i) Teledyne will acquire all of the outstanding shares of Bolt common stock for \$22.00 per share in cash, without interest, and (ii) Merger Sub will be merged with and into Bolt, with Bolt continuing as the surviving corporation and a wholly owned subsidiary of Teledyne (the Merger). The anticipated aggregate consideration to be paid by Teledyne to consummate the Merger is approximately \$171 million, taking into account Bolt's stock options and net cash as of March 31, 2014. The completion of the Merger is not subject to a financing contingency. Teledyne intends to use existing cash on hand and availability under its credit facility to pay the Merger consideration. Teledyne has a \$750 million credit facility, which does not expire until March 1, 2018. At August 31, 2014, the available borrowing capacity under this facility was \$730 million.

Concurrently with the execution and delivery of the Merger Agreement, and as a condition and inducement to the willingness of Teledyne and Merger Sub to enter into the Merger Agreement, each of the directors and executive officers of Bolt (the Shareholders) has entered into a shareholder agreement (each a Shareholder Agreement and collectively the Shareholder Agreements) covering a total of 493,502 shares (including shares that may be acquired

upon exercise of options to acquire shares) of Bolt common stock legally or beneficially owned by the Shareholders (the Shares ). Under the Shareholder Agreements, each Shareholder has agreed to vote his Shares in favor of the Merger and has also agreed to certain restrictions on the disposition of such Shares, subject to the terms and conditions set forth in the Shareholder Agreements. The Shareholder Agreements provide that they will terminate concurrently with any termination of the Merger Agreement.

Neither Teledyne nor Merger Sub paid any additional consideration to the Shareholders (or their respective affiliates) to induce the Shareholders to enter into such Shareholder Agreements.

The foregoing description of the Merger Agreement and the Shareholder Agreements does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement and the form of Shareholder Agreement, copies of which are filed as Exhibits hereto.

The Shareholder Agreements provide that they will terminate concurrently with any termination of the Merger Agreement.

During the term of the Shareholder Agreements, each Shareholder has also granted an irrevocable proxy appointing Teledyne, Merger Sub or any designated nominee to vote each Shareholder's Shares with respect to the matters described in clauses (i), (ii) and (iii) of the preceding paragraph.

After completion of the Merger, Teledyne expects to work with Bolt's management to evaluate and review Bolt and its business, assets, corporate structure, operations, properties and strategic alternatives and to integrate Bolt into Teledyne's business.

(g)
