The Reporting Person's rights with respect to the shares of Common Stock are subject to the terms and conditions of the investor rights agreement, the warrant purchase agreement and the board representation letter agreement described below. For a complete description, your attention is directed to each of these documents which have been incorporated by reference as exhibits to this Schedule 13D and are incorporated herein by reference. A summary of these terms and conditions are described below:

Investor Rights Agreement

On July 31, 2015, in connection with the closing of the Business Combination, the Issuer, the Reporting Person, Rohm & Haas Company (R&H), Boulevard Acquisition Sponsor, LLC (the Sponsor) and certain individuals (such individuals together with the Sponsor, collectively the Initial Stockholders) entered into a Investor Rights Agreement (the Investor Rights Agreement).

Pursuant to the Investor Rights Agreement, any direct or indirect holder of the Common Stock that is party to the Investor Rights Agreement is entitled to demand that the Issuer register the resale of its securities subject to certain minimum requirements. In addition, the holders will have certain piggy-back registration rights with respect to registration statements filed after July 31, 2015. The Issuer is required to deliver financial statements and other information for each accounting period to the Reporting Person, R&H, and their subsidiaries that are holders of Common Stock or other equity securities of the Issuers. The Investor Rights Agreement provides that the Issuer will take all necessary action to cause (i) Torsten Kraef (the Preferred Director), the individual designated for appointment to the Issuer's board of directors (the Board) by R&H as the holder of the outstanding share of Series A Preferred Stock, or a person designated by the Preferred Director, to be elected a member of the board of directors of each subsidiary of the Issuer, and (ii) each of Gregory F. Freiwald and Macauley Whiting, Jr., each of whom are nominated to the Board by the Reporting Person pursuant to the terms of the Purchase Agreement, to be appointed a member of each committee of the Board of which the Preferred Director is not a member. The Investor Rights Agreement also provides that the Reporting Person, R&H and the Initial Stockholders will agree not to transfer their shares of Common Stock from the closing of the Business Combination until July 31, 2016, subject to limited exceptions, including that R&H has the right to transfer its securities if, in its sole discretion, R&H determines in good faith that its ownership percentage of Common Stock and non-voting common stock of the Issuer would require it to consolidate the results of operations and financial position of the Issuer (a Consolidation Risk) and if after providing the Issuer with notice of this Consolidation Risk (the Consolidation Notice), the Issuer has not engaged R&H in transactions to reduce its ownership percentage to a level to remediate the Consolidation Risk within 20 business days following the date of the Consolidation Notice.

Warrant Purchase Agreement

On July 31, 2015, in connection with the closing of the Business Combination, the Reporting Person, R&H, the Issuer and the Sponsor entered into a Warrant Purchase Agreement (the Warrant Purchase Agreement).

Pursuant to the Warrant Purchase Agreement, from the closing of the Business Combination and ending on April 30, 2016, the Issuer is required to purchase in the open market warrants issued in connection with Issuer's initial public offering (the Public Offering), in an aggregate amount of \$10,000,000, at a purchase price per warrant of no more than \$1.25. If the Issuer has not purchased in the aggregate \$10,000,000 of warrants before April 30, 2016, the Sponsor may sell to the Issuer private placement warrants it holds at \$1.00 per private placement warrant to satisfy the obligation (such private placement warrants, together with all other warrants purchased under the Warrant Purchase Agreement, the Purchased Warrants). Pursuant to the Warrant Purchase Agreement, the Issuer is required to issue to R&H no later than April 30, 2016, warrants to purchase Common Stock representing 66-2/3% of the Purchased Warrants at no cost to R&H and on the same terms as the warrants issued in connection with the Public Offering. In the event that the Issuer has not issued to R&H an aggregate of 6,000,000 warrants on or prior to April 30, 2016,

(a) the Sponsor will be required to transfer to the Issuer, at no cost to the Issuer, the number of warrants equal to one-half of the difference between (i) 6,000,000 and (ii) the number of warrants issued by the Issuer to R&H on or prior to such date (such difference between clauses (i) and (ii), the Make-Up Warrant Amount) and (b) the Issuer will be required to issue such number of warrants equal to the Make-Up Warrant Amount.

Board Representation Agreement

On July 31, 2015, in connection with the closing of the Business Combination, the Reporting Person and the Issuer entered into a Board Representation Agreement (the Board Representation Letter Agreement).

