FIRST COMMONWEALTH FINANCIAL CORPORATION
MERGER PROPOSED YOUR VOTE IS VERY IMPORTANT**

On October 2, 2016, DCB Financial Corp (DCB Financial) and First Commonwealth Financial Corporation (First Commonwealth) entered into an Agreement and Plan of Merger (which we refer to as the Merger Agreement) that provides for the combination of the two companies. Pursuant to the Merger Agreement, DCB Financial will merge with and into First Commonwealth, with First Commonwealth remaining as the surviving company (the Merger). The boards of directors of DCB Financial and First Commonwealth each have unanimously approved the Merger Agreement. If the Merger Agreement is approved and adopted by the shareholders of DCB Financial and the Merger is subsequently completed, each shareholder of DCB Financial will be entitled to receive, without interest, at the holder s election and subject to proration as set forth in the Merger Agreement, 1.427 shares of First Commonwealth common stock or \$14.50 in cash for each DCB Financial common share owned before the Merger (collectively, the Merger Consideration). The DCB Financial board of directors unanimously determined that the Merger, on the terms set forth in the Merger Agreement, is in the best interests of DCB Financial and the DCB Financial shareholders.

The Merger is conditioned upon, among other things, the approval and adoption of the Merger Agreement by the DCB Financial shareholders. This document is a proxy statement that the DCB Financial board of directors is using to solicit proxies for use at a special meeting of shareholders to be held on . At the meeting, the DCB Financial

shareholders will be asked (1) to approve and adopt the Merger Agreement, (2) to approve the Merger-Related Compensation, (3) to adjourn the meeting if necessary to solicit additional proxies, and (4) to transact such other business as may properly be brought before the meeting or any adjournment or postponement thereof.

This document is also a prospectus relating to First Commonwealth's issuance of up to 8,443,187 shares of First Commonwealth common stock in connection with completion of the Merger.

First Commonwealth common stock is listed on the New York Stock Exchange under the trading symbol FCF, and DCB Financial's common shares are quoted on the OTC Pink marketplace under the symbol DCBF. On September 30, 2016, the last trading day before the execution of the Merger Agreement, the closing price of a share of First Commonwealth common stock was \$10.09 and the closing price of a DCB Financial common share was \$7.65. On , the closing price of a share of First Commonwealth common stock was \$, and the closing price of a DCB Financial common share was . We urge you to obtain current market quotations for both DCB Financial common shares and shares of First Commonwealth common stock.

For a discussion of certain risk factors relating to the Merger, see the section entitled Risk Factors beginning on page 18.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of the securities to be issued under this proxy statement and prospectus or determined if this proxy statement and prospectus is truthful or complete. Any representation to the contrary is a criminal offense.

The securities to be issued in connection with completion of the Merger are not savings or deposit accounts or other obligations of any bank or non-bank subsidiary of any of the parties, and they are not insured by the Federal Deposit Insurance Corporation, the Deposit Insurance Fund or any other governmental agency.

QUESTIONS AND ANSWERS ABOUT THE MERGER AND THE SPECIAL MEETING

The following questions and answers are intended to address briefly some commonly asked questions regarding the Merger and the special meeting. These questions and answers may not address all questions that may be important to you as a shareholder. To better understand these matters, and for a description of the legal terms governing the Merger, you should carefully read this entire proxy statement and prospectus, including the annexes, as well as the documents that have been incorporated by reference in this proxy statement and prospectus.

Q: Why am I receiving this proxy statement and prospectus?

A: DCB Financial and First Commonwealth have agreed to the acquisition of DCB Financial by First Commonwealth under the terms of the Merger Agreement that is described in this proxy statement and prospectus. A copy of the Merger Agreement is attached to this proxy statement and prospectus as **Annex A**. In order to complete the Merger, DCB Financial shareholders must vote to approve and adopt the Merger Agreement. DCB Financial will hold a special meeting of shareholders to obtain this approval. This proxy statement and prospectus contains important information about the Merger, the Merger Agreement, the special meeting of DCB Financial, and other related matters, and you should read it carefully.

You are receiving this proxy statement and prospectus because you were a shareholder of DCB Financial as of , the record date for the special meeting of DCB Financial. This proxy statement and prospectus is being used by the board of directors of DCB Financial to solicit your proxy for use at the special meeting. The enclosed voting materials will allow you to vote your DCB Financial common shares without attending the special meeting in person. This document also serves as the prospectus for shares of First Commonwealth common stock to be issued in exchange for DCB Financial common shares in the Merger.

Q: What am I voting on?

A: You are being asked to vote to approve and adopt the Merger Agreement, pursuant to which DCB Financial will merge with and into First Commonwealth. First Commonwealth would be the surviving entity in the Merger, and DCB Financial would no longer be a separate company.

Additionally, you are being asked to vote to approve (1) the advisory (non-binding) Merger-Related Compensation Proposal, and (2) the Adjournment Proposal.

Q: What vote does the DCB Financial board of directors recommend?

A: After careful consideration, the DCB Financial board of directors has determined that the Merger is in the best interests of DCB Financial's shareholders, has unanimously approved the Merger Agreement and recommends that DCB Financial's shareholders vote **FOR** the approval and adoption of the Merger Agreement and **FOR** the Adjournment Proposal, if necessary. The DCB Financial board of directors also recommends that shareholders vote **FOR** approval of, on an advisory (non-binding) basis, the Merger-Related Compensation Proposal.

Q: What risks should I consider before I vote on the Merger Agreement?

A: You should review the section entitled *Risk Factors* beginning on page .

Q: What will I receive in the Merger?

A: If the Merger is completed, each DCB Financial common share will be converted into the right to receive, at the holder's election and subject to proration as set forth in the Merger Agreement, 1.427 shares of First

Table of Contents

Commonwealth common stock or \$14.50 in cash (collectively, the Merger Consideration). See *The Merger Agreement Merger Consideration* for a more complete discussion of the Merger Consideration to be paid in the Merger.

Q: How do I make an election to receive cash, First Commonwealth common stock or a combination of both?

A: An election form will be mailed to each holder of record of DCB Financial common shares as of the close of business on the record date for the DCB Financial special meeting. Each DCB Financial shareholder should complete and return the election form according to the instructions included with the form. The election form will be provided to DCB Financial shareholders under separate cover and is not being provided with this document. The election deadline will be 5:00 p.m., Eastern Time, on the date specified in the election form, which is expected to be one (1) business day preceding the closing date of the Merger. The election form must be received by Computershare Trust Company, N.A. (the exchange agent) by the election deadline.

If your DCB Financial common shares are held in street name, through a broker, bank or other nominee and you wish to make an election, you should seek instructions from the broker, bank or other nominee holding your shares concerning how to make an election. If you do not send in the election form by the election deadline, you will be treated as though you had not made an election.

Q: Will I receive the form of consideration I elect as a holder of DCB Financial common shares?

A: Each holder of DCB Financial common shares may not receive the form of consideration that such shareholder elects for each DCB Financial common share in the Merger due to the proration and adjustment procedures in the Merger Agreement.

The total cash consideration is fixed at \$21,283,773, which is approximately 20% of the Merger Consideration, and the remaining approximately 80% of the Merger Consideration will be in the form of the stock consideration. As a result, if the aggregate number of shares with respect to which a valid cash or stock election has been made exceeds these limits, shareholders who elected the form of consideration that has been oversubscribed will receive a prorated election of both cash and stock consideration in accordance with the proration procedures set forth in the Merger Agreement and described in the section entitled *The Merger Agreement Merger Consideration*.

Q: What happens if I do not make a valid election to receive cash or First Commonwealth common stock?

A: If a DCB Financial shareholder does not return a properly completed election form by the election deadline specified in the election form, such shareholder's DCB Financial common shares will be considered non-election shares and will be converted into the right to receive the share consideration or the cash consideration according to the allocation procedures specified in the Merger Agreement. Generally, in the event one form of consideration (First Commonwealth common stock or cash) is undersubscribed in the Merger, DCB Financial common shares for which no election has been validly made will be allocated to that form of consideration before DCB Financial common shares electing the oversubscribed form will be switched to the other form of consideration pursuant to the proration and adjustment procedures. Accordingly, while electing one form of consideration will not guarantee you will receive that form for all of your DCB Financial common shares, in the event proration is necessary, shares for which an election has been timely returned will have a priority over non-election shares.

Q: Will I receive any fractional shares of First Commonwealth common stock as part of the Merger Consideration?

A: No. First Commonwealth will not issue any fractional shares of First Commonwealth common stock in the Merger. Instead, First Commonwealth will pay you the cash value of a fractional share measured by the average

Table of Contents

of the daily closing prices during the regular session of First Commonwealth common stock on the New York Stock Exchange, or NYSE, for the five consecutive trading days ending on the business day immediately prior to the closing date of the Merger, rounded to the nearest cent.

Q: What are the tax consequences of the Merger to me?

A: The Merger is intended to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, as amended (the Code). As a result, the United States federal income tax consequences of the Merger to each DCB Financial shareholder will vary depending on whether the DCB Financial shareholder receives cash, shares of First Commonwealth common stock or a combination thereof in exchange for the shareholder's DCB Financial common shares pursuant to the Merger. DCB Financial shareholders generally will not recognize a gain or loss on shares of the First Commonwealth common stock received pursuant to the Merger, except to the extent that the DCB Financial shareholders receive cash in lieu of any fractional shares of First Commonwealth common stock. DCB Financial shareholders' basis in and holding periods for shares of the First Commonwealth common stock received may vary among shares if blocks of DCB Financial common shares were acquired at different times or for different prices.

DCB Financial shareholders receiving solely cash for their DCB Financial common shares generally will recognize a gain or loss equal to the difference between the amount of cash received and their tax basis in their DCB Financial common shares, although it is possible in certain circumstances that the amount of cash received could be treated as a dividend. DCB Financial shareholders receiving both shares of First Commonwealth common stock and cash for their DCB Financial common shares generally will recognize a gain (but not a loss) or, in certain circumstances, dividend income in an amount equal to the lesser of (i) the holder's gain realized (i.e., the excess, if any, of the sum of the amount of cash and the fair market value of shares of the First Commonwealth common stock received over the holder's adjusted tax basis in its DCB Financial common shares surrendered) and (ii) the amount of cash received pursuant to the Merger.

As a condition to the closing, each of DCB Financial and First Commonwealth must receive an opinion from its respective counsel to the effect that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Code. See *United States Federal Income Tax Consequences* beginning on page for a more complete discussion of the United States federal income tax consequences of the Merger. Your tax consequences will depend on your personal situation. You should consult your tax advisor for a full understanding of the tax consequences of the Merger to you.

Q: Will First Commonwealth shareholders receive any shares or cash as a result of the Merger?

A: No. First Commonwealth shareholders will continue to own the same number of First Commonwealth shares they owned before the effective time of the Merger.

Q: What shareholder approvals are required to complete the Merger?

A: The Merger cannot be completed unless two-thirds of the DCB Financial common shares outstanding and entitled to vote at the special meeting approve and adopt the Merger Agreement.

Q: Are there any shareholders already committed to vote in favor of the Merger Agreement?

A: Yes. All of the members of DCB Financial's board of directors have entered into a Voting Agreement to vote certain common shares beneficially owned by them, or cause common shares held jointly with another person or by

such director's spouse to be voted, in favor of approving the Merger Agreement. Those shareholders collectively own, either directly or indirectly, 1,671,182 common shares, or approximately 22.77% of the issued and outstanding DCB Financial common shares as of the record date.

Table of Contents

Q: When and where is the special meeting?

A: The special meeting of shareholders of DCB Financial will be held on , at , Eastern Time, at The Delaware County Bank and Trust Company Corporate Center, 110 Riverbend Avenue, Lewis Center, Ohio, 43035.

Q: What will happen at the special meeting?

A: At the special meeting, DCB Financial shareholders will consider and vote upon the proposal to approve and adopt the Merger Agreement. Additionally, DCB Financial shareholders will consider and vote upon the advisory (non-binding) Merger-Related Compensation Proposal. If, at the time of the special meeting, there are not sufficient votes for the shareholders to approve and adopt the Merger Agreement, you may be asked to consider and vote upon a proposal to adjourn the special meeting so that additional proxies may be collected.

Q: Who is entitled to vote at the special meeting?

A: All holders of DCB Financial common shares who held shares at the close of business on , which is the record date for the special meeting of DCB Financial shareholders, are entitled to receive notice of and to vote at the DCB Financial special meeting. Each holder of DCB Financial common shares is entitled to vote their DCB Financial common shares owned as of the record date.

Q: What constitutes a quorum?

A: The holders of over 50% of the outstanding common shares as of the record date must be present in person or by proxy at the special meeting to constitute a quorum. In determining whether a quorum is present, shareholders who abstain and bank, broker or other nominee non-votes will be treated as present for determining the presence or absence of a quorum.

Q: Is completion of the Merger subject to any conditions besides shareholder approval?

A: Yes. The transaction must receive the required regulatory approvals, and there are other customary closing conditions that must be satisfied or waived. To review the conditions of the Merger in more detail, see *The Merger Agreement Conditions to Merger* on page .

Q: When is the Merger expected to be completed?

A: We are working to complete the Merger as quickly as possible. We first must obtain the necessary regulatory approvals and the approval and adoption of the Merger Agreement by DCB Financial shareholders at the special meeting. We currently expect to complete the Merger in the second quarter of 2017. Under the terms of the Merger Agreement, the closing date of the Merger cannot occur before April 1, 2017.

Q: What happens if the Merger is not completed?

A: If the Merger is not completed, DCB Financial shareholders will not receive any consideration for their DCB Financial common shares in connection with the Merger. Instead, DCB Financial will remain an independent public company and its common shares will continue to be quoted on the OTC Pink marketplace. Under specified circumstances, DCB Financial may be required to pay First Commonwealth a fee with respect to the Termination of the Merger Agreement, as described under *The Merger Agreement Termination* beginning on page .

Q: Why am I being asked to cast a non-binding advisory vote on the Merger-Related Compensation Proposal?

A: The Securities and Exchange Commission requires DCB Financial to seek a non-binding advisory vote on the Merger-Related Compensation Proposal.

Table of Contents

Q: What will happen if DCB Financial shareholders do not approve the Merger-Related Compensation Proposal at the special meeting?

A: Approval of the Merger-Related Compensation Proposal is not a condition to completion of the Merger. The vote with respect to the Merger-Related Compensation Proposal is an advisory vote and will not be binding on DCB Financial (or First Commonwealth following the Merger). Accordingly, as such compensation is contractual, such compensation will become payable if the Merger is completed regardless of the outcome of the advisory vote.

Q: What do I need to do now?

A: You should carefully read and consider the information contained in or incorporated by reference into this proxy statement and prospectus, including its annexes. It contains important information about the Merger, the Merger agreement, DCB Financial and First Commonwealth. After you have read and considered this information, you should vote your shares as soon as possible in one of four ways: (1) by mail (by completing and signing the proxy that accompanies this proxy statement and prospectus); (2) by telephone; (3) by using the Internet; or (4) in person (by either delivering the completed proxy or by casting a ballot if attending the special meeting). In the event that you choose not to vote by telephone, internet or in person, you should mail your signed proxy in the accompanying pre-addressed, postage-paid envelope as soon as possible so that your shares can be voted at the , DCB Financial special meeting.

The telephone and Internet voting procedures have been set up for your convenience and have been designed to authenticate your identity, to allow you to give voting instructions, and to confirm that those instructions have been properly recorded. If you would like to vote by telephone or by using the Internet, please refer to the specific instructions on the proxy. The deadline for voting by telephone or via the Internet is 11:59 p.m. Eastern Time on .

Q: What happens if I do not return a proxy or otherwise do not vote?

A: Because the required vote of DCB Financial shareholders on the Merger Agreement is based upon the number of outstanding DCB Financial common shares entitled to vote rather than upon the number of shares actually voted, a failure to vote, abstentions and broker non-votes will have the same practical effect as a vote **AGAINST** approval and adoption of the Merger Agreement.

The advisory vote on the Merger-Related Compensation Proposal and the vote on the Adjournment Proposal each require more votes to be cast in favor of these proposals than against. A failure to vote, abstentions and broker non-votes will have no effect on these proposals.

If you properly complete and sign your proxy but do not indicate how your DCB Financial common shares should be voted on a proposal, the DCB Financial common shares represented by your proxy will be voted as the DCB Financial board of directors recommends and therefore, **FOR** approval and adoption of the Merger Agreement, **FOR** approval of the Merger-Related Compensation Proposal, and **FOR** approval of the Adjournment Proposal.

Q: If my shares are held in street name by my broker, will my broker vote my shares for me?

A: No. Your bank, broker or other nominee is not permitted to vote your shares on the Merger Agreement without instructions from you. Your bank, broker or other nominee will only vote your shares on the Merger Agreement if you provide instructions on how to vote. You should contact your bank, broker or other nominee and ask what directions your bank, broker or other nominee will need from you. If you do not provide instructions on how to vote on the Merger Agreement, your bank, broker or other nominee will not be able to vote your shares, and this will have the

effect of voting against the Merger Agreement.

Table of Contents

Similarly, your bank, broker or other nominee will vote your shares on the Merger-Related Compensation Proposal and the Adjournment Proposal, but only if you provide instructions on how to vote. If you do not submit voting instructions to your bank, broker or other nominee, your shares will not be counted in determining the outcome of those proposals.

Please instruct your bank, broker or other nominee how to vote your shares, following the directions that your bank, broker or nominee provides.

Q: Can I change my vote after I have mailed my signed proxy?

A: Yes. You can change your vote at any time before your proxy is voted at the special meeting. You can do this in one of three ways. First, you can send a written notice stating that you revoke your proxy. Second, you can complete and submit a new proxy, dated at a date later than your most recent proxy. Third, you can attend the special meeting and vote in person. Your attendance at the special meeting will not, however, by itself revoke your proxy. If you hold your shares in street name and have instructed your broker how to vote your shares, you must follow directions received from your broker to change those instructions. You should send any notice of revocation to:

DCB Financial Corp

Lewis Center, Ohio 43035
Attn: J. Daniel Mohr
Corporate Secretary

Q. What does it mean if I get more than one proxy card?

A. It means you have multiple accounts at the transfer agent and/or with brokers. Please sign and return all proxy cards to ensure that all of your shares are voted.

Q: Should I send in my stock certificates now?

A: No. As soon as practicable after the completion of the Merger, you will receive a letter of transmittal describing how you may exchange your shares for the Merger Consideration. At that time, you must send your completed letter of transmittal to First Commonwealth in order to receive the Merger Consideration. Please do not return stock certificates with your proxy cards.

Q: Am I entitled to exercise appraisal rights instead of receiving the per share Merger Consideration for my DCB Financial common shares?

A: Shareholders are entitled to appraisal rights under Section 1701.84 and 1701.85 of the Ohio General Corporation Law (the "OGCL") provided they follow the procedures and satisfy the conditions set forth in Section 1701.85 of the OGCL. For more information regarding appraisal rights, see the section entitled *Dissenters' Rights of DCB Financial Shareholders* beginning on page of this proxy statement and prospectus.

In addition, a copy of Section 1701.85 of the OGCL is attached as **Annex C** to this proxy statement and prospectus. Failure to strictly comply with Section 1701.85 of the OGCL may result in your waiver of, or inability to, exercise appraisal rights.

Q: Will a proxy solicitor be used?

A: Yes. DCB Financial has engaged Regan & Associates, Inc. to assist in the solicitation of proxies for its special meeting. In addition, DCB Financial officers and employees may request the return of proxies by telephone or in person.

At the DCB Financial special meeting, you will be asked to vote to approve and adopt the Merger Agreement. shareholders of record as of the close of business on , are entitled to notice of, and to vote at, the DCB Financial special meeting and any adjournments or postponements of the DCB Financial special meeting.

Table of Contents

on the Merger-Related Compensation Proposal and the vote on the Adjournment Proposal each require more votes cast in favor of the proposal than are cast against it. Abstentions and broker non-votes will have no effect on these proposals.

No approval by First Commonwealth shareholders is required.

The Merger and the Merger Agreement (pages and)

The Merger Agreement provides that, if all of the conditions are satisfied or waived, DCB Financial will be merged with and into First Commonwealth, with First Commonwealth remaining as the surviving company. As soon as practicable after the consummation of the Merger, DCB Bank will be merged with and into First Commonwealth Bank, a wholly-owned subsidiary of First Commonwealth (the Bank Merger). The board of directors of First Commonwealth will be the board of directors of the surviving entity. At the time the Merger is completed, the boards of directors of First Commonwealth and First Commonwealth Bank will each be enlarged by one seat, and one DCB Financial director, as mutually agreed upon by First Commonwealth and DCB Financial, will be appointed to serve on the First Commonwealth and First Commonwealth Bank boards of directors. We encourage you to read the Merger Agreement, which is included as **Annex A** to this proxy statement and prospectus and is incorporated by reference herein.

Merger Consideration (page)

If the Merger is completed, each DCB Financial common share will be converted into the right to receive, at the holder's election and subject to proration as set forth in the Merger Agreement, either \$14.50 in cash or 1.427 shares of First Commonwealth common stock. Aggregate cash consideration is fixed at \$21,283,773, which is approximately 20% of the Merger Consideration, and the remaining Merger Consideration will be in the form of the stock consideration.

Treatment of DCB Financial's Equity-Based Compensation Awards (page)

Stock Options. Immediately prior to the effective time, each option to purchase DCB Financial common shares granted under a DCB Financial equity incentive plan that is outstanding, which we refer to as a DCB stock option, will fully vest and be cancelled and converted into the right to receive, as soon as reasonably practicable after the effective time of the Merger, an amount in cash, without interest, equal to the product of (i) the positive difference, if any, between the Per Share Cash Equivalent Consideration (as defined below) and the exercise price of such stock option and (ii) the number of DCB Financial common shares subject to such option. If the exercise price of an option exceeds the Per Share Cash Equivalent Consideration, then the option will be cancelled without any payment.

As used herein, Per Share Cash Equivalent Consideration means an amount equal to the amount in cash, without interest, rounded to the nearest cent, equal to the (i) Exchange Ratio multiplied by (ii) the average of the daily closing prices of First Commonwealth common stock on the New York Stock Exchange for the five (5) trading days ending on the business day prior to the completion of the Merger.

Restricted Shares. At the effective time of the Merger, each award of DCB Financial restricted common shares that is outstanding immediately prior to the effective time of the Merger shall fully vest and shall be converted automatically, in accordance with the procedures set forth in the Merger Agreement, into the right to receive the Merger Consideration.

Recommendations of DCB Financial Board of Directors; DCB Financial's Reasons for the Merger (page)

The DCB Financial board of directors unanimously determined that the Merger on the terms set forth in the Merger Agreement is in the best interests of DCB Financial and the DCB Financial shareholders. The DCB

Table of Contents

Financial board of directors unanimously recommends that DCB Financial shareholders vote **FOR** approval and adoption of the Merger Agreement. In reaching its determination, the DCB Financial board of directors considered a number of factors, which are described in the section entitled *Proposal 1 The Merger DCB Financial's Reasons for the Merger and Recommendation of the Board of Directors* beginning on page . Because of the wide variety of factors considered, the DCB Financial board of directors did not believe it practicable, nor did it attempt, to quantify or otherwise assign relative weight to the specific factors it considered in reaching its decision.

The DCB Financial board of directors also unanimously recommends that you vote **FOR** approval of the Merger Related Compensation Proposal and **FOR** approval of the Adjournment Proposal.

Dissenters Rights of DCB Financial Shareholders (page)

DCB Financial shareholders of record, subject to the restrictions below, may exercise statutory appraisal rights under the OGCL in connection with the Merger.

DCB Financial shareholders who do not vote in favor of the approval and adoption of the Merger Agreement and who otherwise comply with applicable provisions of Sections 1701.84 and 1701.85 of the OGCL will be entitled to exercise appraisal rights thereunder and demand payment of the fair cash value of their shares. Any DCB Financial common shares held by a DCB Financial shareholder as of the record date who has not voted in favor of the approval and adoption of the Merger Agreement and who has demanded appraisal for such shares in accordance with the OGCL will not be converted into a right to receive the Merger Consideration. If, after the consummation of the Merger, such holder of DCB Financial common shares fails to perfect, withdraws or otherwise loses his, her or its appraisal rights, each such share will be treated as if it had been converted as of the consummation of the Merger into a right to receive the Merger Consideration. The relevant provisions of the OGCL are included as **Annex C** to this proxy statement and prospectus.

DCB Financial shareholders who are considering exercising their appraisal rights and seeking payment of fair cash value of their DCB Financial shares should be aware that the fair cash value of their shares as determined pursuant to Section 1701.85 of the OGCL could be more than, the same as, or less than the value of the Merger Consideration they would receive pursuant to the Merger if they did not seek payment of fair cash value of their shares.

You are encouraged to read these provisions carefully and in their entirety. Due to the complexity of the procedures for exercising your appraisal rights, DCB Financial shareholders who are considering exercising such rights are encouraged to seek the advice of legal counsel.

Failure to strictly comply with these provisions will result in the loss of appraisal rights. See the section entitled *Dissenters Rights of DCB Financial Shareholders* beginning on page of this proxy statement and prospectus and the text of Section 1701.85 of the OGCL reproduced in its entirety as **Annex C** to this proxy statement and prospectus for additional information.

Voting Agreement (page)

As of the record date, the directors of DCB Financial beneficially owned 1,671,182 DCB Financial common shares. In connection with the execution of the Merger Agreement, First Commonwealth entered into voting agreements with all of the directors of DCB Financial pursuant to which they agreed to vote their shares, and to use reasonable efforts to cause all shares owned by such director jointly with another person or by such director's spouse to be voted, for approval and adoption of the Merger Agreement.

Opinion of DCB Financial s Financial Advisor (page)

In connection with the Merger, DCB Financial s financial advisor, Keefe, Bruyette & Woods, Inc. (KBW), delivered to the DCB Financial Board of Directors its opinion, dated October 2, 2016, to the effect

Table of Contents

that, as of the date of such opinion, the Merger Consideration in the proposed Merger was fair, from a financial point of view, to the holders of DCB Financial common shares, as more fully described under *The Merger Opinion of DCB Financial's Financial Advisor* beginning on page . The full text of the opinion, which describes the procedures followed, assumptions made, matters considered, and qualifications and limitations on the review undertaken by KBW in preparing the opinion, is attached as **Annex B** to this document. **The opinion was for the information of, and was directed to, the DCB Financial Board of Directors (in its capacity as such) in connection with its consideration of the financial terms of the Merger. The opinion did not address the underlying business decision of DCB Financial to engage in the Merger or enter into the Merger Agreement or constitute a recommendation to the DCB Financial Board of Directors in connection with the Merger, and it does not constitute a recommendation to any holder of DCB Financial common shares or any shareholder of any other entity as to how to vote in connection with the Merger or any other matter (including, with respect to holders of DCB Financial common shares, what election any such shareholder should make with respect to the cash consideration, the stock consideration or any combination thereof).**

Regulatory Approvals (page)

Under the terms of the Merger Agreement, the Merger cannot be completed until First Commonwealth receives necessary regulatory approvals, which include the approval of the Federal Deposit Insurance Corporation (FDIC), the Pennsylvania Department of Banking and Securities (PaDBS) and the Board of Governors of the Federal Reserve System (the Federal Reserve Board). First Commonwealth has filed applications with the FDIC and the PaDBS for approval, however, First Commonwealth cannot be certain when or if such approval will be obtained. On November 18, 2016, First Commonwealth submitted a request to the Federal Reserve Board for a waiver of the Federal Reserve's application requirements. In the event that a waiver is not granted, First Commonwealth will file an application with the Federal Reserve for approval of the Merger. In addition, the Bank Merger is also subject to the non-objection of the Ohio Department of Commerce, Division of Financial Institutions. Although First Commonwealth does not know of any reason why it cannot obtain these regulatory approvals or waivers in a timely manner, it cannot be certain when, or if, they will be obtained.

Issued First Commonwealth Shares Will be Eligible for Trading (page)

The shares of First Commonwealth common stock to be issued upon completion of the Merger will be eligible for trading on the New York Stock Exchange.

Conditions to the Merger (page)

The respective obligations of First Commonwealth and DCB Financial to consummate the Merger are subject to the satisfaction or waiver, on or before the effective time of the Merger, of a number of conditions, including:

approval of the Merger Agreement at the special meeting by holders of at least two-thirds of the outstanding DCB Financial common shares entitled to vote;

approval of the Merger and the Bank Merger by the appropriate regulatory authorities without the imposition of any term, condition or restriction upon First Commonwealth that First Commonwealth reasonably determines is a burdensome condition;

the consummation of the Merger and the Bank Merger will not be illegal or otherwise prohibited and no order, injunction or other legal restraint preventing the consummation of the Merger or the Bank Merger is in effect;

the Registration Statement on Form S-4, of which this proxy statement and prospectus is a part, relating to the shares of First Commonwealth common stock to be issued pursuant to the Merger Agreement,

must have become effective under the Securities Act of 1933, and no stop order suspending the effectiveness of the Registration Statement shall have been issued or threatened by the SEC;

the shares of First Commonwealth common stock to be issued upon completion of the Merger shall have been authorized for listing on the New York Stock Exchange;

the representations and warranties made by the parties in the Merger Agreement must be true and correct as of the date of the Merger Agreement and as of the closing date of the Merger or as otherwise required in the Merger Agreement, unless the inaccuracies do not or would not reasonably be expected to result in a material adverse effect;

the obligations of the parties in the Merger Agreement must have been performed in all material respects;

the parties must have received the respective closing deliverables of the other party to the Merger Agreement;

dissenting shares must represent no more than ten percent (10%) of the outstanding DCB Financial common shares;

DCB Financial must have received an opinion from Porter, Wright, Morris & Arthur LLP, counsel to DCB Financial, and First Commonwealth must have received an opinion from Squire Patton Boggs (US) LLP, counsel to First Commonwealth, each dated as of the closing date, to the effect that the Merger constitutes a reorganization within the meaning of Section 368(a) of the Code; and

there must not have occurred, on a consolidated basis, any change that individually or in the aggregate results in or is reasonably likely to result in a material adverse effect on DCB Financial or First Commonwealth.

We cannot be certain when, or if, the conditions to the Merger will be satisfied or waived, or that the Merger will be completed.

Termination (page)

First Commonwealth or DCB Financial may mutually agree at any time to terminate the Merger Agreement without completing the Merger, even if the DCB Financial shareholders have approved and adopted it. Also, either party may decide, without the consent of the other party, to terminate the Merger Agreement under specified circumstances, including (i) if the Merger is not consummated by October 2, 2017, (ii) if any governmental entity has issued a final and nonappealable order or taken any other action permanently enjoining, restraining or otherwise prohibiting the consummation of the Merger or (iii) if the DCB Financial shareholders do not approve and adopt the Merger Agreement at the DCB Financial special meeting. In addition, either party may terminate the Merger Agreement if there is a breach of the Merger Agreement by the other party that would cause the failure of conditions to the terminating party's obligation to close, unless the breach is capable of being cured and is cured by the earlier of

October 2, 2017, or the date that is thirty (30) days following written notice of the breach.

