NOTICE OF WRITTEN CONSENT AND APPRAISAL RIGHTS

AND

INFORMATION STATEMENT

**WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO
SEND US A PROXY.**

To our Stockholders:

This notice of written consent and appraisal rights and information statement is being furnished to the holders of common stock, par value \$0.01 per share (Company Common Stock), of Fidelity & Guaranty Life (the Company) in connection with the Agreement and Plan of Merger (as amended or modified from time to time, Merger Agreement), a copy of which is attached as Annex A to this information statement), dated as of November 8, 2015, by and among Anbang Insurance Group Co., Ltd., a joint-stock insurance company established in the People's Republic of China (Buyer), AB Infinity Holding, Inc., a Delaware corporation and wholly-owned subsidiary of Buyer (Parent), AB Merger Sub, Inc., a Delaware corporation and wholly-owned subsidiary of Parent (Merger Sub) and the Company. Upon the completion of the merger of Merger Sub with and into the Company (Merger), each share of Company Common Stock, issued and outstanding immediately prior to the effective time of the Merger (the Effective Time) will be canceled and converted automatically into the right to receive \$26.80 in cash, without interest and less any required withholding taxes (the Merger Consideration). However, the Merger Consideration will not be paid in respect of (a) any shares of Company Common Stock owned by the Company as treasury stock or by Buyer, Parent or Merger Sub (which will be canceled and retired and cease to exist and no payment or distribution will be made thereto) and (b) those shares of Company Common Stock with respect to which appraisal rights under Delaware law are properly exercised and not withdrawn.

On November 8, 2015, the board of directors of the Company (the Board): (a) determined that the Merger Agreement, the Merger and the other transactions contemplated thereby, taken together, are at a price and on terms that are fair to, advisable and in the best interests of the Company and its stockholders; and (b) adopted resolutions adopting and approving the Merger Agreement, the Merger and the other transactions contemplated thereby, declaring its advisability and recommending its adoption by the Company's stockholders.

The adoption of the Merger Agreement by the Company's stockholders required the affirmative vote or written consent of holders of at least a majority of the outstanding shares of Company Common Stock. On November 8, 2015, FS Holdco II Ltd. (the Majority Stockholder), a wholly-owned subsidiary of HRG Group, Inc. (HRG) and direct holder of 47,000,000 shares of Company Common Stock representing approximately 80.7% of the outstanding shares of Company Common Stock, delivered a written consent adopting, authorizing, accepting and approving in all respects the Merger Agreement and the transactions contemplated thereby, including the Merger (the Written Consent). As a

result, no further action by any stockholder of the Company is required under applicable law or the Merger Agreement (or otherwise) to adopt the Merger Agreement, and the Company will not be soliciting your vote to approve the adoption of the Merger Agreement and will not call a stockholders meeting for purposes of voting on the adoption of the Merger Agreement. **This notice and the accompanying information statement shall constitute notice to you from the Company of the Written Consent contemplated by Section 228 of the General Corporation Law of the State of Delaware (the "DGCL").**

**WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED
NOT TO SEND US A PROXY. NO ACTION IN CONNECTION WITH THIS
INFORMATION STATEMENT IS REQUIRED BY YOU.**

Table of Contents

Under Section 262 of the DGCL, if the Merger is completed, subject to compliance with the requirements of Section 262 of the DGCL, holders of shares of Company Common Stock, other than the Majority Stockholder, will have the right to seek an appraisal for, and be paid the fair value of, their shares of Company Common Stock (as determined by the Court of Chancery of the State of Delaware) instead of receiving the Merger Consideration. To exercise your appraisal rights, you must submit a written demand for an appraisal no later than twenty (20) days after the mailing of this information statement, or April 21, 2016, and comply precisely with other procedures set forth in Section 262 of the DGCL, which are summarized in the accompanying information statement. The summary of Section 262 of the DGCL set forth in this information statement is qualified in its entirety by reference to the full text of Section 262 of the DGCL. You are encouraged to read the entirety of the Section 262 of the DGCL, a copy of which is attached to the accompanying information statement as Annex C. **This notice and the accompanying information statement shall constitute notice to you from the Company of the availability of appraisal rights under Section 262 of the DGCL.**

We urge you to read the entire information statement carefully. Please do not send in your Company Common Stock certificates at this time. If the Merger is completed, you will receive instructions regarding the surrender of your Company Common Stock certificates and payment for your shares of Company Common Stock.

BY ORDER OF THE BOARD OF DIRECTORS,

Christopher J. Littlefield

President and Chief Executive Officer

Neither the U.S. Securities and Exchange Commission nor any state securities regulatory agency has approved or disapproved the Merger, passed upon the fairness of the Merger or passed upon the adequacy or accuracy of the disclosures in this notice or the accompanying information statement. SUMMARY

This summary highlights selected information from this information statement and may not contain all of the information that is important to you. To understand the merger (the *Merger*) contemplated by the Agreement and Plan of Merger (as amended or modified from time to time, the *Merger Agreement*), dated as of November 8, 2015, by and among Anbang Insurance Group Co., Ltd. (*Buyer*), AB Infinity Holding, Inc. (*Parent*), AB Merger Sub, Inc., a wholly-owned subsidiary of Parent (*Merger Sub*), and Fidelity & Guaranty Life fully, and for a more complete description of the legal terms of the Merger, you should carefully read this entire information statement, the annexes attached to this information statement and the documents referred to or incorporated by reference in this information statement. Any document or agreement referred to in this information statement is qualified in its entirety by reference to the full text of such document or agreement. In this information statement, the terms *Fidelity & Guaranty Life*, *Company*, *we*, *us* and *our* refer to Fidelity & Guaranty Life. All references in this information statement to terms defined in the notice to which this information statement is attached have the meanings provided in that notice. All references to capitalized terms not defined herein or in the notice to which this information statement is attached shall have the meanings ascribed to them in the Merger Agreement, a copy of which is attached as Annex A to this information statement.

The Parties to the Merger Agreement (page 15)

The Company. The Company, a Delaware corporation, helps middle-income Americans prepare and manage for retirement. Through its subsidiaries, the Company offers fixed annuity and life insurance products distributed by independent agents through an established network of independent marketing organizations. The Company's principal executive offices are located at Two Ruan Center 601 Locust Street, 14th Floor, Des Moines, IA and its telephone number is (800) 445-6758. The Company's website is <http://www.fglife.com>. The material located on such website is not a part of, or otherwise incorporated into, this information statement. Additional information about the Company is included in documents incorporated by reference into this information statement and our filings with the Securities and Exchange Commission, copies of which may be obtained without charge by following the instructions in the section entitled *Where You Can Find More Information* beginning on page 69.

Buyer. Buyer and its subsidiaries constitute a leading comprehensive insurance group in China, with more than \$140 billion in total assets. Buyer is headquartered in Beijing, China. Buyer's comprehensive range of financial and insurance services and products include life insurance, pensions, health insurance, property and casualty insurance, insurance sales and brokerage services, banking, financial leasing and asset management.

Parent. Parent is a corporation incorporated under the laws of Delaware and is an indirect, wholly-owned subsidiary of Buyer. Parent was formed specifically for the purpose of serving as the intended holding company for the Company at the completion of the Merger and has not carried on any activities to date, except for activities incidental to its incorporation and activities undertaken in connection with the transactions contemplated by the Merger Agreement.

Merger Sub. Merger Sub is a corporation incorporated under the laws of Delaware and is a direct, wholly-owned subsidiary of Parent. Merger Sub was formed specifically for the purpose of completing the Merger with the Company and has not carried on any activities to date, except for activities incidental to its incorporation and activities undertaken in connection with the transactions contemplated by the Merger Agreement.

The Merger (page 17)

On November 8, 2015, the Company entered into the Merger Agreement with Buyer, Parent and Merger Sub. Upon the terms and subject to the conditions provided in the Merger Agreement, and in accordance with Delaware law, at

the effective time of the Merger (the Effective Time), Merger Sub will merge with and into the Company, with the Company continuing as the surviving corporation. As a result, the Company will become

Table of Contents

a direct, wholly-owned subsidiary of Parent and an indirect, wholly-owned subsidiary of Buyer following the Effective Time. Because the Merger Consideration will be paid in cash, you will receive no equity interest in Buyer, and after the Effective Time you will have no equity interest in the Company.

The Merger Consideration (page 43)

Upon consummation of the Merger, each share of common stock of the Company, par value \$0.01 per share (Company Common Stock), issued and outstanding immediately prior to the consummation of the Merger, other than appraisal shares, shares held in treasury and shares owned by Buyer, Parent or Merger Sub, will automatically be converted into the right to receive \$26.80 in cash, without interest and less any required withholding taxes, upon surrender of each respective share certificate and automatically in the case of Book-Entry shares.

We encourage you to read the Merger Agreement, which is attached as [Annex A](#) to this information statement, as it is the legal document that governs the Merger.

Reasons for the Merger (page 24)

After consideration of various factors as discussed in the section entitled The Merger Reasons for the Merger beginning on page 24, the board of directors of the Company (the Board), after consultation with its legal advisor and financial advisors, determined that the Merger Agreement and the transactions contemplated thereby, including the Merger, taken together, were at a price and on terms that were fair to, advisable and in the best interests of the Company and its stockholders and adopted and approved the Merger Agreement, the Merger and the other transactions contemplated thereby.

Required Stockholder Approval for the Merger (page 52)

The adoption of the Merger Agreement by our stockholders required the affirmative vote or written consent of holders of at least a majority of the outstanding shares of Company Common Stock. On November 8, 2015, following the execution of the Merger Agreement, FS Holdco II Ltd. (the Majority Stockholder), which holds approximately 80.7% of the Company s outstanding shares of Company Common Stock, delivered a written consent adopting, authorizing, accepting and approving in all respects the Merger Agreement and the transactions contemplated thereby, including the Merger (the Written Consent). No further action by any other Company stockholder is required under applicable law or the Merger Agreement (or otherwise) in connection with the adoption of the Merger Agreement. As a result, the Company is not soliciting your vote for the adoption of the Merger Agreement and will not call a stockholders meeting for purposes of voting on the adoption of the Merger Agreement. No further action by the stockholders of Buyer is required to complete the Merger.

When actions are taken by written consent of less than all of the stockholders entitled to vote on a matter, Delaware law requires notice of the action to those stockholders who did not consent in writing and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting. This information statement and the notice attached hereto constitute notice to you of action by written consent as required by Delaware law.

Opinion of Credit Suisse (page 26 and [Annex B](#))

The Company retained Credit Suisse Securities (USA) LLC (Credit Suisse) to act as its financial advisor in connection with the Merger. In connection with Credit Suisse s engagement, the Board requested that Credit Suisse evaluate the fairness to the holders of Company Common Stock (other than the Majority Stockholder, HRG Group, Inc. (HRG)) and Buyer and its affiliates, which we refer to collectively as the excluded persons), from a financial point of view, of

the Merger Consideration to be received by such stockholders pursuant to the terms of the Merger Agreement. On November 8, 2015, at a meeting of the Board held to evaluate the Merger, Credit Suisse rendered to the Board an oral opinion, confirmed by delivery of a written opinion dated

Table of Contents

November 8, 2015, to the effect that, as of that date and based on and subject to the assumptions, procedures, factors, qualifications and limitations set forth in Credit Suisse's written opinion, the Merger Consideration to be received by the holders of Company Common Stock (other than the excluded persons) in the Merger pursuant to the terms of the Merger Agreement was fair, from a financial point of view, to such stockholders.

The full text of Credit Suisse's written opinion, dated November 8, 2015, to the Board, which sets forth, among other things, the assumptions, procedures, factors, qualifications and limitations on the review undertaken by Credit Suisse in connection with such opinion, is attached to this information statement as Annex B. The description of Credit Suisse's opinion set forth in this information statement is qualified in its entirety by reference to the full text of Credit Suisse's opinion. Credit Suisse's opinion was provided to the Board for its information in connection with its evaluation of the Merger Consideration from a financial point of view to holders of Company Common Stock (other than the excluded persons) and did not address any other aspect of the Merger, including the merits of the Merger as compared to alternative transactions or strategies that may be available to the Company or the underlying decision of the Company to proceed with the Merger. Credit Suisse's opinion does not constitute advice or a recommendation to any stockholder as to how such stockholder should vote or act on any matter relating to the Merger or otherwise.

The Merger Agreement (page 43 and Annex A)

Conditions to Consummation of the Merger (page 43)

The obligations of the parties to consummate the Merger are subject to the satisfaction or waiver on or prior to the date of closing of the following conditions:

the affirmative vote or written consent of the holders of at least a majority of the outstanding shares of Company Common Stock in favor of the adoption of the Merger Agreement shall have been obtained. This provision is no longer applicable following Parent's receipt of the Written Consent on November 8, 2015 (as described in the section entitled "The Merger Agreement - Written Consent" beginning on page 52);

this information statement shall have been cleared by the SEC and shall have been sent to stockholders of the Company at least twenty (20) days prior to the closing date;

the absence of any applicable law or any order, writ, judgment, injunction, decree, stipulation, determination or award (whether temporary, preliminary or permanent) enacted, issued or enforced by any court or governmental authority and that makes illegal, prevents, prohibits, restrains or enjoins consummation of the Merger; and

approvals from the Iowa Insurance Division, the New York Department of Financial Services, the Vermont Department of Financial Regulation, the China Insurance Regulatory Commission ("CIRC") and the Committee on Foreign Investment in the United States ("CFIUS") shall have been obtained and shall remain in full force without, in the case of the regulatory and governmental approvals from the Iowa Insurance Division, CIRC and CFIUS, the imposition of a Burdensome Condition by the applicable governmental authority (as defined in the section entitled "The Merger Agreement - Regulatory Filings; Best Efforts

beginning on page 50 and in the Merger Agreement)).

The obligations of Buyer, Parent and Merger Sub to effect the Merger are also subject to satisfaction or waiver on or prior to the closing of the Merger of the following additional conditions:

the Company's representations and warranties with regard to corporate power and authority and brokerage and finder's fees are true and correct in all material respects at and as of the date of the Merger Agreement and at and as of the closing date;

the Company's representations and warranties with regard to certain elements of its capitalization are true and correct at and as of the date of the Merger Agreement and at and as of the closing date (except for *de minimis* breaches);

Table of Contents

the Company's representation and warranty that, since September 30, 2014, no Company Material Adverse Effect (as defined in the section entitled "The Merger Agreement - Representations and Warranties" beginning on page 45 and in the Merger Agreement) has occurred is true and correct as of the date of the Merger Agreement and at and as of the closing date;

other than the representations and warranties mentioned in the three bullets directly above, all of the Company's other representations and warranties are true and correct (without giving effect to any materiality or Company Material Adverse Effect qualifiers) at and as of the date of the Merger Agreement and at and as of the closing date (except to the extent expressly made as of an earlier date, in which case as of such earlier date) except where such failure to be true and correct would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect;

the Company having performed or complied in all material respects with all agreements and covenants required to be performed or complied with by it under the Merger Agreement on or prior to the Effective Time; and

the Company having delivered to Parent a certificate, signed by an officer of the Company, to the effect that each of the conditions specified above has been satisfied.

The obligations of the Company to effect the Merger are also subject to satisfaction or waiver on or prior to the closing of the Merger of, among other things, the following additional conditions:

Buyer, Parent and Merger Sub's representation and warranty with regard to corporate power and authority is true and correct in all material respects as of the date of the Merger Agreement and at and as of the closing date;

Buyer, Parent and Merger Sub's representation and warranty that, during the period from December 31, 2014 through the date of the Merger Agreement, no Buyer Material Adverse Effect (as defined in the section entitled "The Merger Agreement - Representations and Warranties" beginning on page 45 and in the Merger Agreement) has occurred is true and correct as of the date of the Merger Agreement and at and as of the closing date;

other than the representations and warranties mentioned in the two bullets directly above, all of Buyer, Parent and Merger Sub's other representations and warranties are true and correct (without giving effect to any materiality or Buyer Material Adverse Effect qualifiers) at and as of the date of the Merger Agreement and at and as of the closing date (except to the extent expressly made as of an earlier date, in which case as of such earlier date) except where such failure to be true and correct would not, individually or in the aggregate, reasonably be expected to have a Buyer Material Adverse Effect;

Buyer, Parent and Merger Sub having performed or complied in all material respects with all agreements and covenants required to be performed or complied with by it under the Merger Agreement on or prior to the

Effective Time; and

Buyer having delivered to the Company a certificate, signed by an officer of Buyer, to the effect that each of the conditions specified above has been satisfied.

Takeover Proposals (page 53)

The Merger Agreement provides that (i) the Company and its directors and officers will not, (ii) the Company's subsidiaries and its subsidiaries' directors and officers will not and (iii) the Company will use reasonable best efforts to ensure that its and its subsidiaries' other representatives will not, directly or indirectly:

solicit, initiate or knowingly encourage any inquiries regarding or the making of any proposal that constitutes or is reasonably likely to lead to a Takeover Proposal (as defined in the section entitled "The Merger Agreement - Takeover Proposals" beginning on page 53 and in the Merger Agreement);

enter into, continue or otherwise participate in any discussions or negotiations regarding, or furnish to any person any confidential information with respect to, any Takeover Proposal;

Table of Contents

enter into any agreement or agreement in principle requiring, directly or indirectly, the Company to abandon, terminate or fail to consummate the transactions contemplated by the Merger Agreement; or

publicly propose or agree to do any of the foregoing.

Notwithstanding the foregoing, prior to Parent's receipt of the Written Consent, in response to a bona fide Takeover Proposal that did not result from a material breach of the non-solicitation provisions of the Merger Agreement, if the Board determines that such Takeover Proposal constitutes or is reasonably expected to lead to a superior proposal and that the failure to take such action would be inconsistent with its fiduciary duties under applicable law, the Company may furnish information to participate in discussions and negotiations with the party making such Takeover Proposal.

If the Board determines at any time prior to Parent's receipt of Written Consent, after consultation with its financial advisors and outside counsel, that the failure to take such action would be inconsistent with its fiduciary duties under applicable law, the Board may cause or permit the Company to terminate the Merger Agreement in order to enter into a definitive agreement regarding a superior proposal, subject to certain notice provisions and Parent's right to renegotiate the terms of the Merger Agreement such that the Takeover Proposal would no longer constitute a superior proposal and subject to the Company's substantially concurrent payment to Parent of the Company Termination Fee described below.

As a result of the execution and delivery of the Written Consent on November 8, 2015, the requisite stockholder approval has been obtained, the fiduciary out provisions are no longer applicable and the Board has no ability to change its recommendation or to terminate the Merger Agreement pursuant to the fiduciary out provisions of the Merger Agreement, including to accept a superior proposal.

A more detailed description of the foregoing circumstances and other circumstances under which the Company or Buyer may terminate the Merger Agreement is provided in the section entitled "The Merger Agreement - Takeover Proposals" beginning on page 53.

Termination (page 59)

The Merger Agreement may be terminated at any time prior to the consummation of the Merger by the mutual written consent of the Company and Parent.

In addition, the Merger Agreement may be terminated by either Parent or the Company if:

any governmental authority has issued a final and nonappealable order or there exists any law, in each case, permanently preventing or prohibiting the Merger; or

the Merger is not consummated prior to September 8, 2016; provided that if the only conditions not satisfied as of September 8, 2016, are that the Requisite Regulatory Approvals have not been obtained, the outside termination date will automatically be extended by 60 days (the "Outside Termination Date"). This right to terminate the Merger Agreement will not be available to any party whose failure to fulfill any obligation under the Merger Agreement has been the cause of, or results in, the failure of the Merger to occur on or before such date.

