Item 1.01. Entry into a Material Definitive Agreement.

On March 19, 2016, The Sherwin-Williams Company (Sherwin-Williams) entered into an Agreement and Plan of Merger (the Merger Agreement) among Sherwin-Williams, Viking Merger Sub, Inc., a wholly owned subsidiary of Sherwin-Williams (Merger Sub), and The Valspar Corporation (Valspar), pursuant to which, among other things and subject to the satisfaction or waiver of specified conditions, Merger Sub will merge with and into Valspar (the Merger). As a result of the Merger, Merger Sub will cease to exist, and Valspar will survive as a wholly owned subsidiary of Sherwin-Williams.

At the effective time of the Merger (the Effective Time), each share of Valspar common stock issued and outstanding immediately prior to the Effective Time (other than dissenting shares and shares held by Valspar, Sherwin-Williams, Merger Sub or any of their respective wholly owned subsidiaries) will be converted into the right to receive \$113 in cash, without interest (the Per Share Merger Consideration).

Pursuant to the Merger Agreement, subject to certain exceptions, each option to purchase Valspar common stock outstanding as of the Effective Time, whether vested or unvested, will be converted into the right to receive a cash payment equal to the product of (1) the total number of shares of Valspar common stock subject to such option and (2) the amount by which the Per Share Merger Consideration exceeds the exercise price per share, less any applicable taxes. Valspar equity awards issued by Valspar between the signing of the Merger Agreement and the Effective Time will be converted at the Effective Time into Sherwin-Williams equity awards pursuant to the terms set forth in the Merger Agreement. Subject to certain exceptions, as of the Effective Time, all other Valspar equity and equity-based awards, subject to time-based or performance-based vesting conditions, will vest and be converted into the right to receive the Per Share Merger Consideration provided for under their terms in effect immediately prior to the Effective Time.

The purchase price is expected to be financed with a combination of new debt and cash on Sherwin-Williams balance sheet. Sherwin-Williams executed a commitment letter, dated March 19, 2016, with Citigroup Global Markets Inc., that provides an 18-month commitment, for a \$9.3 billion 364-day unsecured bridge loan facility.

The completion of the Merger is subject to customary conditions, including, without limitation, (1) the adoption of the Merger Agreement by Valspar's stockholders; (2) the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, (3) the receipt of other required antitrust approvals, (4) the absence of any order, law or other legal restraint or prohibition preventing or prohibiting completion of the Merger, (5) subject to certain exceptions, the accuracy of representations and warranties of Sherwin-Williams, Merger Sub and Valspar, and (6) the performance or compliance by Sherwin-Williams, Merger Sub and Valspar with their respective covenants and agreements. If in connection with obtaining the required regulatory approvals, the parties are required to divest assets of Valspar or Sherwin-Williams representing, in the aggregate, more than \$650 million in net sales, which for purposes of such calculation uses the applicable Valspar assets calculated as of October 30, 2015, regardless of whether Valspar or Sherwin-Williams assets are divested, then the Per Share Merger Consideration will be \$105 in cash. Sherwin-Williams

is not required to consummate the Merger if antitrust authorities require the divestiture of assets of Valspar or Sherwin-Williams representing, in the aggregate, more than \$1.5 billion, calculated in the same manner. Valspar's architectural coatings assets in Australia are excluded from the calculation of the \$650 million and/or \$1.5 billion threshold if such assets are required to be divested.

The Merger Agreement includes detailed representations, warranties and covenants of Valspar, Sherwin-Williams and Merger Sub. Between the date of execution of the Merger Agreement and the Effective Time, Valspar has agreed to operate its business and the business of its subsidiaries in the ordinary course of business consistent with past practice, to use commercially reasonable efforts to preserve intact its business organizations, assets, key employees, present lines of business, rights, franchises, permits and business relationships and to comply with certain other operating covenants.

In addition, Valspar has agreed not to, and not to permit its subsidiaries or any of their respective representatives to, solicit, initiate or knowingly engage or facilitate any third-party acquisition proposals, and has agreed to restrictions on its, its subsidiaries and their respective representatives' ability to respond to any such proposals. Subject to certain exceptions, each of Valspar, Sherwin-Williams and Merger Sub has agreed to use reasonable best efforts to cause the Merger to be consummated. The Merger Agreement includes termination provisions for both Sherwin-Williams and Valspar and provides that, in connection with a termination of the Merger Agreement under specified circumstances, Valspar will be required to pay Sherwin-Williams a termination fee of \$300 million. Such specified circumstances include, among others, termination by Sherwin-Williams for a change of recommendation of the Valspar Board of Directors and termination by Valspar in order to enter into an agreement providing for a Company Superior Proposal (as such term is defined in the Merger Agreement).

A copy of the Merger Agreement is attached as Exhibit 2.1 to this report and is incorporated herein by reference. The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement.

The representations, warranties and covenants set forth in the Merger Agreement have been made only for the purposes of that agreement and solely for the benefit of the parties to the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, as well as by information contained in each party's Annual Report on Form 10-K and Quarterly Reports on Form 10-Q, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. In addition, such representations and warranties (1) will not survive consummation of the Merger and cannot be the basis for any claims under the Merger Agreement by the other party after termination of the Merger Agreement and (2) were made only as of the dates specified in the Merger Agreement. Accordingly, the Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Merger Agreement and not to provide investors with any other factual information regarding the parties or their respective businesses.