First Commonwealth has the right to terminate the Merger Agreement if the DCB Financial board (i) withdraws, qualifies, amends, modifies or withholds its recommendation that DCB Financial shareholders approve and adopt the Merger Agreement, fails reaffirm such recommendation within five (5) business days after First Commonwealth requests that such action be taken or fails to publicly recommend against a publicly announced acquisition proposal from another party within five (5) business days after the public announcement of such acquisition proposal; (ii) approves or recommends an alternative acquisition proposal; or (iii) breaches certain obligations, including with respect to the non-solicitation of alternative acquisition proposals or calling a meeting of its shareholders and recommending that they approve and adopt the Merger Agreement.

Table of Contents

DCB Financial has the right to terminate the Merger Agreement if at any time during the five day period starting on the date on which all required regulatory and shareholder approvals are obtained, (i) the average closing price of First Commonwealth common stock for the ten (10) trading days immediately preceding the date when all required regulatory approvals are obtained is below \$8.07 per share and (ii) the average closing price of First Commonwealth common stock during such 10-day period underperforms the NASDAQ Bank Index by more than 20%. First Commonwealth has the right to prevent DCB Financial's termination by agreeing to increase the Exchange Ratio pursuant to the formula set forth in the section entitled *The Merger Agreement - Merger Consideration*.

Termination Fee (page)

DCB Financial is required to pay First Commonwealth a termination fee of approximately \$5.3 million under certain circumstances, including circumstances involving alternative acquisition proposals with respect to DCB Financial, changes in the recommendation of the DCB Financial board, and certain breaches of the Merger Agreement by DCB Financial.

Interests of DCB Financial's Directors and Executive Officers in the Merger (page)

You should be aware that some of DCB Financial's directors and executive officers may have interests in the Merger that are different from, or in addition to, their interests as shareholders. These interests include certain payments and benefits that may be provided to directors and executive officers of DCB Financial upon completion of the Merger, including acceleration of restricted share awards and payment of discretionary bonuses, or upon termination of their employment under specified circumstances at the time of or following the completion of the Merger, including cash severance. The DCB Financial board of directors was aware of these interests and took them into account in approving and adopting the Merger Agreement.

Accounting Treatment of the Merger (page)

First Commonwealth will account for the Merger as an acquisition, as that term is used under U.S. generally accepted accounting principles, or GAAP.

Rights of Shareholders After the Merger (page)

When the Merger is completed, DCB Financial shareholders who receive stock will become First Commonwealth shareholders, and their rights as shareholders will then be governed by First Commonwealth's articles of incorporation and by-laws, which provide different rights than those provided by DCB Financial's articles of incorporation and code of regulations. First Commonwealth is organized under Pennsylvania law and DCB Financial is organized under Ohio law. To review the differences in the rights of shareholders under each company's governing documents, see *Comparison of the Rights of Shareholders* beginning on page .

United States Federal Income Tax Consequences of the Merger (page)

First Commonwealth and DCB Financial expect the Merger to qualify as a reorganization for United States federal income tax purposes. If the Merger so qualifies, DCB Financial shareholders will not recognize any gain or loss for United States federal income tax purposes on the exchange of DCB Financial shares solely for First Commonwealth shares in the Merger (except to the extent that the DCB Financial shareholders receive cash in lieu of any fractional shares of First Commonwealth common stock). DCB Financial shareholders exchanging DCB Financial shares solely for cash in the Merger will recognize gain or loss in an amount equal to the difference between the amount of cash received and the DCB Financial shareholder's aggregate tax basis in its DCB Financial common shares surrendered in

exchange thereof, although it is possible in certain circumstances that the amount of cash received could be treated as a dividend. DCB Financial shareholders

Table of Contents

receiving both shares of First Commonwealth common stock and cash for their DCB Financial common shares generally will recognize a gain (but not a loss) or, in certain circumstances, dividend income in an amount equal to the lesser of (i) the holder's gain realized (i.e., the excess, if any, of the sum of the amount of cash and the fair market value of shares of the First Commonwealth common stock received over the holder's adjusted tax basis in its DCB Financial common shares surrendered) and (ii) the amount of cash received pursuant to the Merger.

To review the tax consequences of the Merger to DCB Financial shareholders in greater detail, please see the section *United States Federal Income Tax Consequences* beginning on page .

Comparative Per Share Data

The following table shows information about First Commonwealth's and DCB Financial's book value per share, cash dividends per share, and diluted earnings per share, and similar information as if the Merger had occurred on the date indicated, all of which is referred to as pro forma information. In presenting the comparative pro forma information for certain time periods, it has been assumed that First Commonwealth and DCB Financial had been merged throughout those periods along with certain other assumptions.

The information listed as Pro Forma Equivalent DCB Financial Share was obtained by multiplying the Pro Forma Combined amounts by a fixed Exchange Ratio of 1.427. This information is presented to reflect the fact that DCB Financial shareholders will receive shares of First Commonwealth common stock for each DCB Financial common share exchanged in the Merger. It is also anticipated that the combined company will derive financial benefits from the Merger that include reduced operating expenses and the opportunity to earn more revenue. The pro forma information, while helpful in illustrating the financial characteristics of the merged company under one set of assumptions, does not reflect these benefits and, accordingly, does not attempt to predict or suggest future results. Further, the pro forma information below excludes one-time expenses related to the Merger. The pro forma information also does not necessarily reflect what the historical results of the combined company would have been had the companies been combined during these periods.

The market value of the First Commonwealth common stock to be issued in exchange for DCB Financial common shares upon the completion of the Merger will not be known at the time of the special meeting. The holders of First Commonwealth common stock receive dividends as and when declared by First Commonwealth's board of directors out of statutory surplus or from net profits. Following the completion of the Merger, subject to approval and declaration by First Commonwealth's board of directors, First Commonwealth expects to continue paying quarterly cash dividends on a basis consistent with past practices. The current annualized rate of distribution on a

RISK FACTORS

In addition to the other information contained in or incorporated by reference into this proxy statement and prospectus (See *Where You Can Find More Information*), including the risk factors included in First Commonwealth's and DCB Financial's respective Annual Reports on Form 10-K for the year ended December 31, 2015, you should consider carefully the risk factors described below in deciding how to vote for the proposals presented in this proxy statement and prospectus. You should keep these risk factors in mind when you read forward-looking statements in this document and in the documents incorporated by reference into this document. Please refer to the section of this proxy statement and prospectus titled *Caution About Forward-Looking Statements*.

Because the market price of First Commonwealth common stock will fluctuate, DCB Financial shareholders cannot be certain of the market value of the First Commonwealth common stock that they will receive upon completion of the Merger.

Upon completion of the Merger, each DCB Financial common share will be converted to the right to receive 1.427 shares of First Commonwealth common stock or \$14.50 in cash at the election of the shareholder and subject to proration as provided in the Merger Agreement. Any change in the price of First Commonwealth common stock prior to the Merger will affect the market value of the First Commonwealth common stock that you will receive upon completion of the Merger. Stock price changes may result from a variety of factors, including general market and economic conditions, changes in First Commonwealth's businesses, operations, prospects and regulatory considerations. Many of these factors are beyond the control of First Commonwealth and DCB Financial.

The prices of First Commonwealth common stock and DCB Financial common shares at the completion of the Merger may vary from their respective prices on the date the Merger Agreement was executed, on the date of this proxy statement and prospectus and on the date of our special meeting. As a result, the value represented by the exchange ratio will also vary. For example, based on the range of closing prices of First Commonwealth common stock during the period from September 30, 2016, the last trading day before public announcement of the Merger, through , the last practicable trading day prior to the date we printed and mailed this proxy statement and prospectus, the exchange ratio represented a value ranging from a high of \$ on to a low of \$ on for each DCB Financial common share. Because the date on which we expect to complete the Merger will be later than the date of our special meeting, at the time of our special meeting our shareholders will not know what the market value of First Commonwealth's common stock will be upon completion of the Merger.

DCB Financial shareholders may receive a form of consideration different from what they elect.

Although each holder of DCB Financial common shares may elect to receive as consideration only shares of First Commonwealth common stock or only cash in the Merger, or shares of First Commonwealth common stock for certain shares and cash for other shares the total cash consideration is fixed at \$21,283,773, which is approximately 20% of the Merger Consideration, and the remaining Merger Consideration will be in the form of First Commonwealth common stock. The cash consideration is fixed. Therefore, if DCB Financial shareholders elect more cash or stock than is available under the Merger Agreement, elections for the over-subscribed form of Merger Consideration will be prorated. As a result, if either the aggregate cash elections or stock elections exceed the maximum availability, and you choose the consideration election that exceeds the maximum availability, some of your consideration will be in a form that you did not choose.

The combined company that results from the Merger will have incurred significant transaction- and merger-related costs in connection with the Merger.

First Commonwealth and DCB Financial each expect to incur substantial costs in connection with the Merger and combining the businesses and operations of the two companies. First Commonwealth and DCB

Table of Contents

Financial have begun collecting information in order to formulate detailed integration plans to deliver planned synergies. However, additional unanticipated costs may be incurred during the integration process. Whether or not the Merger is consummated, First Commonwealth and DCB Financial will incur substantial expenses, such as legal, accounting, printing and financial advisory fees. Although First Commonwealth and DCB Financial expect that the elimination of duplicative costs, as well as the realization of other efficiencies related to the integration of the businesses, may offset incremental transaction and merger-related costs over time, this net benefit may not be achieved in the near-term, or at all.

The combined company that results from the Merger may encounter integration difficulties that may prevent it from realizing the anticipated benefits of the Merger.

The success of the Merger will depend on, among other things, First Commonwealth's ability to combine the businesses of First Commonwealth Bank and DCB Bank within First Commonwealth's projected timeframe without materially disrupting the existing customer relationships of DCB Bank and suffering decreased revenues as a result of the loss of those customers. If First Commonwealth is not able to successfully achieve these objectives, the anticipated benefits of the Merger may not be realized fully, or at all, or may take longer to realize than expected.

A number of factors could affect the integration process. The success of the Merger will depend upon the integration of employees, systems, operating procedures and information technologies, as well as the retention of key employees. First Commonwealth and DCB Financial have operated and, until the completion of the Merger, will continue to operate, independently from each other. Key employees of DCB Financial may elect to terminate their employment as a result of, or in anticipation of, the Merger. It will be important for First Commonwealth to attract and retain talented employees to complete the integration process. It is possible that the integration process could result in the disruption of First Commonwealth's or DCB Financial's ongoing businesses or cause inconsistencies in standards, controls, procedures and policies that adversely affect the ability of First Commonwealth or DCB Financial to maintain relationships with customers and employees or to achieve the anticipated benefits of the Merger.

First Commonwealth believes the combined company will achieve enhanced earnings due to, among other things, reduction of duplicate costs, improved efficiency and cross-marketing opportunities. If completion of the Merger is delayed or First Commonwealth experiences integration difficulties, including those discussed in the paragraphs above, First Commonwealth may not realize the anticipated benefits of the Merger at all, or the benefits of the Merger may take longer to realize than anticipated. Failure to achieve the anticipated benefits of the Merger in the timeframes projected by First Commonwealth could result in increased costs and decreased revenues. This could have a dilutive effect on the combined company's earnings per share.

First Commonwealth has limited operating experience in Ohio, which may adversely impact First Commonwealth's ability to compete successfully in this market area.

First Commonwealth first entered the Ohio market in 2014 with the opening of a loan production office in Cleveland. In August 2015, First Commonwealth expanded its presence in Ohio through its acquisition of First Community Bank. In July 2016, First Commonwealth announced the acquisition of 13 branches in Canton and Ashtabula from The Huntington National Bank and expects to complete this acquisition in December 2016. First Commonwealth may not be able to retain existing customers of DCB Financial, or adequately address the Ohio market in terms of the products and services that First Commonwealth proposes to offer, or otherwise compete successfully against institutions already established within this market area. First Commonwealth's success in the Ohio market will depend, in large part, on the ability of First Commonwealth to identify, attract and retain qualified and experienced personnel with local expertise and relationships in the Ohio market to supplement the existing DCB Financial and First Commonwealth team. Such qualified personnel may be inexperienced in working with First Commonwealth, which

could affect First Commonwealth's ability to attract and retain qualified personnel. The newness of the First Commonwealth brand in the Ohio market may adversely affect First Commonwealth's overall ability to compete for customers in this market area.

Table of Contents

The market price for First Commonwealth common stock may be affected by factors different from those that historically have affected DCB Financial common shares.

Upon completion of the Merger, certain holders of DCB Financial common shares will become holders of First Commonwealth common stock. First Commonwealth's businesses differ from those of DCB Financial, and accordingly, the results of operations of First Commonwealth will be affected by some factors that are different from those currently affecting the results of operations of DCB Financial. For a discussion of the businesses of First Commonwealth and DCB Financial and some of the important factors to consider in connection with those businesses, see the documents incorporated by reference in this proxy statement and prospectus and referred to under *Where You Can Find More Information* beginning on page and the information concerning DCB Financial and its subsidiaries contained elsewhere in this proxy statement and prospectus.

First Commonwealth's decisions regarding the credit risk associated with DCB Bank's loan portfolio could be incorrect and its credit mark may be inadequate, which may adversely affect the financial condition and results of operations of the combined company after the completion of the Merger.

Before signing the Merger Agreement, First Commonwealth conducted extensive due diligence on a significant portion of DCB Bank's loan portfolio. However, First Commonwealth's review did not encompass each and every loan in the DCB Bank loan portfolio. In accordance with customary industry practices, First Commonwealth evaluated the loan portfolio based on various factors including, among other things, historical loss experience, economic risks associated with each loan category, volume and types of loans, trends in classification, volume and trends in delinquencies and nonaccruals, and general economic conditions, both local and national. In this process, First Commonwealth's management made various assumptions and judgments about the collectability of the loan portfolio, including the creditworthiness and financial condition of the borrowers, the value of the real estate, which is obtained from independent appraisers, other assets serving as collateral for the repayment of the loans, the existence of any guarantees and the economic environment in which the borrowers operate. If First Commonwealth's assumptions and judgments turn out to be incorrect, including as a result of the fact that its due diligence review did not cover each individual loan, First Commonwealth's estimated credit mark against the loan portfolio in total may be insufficient to cover actual loan losses after the Merger closes, and adjustments may be necessary to allow for different economic conditions or adverse developments in the loan portfolio. Additionally, deterioration in economic conditions affecting borrowers, new information regarding existing loans, identification of additional problem loans and other factors, both within and outside management's control, may require an increase in the provision for loan losses. Material additions to the credit mark and/or allowance for loan losses would materially decrease First Commonwealth's net income.

The Merger cannot be completed unless a number of conditions in the Merger Agreement are satisfied or waived.

The Merger Agreement contains a number of conditions that must be satisfied or waived in order to complete the Merger. Those conditions include: approval of the Merger by DCB Financial shareholders, receipt of all required regulatory approvals, absence of any law, statute or regulation, or any order, injunction or other legal restraint or prohibition preventing the completion of the Merger, effectiveness of the registration statement of which this proxy statement and prospectus is a part, the accuracy of the representations and warranties of both parties, the performance by both parties of their respective covenants and agreements, and the receipt by both parties of legal opinions from their respective tax counsels. There can be no assurance that the conditions to closing of the Merger will be fulfilled or that the Merger will be completed. See the section entitled *The Merger Agreement - Conditions to the Merger* on page .

Regulatory approvals may not be received, may take longer than expected or may impose conditions that are not presently anticipated or cannot be met.

Before the Merger and the Bank Merger may be completed, various approvals must be obtained from bank regulatory agencies and other governmental authorities. These governmental entities may not grant approval of

Table of Contents

either the Merger or the Bank Merger, or may impose conditions on the granting of their approvals. The conditions or changes they impose, as well as the process of obtaining regulatory approvals, could have the effect of delaying completion of the Merger or of imposing additional costs or limitations on First Commonwealth following the Merger. First Commonwealth may elect not to consummate the Merger if, in connection with any regulatory approval needed for the Merger, any governmental or regulatory entity imposes a restriction, requirement or condition on First Commonwealth that, individually or in the aggregate, would be reasonably likely to have a material and adverse effect on First Commonwealth and its subsidiaries, taken as a whole, after giving effect to the Merger. As a result, there can be no assurance that the desired regulatory approvals for the Merger will be obtained or that the Merger will be completed. See the section entitled *The Merger Agreement Regulatory Approvals for the Merger* on page .

Termination of the Merger Agreement could negatively affect DCB Financial s businesses and the market price of its common shares.

If the Merger Agreement is terminated, there may be various consequences, including:

DCB Financial s businesses may have been adversely impacted by the failure to pursue other beneficial opportunities due to the focus of management on the Merger, without realizing any of the anticipated benefits of completing the Merger; and

the market price of DCB Financial common shares may decline to the extent that the current market price reflects a market assumption that the Merger will be completed.

If the Merger Agreement is terminated and the DCB Financial board of directors seeks another merger or business combination, DCB Financial shareholders cannot be certain that DCB Financial will be able to find a party willing to offer equivalent or more attractive consideration than the consideration First Commonwealth has agreed to pay in the Merger.

If the Merger Agreement is terminated under certain circumstances, DCB Financial may be required to pay First Commonwealth a termination fee of \$5.3 million. See *The Merger Agreement Termination Fee* on page .

If the Merger is not completed, DCB Financial will have incurred substantial expenses without its shareholders realizing the expected benefits of the Merger.

DCB Financial has already incurred, and will continue to incur, substantial expenses in connection with the transactions described in this proxy statement and prospectus, which are charged to earnings as incurred. If the Merger is not completed, these expenses will have a material adverse impact on the operating results of DCB Financial even though it will not have realized the expected benefits of the Merger. There can be no assurance that the Merger will be completed.

The Merger Agreement limits DCB Financial s ability to pursue alternatives to the Merger with First Commonwealth.

The Merger Agreement contains provisions that restrict DCB Financial s ability to discuss, facilitate or enter into agreements with third parties to acquire DCB Financial. DCB Financial is not required to comply with this restriction if compliance would reasonably be expected to cause DCB Financial s board of directors to breach its fiduciary duties. Even if DCB Financial were to avail itself of that limited exception, it could be obligated to pay First Commonwealth

a termination fee of \$5.3 million if either First Commonwealth or DCB Financial terminates the Merger Agreement under specified circumstances. In any event, the presence of those restrictions in the Merger Agreement could discourage a potential competing acquiror that may have an interest in acquiring DCB Financial from proposing or considering an acquisition even if that potential acquiror were prepared to pay a higher price to DCB Financial shareholders than the Merger Consideration offered by First Commonwealth.

Table of Contents

DCB Financial will be subject to business uncertainties and contractual restrictions while the Merger is pending.

Uncertainties about the effect of the Merger on employees and customers may have an adverse effect on DCB Financial and consequently on First Commonwealth. These uncertainties may impair DCB Financial's ability to attract, retain and motivate key personnel until the Merger is completed, and could cause customers and others who deal with DCB Financial to consider changing existing business relationships with DCB Financial. Retention of certain employees may be challenging during the pendency of the Merger, as certain employees may experience uncertainty about their future roles with the combined company. If key employees depart because of issues relating to the uncertainty and difficulty of integration or a desire not to remain with the business, DCB Financial's business prior to the Merger and First Commonwealth's business following the Merger could be negatively impacted.

The pursuit of the Merger and the preparation for the integration may place a significant burden on management and internal resources. Any significant diversion of management attention away from the ongoing business and any difficulties encountered in the transition and integration process could affect the financial results of DCB Financial and, following the Merger, the combined company.

In addition, the Merger Agreement restricts DCB Financial from taking specified actions relative to its business without the prior consent of First Commonwealth. These restrictions may prevent DCB Financial from pursuing attractive business opportunities that may arise prior to the completion of the Merger. See *The Merger Agreement Covenants* beginning on page for a description of the restrictive covenants applicable to DCB Financial.

Some of DCB Financial's directors and executive officers have interests in the Merger that may differ from the interests of DCB Financial's shareholders including, if the Merger is completed, the receipt of financial and other benefits.

You should be aware that DCB Financial's directors and executive officers may have economic interests in the Merger that are different from, or in addition to, the interests of DCB Financial shareholders generally. For example, once the Merger is completed, it is expected that each DCB Financial executive officer will be entitled to change-in-control payments and accelerated vesting of equity-based compensation under the compensation programs put in place by DCB Financial. In addition, the executive officers may receive stay bonuses if they remain employed by DCB Financial through the closing date of the Merger.

Directors of DCB Financial will receive, once the Merger is completed, accelerated vesting of equity-based compensation. Additionally, following completion of the Merger, the First Commonwealth and First Commonwealth Bank boards of directors will each be enlarged by one seat, and one DCB Financial director, as mutually agreed upon by First Commonwealth and DCB Financial, will be appointed to serve on the First Commonwealth and First Commonwealth Bank boards of directors. The Merger Agreement also provides for the continued indemnification of DCB Financial's current and former directors and executive officers following the Merger and for the continuation of directors' and officers' insurance for these individuals for six years after the Merger. See *Interests of DCB Financial's Directors and Executive Officers in the Merger* on page .

DCB Financial shareholders will have a reduced ownership and voting interest after the Merger and will exercise less influence over management.

Following the Merger, former DCB Financial shareholders are expected to hold approximately 9% of the outstanding shares of First Commonwealth common stock. As a result, former DCB Financial shareholders will have only limited

ability to influence First Commonwealth's business. Former DCB Financial shareholders will not have separate approval rights with respect to any actions or decisions of First Commonwealth or have separate representation on First Commonwealth's or First Commonwealth Bank's board of directors.

The Merger may fail to qualify as a reorganization for federal tax purposes, resulting in your recognition of taxable gain or loss in respect of your DCB Financial common shares and DCB Financial may be subject to significant tax liability at the corporate level.

First Commonwealth and DCB Financial intend the Merger to qualify as a reorganization within the meaning of Section 368(a) of the Code. First Commonwealth and DCB Financial will, as a condition to closing, each obtain an opinion from their respective legal counsel that the Merger will constitute a reorganization for federal tax purposes. These opinions do not bind the Internal Revenue Service (the IRS) or prevent the IRS from adopting a contrary position. If the Merger fails to qualify as a reorganization, you generally would recognize gain or loss on each DCB Financial common share surrendered in an amount equal to the difference between your adjusted tax basis in that common share and the fair market value of the Merger Consideration received in exchange for that common share upon completion of the Merger. Furthermore, if the Merger fails to qualify as a reorganization, First Commonwealth, as successor to DCB Financial, may incur a significant tax liability resulting from a taxable sale of DCB Financial's assets for United States federal income tax purposes. See *United States Federal Income Tax* on page .

The shares of First Commonwealth common stock to be received by DCB Financial shareholders as consideration in the Merger will have different rights from the DCB Financial common shares currently held by them.

The rights associated with DCB Financial common shares are different from the rights associated with First Commonwealth common stock in certain significant respects. Upon completion of the Merger, DCB Financial shareholders who receive shares of First Commonwealth common stock as consideration in the Merger will become First Commonwealth shareholders and their rights as shareholders will be governed by the articles of incorporation and by-laws of First Commonwealth and provisions of Pennsylvania law applicable to companies formed in Pennsylvania, like First Commonwealth.

Please see *Comparison of the Rights of Shareholders* beginning on page for a discussion of the different rights associated with First Commonwealth common stock.

The fairness opinion delivered by DCB Financial's financial advisor to the DCB Financial board of directors prior to the execution of the Merger Agreement will not reflect changes in circumstances subsequent to the date of the fairness opinion.

KBW, DCB Financial's financial advisor in connection with the proposed Merger, delivered to the DCB Financial Board of Directors on October 2, 2016, its opinion, dated October 2, 2016, to the effect that, as of the date of such opinion, the Merger Consideration in the proposed Merger was fair, from a financial point of view to the holders of DCB Financial common shares, as more fully described under *The Merger Opinion of DCB Financial's Financial Advisor* beginning on page . KBW's opinion speaks only as of the date of the opinion. The opinion does not reflect changes that may occur or may have occurred after the date of the opinion, including changes to the operations and prospects of First Commonwealth or DCB Financial, changes in general market and economic conditions or regulatory or other factors. Any such changes, or changes in other factors on which the opinion is based, may materially alter or affect the relative values of First Commonwealth and DCB Financial.

PROPOSAL 1 THE MERGER

Background of the Merger

The DCB Financial board of directors and its strategic alternatives committee have regularly engaged with executive management to consider and review DCB Financial's long-term prospects, strategies, and options for enhancing shareholder value. These meetings from time to time have been attended by financial advisors, including KBW.

On June 16, 2016, at a meeting of the strategic alternatives committee of the DCB Financial board of directors, at which all members of the board of directors were invited to attend, executive management of DCB Financial reviewed its current five-year financial forecast and potential strategic options including, among other options, (1) an organic growth strategy, whereby DCB Financial would remain independent and pursue internally generated growth; (2) an acquisition strategy, whereby DCB Financial would remain independent and pursue potential acquisitions in addition to the pursuit of internally generated growth; and (3) a sale of DCB Financial through a business combination with another financial institution.

Executive management reviewed various proposed initiatives that supported DCB Financial's then-current strategy of remaining independent. Executive management's review of strategic options included a review of internal and external factors to assist the strategic alternatives committee of the board of directors in weighing whether DCB Financial should continue to remain independent. Factors that were discussed included, among other factors, (1) the current and prospective economic, interest rate and regulatory environments, (2) the current credit cycle, (3) security threats facing the financial services industry generally, (4) recent trends in mergers and acquisitions, (5) commercial loan portfolio growth in recent quarters and prospects for future growth, (6) upcoming long-term contractual obligations, (7) director succession, and (8) DCB Financial's historical financial performance and stock trading multiples.

Executive management and the DCB Financial board of directors also discussed the potential impact that these factors could have on DCB Financial's ability to meet the targets in its five-year financial forecast. Executive management and the DCB Financial board of directors also discussed difficulties faced by DCB Financial in pursuing and completing acquisitions in the current environment, and that those difficulties in pursuing and completing acquisitions would likely adversely affect the length of time necessary for DCB Financial to achieve ratios of return on assets and return on equity commensurate with its peers.

Following extensive discussion regarding each of the potential strategic options with the board of directors, Porter, Wright, Morris & Arthur LLP, or Porter Wright, DCB Financial's legal counsel, advised the board of directors of its fiduciary obligations to the shareholders of DCB Financial in connection with the implementation of DCB Financial's business plan and its consideration of mergers, acquisitions and other strategic alternatives.

At the conclusion of the strategic alternatives committee meeting, executive management recommended that DCB Financial retain KBW as its financial advisor. KBW was recommended based on its reputation in and knowledge of the banking industry, executive management's prior experience with KBW and informal contact with KBW. The strategic alternatives committee resolved to engage KBW as DCB Financial's financial advisor to assist the board of directors in its continuing assessment of the strategic alternatives discussed at the meeting, including a potential sale of DCB Financial, subject to negotiation of KBW's engagement. The strategic alternatives committee advised management that KBW should be prepared to attend its regularly scheduled June 23, 2016 board meeting to discuss DCB Financial's potential strategic alternatives.

On June 23, 2016, at a meeting of the board of directors of DCB Financial, KBW discussed with the board of directors, among other things, a market overview for the financial industry, the performance of DCB Financial

compared to selected publicly traded banks, preliminary valuation matters, and the current mergers and acquisitions environment. KBW then engaged in a discussion of potential acquirors of DCB Financial identified

Table of Contents

based on size, geographic proximity to DCB Financial's market, and the banking industry in such markets. As part of the discussion, KBW discussed each potential acquiror's estimated capacity to complete a transaction with DCB Financial.

Following extensive discussion among the DCB Financial board of directors, executive management, KBW, and Porter Wright, the board of directors concluded that, based on the information discussed and the board's assessment of its strategic alternatives, and given the recent favorable merger environment for financial institutions and viability of potential acquirors, the potential value that could be created for shareholders through a strategic transaction was greater than other alternatives, including remaining independent. The board of directors discussed a potential auction transaction timeline with executive management, KBW and Porter Wright. The board of directors formally engaged KBW as its financial advisor for such process and engaged Porter Wright as its legal counsel for such process.

Subsequent to the June 23, 2016 board meeting, DCB Financial, with the assistance of its financial and legal advisors, began to prepare a virtual data room and a confidential information memorandum, or CIM, that would be used to solicit indications of interest.

On July 28, 2016, at a meeting of the board of directors of DCB Financial, KBW reviewed with the board of directors the confidential information memorandum and 15 financial institutions that had been identified by KBW, with the assistance and recommendation of executive management, as potential acquirors for the board of directors to consider based on size, geographic proximity to DCB Financial's market, and the banking industry in such markets and DCB Financial's market. KBW provided an overview of each of the 15 financial institutions, including First Commonwealth, which included publicly available information on financial performance, market position, management and information on recent transactions.

KBW and DCB Financial executive management discussed the rationale for inclusion of each potential acquiror, although it was considered that several entities on the list may not be inclined to participate in the process due to timing concerns with other potential transactions. KBW also discussed the apparent financial ability to pay for each of the 15 identified financial institutions. Following extensive discussion by the board of directors of DCB Financial with executive management and KBW, the board of directors approved the inclusion of the 15 identified financial institutions in the process of soliciting indications of interest regarding a strategic transaction with DCB Financial. The board of directors directed KBW to commence the process by contacting each of the 15 potential acquirors on a confidential basis to make them aware of DCB Financial's decision to explore strategic alternatives.

On July 29, 2016, KBW and Mr. Seiffert began contacting representatives of the 15 potential acquirors, including T. Michael Price, First Commonwealth's President and Chief Executive Officer, and advised each of them that DCB Financial had determined to explore a strategic transaction.

Between July 29, 2016 and August 9, 2016, 10 of the 15 potential acquirors that were contacted signed a confidentiality agreement with DCB Financial and were granted access to a secure virtual data room containing the CIM and certain other preliminary information regarding DCB Financial. One potential acquiror that signed a confidentiality agreement and received the CIM decided not to continue with the process shortly after executing its confidentiality agreement. Five of the 15 potential acquirors that were contacted declined to sign a confidentiality agreement, did not engage any further in the process, and were not provided with access to the CIM.

Each of the nine remaining potential acquirors receiving the CIM were asked to submit a written non-binding indication of interest by August 24, 2016, and were told that DCB Financial would likely select two or three of such bidders to continue in the process, to conduct additional due diligence, and to engage in management presentations.

Table of Contents

On August 8, 2016, executive management and KBW provided an informal update to the board of directors via teleconference of progress to date with those nine financial institutions that remained in the process.

On August 23, 2016, DCB Financial received its first written, non-binding indication of interest from a potential acquiror, which we refer to as Bank A, that proposed merger consideration in the range of \$13-14 per share with a consideration mix of 60% stock and 40% cash. The indication of interest from Bank A also offered to consider adding one DCB Financial board member to its board of directors.