Pursuant to the Board Representation Letter Agreement, from the closing of the Business Combination and ending on July 31, 2016, the Reporting Person has the right to request that the size of the Board be increased to nine directors. If the Reporting Person makes such a request, subject to the written approval of Steven S. Trevor, a member of the Board, which consent cannot be unreasonably withheld, conditioned or delayed, the Reporting Person has the right to nominate an individual to serve as an independent Class II director on the Board. The Board Representation Letter Agreement provides that the Board will elect such individual to the Board, subject to the fiduciary duties of the members of the Board, to serve until his or her successor is duly elected and qualified. If the person nominated by the Reporting Person is not elected to serve as an independent Class II director for any reason, the Reporting Person is entitled to nominate an alternative individual to serve as an independent Class II director on the Board.

Re: Boulevard Acquisition Corp. Board of Directors
Ladies and Gentlemen:

Reference is made to that certain Stock Purchase Agreement, dated as of April 30, 2015 (the SPA), by and between The Dow Chemical Company (TDCC) and Boulevard Acquisition Corp. (Purchaser), pursuant to which TDCC has agreed to sell, and Purchaser has agreed to purchase, all of the outstanding equity interests of AgroFresh Inc., upon the terms and subject to the conditions set forth therein. Capitalized terms used in this letter agreement, including Annex A attached hereto, that are not otherwise defined herein have the meanings given to such terms in the SPA.

From and after the Closing Date until the one (1) year anniversary of the Closing Date (such period, the Board Expansion Period), TDCC shall have the right, at its sole option, to request that the size of the board of directors of the Purchaser (the Purchaser Board) be increased by one (1) director by delivering notice of such request (a Board Expansion Request) to Purchaser during the Board Expansion Period. In the event that TDCC shall have delivered to Purchaser a Board Expansion Request during the Board Expansion Period, (i) subject to the prior written approval of Stephen S. Trevor, a member of the Purchaser Board (not to be unreasonably withheld, conditioned or delayed), TDCC shall have the right to nominate an individual to serve as an independent Class II director on the Purchaser Board, provided, however, that TDCC and Purchaser agree that it would be preferable for any such individual to have (A) executive experience in the agrochemical industry, (B) expertise with mergers and acquisitions, (C) experience in strategic business consulting or (D) intellectual property expertise, including with respect to patents and trademarks, and (ii) the Purchaser Board shall (A) increase the size of the Purchaser Board by one (1) director and (B) subject only to such action not being in violation of the fiduciary duties of members of the Purchaser Board to Purchaser or its stockholders, elect the individual nominated by TDCC pursuant to clause (i) of this sentence to serve as an independent Class II director of the Purchaser Board; provided that in the event that such individual shall not have been elected to serve as an independent Class II director of the Purchaser Board for any reason (including Mr. Trevor having failed to provide his approval as contemplated by clause (i) of this sentence or the Purchaser Board having deemed the election of such nominee to be in

violation of its fiduciary duties as contemplated by clause (ii) of this sentence), TDCC shall be entitled to nominate an alternative individual (subject to the terms and conditions of clause (i) of this sentence, including but not limited to the written approval of Mr. Trevor and the experience requirements specified therein) and such nominee shall be elected to serve as an independent Class II director of the Purchaser Board (subject to the terms and conditions of clause (ii) of this sentence); provided further that in the event that TDCC shall have delivered to Purchaser a Board Expansion Request during the Board Expansion Period, Purchaser and the Purchaser Board shall be required to comply with and perform all of their obligations contained in this letter agreement (subject to the terms and conditions hereof) notwithstanding the expiration of the Board Expansion Period prior to the time of such compliance and performance.

From and after the Closing until the earlier of the expiration of the Board Expansion Period and the date of the delivery to Purchaser of a Board Expansion Request, the Purchaser Board shall have eight (8) directors. Notwithstanding the foregoing, the Purchaser shall not be in breach of its covenants and obligations under this letter agreement if, at any time after the date hereof, the Purchaser Board shall have less than eight (8) directors as a result of the resignation of a director(s) or the removal of a director(s) for cause.

By signing this letter agreement and as an inducement to the other parties hereto to enter into this letter agreement, each party hereto hereby makes the representations set forth in Sections 1 through 3 of Annex A to this letter agreement.

Sections 11.1, 11.3 through 11.11, 11.14 and 11.21 of the SPA are incorporated herein by reference, *mutatis mutandis*, as though fully set forth herein. This letter agreement shall be governed exclusively by and construed and enforced exclusively in accordance with the internal laws of the State of Delaware without giving effect to the principles of conflicts of law thereof.

In consideration of the foregoing covenants and obligations, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each of the parties hereto, intending to be legally bound, has caused this letter agreement to be duly executed by its authorized representative as of the date first written above.