The Merger Agreement also may be terminated by Parent if:

the Written Consent has not been executed and delivered to Parent within 48 hours after the execution of the Merger Agreement. This provision is no longer applicable following Parent's receipt of the Written Consent on November 8, 2015 (as described in the section entitled "The Merger Agreement - Written Consent beginning on page 52);

there has been a breach by the Company of (i) any representation, warranty, covenant or agreement contained in the Merger Agreement that would, individually or in the aggregate, result in a failure by

Table of Contents

the Company to satisfy the conditions to Buyer, Parent and Merger Sub's obligations under the Merger Agreement regarding accuracy of the Company's representations and warranties and performance and compliance by the Company of its agreements under the Merger Agreement if such failure was continuing on the closing date, and (ii) such breach has not been cured (or is not capable of being cured) before the earlier of (x) the date which is sixty (60) days after the date of delivery of such notice of breach and (y) the Outside Termination Date; or

(i) the Board makes an Adverse Recommendation Change, (ii) the Board fails to include in the Proxy Statement when mailed, the Company Recommendation, (iii) the Board materially breaches the non-solicitation provisions of the Merger Agreement, (iv) the Board recommends to the Company stockholders that they approve or accept a Superior Proposal, or (v) the Company enters into, or publicly announces its intention to enter into, any Takeover Proposal documentation with respect to a Takeover Proposal.

The Merger Agreement also may be terminated by the Company if:

prior to Parent's receipt of Written Consent, the Board determines (after consultation with its financial advisors and outside counsel) that failure to terminate the agreement with respect to a Superior Proposal would be inconsistent with its fiduciary duties under applicable law (subject to certain notice provisions and Parent's right to renegotiate the terms of the Merger Agreement such that the Takeover Proposal would no longer constitute a superior proposal and subject to the Company's substantially concurrent payment to Parent of the Company Termination Fee described below), in order to enter into a definitive agreement regarding a superior proposal. This provision is no longer applicable following Parent's receipt of the Written Consent on November 8, 2015 (as described in the section entitled "The Merger Agreement - Written Consent beginning on page 52); and

there has been a breach by Buyer, Parent or Merger Sub of (i) any representation, warranty, covenant or agreement contained in the Merger Agreement that would, individually or in the aggregate, result in a failure by Buyer, Parent or Merger Sub to satisfy the conditions to the Company's obligations under the Merger Agreement regarding accuracy of the representations and warranties of Buyer, Parent and Merger Sub and performance and compliance by Buyer, Parent and Merger Sub of its agreements under the Merger Agreement, if such failure was continuing on the closing date, and (ii) such breach has not been cured (or is not capable of being cured) before the earlier of (x) the date which is sixty (60) days after the date of delivery of such notice of breach and (y) the Outside Termination Date.

Termination Fee (page 60)

The Company will pay Parent the Company Termination Fee if the Merger Agreement is terminated:

by Parent if the Written Consent has not been executed and delivered within 48 hours after the execution of the Merger Agreement. This provision is no longer applicable following Parent's receipt of the Written Consent on November 8, 2015 (as described in the section entitled "The Merger Agreement - Written Consent beginning on page 52);

by Parent if, (i) the Board makes an Adverse Recommendation Change, (ii) the Board fails to include in the Proxy Statement when mailed, the Company Recommendation, (iii) the Board materially breaches its obligations with respect to the non-solicitation provisions of the Merger Agreement, (iv) the Board recommends to the Company stockholders that they approve or accept a Superior Proposal or (v) the Board enters into or publicly announces its intention to enter into, any Takeover Documentation with respect to a Takeover Proposal;

by the Company to enter into a definitive binding agreement with respect to a Superior Proposal. This provision is no longer applicable following Parent's receipt of the Written Consent on November 8, 2015 (as described in the section entitled "The Merger Agreement - Written Consent" beginning on page 52);

by Parent or the Company, if at the Company Stockholders Meeting, the Company Required Vote is not obtained. This provision is no longer applicable following Parent's receipt of the Written Consent

Table of Contents

on November 8, 2015 (as described in the section entitled "The Merger Agreement - Written Consent beginning on page 52);

by Parent or the Company, if the Merger is not consummated prior to the Outside Termination Date, provided that the right to terminate the Merger Agreement will not be available to any party whose failure to fulfill any obligation under the Merger Agreement has been the cause of, or results in, the failure of the Merger to occur on or before such date; or

by Parent, if (i) there has been a breach by the Company of any representation, warranty, covenant or agreement contained in the Merger Agreement that would, individually or in the aggregate, result in a failure by the Company to satisfy the conditions to Buyer, Parent and Merger Sub's obligations under the Merger Agreement regarding accuracy of the Company's representations and warranties and performance and compliance by the Company of its agreements under the Merger Agreement, if such failure was continuing on the closing date, and (ii) such breach has not been cured (or is not capable of being cured) before the earlier of (x) the date which is sixty (60) days after the date of delivery of such notice of breach, and (y) the Outside Termination Date;

and with respect to the preceding three bullets (i) at any time after the date of execution of the Merger Agreement and prior to such termination, a Takeover Proposal shall have been publicly announced or publicly made known to the Board or the stockholders of the Company, and (ii) within twelve (12) months of such termination, the Company shall have entered into a definitive agreement to consummate such Takeover Proposal and thereafter consummates such Takeover Proposal.

For a more detailed discussion of the Company Termination Fee, see section entitled "The Merger - Termination Fee and Expenses" beginning on page 60.

Interests of Our Directors and Executive Officers in the Merger (page 33)

You should be aware that the Company's directors and executive officers have interests in the Merger that may be different from, or in addition to, the interests of the Company's stockholders generally. These interests are described in more detail in the section entitled "The Merger - Interests of Our Directors and Executive Officers in the Merger" beginning on page 33. The Board was aware of these interests and considered them, among other matters, in evaluating and approving the Merger Agreement. These interests may include the following, among others:

The accelerated vesting, cancellation and cash-out of outstanding equity and equity-based awards.

The entitlement of the executive officers to receive enhanced severance benefits under their respective employment agreements or the Company's severance plan upon a qualifying termination of employment occurring during a specified period before or following the completion of the Merger.

The entitlement of certain of the executive officers to receive cash retention awards in an amount equal to the executive officer's base salary, payable on the first anniversary of the completion of the Merger or an

earlier qualifying termination of employment.

The entitlement of certain of the executive officers to receive a cash discretionary success bonus payment.

Continued indemnification and directors and officers liability insurance to be provided by the Surviving Corporation.

Regulatory Approvals (page 41)

The insurance laws and regulations of the states of Iowa, New York and Vermont where the insurance company subsidiaries of the Company are domiciled, require that, prior to the acquisition of control of an insurance company domiciled in those jurisdictions, the acquiring company must obtain the approval of the insurance regulators of those jurisdictions. We understand that the insurance laws and regulations of The People's Republic of China require Buyer to file prior notification with and to obtain prior approval of CIRC in connection with the Merger. In addition, Buyer and the Company have also made a voluntary filing with CFIUS in accordance with the Defense Production Act of 1950, as amended, and regulations thereunder (the "DPA"). Filings with respect to the foregoing regulatory approvals have been made. On November 25, 2015, the requisite approval for the Merger was obtained from the Vermont Department of Financial Regulation. On March 14, 2016, CFIUS concluded action on the Merger, having determined that there were no unresolved national security concerns with respect to the Merger.

Should the Iowa Insurance Division, the New York Department of Financial Services and CIRC or any other governmental authority raise objections to the Merger, the Company and Buyer have agreed to use reasonable best efforts to resolve such objections, but Buyer, Parent and Merger Sub (in the case of the Iowa Insurance Division and CIRC) will not be required to take any action that would result in a Burdensome Condition (as defined in the section entitled "The Merger - Regulatory Approvals" beginning on page 41 and in the Merger Agreement). This Burdensome Condition exception does not apply to the regulatory approvals from the New York Department of Financial Services.

Procedures for Receiving the Merger Consideration (page 45)

Shortly after the Effective Time, a paying agent will mail a letter of transmittal and instructions to you and the other Company stockholders. The letter of transmittal and instructions will tell you how to surrender your stock certificates in exchange for the Merger Consideration. Holders of uncertificated shares of Company Common Stock (*i.e.*, holders whose shares are held in book-entry form) will automatically receive the Merger Consideration, without interest and less any required withholding taxes, as promptly as practicable after the Effective Time without any further action required on the part of those holders.

Specific Performance (page 62)

The parties to the Merger Agreement are entitled to injunctive or other equitable relief to prevent breaches of the Merger Agreement and to enforce specifically the terms and provisions of the Merger Agreement in any court in the state of Delaware or any federal court sitting in the state of Delaware.

Appraisal Rights (page 64 and Annex C)

Pursuant to Section 262 of the General Corporation Law of the State of Delaware (the "DGCL"), our stockholders (other than the Majority Stockholder) have the right to dissent from the Merger and receive a cash payment for the judicially determined fair value of their shares of Company Common Stock. The judicially determined fair value under Section 262 could be greater than, equal to or less than the \$26.80 per share that our stockholders are entitled to receive in the Merger. To qualify for these rights, you must make a written demand for appraisal on or prior to April 21, 2016, which is the date that is the 20th day following the mailing of this information statement, and otherwise comply precisely with the procedures set forth in Section 262 of the DGCL for exercising appraisal rights. If you

validly exercise (and do not withdraw or fail to perfect) appraisal rights, the ultimate amount that you may be entitled to receive in an appraisal proceeding may be less than, equal to or more

than the amount of Merger Consideration that you would have received under the Merger Agreement. For a summary of these procedures, see section entitled Appraisal Rights beginning on page 64. The foregoing and the summary of Section 262 of the DGCL set forth in this information statement is qualified in its entirety by reference to the full text of Section 262 of the DGCL. QUESTIONS AND ANSWERS ABOUT THE MERGER

The following questions and answers are intended to briefly address commonly asked questions as they pertain to the Merger Agreement and the Merger. These questions and answers may not address all questions that may be important to you as a Company stockholder. Please refer to the section entitled Summary beginning on page 1 and the more detailed information contained elsewhere in this information statement, the annexes to this information statement and the documents referred to or incorporated by reference in this information statement, each of which you should read carefully. You may obtain information incorporated by reference in this information statement without charge by following the instructions in the section entitled Where You Can Find More Information beginning on page 69.

Q: What is the proposed transaction?

A: The proposed transaction is the acquisition of the Company by Buyer pursuant to the Merger Agreement. Once the closing conditions under the Merger Agreement have been satisfied or waived and subject to the other terms and conditions in the Merger Agreement, Merger Sub will merge with and into the Company. The Company will be the surviving corporation in the Merger and will become a wholly-owned, indirect subsidiary of Buyer.

Q: What will I receive in the Merger?

A: Upon completion of the Merger, you will receive \$26.80 in cash, without interest and less any required withholding taxes, for each share of Company Common Stock that you own, unless you properly exercise, and do not withdraw or fail to perfect, appraisal rights under Section 262 of the DGCL. For example, if you own 100 shares of Company Common Stock, you will receive \$2,680 in cash in exchange for your shares of Company Common Stock, less any required withholding taxes. You will not own shares in the surviving corporation.

Q: When do you expect the Merger to be completed?

A: We are working to complete the Merger as quickly as possible. We currently expect to complete the Merger promptly after all of the conditions to the Merger have been satisfied or waived and subject to the other terms and conditions in the Merger Agreement. Completion of the Merger is currently expected to occur in the second quarter of calendar year 2016, although the Company cannot assure completion by any particular date, if at all.

Q: What happens if the Merger is not completed?

A: If the Merger is not completed for any reason, stockholders will not receive any payment for their shares of Company Common Stock in connection with the Merger. Instead, the Company will remain a publicly

traded company, and shares of Company Common Stock will continue to be quoted on the New York Stock Exchange.

Q: Why am I not being asked to vote on the Merger?

A: Applicable Delaware law and the Merger Agreement require the adoption of the Merger Agreement by the holders of a majority of the outstanding shares of Company Common Stock in order to effect the Merger. The requisite stockholder approval was obtained following the execution of the Merger Agreement on November 8, 2015, when the Written Consent was delivered by the Majority Stockholder, which is a wholly-owned subsidiary of HRG, and which owned approximately 80.7% of the issued and outstanding shares of Company Common Stock on that date. Therefore, your vote is not required and is not being sought. We are not asking you for a proxy, and you are requested not to send us a proxy.

Table of Contents

Q: Why did I receive this Information Statement?

A: Applicable laws and securities regulations require us to provide you with notice of the Written Consent, as well as other information regarding the Merger, even though your vote or consent is neither required nor requested to adopt or authorize the Merger Agreement or complete the Merger. This information statement also constitutes notice to you of the availability of appraisal rights under Section 262 of the DGCL, a copy of which is attached to this information statement as Annex C.

Q: Did the Board approve and recommend the Merger Agreement?

A: Yes. The Board:

- (a) determined that the Merger Agreement and the transactions contemplated thereby, including the Merger, taken together, are at a price and on terms that are fair to, advisable and in the best interests of the Company and its stockholders and adopted and approved the Merger Agreement, the Merger and the other transactions contemplated thereby;
- (b) approved the execution, delivery and performance of the Merger Agreement and the consummation of the transactions contemplated thereby, including the Merger, upon the terms and subject to the conditions set forth in the Merger Agreement; and
- (c) resolved to recommend the adoption of the Merger Agreement and the approval of the transactions contemplated thereby, including the Merger, by the holders of Company Common Stock, upon the terms and subject to the conditions set forth in the Merger Agreement.

Q: What happens if I sell or otherwise transfer my shares before completion of the Merger?

A: If you sell or otherwise transfer your shares of Company Common Stock, you will have transferred to the person that acquires your shares of Company Common Stock the right to receive the Merger Consideration to be received in the Merger. To receive the Merger Consideration, you must hold your shares through completion of the Merger.

Q: Should I send in my Company Common Stock certificates now?

A: No. You will be sent a letter of transmittal with related instructions by a Paying Agent after completion of the Merger, describing how you may exchange your shares of Company Common Stock for the Merger Consideration. **Please do NOT return your Company Common Stock certificate(s) to the Company.**

Holders of uncertificated shares of Company Common Stock (i.e., holders whose shares are held in book-entry form) will automatically receive the Merger Consideration, without interest and less any required withholding taxes, as promptly as practicable after the Effective Time without any further action required on the part of those holders.

Q: Is the Merger subject to the fulfillment of certain conditions?

A: Yes. Before the Merger can be completed, the Company, Buyer, Parent and Merger Sub must fulfill or, if permissible, waive several closing conditions. If these conditions are not satisfied or waived, the Merger will not be completed. See section entitled The Merger Agreement Conditions to Consummation of the Merger beginning on page 58.

Q: Am I entitled to exercise appraisal rights instead of receiving the Merger Consideration for my shares?

A: Yes. As a holder of Company Common Stock, you are entitled to appraisal rights under Delaware law in connection with the Merger if you meet certain conditions, which conditions are described in this information statement in the section entitled Appraisal Rights beginning on page 64.

THE MERGER

Background of the Merger

The Board and senior management of the Company periodically review the Company's long-term strategic plan with the goal of maximizing stockholder value. As part of the Company's regular process of reviewing its long-term strategic plan, the Board and senior management from time to time consider strategic opportunities that may be available to the Company, including possible acquisitions, divestitures and other business combination transactions.

On April 2, 2015, the Board held a meeting at which it discussed HRG's plans for its investment in the Company and exploration of strategic alternatives.

On April 6, 2015, HRG announced in a press release that it was exploring strategic alternatives for the Company, including a potential sale of the Company, or of all or part of HRG's 80.6% interest in the Company.

On April 24, 2015, the Board held a meeting by teleconference at which the Board resolved to engage Credit Suisse and Skadden, Arps, Slate, Meagher & Flom LLP (Skadden) as its financial and legal advisors, respectively, in connection with a review of strategic alternatives, including a potential sale of the Company. The Board retained Credit Suisse as its financial advisor because of, among other things, Credit Suisse's familiarity and experience in the insurance industry and its experience in advising companies in similar circumstances. The Board retained Skadden as its legal advisor because of, among other things, Skadden's familiarity and experience in the insurance industry and its experience in advising companies in similar circumstances.

On April 30, 2015, the Board held an in-person meeting. Also in attendance at the meeting were representatives of the Company's senior management, Credit Suisse, Jefferies LLC (Jefferies) and Skadden. A representative of Skadden presented to the Board on a variety of matters, including the considerations relative to the sale of a U.S. insurance holding company and the fiduciary duties of the Company's Board under Delaware law in connection with a possible acquisition involving the Company. The Board, following the recommendation of its affiliate transaction committee, resolved, based on the past experience, due diligence and reputation, to engage Jefferies as an additional financial advisor in connection a review of strategic alternatives. The Board retained Jefferies as its financial advisor because of, among other things, Jefferies' familiarity and experience in the insurance industry and its experience in advising companies in similar circumstances. The recommendation of the affiliate transaction committee of the Board was sought because Jefferies is wholly owned by Leucadia National Corporation, which owns approximately 23% of the common stock of HRG.

On May 5, 2015, at the direction of the Board, Credit Suisse and Jefferies, initiated contact with 49 potential bidders (25 strategic bidders and 24 financial sponsors), of which 41 requested confidentiality agreements, and 30 of whom executed a confidentiality agreement and subsequently received an information packet including, among other things, management's financial projections.

On June 1, 2015, at the direction of the Company, Credit Suisse and Jefferies distributed a process letter to potentially interested parties requesting that initial written indications of interest be submitted to Credit Suisse and Jefferies by June 15, 2015.

On or about June 15, 2015, the Company received written indications of interest from ten bidders (six strategic bidders and four financial sponsors) as follows: Buyer, proposing a price of \$28.00 per share in cash; Bidder A, proposing a price range of \$25.00 – 26.00 per share in cash with flexibility to consider stock-for-stock; Bidder B, proposing a price of \$26.00 per share in cash; Bidder C, proposing a price range of \$24.00 – 27.00 per share in cash;

On November 1, 2015, a representative of Buyer contacted the Company and proposed to reduce the aggregate purchase price by approximately \$70 million to reflect the final outcome of Buyer's due diligence review. A reduction of approximately \$70 million from the purchase price would result in an offer of approximately \$26.82 per share. Buyer's revised offer was not accepted.

On November 2, 2015, a principal at the Company communicated to Buyer that he would be willing to discuss with the Board an offer of \$27.00 per share, which was a higher price than the price communicated by Buyer on November 1, 2015. At the meeting, the Board was updated regarding the proposed transaction and the status of the Buyer and the joint Bidder A and Bidder B bids. A representative of Skadden discussed with the Board the fiduciary duties of the Board under Delaware law in connection with a possible acquisition involving the Company. Representatives of Credit Suisse reviewed its financial analyses of Buyer's proposal to acquire the Company, assuming purchase prices of \$26.82 and \$27.00 per share. Representatives of Jefferies indicated that they were supportive of the analysis performed by Credit Suisse. In addition, representatives of Skadden gave a summary of the material terms of the merger agreement that has been substantially negotiated with Buyer. The Board considered the bids presented by Buyer and Bidder A and Bidder B, including the prices offered by such bidders throughout the process, as well as other terms and conditions of the proposed offers and the relative complexity of the respective structures proposed by each such bidder. In light of such considerations, the Board concluded that \$26.80 (reflecting the most recent purchase price proposed by Buyer) was a fair price and the best price reasonably available and, accordingly, would be an acceptable offer.

On November 3, 2015, principals from the Company and Buyer held a call to discuss the status of the transaction. During the call, the Buyer indicated that it was firm on its offer of \$26.80 and that there were no other outstanding issues and that Buyer was committed to a schedule to announce the transaction before markets open on Monday, November 9, 2015.

regarding the proposal put forth by Bidder A and Bidder B and the relating transaction documents. At the meeting, a representative of the Company indicated that the price being offered by Bidder A and Bidder B was not attractive. Representatives of Bidder A and Bidder B indicated that they may be able to further raise their price depending on the outcome of their diligence and negotiation of the transaction documents. The parties then discussed their respective positions on numerous other issues.

On November 7, 2015, the Company and Buyer held a call to discuss outstanding issues, including certain changes to the merger agreement requested by Buyer. Later that day, Simpson Thacher circulated a revised merger agreement to Skadden.