Also on August 23, 2016, DCB Financial received a second written non-binding indication of interest from a potential acquiror, which we refer to as Bank B, that proposed merger consideration at \$10.50 per share with a consideration mix of 75% stock and 25% cash. The indication of interest from Bank B also offered to strongly consider adding one DCB Financial board member to its board of directors.

On August 24, 2016, DCB Financial received a written, non-binding indication of interest from First Commonwealth that proposed merger consideration in the range of \$12-13 per share with up to 10% of the consideration payable in cash and the remainder in stock. The indication of interest also offered DCB Board members with the opportunity to join First Commonwealth's central Ohio advisory board.

Also on August 24, 2016, DCB Financial received written, non-binding indications of interest from institutions, which we refer to as Bank C and Bank D. Bank C's indication of interest proposed merger consideration at \$13.50 per share in an all-stock transaction and Bank D offered proposed merger consideration in the range of \$13-14 per share, with up to 20% of total merger consideration payable in cash and the remainder in stock.

On August 26, 2016, the board of directors held a regular meeting at which representatives of KBW and Porter Wright were present. KBW provided a summary of activities since the last board of directors update on August 8, 2016. KBW indicated that of the nine financial institutions that received the CIM, five had submitted indications of interest. Bank B had been informed that its proposed bid of \$10.50 per share was substantially lower than the other indications of interest that were received, but Bank B declined to increase its proposal. KBW informed the board, that during its discussions with First Commonwealth regarding its indication of interest, First Commonwealth had orally stated that it was raising its offer from a range of \$12-13 per share to a fixed \$13 per share. First Commonwealth subsequently submitted a revised indication of interest reflecting a revised proposed merger consideration of \$13 per share.

The board reviewed, with the assistance of KBW and Porter Wright, each of the indications of interest and the material terms of each indication of interest, including offer price or range per share, exchange ratio, whether there would be any caps, collars or walkaway rights, aggregate deal value, stock option treatment, mix of consideration (i.e., stock versus cash), board seats on acquiror's board and/or creation of a regional board, required approvals, pro-forma ownership by DCB Financial's shareholders, pro forma dividend per share, and charitable commitments to the communities served by DCB Financial. KBW compared for the board the various indications of interest in terms of market premiums, earnings per share multiples, tangible book value multiples, core deposit premium multiples, and other relevant metrics. KBW also discussed the financial performance and market performance of each of the five potential acquirors.

The board and executive management also discussed and considered a range of other factors including, but not limited to: the strategic compatibility with DCB Financial of each of the potential acquirors, the financial and market performance of each of the potential acquirors, the prospects of the combined company following the transaction, the liquidity of each of the potential acquiror's capital stock, and the ability of each potential acquiror to successfully complete a transaction and obtain regulatory approvals. After consideration and further consultation with KBW and Porter Wright, the board of directors determined to invite First Commonwealth, Bank A, and Bank C to continue the

process and conduct further due diligence.

Table of Contents

In making its determination as to which potential acquirors would continue the process, the DCB Financial board of directors determined that Bank B's offered merger consideration of \$10.50 was insufficient. The board also determined that Bank D's proposal was inferior to those advanced by First Commonwealth, Bank A and Bank C based on the factors described above and concerns regarding Bank D's ability to receive regulatory approval and to promptly complete a transaction based on recent activity by Bank D.

On August 30, 2016, the secure virtual data room of DCB Financial containing relevant due diligence information and a draft version of the merger agreement prepared by Porter Wright was opened and made available to the three remaining potential acquirors, including First Commonwealth. The three potential acquirors were instructed to complete all of their due diligence, submit any desired changes to the proposed merger agreement, and submit a final written indication of interest by September 22, 2016.

Over the course of September 2016, the three remaining potential acquirors completed their due diligence reviews of DCB Financial, including review of due diligence documents and meetings among management of DCB Financial and each potential acquiror. DCB Financial also conducted reverse due diligence examinations of each potential acquiror.

On September 22, 2016, DCB Financial received final written indications of interest and proposed markups of the merger agreement from each of First Commonwealth, Bank A, and Bank C, the three remaining potential acquirors.

First Commonwealth's final indication of interest proposed merger consideration of \$14.50 per share with 20% of the consideration payable in cash and the remainder in stock. The indication of interest also offered adding one DCB Financial board member to First Commonwealth's board of directors. First Commonwealth proposed a 5% termination fee payable by DCB Financial, but provided DCB Financial with the protection of a termination right in the event of significant adverse performance of First Commonwealth's stock.

Bank A's final indication of interest proposed merger consideration of \$13.50 per share with 40% of the consideration payable in cash and the remainder in stock. The indication of interest also offered adding one DCB Financial board member to Bank A's board of directors. Bank A proposed a \$4 million termination fee, equating to 4% of its proposal, payable by DCB Financial, and did not provide DCB Financial with the protection of a termination right in the event of significant adverse performance of Bank A's stock.

Bank C's final indication of interest proposed merger consideration of \$12.14 per share in an all stock transaction. The indication of interest also offered adding one DCB Financial board member to Bank C's board of directors. Bank C proposed a \$4 million termination fee, equating to 4.5% of its proposal, payable by DCB Financial, but provided DCB Financial with the protection of a termination right in the event of significant adverse performance of Bank C's stock.

On September 25, 2016, the board of directors held a special meeting at which representatives of KBW and Porter Wright were present. KBW and executive management provided a summary of activities since the last board of directors update on August 26, 2016. The board reviewed, with the assistance of KBW and Porter Wright, each of the final indications of interest and the material terms of each indication of interest, including offer price per share, exchange ratio, whether there would be any caps, collars or walkaway rights, aggregate deal value, stock option treatment, mix of consideration (i.e., stock versus cash), board seats on acquiror's board and/or creation of a regional board, required approvals, pro-forma ownership by DCB Financial's shareholders, pro forma dividend per share, and charitable commitments to the communities served by DCB Financial. KBW compared for the board the final indications of interest in terms of market premiums, earnings per share multiples, tangible book value multiples, core deposit premium multiples, and other relevant metrics. KBW also discussed the financial performance and market performance of each of the three remaining potential acquirors.

The board of directors and executive management also discussed and considered a range of other factors including, but not limited to: the strategic compatibility with DCB Financial of each of the potential acquirors,

Table of Contents

the financial and market performance of each of the potential acquirors, the prospects of the combined company following the transaction, the liquidity of each of the potential acquiror's capital stock, and the ability of each the potential acquiror to successfully complete a transaction and obtain regulatory approvals. Porter Wright also discussed with the board of directors the proposed changes to the merger agreement submitted by each of the remaining potential acquirors.

After consideration and further consultation with KBW and Porter Wright, including a review by Porter Wright of the fiduciary duties of the board of directors and executive management, the board of directors determined to proceed with negotiating a definitive merger agreement with First Commonwealth.

Over the next week, DCB Financial and First Commonwealth negotiated the terms of the definitive merger agreement and its related documents and agreements.

DCB Financial and First Commonwealth also continued their respective due diligence examinations of each other. On September 27, 2016, executive management of DCB Financial performed on-site reverse due diligence at First Commonwealth's headquarters in consultation with representatives of KBW who were also in attendance, which included interviews of First Commonwealth management and a review of certain non-public information regarding First Commonwealth.

On September 29, 2016, after Bank A had submitted its final indication of interest, Bank A submitted a revised indication of interest that raised its offer from \$13.50 per share to \$13.75 per share. KBW was in contact with Bank A's financial advisor; however, Bank A did not further increase its \$13.75 per share offer price.

On October 2, 2016, DCB Financial's board of directors convened a special meeting to consider the merger agreement, the proposed per share merger consideration, the voting agreement, and the terms of the merger agreement and related documents and agreements, which were distributed for review in advance of the meeting. In attendance were representatives of KBW and Porter Wright and executive management.

KBW discussed with the board of directors Bank A's revised indication of interest raising its proposed per share merger consideration to \$13.75 per share.

KBW reviewed the financial aspects of the proposed Merger and rendered to the DCB Financial board of directors its opinion (initially rendered verbally and confirmed in a written opinion dated the same date) to the effect that, as of that date and subject to the procedures followed, assumptions made, matters considered, and qualifications and limitations on the review undertaken by KBW as set forth in such opinion, the Merger Consideration in the proposed Merger was fair, from a financial point of view, to the holders of DCB Financial common shares (see *Opinion of DCB Financial's Financial Advisor* below for a summary). Porter Wright again advised the board of directors as to its fiduciary duties. Porter Wright then reviewed the terms of the merger agreement and answered questions from the board of directors.

Following the presentations from KBW and Porter Wright, and a discussion with executive management, the DCB Financial board of directors unanimously determined that the merger and the transactions contemplated by the merger agreement were advisable and in the best interests of DCB Financial and its shareholders, and voted unanimously to approve and adopt the Merger Agreement and voting agreement and the other transactions contemplated thereby. See *DCB Financial's Reasons for the Merger and Recommendation of the Board of Directors*, for more information regarding the determination of the DCB Financial board of directors and the factors that were discussed in the process.

Following the meeting of the board of directors of DCB Financial, First Commonwealth and DCB Financial executed the Merger Agreement and the directors of DCB Financial executed the voting agreement. Prior to the opening of the New York Stock Exchange on the following morning, October 3, 2016, First Commonwealth and DCB Financial issued a joint press release announcing the transaction.

DCB Financial's Reasons for the Merger and Recommendation of the Board of Directors

In reaching its decision to approve the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, and to recommend that its shareholders approve and adopt the Merger proposal, the DCB Financial board of directors evaluated the Merger Agreement and the Merger in consultation with DCB Financial executive management, as well as DCB Financial's financial and legal advisors, and considered a number of factors, including the following factors:

each of DCB Financial's and First Commonwealth's business, operations, financial condition, asset quality, earnings and prospects;

the anticipated economies of scale for the combined company;

the anticipated pro forma impact of the Merger on the combined company, including the expected impact on financial metrics, including earnings, dividends, return on equity, tangible book value dilution (and earn-back period), and regulatory capital levels;

the current and prospective environment in which DCB Financial and First Commonwealth operate, including national and local economic conditions, the interest rate environment, the competitive and regulatory environments for financial institutions generally, and the likely effect of these factors on DCB Financial both with and without the Merger;

the historical performance of First Commonwealth common stock, First Commonwealth common stock's liquidity in terms of average daily trading volume and the level of future cash dividends anticipated to be received by DCB Financial's shareholders;

First Commonwealth's record of performance over a substantial period of time and throughout various economic cycles, including its earnings record;

the soundness of First Commonwealth's financial condition and asset quality;

publicly available information regarding First Commonwealth's regulatory status and First Commonwealth's assurance that it was unaware of any meaningful obstacle to regulatory approvals on a reasonably timely basis;

the expanded possibilities, including organic growth and future acquisitions, that would be available to the combined company, given its larger size, asset base, capital and footprint;

the form of consideration, including the cash consideration, which would ensure that a portion of the value of the Merger Consideration would not be subject to potential downward fluctuations in the price of First Commonwealth common stock, and the fact that a significant portion of the Merger Consideration would be in stock and with a fixed exchange ratio, which would allow DCB Financial's shareholders to participate in the future performance of the combined company;

the expected tax treatment of the mergers, taken together, as a reorganization for United States federal income tax purposes;

the size of the termination fee in relation to the overall transaction size;

the complementary nature of the business strategies, customers, cultures, geographic areas and business lines of the two companies, which the DCB Financial board of directors believes should provide the opportunity to mitigate integration risks and increase potential returns, including that:

the nature of the business strategies, customers and geographic areas of the two companies would enable the combined company to achieve goals DCB Financial would have independently attempted to pursue in connection with its strategic plan (including greater cross-selling opportunities based on complementary product sets); and

the similarities in the two companies' community bank operating model and culture, and First Commonwealth's commitment to supporting the local communities it serves;

the opinion, dated October 2, 2016, of KBW to the DCB Financial board of directors as to the fairness, from a financial point of view and as of the date of the opinion, to the holders of DCB Financial common shares of the Merger Consideration in the proposed Merger, as more fully described below under *Opinion of DCB Financial's Financial Advisor*;

the review undertaken by the DCB Financial board of directors and management, with the assistance of its financial and legal advisors, with respect to the strategic alternatives available to DCB Financial, including:

the likelihood of an alternative transaction;

the value of DCB Financial as an independent company;

the capital and earnings available to DCB Financial as an independent company, at the time and as expected in the future, to pursue various business and strategic initiatives; and

the challenges facing DCB Financial as an independent institution and the DCB Financial board of directors' belief that combining with a larger financial institution would benefit DCB Financial's shareholders, customers and communities;

the fact that the implied value of the Merger Consideration as of September 30, 2016, of approximately \$14.42 for each share of DCB Financial common stock, based on First Commonwealth's closing stock price of \$10.09 on that date, represented an 88.5% premium over the closing price of DCB Financial's common stock of \$7.65 on September 30, 2016;

the fact that the Merger Agreement provides that DCB Financial may take certain actions in response to an unsolicited bona fide written acquisition proposal under specific circumstances, in the event that the DCB Financial board of directors makes a good faith determination (in accordance with the Merger Agreement and after consultation with DCB Financial's outside legal counsel and financial advisor) that it is required to take such actions to comply with its fiduciary duties under applicable law;

the other terms of the Merger Agreement and their comparability to those in other recent consolidation transactions;

its review and discussions with DCB Financial's management concerning the due diligence examination of First Commonwealth;

the transaction-related restructuring charges and other merger-related costs;

the potential risks associated with successfully integrating DCB Financial's business, operations and workforce with those of First Commonwealth, including the costs and risks of successfully integrating the two companies;

the potential risk of diverting management attention and resources from the operation of DCB Financial's and First Commonwealth's respective businesses and towards the completion of the Merger and the integration of the two companies;

the nature and amount of payments to be received by DCB Financial's management in connection with the Merger;

the regulatory and other approvals required in connection with the Merger and the Bank Merger and the time required to obtain such approvals, consideration of the relevant factors expected to be assessed by the regulators for the approvals and the parties' evaluations of those factors, the expected likelihood that such approvals could be received in a reasonably timely manner and without the imposition of unacceptable conditions and the possibility that regulators may impose certain restrictions on the combined operations of DCB Financial and First Commonwealth (particularly branch divestitures) in order to grant the required approvals;

the anticipated continued participation of certain of DCB Financial's directors, officers and employees in the combined company, which enhances the likelihood that the strategic benefits that DCB Financial

expects to achieve as a result of the Merger will be realized and that the benefits and talents that DCB Financial brings to the combined company will be appropriately valued and effectively utilized; and

First Commonwealth's commitment in the Merger Agreement to:

maintain certain standards of compensation and benefits (including equity based awards) to continuing DCB Financial employees; and

maintain the charitable support of DCB Financial to communities in which DCB Financial operates. This discussion of the information and factors considered by the DCB Financial board includes the material factors considered by the DCB Financial board, but it is not intended to be exhaustive and may not include all the factors considered by the DCB Financial board. In view of the wide variety of factors considered, and the complexity of these matters, the DCB Financial board did not quantify or assign any relative or specific weights to the various factors that it considered in reaching its determination to approve and adopt the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement. Rather, the DCB Financial board viewed its position and recommendation as being based on the totality of the information presented to and factors considered by it. In addition, individual members of the DCB Financial board may have given differing weights to different factors. It should be noted that this explanation of the reasoning of the DCB Financial board and certain information presented in this section is forward-looking in nature and, therefore, that information should be read in light of the factors discussed in the section entitled *Caution About Forward-Looking Statements*.

In considering the recommendation of the DCB Financial board, you should be aware that certain directors and officers of DCB Financial may have interests in the Merger that are different from, or in addition to, interests of shareholders of DCB Financial generally and may create potential conflicts of interest. The DCB Financial board was aware of these interests and considered them when evaluating and negotiating the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, and in recommending to DCB Financial's common shareholders that they vote in favor of the proposal to approve and adopt the Merger Agreement. See *Interests of DCB Financial's Directors and Executive Officers in the Merger*.

For the reasons set forth above, the DCB Financial board of directors unanimously recommends that the DCB Financial common shareholders vote *FOR* the proposal to approve and adopt the Merger Agreement.

First Commonwealth's Reasons For the Merger

First Commonwealth's board of directors unanimously concluded that the Merger Agreement is in the best interests of First Commonwealth and its shareholders. In deciding to approve the Merger Agreement, First Commonwealth's board of directors considered a number of factors, including, without limitation, the following, which are not presented in order of priority:

DCB Bank's nine full-service and four limited-service branches and presence in Delaware County, Ohio, part of the Columbus MSA, which First Commonwealth believes offer it robust commercial and retail client opportunities to cross sell many of First Commonwealth's existing products and services;

DCB Financial represents one of the only significant entry opportunities into the Columbus MSA, one of the most attractive banking markets in the Midwest;

The Merger increases First Commonwealth's scale and operating leverage while remaining below the \$10 billion regulatory threshold;

DCB Financial's business philosophies and operating culture with respect to the meeting of local banking needs and strong community ties are compatible with First Commonwealth's respective business philosophies and operating culture;

Effects of the Merger

The respective Boards of Directors of First Commonwealth and DCB Financial believe that, over the long-term, the Merger will be beneficial to First Commonwealth shareholders, including the current shareholders of DCB Financial who will become First Commonwealth shareholders if the Merger is completed. The First Commonwealth board of directors believes that one of the potential benefits of the Merger is the cost savings that may be realized by combining the two companies and integrating DCB Financial's banking subsidiary into First Commonwealth Bank, which savings are expected to enhance First Commonwealth's earnings.

First Commonwealth expects to reduce expenses by combining accounting, data processing, retail and lending support, and other administrative functions after completion of the Merger, which will enable First Commonwealth to achieve economies of scale in these areas. Promptly following the completion of the Merger, which is expected to occur in the second quarter of 2017, First Commonwealth plans to begin the process of eliminating redundant functions, and eliminating duplicative expenses.

The amount of any cost savings First Commonwealth may realize in 2017 and beyond will depend upon how quickly and efficiently First Commonwealth is able to implement the processes outlined above.

First Commonwealth believes that it will achieve cost savings based on the assumption that it will be able to:

reduce data processing costs;

reduce staff;

achieve economies of scale in advertising and marketing budgets;

reduce legal and accounting fees; and

achieve other savings through reduction or elimination of miscellaneous items such as insurance premiums, travel and automobile expense, and investor relations expenses.

First Commonwealth has based these assumptions on its present assessment of where savings could be realized based upon the present independent operations of the two companies. Actual savings in some or all of these areas could be higher or lower than is currently expected.

First Commonwealth also believes that the Merger will be beneficial to the customers of DCB Financial as a result of the additional products and services offered by First Commonwealth and its subsidiaries and because of the increased lending capability of the combined company.

Opinion of DCB Financial's Financial Advisor

DCB Financial engaged KBW to render financial advisory and investment banking services to DCB Financial, including an opinion to the DCB Financial board of directors as to the fairness, from a financial point of view, to the holders of DCB Financial common shares of the Merger Consideration to be received by such shareholders in the proposed Merger of DCB Financial with and into First Commonwealth. DCB Financial selected KBW because KBW is a nationally recognized investment banking firm with substantial experience in transactions similar to the Merger. As part of its investment banking business, KBW is continually engaged in the valuation of financial services businesses and their securities in connection with mergers and acquisitions.

As part of its engagement, representatives of KBW attended the meeting of the DCB Financial board of directors held on October 2, 2016, at which the DCB Financial board of directors evaluated the proposed Merger. At this meeting, KBW reviewed the financial aspects of the proposed Merger and rendered to the DCB Financial board of directors an opinion to the effect that, as of such date and subject to the procedures followed, assumptions made, matters considered, and qualifications and limitations on the review undertaken by KBW as set forth in its opinion, the Merger Consideration in the proposed Merger was fair, from a financial point of view, to the holders of DCB Financial common shares. The DCB Financial board of directors approved and adopted the Merger Agreement at this meeting.

The description of the opinion set forth herein is qualified in its entirety by reference to the full text of the opinion, which is attached as **Annex B** to this document and is incorporated herein by reference, and describes the procedures followed, assumptions made, matters considered, and qualifications and limitations on the review undertaken by KBW in preparing the opinion.

KBW's opinion speaks only as of the date of the opinion. The opinion was for the information of, and was directed to, the DCB Financial board of directors (in its capacity as such) in connection with its consideration of the financial terms of the Merger. The opinion addressed only the fairness, from a financial point of view, of the Merger Consideration in the Merger to the holders of DCB Financial common shares. It did not address the underlying business decision of DCB Financial to engage in the Merger or enter into the Merger Agreement or constitute a recommendation to the DCB Financial board of directors in connection with the Merger, and it does not constitute a recommendation to any holder of DCB Financial common shares or any shareholder of any other entity as to how to vote in connection with the Merger or any other matter (including, with respect to holders of DCB Financial common shares, what election any such shareholder should make with respect to the cash consideration, the stock consideration or any combination thereof), nor does it constitute a recommendation regarding whether or not any such shareholder should enter into a voting, shareholders' or affiliates' agreement with respect to the Merger or exercise any dissenters', or appraisal rights that may be available to such shareholder.

KBW's opinion was reviewed and approved by KBW's Fairness Opinion Committee in conformity with its policies and procedures established under the requirements of Rule 5150 of the Financial Industry Regulatory Authority.

In connection with the opinion, KBW reviewed, analyzed and relied upon material bearing upon the financial and operating condition of DCB Financial and First Commonwealth and bearing upon the Merger, including, among other things:

an execution version of the Merger Agreement (the most recent version then made available to KBW);

the audited financial statements and the Annual Reports on Form 10-K for the three fiscal years ended December 31, 2015 of DCB Financial;

the unaudited quarterly financial statements and the Quarterly Reports on Form 10-Q for the fiscal quarters ended March 31, 2016 and June 30, 2016 of DCB Financial;

Edgar Filing: FIRST COMMONWEALTH FINANCIAL CORP /PA/ - Form S-4

certain draft and unaudited financial results for the two-month period ended August 31, 2016 of DCB Financial (provided to KBW by representatives of DCB Financial);

the audited financial statements and the Annual Reports on Form 10-K for the three fiscal years ended December 31, 2015 of First Commonwealth;

the unaudited quarterly financial statements and the Quarterly Reports on Form 10-Q for the fiscal quarters ended March 31, 2016 and June 30, 2016 of First Commonwealth;

quarterly reports on Form FR Y-9LP, and the quarterly reports on Form FR Y-9C and quarterly call reports required to be filed with respect to each semi-annual period and quarter (as the case may be) during the three year period ended December 31, 2015, the quarter ended March 31, 2016 and the semi-annual period and quarter ended June 30, 2016;

certain other interim reports and other communications of DCB Financial and First Commonwealth to their respective shareholders; and

other financial information concerning the businesses and operations of DCB Financial and First Commonwealth that was furnished to KBW by DCB Financial and First Commonwealth or which KBW was otherwise directed to use for purposes of KBW's analyses.

KBW's consideration of financial information and other factors that it deemed appropriate under the circumstances or relevant to its analyses included, among others, the following:

the historical and current financial position and results of operations of DCB Financial and First Commonwealth;

the assets and liabilities of DCB Financial and First Commonwealth;

the nature and terms of certain other merger transactions and business combinations in the banking industry;

a comparison of certain financial and stock market information for DCB Financial and First Commonwealth with similar information for certain other companies the securities of which were publicly traded;

financial and operating forecasts and projections of DCB Financial that were prepared by, and provided to KBW and discussed with KBW by, DCB Financial management and that were used and relied upon by KBW at the direction of such management;

publicly available consensus street estimates of First Commonwealth for 2016, 2017, and 2018 (which street estimates included assumptions regarding First Commonwealth's then pending acquisition of bank branches of FirstMerit Corporation that was publicly announced on July 27, 2016 (such acquisition, the FirstMerit Branch Acquisition)), as well as assumed long-term First Commonwealth growth rates provided to KBW by First Commonwealth management, all of which information was discussed with KBW by such management and used and relied upon by KBW based on such discussions at the direction of DCB Financial management;

projected balance sheet and capital data of First Commonwealth, giving effect to First Commonwealth's estimates and assumptions regarding the pro forma impact of the FirstMerit Branch Acquisition, that was

prepared by First Commonwealth management, provided to and discussed with KBW by such management and used and relied upon by KBW based on such discussions at the direction of DCB Financial management; and

estimates regarding certain pro forma financial effects of the Merger on First Commonwealth (including, without limitation, the cost savings and related expenses expected to result or be derived from the Merger) that were prepared by, and provided to and discussed with KBW by the management of First Commonwealth, and used and relied upon by KBW based on such discussions at the direction of DCB Financial management.

KBW also performed such other studies and analyses as it considered appropriate and took into account its assessment of general economic, market and financial conditions and its experience in other transactions, as well as its experience in securities valuation and knowledge of the banking industry generally. KBW also participated in discussions that were held with the respective managements of DCB Financial and First Commonwealth regarding the past and current business operations, regulatory relations, financial condition and future prospects of their respective companies (including, in the case of First Commonwealth management, matters pertaining to

the FirstMerit Branch Acquisition) and such other matters as KBW deemed relevant to its inquiry. In addition, KBW considered the results of the efforts undertaken by or on behalf of DCB Financial, with KBW's assistance, to solicit indications of interest from third parties regarding a potential transaction with DCB Financial.

In conducting its review and arriving at its opinion, KBW relied upon and assumed the accuracy and completeness of all of the financial and other information that was provided to it or that was publicly available and did not independently verify the accuracy or completeness of any such information or assume any responsibility or liability for such verification, accuracy or completeness. KBW relied upon the management of DCB Financial as to the reasonableness and achievability of the financial and operating forecasts and projections of DCB Financial (and the assumptions and bases therefor) referred to above and KBW assumed that such forecasts and projections were reasonably prepared on bases reflecting the best currently available estimates and judgments of such management and that such forecasts and projections would be realized in the amounts and in the time periods estimated by such management. KBW further relied, with the consent of DCB Financial, upon First Commonwealth management as to the reasonableness and achievability of (i) the publicly available consensus street estimates of First Commonwealth (and the assumed First Commonwealth long-term growth rates provided to KBW by such management) referred to above, and (ii) the projected balance sheet and capital data of First Commonwealth referred to above and (iii) the estimates regarding certain pro forma financial effects of the Merger on First Commonwealth (and the assumptions and bases therefor, including, without limitation, the cost savings and related expenses expected to result or be derived from the Merger) referred to above, and KBW assumed that all such information was reasonably prepared on bases reflecting, or in the case of the First Commonwealth street estimates referred to above that such information was consistent with, the best currently available estimates and judgments of First Commonwealth management and that the forecasts, projections and estimates reflected in all such information would be realized in the amounts and in the time periods estimated. KBW expressed no view or opinion as to the FirstMerit Branch Acquisition (or any terms, aspects or implications thereof) and assumed, with the consent of DCB Financial, that the FirstMerit Branch Acquisition will be consummated as described to KBW by First Commonwealth management in the fourth quarter of 2016.

It is understood that the portion of the foregoing financial information of DCB Financial and First Commonwealth that was provided to KBW was not prepared with the expectation of public disclosure, that all of the foregoing financial information, including the publicly available consensus street estimates of First Commonwealth referred to above that KBW was directed to use, was based on numerous variables and assumptions that are inherently uncertain, including, without limitation, factors related to general economic and competitive conditions and that, accordingly, actual results could vary significantly from those set forth in such information. KBW assumed, based on discussions with the respective managements of DCB Financial and First Commonwealth, that all such information provided a reasonable basis upon which KBW could form its opinion and KBW expressed no view as to any such information or the assumptions or bases therefor. KBW relied on all such information without independent verification or analysis and did not in any respect assume any responsibility or liability for the accuracy or completeness thereof.

KBW also assumed that there were no material changes in the assets, liabilities, financial condition, results of operations, business or prospects of either DCB Financial or First Commonwealth since the date of the last financial statements of each such entity that were made available to KBW. KBW is not an expert in the independent verification of the adequacy of allowances for loan and lease losses and KBW assumed, without independent verification and with DCB Financial's consent, that the aggregate allowances for loan and lease losses for DCB Financial and First Commonwealth are adequate to cover such losses. In rendering its opinion, KBW did not make or obtain any evaluations or appraisals or physical inspection of the property, assets or liabilities (contingent or otherwise) of DCB Financial or First Commonwealth, the collateral securing any of such assets or liabilities, or the collectability of any such assets, nor did KBW examine any individual loan or credit files, nor did it evaluate the solvency, financial capability or fair value of DCB Financial or First Commonwealth under any state or federal laws, including those relating to bankruptcy, insolvency or other matters. Estimates of values of companies and assets do

not purport to be appraisals or necessarily reflect the prices at which companies or assets may actually be sold. Because such estimates are inherently subject to uncertainty, KBW assumed no responsibility or liability for their accuracy.

KBW assumed, in all respects material to its analyses:

that the Merger and any related transactions (including the subsidiary bank merger) would be completed substantially in accordance with the terms set forth in the Merger Agreement (the final terms of which KBW assumed would not differ in any respect material to KBW's analyses from the execution version reviewed by KBW referred to above) with no adjustments to the Merger Consideration (or the cash and stock components thereof) and with no other payments in respect of the DCB Financial common shares);

that the FirstMerit Branch Acquisition would be completed as described to KBW by representatives of First Commonwealth;

that the representations and warranties of each party in the Merger Agreement and in all related documents and instruments referred to in the Merger Agreement were true and correct;

that each party to the Merger Agreement and all related documents would perform all of the covenants and agreements required to be performed by such party under such documents;

that there were no factors that would delay or subject to any adverse conditions, any necessary regulatory or governmental approval for the Merger or any related transaction (including the subsidiary bank merger) and that all conditions to the completion of the Merger and any related transaction (including the subsidiary bank merger) would be satisfied without any waivers or modifications to the Merger Agreement or any of the related documents; and

that in the course of obtaining the necessary regulatory, contractual, or other consents or approvals for the Merger and any related transaction (including the subsidiary bank merger), no restrictions, including any divestiture requirements, termination or other payments or amendments or modifications, would be imposed that would have a material adverse effect on the future results of operations or financial condition of DCB Financial, First Commonwealth or the pro forma entity, or the contemplated benefits of the Merger, including the cost savings and related expenses expected to result or be derived from the Merger.

KBW assumed that the Merger would be consummated in a manner that complies with the applicable provisions of the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, and all other applicable federal and state statutes, rules and regulations. KBW was further advised by representatives of DCB Financial that DCB Financial relied upon advice from its advisors (other than KBW) or other appropriate sources as to all legal, financial reporting, tax, accounting and regulatory matters with respect to DCB Financial, First Commonwealth, the Merger and any related transaction (including the subsidiary bank merger), the FirstMerit Branch Acquisition and the Merger Agreement. KBW did not provide advice with respect to any such matters.

