We will mail this proxy statement and the enclosed proxy card to stockholders for the first time on or about October 11, 2016. In this mailing, we will include a copy of our 2015 Annual Report to Stockholders, which includes our Annual Report on Form 10-K for the year ended December 31, 2015 (excluding exhibits), as filed with the Securities and Exchange Commission, or SEC.

How to Vote

You are entitled to one vote at the meeting for each share of common stock registered in your name at the close of business on October 6, 2016, the record date for the meeting. You may vote your shares at the meeting in person, by proxy or via the internet or the toll-free number (for residents of the United States and Canada) listed on your proxy card.

To vote in person, you must attend the meeting, and then complete and submit the ballot provided at the meeting.

To vote by proxy, you must complete and return the enclosed proxy card. Your proxy card will be valid only if you sign, date and return it before the meeting. By completing and returning the proxy card, you will direct the persons named on the proxy card to vote your shares at the meeting in the manner you specify. If you complete all of the proxy card except the voting instructions, then the designated persons will vote your shares FOR the re-election of Mr. Steel as a Class II director and FOR the ratification of our independent registered public accounting firm. If any other business properly comes before the meeting, then the designated persons will have the discretion to vote in any manner they deem appropriate.

To vote via the internet, you must access the website for internet voting at www.investorvote.com/ZSAN. Please have the enclosed proxy card handy when you access the website, and then follow the on-screen instructions. Internet voting facilities for stockholders of record will be available 24 hours a day until 1:00 a.m. (Central time) on November 2, 2016. If you vote via the internet, you do not have to return your proxy card via mail.

voting again by proxy or via the internet or telephone on a later date; or

attending the meeting, notifying our Secretary that you are present, and then voting in person.

Shares Held by Brokers or Nominees

If the shares you own are held in street name by a brokerage firm, your brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your brokerage firm provides to you. Many brokers also offer the option of providing voting instructions to them over the internet or by telephone, directions for which would be provided by your brokerage firm on your voting instruction form.

Under stock exchange rules applicable to most brokerage firms, if you do not give instructions to your broker, it is permitted to vote any shares it holds for your account in its discretion with respect to routine proposals, but it is not allowed to vote your shares with respect to certain non-routine proposals. **Proposal 1, regarding the election of directors, is a non-routine proposal. If you do not instruct your broker how to vote with respect to Proposal 1, your broker will not vote on it and your shares will be recorded as broker non-votes and will not affect the outcome of the vote on Proposal 1.** Broker non-votes are shares that are held in street name by a bank or brokerage firm that indicates on its proxy that, while voting in its discretion on one matter, it does not have or did not exercise discretionary authority to vote on another matter.

Table of Contents

Proposal 2, the ratification of Marcum LLP as our independent registered public accounting firm, is considered to be a routine item under the applicable rules and your broker will be able to vote on that item even if it does not receive instructions from you, so long as it holds your shares in its name.

If a broker or nominee holds shares of our common stock in street name for your account, then this proxy statement may have been forwarded to you with a voting instruction card, which allows you to instruct the broker or nominee how to vote your shares on the proposals described herein. To vote by proxy or to instruct your broker how to vote, you should follow the directions provided with the voting instruction card. **In order to have your vote counted on Proposal 1, you must either provide timely voting instructions to your broker or obtain a properly executed proxy from the broker or other record holder of the shares that authorizes you to act on behalf of the record holder with respect to the shares held for your account.**

Quorum Required to Transact Business

At the close of business on October 6, 2016, 16,815,997 shares of our common stock were outstanding. Our Bylaws require that a majority of the outstanding shares of our common stock be represented, in person or by proxy, at the meeting in order to constitute the quorum we need to transact business at the meeting. We will count abstentions and broker non-votes as shares represented at the meeting in determining whether a quorum exists.

Some banks, brokers, and other nominee record holders may be householding our proxy statements and annual reports. This means that only one copy of our proxy statement and annual report to stockholders may have been sent to multiple stockholders in your household. PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Marcum LLP currently serves as our independent registered public accounting firm and audited our financial statements for our fiscal year ended December 31, 2015. The Audit Committee of our Board of Directors has retained Marcum LLP as our independent registered public accounting firm to audit our financial statements for our fiscal year ending December 31, 2016.