On November 8, 2015, the Board held a meeting via teleconference. Also in attendance were representatives of the Company's senior management, Credit Suisse and Skadden. Skadden made a presentation to the Board that, among other topics, included a discussion of the Board's fiduciary duties. Skadden's representative reviewed with the Board the legal terms of the merger agreement submitted by Bidder A and Bidder B. Representatives of Credit Suisse reviewed and discussed with the Board financial information and analyses with respect to the proposals from Buyer and Bidder A and Bidder B. The Board discussed the potential merger with Buyer, as well as the joint proposal from Bidder A and Bidder B. In light of (i) the higher value offered by Buyer, (ii) the less complex transaction structure proposed by Buyer compared to the structure of the joint proposal from Bidder A and Bidder B, including the regulatory implications and (iii) Buyer being further along in the process, including having finalized negotiations of a merger agreement and completed due diligence, the Board determined that pursuing the proposed merger with Buyer represented a greater likelihood of maximizing shareholder value than continuing discussions regarding the joint proposal from Bidder A and Bidder B.

At that point in the meeting, at the request of the Board, Credit Suisse rendered to the Board an oral opinion, confirmed by delivery of a written opinion dated November 8, 2015 to the effect that, as of that date and based on and subject to the assumptions, procedures, factors, qualifications and limitations set forth in Credit Suisse's written opinion, the consideration to be received by the holders of Company Common Stock (other than the excluded persons) in the Merger pursuant to the terms of the Merger Agreement was fair, from a financial point of view, to such stockholders, as described in the section entitled "The Merger - Opinion of Credit Suisse" beginning on page 26.

On November 8, 2015, the Company and Buyer executed the merger agreement, and shortly thereafter FS Holdco II Ltd., a wholly-owned subsidiary of HRG and the direct holder of HRG's 80.7% ownership interest in the Company, delivered the Written Consent. On November 9, 2015, the Company and Buyer issued a joint press release announcing the transaction and the Company filed a Current Report on Form 8-K with the SEC disclosing the execution of the merger agreement and attaching a copy of the definitive merger agreement as an exhibit.

Reasons for the Merger

In the course of the Board making the determinations described above in the section entitled "The Merger - Background of the Merger" beginning on page 17, the Board consulted with management of the Company, as well as the Company's legal and financial advisors, and considered the following potentially positive factors, which are not intended to be exhaustive and are not presented in any relative order of importance:

the fact that the price proposed by Buyer reflected extensive negotiations between the parties and their respective advisors, and represented the highest price that the Company received for the shares of Company Common Stock after a broad competitive solicitation of interest and a press release issued by the HRG

stating that it was exploring strategic alternatives for the Company, including a potential sale of the Company, or of all or part of its ownership interest in the Company;

the fact that the Board sought offers to purchase from a broad group of potential bidders, including financial sponsors and strategic bidders, 30 of whom entered into confidentiality agreements with

Table of Contents

the Company and received information related to the Company, and of all such bidders, Buyer's offer of \$26.80 was higher than any other bidder's firm offer;

the fact that the Merger Consideration of \$26.80 per share to be received by the Company stockholders in the Merger represents a significant premium over the market prices at which shares of Company Common Stock traded prior to HRG's announcement that it would explore strategic alternatives for the Company, including the fact that the Merger Consideration of \$26.80 represented a premium of approximately:

28.9% over the closing price of shares of Company Common Stock as of April 5, 2015, the last trading day before HRG announced it was exploring strategic alternatives for the Company, including a potential sale of the Company, or of all or part of its ownership interest in the Company; and

2.2% over the closing price of shares of Company Common Stock on November 6, 2015, the last trading day before the announcement of the execution of the Merger Agreement.

the fact that the Merger Consideration is all cash, which provides liquidity and certainty of value to the Company's stockholders;

the Company's current and historical financial condition, results of operations, competitive position, strategic options and prospects, as well as the Company's future financial plan and prospects;

the prospective risks to the Company as an independent public company, including the risks and uncertainties identified in the Company's Form 10-K for the fiscal year ended September 30, 2015;

the support of the Majority Stockholder for the Merger, which held approximately 80.7% of the aggregate outstanding shares of Company Common Stock as of November 8, 2015 and will be receiving the same form and amount of Merger Consideration for its shares of Company Common Stock as all other stockholders;

the financial analyses presented by Credit Suisse, including Credit Suisse's opinion to the effect that, as of November 8, 2015, and based on and subject to the assumptions, procedures, factors, qualifications and limitations set forth in Credit Suisse's written opinion, dated the same date, the consideration to be received by the holders of Company Common Stock (other than the excluded persons) in the Merger pursuant to the terms of the Merger Agreement was fair, from a financial point of view, to such stockholders (see section entitled "The Merger" Opinion of Credit Suisse beginning on page 26);

the terms of the Merger Agreement and the related agreements, including:

the limited number and nature of the conditions to Buyer's obligation to consummate the Merger;

the Merger not being subject to a financing condition; and

the ability of the Company to seek specific performance in the event that Buyer, Parent or Merger Sub breaches the Merger Agreement;

the fact that the Merger Agreement contains customary terms and was the product of arm's-length negotiations;

the fact that the Company conducted regulatory due diligence in connection with the regulatory approvals that would be required for the Merger, including that representatives of the Company and Buyer met with officials at both of the Iowa Insurance Division and the New York Department of Financial Services prior to public announcement of the Merger; and

the availability of appraisal rights to our stockholders who properly exercise their statutory rights under Section 262 of the DGCL (see section entitled "Appraisal Rights" beginning on page 64 and Annex C).

Table of Contents

The Board also considered and balanced against the potentially positive factors a number of potentially negative factors concerning the Merger, including the following factors:

the fact that following the completion of the Merger, the Company will no longer exist as an independent public company and that the Company's existing stockholders will not be able to participate in any future earnings or growth of the Company, or in any future appreciation in value of shares of Company Common Stock;

the risk that the Merger might not be completed;

the fact that the Merger Consideration consists of cash and will therefore be taxable to the Company stockholders for U.S. federal income tax purposes;

the restrictions on the Company's ability to solicit or engage in discussions or negotiations with a third party regarding a Takeover Proposal;

the fact that, while the Merger is expected to be completed, there are no assurances that all conditions to the parties' obligations to complete the Merger will be satisfied or waived, and as a result, it is possible that the Merger may not be completed, as described in the section entitled "The Merger Agreement - Conditions to Consummation of the Merger" beginning on page 58;

the possibility of disruption to the Company's business that could result from the announcement of the Merger and the resulting distraction of management's attention from day-to-day operations of the business and its ability to attract and retain key employees during the pendency of the Merger;

the fact that the Company has incurred and will incur substantial expenses related to the transactions contemplated by the Merger Agreement, regardless of whether the Merger is consummated; and

the fact that the Merger Agreement prohibits the Company from taking a number of actions relating to the conduct of its business prior to the closing without the prior written consent of Buyer, which may delay or prevent the Company from undertaking business opportunities that may arise during the pendency of the Merger, whether or not the Merger is completed.

During its consideration of the transaction with Buyer, the Board was also aware of and considered that the Company's directors and executive officers may have interests in the Merger that differ from, or are in addition to, their interests as stockholders of the Company generally, as described in the section entitled "The Merger - Interests of Our Directors and Executive Officers in the Merger" beginning on page 33.

After taking into account all of the factors set forth above, as well as others, the Board determined that the potentially positive factors outweighed the potentially negative factors. The foregoing discussion of the factors considered by the

Board is not intended to be exhaustive, but summarizes the material information and factors considered by the Board in its consideration of the Merger. The Board reached the decision to recommend, adopt and approve the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, in light of the factors described above and other factors the Board felt were appropriate. In view of the variety of factors and the quality and amount of information considered, the Board did not find it practicable to and did not quantify or otherwise assign relative weights to the specific factors considered in reaching its determination and individual members of the Board may have given different weights to different factors. The Board conducted an overall analysis of the factors described above, including thorough discussions with, and questioning of, management of the Company, Credit Suisse, Jefferies and Skadden, as financial and legal advisors respectively, and considered the factors overall to be favorable to, and to support, its determinations. It should be noted that this explanation of the reasoning of the Board and certain information presented in this section is forward-looking in nature and should be read in light of the factors set forth in the section entitled **Cautionary Statement Regarding Forward-Looking Statements** beginning on page 14.

Opinion of Credit Suisse

The Company retained Credit Suisse to act as its financial advisor in connection with the Merger. In connection with Credit Suisse's engagement, the Board requested that Credit Suisse evaluate the fairness to the

Table of Contents

holders of Company Common Stock (other than the excluded persons), from a financial point of view, of the Merger Consideration to be received by such stockholders pursuant to the terms of the Merger Agreement. On November 8, 2015, at a meeting of the Board held to evaluate the Merger, Credit Suisse rendered to the Board an oral opinion, confirmed by delivery of a written opinion dated November 8, 2015, to the effect that, as of that date and based on and subject to the assumptions, procedures, factors, qualifications and limitations set forth in Credit Suisse's written opinion, the Merger Consideration to be received by the holders of Company Common Stock (other than the excluded persons) in the Merger pursuant to the terms of the Merger Agreement was fair, from a financial point of view, to such stockholders.

The full text of Credit Suisse's written opinion, dated November 8, 2015, to the Board, which sets forth, among other things, the assumptions, procedures, factors, qualifications and limitations on the review undertaken by Credit Suisse in connection with such opinion, is attached to this information statement as Annex B. The description of Credit Suisse's opinion set forth in this information statement is qualified in its entirety by reference to the full text of Credit Suisse's opinion. Credit Suisse's opinion was provided to the Board for its information in connection with its evaluation of the Merger Consideration from a financial point of view to holders of Company Common Stock (other than the excluded persons) and did not address any other aspect of the Merger, including the merits of the Merger as compared to alternative transactions or strategies that may be available to the Company or the underlying decision of the Company to proceed with the Merger. Credit Suisse's opinion does not constitute advice or a recommendation to any stockholder as to how such stockholder should vote or act on any matter relating to the Merger or otherwise.

In arriving at its opinion, Credit Suisse reviewed the execution version of the Merger Agreement dated November 8, 2015 and certain publicly available business and financial information relating to the Company. Credit Suisse also reviewed certain other information relating to the Company, including (i) financial projections prepared and provided to Credit Suisse by the management of the Company with respect to the future financial performance of the Company (the Management Projections, see the section entitled The Merger Certain Company Forecasts) and (ii) the actuarial appraisals prepared by a third party firm retained by the Company (the Third Party Appraisals), and met with the management of the Company to discuss the business and prospects of the Company. Credit Suisse also considered certain financial and stock market data of the Company, and compared that data with similar data for other publicly held companies in businesses it deemed similar to those of the Company, and Credit Suisse considered, to the extent publicly available, the financial terms of certain other business combinations and other transactions that have recently been effected or announced. Credit Suisse also considered such other information, financial studies, analyses and investigations and financial, economic and market criteria which it deemed relevant.

In connection with its review, Credit Suisse did not independently verify any of the foregoing information, and Credit Suisse assumed and relied upon such information being complete and accurate in all material respects. With respect to the Management Projections, the management of the Company advised Credit Suisse, and Credit Suisse assumed, that such projections were reasonably prepared on bases reflecting the best currently available estimates and judgments of the management of the Company as to the future financial performance of the Company. Credit Suisse also assumed, with the Company's consent, that, in the course of obtaining any regulatory or third party consents, approvals or agreements in connection with the Merger, no delay, limitation, restriction or condition would be imposed that would have an adverse effect on the Company and that the Merger would be consummated in accordance with the terms of the Merger Agreement without waiver, modification or amendment of any material term, condition or agreement thereof. In addition, Credit Suisse was not requested to make, and did not make, an independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of the Company, nor was Credit Suisse furnished with any such evaluations or appraisals other than the Third Party Appraisals. With respect to the Third Party Appraisals, Credit Suisse is not an actuary and, accordingly, Credit Suisse's services did not include any actuarial determinations or evaluations by Credit Suisse or an attempt by Credit Suisse to evaluate actuarial assumptions. Credit Suisse

expressed no opinion as to any matters relating to the reserves of the Company, including, without limitation, the adequacy of such reserves, and

Table of Contents

Credit Suisse assumed, with the Company's consent and without independent verification, that such reserves were appropriate. With respect to the future statutory profits from new and in-force business of the Company, Credit Suisse also assumed, with the Company's consent and without independent verification, that such actuarial evaluations were appropriate.

Credit Suisse's opinion addressed only the fairness, from a financial point of view, to the holders of Company Common Stock (other than the excluded persons) of the Merger Consideration and did not address any other aspect or implication of the Merger or any other agreement, arrangement or understanding entered into in connection with the Merger or otherwise, including, without limitation, the fairness of the amount or nature of, or any other aspect relating to, any compensation to any officers, directors or employees of any party to the Merger, or class of such persons, relative to the Merger Consideration or otherwise. Furthermore, no opinion, counsel or interpretation by or of Credit Suisse was intended regarding matters that require legal, regulatory, accounting, tax, executive compensation or other similar professional advice and, for the purposes of its opinion, Credit Suisse assumed that such opinions, counsel, interpretations or advice had been or would be obtained from the appropriate professional sources. The issuance of Credit Suisse's opinion was approved by Credit Suisse's authorized internal committee.

Credit Suisse's opinion was necessarily based upon information made available to it as of the date of its opinion and financial, economic, market and other conditions as they existed and could be evaluated on that date. Credit Suisse's opinion did not address the merits of the Merger as compared to alternative transactions or strategies that may be available to the Company, nor did it address the underlying decision of the Company to proceed with the Merger.

In preparing its opinion to the Board, Credit Suisse performed a variety of financial and comparative analyses, including those described below. The summary of Credit Suisse's analyses described below is not a complete description of the analyses underlying Credit Suisse's opinion. The preparation of a fairness opinion is a complex process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, neither Credit Suisse's fairness opinion nor the analyses underlying its opinion is readily susceptible to partial analysis or summary description. Credit Suisse arrived at its opinion based on the results of all analyses undertaken by it and assessed as a whole and did not draw, in isolation, conclusions from or with regard to any one factor or method of analysis. Accordingly, Credit Suisse believes that its analyses must be considered as a whole and that selecting portions of its analyses and factors or focusing on information presented in tabular format, without considering all analyses and factors or the narrative description of the analyses, could create a misleading or incomplete view of the processes underlying its analyses and opinion.

In its analyses, Credit Suisse considered industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the Company's control. No company, business or transaction used for comparative purposes in Credit Suisse's analyses is identical to the Company or the Merger, and an evaluation of the results of those analyses is not entirely mathematical. Rather, the analyses involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the public trading or other values of the companies, business segments or transactions analyzed. The estimates contained in Credit Suisse's analyses and the ranges of valuations resulting from any particular analysis are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than those suggested by the analyses. In addition, analyses relating to the value of businesses or securities do not purport to be appraisals or to reflect the prices at which businesses or securities actually may be sold or acquired. Accordingly, the estimates used in, and the results derived from, Credit Suisse's analyses are inherently subject to substantial uncertainty.

Credit Suisse was not requested to, and it did not, recommend the specific consideration payable in the Merger, which consideration was determined through negotiations between the Company and Buyer, and the decision to enter into the Merger Agreement was solely that of the Board. Credit Suisse's opinion and financial

Table of Contents

analyses were only one of many factors considered by the Board in its evaluation of the Merger and should not be viewed as determinative of the views of the Board or management with respect to the Merger and related transactions or the consideration.

The following is a summary of the material financial analyses reviewed with the Board on November 8, 2015 in connection with Credit Suisse's opinion. The financial analyses summarized below include information presented in tabular format. In order to fully understand Credit Suisse's financial analyses, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses. Considering the data in the tables below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of Credit Suisse's financial analyses.

Certain Company Forecasts

The Company does not as a matter of general practice, develop or publicly disclose long-term forecasts or internal projections of its future performance, revenues, earnings, financial condition or other results due to, among other reasons, the uncertainty of the underlying assumptions and estimates. However, certain financial forecasts were prepared by the Company's management and made available to the Board and Credit Suisse in connection with the Board's exploration of strategic alternatives. Certain of these financial projections were also provided to Buyer, Merger Sub and their financial advisor during the due diligence process.

The financial projections reflect numerous estimates and assumptions with respect to industry performance, general business, economic, regulatory, market and financial conditions and other future events, as well as matters specific to the Company's business, all of which are difficult to predict and many of which are beyond the Company's control. As a result, there can be no assurance that the projected results will be realized or that actual results will not be significantly higher or lower than projected. Since the projections cover multiple years, such information by its nature becomes less reliable with each successive year. These financial projections are subjective in many respects and thus are susceptible to multiple interpretations and periodic revisions based on actual experience and business developments. As such, these financial projections constitute forward-looking information and are subject to risks and uncertainties, including the various risks set forth in the Company's Form 10-K for the year ended September 30, 2015.

The financial projections were prepared solely for internal use and not with a view toward public disclosure or toward complying with generally accepted accounting principles (GAAP), the published guidelines of the SEC regarding projections or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. The financial projections included below were prepared by the Company's management. Neither the Company's independent registered public accounting firm, nor any other independent accountants, have compiled, examined or performed any procedures with respect to the financial projections included below, nor have they expressed any opinion or any other form of assurance on such information or its achievability, and they assume no responsibility for, and disclaim any association with, the financial projections. Furthermore, the financial projections do not take into account any circumstances or events occurring after the date they were prepared. Nonetheless, a summary of the projections is provided in this information statement only because the projections were made available to Buyer, Merger Sub and their financial advisor and also to the Board, Credit Suisse and the Board's other advisors. The financial forecasts are not fact and should not be relied upon as being necessarily indicative of future results, and readers of this information statement are cautioned not to place undue reliance on this information.

Year	2015	2016	2017
<i>Adjusted Operating EPS⁽¹⁾</i>	\$ 1.98	\$ 2.27	\$ 2.66
<i>Adjusted Operating ROE, excluding AOCI⁽²⁾</i>	8.7%	9.2%	10.0%
<i>Book Value/Share, excluding AOCI⁽³⁾</i>	\$ 23.51	\$ 25.45	\$ 27.66

- (1) Adjusted Operating EPS is calculated as adjusted operating income (AOI) divided by weighted average diluted shares. AOI is a non-GAAP economic measure we use to evaluate financial performance each period. AOI is calculated by adjusting net income to eliminate (i) the impact of net investment gains including other-than-temporary impairment (OTTI) losses recognized in operations, but excluding gains

Table of Contents

and losses on derivatives hedging our indexed annuity policies, (ii) the effect of changes in the interest rates used to discount the FIA embedded derivative liability, (iii) the effect of change in fair value of reinsurance related embedded derivative, and (iv) the effect of class action litigation reserves. All adjustments to AOI are net of the corresponding VOBA, DAC and income tax impact (using an effective tax rate of 35%) related to these adjustments as appropriate. While these adjustments are an integral part of the overall performance of the Company, market conditions impacting these items can overshadow the underlying performance of the business. Accordingly, we believe using a measure which excludes their impact is effective in analyzing the trends of our operations. Our non-GAAP measures may not be comparable to similarly titled measures of other organizations because other organizations may not calculate such non-GAAP measures in the same manner as we do.

- (2) Adjusted Operating ROE, excluding Accumulated Other Comprehensive Income (AOCI) is a non-GAAP measure. It is calculated by dividing AOI by total average equity excluding AOCI. Average equity excluding AOCI for the twelve months rolling, is the average of 5 points throughout the period.
- (3) Book value per share excluding AOCI is calculated as total stockholders' equity excluding AOCI divided by the total number of shares of common stock outstanding.

Payments to Executives upon Termination Following Change in Control

Executive Officer Severance

Each of the Company's current executive officers is eligible to receive severance payments and benefits upon a qualifying termination of employment that occurs during a specified period before or after the completion of the Merger in accordance with the terms of either the executive officer's employment agreement or the Company's 2015 Severance Plan (the "Severance Plan"), as applicable. The receipt of such severance payments and benefits is conditioned upon the executive officer's execution of a separation agreement and general release of claims in favor of the Company.

Mr. Christopher J. Littlefield

Mr. Littlefield is eligible to receive severance payments and benefits under the terms of his employment agreement with Fidelity & Guaranty Life Business Services, Inc., a wholly-owned subsidiary of the Company. Mr. Littlefield's employment agreement provides that if, within six (6) months prior to or eighteen (18) months following a change in control (the definition of which includes the Merger), Mr. Littlefield's employment is terminated without cause or he resigns with good reason, then he will be eligible to receive:

- (i) an amount equal to the sum of two (2) times his annual base salary and two (2) times his target annual cash bonus, payable over twelve months following the date of termination; and
- (ii) a pro-rated portion of his target annual cash bonus for the year of termination, based on the number of days elapsed in the performance period prior to the date of termination and payable in a lump sum by January 31 of the year following the year of termination.