KBW's opinion addressed only the fairness, from a financial point of view, as of the date of the opinion, to the holders of DCB Financial common shares of the Merger Consideration to be received by such holders in the Merger. KBW expressed no view or opinion as to any other terms or aspects of the Merger or any term or aspect of any related transaction (including the subsidiary bank merger), including without limitation, the form or structure of the Merger

(including the form of Merger Consideration or the allocation thereof between cash and stock) or any related transaction, any consequences of the Merger or any related transaction to DCB Financial, its shareholders, creditors or otherwise, or any terms, aspects, merits or implications of any employment, consulting, voting, support, shareholder or other agreements, arrangements or understandings contemplated or entered into in connection with the Merger or otherwise. KBW's opinion was necessarily based upon conditions as they existed and could be evaluated on the date of such opinion and the information made available to KBW through such date. Developments subsequent to the date of KBW's opinion may have affected, and may affect, the conclusion reached in KBW's opinion and KBW did not and does not have an obligation to update, revise or reaffirm its opinion. KBW's opinion did not address, and KBW expressed no view or opinion with respect to:

the underlying business decision of DCB Financial to engage in the Merger or enter into the Merger Agreement;

the relative merits of the Merger as compared to any strategic alternatives that are, have been or may be available to or contemplated by DCB Financial or the DCB Financial board of directors;

the fairness of the amount or nature of any compensation to any of DCB Financial's officers, directors or employees, or any class of such persons, relative to the compensation to the holders of DCB Financial common shares;

the effect of the Merger or any related transaction on, or the fairness of the consideration to be received by, holders of any class of securities of DCB Financial (other than the holders of DCB Financial common shares solely with respect to the Merger Consideration, as described in KBW's opinion and not relative to the consideration to be received by holders of any other class of securities) or holders of any class of securities of First Commonwealth or any other party to any transaction contemplated by the Merger Agreement;

whether First Commonwealth has sufficient cash, available lines of credit or other sources of funds to enable it to pay the aggregate amount of the cash consideration to the holders of DCB Financial common shares at the closing of the Merger;

the election by holders of DCB Financial common shares to receive the cash consideration or the stock consideration, or any combination thereof, or the actual allocation between the cash consideration and the stock consideration among such holders (including, without limitation, any reallocation thereof as a result of proration pursuant to the Merger Agreement), or the relative fairness of the stock consideration and the cash consideration;

any adjustment (as provided in the Merger Agreement) to the Merger Consideration assumed for purposes of KBW's opinion;

the actual value of First Commonwealth common stock to be issued in the Merger;

the prices, trading range or volume at which DCB Financial common shares or First Commonwealth common stock would trade following the public announcement of the Merger or the prices, trading range or volume at which First Commonwealth common stock would trade following the consummation of the Merger;

any advice or opinions provided by any other advisor to any of the parties to the Merger or any other transaction contemplated by the Merger Agreement; or

any legal, regulatory, accounting, tax or similar matters relating to DCB Financial, First Commonwealth, their respective shareholders, or relating to or arising out of or as a consequence of the Merger or any related transaction (including the subsidiary bank merger), or the FirstMerit Branch Acquisition, including whether

or not the Merger would qualify as a tax-free reorganization for United States federal income tax purposes. In performing its analyses, KBW made numerous assumptions with respect to industry performance, general business, economic, market and financial conditions and other matters, which are beyond the control of KBW, DCB Financial and First Commonwealth. Any estimates contained in the analyses performed by KBW are not necessarily indicative of actual values or future results, which may be significantly more or less favorable than suggested by these analyses. Additionally, estimates of the value of businesses or securities do not purport to be appraisals or to reflect the prices at which such businesses or securities might actually be sold. Accordingly, these analyses and estimates are inherently subject to substantial uncertainty. In addition, the KBW opinion was among several factors taken into consideration by the DCB Financial board of directors in making its determination to approve and adopt the Merger Agreement and the Merger. Consequently, the analyses described below should not be viewed as determinative of the decision of the DCB Financial board of directors with respect to the fairness of the Merger Consideration. The type and amount of consideration payable in the Merger were determined through negotiation between DCB Financial and First Commonwealth and the decision of DCB Financial to enter into the Merger Agreement was solely that of the DCB Financial board of directors.

Table of Contents

The following is a summary of the material financial analyses presented by KBW to the DCB Financial board of directors in connection with its opinion. The summary is not a complete description of the financial analyses underlying the opinion or the presentation made by KBW to the DCB Financial board of directors, but summarizes the material analyses performed and presented in connection with such opinion. The financial analyses summarized below includes information presented in tabular format. The tables alone do not constitute a complete description of the financial analyses. The preparation of a fairness opinion is a complex analytic process involving various determinations as to appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances. Therefore, a fairness opinion is not readily susceptible to partial analysis or summary description. In arriving at its opinion, KBW did not attribute any particular weight to any analysis or factor that it considered, but rather made qualitative judgments as to the significance and relevance of each analysis and factor. Accordingly, KBW believes that its analyses and the summary of its analyses must be considered as a whole and that selecting portions of its analyses and factors or focusing on the information presented below in tabular format, without considering all analyses and factors or the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of the process underlying its analyses and opinion.

For purposes of the financial analyses described below, KBW utilized an implied value of the Merger Consideration of \$14.42 per DCB Financial common share, consisting of the sum of (i) the implied value of the stock consideration of 1.427 shares of First Commonwealth common stock, based on the closing price of First Commonwealth common stock on September 30, 2016, multiplied by 80%, and (ii) the cash consideration of \$14.50, multiplied by 20%.

For each selected transaction, KBW derived the following implied transaction statistics, in each case based on the transaction consideration value paid for the acquired company and using financial data based on the acquired company's then latest publicly available financial statements prior to the announcement of the respective transaction:

price per common share to tangible book value per share of the acquired company (in the case of selected transactions involving a private acquired company, this transaction statistic was calculated as total transaction consideration divided by total tangible common equity);

tangible equity premium to core deposits (total deposits less time deposits greater than \$100,000) of the acquired company, referred to as core deposit premium; and

price per common share to LTM EPS of the acquired company (in the case of selected transactions involving a private acquired company, this transaction statistic was calculated as total transaction consideration divided by LTM earnings).

KBW also reviewed the price per common share paid for the acquired company for the 26 selected transactions in which the acquired company was publicly traded as a premium to the closing price of the acquired company one day prior to the announcement of the respective transaction (expressed as a percentage and referred to as the one-day market premium). The above transaction statistics for the selected transactions were compared with the corresponding transaction statistics for the proposed Merger based on the implied transaction value for the proposed Merger of \$14.42 per share of DCB Financial common shares and using historical financial information for DCB Financial as of and for the twelve month period ended June 30, 2016 and the closing price of DCB Financial common shares on September 30, 2016.

The results of the analysis are set forth in the following table (excluding the impact of LTM EPS multiple for one selected transaction, which multiple was not considered to be meaningful because of negative earnings in the relevant period):

Relative Contribution Analysis. KBW analyzed the relative standalone contribution of First Commonwealth and DCB Financial to various pro forma balance sheet and income statement items and the pro forma market capitalization of the combined entity. This analysis did not include purchase accounting adjustments or cost savings. To perform this analysis, KBW used (i) balance sheet and net income data for First Commonwealth and DCB Financial as of or for the twelve month period ended June 30, 2016, (ii) 2016, 2017, and 2018 EPS estimates per First Call consensus street estimates for First Commonwealth, and (iii) financial and operating forecasts and projections of DCB Financial provided by DCB Financial management. First Commonwealth data reflected pro forma adjustment for the then pending FirstMerit Branch Acquisition, and DCB Financial data excluded the impact of the deferred tax asset valuation allowance reversal by DCB Financial in 2015. The results of KBW's analysis are set forth in the following table, which also compares the results of KBW's analysis with the implied pro forma ownership percentages of First Commonwealth and DCB Financial shareholders in the combined company based on the stock consideration of 1.427 shares of First Commonwealth common stock at the 80% stock / 20% cash implied Merger Consideration mix provided for in the Merger Agreement and also hypothetically assuming 100% stock consideration in the proposed Merger for illustrative purposes:

Forecasted Pro Forma Financial Impact Analysis. KBW performed a pro forma financial impact analysis that combined projected income statement and balance sheet information of First Commonwealth and DCB Financial. Using closing balance sheet estimates as of April 1, 2017 for First Commonwealth and DCB Financial provided by First Commonwealth management, publicly available consensus street estimates of First Commonwealth for 2017 and 2018, financial and operating forecasts and projections of DCB Financial provided by DCB Financial management and pro forma assumptions (including certain purchase accounting adjustments, cost savings and related expenses) provided by First Commonwealth management, KBW analyzed the potential financial impact of the Merger on certain projected financial results of First Commonwealth. This analysis indicated the Merger could be accretive to First Commonwealth's estimated 2017 EPS and estimated 2018 EPS and dilutive to First Commonwealth's estimated tangible book value per share as of April 1, 2017. Furthermore, the analysis indicated that each of First Commonwealth's tangible common equity to tangible assets ratio, leverage ratio, Tier 1 Risk-Based Capital Ratio and Total Risk Based Capital Ratio as of April 1, 2017 could be lower. For all of the above analysis, the actual results achieved by First Commonwealth following the Merger may vary from the projected results, and the variations may be material.

Discounted Cash Flow Analysis – DCB Financial. KBW performed a discounted cash flow analysis of DCB Financial to estimate a range for the implied equity value of DCB Financial. In this analysis, KBW used financial forecasts and projections relating to the net income and assets of DCB Financial provided by DCB Financial management, and assumed discount rates ranging from 14.0% to 16.0%. The ranges of values were derived by adding (i) the present value of the estimated excess cash flows that DCB Financial could generate over the six-year period from 2017 to 2022 as a standalone company, and (ii) the present value of DCB Financial's implied terminal value at the end of such period. KBW assumed that DCB Financial would maintain a tangible common equity to tangible asset ratio of 8.00% and would retain sufficient earnings to maintain that level. In calculating the terminal value of DCB Financial, KBW applied a range of 12.5x to 15.5x estimated 2022 net income. This discounted cash flow analysis resulted in a range of implied values per share of DCB Financial common shares of \$5.93 to \$7.32.

The discounted cash flow analysis is a widely used valuation methodology, but the results of such methodology are highly dependent on the assumptions that must be made, including asset and earnings growth rates, terminal values, dividend payout rates, and discount rates. The foregoing discounted cash flow analyses did not purport to be indicative of the actual values of DCB Financial.

Miscellaneous. KBW acted as financial advisor to DCB Financial and not as an advisor to or agent of any other person. As part of its investment banking business, KBW is continually engaged in the valuation of bank and bank holding company securities in connection with acquisitions, negotiated underwritings, secondary distributions of listed and unlisted securities, private placements and valuations for various other purposes. As specialists in the securities of banking companies, KBW has experience in, and knowledge of, the valuation of banking enterprises. In the ordinary course of their broker-dealer businesses and further to certain existing sales and trading relationships, KBW and its affiliates may from time to time purchase securities from, and sell securities to, DCB Financial and First Commonwealth and, as market makers in securities, KBW and its affiliates may from time to time have a long or short position in, and buy or sell, debt or equity securities of DCB Financial or First Commonwealth for its and their own accounts and for the accounts of its and their respective customers and clients.

Pursuant to the KBW engagement agreement, DCB Financial agreed to pay KBW a total cash fee equal to 1.15% of the aggregate Merger Consideration, \$250,000 of which became payable to KBW with the rendering of its opinion and the balance of which is contingent upon the closing of the Merger. DCB Financial also agreed to reimburse KBW for reasonable out-of-pocket expenses and disbursements incurred in connection with its retention and to indemnify KBW against certain liabilities relating to or arising out of KBW's engagement or KBW's role in connection therewith. Other than in connection with this present engagement, during the two years preceding the date of its opinion, KBW

has not provided investment banking and financial advisory services to DCB Financial. During the two years preceding the date of its opinion, KBW has provided investment

banking and financial advisory services to First Commonwealth but did not receive compensation for such services. KBW was engaged to act as financial advisor to First Commonwealth in October 2014 and July 2015, in each case in connection with a potential acquisition by First Commonwealth that was not consummated and for which no compensation was received. KBW may in the future provide investment banking and financial advisory services to DCB Financial or First Commonwealth and receive compensation for such services.

Structure of the Merger

Subject to the terms and conditions of the Merger Agreement, at the effective time of the Merger, DCB Financial will merge with and into First Commonwealth, with First Commonwealth being the surviving corporation. The separate corporate existence of DCB Financial will terminate and DCB Financial common shares will be cancelled as a consequence of the Merger. Merger Consideration

If the Merger is completed, each DCB Financial common share will be converted into the right to receive 1.427 shares of First Commonwealth common stock (the Exchange Ratio) or \$14.50 in cash, at the election of the holder and subject to proration and other adjustments as provided in the Merger Agreement.

If, prior to the effective time, the outstanding shares of First Commonwealth common stock or DCB Financial common shares have increased, decreased or changed as a result of a reorganization, recapitalization, stock dividend or similar transaction, or there has been any extraordinary dividend or distribution, an appropriate and proportionate adjustment will be made to the Merger Consideration to give holders of DCB Financial common shares the same economic effect as contemplated by the Merger Agreement prior to such event.

The market prices of both First Commonwealth common stock and DCB Financial common shares will fluctuate before the completion of the Merger, and the market price of First Commonwealth common stock may also fluctuate between the completion of the Merger and the time you receive any First Commonwealth common stock. **You should obtain current stock price quotations for First Commonwealth common stock and DCB Financial common shares before you vote and before you make an election.**

Election as to Form of Consideration

The Merger Agreement provides that DCB Financial shareholders will be provided with a form of election and other appropriate and customary transmittal materials. Each DCB Financial shareholder will be sent an election form and transmittal materials under separate cover. The election deadline will be 5:00 p.m., Eastern Time, on the date specified in the election form, which is expected to be one (1) business day preceding the closing date of the Merger. Each form of election will allow the holder to make cash or stock elections or no elections. The exchange agent will also make available forms of election to each person who subsequently becomes a holder of DCB Financial common shares.

Holders of DCB Financial common shares who wish to elect the type of Merger Consideration they will receive in the Merger should carefully review and follow the instructions set forth in the form of election. DCB Financial shareholders who hold their shares in street name should follow their broker's instructions for making an election with respect to such shares. DCB Financial common shares as to which the holder has not made a valid election prior to the election deadline set forth in the election form, will be treated as though they had not made an election.

To make a timely election, a holder of DCB Financial common shares must submit a properly completed form of election so that it is actually received by the exchange agent at or prior to the election deadline in accordance with the instructions on the form of election.

Generally, an election may be revoked or changed, but only by written notice received by exchange agent prior to the election deadline. If an election is revoked and unless a subsequent properly executed form of election is actually received by the exchange agent at or prior to the election deadline, the holder having revoked the election will be deemed to have made no election with respect to his, her or its DCB Financial common shares.

DCB Financial shareholders will not be entitled to revoke or change their elections following the election deadline. As a result, DCB Financial shareholders who have made elections will be unable to revoke their elections or sell their DCB Financial common shares during the interval between the election deadline and the date of completion of the Merger.

Cash Election

The Merger Agreement provides that each DCB Financial shareholder who makes a valid cash election will have the right to receive, in exchange for each DCB Financial common share, subject to proration and adjustment

Table of Contents

as described below, cash in the amount of \$14.50 per share. The aggregate cash consideration will equal \$21,283,773. As a result, a total of 1,467,846 DCB Financial common shares will be converted into the right to receive the per share cash consideration (the Cash Conversion Number). In the event that cash consideration is oversubscribed, which means that holders of DCB Financial common shares have made cash elections with respect to a number of shares which exceeds the Cash Conversion Number, then the applicable pro rata portion of such cash election shares held by each such DCB Financial shareholder will instead be converted into the right to receive stock consideration.

As a result, even if a holder of DCB Financial common shares makes a valid cash election, such shareholder may nevertheless receive a mix of cash and stock consideration. The allocation of the mix of consideration payable to DCB Financial shareholders in the Merger will not be known until the completion of the Merger or until a time after completion.

Stock Election

The Merger Agreement provides that each DCB Financial shareholder who makes a valid stock election will have the right to receive, in exchange for each DCB Financial common share, subject to proration and adjustment as described below, a number of shares of First Commonwealth common stock equal to the Exchange Ratio.

As a result, even if a holder of DCB Financial common shares makes a valid stock election, such shareholder may nevertheless receive a mix of cash and stock consideration. The allocation of the mix of consideration payable to DCB Financial shareholders in the Merger will not be known until the completion of the Merger or until a time after completion.

Non-Election

DCB Financial shareholders who make no election to receive cash or First Commonwealth common stock in the Merger, whose elections are not received by First Commonwealth by the election deadline, or whose forms of election are improperly completed and/or are not signed, will be deemed not to have made an election. DCB Financial shareholders not making an election may be paid in cash, First Commonwealth common stock or a mix of cash and First Commonwealth common stock depending on, and after giving effect to, the proration and adjustment procedures described below. The proration procedures will be contingent on the number of valid cash elections and stock elections, respectively, that have been made by other DCB Financial shareholders, and the number of shares held by DCB Financial shareholders who have perfected and not lost their right to dissenters' rights of appraisal in accordance with the procedures and requirements of the OGCL (Dissenting Shareholders).

Proration Adjustment if Cash Consideration is Oversubscribed

Stock consideration may be issued to DCB Financial shareholders who make cash elections if cash consideration is oversubscribed, which will occur if the number of Cash Election Shares exceeds the Cash Conversion Number. If the cash consideration is oversubscribed, then:

a DCB Financial shareholder making a stock election, no election or an invalid election will receive the stock consideration for each DCB Financial common share as to which he, she or it made a stock election, no election or an invalid election;

a DCB Financial shareholder making a cash election will receive:

cash consideration for a number of DCB Financial common shares equal to the product obtained by multiplying (1) the number of DCB Financial common shares for which such shareholder has made a cash election by (2) a fraction, the numerator of which is the Cash Conversion Number and the denominator of which is the aggregate number of cash election shares; and

Table of Contents

stock consideration for the remaining DCB Financial common shares for which such DCB Financial shareholder made a cash election.

Proration Adjustment if Cash Consideration is Undersubscribed

Cash consideration may be issued to DCB Financial shareholders who make stock elections if cash consideration is undersubscribed, which will occur if the number of cash election shares is less than the Cash Conversion Number. The amount by which the number of cash election shares is less than the Cash Conversion Number is referred to herein as the shortfall number.

If the Cash Conversion Number is undersubscribed, then all DCB Financial shareholders making a cash election will receive cash consideration for all DCB Financial common shares as to which they made a cash election. DCB Financial shareholders making a stock election, DCB Financial shareholders who make no election and DCB Financial shareholders who failed to make a valid election will receive cash and/or First Commonwealth common stock based in part on whether the shortfall number is less or greater than the number of the DCB Financial common shares for which no elections are made or for which DCB Financial shareholders failed to make a valid election, which are referred to as the non-election shares, as described below.

Scenario 1: shortfall number is less than or equal to the number of non-election shares. If the shortfall number is less than or equal to the number of non-election shares, then:

a DCB Financial shareholder making a cash election will receive the cash consideration for each DCB Financial common share as to which he, she or it made a cash election;

a DCB Financial shareholder making a stock election will receive the stock consideration for each DCB Financial common share as to which he, she or it made a stock election; and

a DCB Financial shareholder who made no election or who did not make a valid election with respect to any of his, her or its DCB Financial common shares will receive:

the cash consideration in respect of the number of such holder's non-election shares equal to the product of (x) the number of non-election shares held by such holder and (y) a fraction, the numerator of which is the shortfall number and the denominator of which is the total number of non-election shares, and

the stock consideration in respect of such holder's remaining non-election shares.

Scenario 2: shortfall number exceeds the number of non-election shares. If the shortfall number exceeds the number of non-election shares, then:

a DCB Financial shareholder making a cash election will receive the cash consideration for each DCB Financial common share as to which he, she or it made a cash election;

a DCB Financial shareholder who made no election or who has not made a valid election will receive the cash consideration for each DCB Financial common share for which he, she or it made no election or did not make a valid election; and

a DCB Financial shareholder making a stock election will receive:

the cash consideration in respect of the number of such holder's stock election shares equal to the product obtained by multiplying (1) the number of DCB Financial common shares with respect to which such DCB Financial shareholder made a stock election by (2) a fraction, the numerator of which is equal to the amount by which the shortfall number exceeds the number of non-election shares and the denominator of which is equal to the total number of stock election shares; and

stock consideration with respect to the remaining DCB Financial common shares held by such DCB Financial shareholder as to which he, she or it made a stock election.

Dissenting Shareholders

Dissenting Shareholders will not have a right to receive the Merger Consideration and will be entitled only to such rights as are granted under the OGCL. If any Dissenting Shareholder effectively withdraws or loses his, her or its right to dissenters' rights of appraisals at or prior to the effective time of the Merger, such holder's shares of DCB Financial common shares will be converted into a right to receive the Merger Consideration pursuant to the Merger Agreement. If such holder effectively withdraws or loses his, her or its right to dissenters' rights of appraisal after the effective time, each DCB Financial common share of such holder shall be treated as a non-election share.

Treatment of DCB Financial Equity-Based Awards

Restricted Shares. Upon completion of the Merger, all restricted DCB Financial common shares granted under the DCB Financial 2014 Restricted Stock Plan will vest in full and become freely transferrable and will be eligible to receive the Merger Consideration.

Stock Options. Upon completion of the Merger, each option to purchase DCB Financial common shares granted under the DCB Financial 2004 Long-Term Stock Incentive Plan, whether or not vested or exercisable, will be cancelled and be converted into the right to receive a cash payment in an amount equal to the product of (i) the positive difference, if any, between the Per Share Cash Equivalent Consideration (as defined below) and the exercise price of such stock option and (ii) the number of DCB Financial common shares subject to such option. If the exercise price of an option exceeds the Per Share Cash Equivalent Consideration, then the option will be cancelled without any payment. As used herein, Per Share Cash Equivalent Consideration means an amount equal to the amount in cash, without interest, rounded to the nearest cent, equal to the (i) Exchange Ratio multiplied by (ii) the average of the daily closing prices of First Commonwealth common stock on the New York Stock Exchange for the five (5) trading days ending on the business day prior to the completion of the Merger.

Conversion of DCB Financial Common Shares

At and after the effective time of the Merger, each certificate representing DCB Financial common shares will represent only the right to receive the Merger Consideration in accordance with the terms of the Merger Agreement and the right to receive any dividends or other distributions with respect to First Commonwealth common stock having a record date after the effective time of the Merger, payable only on surrender of the DCB Financial common share certificate. First Commonwealth will (i) reserve a sufficient number of shares of First Commonwealth common stock to be issued as the stock consideration and (ii) have and make available sufficient cash to allow First Commonwealth to make all payments that may be required to effect the exchange of shares.

First Commonwealth will provide a written notice of ownership of uncertificated shares to each former DCB Financial registered shareholder setting forth the number of shares of First Commonwealth common stock that each holder of DCB Financial common shares has received in the Merger, if any, and will cause a check in the amount of cash that such holder has the right to receive, if any, to be delivered to such shareholder.

The common share transfer books of DCB Financial will be closed at the effective time of the Merger and after the effective time there will be no transfers on the common share transfer records of DCB Financial of any DCB Financial common shares. First Commonwealth will be entitled to rely on DCB Financial's common share transfer books to establish the identity of those persons entitled to receive the Merger Consideration.

Letter of Transmittal. Soon after the completion of the Merger, First Commonwealth will send a letter of transmittal to only those persons who were DCB Financial shareholders at the effective time of the Merger and who have not

previously submitted a form of election and properly surrendered his, her or its DCB Financial common shares to First Commonwealth. This mailing will contain instructions on how to surrender DCB Financial common shares (if these shares have not already been surrendered) in exchange for the Merger

Withholding. First Commonwealth is entitled to deduct and withhold from the cash portion of the aggregate Merger Consideration, cash dividends or distributions payable to any holder of DCB Financial common shares or DCB Financial restricted common shares such amounts as it is required to deduct and withhold under any federal, state, local or foreign tax law. If any such amounts are withheld, these amounts will be treated for all purposes of the Merger as having been paid to the DCB Financial shareholders from whom they were withheld.

Dividends and Distributions. Until DCB Financial book-entry common shares are surrendered for exchange, any dividends or other distributions having a record date after the effective time of the Merger with respect to the whole number of First Commonwealth common stock into which DCB Financial common shares may have been converted will accrue but will not be paid. First Commonwealth will pay to former DCB Financial shareholders any unpaid dividends or other distributions, without interest, only after such holders have duly surrendered their book-entry shares. After the effective time of the Merger, there will be no transfers on the common share transfer books of DCB Financial of any DCB Financial common shares.

Employee Benefit Matters

The Merger Agreement requires First Commonwealth to make available to the officers and employees of DCB Financial and its subsidiaries who continue as employees of First Commonwealth or any subsidiary substantially the same compensation and employee benefits on substantially the same terms and conditions as First Commonwealth offers to its similarly situated officers and employees, until December 31, 2017. Employees of DCB Financial and its subsidiaries will receive service credit, after the Merger, to the same extent that such service was taken into account under analogous DCB Financial benefit plans for all prior service with DCB Financial or its subsidiaries for purposes of any applicable eligibility and vesting service requirements under any of First Commonwealth's employee benefit plans, except for any defined benefit pension plan, any benefit plan that provides retiree welfare benefits or any benefit plan that is frozen or provides grandfathered benefits. Employees of DCB Financial and its subsidiaries who become employees of First Commonwealth or any of its subsidiaries will become eligible to participate in First Commonwealth's employee benefit plans as soon as reasonably practicable after the effective time of the Merger, or if later, as of the termination of the corresponding DCB Financial benefit plan.

In addition, First Commonwealth will honor the terms of all employment, change of control, severance and other agreements and arrangements with respect to any employee of DCB Financial. Each full time employee of DCB

Financial who is terminated by First Commonwealth pursuant to a qualifying termination event and who is not covered by a separate severance, change in control or employment agreement shall, upon executing an appropriate severance agreement and general release, receive a severance payment equal to two weeks of base salary (at the rate in effect on the termination date) for each year of service at DCB Financial. Termination

The Merger Agreement may be terminated at any time prior to the effective time of the Merger, and, except as described below, whether before or after the receipt of the required DCB Financial shareholder approval and adoption, under the following circumstances:

by mutual written consent of First Commonwealth and DCB Financial;

by either First Commonwealth or DCB Financial:

if the Merger does not occur on or before October 2, 2017, unless the failure to complete the Merger by such date is due to the failure of the party seeking to terminate the Merger Agreement to perform or observe its covenants and agreements under the Merger Agreement;

if there is a breach of any of the covenants or agreements or any of the representations or warranties set forth in the Merger Agreement on the part of the other party (provided that the terminating party is not then in material breach of any representation, warranty, covenant or other agreement contained in the Merger Agreement) which either individually or in the aggregate would constitute, if occurring or continuing on the closing date of the Merger, the failure of a closing condition of the terminating party and which is not cured within 30 days following written notice to the party committing such breach (or such fewer days as remain prior to October 2, 2017), or by its nature or timing cannot be cured during such period;

if any governmental authority that must grant a required regulatory approval has denied approval of the Merger (or solely with respect to First Commonwealth's right to terminate the Merger Agreement or the Bank Merger) and such denial has become final and nonappealable or any governmental authority of competent jurisdiction has issued a final nonappealable order, injunction or decree permanently enjoining or otherwise prohibiting or making illegal the consummation of the Merger (or solely with respect to First Commonwealth's right to terminate the Merger Agreement or the Bank Merger), provided the party seeking to terminate the Merger Agreement shall have used its reasonable best efforts to have such order, injunction or decree lifted; or

if DCB Financial shall have failed to obtain the requisite vote of DCB Financial shareholders at the duly convened DCB Financial shareholders meeting or any adjournment thereof at which a vote on the approval and adoption of the Merger Agreement was taken;

by First Commonwealth, if (a) the DCB Financial board (i) withdraws, modifies, qualifies or withholds its recommendation that the DCB Financial shareholders approve and adopt the Merger Agreement or makes a statement inconsistent with such recommendation, or resolves to do so, (ii) materially breaches certain obligations related to calling a meeting of its shareholders to approve the Merger Agreement, (iii) approves

or recommends an acquisition proposal, (iv) fails to recommend against an acquisition proposal within five (5) business days of the public announcement of such acquisition proposal, or (v) fails to reaffirm its recommendation to approve the Merger Agreement within five (5) business days after First Commonwealth requests that such action be taken, or (b) DCB Financial materially breaches certain obligations with respect to the non-solicitation of acquisition proposals; or

by DCB Financial if, during the five (5) business day period starting on the date on which all required regulatory and shareholder approvals are obtained, the average closing price of First Commonwealth common stock over the preceding ten (10) consecutive trading days (i) is less than \$8.07 and (ii) underperforms the NASDAQ Bank Index by more than 20%; provided, however, that First Commonwealth shall have the option (for five (5) business days) to increase the Exchange Ratio pursuant to the formula described in the section entitled *The Merger Agreement Merger Consideration*.

Termination Fee

DCB Financial is required to pay First Commonwealth a termination fee of approximately \$5.3 million if the Merger Agreement is terminated in the following circumstances:

in the event that the Merger Agreement is terminated by First Commonwealth if (a) the DCB Financial board (i) withdraws, modifies, qualifies or withholds its recommendation that the DCB Financial shareholders approve and adopt the Merger Agreement or makes a statement inconsistent with such recommendation, or resolves to do so, (ii) materially breaches certain obligations related to calling a meeting of its shareholders to approve the Merger Agreement, (iii) approves or recommends an acquisition proposal, (iv) fails to recommend against an acquisition proposal within five (5) business days of the public announcement of such acquisition proposal, or (v) fails to reaffirm its recommendation to approve the Merger Agreement within five (5) business days after First Commonwealth requests that such action be taken, or (b) DCB Financial materially breaches certain obligations with respect to the non-solicitation of acquisition proposals;

in the event that the Merger Agreement is terminated by either First Commonwealth or DCB Financial because (a) DCB Financial has failed to obtain the required vote of its shareholders at the duly convened DCB Financial shareholder meeting or any adjournment or postponement thereof at which a vote on the approval and adoption of the Merger Agreement is taken, or (b) the Merger is not consummated by October 2, 2017, and (i) an acquisition proposal has been publicly announced, disclosed or otherwise communicated to the DCB Financial board or senior management of DCB Financial prior to the DCB Financial shareholder meeting or October 2, 2017, and (ii) within 12 months after the date of such termination, DCB Financial recommends, enters into a definitive agreement or consummates a transaction with respect to an acquisition proposal; or

if First Commonwealth terminates the Merger Agreement because of a breach of any of the covenants or agreements or any of the representations or warranties set forth in the Merger Agreement on the part of DCB Financial which either individually or in the aggregate would constitute, if occurring or continuing on the closing date of the Merger, the failure of a closing condition of the terminating party and which is not cured within 30 days following written notice to the party committing such breach (or such fewer days as remain prior to October 2, 2017), or by its nature or timing cannot be cured during such period, and (i) an acquisition proposal has been publicly announced, disclosed or otherwise communicated to the DCB Financial board or senior management of DCB Financial prior to any such breach, and (ii) within 12 months after the date of such termination, DCB Financial recommends, enters into a definitive agreement or consummates a transaction with respect to an acquisition proposal.