Our Audit Committee is responsible for selecting and appointing our independent registered public accounting firm, and this appointment is not required to be ratified by our stockholders. However, our Audit Committee has recommended that the Board of Directors submit this matter to the stockholders as a matter of good corporate practice. If the stockholders fail to ratify the appointment, then the Audit Committee will reconsider whether to retain Marcum LLP, and may retain that firm or another without re-submitting the matter to our stockholders. Even if the appointment is ratified, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of Zosano Pharma and our stockholders.

In order to pass, this proposal must receive a majority of the votes cast with respect to this matter. We will not count abstentions or broker non-votes as votes cast.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE PROPOSAL TO RATIFY THE APPOINTMENT OF MARCUM LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2016.

INFORMATION ABOUT OUR BOARD OF DIRECTORS AND MANAGEMENT

Board Composition

Our Board of Directors currently consists of six members, and there are no contractual obligations regarding the election of our directors. Each of our directors holds office until the director's successor has been elected and qualified or until the director's earlier death, resignation or removal.

Our Certificate of Incorporation and our Bylaws provide that the authorized number of directors may be changed only by resolution adopted by a majority of the authorized number of directors constituting the Board of Directors. Our Certificate of Incorporation and Bylaws also provide that a director may be removed only for cause by the affirmative vote of the holders of at least 66-2/3% of the votes that all our stockholders would be entitled to cast in an annual election of directors, and that any vacancy on our Board of Directors, including a vacancy resulting from an increase in the authorized number of directors constituting the Board of Directors, may be filled only by vote of a majority of our directors then in office.

In accordance with the terms of our Certificate of Incorporation and Bylaws, our Board of Directors is divided into three classes, designated as Class I, Class II and Class III, with members of each Class serving staggered three-year terms, divided as follows:

the Class I directors are Dr. Alataris and Mr. Walker, whose terms will expire at the annual meeting of stockholders to be held in 2018;

the Class II director is Mr. Steel, whose term will expire at our 2016 Annual Meeting of Stockholders; and

the Class III directors are Mr. Hagan, Dr. Wilson and Dr. Xanthopoulos, whose terms will expire at the annual meeting of stockholders to be held in 2017.

Upon the expiration of the term of a Class of directors, directors in that Class are eligible, if nominated, to be elected for a new three-year term at the annual meeting of stockholders in the year in which their term expires.

Our common stock is listed on The NASDAQ Capital Market tier of The NASDAQ Stock Market. Under the rules of The NASDAQ Stock Market, independent directors must comprise a majority of a listed company's board of directors within 12 months from the date of listing in connection with the company's initial public offering. In addition, the rules of The NASDAQ Stock Market require that (i) on the date of listing in connection with a company's initial public offering, at least one member of each of the listed company's audit, compensation, and nominating and corporate governance committees be independent, (ii) within 90 days of the date of listing in connection with the company's initial public offering, a majority of the members of such committees be independent and (iii) within one year of the date of listing in connection with the company's initial public offering, all the members of such committees be independent. Audit committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended, or the Exchange Act. Under the rules of The NASDAQ Stock Market, a director will only qualify as an independent director if, in the opinion of the company's board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Edgar Filing: Zosano Pharma Corp - Form DEF 14A

In order to be considered to be independent for purposes of Rule 10A-3 under the Exchange Act, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors or any other board committee: (1) accept, directly or indirectly, any consulting, advisory or other compensatory fee from the listed company or any of its subsidiaries or (2) be an affiliated person of the listed company or any of its subsidiaries.

Based upon information requested from and provided by each director concerning his background, employment and affiliations, including family relationships, our Board of Directors has determined that each of

Table of Contents

Mr. Walker, Mr. Hagan, Dr. Wilson and Dr. Xanthopoulos is an independent director as defined under Rule 5605(a)(2) of the NASDAQ Listing Rules, and that each of Dr. Alataris and Mr. Steel is not an independent director. In making this determination, our Board of Directors considered the relationships that each non-employee director has with our company and all other facts and circumstances our Board of Directors deemed relevant in determining the independence of such directors, including the beneficial ownership of our capital stock by each non-employee director and by entities with which each non-employee director is associated.

