# Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On March 14, 2016, the Compensation Committee (the <u>Committee</u>) of the Board of Directors of Career Education Corporation (the <u>Company</u>) approved a form of 2016 performance-based restricted stock unit agreement under the Career Education Corporation 2008 Incentive Compensation Plan (the <u>2008 Plan</u>), which form is attached <u>as Exhi</u>bit 10.1.

On March 14, 2016, the Committee also granted performance-based restricted stock units under the 2008 Plan in accordance with this form (the <u>2016 Performance-Based RSU</u>s) to certain eligible employees, including executive officers of the Company. The objectives of the 2016 Performance-Based RSU awards are to build and support an ownership culture at the Company, to focus grantees on achieving the Company s strategic plan which will support student outcomes and create stockholder value, and to encourage retention of talent within the organization. Awards to the Company s named executive officers (as such term is defined in Item 402(a)(3) of Regulation S-K), including those who are expected to be named executive officers in the Company s 2016 proxy statement, were as follows:

	2016 Performance-Based RSUs
Named Executive Officer	Awarded (#)
Todd S. Nelson	125,000
Jeffrey D. Ayers	70,000
Jeffrey R. Cooper	28,000
Andrew H. Hurst	69,500

The amount and terms of each award of 2016 Performance-Based RSUs are determined by the Committee in its sole discretion and are set forth in an individual s award agreement on the attached form. Each 2016 Performance-Based RSU constitutes a right to receive one share of the Company s common stock on the applicable vesting date subject to achievement of the applicable performance measure(s). The 2016 Performance-Based RSUs vest 20% on March 14, 2017, 50% on March 14, 2018 and 30% on March 14, 2019, subject in each case to the achievement of defined EBITDA performance measure(s).

If a grantee s employment is terminated because of death or disability, then the remaining unvested portion of the 2016 Performance-Based RSUs will immediately vest as of the grantee s termination date. If a grantee s employment is terminated for any other reason, then any unvested 2016 Performance-Based RSUs will automatically terminate and be forfeited. Upon a change of control of the Company, the grantee will have such rights with respect to the 2016 Performance-Based RSUs as are provided for in the 2008 Plan.

The foregoing description of the form 2016 Performance-Based RSU award agreement does not purport to be complete and is qualified in its entirety by reference to the form agreement, a copy of which is attached to this Current Report on Form 8-K as Exhibit 10.1 and is incorporated herein by reference.

The award of 2016 Performance-Based RSUs to the named executive officers listed above is in addition to the regular annual long-term incentive awards made pursuant to 2008 Plan. For 2016, these regular annual long-term incentive awards were made to the named executive officers as follows: 50% in performance units which use a relative total shareholder return (TSR) performance measure over a three-year performance period; 30% in stock options which become exercisable in four equal annual installments; and 20% in time-based restricted stock units, settled half in stock and half in cash, which vest in four equal annual installments. These regular annual long-term incentive awards were made pursuant to previously disclosed form award agreements.