Upon the termination of the Merger Agreement in accordance with its terms and payment of a termination fee by DCB Financial, if required by the Merger Agreement, neither party will have any continuing liability to the other party, except for liabilities or damages arising from a willful breach of the Merger Agreement or fraud.

Management and Operations After the Merger

First Commonwealth's officers and directors serving at the effective time of the Merger will continue to serve as First Commonwealth's officers and directors until such time as their successors have been duly elected or appointed and qualified or until their earlier resignation, death, or removal from office. At the time the Merger is completed, the

board of directors of First Commonwealth will be enlarged by one seat, and one DCB Financial director, as mutually agreed upon by First Commonwealth and DCB Financial, will be appointed to the vacant seat. First Commonwealth's articles of incorporation and by-laws in existence as of the effective time of the Merger will remain First Commonwealth's articles of incorporation and by-laws following the effective time, until such articles of incorporation and by-laws are further amended as provided by applicable law.

Table of Contents

Closing Date of the Merger

Unless otherwise mutually agreed to by the parties, the closing of the Merger is expected to occur on the first business day of the month immediately following the month in which satisfaction or waiver of the latest of the closing conditions shall have occurred. The parties currently anticipate closing the Merger in the second quarter of 2017. The Merger Agreement provides that the closing date of the Merger will not occur before April 1, 2017.

Regulatory Approvals for the Merger

Under the terms of the Merger Agreement, the Merger cannot be completed until First Commonwealth receives necessary regulatory approvals, which include the approval of the FDIC, PaDBS and the Federal Reserve Board. First Commonwealth has filed applications with the FDIC and the PaDBS for approval, however, First Commonwealth cannot be certain when or if such approval will be obtained. On November 18, 2016, First Commonwealth submitted a request to the Federal Reserve Board for a waiver of the Federal Reserve's application requirements. In the event that a waiver is not granted, First Commonwealth will file an application with the Federal Reserve for approval of the Merger. In addition, the Bank Merger is also subject to the non-objection of the Ohio Department of Commerce, Division of Financial Institutions. Although First Commonwealth does not know of any reason why it cannot obtain these regulatory approvals or waivers in a timely manner, it cannot be certain when, or if, they will be obtained.

Voting Agreement

As of the record date, the directors of DCB Financial beneficially owned 1,671,182 common shares, or approximately 22.77% of the outstanding DCB Financial common shares. In connection with the execution of the Merger Agreement, First Commonwealth entered into a voting agreement with all of the directors of DCB Financial pursuant to which the directors agreed to vote their shares in favor of approval and adoption of the Merger Agreement.

Accounting Treatment of the Merger

First Commonwealth will account for the Merger under the acquisition method of accounting in accordance with United States generally accepted accounting principles. Using the acquisition method of accounting, the assets (including identified intangible assets) and liabilities of DCB Financial will be recorded by First Commonwealth at their respective fair values at the time of the completion of the Merger. The excess of First Commonwealth's purchase price over the net fair value of the tangible and identified intangible assets acquired less liabilities assumed will be recorded as goodwill.

New York Stock Exchange Listing

First Commonwealth common stock currently is listed on the New York Stock Exchange under the symbol FCF. The shares to be issued to the DCB Financial shareholders in the Merger will be eligible for trading on the New York Stock Exchange.

Table of Contents**DISSENTERS' RIGHTS OF DCB FINANCIAL SHAREHOLDERS**

DCB Financial shareholders who do not vote in favor of the Merger proposal and who properly demand payment of fair cash value of their shares are entitled to certain dissenters' rights pursuant to Sections 1701.84(A) and 1701.85 of the OGCL. Section 1701.85 generally provides that shareholders of DCB Financial will not be entitled to such rights without strict compliance with the procedures set forth in Section 1701.85, and failure to take any one of the required steps may result in the termination or waiver of such rights. Specifically, any DCB Financial shareholder who is a record holder of DCB Financial common shares on , the record date for the DCB Financial special meeting, and whose shares are not voted in favor of the approval and adoption of the Merger proposal may be entitled to be paid the fair cash value of such shares after the effective time of the Merger. To be entitled to such payment, a shareholder must deliver to DCB Financial a written demand for payment of the fair cash value of the shares held by such shareholder before the vote on the Merger proposal is taken, the shareholder must not vote in favor of the Merger proposal, and the shareholder must otherwise comply with Section 1701.85. A DCB Financial shareholder's failure to vote against the Merger proposal will not constitute a waiver of such shareholder's dissenters' rights, as long as such shareholder does not vote in favor of the Merger proposal. Any written demand must specify the shareholder's name and address, the number and class of shares held by him, her or it on the record date, and the amount claimed as the fair cash value of such shares. See the text of Section 1701.85 of the OGCL attached as **Annex C** to this proxy statement and prospectus for specific information on the procedures to be followed in exercising dissenters' rights.

If DCB Financial so requests, dissenting shareholders must submit their share certificates to DCB Financial within 15 days following such request, for endorsement on such certificates by DCB Financial that a demand for appraisal has been made. Failure to comply with such request will terminate the dissenting shareholders' rights, at DCB Financial's option exercised by written notice sent to the applicable dissenting shareholder within 20 days after the lapse of the 15-day period, unless a court for good cause shown otherwise directs. Such certificates will be promptly returned to the dissenting shareholders by DCB Financial. If DCB Financial and any dissenting shareholder cannot agree upon the fair cash value of DCB Financial's common shares, either may, within three months after service of demand by the shareholder, file a petition in the Court of Common Pleas of Delaware County, Ohio, for a determination of the fair cash value of such dissenting shareholder's shares. The fair cash value of a DCB Financial common share to which a dissenting shareholder is entitled under Section 1701.85 will be determined as of the day prior to the vote of the DCB Financial common shareholders. Investment banker opinions to company boards of directors regarding the fairness from a financial point of view of the consideration payable in a transaction, such as the Merger, are not opinions regarding, and do not address, fair cash value under Section 1701.85.

If a DCB Financial common shareholder exercises his or her dissenters' rights under Section 1701.85, all other rights with respect to such shareholder's DCB Financial common shares will be suspended until DCB Financial purchases the shares, or the right to receive the fair cash value is otherwise terminated. All rights of the dissenter with respect to the dissenter's DCB Financial common shares will be reinstated should the right to receive the fair cash value be terminated other than by the purchase of such shares.

The foregoing description of the procedures to be followed in exercising dissenters' rights available to holders of DCB Financial's common shares pursuant to Section 1701.85 of the OGCL may not be complete and is qualified in its entirety by reference to the full text of Section 1701.85 attached as **Annex C** to this proxy statement and prospectus.

Table of Contents**INTERESTS OF DCB FINANCIAL S DIRECTORS AND EXECUTIVE OFFICERS****IN THE MERGER**

In considering the recommendation of the DCB Financial board of directors that you vote to approve the Merger, you should be aware that DCB Financial s directors and executive officers have certain interests in the Merger that may be different from, or in addition to, those of DCB Financial shareholders generally. The DCB Financial board of directors was aware of and considered these potential interests, among other matters, in evaluating and negotiating the Merger Agreement and in recommending to you that you vote to approve the adoption of the Merger Agreement. These interests are further described below.

Non-Employee Directors of DCB Financial

At the time the Merger is completed, the boards of directors of First Commonwealth and First Commonwealth Bank will each be enlarged by one seat, and one DCB Financial director, as mutually agreed upon by First Commonwealth and DCB Financial, will be appointed to serve on the First Commonwealth and First Commonwealth Bank boards of directors.

Executive Officers of DCB Financial

The executive officers of DCB Financial are entitled to accelerated vesting of certain equity and other incentive compensation upon completion of the Merger, the payment of certain severance benefits under certain circumstances after the completion of the Merger, and such other benefits described below. In addition, certain of DCB Financial's executive officers may continue in employment with First Commonwealth following the consummation of the Merger. To the extent the payment and benefits to an executive would be subject to the "golden parachute" excise taxes under the Code, each executive's amount will be subject to reduction to a level that is not subject to such taxes.

Table of Contents

Restricted Shares. Under the terms of the Merger Agreement, DCB Financial restricted shares will immediately vest upon the completion of the Merger and the holders of such restricted shares will be eligible to receive the Merger Consideration. As of (the latest practicable date prior to the filing of this proxy statement and prospectus), the executive officers of DCB Financial, as a group, held 83,140 DCB Financial restricted shares, which will be accelerated and will vest upon the completion of the Merger. The outstanding restricted shares held by executive officers of DCB Financial have an aggregate value of \$1,123,221, based on the average per-share closing price over the first five business days following the public announcement of the Merger Agreement on October 3, 2016. See *Interests of DCB Financial's Directors and Executive Officers in the Merger Merger-Related Compensation*, beginning on page below for specific amounts payable to the named executive officers of DCB Financial.

Stock Options. Under the terms of the Merger Agreement, each option to purchase DCB Financial common shares granted under the DCB Financial 2004 Long-Term Stock Incentive Plan will fully vest and be converted into the right to receive cash equal to the amount by which the option payment amount exceeds the exercise price per share of the DCB Financial stock option multiplied by the number of DCB Financial common shares previously subject to such stock option. From and after the completion of the Merger, any DCB Financial stock option outstanding will be cancelled and no longer exercisable by the former holder. As of (the latest practicable date prior to the filing of this proxy statement and prospectus), a total of 2,756 unvested stock options were held by the executive officers of DCB Financial. These unvested stock options will vest upon the completion of the Merger and have an aggregate value of \$24,832 based on the average per-share closing price over the first five business days following the public announcement of the Merger Agreement on October 3, 2016 minus the average per share exercise price of such unvested stock options of \$4.50. See *Interests of DCB Financial's Directors and Executive Officers in the Merger Merger-Related Compensation*, beginning on page below for specific amounts payable to the named executive officers of DCB Financial.

Deferred Compensation Plan. DCB Financial allows certain individuals to participate in its executive deferred compensation plan. As specified in the executive deferred compensation plan, if a participant in the plan is terminated in an involuntary termination within twelve months of a change of control, then the participant will receive a payment equal to 100% of the employee's vested and unvested deferred compensation account balance. For purposes of the plan, an involuntary termination is defined as (1) any removal of the participant from his or her position unless for cause, disability, retirement, or as a result of the participant's death; (2) any change in who the participant reports to; (3) any change in the participant's material duties or responsibilities; (4) a reduction in the participant's base salary; (5) any reduction in the participant's benefits, such as a reduction in vacation days; (6) the participant's principal place of work is relocated to a position more than 30 miles from Delaware, Ohio; or (7) any successor company to DCB Financial fails to assume the deferred compensation plan. The aggregate value of the accelerated vesting of the unvested deferred compensation account balances, assuming such executive officers are terminated immediately following the closing of the Merger, is \$37,194. See *Interests of DCB Financial's Directors and Executive Officers in the Merger Merger-Related Compensation*, beginning on page below for specific amounts payable to the named executive officers of DCB Financial.

Discretionary Bonuses. Under the Merger Agreement, the compensation committee of DCB Financial may allocate up to \$350,000 in discretionary bonuses to employees of DCB Financial and its subsidiaries, including the executive officers of DCB Financial.

Employment Agreements. DCB Financial has an employment agreement with Ronald J. Seiffert. Under the employment agreement, if Mr. Seiffert's employment is terminated by DCB Financial in connection with or within two years after a change of control, for any reason other than just cause or Mr. Seiffert terminates his employment for good reason, then Mr. Seiffert will be entitled to a lump sum payment of an amount equal to three times his average annual cash compensation during the three full taxable years preceding the change of control and to a lump sum

payment equal to three times DCB Financial's annual cost of providing health, life and long-term disability coverages and other fringe benefits. Further, all forms of equity-based compensation, including unexpired stock options and unvested restricted shares shall accelerate and become fully vested and, in the case of options, exercisable.

Table of Contents

For the purposes of the employment agreement, "good reason" is defined as: (1) a material reduction in Mr. Seiffert's total compensation (including accrued bonus or benefits); (2) an adverse change in Mr. Seiffert's authority, duties, or responsibilities as President and Chief Executive Officer; (3) a requirement that Mr. Seiffert report to a corporate officer or employee instead of reporting directly to the board of directors; (4) a change in the geographic location at which Mr. Seiffert must perform the services, which shall include being asked to relocate more than 50 miles from Delaware, Ohio; or (5) any other action or inaction that constitutes a material breach of the employment agreement. At the time of termination of employment, if Mr. Seiffert is considered a specified employee as defined under Section 409A of the Code, payments pursuant to Mr. Seiffert's employment agreement that are nonqualified deferred compensation within the meaning of Section 409A of the Code will start on the first day of the seventh month following separation from service instead of the payment schedule otherwise noted.

DCB Financial also has an employment agreement with J. Daniel Mohr. Under the employment agreement, if Mr. Mohr's employment is terminated by DCB Financial in connection with or within two years after a change of control, for any reason other than just cause or Mr. Mohr terminates his employment for "good reason," then Mr. Mohr will be entitled to a lump sum payment of an amount equal to two times his average annual cash compensation during the three full taxable years preceding the change of control and to a lump sum payment equal to two times DCB Financial's annual cost of providing health, life and long-term disability coverages and other fringe benefits. Further, if there is a change of control, then all forms of equity-based compensation, including unexpired stock options and unvested restricted shares shall accelerate and become fully vested and, in the case of options, exercisable.

For the purposes of the employment agreement, "good reason" is defined as: (1) a material reduction in Mr. Mohr's total compensation (including accrued bonus or benefits); (2) an adverse change in Mr. Mohr's authority, duties, or responsibilities as Executive Vice President and Chief Financial Officer; (3) a requirement that Mr. Mohr report to a corporate officer or employee instead of reporting directly to the chief executive officer or board of directors; (4) a change in the geographic location at which Mr. Mohr must perform the services, which shall include being asked to relocate more than 50 miles from Delaware, Ohio; or (5) any other action or inaction that constitutes a material breach of the employment agreement. At the time of termination of employment, if Mr. Mohr is considered a specified employee as defined under Section 409A of the Code, payments pursuant to Mr. Mohr's employment agreement that are nonqualified deferred compensation within the meaning of Section 409A of the Code will start on the first day of the seventh month following separation from service instead of the payment schedule otherwise noted.

Change of Control Agreements with Executive Officers. DCB Financial has entered into substantially similar change of control agreements with each of David R. Archibald, Daniel M. Roberts, and Roger A. Lossing, who are executive officers of DCB Financial. As specified in the agreements, if an executive is terminated by DCB Financial for any reason other than just cause or if such executive voluntarily terminates his own employment as the result of a constructive termination, within two years of a change of control, DCB Financial will (1) pay as a lump sum an amount equal to 100% of the executive's annual compensation; (2) pay the premiums required to maintain COBRA coverage until the earlier of: (i) such executive is no longer eligible to receive COBRA coverage, (ii) 24 months after the termination, or (iii) such time that such executive obtains new employment offering health insurance coverage; and (3) all forms of equity-based compensation, including unexpired stock options and unvested restricted shares shall accelerate and become fully vested and, in the case of options, exercisable. Any such terminated executive will also be paid unpaid base salary which came due prior to termination, accrued and unused vacation pay, and unreimbursed expenses in a lump sum after termination.

For the purposes of the change of control agreement "constructive termination" is defined as: (1) a material reduction of an executive's base salary; (2) a material reduction of an executive's responsibilities; or (3) a relocation of an executive's principal workplace to an area outside of Central Ohio. At the time of termination of employment, if the executive is considered a specified employee as defined under Section 409A of the Code, payments pursuant to the change of

control agreements that are nonqualified deferred compensation within the

Table of Contents

meaning of Section 409A of the Code will start on the first day of the seventh month following separation from service instead of the payment schedule otherwise noted. The aggregate value of the severance payments and benefits to be provided to Messrs. Archibald, Roberts, and Lossing of DCB Financial pursuant to change of control agreements, assuming such executives are terminated immediately following the closing of the Merger, is \$560,793.

Indemnification; Directors and Officers Insurance.

The Merger Agreement provides that for a period of six years after the effective time, all rights to indemnification of DCB Financial's officers and directors under its articles of incorporation and code of regulations will survive the Merger and be assumed by First Commonwealth.

The Merger Agreement permits DCB Financial to purchase an extended reporting period endorsement under its existing directors' and officers' liability insurance coverage providing coverage to DCB Financial's directors and officers for six (6) years following the effective time of the Merger; provided that the aggregate cost of such endorsement may not exceed 200% of the current annual premium (referred to as the premium limit). If the cost would exceed the premium limit, DCB Financial may purchase such lesser amount of coverage as may be obtained by spending the premium limit.

Merger-Related Compensation

In accordance with Item 402(t) of Regulation S-K, the table below sets forth the estimated amounts of compensation that are based on or otherwise related to the Merger and that may be payable to those individuals for whom disclosure by DCB Financial was most recently required under Item 402(c) of Regulation S-K (i.e., the individuals identified in the Summary Compensation Table in DCB Financial's 2016 proxy statement), who are referenced below as DCB Financial's named executive officers. See the section entitled *Interests of DCB Financial's Directors and Executive Officers in the Merger* beginning on page for further information about the compensation disclosed in the table below.

The figures in the table are estimated based on compensation levels as of the date of this document and an assumed closing date of the Merger of April 3, 2017 (the first business day of the second quarter of calendar year 2017) and, where applicable, termination of the named executive officers' employment. The amounts reported below are estimates based on multiple assumptions that may or may not actually occur or be accurate on the relevant date, including assumptions described in this document, and do not reflect certain compensation actions that will occur before the completion of the Merger (such as bonuses paid for the calendar year 2016). As a result of the foregoing assumptions, the actual amounts, if any, to be received by a named executive officer may materially differ from the amounts set forth below.

Shareholder

Quorum

DCB Financial's code of regulations provides that those shareholders present in person or by proxy holding a majority of the outstanding capital stock constitute a quorum for any meeting of shareholders. In the event of an absence of a quorum at any meeting or at any adjournment thereof, a majority of those present in person or by proxy and entitled to vote may adjourn such meeting from time to time.

First Commonwealth's by-laws provide that the presence in person or by proxy of shareholders entitled to cast at least a majority of the votes that all shareholders are entitled to cast on a particular matter to be acted upon at a meeting of shareholders shall constitute a quorum for the purposes of consideration and action on the matter. If a meeting cannot be organized because a quorum has not attended, the chairman of the meeting or those shares present may adjourn the meeting to such time and place as they may determine.

For both DCB Financial and First Commonwealth a majority of the votes entitled to be cast on a particular matter constitutes a quorum.

Amendment of Code of Regulations / By-Laws

The code of regulations of DCB Financial may be amended or repealed in whole or in part by the affirmative vote of a majority of the outstanding common shares of DCB Financial entitled to vote thereon or by a majority vote of DCB Financial's board of directors. Notwithstanding the foregoing, unless two-thirds of the directors recommend a certain amendment or repeal action, the affirmative vote of eighty percent of the outstanding common shares of DCB Financial entitled to vote is needed to amend or repeal the provisions of the code of regulations governing (1) the number of directors, (2) the election and term of directors, (3), the nominating procedure for directors, (4) the removal of directors, and (5) the procedure for amending the code of regulations.

First Commonwealth's by-laws may be amended or repealed in whole or in part by the affirmative vote of 80% of the outstanding shares of First Commonwealth's common stock or by a majority vote of First Commonwealth's board of directors.

The procedures to amend DCB Financial's code of regulations and First Commonwealth's by-laws are similar, but the minimum shareholder vote required for such an amendment is 80% for First Commonwealth compared with a majority vote for DCB Financial for most provisions.

Action without a Meeting

Any action which may be authorized or taken at a meeting of DCB Financial shareholders may be taken without a meeting if authorized by a writing signed by all shareholders who would be entitled to notice of a meeting called for such purpose.

First Commonwealth's by-laws provide that First Commonwealth's shareholders may take action by written consent in lieu of a meeting with the consent of all of the shareholders who would be entitled to vote thereon at a meeting of the shareholders.

DCB Financial and First Commonwealth have similar requirements for shareholders to act by written consent without a meeting.

preferential rights are superior to those receiving the distributions.

DCB Financial and First Commonwealth may each declare and pay dividends within the restrictions provided by Ohio and Pennsylvania law.

Business

Subject to certain exceptions, the ORC provides that the affirmative vote of the holders of at least two-thirds of the voting power of the corporation's stock is required to approve a merger.

Subject to certain exceptions, the PBCL provides that the affirmative vote of a majority of the outstanding shares entitled to vote shall be required in order to effect the merger or consolidation of a corporation. However, shareholder approval is not required to adopt a plan of merger if (i) the articles of incorporation of the surviving corporation are unchanged as a result of the merger, (ii) each share of the corporation outstanding immediately prior to the effectiveness of the merger is to continue as or be converted into an identical share of the surviving corporation, and (iii) shareholders of the corporation will continue to hold in the aggregate shares of the surviving corporation entitled to cast at least a majority of the votes entitled to be cast generally for the election of directors.

Combinations

DCB Financial's articles of incorporation provide that the affirmative vote of the holders of not less than eighty percent (80%) of the outstanding shares of DCB Financial entitled to vote shall be required to consolidate or merge DCB Financial into or engage in similar business combinations with an interested shareholder (defined generally as a person who beneficially owns 10% or more of the voting stock of DCB Financial), unless the continuing directors (defined generally as directors who served on the board prior to the time that the shareholder became an interested shareholder or who succeeded such directors and are unaffiliated with the interested shareholder) approve the transaction.

First Commonwealth's articles of incorporation provide that in order to effect the merger or consolidation of First Commonwealth into another corporation (other than a merger in which shareholder approval is not required as described above), the affirmative vote of 75% of the outstanding shares entitled to vote is required.

An Ohio corporation may opt out of the provisions of Ohio's control share acquisition statute by adopting an appropriate amendment to its articles of incorporation or

regulations. DCB Financial has amended its articles of incorporation to opt out of the control share acquisition statute.

DCB Financial's articles of incorporation contain business combination provisions requiring a higher vote requirement in the event of transactions with interested shareholders. First Commonwealth's articles of incorporation contain a higher vote requirement for any merger for which shareholder approval is required.

Ohio Anti-Takeover Provisions

Certain provisions of the ORC make a change in control of an Ohio corporation more difficult, even if desired by holders of a majority of the corporation's shares. Provided below is a summary of the Ohio anti-takeover statutes.

Ohio Control Share Acquisition Statute. Section 1701.831 of the ORC, known as the Ohio Control Share Acquisition Statute, generally prohibits a control share acquisition unless the shareholders approve the transaction at a special meeting, at which a quorum is present, by both the affirmative vote of a majority of the voting power of the corporation and by the affirmative vote of a majority of the voting power of the corporation excluding the voting power of interested shareholders. Control share acquisition means any acquisition of an issuer's shares which would entitle the acquirer, immediately after such acquisition, directly or indirectly, to exercise or direct the exercise of voting power of the issuer in the election of directors within any of the following ranges of such voting power: (1) one-fifth or more but less than one-third of such voting power; (2) one-third or more but less than a majority of such voting power; or (3) a majority or more of such voting power.

An Ohio corporation may opt out of the provisions of the Ohio Control Share Acquisition Statute by adopting an appropriate amendment to its articles of incorporation or regulations. The articles of incorporation of DCB Financial provide that DCB Financial is not subject to the provisions of the Ohio Control Share Acquisition Statute.

Ohio Merger Moratorium Statute. Chapter 1704 of the ORC, known as the Ohio Merger Moratorium Statute, prohibits certain transactions (including disposition of assets, mergers and consolidations, voluntary dissolutions and transfer of shares) between an Ohio corporation with 50 or more shareholders and a beneficial owner of 10% or more of the outstanding voting stock of the corporation (interested shareholder) for at least three years after such interested shareholder attains 10% ownership, unless the board of directors of the corporation approves the transaction before such shareholder attains 10% ownership. Subsequent to the three-year period, a business combination may take place provided that certain conditions are satisfied, including: (1) the board of directors approves the transaction; (2) the transaction is approved by the holders of shares with at least two-thirds of the voting power of the corporation (or a different proportion set forth in the articles of incorporation), including at least a majority of the disinterested shareholders; or (3) the business combination results in shareholders, other than the interested shareholder, receiving a fair price plus interest for their shares.

An Ohio corporation may opt out of the provisions of the Ohio Merger Moratorium Statute by adopting an appropriate amendment to its articles of incorporation. DCB Financial has not amended its articles of incorporation to opt out of the provisions of the Ohio Merger Moratorium Statute. However, the provisions of the Ohio Merger Moratorium Statute are not applicable to the proposed merger of DCB Financial with and into First Commonwealth because neither DCB Financial nor First Commonwealth is an interested shareholder of the other as defined in the Ohio Merger Moratorium Statute.

Pennsylvania Anti-Takeover Provisions

Under the PBCL, certain anti-takeover provisions apply to Pennsylvania publicly traded companies including those relating to (i) control share acquisitions, (ii) disgorgement of profits by certain controlling persons, (iii) business combination transactions with interested shareholders and (iv) the rights of shareholders to demand fair value for their stock following a control transaction. Pennsylvania law allows registered corporations to opt-out of any of these anti-takeover provisions. First Commonwealth has not opted out of the anti-takeover provisions listed above. A general summary of the applicable anti-takeover provisions is set forth below.

Control Share Acquisitions. The PBCL limits control share acquisitions relating to the act of acquiring for the first time voting power over voting shares equal to at least 20%, 33 1/3% and 50% of the voting power of the corporation. Once a control share acquisition has occurred, then all shares in excess of the number required to

Table of Contents

meet the applicable threshold, plus shares purchased at any time with the intention of acquiring such voting power and shares purchased within 180 days of the date the triggering threshold was exceeded, are considered control shares. Control shares cannot vote either until their voting rights have been restored by two separate votes of the shareholders, as described below, at a meeting or until they have been transferred to a person who does not thereby also become the holder of control shares.

The holder of control shares may wait until the next annual or special meeting after the acquisition took place to submit the request for the restoration of voting rights to the shareholders, or the acquiring person may accelerate the process by agreeing to underwrite the cost of a special meeting of shareholders for that purpose. In either case, the acquiring person is required to furnish for distribution to the shareholders an information statement containing a detailed disclosure concerning the acquiring person, its intentions with respect to ownership of securities of the corporation and other matters. The restoration of voting rights may only be approved by the affirmative vote of the holders of a majority of the voting power entitled to vote in two separate votes of all of (i) the disinterested shareholders and (ii) the voting shares of the corporation.

For a period of 24 months after the later of (i) a control share acquisition by an acquiring person who does not properly request consideration of voting rights, or (ii) the denial of such a request or lapse of voting rights, the corporation may redeem all the control shares at the average public market sales price of the shares on the date notice of the call for redemption is given by the corporation.

Disgorgement of Profits by Certain Controlling Persons. Under the PBCL, controlling persons (as defined herein) may be required to disgorge profits in the event that (i) any person or group publicly discloses that such person or group may acquire control of the corporation, in any manner, or (ii) a person or group acquires (or publicly discloses an intent to acquire) 20% or more of the voting power of the corporation (each, a controlling person) and, in either case, the controlling person sells shares within 18 months of becoming a controlling person. Any profits from sales of equity securities of the corporation received by the controlling person during such 18-month period will belong to the corporation if the securities that were sold were acquired during the 18-month period or within the 24 month period prior to becoming a controlling person.

Business Combination Transactions with Interested Shareholders. The PBCL prohibits certain business combinations with interested shareholders, defined as persons who acquire the direct or indirect beneficial ownership of shares entitled to cast at least 20% of the votes entitled to be cast for the election of directors. A corporation subject to this provision may not effect mergers or certain other business combinations with the interested shareholder for a period of five years, unless:

the business combination or the acquisition of stock by means of which the interested shareholder became an interested shareholder is approved by the corporation's board of directors prior to such stock acquisition;

the business combination is approved by the affirmative vote of the holders of all the outstanding common shares of the corporation; or

the business combination is approved by the affirmative vote of the holders of a majority of all shares entitled to vote, excluding shares held by the interested shareholders, and at the time of such vote, the interested shareholder is the beneficial owner of at least 80% of the voting shares of the corporation. This

exception applies only if the value of the consideration to be paid by the interested shareholder in connection with the business combination satisfies certain fair price requirements.

After the five-year restricted period, an interested shareholder of the corporation may engage in a business combination with the corporation if (i) the business combination is approved by the affirmative vote of a majority of the shares other than those beneficially owned by the interested shareholder and its affiliates, or (ii) the Merger is approved at a shareholders meeting and certain fair price requirements are met.

Rights of Shareholders to Demand Fair Value for Stock Following a Control Transaction. The PBCL provides, generally, that following a control transaction, any holder of voting shares may, prior to or within a

Table of Contents

reasonable time following the giving of notice by the controlling person, demand that the controlling person pay them the fair value of their shares under specified procedures. Fair value may not be less than the highest price paid per share by the controlling person at any time during the 90-day period ending on and including the date on which the controlling person became such, plus any increment representing any value, such as a control premium, that is not reflected in such price.

UNITED STATES FEDERAL INCOME TAX CONSEQUENCES

General. The following is a summary of the anticipated United States federal income tax consequences generally applicable to a U.S. Holder (as defined below) of DCB Financial common shares with respect to the exchange of DCB Financial common shares for First Commonwealth common stock and/or cash pursuant to the Merger. This discussion assumes that U.S. Holders hold their DCB Financial common shares as capital assets within the meaning of Section 1221 of the Code. This summary is based on the Code, Treasury Regulations, judicial decisions and administrative pronouncements, each as in effect as of the date of this proxy statement and prospectus. All of the foregoing are subject to change at any time, possibly with retroactive effect, and all are subject to differing interpretation. No advance ruling has been sought or obtained from the IRS regarding the United States federal income tax consequences of the Merger. As a result, no assurance can be given that the IRS would not assert, or that a court would not sustain, a position contrary to any of the tax consequences set forth below.

This summary does not address any tax consequences arising under United States federal tax laws other than United States federal income tax laws, nor does it address estate or gift tax laws or the laws of any state, local, foreign or other taxing jurisdiction, nor does it address any aspect of income tax that may be applicable to non-U.S. Holders of DCB Financial common shares, nor does it address any tax imposed on net investment income under Section 1411 of the Code. In addition, this summary does not address all aspects of United States federal income taxation that may apply to U.S. Holders of DCB Financial common shares in light of their particular circumstances or U.S. Holders that are subject to special rules under the Code, such as, but is not limited to, holders of DCB Financial common shares that are partnerships or other pass-through entities (and persons holding their DCB Financial common shares through a partnership or other pass-through entity), persons who acquired DCB Financial common shares as compensation or through a tax-qualified retirement plan, persons subject to the alternative minimum tax, tax-exempt organizations, financial institutions, broker-dealers, traders in securities that have elected to apply a mark-to-market method of accounting, insurance companies, persons having a functional currency other than the U.S. dollar and persons holding their DCB Financial common shares as part of a straddle, hedging, constructive sale or conversion or other integrated transaction.