During fiscal year 2015, our Board of Directors consisted of Dr. M. James Barrett, Mr. Hagan, Mr. Steel, Dr. Wilson, Dr. Xanthopoulos, Mr. Vikram Lamba and Dr. Peter Daddona. Mr. Lamba, Dr. Daddona and Dr. Barrett resigned as members of the Board of Directors effective as of January 6, 2016, January 22, 2016 and January 22, 2016, respectively. Dr. Alataris and Mr. Walker were appointed to fill vacancies on our Board of Directors as Class I Directors on February 3, 2016 and May 4, 2016, respectively.

Board Role in Risk Oversight

One of the key functions of our Board of Directors is informed oversight of our risk management process. Our Chief Executive Officer is responsible for setting the strategic direction for our company and the day-to-day leadership and performance of the company, while our Chairman, who is not an executive officer or employee of our company, facilitates communications between the Board and the Chief Executive Officer and discussion among the independent directors and presides over meetings of the Board and stockholders. Our non-employee directors meet in executive session on a regular basis, without management present, with our Chairman presiding, and our independent directors also meet in executive session on a regular basis, without management and without Mr. Steel present.

Our Board of Directors does not have a standing risk management committee, but rather administers this oversight function directly through the Board of Directors as a whole, as well as through various standing committees of our Board of Directors that address risks inherent in their respective areas of oversight. In particular, our Board of Directors is responsible for monitoring and assessing strategic risk exposure and our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements. Our Nominating and Corporate Governance Committee monitors the effectiveness of our corporate governance practices, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking.

Committees of the Board of Directors

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. Each of these committees, which are the only standing committees of our Board of Directors, operates under a charter that has been approved by our Board of Directors. A current copy of the charter for each of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee is available on our website, which is located at www.zosanopharma.com, under Investors Corporate Governance.

Audit Committee. The current members of our Audit Committee are Mr. Hagan, Dr. Wilson and Dr. Xanthopoulos. Previously in fiscal year 2015, our Audit Committee had consisted of Mr. Hagan, Dr. Wilson, Dr. Xanthopoulos and Mr. Steel, until he resigned as a member of the Audit Committee effective as of January 22, 2016. Our Board of Directors has determined that each of Mr. Hagan, Dr. Wilson and Dr. Xanthopoulos satisfies The

NASDAQ Stock Market independence standards and the independence standards of Rule 10A-3(b)(1) under the Exchange Act. Each of the members of our Audit Committee meets the requirements for financial literacy under applicable rules and regulations of the SEC and The NASDAQ Stock Market. The Board of Directors has

Table of Contents

also determined that Mr. Hagan qualifies as an audit committee financial expert, as defined by applicable rules of The NASDAQ Stock Market and the SEC. Mr. Steel was not independent for purposes of Rule 10A-3 under the Exchange Act by reason of his affiliations with BMV Direct SOTRS LP and BMV Direct SO LP, two of our stockholders, but our Board of Directors appointed Mr. Steel to the Audit Committee at a time when we had fewer than three independent directors, relying on the exemption from the independence standards of Rule 10A-3(b)(1) contained in Rule 10A-3(b)(1)(iv)(A) under the Exchange. Upon Mr. Steel's resignation as a member of the committee on January 22, 2016, our Audit Committee was comprised entirely of independent directors.

The Audit Committee assists our Board of Directors in its oversight of:

the integrity of our financial statements;

our compliance with legal and regulatory requirements;

the qualifications and independence of our independent registered public accounting firm; and

the performance of our independent registered public accounting firm.

The Audit Committee has direct responsibility for the appointment, compensation, retention and oversight of the work of our independent registered public accounting firm. The Audit Committee establishes and implements policies and procedures for the pre-approval of all audit services and all permissible non-audit services provided by our independent registered public accounting firm and reviews and approves any related party transactions entered into by us.

The Audit Committee met in person or by telephone five times during fiscal year 2015.

Compensation Committee. The current members of our Compensation Committee are Mr. Hagan, Dr. Wilson and Dr. Xanthopoulos, each of whom is an independent director. Previously in fiscal year 2015, the Compensation Committee had consisted of Mr. Hagan, Dr. Wilson, Dr. Xanthopoulos and, until his resignation from our Board of Directors on January 22, 2016, Dr. Barrett. Dr. Barrett was not an independent director by reason of his affiliation with New Enterprise Associates 12, Limited Partnership, one of our stockholders. Upon Dr. Barrett's resignation from our Board of Directors on January 22, 2016, our Compensation Committee was comprised entirely of independent directors.

