**Section 8 Other Events****Item 8.01. Other Events.**

On November 6, 2015, Baltimore Gas and Electric Company (BGE) filed an application with the Maryland Public Service Commission (MDPSC) seeking increases of \$135.2 million and \$77.8 million to its electric and gas distribution base rates, respectively. The requested rates of return on equity in the application are 7.74% and 7.69% for electric and gas distribution, respectively. BGE is also proposing to recover an annual increase of \$30 million for Baltimore City conduit fees through a tracker mechanism. The new electric and gas distribution base rates are expected to take effect in June 2016. BGE cannot predict how much of the requested increases the MDPSC will approve or if it will approve BGE's request for a conduit fee tracker mechanism.

Attached as Exhibit 99.1 to this Current Report on Form 8-K is BGE's press release regarding its filing with the MDPSC.