Mr. Littlefield's employment agreement further provides that if payments made to him, whether under his employment agreement or otherwise, would be subject to the excise tax imposed on parachute payments in accordance with Section 280G of the Internal Revenue Code of 1986, as amended (the "Code"), then those payments will be reduced to the extent necessary such that no portion of the payments is subject to the excise tax, but only if the net amount of such payments, as so reduced, is greater than or equal to the net amount of such payments without such reduction.

Mr. Littlefield's employment agreement generally defines "good reason" as (i) a material diminution in title, responsibilities or authorities; (ii) an assignment of duties that are materially inconsistent with his duties as the President and Chief Executive Officer of the Company; (iii) any change in the reporting structure such that he no longer reports to the Company's Board; (iv) a relocation of his principal office, or principal place of employment, to a location that is outside the Des Moines, Iowa area; (v) a breach by the Company of any material terms of the employment agreement; (vi) the Company's non-renewal of the employment agreement; or (vii) the failure of the Company to obtain the assumption (in writing or by operation of law) of its obligations under the employment agreement by any successor to all or substantially all of its business or assets upon consummation of any merger, consolidation, sale, liquidation, dissolution or similar transaction.

Mr. Littlefield's employment agreement generally defines "cause" as (i) his conviction of, indictment for, or entering a plea of nolo contendere to, any felony or any other act involving fraud, theft, misappropriation, dishonesty, or embezzlement; (ii) his commission of intentional and willful acts of misconduct that materially impair the goodwill or business of the Company or causing material damage to its or their property, goodwill, or business; (iii) his willful refusal to, or willful failure to, perform in any material respect the duties under the

Table of Contents

employment agreement; or (iv) his being barred or prohibited from serving in the insurance industry or serving as an officer of the Company.

Other Executive Officers

The current executive officers of the Company (other than Mr. Littlefield who is party to the employment agreement described above) are eligible to receive severance payments and benefits under the terms of the Severance Plan. The Severance Plan provides that if, within twelve (12) months following a change in control (the definition of which includes the Merger), either (i) the executive officer is terminated without cause or (ii) the executive officer terminates employment as a result of the failure of the Company to offer the executive officer comparable employment after the elimination of the executive officer's position, then the executive officer will generally be eligible to receive:

1. a lump sum payment equal to the sum of (x) 52 weeks of the executive officer's base salary, (y) the executive officer's target annual cash bonus and (z) a pro-rated portion of the executive officer's target annual cash bonus for the year of termination, based on the number of days elapsed in the performance period prior to the date of termination, generally payable in a lump sum within approximately four weeks after the executive officer returns a release of claims to the Company; and
2. subsidized health and medical insurance coverage under COBRA for 52 weeks following the date of termination.

The Severance Plan further provides that if payments made to an executive officer, whether under the Severance Plan or otherwise, would be subject to the excise tax imposed on parachute payments in accordance with Section 280G of the Code, then those payments will be reduced to the extent necessary such that no portion of the payments is subject to the excise tax, but only if the net amount of such payments, as so reduced, is greater than or equal to the net amount of such payments without such reduction.

For purposes of the Severance Plan, cause has the meaning set forth in the individual executive officer's employment agreement with the Company, under which cause generally means: (i) breach of the executive officer's obligations under his or her employment agreement; (ii) failure to perform duties in a manner satisfactory to the Company, subject to the obligation of the Company to provide the executive officer with prior notice providing reasonable detail of the bases for the unsatisfactory performance and an opportunity to correct the performance deficiencies; (iii) engaging in acts of dishonesty or moral turpitude, or any unlawful conduct; or (iv) engaging in conduct that is likely to affect adversely the business and or reputation of the Company.

For purposes of the Severance Plan, comparable employment generally means: (i) a reduction in base salary by at least fifteen percent; (ii) a reduction in target annual bonus by at least fifteen percent; and (iii) a relocation of primary worksite by at least 50 miles.

Executive Officer Retention Agreements

Each of the Company's current executive officers (other than Mr. Littlefield who is party to the employment agreement described above) is party to a retention award agreement with the Company. The retention award agreements provide that each executive officer will receive an amount equal to his or her annual base salary in effect as of July 10, 2015 on the earlier to occur of (i) the first anniversary of the completion of the Merger, assuming continued employment with the Parent or its subsidiaries through such date, or (ii) the date upon which the executive officer is terminated

without cause or resigns following the elimination of his or her position and is not offered comparable employment within twelve (12) months following a change in control, as determined under the Severance Plan.

Discretionary Success Bonuses

Each of the Company's current executive officers is party to a discretionary success bonus award agreement with the Company. The discretionary success bonus award agreements provide that each executive officer is

Table of Contents

Quantification of Potential Payments to Named Executive Officers in Connection with the Merger

In accordance with Item 402(t) of Regulation S-K, the table below sets forth the estimated amounts of compensation that is based on or otherwise relates to the Merger that may become payable or realized by each of the Company's named executive officers, assuming that the completion of the Merger occurs on March 25, 2016, and that each executive officer experiences a simultaneous qualifying termination of employment.

The Company's named executive officers for purposes of the table below are (i) Mr. Littlefield, President and Chief Executive Officer; (ii) Mr. Krishnan, Executive Vice President and Chief Investment Officer; (iii) Mr. Marhoun, Executive Vice President, General Counsel and Secretary; (iv) Mr. Vigneau, Executive Vice President and Chief Financial Officer; and (v) Mr. O'Shaughnessy, Senior Vice President and Chief Actuary. Although Mr. Leland C. Launer, Jr., the Company's former Chief Executive Officer, was a named executive officer for purposes of Amendment No. 1 on Form 10-K/A to the Company's most recent annual report on Form 10-K for the fiscal year ended September 30, 2015, Mr. Launer ceased his employment with Fidelity & Guaranty Life effective April 30, 2015 and has no interest in the Merger (except insofar as he may be a holder of shares of Company Common Stock or vested PRSUs) or any rights to compensation that are based on or otherwise related to the Merger, and is therefore not included in the disclosure that follows.

The amounts in the table below do not include amounts that were vested as of March 25, 2016, amounts that may be granted following the date of this information statement, or amounts under contracts, agreements, plans or arrangements to the extent they do not discriminate in scope, terms or operation in favor of executive officers and that are available generally to all of the salaried employees of the Company. In addition, the amounts indicated below are estimates of amounts that would be payable to the named executive officers and the estimates are based on multiple assumptions that may not prove correct, including assumptions described in this information statement. Accordingly, the actual amounts, if any, to be received by a named executive officer may differ in material respects from the amounts set forth below.

awards. Other than the amounts payable in respect of the discretionary success bonus, which are considered single-trigger in nature as they are payable to the named executive officers as of the completion of the Merger, the severance amounts under this column are all double trigger in nature, which means that payment of these amounts is conditioned upon a qualifying termination of employment on or after the completion of the Merger. Additional information regarding the Cash Severance, the individual components of which are quantified in the table below, may be found in the section entitled *The Merger Interests of Our Directors and Executive Officers in the Merger Payments to Executives upon Termination Following Change in Control* beginning on page 35.

- (2) *Equity*. Represents the aggregate payments to be made in respect of unvested Company Stock Options, Company PRSUs, Company Restricted Stock Rights, Subsidiary Stock Options, Subsidiary RSUs and Subsidiary Dividend Equivalents. The amounts in this column are single trigger in nature, which means that they will be payable to the named executive officers as of the completion of the Merger. Additional information regarding the treatment of such awards may be found in the section entitled *The Merger Interests of Our Directors and Executive Officers in the Merger Treatment of Outstanding Equity and Equity-Based Awards* beginning on page 33.
- (3) *Perquisites/Benefits*. Represents the estimated value of subsidized COBRA coverage for each of the named executive officers and his or her qualifying dependents for a period of 52 weeks following the date of such named executive officer's qualifying termination. The amounts in this column are double trigger in nature, which means that that payment of these amounts is conditioned upon a qualifying termination of employment on or after the completion of the Merger.
- (4) *Tax Reimbursements*. None of the named executive officers is entitled to receive any tax reimbursements.
- (5) *Section 280G of the Code*. The total amounts do not reflect any reductions to parachute payments as defined by Section 280G of the Code that may be economically beneficial to the named executive officers and Fidelity & Guaranty Life in order to avoid the excise tax imposed on individuals receiving excess parachute payments under Sections 280G and 4999 of the Code. A definitive analysis will depend on the Effective Time, the date of termination (if any) of the named executive officer and certain other assumptions used in the calculation.

Directors and Officers Indemnification and Insurance

The Merger Agreement provides that, from and after the Effective Time, the surviving company will, and Parent will cause the surviving company to, indemnify and hold harmless to the fullest extent permitted by Delaware law or as provided under the Company's certificate of incorporation and bylaws in effect on the date of the Merger Agreement

and permitted by the DGCL, all past and present directors and officers of the Company and its subsidiaries for acts or omissions occurring at or prior to the Effective Time.

In addition, for a period of six (6) years after the Effective Time, Parent and the surviving corporation will use reasonable best efforts to maintain directors and officers liability insurance covering acts or omissions occurring at or prior to the Effective Time with respect to those persons who are currently (and any additional individuals who prior to the effective time become) covered by the Company's directors and officers insurance policy with terms, conditions, retentions and levels of coverage at least as favorable as the coverage provided

Table of Contents

under the Company's current directors' and officers' insurance policy; provided, however, that in no event will Parent or the surviving corporation be required to expend in any one year an amount in excess of the Maximum Premium; and provided, further, that if the annual premiums for such insurance coverage exceed the Maximum Premium, Parent and the surviving corporation will only be obligated to obtain a policy with the greatest coverage available at an annual premium not exceeding the Maximum Premium. In lieu of the foregoing insurance coverage, the Company (with Parent's consent, not to be unreasonably withheld, conditioned or delayed) or Parent may purchase, prior to the Effective Time, a six (6) year tail insurance policy that provides coverage identical in all material respects to the coverage described above, provided that the Company does not pay more than the Maximum Premium described above.

Appraisal Rights

Our stockholders have the right under Delaware law to dissent from the adoption of the Merger Agreement, to exercise appraisal rights and to receive payment in cash for the fair value of their shares of Company Common Stock determined in accordance with Delaware law. The fair value of shares of Company Common Stock, as determined in accordance with Delaware law, may be more or less than the Merger Consideration to be paid to non-dissenting stockholders in the Merger. To preserve their rights, stockholders who wish to exercise appraisal rights must follow specific procedures. Dissenting stockholders must precisely follow these specific procedures to exercise appraisal rights, or their appraisal rights may be lost. These procedures are described in this information statement, and the provisions of Delaware law that grant appraisal rights and govern such procedures are attached as Annex C. See section entitled "Appraisal Rights" beginning on page 64.

Delisting and Deregistration of Company Common Stock

If the Merger is completed, the shares of Company Common Stock will be delisted from the NYSE and deregistered under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and we will no longer file periodic reports with the SEC on account of the Company Common Stock.

U.S. Federal Income Tax Consequences of the Merger

The following is a general summary of the anticipated U.S. federal income tax consequences to U.S. Holders (defined below) of the exchange of shares of Company Common Stock for cash pursuant to the Merger. This discussion is based on the Code, final and temporary Treasury Regulations promulgated thereunder, administrative pronouncements or practices and judicial decisions, all as in effect as of the date hereof. Future legislative, judicial or administrative modifications, revocations or interpretations, which may or may not be retroactive, may result in U.S. federal income tax consequences significantly different from those summarized herein. We have not sought, and do not intend to seek, any ruling from the Internal Revenue Service (the "IRS") or any other taxing authority with respect to any of the U.S. federal income tax consequences summarized herein, and there can be no assurance that the IRS will not challenge any of the consequences summarized herein, or that a court will not sustain any such challenge by the IRS.

For purposes of this discussion, the term "U.S. Holder" means a beneficial owner of shares of Company Common Stock that is, for U.S. federal income tax purposes: (i) an individual who is a citizen or resident of the United States; (ii) a corporation (or other entity taxable as a corporation) created or organized under the laws of the United States, any state thereof or the District of Columbia; (iii) an estate the income of which is subject to U.S. federal income taxation regardless of its source; or (iv) a trust which is subject to the primary jurisdiction of a court within the United States and for which one or more U.S. persons have authority to control all substantial decisions, or has a valid election in effect under applicable Treasury Regulations to be treated as a U.S. person.

If a partnership (including any entity or arrangement treated as a partnership for U.S. federal income tax purposes) holds shares of Company Common Stock, the tax treatment of a partner in such partnership generally will depend on the status of the partner and the activities of the partnership. If you are a partner in a partnership

Table of Contents

that holds shares of Company Common Stock, you should consult your own tax advisor regarding the tax consequences of the exchange of shares of Company Common Stock for cash pursuant to the Merger.

This summary is for general information only and does not constitute tax advice. This summary does not address all aspects of U.S. federal income taxation that may be relevant to holders in light of their particular circumstances. In addition, this discussion does not apply to certain categories of holders that are subject to special treatment under the U.S. federal income tax laws, such as (i) banks, financial institutions or insurance companies, (ii) regulated investment companies or real estate investment trusts, (iii) brokers or dealers in securities or currencies or traders in securities that elect mark-to-market treatment, (iv) tax-exempt organizations, qualified retirement plans, individual retirement accounts or other tax-deferred accounts, (v) holders that exercise appraisal rights in connection with the Merger, (vi) holders that acquired shares of common stock in connection with the exercise of employee stock options or otherwise as compensation for services, (vii) holders that own shares of common stock as part of a straddle, hedge, constructive sale, conversion transaction or other integrated investment, (viii) holders that are liable for the alternative minimum tax under the Code, (ix) U.S. Holders whose functional currency is not the United States dollar, or (x) holders who are not U.S. Holders. This discussion does not address the Medicare tax on net investment income or any tax consequences arising under any state, local or non-U.S. tax laws or U.S. federal estate or gift tax laws. In addition, this discussion applies only to holders that hold their shares of Company Common Stock as capital assets (generally, property held for investment).

STOCKHOLDERS OF THE COMPANY ARE URGED TO CONSULT THEIR OWN TAX ADVISORS REGARDING THE APPLICATION OF U.S. FEDERAL TAX LAWS TO THEM IN LIGHT OF THEIR OWN PARTICULAR CIRCUMSTANCES AND ANY TAX CONSEQUENCES ARISING UNDER THE LAWS OF ANY STATE, LOCAL, NON-U.S. OR OTHER TAXING JURISDICTION.

The exchange of shares of Company Common Stock for cash pursuant to the Merger will be a taxable transaction for U.S. federal income tax purposes. In general, a U.S. Holder will recognize gain or loss equal to the difference between (i) the amount of cash received and (ii) such U.S. Holder's adjusted tax basis in its shares of Company Common Stock. Generally, such gain or loss will be capital gain or loss and will be long-term capital gain or loss if the shares of common stock exchanged were held for more than one year as of the date of exchange. Long-term capital gains of non-corporate U.S. Holders (including individuals) generally are subject to U.S. federal income tax at preferential rates. The deduction of capital losses is subject to limitations. Gain or loss must be calculated separately for each block of shares of Company Common Stock (i.e., shares of common stock acquired for the same cost in the same transaction) exchanged for cash pursuant to the Merger.

Regulatory Approvals

The insurance laws and regulations of the states of Iowa, New York and Vermont where the insurance company subsidiaries of the Company are domiciled, require that, prior to the acquisition of control of an insurance company domiciled in those jurisdictions, the acquiring company must obtain the approval of the insurance regulators of those jurisdictions. We understand that the insurance laws and regulations of The People's Republic of China require Buyer to file prior notification with and to obtain prior approval of CIRC in connection with the Merger. In addition, Buyer and the Company have also made a voluntary filing with CFIUS in accordance with the DPA. Filings with respect to the foregoing regulatory approvals have been made. On November 25, 2015, the requisite approval for the Merger was obtained from the Vermont Department of Financial Regulation. On March 14, 2016, CFIUS concluded action on the Merger, having determined that there were no unresolved national security concerns with respect to the Merger.

While we believe that the Company and Buyer will receive the requisite approvals and clearances for the Merger, there can be no assurances that the Company and Buyer will obtain the regulatory approvals necessary to consummate

the merger. Should the Iowa Insurance Division, the New York Department of Financial Services and CIRC or any other governmental authority raise objections to the Merger, the Company and Buyer have

Table of Contents

agreed to use reasonable best efforts to resolve such objections, but Buyer, Parent and Merger Sub (in the case of the Iowa Insurance Division and CIRC) will not be required to take any action that would result in a Burdensome Condition. For the purposes of the Merger Agreement, a Burdensome Condition is defined as any arrangements, conditions or restrictions that (a) require, or are deemed to require, Buyer, Parent, Merger Sub or any of their affiliates to agree to or take any action that would result in (i) with respect to the regulatory approval from the Iowa Insurance Division, set forth in the Merger Agreement, any arrangements, conditions or restrictions imposed by the Iowa Insurance Division that would, (A) individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect or (B) require any capital contributions, capital maintenance agreements or other arrangements having the same force and effect that would, individually or in the aggregate, reasonably be expected to have a material adverse effect on the business, financial condition or results of operations of Buyer and its subsidiaries (not including the Company and its subsidiaries), taken as a whole, measured as if Buyer and its subsidiaries were the size of the Company and its subsidiaries, taken as a whole, or (ii) with respect to the regulatory approval from CIRC, set forth in the Merger Agreement, and the regulatory approval from CFIUS, set forth in the Merger Agreement, any arrangements, conditions or restrictions imposed by the CIRC or CFIUS, respectively, that would, individually or in the aggregate, reasonably be expected to have a material adverse effect on the financial condition or results of operations of Buyer and its subsidiaries (not including the Company and its subsidiaries), taken as a whole.

THE MERGER AGREEMENT

*This section describes the material terms of the Merger Agreement. The description in this section and elsewhere in this information statement is qualified in its entirety by reference to the complete text of the Merger Agreement, a copy of which is attached as Annex A and is incorporated by reference into this information statement. This summary does not purport to be complete and may not contain all of the information about the Merger Agreement that is important to you. We encourage you to read the Merger Agreement carefully and in its entirety. Such information can be found elsewhere in this information statement and in the public filings we make with the SEC, as described in the section entitled, *Where You Can Find More Information*, beginning on page 69.*

Explanatory Note Regarding the Merger Agreement

The Merger Agreement has been included to provide investors and security holders with information regarding its terms. The representations, warranties and covenants contained in the Merger Agreement were made by the parties thereto only for purposes of that agreement and as of specific dates; were made solely for the benefit of the parties to the Merger Agreement; may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures exchanged between the parties in connection with the execution of the Merger Agreement (such disclosures include information that has been included in the Company's public disclosures, as well as additional non-public information); may have been made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Company, Buyer, Parent or Merger Sub or any of their respective subsidiaries or affiliates. Additionally, the representations, warranties, covenants, conditions and other terms of the Merger Agreement may be subject to subsequent waiver or modification. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures.

Form of Merger

Upon the terms and subject to the conditions of the Merger Agreement and in accordance with the DGCL, at the Effective Time, Merger Sub will be merged with and into the Company. As a result of the Merger, the separate corporate existence of Merger Sub will cease and the Company will continue as the surviving corporation and a wholly-owned, indirect subsidiary of Buyer.

Consummation and Effectiveness of the Merger

The Merger will become effective upon the Parent filing the certificate of merger with the Secretary of State of Delaware. The closing of the Merger will occur on the date that is the tenth business day after the satisfaction or waiver of the conditions to consummation of the Merger set forth in the Merger Agreement (other than those conditions that by their nature are to be satisfied at the closing, but subject to the satisfaction or waiver of those conditions).

