There are no separate financial statements of any of the Trusts or the Partnerships in this prospectus. We, the Trusts and the Partnerships do not believe these financial statements would be

material to holders of the trust securities or partnership preferred securities because each Trust and Partnership is a special purpose entity that does not have any independent operations other than issuing trust securities, common securities or partnership preferred securities, as applicable; holding our corresponding junior subordinated notes, preferred stock, or partnership preferred securities, as applicable, as assets; and other necessary or incidental activities as described in this prospectus or the original prospectuses and prospectus supplements for the offering of such securities. Furthermore, taken together, our obligations under the applicable securities held as assets of each Trust or Partnership, as applicable, the related declaration of trust or limited partnership agreement, as applicable, and the related guarantees provide, in the aggregate, a full, irrevocable and unconditional guarantee of payments of distributions and other amounts due on the related trust securities of a Trust or partnership preferred securities of a Partnership, as applicable. None of the Trusts or Partnerships are subject to the reporting requirements of the Securities Exchange Act of 1934.

### **FORWARD-LOOKING STATEMENTS**

We have included or incorporated by reference statements in this prospectus that may constitute forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. You may find these statements by looking for words such as plan, believe, expect, intend, anticipate, estimate, project, potential, possible, or other similar expressions, or for conditional verbs such as will, should, would, and could.

All forward-looking statements, by their nature, are subject to risks and uncertainties. Our actual results may differ materially from those set forth in our forward-looking statements. As a large, international financial services company, we face risks that are inherent in the businesses and market places in which we operate. Information regarding important factors that could cause our future financial performance to vary from that described in our forward-looking statements is contained in our annual report on Form 10-K for the year ended December 31, 2014, which is incorporated by reference in this prospectus, under the captions Item 1A. You should not place undue reliance on any forward-looking statements, which speak only as of the dates they are made.

All subsequent written and oral forward-looking statements attributable to us or any person on our behalf are expressly qualified in their entirety by the cautionary statements contained or referred to in this section.
