Item 1.02. Termination of a Material Definitive Agreement.

On September 3, 2015, DexCom, Inc. (**DexCom**) and Edwards Lifesciences, LLC (**Edwards**) entered into a Restatement of License, Termination of Collaboration & Release Agreement (the **Restated Agreement**) terminating each of the Manufacturing and Supply Agreement and Quality Agreement, and amending in part the Collaboration Agreement, each originally dated November 10, 2008 and made by and between DexCom and Edwards (the **Original Agreements**).

Pursuant to the Restated Agreement, DexCom and Edwards have agreed to a mutual release of claims, including any activities related to further development obligations or milestone payments. In addition, the Restated Agreement provides Edwards with a fully paid-up, royalty-free license to use certain of DexCom's intellectual property solely in the field of blood-based glucose monitoring within the hospital environment. Under the Restated Agreement, DexCom reserves the right to market and sell its interstitial continuous glucose monitoring technology in all settings, including within the hospital market. No payments are required by either party in connection with the Restated Agreement.

The Original Agreements as terminated or amended by the Restated Agreement are no longer material to DexCom.