Consideration to be Received in the Merger

Upon consummation of the Merger, each share of Company Common Stock issued and outstanding immediately prior to the Effective Time, other than appraisal shares, shares held by the Company as treasury or shares owned by Buyer, Parent, Merger Sub, or the Company (which will be cancelled and retired and cease to exist and no payment or

distribution will be made with respect thereto), will automatically be cancelled and

Table of Contents

converted into the right to receive the Merger Consideration, upon surrender of each respective share certificate to the paying agent (and automatically in the case of Book-Entry Shares).

The Merger Agreement, as subsequently modified in respect of certain Company PRSUs, provides that, at the Effective Time:

Each Company Stock Option that is outstanding and unexercised immediately prior to the Effective Time (whether vested or unvested) will fully vest and be cancelled in exchange for an amount, if any, in cash equal to the product of (i) the total number of shares of Company Common Stock underlying such Company Stock Option multiplied by (ii) the excess, if any, of \$26.80 over the exercise price per share of such Company Stock Option, without interest and less applicable taxes.

Each Company PRSU that is outstanding immediately prior to the Effective Time (whether vested or unvested) will fully vest and be cancelled in exchange for an amount in cash equal to the product of (i) the actual number of shares of Company Common Stock underlying such Company PRSUs based on the actual levels of performance for fiscal 2014 (124.6% of target) and fiscal 2015 (109% of target) and the target level of performance for fiscal 2016 multiplied by (ii) \$26.80, without interest and less applicable taxes.

Each Company Restricted Stock Right that is outstanding immediately prior to the Effective Time (whether vested or unvested) will fully vest and be cancelled in exchange for an amount equal to the product of (i) the number of shares of Company Common Stock subject to such Company Restricted Stock Right multiplied by (ii) \$26.80, without interest and less applicable taxes.

Each Subsidiary Stock Option that is outstanding immediately prior to the Effective Time (whether vested or unvested) will fully vest and be cancelled in exchange for an amount in cash equal to the product of (i) the total number of shares of FGLH common stock underlying such Subsidiary Stock Option multiplied by (ii) the excess, if any, of \$152.44 over the exercise price per share of such Subsidiary Stock Option, without interest and less applicable taxes.

Each Subsidiary RSU that is outstanding immediately prior to the Effective Time (whether vested or unvested) will fully vest and be cancelled in exchange for an amount in cash equal to the product of (i) the number of shares of FGLH common stock underlying such Subsidiary RSU multiplied by (ii) \$152.44, without interest and less applicable taxes.

Each Subsidiary Dividend Equivalent that is outstanding immediately prior to the Effective Time (whether vested or unvested) will fully vest and be cancelled in exchange for an amount in cash equal to the applicable amount accrued with respect to such Subsidiary Dividend Equivalent, without interest and less applicable taxes.

Appraisal Shares

Appraisal shares will not be converted into the right to receive the Merger Consideration, but, instead, holders of appraisal shares will be entitled to payment of the fair value of such shares in accordance with Section 262 of the DGCL. If any such holder of appraisal shares fails to perfect or otherwise waives, withdraws or loses the right to appraisal under Section 262 of the DGCL or a court of competent jurisdiction determines that such holder is not entitled to the relief provided by Section 262 of the DGCL, then the right of such holder to be paid the fair value of such holder's appraisal shares under the DGCL will cease and such appraisal shares will be deemed to have been converted at the Effective Time into, and will have become, the right to receive the Merger Consideration without interest or any other payments. The Company will serve prompt notice to Parent of any demands for appraisal, attempted withdrawals of such demands and any other instruments served pursuant to the DGCL received by the Company, and Parent will have the right to participate in all negotiations and proceedings with respect to such demands. The Company will not, without the prior written consent of Parent or as otherwise required under the DGCL, make any payment with respect to, or settle or offer to settle, or waive any failure to timely deliver a written demand for appraisal or timely take any other action to perfect appraisal rights with

Table of Contents

respect to, any such demands, or agree to do or commit to do any of the foregoing, provided that in the event the Company is required under the DGCL to undertake any of the foregoing actions, the Company will give prompt, written notice of such undertaking to Parent.

Exchange Procedures

As promptly as practicable and in any event within two business days after the Effective Time, the paying agent will mail to each holder of record of a share certificate or share certificates that, immediately prior to the Effective Time, represented outstanding shares of Company Common Stock subsequently converted into the right to receive the Merger Consideration, a letter of transmittal that (A) specifies that delivery shall be effected and risk of loss and title to the certificates shall pass only upon proper delivery of the certificates to the paying agent (or an affidavit of loss in lieu thereof, together with any bond or indemnity agreement), (B) shall be in such form and have such other provisions as Parent may specify, subject to the Company's reasonable approval (to be sought prior to the Effective Time) and instructions for use in effecting the surrender of the certificates in exchange for the Merger Consideration payable in accordance with the Merger Agreement.

Upon surrender to the paying agent of a share certificate for cancellation, together with a duly completed and validly executed letter of transmittal and any other documents reasonably required by the paying agent or the surviving corporation, (i) the holder of such share certificate will be entitled to receive, in exchange for such share certificate, the Merger Consideration that such holder has the right to receive and (ii) the surrendered share certificate will be canceled. No interest will be paid or accrued on the Merger Consideration payable upon surrender of the certificates. Until surrendered as contemplated by the Merger Agreement, each such certificate will be deemed at any time after the Effective Time to represent only the right to receive upon such surrender the applicable Merger Consideration.

Any holder of Book-Entry Shares will not be required to deliver a certificate or an executed letter of transmittal to the paying agent to receive the Merger Consideration that such holder is entitled to receive. In lieu thereof, each holder of record of one or more Book-Entry Shares whose shares were converted into the right to receive the Merger Consideration will automatically upon the Effective Time (or, at any later time at which such Book-Entry Shares would be so converted) be entitled to receive, and Parent will cause the paying agent to pay and deliver as promptly as practicable (and in any event within three business days after the Effective Time), the Merger Consideration to which such holder is entitled to receive and the Book-Entry Shares of such holder will be cancelled.

In the event of a transfer of ownership of shares of Company Common Stock that is not registered in the transfer records of the Company, the appropriate amount of the Merger Consideration may be paid to a transferee if the share certificate representing such shares of Company Common Stock is presented to the paying agent properly endorsed or accompanied by appropriate stock powers and otherwise in proper form for transfer and accompanied by all documents reasonably required by the paying agent to evidence and effect such transfer and to evidence that any applicable taxes have been paid.

Buyer, Parent, the surviving corporation, any affiliates of the foregoing, or the paying agent will be entitled to deduct and withhold from amounts otherwise payable pursuant to the Merger Agreement to any holder of shares of Company Common Stock, appraisal shares, Company Stock Options, Company Performance RSUs, Company Restricted Stock Rights or cash-settled awards, such amounts as are required to be deducted and withheld pursuant to any applicable tax laws.

Buyer will give the Company reasonable prior notice of any live or telephonic meeting with any governmental authority (other than CIRC) in respect of any filings, investigation or other inquiry (other than solely ministerial matters) relating to the transactions contemplated by the Merger Agreement and will give the Company, to the extent permitted by applicable law and by such governmental authority, the opportunity to attend and participate in such meeting (other than with CIRC); provided, however, that Buyer will have the right to require that the Company's representatives not attend or participate in any portion of any such meeting to the extent (i) concerning Buyer's valuation analyses with respect to the Company and its subsidiaries, (ii) as necessary to comply with written contracts in effect on the date of the Merger Agreement or (iii) to address reasonable privilege and confidentiality concerns;

For purposes of the Merger Agreement, "reasonable best efforts" shall be deemed to include, subject to the proviso below, complying with any requirements of applicable law or order or of any governmental authority that may arise or be imposed in connection with seeking and obtaining any consents, approvals, authorizations, waivers or exemptions of any governmental authority necessary to consummate the transactions contemplated by the Merger Agreement; provided, that, for the purposes of the Merger Agreement, "reasonable best efforts" shall not require, or be deemed to require, Buyer, Parent, Merger Sub or any of their affiliates to agree to or take any action that would result in (i) with respect to the regulatory approval from the Iowa Insurance Division, set forth in the Merger Agreement, any arrangements, conditions or restrictions imposed by the Iowa Insurance Division that would, (A) individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect or (B) require any capital contributions, capital maintenance agreements or other arrangements having the same force and effect that would, individually or in the aggregate, reasonably be expected to have a material adverse effect on the business, financial condition or results of operations of Buyer and its subsidiaries (not including the Company and its subsidiaries), taken as a whole, measured as if Buyer and its subsidiaries were the size of the Company and its subsidiaries, taken as a whole, or (ii) with respect to the regulatory approval from CIRC, set forth in the Merger Agreement, and the regulatory approval from CFIUS, set forth in the Merger Agreement, any arrangements, conditions or restrictions imposed by CIRC or CFIUS, respectively, that would, individually or in the aggregate, reasonably be expected to have a material adverse effect on the financial condition or results of operations of Buyer and its subsidiaries (not including the Company and its subsidiaries), taken as a whole (any such arrangements, conditions or restrictions set forth in clauses (i) and (ii) in this proviso, a "Burdensome Condition"). Prior to invoking a Burdensome Condition, Buyer is obligated to confer, in good faith, with the Company in order to work around or mitigate the impact of such Burdensome Condition so that it is no longer a Burdensome Condition.

execution of the Merger Agreement, the Written Consent was delivered to the Company and Parent on November 8, 2015.

Takeover Proposals

The Merger Agreement provides that (i) the Company and its directors and officers will not, (ii) the Company's subsidiaries and its subsidiaries' directors and officers will not and (iii) the Company will use reasonable best efforts to ensure that its and its subsidiaries' other representatives will not, directly or indirectly:

solicit, initiate or knowingly encourage any inquiries regarding or the making of any proposal that constitutes or is reasonably likely to lead to a Takeover Proposal;

enter into, continue or otherwise participate in any discussions or negotiations regarding, or furnish to any person any confidential information with respect to, any Takeover Proposal;

enter into any agreement or agreement in principle requiring, directly or indirectly, the Company to abandon, terminate or fail to consummate the transactions contemplated by the Merger Agreement; or

publicly propose or agree to do any of the foregoing.

The Company will, and will cause its subsidiaries and direct its representatives to, immediately cease and cause to be terminated all existing discussions and negotiations with any person conducted prior to the date of the Merger Agreement with respect to any Takeover Proposal.

The Merger Agreement provides that the term "Takeover Proposal" means any inquiry, proposal or offer from any third party relating to:

any direct or indirect acquisition or purchase, in a single transaction or a series of transactions, of (i) 15% or more of the outstanding shares of Company Common Stock, (ii) 15% or more (based on the fair market value thereof, as determined by the Board) of the assets (including capital stock of the subsidiaries of the Company) of the Company and its subsidiaries, taken as a whole, or (iii) assets or businesses of the Company and its subsidiaries that generate 15% or more of consolidated revenues or net income;

any tender offer or exchange offer that, if consummated, would result in any third party owning, directly or indirectly, 15% or more of the outstanding shares of Company Common Stock; or

any merger, consolidation, business combination, recapitalization, liquidation, dissolution, binding share exchange or similar transaction involving the Company or any Company's insurance subsidiaries, other than, in each case, the transactions contemplated by the Merger Agreement.

With respect to the Company receiving a Takeover Proposal, the Company will:

as promptly as practicable (and in any event, within twenty-four hours of receipt), advise Parent orally and in writing of the receipt of any Takeover Proposal after the date of the Merger Agreement, provide a copy of the Takeover Proposal, including any proposed draft agreement or term sheet submitted in connection therewith (or, where such copy is not available, a reasonably detailed summary of the material terms and conditions of any such Takeover Proposal) and the identity of the person making any such Takeover Proposal; and

keep Parent reasonably informed on a prompt basis (and in any event within 48 hours) of any material developments with respect to any such Takeover Proposal (including any material changes thereto) and will as promptly as practicable provide Buyer copies of any written communications that describe any material terms and conditions of any such Takeover Proposal.

Change of Recommendation

The Board and any committee thereof cannot:

withdraw (or modify in a manner adverse to Buyer), or publicly propose to withdraw or withhold (or modify in a manner adverse to Buyer), the approval, recommendation or declaration of advisability by the Board or any such committee of the Merger Agreement or the Merger;

recommend or endorse the approval or adoption of, or approve or adopt, or publicly propose to recommend, endorse, approve or adopt, any Takeover Proposal; or

approve or recommend, or publicly propose to approve or recommend, or cause or permit the Company or any of its subsidiaries to execute or enter into, any Takeover Proposal documentation.

Notwithstanding the foregoing or anything else in the Merger Agreement to the contrary, at any time prior to Parent's receipt of the Written Consent, the Board may, if, after consultation with its financial advisors and outside counsel, it determines that the failure to take such action would be inconsistent with its fiduciary duties under Delaware law,

(i) make an Adverse Recommendation Change or (ii) cause or permit the Company to terminate the Merger Agreement in order to enter into an agreement regarding a superior proposal, but only if:

the Company has complied in all material respects with the non-solicitation provisions of the Merger Agreement and will have given Parent written notice at least four business days prior to taking such action, that the Board intends to take such action in response to a Superior Proposal and specifying the reasons therefor, including the most current version of any proposed agreement or, if there is no such proposed written agreement, a reasonably detailed summary of the material terms and conditions of any such Superior Proposal and the identity of the person making such Superior Proposal; and

if requested by Parent during such four business day period, the Company and its representatives shall engage in good faith negotiations with Parent and its representatives to amend the Merger Agreement in such a manner that any Takeover Proposal which was determined to constitute a Superior Proposal no longer is a Superior Proposal taking into account any changes to the financial terms and other material terms of the Merger Agreement proposed by Parent in writing to the Company following the notice of Superior Proposal.

Superior Proposal

Notwithstanding the restrictions described above, at any time prior to Parent's receipt of the Written Consent in response to a bona fide written Takeover Proposal received after the date of the Merger Agreement that did not result from a material breach of the non-solicitation provisions of the Merger Agreement, if the Board determines after consultation with its financial advisors and outside counsel, that such Takeover Proposal constitutes, or could reasonably be expected to lead to, a Superior Proposal, the Company may and may authorize and permit its subsidiaries and representatives to (A) furnish information with respect to the Company and its subsidiaries to the person making such Takeover Proposal pursuant to a confidentiality agreement containing provisions (including standstill provisions) not less restrictive with respect to the person making such Takeover Proposal than those set forth

in the confidentiality agreement between Buyer and the Company are to Buyer and its subsidiaries, provided that all such information has previously been provided to Buyer or Parent or is provided to Buyer or Parent prior to or substantially concurrently with the time it is provided to such person and (B) participate in discussions and negotiations with the person making such Takeover Proposal (and its representatives) regarding such Takeover Proposal if and only if that in connection with the foregoing clauses (A) and (B) the Board determines in good faith, after consultation with its financial advisors and outside counsel, it determines that the failure to take such action would be inconsistent with its fiduciary duties under Delaware law.

The Merger Agreement provides that the term "superior proposal" means any Takeover Proposal (with the percentages set forth in the definition of such term changed from 15% to 50%), that the Board determines (after consultation with its financial advisors and outside counsel), taking into account legal, financial, regulatory and

Table of Contents

other aspects of the proposal and the Person making the proposal (including any break-up fee, expense reimbursement provisions, conditions to consummation and financing term), as the Board considers to be appropriate, (a) is more favorable to the stockholders of the Company from a financial point of view than the Merger and (b) is reasonably likely to be consummated on the terms proposed.

Nothing in the Merger Agreement prohibits the Company from taking and disclosing to its stockholders a position pursuant to SEC rules with respect to a tender or exchange offer by a third party or any similar disclosure to its stockholders if the Board determines (after consultation with its financial advisors and outside counsel) that failure to do so would be inconsistent with its fiduciary duties under Delaware law, subject to compliance with the procedures set forth above in connection with a change of recommendation.

Employee Matters

For twelve months following the completion of the Merger, Parent will, or will cause the surviving corporation and its subsidiaries to, provide each individual who is an employee of Fidelity & Guaranty Life or its subsidiaries at the completion of the Merger (each, a Continuing Employee) with:

- (i) a base salary and incentive opportunities (other than equity incentive opportunities) that are, in each case, no less favorable than those applicable to each such employee immediately prior to the completion of the Merger; and
- (ii) retirement and welfare benefits that are not materially less favorable, in the aggregate, than those retirement and welfare benefits provided to such employees immediately prior to the completion of the Merger.

Any Continuing Employee who incurs a termination of employment during the twelve (12) month period following the completion of the Merger will receive severance payments and benefits that are no less favorable than those to which the employee would have been entitled with respect to such termination under the severance policies of Fidelity & Guaranty Life in effect immediately prior to the completion of the Merger.

Parent will cause the surviving corporation and its subsidiaries to honor all obligations under the Company's benefit plans that were in existence as of completion of the Merger in accordance with their terms as in effect immediately prior to the completion of the Merger.

Parent will cause each Continuing Employee to generally be provided with credit for such employee's service with the Company and its subsidiaries under any benefit plans maintained by Parent, the surviving corporation or any of their respective subsidiaries in which such employee participates following the completion of the Merger to the same extent recognized by the Company immediately prior to the completion of the Merger, except that such service will not be recognized if it would result in a duplication of benefits with respect to the same period of service.

With respect to each Continuing Employee, Parent will use reasonable best efforts to: (i) waive any preexisting condition limitations otherwise applicable to such employee under any health benefit plan of Parent or any subsidiary of Parent in which such employee may be eligible to participate following the completion of the Merger, other than any limitations that were in effect with respect to such employee as of the completion of the Merger under the analogous Company benefit plan; (ii) honor any deductible, co-payment and out-of-pocket maximums incurred by such employee under the health plans in which the employee participated immediately prior to the completion of the Merger during the portion of the calendar year prior to the completion of the Merger in satisfying any deductibles, co-payments or out-of-pocket maximums under health plans of Parent, the surviving corporation or any of their respective subsidiaries in which they are eligible to participate after the completion of the Merger in the same plan year in which such deductibles, co-payments or out-of-pocket maximums were incurred; and (iii) waive any waiting period limitation or evidence of insurability requirement that would otherwise be applicable to such employee on or after the completion of the Merger, in each case to the extent such employee or eligible dependent had satisfied any similar limitation or requirement under an analogous Fidelity & Guaranty Life benefit plan prior to the completion of the Merger.

Indemnification and Insurance

The Merger Agreement provides that from and after the Effective Time, the surviving company will and Parent will cause the surviving company to indemnify and hold harmless to the fullest extent permitted by Delaware law or provided under the Company's certificate of incorporation and bylaws in effect on the date of the Merger Agreement and permitted by the DGCL all past and present directors and officers of the Company and its subsidiaries for acts or

omissions occurring at or prior to the Effective Time.

In addition, for a period of six (6) years after the Effective Time, Parent and the surviving corporation will use reasonable best efforts to maintain directors and officers liability insurance covering acts or omissions

occurring at or prior to the Effective Time with respect to those persons who are currently (and any additional individuals who prior to the effective time become) covered by the Company's directors' and officers' insurance policy with terms, conditions, retentions and levels of coverage at least as favorable as the coverage provided under the Company's current directors' and officers' insurance policy; provided, however, that in no event will Parent or the surviving corporation be required to expend in any one year an amount in excess of the Maximum Premium; and provided, further, that if the annual premiums for such insurance coverage exceed the Maximum Premium, Parent and the surviving corporation will only be obligated to obtain a policy with the greatest coverage available at an annual premium not exceeding the Maximum Premium. In lieu of the foregoing insurance coverage, the Company (with Parent's consent, not to be unreasonably withheld, conditioned or delayed) or Parent may purchase, prior to the Effective Time, a six (6) year tail insurance policy that provides coverage identical in all material respects to the coverage described above, provided that the Company does not pay more than the Maximum Premium described above.

Other Covenants and Agreements

The Merger Agreement contains other covenants and agreements, in which each of Parent and the Company covenants or agrees to consult with the other party before issuing, and shall not issue without the prior consent of the other party (which consent will not be unreasonably withheld, conditioned or delayed), any press release or other public statement with respect to the Merger Agreement or the Merger, except as may be required by law or stock exchange listing requirement.

