Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) On June 24, 2015, the Nominating and Corporate Governance Committee (the Committee) of the Board of Directors (the Board) of Apogee Enterprises, Inc. (the Company) adopted the Restricted Stock Deferral Program Under the Apogee Enterprises, Inc. 2009 Non-Employee Director Stock Incentive Plan, as Amended and Restated (2014) (2015 Statement) (the 2015 Deferral Program) and a form of Deferred Restricted Stock Unit Agreement.

The 2015 Deferral Program establishes, effective June 24, 2015, a deferred compensation arrangement for the non-employee members of its Board (the Non-Employee Directors) whereby the Non-Employee Directors may elect to voluntarily receive all or a portion of any restricted stock or restricted stock unit award granted under the Company's 2009 Non-Employee Director Stock Incentive Plan, as Amended and Restated (2014) (the Plan) in the form of shares of deferred common stock of the Company pursuant to an irrevocable election made under the 2015 Deferral Program. The 2015 Deferral Program was established under the Plan, and all shares of common stock issued under the 2015 Deferral Program are subject to the terms and conditions of the Plan.

Any Non-Employee Director of the Company will be eligible to participate in the 2015 Deferral Program. Pursuant to the 2015 Deferral Program, any Non-Employee Director (the Participant) may irrevocably elect to defer receipt of 25%, 50%, 75% or 100% of any restricted stock or restricted stock unit award (the Units) (rounded down to the nearest whole share of common stock) by providing the Company a Deferral Election Form. The amounts to be deferred will be in the form of a common stock credit to the Participant's Deferred Stock Account and such shares will be evidenced by the Deferral Election Form and a Deferred Restricted Stock Unit Agreement. The Participant's Units shall vest or be forfeited as provided in the Participant's Deferred Restricted Stock Unit Agreement(s). The Participant's vested Deferred Stock Account shall become payable to the Participant upon the earliest of, or upon the occurrence of, one of the following events, as elected by the Participant in the Deferral Election Form: (i) the Participant's Termination (as defined in the 2015 Deferral Program) from the Board, (ii) a date selected by the Participant, (iii) the Participant reaches seventy (70) years of age, or (iv) the Participant's death. Each Participant shall elect on their Deferral Election Form whether to receive such payment of shares of common stock in a lump sum or in annual installments for a term of up to ten years. All payments shall be made in shares of common stock, with one share of common stock issued for each vested Unit credited to the Participant's Deferred Stock Account, plus cash in lieu of any fractional shares.

The Units shall vest as to 1/3 of the Units on each of the first three anniversaries of the date of grant. In the event the Participant resigns as a director, declines to stand for reelection or is removed as a director of the Company prior to the vesting date, the unvested Units held by the Participant at such time shall be immediately and irrevocably forfeited. Notwithstanding the foregoing, in the event the Participant's service on the Board terminates by reason of the Participant's retirement (as determined by the Committee), death or disability, the unvested Units held by the Participant at such time shall vest as of the date of such termination of service. In the event of a Change in Control of the Company (as defined in the 2015 Deferral Program), the unvested Units held by the Participant at such time shall immediately vest.

The 2015 Deferral Program is an unfunded obligation of the Company and all Participants shall be general unsecured creditors of the Company and shall not have any of the rights of a shareholder of the Company other than the right to receive, as a credit of common stock units to their Deferred Stock Account, cash dividends or other cash distributions that are distributed to shareholders of the Company, unless and until shares of common stock are actually issued to the Participant.