The Compensation Committee:

approves the compensation and benefits of our executive officers;

reviews and makes recommendations to the Board of Directors regarding benefit plans and programs for employee compensation; and

administers our equity compensation plans.

The Compensation Committee met in person or by telephone ten times during fiscal year 2015.

Nominating and Corporate Governance Committee. The current members of our Nominating and Corporate Governance Committee are Mr. Hagan, Dr. Wilson and Dr. Xanthopoulos, each of whom is an independent director. Previously in fiscal year 2015, our Nominating and Corporate Governance Committee had consisted of Mr. Hagan, Dr. Wilson, Dr. Xanthopoulos and, until he resigned as a member of the Nominating and Corporate Governance Committee effective as of January 22, 2016, Mr. Steel. Mr. Steel was not independent by reason of his affiliations with BMV Direct SOTRS LP and BMV Direct SO LP, two of our stockholders. Upon his resignation as a member of the committee on January 22, 2016, our Nominating and Corporate Governance Committee was comprised entirely of independent directors.

The Nominating and Corporate Governance Committee:

identifies individuals qualified to become Board members;

Table of Contents

recommends to the Board of Directors nominations of persons to be elected to the Board of Directors; and

advises the Board of Directors regarding appropriate corporate governance policies and assists the Board of Directors in achieving them.

The Nominating and Corporate Governance Committee met by telephone one time during fiscal year 2015.

Compensation Committee Interlocks and Insider Participation

None of our executive officers serves, or in the past has served, as a member of the board of directors or compensation committee, or other committee serving an equivalent function, of any entity that has one or more executive officers who serve as members of our Board of Directors or our Compensation Committee. During fiscal year 2015, each of Dr. Barrett (who resigned as of January 22, 2016), Mr. Hagan, Dr. Wilson and Dr. Xanthopoulos served as a member of our Compensation Committee. None of these directors, and none of the current members of our Compensation Committee, is an officer or employee of our company, nor has any of them ever been an officer or employee of our company, including during fiscal year 2015.

Code of Business Conduct and Ethics; Corporate Governance Guidelines

We have adopted a written code of ethics that applies to our directors, executive officers and employees, and we also have adopted corporate governance guidelines. A copy of our code of ethics is posted on our website, which is located at www.zosanopharma.com, under Investors Corporate Governance. If we make any substantive amendments to, or grant any waivers from, a provision of our code of ethics for any officer or director, we will disclose the nature of such amendment or waiver on our website.

Meetings of the Board of Directors

Our Board of Directors met in person or by telephone 15 times during fiscal year 2015. No director, other than Mr. Hagan, attended fewer than 75% of the aggregate number of meetings of the Board of Directors and of any committee of the Board of Directors on which he served, in each case held during the period in which he served as a director, in fiscal year 2015.

Policy Regarding Board Attendance

Our directors are expected to attend meetings of the Board of Directors and meetings of committees of the Board of Directors on which they serve. Our directors are expected to spend the time needed at each meeting and to meet as frequently as necessary to properly discharge their responsibilities. We encourage members of our Board of Directors to attend our annual meetings of stockholders, but we do not have a formal policy requiring them to do so. Our annual meeting of stockholders for fiscal year 2014 was held on November 13, 2015 and was attended by all of the members of our Board of Directors.

Director Candidates and Selection Process

Our Nominating and Corporate Governance Committee, in consultation with our Board of Directors, is responsible for identifying and reviewing candidates to fill open positions on the Board of Directors, including positions arising as a result of the removal, resignation or retirement of any director, an increase in the size of the Board of Directors or otherwise, and recommending to our full Board of Directors candidates for nomination for election as directors. In evaluating the qualifications of candidates, the Nominating and Corporate Governance Committee will consider any

requirements of applicable law and NASDAQ listing standards, a candidate's strength of character, judgment, business experience and specific areas of expertise, familiarity with our industry, principles of diversity, factors relating to the composition of our Board of Directors (including its size and

Table of Contents

structure), and such other factors as the Nominating and Corporate Governance Committee deems to be appropriate. The goal of the Nominating and Corporate Governance Committee is to assemble a Board of Directors that consists of individuals who bring a variety of complementary attributes and who, taken together, have the appropriate skills and experience to oversee our business. The Nominating and Corporate Governance Committee is responsible for reviewing from time to time the criteria it uses to evaluate the qualifications of candidates.