In addition, the Company will, and will cause its officers, directors, employees, auditors, attorneys and financial advisors and other agents or advisors to afford the officers, directors, employees, auditors, attorneys and financial advisors and other agents, advisors and financing sources of Buyer, Parent and Merger Sub reasonable access during normal business hours upon reasonable notice to the officers, employees, agents, properties, offices and other facilities, books and records of the Company and will cause its subsidiaries to furnish, as promptly as practicable, to Parent (A) a copy of each report filed with or furnished to the SEC or an insurance regulatory authority after the date of the Merger Agreement and any material correspondence or other materials received from any such agency with respect to the Company, its subsidiaries or their businesses or personnel and (B) all other information with respect to the Company and its Subsidiaries and their business, properties and personnel as Parent may reasonably request. Neither the Company nor any of its subsidiaries are obligated to provide any such access or information to the extent that doing so (x) would be reasonably likely to cause a waiver of attorney-client privilege or loss of attorney work product protection, (y) would constitute a violation of any applicable law or order, or (z) would violate any contract to which the Company or any of its subsidiaries is a party or bound.

Furthermore, the Company, in consultation with Parent, will prepare and file with the SEC this information statement; and, promptly after receiving clearance from the SEC, mail this information statement to its stockholders.

From the date of the Merger Agreement to the Effective Time, Parent will have the right to designate up to a total of six directors, officers or employees of Buyer, Parent or their respective subsidiaries (including, but not limited to, any such director, officer or employee having expertise in finance, human resources, actuarial accounting and risk management) to be present in the offices of the Company and its subsidiaries during normal business hours for the purpose of facilitating the planning for the integration and post-closing operations of the Company and its subsidiaries and Parent and to facilitate the Parent's access to information as provided in the Merger Agreement, and for this purpose the Company and its subsidiaries will provide such designated directors, officers and employees with available office space and available administrative support as may be reasonably requested by Parent for such directors, officers and employees to carry out their functions as contemplated by the Merger Agreement; provided, however, that in the event Parent desires to designate more than six directors, officers or employees of Buyer, Parent

or their respective subsidiaries pursuant to the Merger Agreement, Parent and the Company will cooperate in good faith to mutually agree upon a reasonable number for any such

additional directors, officers or employees of Buyer, Parent or their respective subsidiaries. Notwithstanding the foregoing, the Company and its subsidiaries may limit the presence and access of such directors, officers and employees to the extent it believes in good faith that such limitation is necessary in order to (i) protect attorney-client privilege or the loss of attorney work product protection, (ii) comply with any applicable law or order, or (iii) comply with any contract entered into prior to the date of the Merger Agreement to which the Company or any of its subsidiaries is a party or bound; provided, however, that such limitation will be constructed to the extent possible in a manner to achieve the objective set forth in the first sentence of this paragraph, and the Company will use, and will cause its subsidiaries to use, its and their reasonable best efforts to ensure that the resulting arrangements continue to permit the facilitation of the planning for the integration and post-closing operations of the Company and its subsidiaries and Parent as fully as reasonably possible. Notwithstanding anything to the contrary contained in the Merger Agreement, in no event shall the Company or any of its subsidiaries be required to provide access to any drafts, opinions, valuations, memorandum, correspondence or any other materials of the Company or any of its subsidiaries or representatives relating to the negotiation, valuation or consummation of the transactions contemplated by, or the enforcement of, the Merger Agreement.

In addition, Buyer, Parent and Merger Sub will hold, and will cause their respective officers, employees, accountants, counsel, financial advisors and other representatives to hold in confidence all information received, directly or indirectly, pursuant to the terms of a confidentiality agreement between Buyer and the Company, which confidentiality agreement shall survive the termination of the Merger Agreement.

Conditions to Consummation of the Merger

The obligations of the parties to consummate the Merger are subject to the satisfaction or waiver on or prior to the date of closing of the following conditions:

the affirmative vote or written consent of the holders of at least a majority of the outstanding shares of Company Common Stock in favor of the adoption of the Merger Agreement shall have been obtained. This provision is no longer applicable following Parent's receipt of the Written Consent on November 8, 2015 (as described in the section entitled "The Merger Agreement - Written Consent" beginning on page 52);

this information statement shall have been cleared by the SEC and shall have been sent to stockholders of the Company at least twenty (20) days prior to the closing date;

the absence of any applicable law or any order, writ, judgment, injunction, decree, stipulation, determination or award (whether temporary, preliminary or permanent) enacted, issued or enforced by any court or governmental authority and that makes illegal, prevents, prohibits, restrains or enjoins consummation of the Merger; and

approvals from the Iowa Insurance Division, the New York Department of Financial Services, the Vermont Department of Financial Regulation, CIRC and CFIUS shall have been obtained and shall remain in full force without, in the case of the regulatory and governmental approvals from the Iowa Insurance Division, CIRC and CFIUS, the imposition of a Burdensome Condition by the applicable governmental authority.

The obligations of Buyer, Parent and Merger Sub to effect the Merger are also subject to satisfaction or waiver on or prior to the closing of the Merger of the following additional conditions:

the Company's representations and warranties with regards to corporate power and authority and brokerage and finders fees are true and correct in all material respects at and as of the date of the Merger Agreement and at and as of the closing date;

the Company's representations and warranties with regards to certain elements of its capitalization are true and correct at and as of the date of the Merger Agreement and at and as of the closing date (except for *de minimis* breaches);

the Company's representation and warranty that, since September 30, 2014, no Company Material Adverse Effect has occurred is true and correct as of the date of the Merger Agreement and at and as of the closing date;

other than the representations and warranties mentioned in the three bullets directly above, all of the Company's other representations and warranties are true and correct (without giving effect to any materiality or Company Material Adverse Effect qualifiers) at and as of the date of the Merger Agreement and at and as of the closing date (except to the extent expressly made as of an earlier date, in which case as of such earlier date) except where such failure to be true and correct would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect;

the Company having performed or complied in all material respects with all agreements and covenants required to be performed or complied with by it under the Merger Agreement on or prior to the Effective Time; and

the Company having delivered to Parent a certificate, signed by an officer of the Company, to the effect that each of the conditions specified above has been satisfied.

The obligations of the Company to effect the Merger are also subject to satisfaction or waiver on or prior to the closing of the Merger of, among other things, the following additional conditions:

Buyer, Parent and Merger Sub's representation and warranty with regards to corporate power and authority is true and correct in all material respects as of the date of the Merger Agreement and at and as of the closing date;

Buyer, Parent and Merger Sub's representation and warranty that, during the period from December 31, 2014 through the date of the Merger Agreement, no Buyer Material Adverse Effect has occurred is true and correct as of the date of the Merger Agreement and at and as of the closing date;

other than the representations and warranties mentioned in the two bullets directly above, all of Buyer, Parent and Merger Sub's other representations and warranties are true and correct (without giving effect to any materiality or Buyer Material Adverse Effect qualifiers) at and as of the date of the Merger Agreement and at and as of the closing date (except to the extent expressly made as of an earlier date, in which case as of such earlier date) except where such failure to be true and correct would not, individually or in the aggregate, reasonably be expected to have a Buyer Material Adverse Effect;

Buyer, Parent and Merger Sub having performed or complied in all material respects with all agreements and covenants required to be performed or complied with by it under the Merger Agreement on or prior to the Effective Time; and

Buyer having delivered to the Company a certificate, signed by an officer of Buyer, to the effect that each of the conditions specified above has been satisfied.

Termination of the Merger Agreement

The Merger Agreement may be terminated at any time prior to the consummation of the Merger by the mutual written consent of the Company and Parent.

In addition, the Merger Agreement may be terminated by either Parent or the Company if:

any governmental authority has issued a final and nonappealable order or there exists any law, in each case, permanently preventing or prohibiting the Merger; or

the Merger is not consummated prior to September 8, 2016; but if the only conditions not satisfied as of September 8, 2016, are that the Requisite Regulatory Approvals have not been obtained, the outside termination date will automatically be extended by 60 days; provided that the right to terminate the

Table of Contents

Merger Agreement will not be available to any party whose failure to fulfill any obligation under the Merger Agreement has been the cause of, or results in, the failure of the Merger to occur on or before such date. The Merger Agreement also may be terminated by Parent if:

the Written Consent has not been executed and delivered to Parent within 48 hours after the execution of the Merger Agreement. This provision is no longer applicable following Parent's receipt of the Written Consent on November 8, 2015;

there has been a breach by the Company of (i) any representation, warranty, covenant or agreement contained in the Merger Agreement that would, individually or in the aggregate, result in a failure by the Company to satisfy the conditions to Buyer, Parent and Merger Sub's obligations under the Merger Agreement regarding accuracy of the Company's representations and warranties and performance and compliance by the Company of its agreements under the Merger Agreement, if such failure was continuing on the closing date, and (ii) such breach has not been cured (or is not capable of being cured) before the earlier of (x) the date which is sixty (60) days after the date of delivery of such notice of breach and (y) the Outside Termination Date; or

(i) the Board makes an Adverse Recommendation Change, (ii) the Board fails to include in the Proxy Statement when mailed, the Company Recommendation, (iii) the Board materially breaches the non-solicitation provisions of the Merger Agreement, (iv) the Board recommends to the Company stockholders that they approve or accept a Superior Proposal, or (v) the Company enters into, or publicly announces its intention to enter into, any Takeover Proposal documentation with respect to a Takeover Proposal.

The Merger Agreement also may be terminated by the Company if:

prior to Parent's receipt of Written Consent, the Board determines (after consultation with its financial advisors and outside counsel) that failure to terminate the agreement with respect to a Superior Proposal would be inconsistent with its fiduciary duties under applicable law (subject to certain notice provisions and Parent's right to renegotiate the terms of the Merger Agreement such that the Takeover Proposal would no longer constitute a superior proposal and subject to the Company's substantially concurrent payment to Parent of the Company Termination Fee described below), in order to enter into a definitive agreement regarding a superior proposal; and

there has been a breach by Buyer, Parent or Merger Sub of (i) any representation, warranty, covenant or agreement contained in the Merger Agreement that would, individually or in the aggregate, result in a failure by Buyer, Parent or Merger Sub to satisfy the conditions to the Company's obligations under the Merger Agreement regarding accuracy of the representations and warranties of Buyer, Parent and Merger Sub and performance and compliance by Buyer, Parent and Merger Sub of its agreements under the Merger Agreement, if such failure was continuing on the closing date, and (ii) such breach has not been cured (or is not capable of being cured) before the earlier of (x) the date which is sixty (60) days after the date of delivery of such notice of breach and (y) the Outside Termination Date.

Termination Fees and Expenses

All costs and expenses (including fees and expenses payable to representatives) incurred in connection with the Merger Agreement, the transaction documents, the Merger and the other transactions contemplated by the Merger Agreement will be paid by the party incurring such cost or expense, whether or not the Merger is consummated.

Fees Payable by the Company. The Company will pay Parent the Company Termination Fee if the Merger Agreement is terminated:

by Parent if the Written Consent has not been executed and delivered within 48 hours after the execution of the Merger Agreement;

by Parent if, (i) the Board makes an Adverse Recommendation Change, (ii) the Board fails to include in the Proxy Statement when mailed, the Company Recommendation, (iii) the Board materially breaches its obligations with respect to the non-solicitation provisions of the Merger Agreement, (iv) the Board recommends to the Company stockholders that they approve or accept a Superior Proposal or (v) the Board enters into or publicly announces its intention to enter into, any Takeover Documentation with respect to a Takeover Proposal;

by the Company to enter into a definitive binding agreement with respect to a Superior Proposal;

by Parent or the Company, if at the Company Stockholders Meeting, the Company Required Vote is not obtained;

by Parent or the Company, if the Merger is not consummated prior to the Outside Termination Date, provided that the right to terminate the Merger Agreement will not be available to any party whose failure to fulfill any obligation under the Merger Agreement has been the cause of, or results in, the failure of the Merger to occur on or before such date; or

by Parent, if (i) there has been a breach by the Company of any representation, warranty, covenant or agreement contained in the Merger Agreement that would, individually or in the aggregate, result in a failure by the Company to satisfy the conditions to Buyer, Parent and Merger Sub's obligations under the Merger Agreement regarding accuracy of the Company's representations and warranties and performance and compliance by the Company of its agreements under the Merger Agreement, if such failure was continuing on the closing date, and (ii) such breach has not been cured (or is not capable of being cured) before the earlier of (x) the date which is sixty (60) days after the date of delivery of such notice of breach, and (y) the Outside Termination Date;

and with respect to the preceding three bullets (i) at any time after the date of execution of the Merger Agreement and prior to such termination, a Takeover Proposal shall have been publicly announced or publicly made known to the Board or the stockholders of the Company, and (ii) within twelve (12) months of such termination, the Company shall have entered into a definitive agreement to consummate such Takeover Proposal and thereafter consummates such Takeover Proposal.

Amendment and Waiver

The Merger Agreement may be amended by the parties in writing by action of their respective boards of directors, provided that after the approval of the Merger by the Company stockholders, no amendment, modification or

supplement may be made which by law requires the further approval of the stockholders of the Company without such further approval.

Prior to the Effective Time, any of Buyer, Parent, Merger Sub, on the one hand, or the Company, on the other hand, may in a writing signed on behalf of the relevant parties:

extend the time for the performance of any of the obligations or other acts of the other party;

waive any inaccuracies in the representations and warranties of the other party contained in the Merger Agreement or in any document delivered pursuant to the Merger Agreement; or

waive compliance with any of the agreements or conditions of the other parties contained in the Merger Agreement.

The failure of any party to the Merger Agreement to assert any of its rights under the Merger Agreement or otherwise will not constitute a waiver of those rights.

APPRAISAL RIGHTS

The discussion of the provisions set forth below is not a complete summary regarding your appraisal rights under Delaware law and is qualified in its entirety by reference to Section 262 of the DGCL which is attached to this information statement as Annex C. Stockholders intending to exercise appraisal rights should carefully review Annex C in its entirety. Failure to follow precisely any of the statutory procedures set forth in Section 262 of the DGCL may result in a termination or waiver of these rights.

If you comply with the applicable statutory procedures of Section 262 of the DGCL, you may be entitled to appraisal rights under Section 262 of the DGCL. To exercise and perfect appraisal rights, a record holder of shares of Company Common Stock must follow precisely the statutory procedures pursuant to Section 262 of the DGCL required to be followed by a stockholder to perfect appraisal rights.

Section 262 of the DGCL is reprinted in its entirety as Annex C to this information statement. Set forth below is a summary description of Section 262 of the DGCL. The following is intended as a brief summary of the material provisions of statutory procedures pursuant to Section 262 of the DGCL required to be followed by a stockholder to perfect appraisal rights. This summary, however, is not a complete statement of all applicable requirements and is qualified in its entirety by reference to the full text of Section 262 of the DGCL, which appears in Annex C to this information statement. All references in Section 262 and this summary to stockholder are to the record holder of the shares of Company Common Stock immediately prior to the Effective Time as to which appraisal rights are asserted. Failure to comply strictly with the procedures set forth in Section 262 of the DGCL may result in the loss of appraisal rights.

Under the DGCL, holders of shares of Company Common Stock who follow the procedures set forth in Section 262 of the DGCL will be entitled to have their shares appraised by the Court of Chancery of the State of Delaware, or the Delaware Court of Chancery, and to receive payment in cash of the fair value of those shares, together with interest but exclusive of any element of value arising from the accomplishment or expectation of the Merger.

Under Section 262 of the DGCL, where a merger agreement relating to a proposed merger is adopted by stockholders acting by written consent in lieu of a meeting of the stockholders, the corporation must notify each of its stockholders who was a stockholder on the record date (which may be fixed in advance by the corporation (not more than ten (10) days prior to the date of the notice), or if not fixed in advance, will either be the day before the notice is given (if sent prior to the Effective Time) or will be the date of the Effective Time (if sent following the Effective Time)) that appraisal rights are available, and must include in each such notice a copy of Section 262 of the DGCL. This information statement constitutes such notice to the holders of shares of Company Common Stock and Section 262 of the DGCL is attached to this information statement as Annex C. Any stockholder who wishes to exercise such appraisal rights or who wishes to preserve his, her or its right to do so should review the following discussion and Annex C carefully, because failure to timely and properly comply with the procedures specified will result in the loss of appraisal rights under the DGCL.

Holders of shares of Company Common Stock who desire to exercise their appraisal rights must deliver to the Company a written demand for appraisal of their shares of Company Common Stock no later than twenty (20) days after the date of mailing of the information statement (which includes the notice of written consent and appraisal rights), or April 21, 2016. A demand for appraisal will be sufficient if it reasonably informs the Company of the identity of the stockholder and that such stockholder intends thereby to demand appraisal of such stockholder's shares of Company Common Stock. If you wish to exercise your appraisal rights you must be the record holder of such shares of Company Common Stock on the date the written demand for appraisal is made and you must continue to hold such shares of Company Common Stock through the Effective Time. Accordingly, a stockholder who is the

record holder of shares of Company Common Stock on the date the written demand for appraisal is made, but who thereafter transfers such shares prior to the Effective Time, will lose any right to appraisal in respect of such shares.

Table of Contents

All written demands for appraisal of shares of Company Common Stock must be mailed or delivered to: Fidelity & Guaranty Life, 601 Locust Street, 14th Floor, Des Moines, IA 50309-3738, Attention: General Counsel. Only a holder of record of shares of Company Common Stock is entitled to demand an appraisal of the shares registered in that holder's name. Accordingly, to be effective, a demand for appraisal by a stockholder of shares of Company Common Stock (a) must be made by, or in the name of, the record stockholder, fully and correctly, as the stockholder's name appears on the stockholder's stock certificate(s) or in the transfer agent's records, in the case of uncertificated shares, (b) should specify the stockholder's mailing address and the number of shares registered in the stockholder's name, and (c) must state that the person intends thereby to demand appraisal of the stockholder's shares in connection with the Merger. The demand cannot be made by the beneficial owner if he or she is not the record holder of the shares of Company Common Stock. The beneficial holder must, in such cases, have the registered owner, such as a bank, brokerage firm, trust or other nominee, submit the required demand in respect of those shares of Company Common Stock. **If you hold your shares of Company Common Stock through a bank, brokerage firm, trust or other nominee and you wish to exercise appraisal rights, you should consult with your bank, brokerage firm, trust or the other nominee to determine the appropriate procedures for the making of a demand for appraisal by the nominee.** A person having a beneficial interest in shares held of record in the name of another person, such as a broker, bank, trust or other nominee, must act promptly to cause the record holder to follow properly and in a timely manner the steps necessary to perfect appraisal rights in accordance with Section 262 of the DGCL.

If shares of Company Common Stock are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, execution of a demand for appraisal should be made by the fiduciary in that capacity. If the shares of Company Common Stock are owned of record by more than one person, as in a joint tenancy or tenancy in common, the demand should be executed by or for all joint owners. An authorized agent, including an authorized agent for two or more joint owners, may execute the demand for appraisal for a stockholder of record; however, the agent must identify the record owner or owners and expressly disclose the fact that, in executing the demand, he or she is acting as agent for the record owner. A record owner, such as a bank, brokerage firm, trust or other nominee, who holds shares of Company Common Stock as a nominee for others, may exercise his or her right of appraisal with respect to the shares of Company Common Stock held for one or more beneficial owners, while not exercising this right for other beneficial owners. In that case, the written demand should state the number of shares of Company Common Stock as to which appraisal is sought. If you hold shares of Company Common Stock through a broker who in turn holds the shares through a central securities depository nominee, such as Cede & Co., a demand for appraisal of such shares of Company Common Stock must be made by or on behalf of the depository nominee and must identify the depository nominee as record holder. Where no number of shares of Company Common Stock is expressly mentioned, the demand will be presumed to cover all shares of Company Common Stock held in the name of the record owner.

