FORM - TISI Customer Letter

November 2, 2015

Dear [Valued Customer / INSERT CUSTOMARY GREETING]:

I am writing to share some exciting news with you. This morning we announced that Team, Inc. will acquire all of the outstanding shares of Furmanite in an all stock transaction valued at approximately \$335 million, including the assumption of debt, creating a premier global industrial services company. Attached is the press release with additional information.

As you know, Furmanite is one of the larger specialty industrial services companies, providing world class solutions to meet customers' needs through 80 offices on six continents. Furmanite delivers a wide portfolio mechanical and inspection services, and of course, we have been worthy competitors over a long period of time.

We are eager for you to experience the many benefits of this transaction. The combination will create a company with more than 8,300 employees and 220 locations in 22 countries. The combined company will also have enhanced global scale and a strong presence in North America. The combination will also approximately double the size of Team's mechanical services capabilities and establish a deeper, broader talent and resource pool that better supports customers across standard and specialty mechanical services. In addition, the capability and capacity of the combined entity will offer an enhanced single point of accountability and flexibility in addressing some of the most critical needs of our clients; whether as individual services or as part of an integrated specialty industrial services solution.

We expect to complete the transaction in the first calendar quarter of 2016, pending stockholder approvals and customary regulatory approvals, and other customary closing conditions. Until that time, Team and Furmanite will remain separate companies and there will be no changes to our contracts, bidding procedures, service schedules or other policies. Your contacts at Team will remain the same and you should continue to hold us to the same high level of service you have come to expect.

In the meantime, if you have any questions, please do not hesitate to reach out to your Team representative. As always, thank you for your continued support and partnership.

Sincerely,

Ted W. Owen

President and Chief Executive Officer of Team, Inc.
