CALCULATION OF REGISTRATION FEE

Title of each class of securities to be registered	Amount to be registered(1)(2)	Proposed maximum offering price per share(3)	Proposed maximum aggregate offering price(3)	Amount of registration fee(4)
Ordinary shares, nominal value 0.01 per share	55,300,000	N/A	\$1,109,720,062.28	\$8,844.19

- (1) Represents 13,252,588 ordinary shares of Mylan N.V. (the Registrant) to be issued pursuant to the exercise of outstanding stock options granted to participants under the Mylan N.V. Amended and Restated 2003 Long Term Incentive Plan (the Plan) and 42,047,412 ordinary shares of the Registrant subject to outstanding equity-based awards other than stock options or that remain available for issuance under the Plan.
- (2) Pursuant to Rule 416(a) under the Securities Act of 1933, as amended (the Securities Act), this Registration Statement also covers an indeterminate number of additional ordinary shares as may be offered or issued under the Plan pursuant to this Registration Statement by reason of any stock split, stock dividends, or similar transactions or any other anti-dilutive or adjustment provisions of the Plan, as applicable.
- (3) Estimated solely for purposes of calculating the registration fee pursuant to Rules 457(f)(2) and 457(h) under the Securities Act. With respect to the ordinary shares subject to outstanding equity-based awards other than stock options or that remain available for issuance under the Plan, pursuant to Rule 457(f), the Registrant estimates that the book value per share of the ordinary shares to be registered is equal to \$15.20, based on the total number of outstanding shares as of February 26, 2015. This estimate assumes that Mylan Inc. will be a wholly owned indirect subsidiary of the Registrant and that the Registrant will acquire the non-U.S. developed markets specialty and branded generics business (the Business) of Abbott Laboratories (Abbott) following the completion of the transactions contemplated by the Amended and Restated Business Transfer Agreement dated as of November 4, 2014, among Abbott, Mylan Inc., the Registrant (formerly named New Moon B.V.) and Moon of PA Inc. The aggregate book value of Mylan Inc. is \$3,406,300,000 and the aggregate book value of the Business is \$2,345,000,000, each as of September 30, 2014, the latest practicable date prior to the filing of this Registration Statement. The book value per share upon which the registration fee is calculated does not indicate any anticipated market value upon the issuance of the ordinary shares. With respect to the 13,252,588 ordinary shares issuable pursuant to outstanding but unexercised stock options previously granted under the Plan, pursuant to Rule 457(h)(1) of the Securities Act, the proposed maximum offering price per share and proposed maximum aggregate offering price are based on the weighted average exercise price of such shares of \$35.51.
- (4) Pursuant to Rule 457(p) of the Securities Act, the currently due registration fee for this Registration Statement is being offset by \$120,105.09 in previously paid filing fees under the registration statement on Form S-8 (File No. 333-186933) filed by the Registrant's wholly owned subsidiary, Mylan Inc., on February 28, 2013.

Amended and Restated 2003 Long-Term Incentive Plan (the "Plan"). On February 9, 2015, the Board of Directors and the shareholder of the Registrant approved the assumption of the Plan by the Registrant.

The class of securities to be offered under this Registration Statement is registered under Section 12(b) of the Exchange Act.

Item 5. Interests of Named Experts and Counsel.

Item 6. Indemnification of Directors and Officers.

Registrant is a public limited liability company (*naamloze vennootschap*) organized and existing under the laws of the Netherlands.

Without prejudice to any indemnity to which such person may be contractually or otherwise entitled and to the fullest extent permitted by applicable Dutch law, as the same exists or may be amended (but, in the case of such amendment, only to the extent that such amendment permits the Registrant to provide broader indemnification rights than such law permitted the Registrant to provide prior to such amendment), the Registrant's articles of association (the "Articles") provide that the Registrant will indemnify any director or officer who was, is, or becomes in his or her capacity as director or officer a party or witness or is or becomes threatened to be made a party or witness to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, or administrative or any action, suit, or proceeding in order to obtain information, against any and all liabilities including all expenses (including attorneys' fees), judgments, fines, amounts paid in settlement, and other financial losses, actually and reasonably incurred by him or her in connection with such action, suit, or proceeding.

Under Dutch law, indemnification generally may not be available to any person in respect of any claim, issue, or matter as to which such person will have been adjudged in a final and non-appealable judgment by a Dutch or other court of competent jurisdiction to be liable for intentional recklessness or willful misconduct in the performance of his or her duty to the Registrant unless such court determines that such person is fairly and reasonably entitled to such indemnification despite the adjudication of such liability, or to the extent any related costs and losses have been insured and reimbursed to such person under any applicable insurance policy. Also, indemnification may not be available in respect of any claim brought by the Registrant and for which the person is adjudged in a final and non-appealable judgment to be liable to the Registrant unless the court or the Registrant shall have determined that indemnification of some or all expenses incurred by such person is appropriate and permitted under applicable law.

The Registrant also has entered into indemnification agreements with each of its directors and certain of its officers that provide them with substantially similar indemnification rights to those provided under the Registrant's Articles.

The Articles also provide that the Registrant may maintain an insurance policy which insures directors and officers against certain liabilities which might be incurred in connection with the performance of their duties. The Registrant currently maintains such a policy. The description of indemnity herein is merely a summary of the provisions in the Articles and other indemnification agreements, and such description shall not limit or alter the provisions in the Articles or other indemnification agreements.

The Shareholder Agreement dated as of February 27, 2015, among the Registrant Abbott and the Abbott subsidiaries named therein, provides for indemnification of the Registrant and its directors and officers by Abbott and such Abbott subsidiaries, and of Abbott and such Abbott subsidiaries and their respective directors and officers by the Registrant, against certain liabilities.

Item 7. Exemption From Registration Claimed.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total

dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in this effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