Our Nominating and Corporate Governance Committee has not adopted any formal policy, guidelines or procedures regarding the diversity of our Board of Directors. Our priority in selection of Board members is identification of members who will further the interests of our stockholders through an established record of professional accomplishment, the ability to contribute positively to the collaborative culture among Board members, knowledge of our business and understanding of the competitive landscape.

Stockholders may recommend individuals to the Nominating and Corporate Governance Committee for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials and a statement as to whether the stockholder or group of stockholders making the recommendation has beneficially owned more than five percent (5%) of our common stock for at least a year as of the date such recommendation is made, to the Nominating and Corporate Governance Committee, c/o Secretary, Zosano Pharma Corporation, 34790 Ardentech Court, Fremont, California 94555. Assuming that appropriate biographical and background material is provided on a timely basis, the Nominating and Corporate Governance Committee will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates that it recommends. If the Board of Directors resolves to nominate a stockholder-recommended candidate and recommends his or her election, then his or her name will be included in our proxy card for the next annual meeting of stockholders. Any recommendation of a potential director nominee should also include a statement signed by the proposed nominee expressing a willingness to serve as a director if elected. As part of this responsibility, the Nominating and Corporate Governance Committee will be responsible for conducting, subject to applicable law, any and all inquiries into the background and qualifications of any candidate for election as a director and such candidate's compliance with the independence and other qualification requirements established by the Nominating and Corporate Governance Committee or imposed by applicable law or listing standards.

Communications with our Board of Directors

Stockholders wishing to communicate with our Board of Directors should send correspondence to the attention of our Secretary, Zosano Pharma Corporation, 34790 Ardentech Court, Fremont, California 94555, and should include with the correspondence evidence that the sender of the communication is one of our stockholders. Satisfactory evidence would include, for example, contemporaneous correspondence from a brokerage firm indicating the identity of the stockholder and the number of shares held. Our Secretary will review all correspondence confirmed to be from stockholders in conjunction with the Chairman of the Board of Directors, who will decide whether or not to forward the correspondence or a summary of the correspondence to the full Board of Directors or a committee thereof. The Secretary and the Chairman of the Board of Directors will review all stockholder correspondence, but the decision to relay that correspondence to the full Board of Directors or a committee thereof will rest entirely within the discretion of the Chairman. Our Board of Directors believes that this process will suffice to handle the relatively low volume of communications we have historically received from our stockholders. If the volume of communications increases such that this process becomes burdensome to our Chairman, our Board of Directors may elect to adopt more elaborate screening procedures.

Director Compensation

Only our independent directors receive compensation for service on the Board of Directors. Beginning with 2015, each of our independent directors received annual compensation as follows:

for serving as a member of our Board of Directors, an annual cash retainer of \$35,000 and an annual grant of a non-statutory stock option to purchase a number of shares of our common stock equal to

In May 2016, concurrent with the appointment of Mr. Walker to the Board of Directors, the Board of Directors approved an annual cash retainer of \$25,000 for service as chairperson of the Board of Directors.

The cash fees described above are paid in monthly installments, in arrears. Non-employee directors are reimbursed upon request for travel and other out-of-pocket expenses incurred in connection with their attendance at meetings of the Board of Directors and of committees of the Board of Directors on which they serve.

In addition, it is our policy to grant to an independent director upon his or her initial election to our Board of Directors a non-statutory stock option to purchase a number of shares of our common stock equal to between, depending on his or her qualifications, approximately 0.125% and approximately 1.0% of our then outstanding common stock on a fully-diluted basis (at a per share exercise price equal to fair market value on the date of grant), with 25% of the shares vesting on the first anniversary of the date of election to the Board and the remaining shares vesting in equal monthly installments over the following three-year period.