For purposes of this summary, a U.S. Holder is a beneficial owner of DCB Financial common shares that is for United States federal income tax purposes:

a United States citizen or resident alien;

a corporation, or other entity taxable as a corporation for United States federal income tax purposes, created or organized under the laws of the United States or any state therein or the District of Columbia;

a trust if (1) it is subject to the primary supervision of a court within the United States and one or more United States persons have the authority to control all substantial decisions of the trust, or (2) it was in existence on August 20, 1996 and has a valid election in effect under applicable Treasury Regulations to be treated as a United States person; or

an estate, the income of which is subject to United States federal income taxation regardless of its source.

If a partnership (including an entity treated as a partnership for United States federal income tax purposes) holds DCB Financial common shares, the tax treatment of a partner in the partnership will generally depend on the status of such partner and the activities of the partnership. Partners in a partnership holding DCB Financial common shares should consult their tax advisors.

First Commonwealth and DCB Financial intend the Merger to qualify as a reorganization within the meaning of Section 368(a) of the Code. The obligations of First Commonwealth and DCB Financial to consummate the Merger are conditioned upon the receipt of an opinion from Squire Patton Boggs (US) LLP for

its client, First Commonwealth, and an opinion from Porter, Wright, Morris & Arthur LLP for its client, DCB Financial, to the effect that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Code. These opinions will be based on facts, assumptions and representations set forth or referred to in the opinions and those made by First Commonwealth and DCB Financial, as well as certain covenants and undertakings by First Commonwealth and DCB Financial, including the assumption that the Merger will be completed in the manner described in the Merger Agreement and this proxy statement and prospectus.

Accordingly, and on the basis of the opinions expected to be received in connection herewith, the United States federal income tax consequences of the Merger are, in general, as follows:

Exchange of DCB Financial Common Shares Solely for Shares of First Commonwealth Common Stock. If, pursuant to the Merger, a holder of DCB Financial common shares exchanges all of its shares solely for shares of First Commonwealth common stock, such holder will not recognize any gain or loss (except to the extent that the DCB Financial shareholders receive cash in lieu of any fractional shares of First Commonwealth common stock). The holder's aggregate adjusted tax basis in the shares of the First Commonwealth common stock received in the Merger will be equal to the holder's aggregate adjusted tax basis in its DCB Financial common shares surrendered for the shares of the First Commonwealth common stock, and the holding period for the shares of the First Commonwealth common stock will include the period during which the DCB Financial common shares were held.

Exchange of DCB Financial Common Shares Solely for Cash. If a DCB Financial shareholder receives solely cash in exchange for all of the holder's DCB Financial common shares pursuant to the Merger, such holder will generally recognize gain or loss equal to the difference between the amount of cash received and the aggregate tax basis in the DCB Financial common shares surrendered. Gain or loss must be calculated separately and the holding period must be determined separately for each block of DCB Financial common shares if blocks of DCB Financial common shares were acquired at different times or for different prices. Such gain or loss generally will be long-term capital gain or loss if the holder's holding period for a particular block of DCB Financial common shares exceeds one year at the effective time of the Merger. Although the law in this area is unclear, in certain cases, if a holder actually or constructively owns First Commonwealth common stock immediately after the Merger, it is possible that the total amount of the cash received in the Merger could be treated as having the effect of a distribution of a dividend. In such cases, U.S. holders should consult their tax advisors as to their tax consequences.

Exchange of DCB Financial Common Shares for a Combination of Cash and Shares of First Commonwealth Common Stock. DCB Financial shareholders who exchange all of their DCB Financial common shares for a combination of shares of First Commonwealth common stock and cash in the Merger will generally recognize gain (but not loss) in an amount equal to the lesser of (i) the amount of cash received in the Merger; and (ii) the holder's gain realized (i.e., the excess, if any, of the sum of the amount of cash and the fair market value of the shares of the First Commonwealth common stock received in the Merger over the DCB Financial shareholder's aggregate tax basis in its DCB Financial common shares surrendered in exchange therefor). Any gain recognized upon receipt of a combination of stock and cash will be a long-term capital gain if the holder's holding period exceeds one year at the effective time of the Merger; provided, however, in certain circumstances, a portion of a DCB Financial shareholder's gain could be treated as a dividend if the DCB Financial shareholder's receipt of cash has the effect of a distribution of a dividend, in which case the gain will be treated as a dividend to the extent of the holder's ratable share of DCB Financial's undistributed earnings and profits accumulated after February 28, 1913, as calculated for United States federal income tax purposes.

A DCB Financial shareholder must calculate the amount of gain or loss realized separately for each DCB Financial common share surrendered. U.S. holders of DCB Financial common shares who acquired different blocks of DCB Financial common shares at different times or for different prices should consult their tax advisors regarding the

manner in which gain or loss should be determined.

Table of Contents

A loss realized on one block of DCB Financial common shares cannot be used to offset a realized gain recognized on another block of DCB Financial common shares. A DCB Financial shareholder's aggregate tax basis in its shares of the First Commonwealth common stock received pursuant to the Merger will be equal to the holder's aggregate tax basis in the DCB Financial common shares surrendered pursuant to the Merger, decreased by the amount of cash received and increased by the amount of gain, if any, recognized or any amount treated as a dividend, as described below. A holder's holding period for shares of First Commonwealth common stock received pursuant to the Merger will include the holding period for the block of DCB Financial common shares surrendered in exchange therefor.

For purposes of determining the amount of gain recognized, any express share-by-share designations are intended to comply with certain Treasury regulations issued under Section 358 of the Code. Although the Treasury regulations appear to authorize holders to make economically reasonable express share-by-share designations, it is unclear whether such express designations comply with those Treasury regulations. As a result, no assurance can be given that, if a holder reports gain on its United States federal income tax return on the basis of such express designation, the IRS will not challenge such designations. If the IRS successfully challenged the position taken on such return, then a holder could be required to recalculate its amount of gain recognized through a different allocation method. You should consult your tax advisor with respect to the advisability of making express designations in the form of election.

Potential Treatment of Cash as Dividend. If a DCB Financial shareholder receives a combination of cash and shares of First Commonwealth common stock pursuant to the Merger, any gain recognized may be treated as a dividend for United States federal income tax purposes to the extent of the holder's ratable share of DCB Financial's undistributed earnings and profits accumulated after February 28, 1913, if any, as calculated for United States federal income tax purposes. In general, the determination of whether such gain recognized will be treated as capital gain or has the effect of a distribution of a dividend depends upon whether and to what extent the exchange reduces the holder's deemed percentage of stock ownership of First Commonwealth. For purposes of determining whether the DCB Financial shareholder's receipt of cash has the effect of a distribution of a dividend, the DCB Financial shareholder should be treated as if such holder first exchanged all of such holder's DCB Financial common shares solely in exchange for shares of First Commonwealth common stock and then First Commonwealth immediately redeemed a portion of that stock for the cash that the holder actually received in the Merger (referred to herein as the "deemed redemption"). Receipt of cash will generally not have the effect of a dividend to a DCB Financial shareholder if such receipt is, with respect to the DCB Financial shareholder, not essentially equivalent to a dividend or substantially disproportionate with respect to a holder.

The deemed redemption generally will be substantially disproportionate with respect to a DCB Financial shareholder if the percentage of the outstanding First Commonwealth common stock that the holder actually and constructively owns immediately after the deemed redemption is less than 80% of the percentage of the outstanding First Commonwealth common stock that the holder is deemed actually and constructively to have owned immediately before the deemed redemption (and after the deemed redemption the holder actually or constructively owns less than 50% of the voting power of the outstanding First Commonwealth common stock). In order for the deemed redemption to be not essentially equivalent to a dividend, the deemed redemption must result in a meaningful reduction in the shareholder's deemed percentage stock ownership of First Commonwealth following the Merger. The determination generally requires, based on the facts and circumstances, a comparison of the percentage of the outstanding stock of First Commonwealth the shareholder is considered to have owned immediately before the deemed redemption to the percentage of the outstanding stock of First Commonwealth the shareholder owns immediately after the deemed redemption. The IRS has ruled that a minority shareholder in a publicly held corporation whose relative stock interest is minimal and who exercises no control with respect to corporate affairs is considered to have a meaningful reduction if the shareholder has at least a relatively minor reduction in such shareholder's percentage of stock ownership under the above analysis.

For purposes of applying the foregoing tests, a shareholder will be deemed to own stock the shareholder actually owns and stock the shareholder constructively owns under the attribution rules of Section 318 of the

Table of Contents

Code. Under Section 318 of the Code, a shareholder will be deemed to own the shares of stock owned by certain family members, by certain estates and trusts of which the shareholder is a beneficiary, and by certain affiliated entities, as well as shares of stock subject to an option actually or constructively owned by the shareholder or such other persons. If, after applying these tests, the deemed redemption results in a capital gain, the capital gain will be long-term if the DCB Financial shareholder's holding period for its DCB Financial common shares exceeds one year as of the effective time of the Merger. If, after applying these tests, the deemed redemption results in the gain recognized by a DCB Financial shareholder being classified as a dividend, such dividend will be treated as either ordinary income or qualified dividend income. Qualified dividend income is generally afforded favorable tax treatment. U.S. holders should consult their tax advisors regarding the manner and the extent to which the aforementioned rules apply in their particular circumstances.

Cash Received in Lieu of a Fractional Share Interest. Cash received by a DCB Financial shareholder in lieu of a fractional share interest in First Commonwealth common stock will be treated as though the fractional share had been received and then redeemed for cash, and in general a gain or loss will be recognized, measured by the difference between the amount of cash received and the portion of the basis of the shares of DCB Financial common stock allocable to such fractional interest. Such gain or loss generally will be a long-term capital gain or loss if the holding period for such shares of DCB Financial common stock was more than one year as of the effective date of the Merger. If, however, the receipt of cash instead of a fractional share of First Commonwealth common stock has the effect of the distribution of a dividend with respect to a shareholder, part or all of the cash received may be treated as a dividend.

Backup Withholding and Information Reporting. Payments of cash to a holder of DCB Financial common shares may, under certain circumstances, be subject to information reporting and backup withholding at a rate of 28% of the cash payable to the holder, unless the holder provides proof of an applicable exemption or furnishes its taxpayer identification number, and otherwise complies with all applicable requirements of the backup withholding rules. Any amounts withheld from payments to a holder under the backup withholding rules are not additional tax and will be allowed as a refund or credit against the holder's United States federal income tax liability, provided the required information is furnished in a timely manner to the IRS.

The preceding discussion is intended only as a summary of United States federal income tax consequences of the Merger. It is not a complete analysis or discussion of all potential tax effects that may be important to you. Thus, DCB Financial shareholders should consult their tax advisors as to the specific tax consequences to them resulting from the Merger, including tax return reporting requirements, the applicability and effect of federal, state, local, and other applicable tax laws and the effect of any proposed changes in the tax laws.

PROPOSAL 2 NON-BINDING ADVISORY VOTE ON MERGER-RELATED COMPENSATION

As required by Section 14A of the Exchange Act and Rule 14a-21(c) promulgated thereunder, DCB Financial is required to submit a proposal to its shareholders for a non-binding advisory vote to approve the compensation that may be paid or become payable to the named executive officers of DCB Financial that is based on or otherwise relates to completion of the Merger (the Merger-Related Compensation).

The Merger-Related Compensation is disclosed in the table entitled *Golden Parachute Compensation*, along with a narrative description of such compensation, in *Interests of DCB Financial's Directors and Executive Officers in the Merger*, beginning on page .

As required by Rule 14a-21(c) of the Exchange Act, DCB Financial is requesting its shareholders to approve and adopt the following resolution:

RESOLVED, that the compensation that may be paid or become payable to the named executive officers of DCB Financial Corp that is based on or otherwise relates to completion of the Merger of DCB Financial Corp with and into First Commonwealth Financial Corporation, and the agreements and understandings concerning such compensation, as disclosed pursuant to Item 402(t) of Regulation S-K, are hereby APPROVED.

The approval of the Merger-Related Compensation proposal is not a condition to the Merger and is a vote separate and apart from the vote to approve and adopt the Merger Agreement. Accordingly, you may vote to approve the Merger-Related Compensation payable to the named executive officers of DCB Financial in connection with the Merger and vote not to approve and adopt the Merger Agreement and vice versa. Because this proposal is advisory in nature only, a vote for or against approval will not be binding on either DCB Financial or First Commonwealth. Accordingly, as the Merger-Related Compensation is contractual, regardless of the outcome of the vote on this proposal, such compensation will be payable, subject only to the conditions applicable thereto, if the Merger is completed.

The DCB Financial board of directors unanimously recommends that DCB Financial shareholders vote *FOR* approval of the Merger-Related Compensation Proposal.

PROPOSAL 3 ADJOURNMENT OF THE SPECIAL MEETING

The shareholders of DCB Financial are being asked to approve a proposal to adjourn or postpone the special meeting to permit further solicitation of proxies if there are not sufficient votes to approve and adopt the Merger Agreement at the time of the special meeting. Under the OGCL, the holders of at least two-thirds of the outstanding DCB Financial common shares entitled to vote are required to approve and adopt the Merger Agreement by the time of the special meeting.

If, at the special meeting, the number of DCB Financial common shares present or represented and voting in favor of the Merger is insufficient to approve the Merger, DCB Financial intends to move to adjourn the special meeting in order to enable the DCB Financial board of directors to solicit additional proxies for approval of the Merger. The adjournment proposal relates only to an adjournment of the special meeting for purposes of soliciting additional proxies to obtain the requisite shareholder approval to approve and adopt the Merger Agreement. Any other adjournment of the special meeting (e.g., an adjournment required because of the absence of a quorum) would be voted upon pursuant to the discretionary authority granted by the proxy card. If the special meeting is adjourned, DCB Financial is not required to give notice of the time and place of the adjourned meeting unless the board of directors fixes a new record date for the special meeting.

The proposal to approve one or more adjournments of the special meeting requires the affirmative vote of a majority of those present in person or by proxy and entitled to vote on the proposal. The DCB Financial board of directors retains full authority to the extent set forth in DCB Financial's code of regulations and the OGCL to adjourn the special meeting for any other purpose, or to postpone the special meeting before it is convened, without the consent of any DCB Financial shareholders.

The DCB Financial board of directors unanimously recommends that DCB Financial shareholders vote *FOR* approval of the Adjournment Proposal.

WHEREAS, the parties intend the Merger to qualify as a reorganization within the meaning of Section 368(a)(1)(A) of the Internal Revenue Code of 1986, as amended (the Code), and that this Agreement shall constitute a plan of reorganization for purposes of Sections 354 and 361 of the Code and 1.368-2(g) of the Treasury Regulations promulgated thereunder; and

MERGER CONSIDERATION; EXCHANGE PROCEDURES

2.1. Merger Consideration. Subject to the provisions of this Agreement, at the Effective Time, automatically by virtue of the Merger and without any action on the part of Buyer, the Company, any shareholder of the Company or any shareholder of Buyer:

(a) Each share of common stock, par value \$1.00 per share, of Buyer (Buyer Common Stock) that is issued and outstanding immediately prior to the Effective Time shall remain issued and outstanding following the Effective Time and shall be unchanged by the Merger.

(b) Each common share, no par value, of the Company (Company Common Stock) held as Treasury Stock immediately prior to the Effective Time shall be cancelled and retired at the Effective Time without any conversion thereof, and no payment shall be made with respect thereto.

(c) Subject to Section 2.3, each share of Company Common Stock issued and outstanding immediately prior to the Effective Time (other than Treasury Stock and Dissenting Shares) shall become and be converted into, as provided in and subject to the limitations set forth in this Agreement, the right to receive, either (i) the right to receive 1.427 shares the Exchange Ratio) of Buyer Common Stock (the Share Option) or (ii) a cash payment in the amount of \$14.50 (the Cash Option) (collectively, the Merger Consideration). Subject to the provisions and limitations of Section 2.6, a holder of Company Common Stock shall be entitled to elect the Share Option for all shares held of record, the Cash Option for all shares held of record, or the Share Option for a portion of the shares held of record and the Cash Option for a portion of the Shares held of record.

2.2. Rights as Shareholders; Stock Transfers. All Company Common Stock, when converted as provided in Section 2.1(c), shall no longer be outstanding and shall automatically be cancelled and retired and shall cease to exist at the Effective Time, and each certificate (each, an Old Certificate it being understood that any reference herein to Old Certificate shall be deemed to include references to book-entry account statements relating to the ownership of shares

At the

Effective Time, holders of Company Common Stock shall cease to be, and shall have no rights as, shareholders of the Company, other than the right to receive the Merger Consideration and cash in lieu of fractional shares of Buyer Common Stock as provided under this ARTICLE II. After the Effective Time, there shall be no transfers on the stock transfer books of the Company of shares of Company Common Stock, other than transfers of Company Common Stock that have occurred prior to the Effective Time.

2.3. Fractional Shares. Notwithstanding any other provision hereof, no fractional shares of Buyer Common Stock and no certificates or scrip therefor, or other evidence of ownership thereof, will be issued in the Merger. In lieu thereof, Buyer shall pay to each holder of a fractional share of Buyer Common Stock an amount of cash (without interest) determined by multiplying the fractional share interest to which such holder would otherwise be entitled by the average of the daily closing prices during the regular session of Buyer Common Stock on the New York Stock Exchange (NYSE) (as reported in *The Wall Street Journal* or, if not reported therein, in another authoritative source) for the five (5) consecutive trading days ending on the Business Day immediately prior to the Closing Date, rounded to the nearest whole cent (the Buyer Share Closing Price).

2.4. Dissenters Rights. Notwithstanding anything in this Agreement to the contrary, any issued and outstanding shares of Company Common Stock held by a person (a Dissenting Shareholder) who has not voted in favor of, or consented to, the adoption of this Agreement and has complied with all the provisions of the OGCL concerning the rights of holders of shares of Company Common Stock to require payment of fair cash value of such Company Common Stock (the Dissenting Shares), in accordance with Section 1701.84 and 1701.85 of the OGCL, shall not be converted into the right to receive the Merger Consideration as described in Section 2.1(c), but shall become the right to receive such consideration as may be determined to be due to such Dissenting Shareholder pursuant to the procedures set forth in Section 1701.85 of the OGCL. If such Dissenting Shareholder withdraws its demand for fair cash value or fails to perfect or otherwise loses its rights as a dissenting shareholder, in any case under the OGCL, each of such Dissenting Shareholder's shares of Company Common Stock shall thereupon be treated as though such shares of Company Common Stock had been converted into the right to receive the Merger Consideration pursuant to Section 2.1(c). The Company shall notify Buyer of each shareholder who asserts rights as a Dissenting Shareholder promptly following receipt of such Shareholder's written demand delivered as provided in Section 1701.85 of the OGCL. Prior to the Effective Time, the Company shall not, except with the prior written consent of Buyer, voluntarily make any payment, or settle or commit to settle or offer to settle any rights of a Dissenting Shareholder asserted under Section 1701.85 of the OGCL.

2.5. Election. An election form (the Election Form) shall be mailed to each record holder of Company Common Stock as of the record date (the Special Record Date) fixed for the Company Meeting (as defined below). In addition, commercially reasonable efforts will be made to make the Election Form available to all persons who become shareholders of the Company between the Special Record Date and the Election Deadline (as defined below). The deadline for receipt of such Election Forms shall be the close of business on the Business Day immediately prior to the Company Meeting, or such other later date mutually agreed to by the Company and Buyer (the Election Deadline). The Election Forms shall be mailed to each record holder of Company Common Stock as of the Special Record Date to elect, subject to Section 2.6, to have all of such holder's shares exchanged in the Merger into either the Share Option, the Cash Option, or a combination of the Share Option and the Cash Option. An election shall be duly made by completing the Election Form and any other required documents in accordance with the instructions set forth therein and delivering them on or before 5:00 p.m., Eastern time, on the Election Deadline to the Exchange Agent or to such other person or persons mutually agreed upon by the Company and Buyer to receive elections. Shares of Company Common Stock as to which the Stock Option have been elected are referred to herein as Stock Election Shares. Shares of Company Common Stock as to which the Cash Option has been elected are referred to as Cash Election Shares. Shares of Company Common Stock as to which no valid election has been made by the Election Deadline are referred to as Non-Election Shares.

2.6. Diversity of Payments.

(a) In the event the number of Cash Election Shares would entitle the holders of such shares (and shareholders of the Company receiving cash payments for fractional shares) to receive \$21,283,773 (the Cash Payment Target) in cash, then all Share Option and Cash Option elections of the holders of Company Common Stock shall be honored (and each in its entirety) and all Non-Election Shares shall be treated as Stock Election Shares. For purposes of this determination, any Dissenting Shares shall be counted as though they were Cash Election Shares.

(b) In the event that the amount of cash to be received by holders of Cash Election Shares (including Dissenting Shares) and shareholders of the Company receiving cash payments for fractional shares pursuant to the terms of this Agreement would result in cash payments of more than the Cash Payment Target, then:

(i) the Non-Election Shares shall be treated as Stock Election Shares; and

(ii) the Cash Election Shares (not including any Dissenting Shares) shall be converted into Stock Election Shares pro rata (based on the total number of Stock Election Shares),

until the total remaining number of Cash Election Shares is such that the Merger will (A) result in cash payments (including Dissenting Shares and fractional shares) of equal or as nearly equal as possible to the Cash Payment Target and (B) satisfy the continuity of interest requirement applicable to tax-free reorganizations under the Code.

(c) In the event that the amount of cash to be received by holders of Cash Election Shares (including Dissenting Shares) and shareholders of the Company receiving cash payments for fractional shares pursuant to the terms of this Agreement would result in cash payments of less than the Cash Payment Target, then:

(i) First, the Non-Election Shares shall be treated as Cash Election Shares or Stock Election Shares, as necessary, pro rata (based on the total number of Cash Election Shares); and

(ii) Second, the Stock Election Shares (not including any Dissenting Shares) shall be converted into Cash Election Shares pro rata (based on the total number of Cash Election Shares),

until the total remaining number of Cash Election Shares is such that the Merger will (A) result in cash payments (including Dissenting Shares and fractional shares) of equal or as nearly equal as possible to the Cash Payment Target and (B) satisfy the continuity of interest requirement applicable to tax-free reorganizations under the Code.

(d) Buyer and the Company shall mutually determine the validity of elections submitted by shareholders of the Company.

(e) A holder of Company Common Stock that is a bank, trust company, security broker-dealer, or other recognized nominee, may submit one or more Election Forms for the persons for whom it holds shares as nominee provided that such bank, trust company, security broker-dealer or nominee certifies to the satisfaction of Buyer and the Company the names of persons for whom it is so holding shares (the Beneficial Owners). In such case, each Beneficial Owner for whom an Election Form is submitted shall be treated as a separate owner for purposes of the election procedures and allocation of shares set forth herein.

(f) Buyer and the Company may, upon mutual agreement, apply the adjustments set forth in this Section 2.6 only to such extent and to such number of shareholders of the Company as is necessary to accomplish the objectives of this Section 2.6 and to otherwise assure that the Merger will qualify as a tax-free reorganization.

2.7. Exchange Procedures.

(a) At or before the Effective Time, for the benefit of the holders of Old Certificates, (i) Buyer shall cause to be delivered to a bank or trust company designated by Buyer and reasonably satisfactory to the

Company (the Exchange Agent), for exchange in accordance with this ARTICLE II, certificates representing the shares of Buyer Common Stock issuable pursuant to this ARTICLE II (New Certificates) and (ii) Buyer shall deliver, or shall cause to be delivered, to the Exchange Agent an aggregate amount of cash sufficient to pay the Cash Option (the Cash Consideration) and the estimated amount of cash to be paid in lieu of fractional shares of Buyer Common Stock (such New Certificates and cash hereinafter referred to as the Exchange Fund).

(b) As promptly as practicable following the Effective Time, but in no event later than seven (7) Business Days thereafter, and provided that the Company has delivered, or caused to be delivered, to the Exchange Agent all information which is necessary for the Exchange Agent to perform its obligations as specified herein, the Exchange Agent shall mail to each holder of record of an Old Certificate or Old Certificates representing shares of Company Common Stock immediately prior to the Effective Time that have been converted at the Effective Time into the right to receive the Merger Consideration pursuant to this Agreement, a form of letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Old Certificates shall pass, only upon delivery of the Old Certificates to the Exchange Agent) and instructions for use in effecting the surrender of the Old Certificates in exchange for the Merger Consideration to which such holder of Company Common Stock shall have become entitled to receive in accordance with, and subject to Section 2.1 and Section 2.3 of this Agreement. Upon proper surrender of an Old Certificate for exchange and cancellation to the Exchange Agent, together with a properly completed letter of transmittal, duly executed, the holder of such Old Certificate shall be entitled to receive in exchange therefor, as applicable, (i) a New Certificate representing that number of shares of Buyer Common Stock, if any, to which such former holder of Company Common Stock shall have become entitled pursuant to this Agreement and (ii) a check representing (1) the Cash Consideration, (2) the amount of cash (if any) payable in lieu of a fractional share of Buyer Common Stock which such former holder has the right to receive in respect of the Old Certificate surrendered pursuant to this Agreement and (3) any dividends or distributions which the holder thereof has the right to receive pursuant to Section 2.7(c), and the Old Certificate so surrendered shall forthwith be cancelled. Until surrendered as contemplated by this Section 2.7(b), each Old Certificate (other than Old Certificates representing Treasury Stock and subject to Section 2.4) shall be deemed at any time after the Effective Time to represent only the right to receive upon such surrender the Merger Consideration provided in Section 2.1 and Section 2.3 and any unpaid dividends and distributions thereon as provided in Section 2.7(c). No interest shall be paid or accrued on (x) the Cash Consideration (y) any cash in lieu of fractional shares or (z) any such unpaid dividends and distributions payable to holders of Certificates.

(c) No dividends or other distributions with a record date after the Effective Time with respect to Buyer Common Stock shall be paid to the holder of any unsurrendered Old Certificate until the holder thereof shall surrender such Old Certificate in accordance with this Section 2.7. After the surrender of an Old Certificate in accordance with this Section 2.7, the record holder thereof shall be entitled to receive any such dividends or other distributions, without any interest thereon, which theretofore had become payable with respect to shares of Buyer Common Stock represented by such Old Certificate.

(d) The Exchange Agent and Buyer, as the case may be, shall not be obligated to deliver a New Certificate or New Certificates representing shares of Buyer Common Stock and/or the Cash Consideration (or any cash in lieu of fractional shares) to which a holder of Company Common Stock would otherwise be entitled as a result of the Merger until such holder surrenders the Old Certificate or Old Certificates representing the shares of Company Common Stock for exchange as provided in this Section 2.7, or an appropriate affidavit of loss and indemnity agreement and/or a bond in an amount as may be required in each case by Buyer. If any New Certificates evidencing shares of Buyer Common Stock are to be issued in a name other than that in which the Old Certificate evidencing Company Common Stock surrendered in exchange therefor is registered, it shall be a condition of the issuance thereof that the Old Certificate so surrendered shall be properly endorsed or accompanied by an executed form of assignment separate from the Old Certificate and otherwise in proper form for transfer, and that the Person requesting such exchange pay

to the Exchange Agent any transfer or other tax required by reason of the issuance of a New Certificate for shares of Buyer Common Stock in any name other than that of the registered holder of the Old Certificate surrendered or otherwise establish to the satisfaction of the Exchange Agent that such tax has been paid or is not payable.

(e) Any portion of the Exchange Fund that remains unclaimed by the shareholders of the Company for one (1) year after the Effective Time (as well as any interest or proceeds from any investment thereof) shall be delivered by the Exchange Agent to Buyer. Any shareholders of the Company who have not theretofore complied with Section 2.7(b) shall thereafter look only to the Surviving Corporation for the Merger Consideration deliverable in respect of each share of Company Common Stock such shareholder holds as determined pursuant to this Agreement, in each case without any interest thereon. If outstanding Old Certificates for shares of Company Common Stock are not surrendered or the payment for them is not claimed prior to the date on which such shares of Buyer Common Stock or cash would otherwise escheat to or become the property of any governmental unit or agency, the unclaimed items shall, to the extent permitted by abandoned property and any other applicable law, become the property of Buyer (and to the extent not in its possession shall be delivered to it), free and clear of all claims or interest of any Person previously entitled to such property. Neither the Exchange Agent nor any party to this Agreement shall be liable to any holder of shares of Company Common Stock represented by any Old Certificate for any consideration paid to a public official pursuant to applicable abandoned property, escheat or similar laws. Buyer and the Exchange Agent shall be entitled to rely upon the stock transfer books of the Company to establish the identity of those Persons entitled to receive the Merger Consideration specified in this Agreement, which books shall be conclusive with respect thereto. In the event of a dispute with respect to ownership of any shares of Company Common Stock represented by any Old Certificate, Buyer and the Exchange Agent shall be entitled to deposit any Merger Consideration represented thereby in escrow with an independent third party and thereafter be relieved with respect to any claims thereto.

(f) Buyer (through the Exchange Agent, if applicable) shall be entitled to deduct and withhold from any amounts otherwise payable pursuant to this Agreement to any holder of shares of Company Common Stock such amounts as Buyer is required to deduct and withhold under applicable law. Any amounts so deducted and withheld shall be treated for all purposes of this Agreement as having been paid to the holder of Company Common Stock in respect of which such deduction and withholding was made by Buyer.

(g) In the event any Old Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Old Certificate to be lost, stolen or destroyed and, if requested by Buyer, the posting by such person of a bond in such amount as Buyer may determine is reasonably necessary as indemnity against any claim that may be made against it with respect to such Old Certificate, the Exchange Agent or Buyer, as applicable, will issue in exchange for such lost, stolen or destroyed Old Certificate the Merger Consideration and any cash in lieu of fractional shares deliverable in respect thereof pursuant to this Agreement.

2.8. Anti-Dilution Provisions. In the event Buyer or the Company changes (or establishes a record date for changing) the number of, or provides for the exchange of, shares of Buyer Common Stock or Company Common Stock issued and outstanding prior to the Effective Time as a result of a stock split, reverse stock split, stock dividend, recapitalization, reorganization, reclassification, or similar transaction with respect to the outstanding Buyer Common Stock or Company Common Stock and the record date therefor shall be prior to the Effective Time, or there is any special or extraordinary dividend or distribution, the Exchange Ratio and, if appropriate, Cash Option shall be proportionately and appropriately adjusted.