Within 10 days after the Effective Time, the surviving corporation in the Merger must give written notice that the Merger has become effective to each of the Company stockholders who properly asserted appraisal rights under Section 262 of the DGCL. At any time within 60 days after the Effective Time, any stockholder who has demanded an appraisal, but has not commenced an appraisal proceeding or joined a proceeding as a named party may withdraw the demand and accept the consideration specified by the Merger Agreement for that stockholder's shares of Company Common Stock by delivering to the surviving corporation a written withdrawal of the demand for appraisal. However, any such attempt to withdraw the demand made more than 60 days after the Effective Time will require written approval of the surviving corporation. Unless the demand is properly withdrawn by the stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party within 60 days after the Effective Time, no appraisal proceeding in the Delaware Court of Chancery will be dismissed as to any stockholder without the approval of the Delaware Court of Chancery, with such approval conditioned upon such terms as the Delaware Court of Chancery deems just. If the surviving corporation does not approve a request to withdraw a demand for appraisal when that approval is required, or, except with respect to any stockholder who withdraws such stockholder's right to

appraisal in accordance with the proviso in the immediately preceding sentence, if the Delaware Court of Chancery does not approve the dismissal of an appraisal proceeding, the stockholder will be entitled to receive only the fair value of such

Table of Contents

stockholder's shares as determined in any such appraisal proceeding, exclusive of any element of value arising from the accomplishment or expectation of the Merger, as determined by the Delaware Court of Chancery, together with interest, if any, to be paid upon the amount determined to be fair value, which value could be less than, equal to or more than the consideration offered pursuant to the Merger Agreement.

Within 120 days after the Effective Time, but not thereafter, either the surviving corporation or any stockholder who has complied with the requirements of Section 262 and is entitled to appraisal rights under Section 262 may commence an appraisal proceeding by filing a petition in the Delaware Court of Chancery demanding a determination of the fair value of the shares of Company Common Stock held by all stockholders entitled to appraisal. Upon the filing of the petition by a stockholder, service of a copy of such petition shall be made upon the surviving corporation. The surviving corporation has no obligation to file such a petition, has no present intention to file a petition and holders of shares of Company Common Stock should not assume that the surviving corporation will file a petition.

Accordingly, it is the obligation of the holders of shares of Company Common Stock to initiate all necessary action to perfect their appraisal rights in respect of shares of Company Common Stock within the time prescribed in Section 262 and the failure of a stockholder to file such a petition within the period specified in Section 262 could result in a loss of such stockholder's appraisal rights. In addition, within 120 days after the Effective Time, any stockholder who has properly complied with the requirements of Section 262 of the DGCL will be entitled to receive from the surviving corporation, upon written request, a statement setting forth the aggregate number of shares of Company Common Stock not voted in favor of the Merger Agreement and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. The statement must be mailed within 10 days after such written request has been received by the surviving corporation or within 10 days after the expiration of the period for delivery of demands for appraisal, whichever is later. A person who is the beneficial owner of shares of Company Common Stock held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition for appraisal or request from the surviving corporation such statement. If a petition for appraisal is not timely filed, then the right to appraisal will cease.

If a petition for appraisal is duly filed by a stockholder and a copy of the petition is delivered to the surviving corporation, then the surviving corporation will be obligated, within 20 days after receiving service of a copy of the petition, to file with the Delaware Register in Chancery a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares of Company Common Stock and with whom agreements as to the value of their shares of Company Common Stock have not been reached by the surviving corporation. After notice to stockholders who have demanded appraisal, if such notice is ordered by the Delaware Court of Chancery, the Delaware Court of Chancery is empowered to conduct a hearing upon the petition and to determine those stockholders who have complied with Section 262 and who have become entitled to the appraisal rights provided by Section 262. The Delaware Court of Chancery may require stockholders who have demanded payment for their shares of Company Common Stock to submit their stock certificates to the Register in Chancery for notation of the pendency of the appraisal proceedings, and if any stockholder fails to comply with that direction, the Delaware Court of Chancery may dismiss the proceedings as to that stockholder. Upon application by the surviving corporation or by any stockholder entitled to participate in the appraisal proceeding, the Delaware Court of Chancery may, in its discretion, proceed to trial upon the appraisal prior to the final determination of the stockholders entitled to an appraisal. After determination of the stockholders entitled to appraisal of their shares of Company Common Stock, the appraisal proceeding shall be conducted in accordance with the rules of the Delaware Court of Chancery, including any rules specifically governing appraisal proceedings. Through such proceeding the Delaware Court of Chancery will determine the fair value of the shares of Company Common Stock, as of the Effective Time after taking into account all relevant factors exclusive of any element of value arising from the accomplishment or expectation of the Merger, together with interest, if any, to be paid upon the amount determined to be the fair value. When the fair value has been determined, the Delaware Court of Chancery will direct the payment of such value upon surrender by those stockholders of the certificates

representing their shares of Company Common Stock. Unless the Court in its discretion determines otherwise for good cause shown, interest from the Effective Time through the date of payment of the judgment shall be compounded quarterly and shall accrue at 5% over the Federal Reserve

discount rate (including any surcharge) as established from time to time during the period between the Effective Time and the date of payment of the judgment.

You should be aware that an investment banking opinion as to the fairness from a financial point of view of the consideration to be received in a sale transaction, such as the Merger, is not an opinion as to fair value under Section 262. **Although we believe that the Merger Consideration is fair, no representation is made as to the outcome of the appraisal of fair value as determined by the Delaware Court of Chancery and stockholders should recognize that such an appraisal could result in a determination of a value higher or lower than, or the same as, the Merger Consideration.** Moreover, we do not anticipate offering more than the Merger Consideration to any stockholder exercising appraisal rights and reserve the right to assert, in any appraisal proceeding, that, for purposes of Section 262, the fair value of a share of Company Common Stock is less than the Merger Consideration. In determining fair value, the Court is required to take into account all relevant factors. In *Weinberger v. UOP, Inc.*, the Delaware Supreme Court discussed the factors that could be considered in determining fair value in an appraisal proceeding, stating that proof of value by any techniques or methods which are generally considered acceptable in the financial community and otherwise admissible in court should be considered and that [f]air price obviously requires consideration of all relevant factors involving the value of a company. The Delaware Supreme Court has stated that in making this determination of fair value, the court must consider market value, asset value, dividends, earnings prospects, the nature of the enterprise and any other facts which were known or which could be ascertained as of the date of the Merger which throw any light on future prospects of the merged corporation. Section 262 provides that fair value is to be exclusive of any element of value arising from the accomplishment or expectation of the merger. In *Cede & Co. v. Technicolor, Inc.*, the Delaware Supreme Court stated that such exclusion is a narrow exclusion [that] does not encompass known elements of value, but which rather applies only to the speculative elements of value arising from such accomplishment or expectation. In *Weinberger*, the Delaware Supreme Court also stated that elements of future value, including the nature of the enterprise, which are known or susceptible of proof as of the date of the Merger and not the product of speculation, may be considered. In addition, the Delaware courts have decided that the statutory appraisal remedy, depending on factual circumstances, may or may not be a dissenting stockholder's exclusive remedy.

Costs of the appraisal proceeding (which do not include attorneys' fees or the fees and expenses of experts) may be determined by the Delaware Court of Chancery and imposed upon the parties participating in the appraisal proceeding by the Delaware Court of Chancery, as it deems equitable in the circumstances. Upon the application of a stockholder, the Delaware Court of Chancery may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorneys' fees and the fees and expenses of experts used in the appraisal proceeding, to be charged pro rata against the value of all shares of Company Common Stock entitled to appraisal. Any stockholder who demanded appraisal rights will not, after the Effective Time, be entitled to vote shares of Company Common Stock subject to that demand for any purpose or to receive payments of dividends or any other distribution with respect to those shares of Company Common Stock, other than with respect to payment as of a record date prior to the Effective Time. If no petition for appraisal is filed within 120 days after the Effective Time, or if the stockholder otherwise fails to perfect, successfully withdraws or loses such holder's right to appraisal, then the right of that stockholder to appraisal will cease and that stockholder's shares of Company Common Stock will be deemed to have been converted at the Effective Time into the right to receive the Merger Consideration, without interest and less any required withholding taxes. A stockholder will fail to perfect, or effectively lose, the right to appraisal if no petition for appraisal is filed within 120 days after the Effective Time. In addition, as indicated above, a stockholder may withdraw his, her or its demand for appraisal in accordance with Section 262 at any time within 60 days after the Effective Time (or thereafter with the written approval of the Company) and accept the Merger Consideration, without interest and less any required withholding taxes, offered pursuant to the Merger Agreement. Once a petition for appraisal has been filed with the Delaware Court of Chancery, however, the appraisal proceeding may not be dismissed as to any stockholder of the Company without the approval of the Delaware Court of

Chancery, and such approval may be conditioned upon such terms as the Delaware Court of Chancery deems just; provided, that such restriction shall not affect the right of any stockholder who has not

commenced an appraisal proceeding or joined the appraisal proceeding as a named party to withdraw such stockholder's demand for appraisal and to accept the Merger Consideration, without interest and less any required withholding taxes, within 60 days after the Effective Time. Failure to comply strictly with all of the procedures set forth in Section 262 of the DGCL will result in the loss of a stockholder's statutory appraisal rights.

In view of the complexity of Section 262 of the DGCL, the Company stockholders who may wish to dissent to the Merger and pursue appraisal rights should consult their legal and financial advisors.

(c) Notwithstanding anything to the contrary contained in this Agreement, any holder of Book-Entry Shares shall not be required to deliver a Certificate or an executed Letter of Transmittal to the Paying Agent to receive the Merger Consideration that such holder is entitled to receive pursuant to this Article III. If, after the Effective Time, Certificates are presented to the Surviving Corporation for any reason, they shall be cancelled and exchanged for the Merger Consideration as provided in this Article III, subject to applicable Law in the case of Appraisal Shares.

Section 3.04 Termination of Exchange Fund. Any portion of the Exchange Fund (including any interest and other income received with respect thereto) that remains undistributed to the former Company Stockholders on the date nine (9) months after the Effective Time shall be delivered to the Surviving Corporation upon demand, and any former holder of Shares who has not theretofore received any applicable Merger Consideration to which such Company Stockholder is entitled under this Article III shall thereafter look only to the Surviving Corporation (subject to abandoned property, escheat or other similar Laws) for payment of claims with respect thereto.

Notwithstanding the foregoing, neither the Company nor any of its Subsidiaries shall be obligated to provide any such access or information to the extent that doing so (A) would be reasonably likely to cause a waiver of attorney-client privilege or loss of attorney work product protection, (B) would constitute a violation of any applicable Law or Order, or (C) would violate any Contract to which the Company or any of its Subsidiaries is a party or bound. In the event that the Company does not provide access or information in reliance on the immediately

preceding sentence, it shall provide notice to Parent that it is withholding such access or information and shall use reasonable efforts to communicate, to the extent feasible, the applicable information in a way that would not risk waiver of such privilege or violate the applicable Law, Order or Contract.

Notwithstanding the foregoing, the Company and its Subsidiaries may limit the presence and access of such directors, officers and employees to the extent it believes in good faith that such limitation is necessary in order to (i) protect attorney-client privilege or the loss of attorney work product protection, (ii) comply with any applicable Law or Order, or (iii) comply with any Contract entered into prior to the date of this Agreement to which the Company or any of its Subsidiaries is a party or bound; provided, however, that such limitation will be constructed to the extent possible in a manner to achieve the objective set forth in the first sentence of this Section 6.02(b), and the Company will use, and will cause its Subsidiaries to use, its and their reasonable best efforts to ensure that the resulting arrangements continue to permit the facilitation of the planning for the integration and post-Closing operations of the Company and its Subsidiaries and Parent as fully as reasonably possible. Notwithstanding anything to the contrary contained in this Agreement, in no event shall the Company or any of its Subsidiaries be required to provide access to any drafts, opinions, valuations, memorandum, correspondence or any other materials of the Company or any of its Subsidiaries or Representatives relating to the negotiation, valuation or consummation of the transactions contemplated by, or the enforcement of, this Agreement.

(c) Except for disclosures expressly permitted by the terms of the Confidentiality Agreement, AIG, Parent and Merger Sub shall hold, and shall cause their respective Representatives to hold, all information received, directly or indirectly, from the Company or its Representatives in confidence in accordance with the Confidentiality Agreement. Authority with respect to the Merger or any other transaction contemplated hereby and (ii) prevent the entry of, and have vacated, lifted, reversed or overturned, any Order that would prevent, prohibit, restrict or delay the consummation of the Merger or any other transaction contemplated hereby.

(c) In furtherance and without limiting the foregoing, AIG and the Company, as applicable, shall take the following actions within ten (10) Business Days of the date of this Agreement: (i) AIG shall, together with its controlled person applicants, file a Form A Acquisition of Control, together with all exhibits, affidavits and certificates, with the Insurance Commissioner of the State of Iowa, substantially in the form attached to Section 6.03(c)(i) of the AIG Disclosure Letter (with the remaining portions thereof duly completed as applicable), (ii) AIG shall, together with its controlled person applicants, file a Section 1506 filing, together with all exhibits, affidavits and certificates, with the Superintendent of Financial Services of the State of New York, substantially in the form attached to Section 6.03(c)(ii) of the AIG Disclosure Letter (with the remaining portions thereof duly completed as applicable), (iii) AIG shall make a filing with the Vermont Department of Financial Regulation as may be required by Vermont Insurance Regulation C-81-2 Section 14, (iv) AIG shall make a filing with the China Insurance Regulatory Commission, if so required by applicable Law, and (v) AIG and the Company shall submit to CFIUS a draft of a joint voluntary notice of the transaction contemplated by this Agreement (the CFIUS Notice). AIG shall, and shall cause its Subsidiaries and its and their respective directors, officers and employees, to execute and deliver any untrustworthy commitment letters . None of AIG, Parent nor Merger Sub shall at any time prior to the Closing, in connection with the transactions contemplated by this Agreement, file any application with or request for non-disapproval by any Governmental Authority with respect to any inter-affiliate transaction between any Company Insurance Subsidiary, on the one hand, and AIG or any of its Affiliates, on the other hand, that would require approval or non-disapproval under applicable Law (other than, for the avoidance of doubt, any transaction contemplated by this Agreement).

(d) Each of AIG, Parent, Merger Sub and the Company agrees that it shall consult with one another with respect to the obtaining of all consents, approvals, authorizations, waivers or exemptions of Governmental Authorities necessary, proper or advisable to consummate the transactions contemplated by this Agreement and each of AIG, Parent, Merger Sub and the Company shall keep the other apprised on a prompt basis of the status of matters relating to such consents, approvals, authorizations, waivers or exemptions. Each of AIG, Parent, Merger Sub and the Company shall have the right to review in advance and, to the extent practicable, and subject to any restrictions under applicable Law, each shall consult the other on, any filing made with, or written materials submitted to, any Governmental Authority in connection with the U.S. Regulatory Filings made in connection the transactions contemplated by this Agreement and each party agrees to in good faith consider any comments of the other parties thereon. (e) Each of AIG, Parent, Merger Sub and the Company shall promptly advise each other upon receiving any communication from any Governmental Authority (other than the China Insurance Regulatory Commission)

(f) AIG shall give the Company reasonable prior notice of any live or telephonic meeting with any Governmental Authority (other than the China Insurance Regulatory Commission) in respect of any filings, investigation or other inquiry (other than solely ministerial matters) relating to the transactions contemplated by this Agreement and shall give the Company, to the extent permitted by applicable Law and by such Governmental Authority, the opportunity to attend and participate in such meeting (other than with the China Insurance Regulatory Commission); provided, however, that AIG shall have the right to require that the Company's Representatives not attend or participate in any portion of any such meeting to the extent (i) concerning AIG's valuation analyses with respect to the Company and its Subsidiaries, (ii) as necessary to comply with written Contracts in effect on the date hereof or (iii) to address reasonable privilege and confidentiality concerns.

(g) Notwithstanding anything in this Agreement to the contrary, in no event shall the Company, AIG or their respective Affiliates be required to agree to take or enter into any action which would be required to be taken in the event that the Closing does not occur.

(b) Parent shall provide each Company Employee who incurs a termination of employment during the twelve (12) month period following the Closing Date with severance payments and severance benefits that are no less favorable than the severance payments and severance benefits to which such employees would have been entitled with respect to such termination under the severance policies of the Company as in effect immediately prior to the Closing Date, as set forth in Section 6.10(b) of the Company Disclosure Letter.

(a) From and after the Effective Time, the Surviving Corporation shall, and Parent shall cause the Surviving Corporation to, indemnify, defend and hold harmless to the fullest extent provided under the Company Certificate of Incorporation and the Company By-laws in effect on the date hereof and permitted by the DGCL all past and present directors and officers of the Company and its Subsidiaries (the Indemnified Parties) for acts or omissions occurring at or prior to the Effective Time.

TERMINATION, AMENDMENT AND WAIVER

Section 8.01 **Termination**. This Agreement may be terminated and the Merger (and the other transactions contemplated hereby) may be abandoned at any time prior to the Effective Time (notwithstanding if the Company Required Vote has been obtained):

(a) by the mutual written consent of the Company and Parent, which consent shall have been approved by the action of their respective Boards of Directors;

(b) by Parent or the Company, if any Governmental Authority shall have issued an Order, or there exists any Law, in each case, permanently preventing or prohibiting the Merger, and such Order shall have become final and nonappealable or such Law is in effect; **provided, however**, that the party seeking to terminate this Agreement pursuant to this clause (b) shall have complied with its obligations under this Agreement to use its reasonable best efforts to remove such Order;

(h) by Parent, if (i) there has been a breach by the Company of any representation, warranty, covenant or agreement contained in this Agreement that would, individually or in the aggregate, result in a failure of a condition set forth in Section 7.02(a) or Section 7.02(b) if continuing on the Closing Date, and (ii) such breach cannot be or has not been cured (or is not capable of being cured) by the earlier of (A) sixty (60) days after the giving of written notice to the Company of such breach and (B) the Outside Termination Date; provided, that Parent shall not have the right to terminate this Agreement pursuant to this Section 8.01(h) if AIG, Parent or Merger Sub is then in material breach of any of its representations, warranties, covenants or agreements contained in this Agreement; or

If the Company Termination Fee shall be payable pursuant to clause (A) of the preceding sentence, the Company Termination Fee shall be paid on the date of such termination and if the Company Termination Fee shall be payable pursuant to clause (B) of the preceding sentence, the Company Termination Fee shall be paid no later than two (2) Business Days after the date of such termination.

(ii) If this Agreement is terminated by either Parent or the Company pursuant to Section 8.01(d) or Section 8.01(g) or by Parent pursuant to Section 8.01(h) and (A) at any time after the date hereof and prior to the Company Stockholders Meeting, the termination of the Agreement pursuant to Section 8.01(g) or the breach giving rise to Parent's right to terminate under Section 8.01(h), respectively, a Takeover Proposal shall have been publicly announced or publicly made known to the Company Board of Directors or the stockholders of the Company or any Person shall have publicly announced an intention (whether or not conditional) to make a Takeover Proposal and such Takeover Proposal or such intent has not been publicly withdrawn or repudiated by such Person prior to the Company Stockholders Meeting, the termination of this Agreement pursuant to Section 8.01(g) or the breach, respectively, and (B) within twelve (12) months after such termination, the Company either consummates such Takeover Proposal or enters into a definitive agreement to consummate such Takeover Proposal and the Company thereafter consummates such Takeover Proposal (whether or not within such twelve (12) month period), then the Company shall upon the earliest of the consummation of such Takeover Proposal or the entry into such definitive agreement with respect thereto, pay Parent, as liquidated damages and not as a penalty and as the sole and exclusive remedy of AIG, Parent and Merger Sub against the Company and its Subsidiaries and any of their respective Affiliates, stockholders or Representatives for any loss or damage suffered as a result of the failure of the Merger to be consummated, the Company Termination Fee by wire transfer of immediately available funds; provided, that for the purposes of this Section 8.02(b)(ii), all references in the term Takeover Proposal to 15% or more shall be deemed to be references to more than 50%.

(c) The parties acknowledge that the agreements contained in this Section 8.02 are an integral part of the transactions contemplated hereby and that, without these agreements, AIG, Parent and Merger Sub would not enter into this Agreement. Accordingly, if the Company fails promptly to pay any amount due pursuant to this Section 8.02, the Company shall also pay any reasonable costs and expenses (including reasonable legal fees and expenses) incurred by AIG, Parent and Merger Sub in connection with an Action that results in an Order for such amount against the Company. Any amount not paid when due pursuant to this Section 8.02 shall bear interest from the date such amount is due until the date paid at a rate equal to the prime rate as published in *The Wall Street Journal*, Eastern Edition in effect on the date of such payment. The parties agree and understand that in no event shall the Company be required to pay the Company Termination Fee on more than one occasion.