Table of Contents**EXECUTIVE COMPENSATION****Executive Summary**

The compensation of our executive officers is determined by the Compensation Committee of our Board of Directors, and discussed by the Compensation Committee throughout the year. Our formal annual compensation review process generally takes place during the first quarter of each fiscal year, after the results of the previous fiscal year are known. Annual variable compensation and discretionary cash bonuses for the completed fiscal year, if any, and long-term equity-based incentive compensation, if any, are awarded by the Compensation Committee on a discretionary basis, generally during the first fiscal quarter, after a review of the previous fiscal year's results.

Our Compensation Committee is comprised entirely of non-employee directors, all but one of whom our Board of Directors has determined is independent within the meaning of the rules of The NASDAQ Stock Market. The members of the Compensation Committee have substantial managerial experience and wide contacts in the biotechnology and pharmaceutical industries and in the broader healthcare industry, upon which they rely in making their determinations. The Compensation Committee also takes into account publicly available information concerning the compensation practices of other companies in the biotechnology and pharmaceutical industries. This information is used by the Compensation Committee informally and primarily for purposes of comparison to ascertain whether our compensation practices for our executive officers are broadly competitive.

Our Chief Executive Officer makes recommendations with regard to the compensation of our executive officers other than himself, which are reviewed by the Compensation Committee. Executive officers do not participate in the process of establishing their own annual compensation.

The Compensation Committee does not have a formal benchmarking policy or a practice of establishing the amount of any element of our executive officers' compensation by reference to a fixed range of percentages or percentiles of the compensation of any peer or comparison group. During 2015, following our initial public offering, the Compensation Committee retained Radford, an Aon Hewitt Company, to assist the Compensation Committee in assessing the form and amount of executive compensation.

Our Compensation Committee has reviewed our compensation programs and believes that our compensation programs have not encouraged or rewarded excessive or inappropriate risk taking.

Narrative Disclosure to Summary Compensation Table

We review compensation annually for all of our employees, including our executives. In setting executive base salaries and bonuses and granting equity incentive awards, we consider compensation for comparable positions in the market, the historical compensation levels of our executives, individual performance as compared to our expectations and objectives, our desire to motivate our employees to achieve short- and long- term results that are in the best interests of our stockholders, and a long-term commitment to our company. We do not target a specific competitive position or a specific mix of compensation among base salary, bonus or long-term incentives.

Our board of directors has historically determined our executives' compensation. Our compensation committee typically has reviewed and discussed management's proposed compensation with the President and Chief Executive Officer for all executives other than our President and Chief Executive Officer. Based on those discussions and its discretion, the compensation committee then has recommended the compensation for each executive officer. Our board of directors, without members of management present, has discussed the compensation committee's recommendations and ultimately approved the compensation of our executive officers. Effective upon the closing of our initial public offering in January 2015, our compensation committee is responsible for approving the compensation and benefits of our executive officers.

We had a formal employment agreement with Vikram Lamba, our former Chief Executive Officer and have such an agreement with Konstantinos Alataris, our current President and Chief Executive Officer. We also had an executed employment offer letter with Laxmi Peri, our Senior Vice President, Operations. Mr. Lamba's employment agreement provided for an initial base salary of \$400,000, subject to increase from time to time, and in the fiscal year 2015, we paid Mr. Lamba an annual base salary of \$424,360. Mr. Lamba's employment agreement provided for a target annual bonus of 40% of his annual base salary, to be determined by the board of directors in its discretion based on company performance against goals established annually by the compensation committee, as well as the company's then prevailing cash position. Dr. Alataris' employment agreement provides for an initial base salary of \$375,000, subject to increase from time to time. In January 2016, we amended Dr. Alataris' employment agreement to reflect his capacity to serve as our Chief Executive Officer starting January 2016 at a base salary of \$450,000. The amended employment agreement provides for a target annual bonus of 40% of his annual base salary for 2015, and a target annual bonus of 50% of his annual base salary for 2016, to be determined by the board of directors in its discretion based on company performance against goals established annually by the compensation committee, as well as the company's then prevailing cash position. Mr. Peri's employment offer letter provided for an initial annual base salary of \$295,000, subject to increase from time to time. Mr. Peri's employment offer letter provided for a target annual bonus of 30% of his annual base salary. On January 6, 2016, Mr. Lamba's employment was terminated without cause by the board of

directors. On

Table of Contents**CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS**

The following is a description of transactions since January 1, 2014 and any currently proposed transactions to which we have been or will be a party, and in which the amounts involved exceeded or will exceed \$120,000 (except as otherwise indicated) and any of our directors, executive officers or beneficial owners of more than five percent (5%) of our voting securities, or any of their respective affiliates or immediate family members, had or will have a direct or indirect material interest, which have not already been described in the Executive Compensation section of this proxy statement. We believe the terms obtained or consideration that we paid or received, as applicable, in connection with the transactions described below were comparable to terms available or the amounts that would be paid or received, as applicable, from unrelated third parties.