2.9. Equity Based Awards.

(a) As of the Effective Time, all restricted shares of Company Common Stock granted under the Company's 2014 Restricted Stock Plan shall vest in full so as to no longer be subject to any forfeiture or vesting requirements pursuant to the terms of the 2014 Restricted Stock Plan, and all such shares of Company Common Stock shall be considered outstanding shares for all purposes of this Agreement, including, without limitation, for purposes of the right to receive the Merger Consideration with respect thereto. The Company Board (or, if appropriate, any committee thereof administering the 2014 Restricted Stock Plan) shall adopt such resolutions or take such other actions as may be

required to effect the foregoing.

(b) As of the Effective Time, each option granted by the Company to purchase shares of Company Common Stock under the DCB Financial Corp 2004 Long-Term Stock Incentive Plan that is outstanding and

Table of Contents

unexercised immediately prior to the Effective Time (a Company Stock Option), whether or not vested or exercisable, shall be cancelled and cease to represent an option to purchase Company Common Stock and shall be converted automatically into the right to receive a cash payment from the Buyer in an amount equal to the product of (i) the positive difference, if any, between the Per Company Share Cash Equivalent Consideration (as defined below) and the exercise price of such Company Stock Option and (ii) the number of shares of Company Common Stock subject to such Company Stock Option (the Option Consideration). If the exercise price of a Company Stock Option exceeds the Per Company Share Cash Equivalent Consideration, then at the Effective Time such Company Stock Option shall be cancelled without any payment made in exchange therefor. The payment of the Option Consideration referred to above shall be subject to each such option holder executing such instruments of cancellation as Company and Buyer may reasonably deem appropriate. The Company shall make the necessary tax withholdings from the Option Consideration as required by law.

(c) For purposes of this Agreement, Per Company Share Cash Equivalent Consideration means an amount equal to the amount in cash, without interest, rounded to the nearest cent, equal to the (i) the Buyer Share Closing Price multiplied by (ii) the Exchange Ratio.

2.10. Reservation of Right to Revise Structure. Buyer may at any time change the method of effecting the business combination contemplated by this Agreement if and to the extent that it deems such a change to be desirable; provided, however, that no such change shall (a) alter or change the amount of the consideration to be issued to holders of Company Common Stock as merger consideration as currently contemplated in this Agreement, (b) reasonably be expected to materially impede or delay consummation of the Merger, (c) adversely affect the federal income tax treatment of holders of Company Common Stock in connection with the Merger, or (d) require submission to or approval of the Company's shareholders after the plan of merger set forth in this Agreement has been approved by the Company's shareholders. In the event that Buyer elects to make such a change, the parties agree to execute appropriate documents to reflect the change.

ARTICLE III.

meeting of its shareholders as promptly as practicable (and in any event within forty-five (45) days following the time when the Registration Statement becomes effective, subject to extension with the consent of Buyer, which shall not unreasonably be withheld, conditioned or delayed) to consider and vote upon the approval of this Agreement and the transactions contemplated hereby (including the Merger) and any other matter required to be approved by the shareholders of the Company in order to consummate the Merger and the transactions contemplated hereby (including any adjournment or postponement thereof, the Company Meeting).

(ii) Subject to Section 6.5 hereof, the Company shall use its reasonable best efforts to obtain the requisite vote of the Company's shareholders to consummate the Merger and the other transactions contemplated hereby, and shall ensure that the Company Meeting is called, noticed, convened, held and conducted, and that all proxies solicited by the Company in connection with the Company Meeting are solicited in compliance with the OGCL, the Articles of Incorporation of the Company and the Code of Regulations of the Company, and all other applicable legal requirements. The Company shall keep Buyer updated with respect to the proxy solicitation results in connection with the Company Meeting as reasonably requested by Buyer.

(iii) Subject to Section 6.5 hereof, (A) the Company Board shall recommend that the Company's shareholders vote to approve this Agreement and the transactions contemplated hereby (including the Merger) and any other matters required to be approved by the Company's shareholders for consummation of the Merger and the transactions contemplated hereby (the Company Recommendation), and (B) the Proxy Statement/Prospectus shall include the Company Recommendation.

6.2. Registration Statement.

(a) Buyer and the Company agree to cooperate in the preparation of a registration statement on Form S-4 (the Registration Statement) to be filed by Buyer with the SEC in connection with the issuance of the Buyer Common Stock in the Merger (including the proxy statement and prospectus and other proxy solicitation materials of Buyer and the Company relating to the Company Meeting, as applicable, and constituting a part thereof (the Proxy Statement/Prospectus) and all related documents). Each of Buyer and the Company agree to use its reasonable best efforts to cause the Registration Statement to be declared effective by the SEC as promptly as reasonably practicable after the filing thereof. The Company agrees to cooperate with Buyer and Buyer's counsel and accountants in requesting and obtaining appropriate opinions, consents and letters from the Financial Advisor and the Company's independent registered public accounting firm in connection with the Registration Statement and the Proxy Statement/Prospectus. After the Registration Statement is declared effective under the Securities Act, the Company, at its expense, shall promptly mail the Proxy Statement/Prospectus to the Company's shareholders.

(b) Each of Buyer and the Company agrees, upon request, to furnish the other party with all information concerning itself, its Subsidiaries, directors, officers and shareholders and such other matters as may be reasonably necessary or advisable in connection with the Registration Statement, the Proxy Statement/Prospectus or any filing, notice or application made by or on behalf of such other party or any of its Subsidiaries to any Governmental Authority in connection with the transactions contemplated hereby. Each of Buyer and the Company agrees, as to itself and its Subsidiaries, that none of the information supplied or to be supplied by it for inclusion or incorporation by reference in (i) the Registration Statement, at the time the Registration Statement and each amendment or supplement thereto, if any, becomes effective under the Securities Act, will contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading, and (ii) the Proxy Statement/Prospectus and any amendment or supplement thereto, at the date of mailing by or on behalf of the Company, to shareholders and at the time of the Company Meeting will contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading. Each of Buyer and the Company further

agrees that if it shall become aware, prior to the Company Meeting, of any information that would cause any of the statements in the Proxy Statement/Prospectus to be false or misleading with respect to any material fact, or to omit to state

A-35

any material fact necessary to make the statements therein not false or misleading, it shall promptly inform the other party thereof and shall take the necessary steps to correct the Proxy Statement/Prospectus.

(c) Buyer will advise the Company, promptly after Buyer receives notice thereof, of the time when the Registration Statement has become effective or any supplement or amendment has been filed, of the issuance of any stop order or the suspension of the qualification of Buyer Common Stock for offering or sale in any jurisdiction, of the initiation of any proceeding for any such purpose, or of any request by the SEC for the amendment or supplement of the Registration Statement or for additional information.

6.3. Press Releases. Buyer and the Company will consult with each other before issuing any press release with respect to this Agreement and the transactions contemplated hereby and will not issue any press release or written statement for general circulation relating to the transactions contemplated hereby or make any such public statements or other disclosure regarding this Agreement without the prior consent of the other party, which consent shall not be unreasonably withheld, conditioned or delayed; provided, however, that a party may, without the prior consent of the other party (but after consultation with the other party, to the extent practicable), issue such press release or public statements as may be required by applicable law or the rules and regulations of any stock exchange.

6.4. Access; Information.

(a) Upon reasonable notice and subject to applicable laws relating to the exchange of information, the Company shall, and shall cause its Subsidiaries to, afford Buyer and its officers, employees, counsel, accountants, advisors and other authorized representatives (collectively, the Buyer Representatives), access, during normal business hours throughout the period prior to the Effective Time, to all of its properties, books, contracts, commitments and records (including, without limitation, work papers of independent auditors), and to its officers, employees, accountants, counsel or other representatives, and, during such period, it shall, and shall cause its Subsidiaries to, furnish promptly to Buyer and the Buyer Representatives (i) a copy of each material report, schedule and other document filed with any Governmental Authority (other than reports or documents that the Company or its Subsidiaries, as the case may be, are not permitted to disclose under applicable law), and (ii) all other information concerning the business, properties and personnel of the Company and its Subsidiaries as Buyer or any Buyer Representative may reasonably request. Neither the Company nor any of its Subsidiaries shall be required to provide access to or to disclose information where such access jeopardizes the attorney-client privilege of the institution in possession or control of such information or contravenes any law, rule, regulation, order, judgment or decree. Consistent with the foregoing, the Company agrees to make appropriate substitute disclosure arrangements under the circumstances in which the restrictions of the preceding sentence apply.

(b) Buyer agrees to hold all information and documents obtained pursuant to this Section 6.4 in confidence (as provided in, and subject to the provisions of, the Confidentiality Agreement, as if it were the party receiving the confidential information as described therein). No investigation by Buyer of the business and affairs of the Company shall affect or be deemed to modify or waive any representation, warranty, covenant or agreement in this Agreement, or the conditions to Buyer's obligation to consummate the transactions contemplated by this Agreement.

6.5. No Solicitation.

(a) The Company shall not, and shall cause its Subsidiaries and the respective officers, directors, employees, investment bankers, financial advisors, attorneys, accountants, consultants, affiliates and other agents of the Company and its Subsidiaries (collectively, the Company Representatives) not to, directly or indirectly, (i) initiate, solicit, induce or knowingly encourage, or take any action to facilitate the making of, any inquiry, offer or proposal which constitutes, or could reasonably be expected to lead to, an Acquisition Proposal;(ii) participate in any discussions or

negotiations regarding any Acquisition Proposal or furnish, or otherwise afford access, to any Person (other than Buyer) any information or data with respect to the Company or any of its

A-36

Subsidiaries or otherwise relating to an Acquisition Proposal; (iii) release any Person from, waive any provisions of, or fail to enforce any confidentiality agreement or standstill agreement to which the Company is a party; or (iv) enter into any agreement, agreement in principle or letter of intent with respect to any Acquisition Proposal or approve or resolve to approve any Acquisition Proposal or any agreement, agreement in principle or letter of intent relating to an Acquisition Proposal. Any violation of the foregoing restrictions by any of the Company Representatives, whether or not such Company Representative is so authorized and whether or not such Company Representative is purporting to act on behalf of the Company or otherwise, shall be deemed to be a breach of this Agreement by the Company. The Company and its Subsidiaries shall, and shall cause each of the Company Representatives to, immediately cease and cause to be terminated any and all existing discussions, negotiations, and communications with any Persons with respect to any existing or potential Acquisition Proposal.

For purposes of this Agreement, Acquisition Proposal shall mean any inquiry, offer or proposal (other than an inquiry, offer or proposal from Buyer), whether or not in writing, contemplating, relating to, or that could reasonably be expected to lead to, an Acquisition Transaction. For purposes of this Agreement, Acquisition Transaction shall mean (A) any transaction or series of transactions involving any merger, consolidation, recapitalization, share exchange, liquidation, dissolution or similar transaction involving the Company or any of its Subsidiaries; (B) any transaction pursuant to which any third party or group acquires or would acquire (whether through sale, lease or other disposition), directly or indirectly, any assets of the Company or any of its Subsidiaries representing, in the aggregate, 25% or more of the assets of the Company and its Subsidiaries on a consolidated basis; (C) any issuance, sale or other disposition of (including by way of merger, consolidation, share exchange or any similar transaction) securities (or options, rights or warrants to purchase or securities convertible into, such securities) representing 25% or more of the votes attached to the outstanding securities of the Company or any of its Subsidiaries; (D) any tender offer or exchange offer that, if consummated, would result in any third party or group beneficially owning 25% or more of any class of equity securities of the Company or any of its Subsidiaries; or (E) any transaction which is similar in form, substance or purpose to any of the foregoing transactions, or any combination of the foregoing.

(b) Notwithstanding Section 6.5(a), prior to the date of the Company Meeting, the Company may take any of the actions described in clause (ii) of Section 6.5(a) if, but only if, (i) the Company has received a bona fide unsolicited written Acquisition Proposal that did not result from a breach of this Section 6.5; (ii) the Company Board determines in good faith, after consultation with and having considered the advice of its outside legal counsel and a nationally recognized, independent financial advisor, that (A) such Acquisition Proposal constitutes or is reasonably likely to lead to a Superior Proposal and (B) it is required to take such actions to comply with its fiduciary duties to the Company's shareholders under applicable law; (iii) the Company has provided Buyer with at least three (3) Business Days prior notice of such determination; and (iv) prior to furnishing or affording access to any information or data with respect to the Company or any of its Subsidiaries or otherwise relating to an Acquisition Proposal, the Company receives from such Person a confidentiality agreement with terms no less favorable to the Company than those contained in the Confidentiality Agreement. The Company shall promptly provide to Buyer any non-public information regarding the Company or its Subsidiaries provided to any other Person which was not previously provided to Buyer, such additional information to be provided no later than the date of provision of such information to such other party.

For purposes of this Agreement, Superior Proposal shall mean any bona fide written proposal (on its most recently amended or modified terms, if amended or modified) made by a third party to enter into an Acquisition Transaction on terms that the Company Board determines in its good faith judgment, after consultation with and having considered the advice of outside legal counsel and a financial advisor of nationally recognized reputation (x) would, if consummated, result in the acquisition of all, but not less than all, of the issued and outstanding shares of Company Common Stock or all, or substantially all, of the assets of the Company and its Subsidiaries on a consolidated basis; (y) would result in a transaction that (A) involves consideration to the holders of the shares of Company Common

Stock that is more favorable, from a financial point of view, than the consideration to be paid to the Company's shareholders pursuant to this Agreement, considering, among other things, the

A-37

nature of the consideration being offered and any material regulatory approvals (including timing of such regulatory approvals) or other risks associated with the timing of the proposed transaction beyond or in addition to those specifically contemplated hereby, and which proposal is not conditioned upon obtaining financing and (B) is, in light of the other terms of such proposal, more favorable to the Company's shareholders than the Merger and the transactions contemplated by this Agreement; and (z) is reasonably likely to be completed on the terms proposed, in each case taking into account all legal, financial, regulatory and other aspects of the proposal.

(c) The Company shall promptly (and in any event within 24 hours) notify Buyer in writing if any proposals or offers are received by, any information is requested from, or any negotiations or discussions are sought to be initiated or continued with, the Company or the Company Representatives, in each case in connection with any Acquisition Proposal, and such notice shall indicate the name of the Person initiating such discussions or negotiations or making such proposal, offer or information request and the material terms and conditions of any proposals or offers (and, in the case of written materials relating to such proposal, offer, information request, negotiations or discussion, providing copies of such materials (including e-mails or other electronic communications) except to the extent that such materials constitute confidential information of the party making such offer or proposal under an effective confidentiality agreement). The Company agrees that it shall keep Buyer informed, on a current basis, of the status and terms of any such proposal, offer, information request, negotiations or discussions (including any amendments or modifications to such proposal, offer or request).

(d) Neither the Company Board nor any committee thereof shall (i) withdraw, qualify, amend or modify, or propose to withdraw, qualify, amend or modify, in a manner adverse to Buyer in connection with the transactions contemplated by this Agreement (including the Merger), the Company Recommendation, fail to reaffirm the Company Recommendation within five (5) Business Days following receipt of an Acquisition Proposal, or make any statement, filing or release, in connection with the Company Meeting or otherwise, inconsistent with the Company Recommendation (it being understood that taking a neutral position or no position with respect to an Acquisition Proposal shall be considered an adverse modification of the Company Recommendation); (ii) approve or recommend, or propose to approve or recommend, any Acquisition Proposal; or (iii) enter into (or cause the Company or any of its Subsidiaries to enter into) any letter of intent, agreement in principle, acquisition agreement or other agreement (A) related to any Acquisition Transaction (other than a confidentiality agreement entered into in accordance with the provisions of Section 6.5(b) or (B) requiring the Company to abandon, terminate or fail to consummate the Merger or any other transaction contemplated by this Agreement.

(e) Notwithstanding Section 6.5(d), prior to the date of the Company Meeting, the Company Board may withdraw, qualify, amend or modify the Company Recommendation (a Company Subsequent Determination) after the fifth Business Day following Buyer's receipt of a notice (the Notice of Superior Proposal) from the Company advising Buyer that the Company Board has decided that a bona fide unsolicited written Acquisition Proposal that it received (that did not result from a breach of this Section 6.5) constitutes a Superior Proposal if, but only if, (i) the Company Board has reasonably determined in good faith, after consultation with and having considered the advice of outside legal counsel and a financial advisor of nationally recognized reputation, that it is required to take such actions to comply with its fiduciary duties to the Company's shareholders under applicable law, (ii) during the five (5) Business Day period after receipt of the Notice of Superior Proposal by Buyer (the Notice Period), the Company and the Company Board shall have cooperated and negotiated in good faith with Buyer to make such adjustments, modifications or amendments to the terms and conditions of this Agreement as would enable the Company to proceed with the Company Recommendation without a Company Subsequent Determination; provided, however, that Buyer shall not have any obligation to propose any adjustments, modifications or amendments to the terms and conditions of this Agreement and (iii) at the end of the Notice Period, after taking into account any such adjusted, modified or amended terms as may have been proposed by Buyer since its receipt of such Notice of Superior Proposal, the Company Board has again in good faith made the determination (A) in clause (i) of this Section 6.5(e) and (B) that

such Acquisition Proposal constitutes a Superior Proposal. In the event of any material revisions to the Superior Proposal, the

A-38

Company shall be required to deliver a new Notice of Superior Proposal to Buyer and again comply with the requirements of this Section 6.5(e), except that the Notice Period shall be reduced to three (3) Business Days.

(f) Nothing contained in this Section 6.5 shall prohibit the Company or the Company Board from complying with the Company's obligations required under Rule 14e-2(a) promulgated under the Exchange Act; provided, however, that any such disclosure relating to an Acquisition Proposal (other than a stop, look and listen or similar communication of the type contemplated by Rule 14d-9(f) under the Exchange Act) shall be deemed a change in the Company Recommendation unless the Company Board reaffirms the Company Recommendation in such disclosure.

6.6. Takeover Laws. No party shall take any action that would cause the transactions contemplated by this Agreement to be subject to requirements imposed by any Takeover Laws, as applicable, and each party shall take all necessary steps within its control to exempt (or ensure the continued exemption of) the transactions contemplated by this Agreement from, or if necessary challenge the validity or applicability of, any applicable Takeover Laws, as now or hereafter in effect, that purports to apply to this Agreement or the transactions contemplated hereby.

6.7. Shares Listed. Prior to the Effective Time, to the extent required by NYSE, Buyer shall file a notice of additional listing of shares with NYSE with respect to the shares of Buyer Common Stock to be issued to the holders of the Company Common Stock in the Merger.

6.8. Regulatory Applications; Filings; Consents. Buyer and the Company and their respective Subsidiaries shall cooperate and use their respective reasonable best efforts (a) to promptly prepare all documentation, effect all filings and obtain all permits, consents, approvals and authorizations of all third parties and Governmental Authorities, including, without limitation, the Regulatory Approvals and the Bank Merger Approvals, necessary to consummate the transactions contemplated by this Agreement (including, without limitation, the Merger and the Bank Merger), and (b) to comply with the terms and conditions of such permits, consents, approvals and authorizations; provided, however, nothing contained herein shall be deemed to require the Buyer, the Company or their Subsidiaries to take any action, or commit to take any action, or agree to any condition or restriction, in connection with obtaining the foregoing permits, consents, approvals and authorizations of any third parties and Governmental Authorities that would reasonably be expected to have a Company Material Adverse Effect or Buyer Material Adverse Effect, after giving effect to the transaction contemplated by this Agreement (together, the Burdensome Conditions). Provided that the Company has cooperated as required above, Buyer agrees to file the requisite applications to be filed by it with the FRB, the FDIC and the Pennsylvania Department of Banking and Securities (the PDBS) and, if necessary, any other Governmental Authority including Governmental Authorities of the states in which Buyer, the Company and their respective Subsidiaries operate. Each of Buyer and the Company shall have the right to review in advance, and to the extent practicable each will consult with the other, in each case subject to applicable laws relating to the exchange of information, with respect to, all material written information submitted to any third party or any Governmental Authority in connection with the transactions contemplated by this Agreement. In exercising the foregoing right, each of the parties hereto agrees to act reasonably and as promptly as practicable. Each party hereto agrees that it will consult with the other party hereto with respect to the obtaining of all material permits, consents, approvals and authorizations of all third parties and Governmental Authorities necessary or advisable to consummate the transactions contemplated by this Agreement and each party will keep the other party reasonably apprised of the status of material matters relating to completion of the transactions contemplated hereby.

6.9. Indemnification; Directors and Officers Insurance.

(a) Buyer agrees that all rights to indemnification and all limitations of liability existing in favor of any director or officer of the Company or its Subsidiaries (the Indemnified Parties) as provided in the Company's Articles of Incorporation or Code of Regulations or in the similar governing documents of the Company's Subsidiaries as in effect

as of the date hereof with respect to matters occurring on or prior to the Effective Time

shall survive the Merger and shall continue in full force and effect for a period of six (6) years from the Effective Time; provided, however, that all rights to indemnification in respect of any claim asserted or made within such period shall continue until the final disposition of such claim.

(b) Prior to the Effective Time, the Company, in consultation with and subject to the approval by Buyer, shall purchase an extended reporting period endorsement under the Company's existing directors' and officers' liability insurance coverage for the Company's directors and officers in a form acceptable to the Company which shall provide such directors and officers with coverage for six (6) years following the Effective Time of not less than the existing coverage under, and have other terms not materially less favorable to, the insured persons than the directors' and officers' liability insurance coverage presently maintained by the Company, so long as the aggregate cost is less than 200% of the annual premium currently paid by the Company for such insurance (the Premium Limit). In the event that the Premium Limit is insufficient for such coverage, the Company may enter into an agreement to spend up to that amount to purchase such lesser coverage as may be obtained with such amount.

(c) In the event Buyer or any of its successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger, or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, to the extent necessary, proper provision shall be made so that the successors and assigns of Buyer shall assume the obligations set forth in this Section 6.9.

(d) The provisions of this Section 6.9 are intended to be for the benefit of, and to grant third party rights to, and shall be enforceable by, each Indemnified Party and his or her heirs and representatives.

6.10. Employees and Benefit Plans.

(a) Following the Effective Time and until December 31, 2017 (the Continuation Period), Buyer shall provide the individuals who are employed by Company or any of its Subsidiaries immediately before the Effective Time (the Company Employees) and who continue employment during such time period with (i) annual base compensation no less than the annual base compensation provided to such Company Employees immediately prior to the Effective Time; (ii) target incentive opportunities that are no less than the target incentive amounts provided to such Company Employees immediately prior to the Effective Time; and (iii) other employee benefits (which shall not include severance benefits) that are substantially comparable in the aggregate to the employee benefits provided to Buyer's and its ERISA Affiliates' similarly-situated employees after the Effective Time; provided, however, that until such time as Buyer fully integrates the Company Employees into its plans, participation in Company Employee Programs shall be deemed to satisfy the foregoing standards, and with it being understood that the Company Employees may commence participating in the plans of Buyer on different dates after the Effective Time with respect to Buyer's and its ERISA Affiliates' different plans.

(b) Without limiting the generality of subsection (a) above, from and after the Effective Time, Buyer shall assume, honor and continue during the Continuation Period or, if later, until all obligations thereunder have been satisfied, all of Company's employment, retention, termination and change in control plans, policies, programs, agreements, arrangements, and other Company Employee Programs (which shall not include severance benefits) maintained by Company or any of its Subsidiaries, in each case, as in effect at the Effective Time, including with respect to any payments, benefits or rights arising as a result of the transactions contemplated by this Agreement (either alone or in combination with any other event), without any amendment or modification, other than any amendment or modification required to comply with applicable law. Notwithstanding the foregoing, Buyer may amend or terminate any such arrangement to the extent that such amendment or termination is permitted by the terms of the applicable arrangement as of the Effective Time.

(c) With respect to all plans maintained by Buyer in which the Company Employees are eligible to participate after the Closing Date (including any vacation, paid time-off and severance plans) for purposes of

A-40

Table of Contents

determining eligibility to participate, level of benefits and vesting (but not for benefit accrual under any defined benefit pension plan), each Company Employee's service with the Company or any of its Subsidiaries (as well as service with any predecessor employer of the Company or any such Subsidiary, to the extent service with the predecessor employer is recognized by the Company or such Subsidiary) shall be treated as service with Buyer to the extent such service would have been recognized by Company or its Subsidiaries under analogous Company Employee Programs prior to the Effective Time; provided, however, that such service need not be recognized to the extent that such recognition would result in any duplication of benefits for the same period of service or result in violations of applicable law.

(d) Without limiting the generality of subsection (a) above, Buyer shall use all commercially reasonable efforts to waive any pre-existing condition limitations, exclusions, actively-at-work requirements and waiting periods under any welfare benefit plan maintained by Buyer in which Company Employees (and their eligible dependents) will be eligible to participate from and after the Effective Time, except to the extent that such pre-existing condition limitations, exclusions, actively-at-work requirements and waiting periods would not have been satisfied or waived under the comparable Company Employee Program immediately prior to the Effective Time. Buyer shall use all commercially reasonable efforts to recognize the dollar amount of all co-payments, deductibles and similar expenses incurred by each Company Employee (and his or her eligible dependents) during the calendar year in which the Effective Time occurs for purposes of satisfying such year's deductible and co-payment limitations under the relevant welfare benefit plans in which they will be eligible to participate from and after the Effective Time. After the Effective Time, Buyer shall be responsible for providing continuation coverage required under Section 4980B of the Code and Title I, Part 6 of ERISA to all former employees of Company who terminated employment on or before such date and to all persons who are considered M&A qualified beneficiaries as defined under Treas. Reg. Section 54.4980B-9 in connection with this transaction

(e) If requested by Buyer in writing at least sixty (60) days prior to the Effective Time, Company shall cause any 401(k) plan sponsored or maintained by Company (the Company 401(k) Plan) to be terminated effective as of the day immediately prior to the Effective Time and contingent upon the occurrence of the Closing. In the event that Buyer requests that any Company 401(k) Plan be terminated, the Company Employees shall be eligible to participate, effective as of the Effective Time, in a 401(k) plan sponsored or maintained by Buyer (a Buyer 401(k) Plan). Company and Buyer shall take any and all actions as may be required, including amendments to the Company 401(k) Plan and Buyer 401(k) Plan to permit the Company Employees who are then actively employed to make rollover contributions to the Buyer 401(k) Plan of eligible rollover distributions (within in the meaning of Section 401(a)(31) of the Code) in the form of cash, notes (in the case of loans), or a combination thereof. Company shall provide Buyer with evidence reasonably satisfactory to Buyer that the Company 401(k) Plan has been terminated or amended, as applicable, in accordance with this subsection; provided, however, that prior to amending or terminating the Company 401(k) Plan, Company shall provide the form and substance of any applicable resolutions or amendments to Buyer for review and approval (which review shall not be unreasonably withheld, conditioned, or delayed).

(f) Buyer agrees to honor the severance guidelines attached as Schedule 6.10(f) of the Buyer Disclosure Schedule in connection with the termination of employment of any Company Employee, in such amounts, at such times and upon such conditions as set forth on said Schedule.

(g) Prior to the Effective Time, the parties shall allocate the dollar amount as set forth on Schedule 6.10(g) of the Company Disclosure Schedule (the Employee Retention Amount) among certain employees of the Company and its Subsidiaries as shall be determined by Buyer's Chief Executive Officer (it being understood and agreed that no amounts shall be allocated to any employee with a severance or change in control agreement with the Company or any of its Subsidiaries). Each portion of the Employee Retention Amount that is so allocated will be paid in such amounts,

at such times and upon such conditions as shall be set forth in letter agreements with each such Company Employee, in such form as mutually agreed upon by Buyer and the Company.

A-41

(h) Prior to the Effective Time, the Company may allocate the dollar amount as set forth on Schedule 6.10(h) of the Company Disclosure Schedule (the Discretionary Bonus Amount) among certain employees of the Company and its Subsidiaries as shall be determined by the Compensation Committee of the Company Board. Each portion of the Discretionary Bonus Amount that is so allocated will be paid by the Company on the Closing Date.

(i) The Company and Buyer shall use reasonable efforts to consult with each other, and will consider in good faith each other's advice, prior to sending any notices or other communication materials to the employees of the Company and its Subsidiaries regarding this Agreement, the Merger or the effects thereof on the employment, compensation or benefits of such employees and, in any case, any such notice or communication materials shall comply with applicable law.

(j) Notwithstanding anything else contained herein to the contrary, nothing in this Section 6.10 shall be construed to create any third party beneficiary rights in any Person who is not a party to this Agreement.

6.11. Notification of Certain Matters. Each of Buyer and the Company shall give prompt notice to the other of any fact, event or circumstance known to it that (a) is reasonably likely, individually or taken together with all other facts, events and circumstances known to it, to result in any condition set forth in ARTICLE VII not being satisfied, or (b) notwithstanding the standards set forth in Section 9.1, would cause or constitute a material breach of any of its representations, warranties, covenants or agreements contained herein. No such notice by Buyer or the Company shall affect or be deemed to modify or waive any representation, warranty, covenant or agreement in this Agreement, or the conditions to Buyer's or the Company's obligations to consummate the transactions contemplated by this Agreement.

6.12. Financial Statements and Other Current Information. As soon as reasonably practicable after they become available, but in no event more than thirty (30) days after the end of each calendar month ending after the date of this Agreement, the Company shall furnish to Buyer (a) consolidated financial statements (including balance sheets, statements of operations and shareholders' equity) of the Company and each of its Subsidiaries as of and for such month then ended, (b) internal management financial control reports showing actual financial performance against plan and previous period and (c) any reports provided to the Company Board or any committee thereof relating to the financial performance and risk management of the Company and its Subsidiaries. All information furnished by the Company to Buyer pursuant to this Section 6.12 shall be held in confidence to the same extent of Buyer's obligations under Section 6.4(b).

6.13. Confidentiality Agreement. The Confidentiality Agreement shall remain in full force and effect after the date hereof in accordance with its terms.

6.14. Certain Tax Matters. During the period from the date of this Agreement to the Effective Time, the Company shall, and shall cause each of its Subsidiaries to: (a) timely file (taking into account any extensions of time within which to file) all Tax Returns required to be filed by it, and such Tax Returns shall be prepared in a manner reasonably consistent with past practice; (b) timely pay all Taxes shown as due and payable on such Tax Returns that are so filed; (c) establish an accrual in its books and records and financial statements in accordance with past practice for all Taxes payable by it for which a Tax Return is due prior to the Effective Time; and (b) promptly notify Buyer of any suit, claim, action, investigation, proceeding or audit pending against or with respect to the Company or any of its Subsidiaries in respect of any Tax matter, including, without limitation, Tax liabilities and refund claims. The Chief Financial Officer of the Company shall execute and deliver to Squire Patton Boggs (US) LLP and Porter, Wright, Morris & Arthur, LLP certificates substantially in the form agreed to by the Company and such firms at such time as may reasonably be requested by such firms in connection with such firms' respective delivery of its tax opinions pursuant to Section 7.2(b) and Section 7.3(b). All parties hereto shall report the Merger as a reorganization within the meaning of Code Section 368(a) unless otherwise required pursuant to a determination within the meaning of Section

1313(a) of the Code.