Section 8.03 Effect of Termination. In the event of termination of this Agreement by either the Company or Parent as provided in Section 8.01, this Agreement shall forthwith become void and have no effect, without any liability or obligation on the part of AIG, Parent and Merger Sub or the Company, except that (a) the provisions of Section 6.02(b), Section 8.02, this Section 8.03 and Article IX shall survive termination and (b) nothing herein shall relieve any party from liability (i) for any willful and material breach of this Agreement, (ii) for the failure of a party to close the Merger in accordance with Section 2.02 and Article VII hereof (provided, that for the avoidance of doubt, the foregoing shall not apply to the failure of a party to close the Merger if such party's conditions to close the Merger set forth in Article VII have not been satisfied or waived) or (iii) for fraud; provided, that the provisions of Section 8.02(b) providing for the Company Termination Fee shall constitute an exclusive remedy with respect to the circumstances set forth therein. For purposes of this Agreement, willful and material breach shall mean a material breach that is a consequence of (A) an act or (B) the failure to take an act required by the terms of this Agreement, by

the breaching party with knowledge (actual or constructive) that the taking of such act, or the failure to take such required act, would, or would reasonably be expected to, cause a breach of this Agreement.

Section 9.03 Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties and delivered (including by facsimile or other electronic transmission) to the other parties.

Section 9.04 Entire Agreement; No Third-Party Beneficiaries. This Agreement and the Confidentiality Agreement (a) constitute the entire agreement, and supersede all prior agreements and understandings, both written and oral, among the parties, or any of them, with respect to the subject matter of this Agreement and (b) are not intended to and do not confer upon any Person other than the parties hereto any rights or remedies hereunder, other than (i) from and after the Effective Time, each Indemnified Party and their respective successors, heirs and representatives, each of whom shall have the right to enforce the provisions of Section 6.11 directly, (ii) the right of the Company on behalf of

the Company Stockholders to pursue damages in the event of AIG's, Parent's or Merger Sub's breach of this Agreement to the extent permitted by Section 8.03 (a claim with respect to which shall be enforceable only by the Company, in its sole and absolute discretion, on behalf of the Company Stockholders), and (iii) following the Effective Time, the right of the Company Stockholders to receive the Merger Consideration and the holders of Company Stock Rights, Fidelity & Guaranty Life Holdings stock options, Fidelity & Guaranty Life Holdings restricted stock units and Fidelity & Guaranty Life Holdings dividend equivalents to receive the payments which they have the right to receive pursuant to Section 2.07 after the Closing. The representations, warranties, covenants and agreements in this Agreement are the product of negotiations among the parties and are for the sole benefit of the parties and may, in certain instances, be qualified, limited or changed by confidential disclosure letters. Any inaccuracies in such representations or warranties or failure to perform or breach of such covenants or agreements are subject to waiver by the parties in accordance with Section 8.05 without notice or liability to any other Person. In some instances, the representations, warranties, covenants and agreements in this Agreement may represent an allocation among the parties of risk associated with particular matters regardless of the knowledge of any of the parties. Consequently, Persons other than the parties may not rely upon the representations, warranties, covenants and agreements in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

Section 9.05 Assignment. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned or delegated, in whole or in part, by operation of Law or otherwise by any of

the parties without the prior written consent of the other parties; provided, that AIG, Parent or any assignee pursuant to this Section 9.05 may assign this Agreement to (i) one wholly-owned Subsidiary in its acquisition structure prior to the date of first filing of the applications referred to in clauses (i), (ii) and (iii) of Section 6.03(c) and (ii) another such wholly-owned Subsidiary within thirty (30) days after the date of such filings; provided further, that AIG, Parent and its assignees shall not collectively make more than two (2) assignments in the aggregate pursuant to this Section 9.05 (for the avoidance of doubt, any reassignment pursuant to clause (c) of the following proviso shall not count as an assignment by AIG, Parent or any of its assignees); provided further, that (a) such assignment or assignments would not, individually or in the aggregate, reasonably be expected to have an AIG Material Adverse Effect, (b) such assignment or assignments shall not relieve AIG or Parent of its obligations under this Agreement and (c) such assignment or assignments shall cease to be effective and this Agreement shall be reassigned to AIG or Parent, as applicable, if any such assignee shall cease to be a wholly-owned Subsidiary of AIG or Parent, as applicable. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the parties and their respective successors and assigns.

Section 9.06 Governing Law. This Agreement, and all claims or causes of action (whether in contract, tort or otherwise) that may be based upon, arise out of or relating to this Agreement or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement) shall be governed by and construed in accordance with the Laws of the State of Delaware, without respect to its applicable principles of conflicts of laws that might require the application of the laws of another jurisdiction.

Section 9.07 Consent to Jurisdiction. Each of the parties hereby irrevocably and unconditionally (a) submits, for itself and its property, to the exclusive jurisdiction and venue of the Delaware Court of Chancery (or, only if the Delaware Court of Chancery does not have jurisdiction over a particular matter, the Superior Court of the State of Delaware (and the Complex Commercial Litigation Division thereof if such division has jurisdiction over the particular matter), or if the Superior Court of the State of Delaware does not have jurisdiction, any federal court of the United States of America sitting in the State of Delaware) (Delaware Courts), and any appellate court from any decision thereof, in any Action arising out of or relating to this Agreement, including the negotiation, execution or performance of this Agreement and agrees that all claims in respect of any such Action shall be heard and determined in the Delaware Courts, (b) waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any Action arising out of or relating to this Agreement or the negotiation, execution or performance of this Agreement in the Delaware Courts, including any objection based on its place of incorporation or domicile, (c) waives, to the fullest extent permitted by Law, the defense of an inconvenient forum to the maintenance of such Action in any such court and (d) agrees that a final judgment in any such Action shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. Each of the parties consents and agrees that service of process, summons, notice or document for any action permitted hereunder may be delivered by registered mail addressed to it at the applicable address set forth in Section 9.02 or in any other manner permitted by applicable Law.

Section 9.08 Waiver of Jury Trial. EACH OF THE PARTIES ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY BE BASED UPON, ARISE OUT OF OR RELATED TO THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND, THEREFORE, EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY FOR ANY DISPUTE BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE BREACH, TERMINATION OR VALIDITY HEREOF OR ANY TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH OF THE PARTIES CERTIFIES AND ACKNOWLEDGES THAT (A) NEITHER THE OTHER PARTIES NOR THEIR RESPECTIVE REPRESENTATIVES, AGENTS OR ATTORNEYS HAVE REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD

NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) EACH OF THE PARTIES UNDERSTANDS AND HAS

CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) EACH OF THE PARTIES MAKES THIS WAIVER VOLUNTARILY AND (D) EACH OF THE PARTIES HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS OF THIS SECTION 9.08. ANY PARTY MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

Section 9.09 Specific Performance. The parties hereto agree that irreparable damage would occur and that the parties hereto would not have any adequate remedy at law in the event that any provision of this Agreement were not performed in accordance with its specific terms or were otherwise breached and that money damages or other legal remedies would not be an adequate remedy for any such failure to perform or breach. It is accordingly agreed that, without posting a bond or other undertaking, the parties hereto shall be entitled to injunctive or other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in the Delaware Courts, this being in addition to any other remedy to which they are entitled at law or in equity. The parties hereto further agree that (a) by seeking any remedy provided for in this Section 9.09, a party hereto shall not in any respect waive its right to seek any other form of relief that may be available to such party hereto under this Agreement and (b) nothing contained in this Section 9.09 shall require any party hereto to institute any action for (or limit such party's right to institute any action for) specific performance under this Section 9.09 before exercising any other right under this Agreement.

Section 9.10 Severability. If any term, provision, covenant or restriction of this Agreement is held by the Delaware Courts or other Governmental Authority to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such a determination, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

Section 9.11 Controlling Language of this Agreement. This Agreement has been negotiated and executed in the English language, and this English language execution version shall govern in all respects and prevail over any translation of the same, including for the purposes of enforcing this Agreement in any court or other tribunal.

Section 9.12 Initialization. The Company hereby authorizes any attorney of Skadden, Arps, Slate, Meagher & Flom LLP to initial on its behalf each of the pages of this Agreement, the Company Disclosure Letter, the AIG Disclosure Letter and the Exhibits hereto. AIG, Parent and Merger Sub hereby authorize any attorney of Simpson Thacher & Bartlett LLP to initial on their behalf each of the pages of this Agreement, the Company Disclosure Letter, the AIG Disclosure Letter and the Exhibits and Schedules hereto.

Section 9.13 AIG Obligation. AIG shall cause the full and complete performance by Parent of all of its obligations pursuant to the terms of this Agreement and in the event Parent does not fulfill all of its obligations pursuant to the terms of this Agreement, AIG shall unconditionally and irrevocably perform such unperformed obligations of Parent pursuant to the terms of this Agreement. AIG further agrees that its obligations set forth in the preceding sentence will not be discharged except by the full and complete performance of all of the obligations of Parent pursuant to the terms of this Agreement. For the avoidance of doubt and notwithstanding anything to the contrary in this Agreement, the provisions of Section 8.01(i) and Section 8.03 hereof shall apply mutatis mutandis to AIG with respect to any unperformed obligations of Parent or any breach of any representations or warranties of Parent in this Agreement as fully as if Parent were performing such obligations or making such representations or warranties. From and after the

date hereof and for as long as any obligations of Parent remain outstanding hereunder, in the event that Parent or its successors or assigns (a) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such

consolidation or merger or (b) transfers or conveys all or a majority of its properties and assets to any Person in one or a series of transactions, then, and in each such case, AIG shall, at its option either assume, or cause such Person(s) to assume, by a written instrument entered into for the benefit of, and enforceable by, the Company or the Persons referred to in Section 9.04(b), the obligations of Parent.

OPINION OF CREDIT SUISSE

November 8, 2015

Board of Directors

Fidelity & Guaranty Life

Two Ruan Center

601 Locust Street, 14th Floor

Des Moines, IA 50309

Members of the Board:

You have asked us to advise you with respect to the fairness to the holders of common stock, par value \$0.01 per share (Company Common Stock), of Fidelity & Guaranty Life (the Company), other than FS Holdco II Ltd., a wholly owned subsidiary of HRG Group, Inc. (HRG), and Anbang Insurance Group Co., Ltd. (the Acquiror) and its affiliates (collectively, the Excluded Persons), from a financial point of view, of the Consideration (as defined below) to be received by such stockholders pursuant to the terms of the Agreement and Plan of Merger dated as of November 8, 2015 (the Merger Agreement), by and among the Company, the Acquiror, AB Infinity Holding, Inc., a wholly owned subsidiary of the Acquiror, and AB Merger Sub, Inc., a wholly owned subsidiary of the Acquiror (the Merger Sub). The Merger Agreement provides for, among other things, the merger (the Merger) of the Company with the Merger Sub pursuant to which the Company will survive the Merger and become a wholly owned subsidiary of the Acquiror and each outstanding share of Company Common Stock will be converted into the right to receive \$26.80 in cash, without interest (the Consideration).

In arriving at our opinion, we have reviewed the Merger Agreement and certain publicly available business and financial information relating to the Company. We have also reviewed certain other information relating to the Company, including (i) financial forecasts prepared and provided to us by management of the Company with respect to the future financial performance of the Company (the Management Projections) and (ii) the actuarial appraisals prepared by a third party firm retained by the Company (the Third Party Appraisals), and have met with the Company s management to discuss the business and prospects of the Company. We have also considered certain financial and stock market data of the Company, and we have compared that data with similar data for other publicly held companies in businesses we deemed similar to that of the Company and we have considered, to the extent publicly available, the financial terms of certain other business combinations and other transactions which have recently been effected or announced. We also considered such other information, financial studies, analyses and investigations and financial, economic and market criteria which we deemed relevant.

In connection with our review, we have not independently verified any of the foregoing information and have assumed and relied on such information being complete and accurate in all material respects. With respect to the Management Projections, the management of the Company has advised us, and we have assumed, that such forecasts

have been reasonably prepared on bases reflecting the best currently available estimates and judgments of the Company's management as to the future financial performance of the Company. We also have assumed, with your consent, that, in the course of obtaining any regulatory or third party consents, approvals or agreements in connection with the Merger, no delay, limitation, restriction or condition will be imposed that would have an

adverse effect on the Company and that the Merger will be consummated in accordance with the terms of the Merger Agreement without waiver, modification or amendment of any material term, condition or agreement thereof. In addition, we have not been requested to make, and have not made, an independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of the Company, nor have we been furnished with any such evaluations or appraisals other than the Third Party Appraisals. With respect to the Third Party Appraisals, we are not actuaries and, accordingly, our services did not include any actuarial determinations or evaluations by us or an attempt by us to evaluate actuarial assumptions. We express no opinion as to any matters relating to the reserves of the Company, including, without limitation, the adequacy of such reserves, and we have assumed, with your consent and without independent verification, that such reserves are appropriate. With respect to the future statutory profits from new and in-force business of the Company, we also have assumed, with your consent and without independent verification, that such actuarial evaluations are appropriate.

Our opinion addresses only the fairness, from a financial point of view, to the holders of Company Common Stock (other than the Excluded Persons) of the Consideration to be received by such stockholders in the Merger pursuant to the terms of the Merger Agreement and does not address any other aspect or implication of the Merger or any other agreement, arrangement or understanding entered into in connection with the Merger or otherwise including, without limitation, the fairness of the amount or nature of, or any other aspect relating to, any compensation to any officers, directors or employees of any party to the Merger, or class of such persons, relative to the Consideration or otherwise. Furthermore, no opinion, counsel or interpretation is intended regarding matters that require legal, regulatory, accounting, tax, executive compensation or other similar professional advice. It is assumed that such opinions, counsel, interpretations or advice have been or will be obtained from the appropriate professional sources. The issuance of this opinion was approved by our authorized internal committee.

Our opinion is necessarily based upon information made available to us as of the date hereof and financial, economic, market and other conditions as they exist and can be evaluated on the date hereof. Our opinion does not address the merits of the Merger as compared to alternative transactions or strategies that may be available to the Company nor does it address the Company's underlying decision to proceed with the Merger.

We have acted as financial advisor to the Company in connection with the Merger and will receive a fee for our services, a significant portion of which is contingent upon the consummation of the Merger. We also became entitled to receive a fee upon the rendering of our opinion. In addition, the Company has agreed to indemnify us and certain related parties for certain liabilities and other items arising out of or related to our engagement. We and our affiliates have in the past provided and in the future we may provide, investment banking and other financial services to the Company and its affiliates, for which we and our affiliates have received, and would expect to receive, compensation, including, among others, having acted as (i) an arranger in connection with the Company's revolving credit facility in August 2014, (ii) a bookrunner in connection with the Company's initial public offering of common stock in December 2013 and (iii) a bookrunner in connection with the Company's 6.375% senior notes due 2021 in March 2013. We and our affiliates in the past have provided and in the future may provide services to HRG and certain of its affiliates unrelated to the proposed Merger, for which services we and our affiliates have received, and would expect to receive, compensation, including, among others, having acted as (i) a bookrunner in connection with HRG's 7.875% senior secured notes due 2019 in May 2015, in April 2015 and in July 2013, (ii) a bookrunner in connection with HRG's 7.750% senior unsecured notes due 2022 in May 2015, in September 2014 and in January 2014, (iii) a financial advisor in connection with HRG's offer to exchange a portion of its outstanding 7.875% senior secured notes due 2019 for new 7.750% senior unsecured notes due 2022 in May 2014, (iv) a financial advisor in connection with HRG's common stock repurchase program in May 2014 and in August 2013, (v) an arranger in connection with HRG's

subsidiary Spectrum

Brands, Inc. s (Spectrum) term loans and revolving credit facility in June 2015, (vi) a bookrunner in connection with Spectrum s 5.750% senior notes due 2025 in May 2015, (vii) a bookrunner in connection with Spectrum s common stock offering in May 2015, (viii) an arranger in connection with Spectrum s bridge loan in May 2015, (ix) an advisor in connection with Spectrum s acquisition of Armored Auto Group in May 2015, (x) a bookrunner in connection with Spectrum s 6.125% senior notes due 2024 in December 2014, (xi) an arranger in connection with Spectrum s term loans in December 2014, December 2013 and September 2013 and (xii) a financial advisor in connection with Spectrum s common stock repurchase program in August 2013. We and our affiliates may have provided other financial advice and services, and may in the future provide financial advice and services, to the Company, the Acquiror and their respective affiliates for which we and our affiliates have received, and would expect to receive, compensation. We are a full service securities firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. In the ordinary course of business, we and our affiliates may acquire, hold or sell, for our and our affiliates own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of the Company, the Acquiror and any other company that may be involved in the Merger, as well as provide investment banking and other financial services to such companies.

It is understood that this letter is for the information of the Board of Directors of the Company in connection with its consideration of the Merger and does not constitute advice or a recommendation to any stockholder as to how such stockholder should vote or act on any matter relating to the proposed Merger.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Consideration to be received by the holders of Company Common Stock (other than the Excluded Persons) in the Merger pursuant to the terms of the Merger Agreement is fair, from a financial point of view, to such stockholders.

Very truly yours,

ANNEX C

SECTION 262 OF THE DELAWARE GENERAL CORPORATION LAW

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to § 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in 1 or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to § 251 (other than a merger effected pursuant to § 251(g) of this title and, subject to paragraph (b)(3) of this section, § 251(h) of this title), § 252, § 254, § 255, § 256, § 257, § 258, § 263 or § 264 of this title:

(1) Provided, however, that, except as expressly provided in § 363(b) of this title, no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of the meeting of stockholders to act upon the agreement of merger or consolidation, were either: (i) listed on a national securities exchange or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in § 251(f) of this title.

(2) Notwithstanding paragraph (b)(1) of this section, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to §§ 251, 252, 254, 255, 256, 257, 258, 263 and 264 of this title to accept for such stock anything except:

a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;

b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or held of record by more than 2,000 holders;

c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a. and b. of this section; or

d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a., b. and c. of this section.

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under § 251(h), § 253 or § 267 of this title is not owned by the parent immediately prior to the merger, appraisal rights shall be available for

the shares of the subsidiary Delaware corporation.

(4) In the event of an amendment to a corporation's certificate of incorporation contemplated by § 363(a) of this title, appraisal rights shall be available as contemplated by § 363(b) of this title, and the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as practicable, with the word "amendment" substituted for the words "merger or consolidation", and the word "corporation" substituted for the words "constituent corporation" and/or "surviving or resulting corporation".

C-1

Table of Contents

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for notice of such meeting (or such members who received notice in accordance with § 255(c) of this title) with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) of this section that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to § 228, § 251(h), § 253, or § 267 of this title, then either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within 10 days thereafter shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice or, in the case of a merger approved pursuant to § 251(h) of this title, within the later of the consummation of the tender or exchange offer contemplated by § 251(h) of this title and 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice or, in the case of a merger approved pursuant to § 251(h) of this title, later than the later of the consummation of the tender or exchange offer contemplated by § 251(h) of this title and 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence

of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days

C-2

prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) of this section hereof and who is otherwise entitled to appraisal rights, may commence an appraisal proceeding by filing a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) of this section hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) of this section hereof, whichever is later. Notwithstanding subsection (a) of this section, a person who is the beneficial owner of shares of such stock held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition or request from the corporation the statement described in this subsection.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder.

(h) After the Court determines the stockholders entitled to an appraisal, the appraisal proceeding shall be conducted in accordance with the rules of the Court of Chancery, including any rules specifically governing appraisal proceedings. Through such proceeding the Court shall determine the fair value of the shares exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. Unless the Court in its discretion determines otherwise for good cause shown, interest from the

effective date of the merger through the date of payment of the judgment shall be compounded quarterly and shall accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective date of the merger and the

date of payment of the judgment. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, proceed to trial upon the appraisal prior to the final determination of the stockholders entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just; provided, however that this provision shall not affect the right of any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation within 60 days after the effective date of the merger or consolidation, as set forth in subsection (e) of this section.

(l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.