Agreements with Our Stockholders***Real Property Lease with BMR***

In April 2012, in connection with our April 2012 recapitalization, we issued 1,236,769 shares of our common stock and a four year non-callable secured promissory note in the original principal amount of \$8,556,533 to BioMed Realty Holdings, Inc., or BMR Holdings, and 107,545 shares of our common stock to BioMed Realty, L.P., each of which is an affiliate of our landlord, BMR-34790 Ardentech Court LP. As a result, BMR Holdings and BioMed Realty, L.P. together held approximately 23.8% of our voting securities following the recapitalization. We issued these securities to BMR Holdings and BioMed Realty, L.P. in exchange for reduction of future rent payments pursuant to an amendment to our lease agreement with BMR-34790 Ardentech Court LP, cancellation of an unsecured convertible promissory note issued to BioMed Realty, L.P. in July 2011 and cancellation of a stock purchase warrant issued to BioMed Realty, L.P. in July 2011.

We also have an operating lease with BMR-34790 Ardentech Court LP, which is an affiliate of BMV Direct SOTRS LP and BMV Direct SO LP, for a 55,000 square foot facility in Fremont, California, where we operate our manufacturing operations and house our engineering, research and development and administrative employees. For the years ended December 31, 2014 and 2015, we recorded rent expense for BMR-34790 Ardentech Court LP in the amount of approximately \$620,000. In April 2012, we amended the lease agreement to reduce future rent obligations to amounts ranging from approximately \$600,000 to \$891,000 per year over a new lease term of seven years in exchange for a potential reduction of premises from a recapturable premises clause. In June 2015, we entered into another amendment to the lease, pursuant to which BMR-34790 Ardentech Court LP's option to recapture a specified portion of the leased premises (comprising approximately 29,348 square feet of the approximate total 55,588 square feet of leased premises) has been suspended. We had the option until December 31, 2015 to extend the term of the lease. As of December 31, 2015, we did not exercise this option and as a result, the terms of the previous amendment entered in April 2012 remain in effect.

The February 2014 bridge notes matured on September 9, 2014 and accrued simple interest at the annual rate of 8%. In June 2014, we amended the February 2014 bridge notes to provide that any failure by us to pay any amount under the February 2014 bridge notes during the period from maturity of the February 2014 bridge notes through the date that the Hercules loan is repaid in full would not constitute a default under the February 2014 bridge notes. In September 2014, we amended the February 2014 bridge notes to extend the date by which a qualified financing must occur in order for the February 2014 bridge notes to convert into equity securities to December 31, 2014, and in December 2014, we amended the February 2014 bridge notes to further extend the date by which a qualified financing must occur in order for the February 2014 bridge notes to convert into equity securities to March 31, 2015. As of January 30, 2015, the aggregate outstanding principal and accrued interest under the February 2014 bridge notes was approximately \$2.7 million. Upon the closing of our initial public offering of common stock on January 30, 2015, which constituted a qualified financing as defined under the terms of the notes, the principal and all unpaid and accrued interest on each note automatically converted into shares of our common stock at a conversion price equal to \$9.35 per share (or 85% of the initial public offering price), resulting in the issuance of 122,882 shares of common stock BMV Direct SOTRS LP, 28,603 shares of common stock to BMV Direct SO LP, and 135,700 shares of common stock to New Enterprise Associates 12, Limited Partnership.

BMV Direct SOTRS LP, in the original principal amount of approximately \$710,000; and

New Enterprise Associates 12, Limited Partnership, in the original principal amount of approximately \$620,000.