6.15. **Certain Litigation.** The Company shall provide Buyer the opportunity to participate at its own expense in the defense or settlement of any shareholder litigation against the Company and/or its directors relating to the transactions contemplated by this Agreement, and no such settlement shall be agreed to without Buyer's prior written consent (such consent not to be unreasonably withheld, conditioned or delayed).

Determinations regarding the allocation of these funds shall be made by Buyer.

ARTICLE VII.

CONDITIONS TO CONSUMMATION OF THE MERGER

7.1. **Conditions to Each Party's Obligations to Effect the Merger.** The obligations of each of the parties to consummate the Merger is conditioned upon the satisfaction at or prior to the Effective Time of each of the following conditions:

(a) **Shareholder Vote.** This Agreement and the transactions contemplated hereby shall have been approved by the requisite affirmative vote of the shareholders of the Company present and voting at the Company Meeting

(b) **Regulatory Approvals; No Burdensome Condition.** All Regulatory Approvals shall have been obtained and shall remain in full force and effect and all statutory waiting periods in respect thereof shall have expired. No Regulatory Approval shall impose any term, condition or restriction upon Buyer or any of its Subsidiaries that Buyer reasonably determines is a Burdensome Condition.

(c) **No Injunction, Etc.** No order, decree or injunction of any court or agency of competent jurisdiction shall be in effect, and no law, statute or regulation shall have been enacted or adopted, that enjoins, prohibits, materially restricts or makes illegal consummation of any of the transactions contemplated hereby (other than the Bank Merger, which is the subject of Section 7.2(c)).

(c) by Buyer or the Company (provided that the terminating party is not then in material breach of any representation, warranty, covenant or other agreement contained herein), in the event of a breach by the other party of any representation, warranty, covenant or other agreement contained herein, which breach cannot be or has not been cured within thirty (30) days after the giving of written notice to the breaching party of such breach or the Outside Date, if earlier, and such breach would entitle the non-breaching party not to consummate the transactions contemplated hereby under ARTICLE VII;

(d) by Buyer or the Company, in the event the approval of any Governmental Authority required for consummation of the Merger and the other transactions contemplated by this Agreement (including, solely with respect to Buyer's right to terminate this Agreement, the Bank Merger) shall have been denied by final nonappealable action of such Governmental Authority, or any Governmental Authority of competent jurisdiction shall have issued a final nonappealable order, injunction or decree enjoining or otherwise prohibiting the consummation of the transactions contemplated by this Agreement (including, solely with respect to Buyer's right to terminate this Agreement, the Bank Merger); provided, however, that subject to Section 6.8, the party seeking to terminate this Agreement shall have used its reasonable best efforts to have such order, injunction or decree lifted;

The Board of Directors

DCB Financial Corp

110 Riverbend Avenue

Lewis Center, OH 43035

Members of the Board:

You have requested the opinion of Keefe, Bruyette & Woods, Inc. (KBW or we) as investment bankers as to the fairness, from a financial point of view, to the common shareholders of DCB Financial Corp (DCB) of the Merger Consideration (as defined below) to be received by such shareholders in the proposed merger (the Merger) of DCB with and into First Commonwealth Financial Corporation (First Commonwealth), pursuant to the Agreement and Plan of Merger (the Agreement) to be entered into by and between DCB and First Commonwealth. Pursuant to the Agreement and subject to the terms, conditions and limitations set forth therein, at the Effective Time (as defined in the Agreement), automatically by virtue of the Merger and without any action on the part of First Commonwealth, DCB, any holder of common shares, no par value, of DCB (DCB Common Stock) or any holder of shares of common stock, par value \$1.00 per share, of First Commonwealth (First Commonwealth Common Stock), each share of DCB Common Stock issued and outstanding immediately prior to the Effective Time (other than Treasury Shares and Dissenting Shares (each as defined in the Agreement)) will become and be converted into the right to receive, at the election of the holder thereof (subject to proration and reallocation as set forth in the Agreement, as to which we express no opinion), either: (i) 1.427 shares of First Commonwealth Common Stock (the Stock Consideration) or (ii) \$14.50 in cash (the Cash Consideration); provided that, pursuant to proration and reallocation as set forth in the Agreement, the aggregate Cash Consideration (including cash payments for fractional shares and counting Dissenting Shares as Cash Election Shares (as defined in the Agreement)) will be equal or as nearly equal as possible to \$21,283,773. The Cash Consideration and the Stock Consideration, taken together, are referred to herein as the Merger Consideration. The terms and conditions of the Merger are more fully set forth in the Agreement.

The Agreement further provides that, as soon as practicable after consummation of the Merger or on such later date as First Commonwealth shall specify, Delaware County Bank and Trust Company, a wholly-owned subsidiary of DCB (DCB Bank), will merge with and into First Commonwealth Bank, a wholly-owned subsidiary of First Commonwealth (First Commonwealth Bank), with First Commonwealth Bank as the surviving entity, pursuant to a separate agreement and plan of merger (such transaction, the Bank Merger).

KBW has acted as financial advisor to DCB and not as an advisor to or agent of any other person. As part of our investment banking business, we are continually engaged in the valuation of bank and bank holding company securities in connection with acquisitions, negotiated underwritings, secondary distributions of listed and unlisted securities, private placements and valuations for various other purposes. As specialists in the securities of banking companies, we have experience in, and knowledge of, the valuation of banking enterprises. In the ordinary course of their broker-dealer businesses and further to certain existing sales and trading relationships, KBW and its affiliates may from time to time purchase securities from, and sell securities to, DCB and First Commonwealth and, as market makers in securities, KBW and its affiliates may from time to time have a long or short position in, and buy or sell,

debt or equity securities of DCB or First Commonwealth for its and their own accounts and for the accounts of its and their respective customers and clients. We have acted exclusively for the board of directors of DCB (the Board) in rendering this opinion and will receive a fee from DCB for our

services. A portion of our fee is payable upon the rendering of this opinion, and a significant portion is contingent upon the successful completion of the Merger. In addition, DCB has agreed to indemnify us for certain liabilities arising out of our engagement.

Other than in connection with this present engagement, in the past two years, KBW has not provided investment banking and financial advisory services to DCB. In the past two years, KBW has provided investment banking and financial advisory services to First Commonwealth but did not receive compensation for such services. KBW was engaged to act as financial advisor to First Commonwealth in October 2014 and July 2015, in each case in connection with a potential acquisition by First Commonwealth that was not consummated and for which no compensation was received. We may in the future provide investment banking and financial advisory services to DCB or First Commonwealth and receive compensation for such services.

In connection with this opinion, we have reviewed, analyzed and relied upon material bearing upon the financial and operating condition of DCB and First Commonwealth and bearing upon the Merger, including among other things, the following: (i) an execution version of the Agreement (the most recent version made available to us); (ii) the audited financial statements and the Annual Reports on Form 10-K for the three fiscal years ended December 31, 2015 of DCB; (iii) the unaudited quarterly financial statements and the Quarterly Reports on Form 10-Q for the fiscal quarters ended March 31, 2016 and June 30, 2016 of DCB; (iv) certain draft and unaudited financial results for the two-month period ended August 31, 2016 of DCB (provided to us by representatives of DCB); (v) the audited financial statements and the Annual Reports on Form 10-K for the three fiscal years ended December 31, 2015 of First Commonwealth; (vi) the unaudited quarterly financial statements and the Quarterly Reports on Form 10-Q for the fiscal quarters ended March 31, 2016 and June 30, 2016 of First Commonwealth; (vii) certain regulatory filings of DCB, DCB Bank, First Commonwealth and First Commonwealth Bank, including (as applicable) the semi-annual reports on Form FR Y-9SP, the quarterly reports on Form FR Y-9LP, and the quarterly reports on Form FR Y-9C and quarterly call reports required to be filed with respect to each semi-annual period and quarter (as the case may be) during the three year period ended December 31, 2015, the quarter ended March 31, 2016 and the semi-annual period and quarter ended June 30, 2016; (viii) certain other interim reports and other communications of DCB and First Commonwealth to their respective shareholders; and (ix) other financial information concerning the businesses and operations of DCB and First Commonwealth that was furnished to us by DCB and First Commonwealth or which we were otherwise directed to use for purposes of our analyses. Our consideration of financial information and other factors that we deemed appropriate under the circumstances or relevant to our analyses included, among others, the following: (i) the historical and current financial position and results of operations of DCB and First Commonwealth; (ii) the assets and liabilities of DCB and First Commonwealth; (iii) the nature and terms of certain other merger transactions and business combinations in the banking industry; (iv) a comparison of certain financial and stock market information for DCB and First Commonwealth with similar information for certain other companies the securities of which are publicly traded; (v) financial and operating forecasts and projections of DCB that were prepared by, and provided to us and discussed with us by, DCB management and that were used and relied upon by us at the direction of such management and with the consent of the Board; (vi) publicly available consensus street estimates of First Commonwealth for 2016, 2017, and 2018 (which street estimates include assumptions regarding First Commonwealth's pending acquisition of bank branches of FirstMerit Corporation that was publicly announced on July 27, 2016 (such acquisition, the FirstMerit Branch Acquisition)), as well as assumed long-term First Commonwealth growth rates provided to us by First Commonwealth management, all of which information was discussed with us by such management and used and relied upon by us based on such discussions at the direction of DCB management and with the consent of the Board; (vii) projected balance sheet and capital data of First Commonwealth, giving effect to First Commonwealth's estimates and assumptions regarding the pro forma impact of the FirstMerit Branch Acquisition, that was prepared by First Commonwealth management, provided to and discussed with us by such management and used and relied upon by us based on such discussions at the direction of DCB management and with the consent of the Board; and (viii) estimates regarding certain pro forma financial effects of the

Merger on First Commonwealth (including, without limitation, the cost savings and related expenses expected to result or be derived from the Merger) that were prepared by, and provided to and discussed with us by, the management of First Commonwealth, and used and

relied upon by us based on such discussions at the direction of DCB management and with the consent of the Board. We have also performed such other studies and analyses as we considered appropriate and have taken into account our assessment of general economic, market and financial conditions and our experience in other transactions, as well as our experience in securities valuation and knowledge of the banking industry generally. We have also participated in discussions that were held with the respective managements of DCB and First Commonwealth regarding the past and current business operations, regulatory relations, financial condition and future prospects of their respective companies (including, in the case of First Commonwealth management, matters pertaining to the FirstMerit Branch Acquisition) and such other matters as we have deemed relevant to our inquiry. In addition, we have considered the results of the efforts undertaken by or on behalf of DCB, with our assistance, to solicit indications of interest from third parties regarding a potential transaction with DCB.

In conducting our review and arriving at our opinion, we have relied upon and assumed the accuracy and completeness of all of the financial and other information that was provided to us or that was publicly available and we have not independently verified the accuracy or completeness of any such information or assumed any responsibility or liability for such verification, accuracy or completeness. We have relied upon the management of DCB as to the reasonableness and achievability of the financial and operating forecasts and projections of DCB (and the assumptions and bases therefor) referred to above and we have assumed that such forecasts and projections were reasonably prepared on bases reflecting the best currently available estimates and judgments of such management and that such forecasts and projections will be realized in the amounts and in the time periods currently estimated by such management. We have further relied, with the consent of DCB, upon First Commonwealth management as to the reasonableness and achievability of (i) the publicly available consensus street estimates of First Commonwealth (and the assumed First Commonwealth long-term growth rates provided to us by such management) referred to above, and (ii) the projected balance sheet and capital data of First Commonwealth referred to above and (iii) the estimates regarding certain pro forma financial effects of the Merger on First Commonwealth (and the assumptions and bases therefor, including, without limitation, the cost savings and related expenses expected to result or be derived from the Merger) referred to above, and we have assumed that all such information was reasonably prepared on bases reflecting, or in the case of the First Commonwealth street estimates referred to above that such information is consistent with, the best currently available estimates and judgments of First Commonwealth management and that the forecasts, projections and estimates reflected in all such information will be realized in the amounts and in the time periods currently estimated. We express no view or opinion as to the FirstMerit Branch Acquisition (or any terms, aspects or implications thereof) and have assumed, with the consent of DCB, that the FirstMerit Branch Acquisition will be consummated as described to us by First Commonwealth management in the fourth quarter of 2016.

It is understood that the portion of the foregoing financial information of DCB and First Commonwealth that was provided to us was not prepared with the expectation of public disclosure, that all of the foregoing financial information, including the publicly available consensus street estimates of First Commonwealth referred to above that we were directed to use, is based on numerous variables and assumptions that are inherently uncertain, including, without limitation, factors related to general economic and competitive conditions and that, accordingly, actual results could vary significantly from those set forth in such information. We have assumed, based on discussions with the respective managements of DCB and First Commonwealth and with the consent of the Board, that all such information provides a reasonable basis upon which we could form our opinion and we express no view as to any such information or the assumptions or bases therefor. We have relied on all such information without independent verification or analysis and do not in any respect assume any responsibility or liability for the accuracy or completeness thereof.

We also assumed that there were no material changes in the assets, liabilities, financial condition, results of operations, business or prospects of either DCB or First Commonwealth since the date of the last financial statements of each such entity that were made available to us. We are not experts in the independent verification of the adequacy

of allowances for loan and lease losses and we have assumed, without independent verification and with your consent, that the aggregate allowances for loan and lease losses for DCB and First Commonwealth are adequate to cover such losses. In rendering our opinion, we have not made or obtained any evaluations or

B-3

Table of Contents

appraisals or physical inspection of the property, assets or liabilities (contingent or otherwise) of DCB or First Commonwealth, the collateral securing any of such assets or liabilities, or the collectability of any such assets, nor have we examined any individual loan or credit files, nor did we evaluate the solvency, financial capability or fair value of DCB or First Commonwealth under any state or federal laws, including those relating to bankruptcy, insolvency or other matters. Estimates of values of companies and assets do not purport to be appraisals or necessarily reflect the prices at which companies or assets may actually be sold. Because such estimates are inherently subject to uncertainty, we assume no responsibility or liability for their accuracy.

We have assumed, in all respects material to our analyses, the following: (i) that the Merger and any related transactions (including the Bank Merger) will be completed substantially in accordance with the terms set forth in the Agreement (the final terms of which we have assumed will not differ in any respect material to our analyses from the execution version reviewed by us referred to above) with no adjustments to the Merger Consideration (or the cash and stock components thereof) and with no other payments in respect of the DCB Common Stock); (ii) that the FirstMerit Branch Acquisition will be completed as described to us by representatives of First Commonwealth; (iii) that the representations and warranties of each party in the Agreement and in all related documents and instruments referred to in the Agreement are true and correct; (iv) that each party to the Agreement and all related documents will perform all of the covenants and agreements required to be performed by such party under such documents; (v) that there are no factors that would delay or subject to any adverse conditions, any necessary regulatory or governmental approval for the Merger or any related transaction (including the Bank Merger) and that all conditions to the completion of the Merger and any related transaction (including the Bank Merger) will be satisfied without any waivers or modifications to the Agreement or any of the related documents; and (vi) that in the course of obtaining the necessary regulatory, contractual, or other consents or approvals for the Merger and any related transaction (including the Bank Merger), no restrictions, including any divestiture requirements, termination or other payments or amendments or modifications, will be imposed that will have a material adverse effect on the future results of operations or financial condition of DCB, First Commonwealth or the pro forma entity, or the contemplated benefits of the Merger, including the cost savings and related expenses expected to result or be derived from the Merger. We have assumed that the Merger will be consummated in a manner that complies with the applicable provisions of the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, and all other applicable federal and state statutes, rules and regulations. We have further been advised by representatives of DCB that DCB has relied upon advice from its advisors (other than KBW) or other appropriate sources as to all legal, financial reporting, tax, accounting and regulatory matters with respect to DCB, First Commonwealth, the Merger and any related transaction (including the Bank Merger), the FirstMerit Branch Acquisition and the Agreement. KBW has not provided advice with respect to any such matters.

This opinion addresses only the fairness, from a financial point of view, as of the date hereof, to the holders of DCB Common Stock of the Merger Consideration to be received by such holders in the Merger. We express no view or opinion as to any other terms or aspects of the Merger or any term or aspect of any related transaction (including the Bank Merger), including without limitation, the form or structure of the Merger (including the form of Merger Consideration or the allocation thereof between cash and stock) or any related transaction, any consequences of the Merger or any related transaction to DCB, its shareholders, creditors or otherwise, or any terms, aspects, merits or implications of any employment, consulting, voting, support, shareholder or other agreements, arrangements or understandings contemplated or entered into in connection with the Merger or otherwise. Our opinion is necessarily based upon conditions as they exist and can be evaluated on the date hereof and the information made available to us through the date hereof. It is understood that subsequent developments may affect the conclusion reached in this opinion and that KBW does not have an obligation to update, revise or reaffirm this opinion. Our opinion does not address, and we express no view or opinion with respect to, (i) the underlying business decision of DCB to engage in the Merger or enter into the Agreement, (ii) the relative merits of the Merger as compared to any strategic alternatives that are, have been or may be available to or contemplated by DCB or the Board, (iii) the fairness of the amount or

nature of any compensation to any of DCB's officers, directors or employees, or any class of such persons, relative to the compensation to the holders of DCB Common Stock, (iv) the effect of the Merger or any related transaction on, or the fairness of the

B-4

Table of Contents

consideration to be received by, holders of any class of securities of DCB (other than the holders of DCB Common Stock solely with respect to the Merger Consideration, as described herein and not relative to the consideration to be received by holders of any other class of securities) or holders of any class of securities of First Commonwealth or any other party to any transaction contemplated by the Agreement, (v) whether First Commonwealth has sufficient cash, available lines of credit or other sources of funds to enable it to pay the aggregate amount of the Cash Consideration to the holders of DCB Common Stock at the closing of the Merger, (vi) the election by holders of DCB Common Stock to receive the Cash Consideration or the Stock Consideration, or any combination thereof, or the actual allocation between the Cash Consideration and the Stock Consideration among such holders (including, without limitation, any reallocation thereof as a result of proration pursuant to the Agreement), or the relative fairness of the Stock Consideration and the Cash Consideration, (vii) any adjustment (as provided in the Agreement) to the Merger Consideration assumed for purposes of our opinion, (viii) the actual value of First Commonwealth Common Stock to be issued in the Merger, (ix) the prices, trading range or volume at which DCB Common Stock or First Commonwealth Common Stock will trade following the public announcement of the Merger or the prices, trading range or volume at which First Commonwealth Common Stock will trade following the consummation of the Merger, (x) any advice or opinions provided by any other advisor to any of the parties to the Merger or any other transaction contemplated by the Agreement or (xi) any legal, regulatory, accounting, tax or similar matters relating to DCB, First Commonwealth, their respective shareholders, or relating to or arising out of or as a consequence of the Merger or any related transaction (including the Bank Merger), or the FirstMerit Branch Acquisition, including whether or not the Merger would qualify as a tax-free reorganization for United States federal income tax purposes.

This opinion is for the information of, and is directed to, the Board (in its capacity as such) in connection with its consideration of the financial terms of the Merger. This opinion does not constitute a recommendation to the Board as to how it should vote on the Merger, or to any holder of DCB Common Stock or any shareholder of any other entity as to how to vote in connection with the Merger or any other matter (including, with respect to holders of DCB Common Stock, what election any such shareholder should make with respect to the Cash Consideration, the Stock Consideration or any combination thereof), nor does it constitute a recommendation regarding whether or not any such shareholder should enter into a voting, shareholders', or affiliates' agreement with respect to the Merger or exercise any dissenters' or appraisal rights that may be available to such shareholder.

This opinion has been reviewed and approved by our Fairness Opinion Committee in conformity with our policies and procedures established under the requirements of Rule 5150 of the Financial Industry Regulatory Authority.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Merger Consideration to be received by the holders of DCB Common Stock in the Merger is fair, from a financial point of view, to such holders.

Very truly yours,

Keefe, Bruyette & Woods, Inc.

- (6) If a signatory, designated and approved by the dissenting shareholder, executes the demand, then at any time after receiving the demand, the corporation may make a written request that the dissenting shareholder provide evidence of the signatory's authority. The shareholder shall provide the evidence within a reasonable time but not sooner than twenty days after the dissenting shareholder has received the corporation's written request for evidence.

(7) The dissenting shareholder entitled to relief under division (A)(3) of section 1701.84 of the Revised Code in the case of a merger pursuant to section 1701.80 of the Revised Code and a dissenting shareholder entitled to relief under division (A)(5) of section 1701.84 of the Revised Code in the case of a merger pursuant to section 1701.801 of the Revised Code shall be a record holder of the shares of the corporation as to which the dissenting shareholder seeks relief as of the date on which the agreement of merger was adopted by the directors of that

corporation. Within twenty days after the dissenting shareholder has been sent the notice provided in section 1701.80 or 1701.801 of the Revised Code, the dissenting shareholder shall deliver to the corporation a written demand for payment with the same information as that provided for in division (A)(4) of this section.

(8) In the case of a merger or consolidation, a demand served on the constituent corporation involved constitutes service on the surviving or the new entity, whether the demand is served before, on, or after the effective date of the merger or consolidation. In the case of a conversion, a demand served on the converting corporation constitutes service on the converted entity, whether the demand is served before, on, or after the effective date of the conversion.

(9) If the corporation sends to the dissenting shareholder, at the address specified in the dissenting shareholder's demand, a request for the certificates representing the shares as to which the dissenting shareholder seeks relief, the dissenting shareholder, within fifteen days from the date of the sending of such request, shall deliver to the corporation the certificates requested so that the corporation may endorse on them a legend to the effect that demand for the fair cash value of such shares has been made. The corporation promptly shall return the endorsed certificates to the dissenting shareholder. A dissenting shareholder's failure to deliver the certificates terminates the dissenting shareholder's rights as a dissenting shareholder, at the option of the corporation, exercised by written notice sent to the dissenting shareholder within twenty days after the lapse of the fifteen-day period, unless a court for good cause shown otherwise directs. If shares represented by a certificate on which such a legend has been endorsed are transferred, each new certificate issued for them shall bear a similar legend, together with the name of the original dissenting holder of the shares. Upon receiving a demand for payment from a dissenting shareholder who is the record holder of uncertificated securities, the corporation shall make an appropriate notation of the demand for payment in its shareholder records. If uncertificated shares for which payment has been demanded are to be transferred, any new certificate issued for the shares shall bear the legend required for certificated securities as provided in this paragraph. A transferee of the shares so endorsed, or of uncertificated securities where such notation has been made, acquires only the rights in the corporation as the original dissenting holder of such shares had immediately after the service of a demand for payment of the fair cash value of the shares. A request under this paragraph by the corporation is not an admission by the corporation that the shareholder is entitled to relief under this section.

(B) Unless the corporation and the dissenting shareholder have come to an agreement on the fair cash value per share of the shares as to which the dissenting shareholder seeks relief, the dissenting shareholder or the corporation, which in case of a merger or consolidation may be the surviving or new entity, or in the case of a conversion may be the converted entity, within three months after the service of the demand by the dissenting shareholder, may file a complaint in the court of common pleas of the county in which the principal office of the corporation that issued the shares is located or was located when the proposal was adopted by the shareholders of the corporation, or, if the proposal was not required to be submitted to the shareholders, was approved by the directors. Other dissenting shareholders, within that three-month period, may join as plaintiffs or may be joined as defendants in any such proceeding, and any two or more such proceedings may be consolidated. The complaint shall contain a brief statement of the facts, including the vote and the facts entitling the dissenting shareholder to the relief demanded. No answer to a complaint is required. Upon the filing of a complaint, the court, on motion of the petitioner, shall enter an order fixing a date for a hearing on the complaint and requiring that a copy of the complaint and a notice of the filing and of the date for hearing be given to the respondent or defendant in the manner in which summons is required to be served or substituted service is required to be made in other cases. On the day fixed for the hearing on the complaint or any adjournment of it, the court shall determine from the complaint and from evidence submitted by either party whether the dissenting shareholder is entitled to be paid the fair cash value of any shares and, if so, the number and class of such shares. If the court finds that the dissenting shareholder is so entitled, the court may appoint one or more persons as appraisers to receive evidence and to recommend a decision on the amount of the fair cash value. The appraisers have power and authority specified in the order of their appointment. The court thereupon shall make a finding as to the fair cash value of a share and shall render judgment against the corporation for the payment of it, with interest at a

rate and from a date as the court considers equitable. The costs of the proceeding, including reasonable

compensation to the appraisers to be fixed by the court, shall be assessed or apportioned as the court considers equitable. The proceeding is a special proceeding and final orders in it may be vacated, modified, or reversed on appeal pursuant to the Rules of Appellate Procedure and, to the extent not in conflict with those rules, Chapter 2505 of the Revised Code. If, during the pendency of any proceeding instituted under this section, a suit or proceeding is or has been instituted to enjoin or otherwise to prevent the carrying out of the action as to which the shareholder has dissented, the proceeding instituted under this section shall be stayed until the final determination of the other suit or proceeding. Unless any provision in division (D) of this section is applicable, the fair cash value of the shares that is agreed upon by the parties or fixed under this section shall be paid within thirty days after the date of final determination of such value under this division, the effective date of the amendment to the articles, or the consummation of the other action involved, whichever occurs last. Upon the occurrence of the last such event, payment shall be made immediately to a holder of uncertificated securities entitled to payment. In the case of holders of shares represented by certificates, payment shall be made only upon and simultaneously with the surrender to the corporation of the certificates representing the shares for which the payment is made.

(C) (1) If the proposal was required to be submitted to the shareholders of the corporation, fair cash value as to those shareholders shall be determined as of the day prior to the day on which the vote by the shareholders was taken and, in the case of a merger pursuant to section 1701.80 or 1701.801 of the Revised Code, fair cash value as to shareholders of a constituent subsidiary corporation shall be determined as of the day before the adoption of the agreement of merger by the directors of the particular subsidiary corporation. The fair cash value of a share for the purposes of this section is the amount that a willing seller who is under no compulsion to sell would be willing to accept and that a willing buyer who is under no compulsion to purchase would be willing to pay, but in no event shall the fair cash value of a share exceed the amount specified in the demand of the particular shareholder. In computing fair cash value, both of the following shall be excluded:

(a) Any appreciation or depreciation in market value resulting from the proposal submitted to the directors or to the shareholders;

(b) Any premium associated with control of the corporation, or any discount for lack of marketability or minority status.

(2) For the purposes of this section, the fair cash value of a share that was listed on a national securities exchange at any of the following times shall be the closing sale price on the national securities exchange as of the applicable date provided in division (C)(1) of this section:

(a) Immediately before the effective time of a merger or consolidation;

(b) Immediately before the filing of an amendment to the articles of incorporation as described in division (A) of section 1701.74 of the Revised Code;

(c) Immediately before the time of the vote described in division (A)(1)(b) of section 1701.76 of the Revised Code.

(D) (1) The right and obligation of a dissenting shareholder to receive fair cash value and to sell such shares as to which the dissenting shareholder seeks relief, and the right and obligation of the corporation to purchase such shares and to pay the fair cash value of them terminates if any of the following applies:

(a) The dissenting shareholder has not complied with this section, unless the corporation by its directors waives such failure;

(b) The corporation abandons the action involved or is finally enjoined or prevented from carrying it out, or the shareholders rescind their adoption of the action involved;

(c) The dissenting shareholder withdraws the dissenting shareholder's demand, with the consent of the corporation by its directors;

C-3

Table of Contents

(d) The corporation and the dissenting shareholder have not come to an agreement as to the fair cash value per share, and neither the shareholder nor the corporation has filed or joined in a complaint under division (B) of this section within the period provided in that division.

(2) For purposes of division (D)(1) of this section, if the merger, consolidation, or conversion has become effective and the surviving, new, or converted entity is not a corporation, action required to be taken by the directors of the corporation shall be taken by the partners of a surviving, new, or converted partnership or the comparable representatives of any other surviving, new, or converted entity.

(E) From the time of the dissenting shareholder's giving of the demand until either the termination of the rights and obligations arising from it or the purchase of the shares by the corporation, all other rights accruing from such shares, including voting and dividend or distribution rights, are suspended. If during the suspension, any dividend or distribution is paid in money upon shares of such class or any dividend, distribution, or interest is paid in money upon any securities issued in extinguishment of or in substitution for such shares, an amount equal to the dividend, distribution, or interest which, except for the suspension, would have been payable upon such shares or securities, shall be paid to the holder of record as a credit upon the fair cash value of the shares. If the right to receive fair cash value is terminated other than by the purchase of the shares by the corporation, all rights of the holder shall be restored and all distributions which, except for the suspension, would have been made shall be made to the holder of record of the shares at the time of termination.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. Indemnification of Directors and Officers.

Indemnification under the Registrant's by-laws. The Registrant's by-laws require the Registrant to indemnify its directors and officers against expenses and liabilities to the fullest extent permitted by law. Any director or officer who is made, or threatened to be made, a party to any claim, action, suit or proceeding by reason of such person being or having been a director or officer of the Registrant or a subsidiary of the Registrant, or by reason of the fact that such person is or was serving at the request of the Registrant as a director, officer, employee, fiduciary or other representative of another corporation or entity, will be entitled to indemnification. The by-laws further provide that such indemnification is not exclusive of any other rights to which such individual may be entitled under the by-laws, any agreement, charter provision, vote of shareholders or directors, or otherwise.

Indemnification under the PBCL. The Pennsylvania Business Corporation Law (PBCL) authorizes indemnification of a director or officer against expenses and liabilities if such person acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful. Unless ordered by a court, indemnification may be made only upon a determination that indemnification of the director or officer is proper under the circumstances because the director or officer has met this standard of care. The determination may be made:

- (1) by the board of directors of the Registrant by a majority vote of a quorum consisting of directors who were not parties to the action or proceeding; or
- (2) if such a quorum is not obtainable, or, if obtainable and a majority vote of a quorum of disinterested directors so directs, by independent legal counsel in a written opinion; or
- (3) by the Registrant's shareholders.

Notwithstanding the above, to the extent that a director or officer has been successful on the merits or otherwise in defense of any action or proceeding, or in defense of any claim, issue or matter in any such action or proceeding, such person is entitled to indemnification against expenses (including attorneys' fees) actually and reasonably incurred by in connection with the action or proceeding.

Limitation of Liability under the Registrant's by-laws. The Registrant's by-laws provide that no director or officer of the Registrant will be liable by reason of having been a director or officer of the Registrant if the person performs his or her duties in good faith and in a manner reasonably believed to be in the best interests of the Registrant. This standard will be satisfied if the person acted without self-dealing, willful misconduct or recklessness.

Directors and Officers Liability Insurance. The Registrant maintains primary directors and officers liability insurance with a \$40 million limit per year and excess Side A insurance with a limit of \$10 million.

Item 22. Undertakings.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement: (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933; (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement (notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any

deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement); and (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other Items of the applicable form.

(5) That every prospectus (i) that is filed pursuant to paragraph (4) immediately preceding, or (ii) that purports to meet the requirements of section 10(a)(3) of the Securities Act of 1933 and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for the purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(6) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(7) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

(8) To respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11 or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(9) To supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