As consideration for our issuance of the December 2014 bridge notes, each investor paid us an amount equal to the original principal amount of the note issued to the investor. The December 2014 bridge notes matured on June 1, 2017 and accrued simple interest at the annual rate of 8%. As of January 30, 2015, the aggregate outstanding principal and accrued interest under the December 2014 bridge notes was approximately \$1.4 million. Upon the closing of our initial public offering of common stock on January 30, 2015, which constituted a qualified financing as defined under the terms of the notes, the principal and all unpaid and accrued interest on each note automatically converted into shares of our common stock at a conversion price equal to \$9.35 per share (or 85% of the initial public offering price), resulting in the issuance of 76,731 shares of common stock BMV Direct SOTRS LP and 67,679 shares of common stock to New Enterprise Associates 12, Limited Partnership.

Private Placement with Eli Lilly and Company

In November 2014, we entered into a stock purchase agreement with Eli Lilly and Company, or Lilly, pursuant to which Lilly agreed to purchase up to \$15.0 million worth of our common stock in a private placement concurrent with

the closing of our initial public offering, at a price per share equal to the initial public offering price. On January 30, 2015, pursuant to the stock purchase agreement and concurrent with the closing of our initial public offering, we issued and sold 1,363,636 shares of our common stock to Lilly at a price per share of \$11.00 in a private placement, for an aggregate cash purchase price of \$15.0 million. We received net proceeds of approximately \$14.5 million from the sale of shares to Lilly in the private placement, after payment by us of a private placement fee to the representatives of the underwriters of our initial public offering. The shares of

As of the date of this proxy statement, Lilly continues to own more than five percent (5%) of our voting securities.

One of our directors, Bruce D. Steel, may be deemed to have indirect material interests in our financial relationships with certain of our stockholders based on his association with such stockholders:

Mr. Steel does not have voting or dispositive control of either of these entities. Indemnification of Officers and Directors

Our Amended and Restated Certificate of Incorporation and our Amended and Restated Bylaws provide that we will indemnify our directors and officers to the fullest extent permitted by Delaware law. In addition, we have entered into indemnification agreements with certain of our directors that are broader in scope than the specific indemnification provisions contained in the Delaware General Corporation Law.

Policies and Procedures for Related Person Transactions

While we did not have a written policy with respect to the review and approval of transactions with our directors, officers and principal stockholders prior to our initial public offering in January 2015, it was the practice of our Board of Directors to review all interested party transactions and not to authorize any such transaction unless the Board of Directors, excluding any interested directors, determined that the terms of the proposed transaction were as favorable or more favorable to our company than would have been available from an unrelated party in an arms length negotiation.

Pursuant to the charter for our Audit Committee, which became effective upon the closing of our initial public offering in January 2015, our Audit Committee is responsible for reviewing and approving in advance any related person transactions. For the purposes of this policy, a related person transaction is any transaction between us or any of our subsidiaries and any (a) of our directors or executive officers, (b) nominee for election as a director, (c) person known to us to own more than five percent (5%) of any class of our voting securities, or (d) member of the immediate family of any such person, if the nature of such transaction is such that it would be required to be disclosed under Item 404 of Regulation S-K (or any similar successor provision).

In determining whether to approve a related person transaction, the Audit Committee will take into account, among other factors it deems appropriate, whether the related person transaction is on terms no less favorable than terms generally available to an unaffiliated third person under the same or similar circumstances and the extent of the related person's interest in the transaction.

The Audit Committee has reviewed and discussed our audited consolidated financial statements for the year ended December 31, 2015 with management and the independent auditor. As part of this review, the Audit Committee discussed with Marcum LLP the communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended, Communication with Audit Committees.

The Audit Committee has received from Marcum LLP a written statement describing all relationships between that firm and Zosano Pharma Corporation that might bear on the auditor's independence, consistent with Public Company Accounting Oversight Board Ethics and Independence Rule 3526, Communication with Audit Committees Concerning Independence. The Audit Committee has discussed the written statement with the independent auditor, and has considered whether the independent auditor's provision of any consultation and other non-audit services to Zosano Pharma Corporation is compatible with maintaining the auditor's independence.

Based on the above-mentioned reviews and discussions with management and the independent auditor, the Audit Committee recommended to the Board of Directors that Zosano Pharma Corporation's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2015 as filed with the Securities and Exchange Commission.
