PROXY STATEMENT

We are sending this Proxy Statement and the enclosed Proxy Card(s) to our Class A and Class B common stockholders on or about March 29, 2017, in connection with the solicitation of proxies by the Board of Directors of Empire State Realty Trust, Inc., a Maryland corporation, for use at the 2017 Annual Stockholders Meeting to be held on Thursday, May 11, 2017, at 11:00 a.m., local (Eastern) time, at State Grill, 350 Fifth Avenue (entrance between Fifth Avenue and Broadway on 33rd Street), New York, New York 10118 or at any postponement or adjournment of the meeting. References in this Proxy Statement to (i) we, us, our, ours, and the company refer to Empire State Realty Trust, Inc. and its consolidated subsidiaries and (ii) stockholders refers to holders of our Class A common stock and Class B common stock, unless the context otherwise requires.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL STOCKHOLDERS MEETING

Who is entitled to vote at the meeting?

Holders of record of our Class A common stock and Class B common stock at the close of business on March 1, 2017, which is referred to in this Proxy Statement as the record date, are entitled to attend and vote their shares at the Annual Stockholders Meeting. Holders of Class B common stock are entitled to fifty votes per share, to the extent they own 49 limited partnership units in Empire State Realty OP, L.P. (our operating partnership) for each share of Class B common stock they hold. We may request verification from holders of Class B common stock of their (or their qualified transferees) continued ownership of operating partnership units in connection with the counting of votes associated with Class B common stock.

Who may attend the meeting?

You are entitled to attend the Annual Stockholders Meeting only if you were a stockholder of record of shares of Class A common stock or Class B common stock of Empire State Realty Trust, Inc. at the close of business on the record date, or you hold a valid proxy for the meeting. In order to be admitted to the Annual Stockholders Meeting, you must present valid government-issued photo identification (such as a driver's license or passport) and proof of ownership of shares of our common stock on the record date. Proof of ownership can be accomplished through the following:

a brokerage statement or letter from your broker or custodian with respect to your ownership of shares of our common stock on the record date;

the Notice of Internet Availability of Proxy Materials;

a printout of the proxy distribution email (if you receive your materials electronically);

a Proxy Card;

a voting instruction form; or

a legal proxy provided by your broker or custodian.

We reserve the right to determine the validity of any purported proof of beneficial ownership. For the safety and security of our stockholders, we will be unable to admit you to the Annual Stockholders Meeting if you do not present photo identification and proof of ownership of shares of our common stock or if you otherwise refuse to comply with our security procedures. Cameras, recording devices and other electronic devices will not be permitted, and attendees may be subject to security inspections and other security precautions.

Why did I receive a notice in the mail regarding the Internet availability of the proxy materials, instead of a paper copy of the proxy materials?

Under rules adopted by the Securities and Exchange Commission, or the SEC, we may furnish proxy materials to our stockholders primarily over the Internet, instead of mailing a printed copy. We believe that this process should expedite stockholders' receipt of proxy materials, lower the costs of our Annual Stockholders Meeting and help to conserve natural resources. On or about March 29, 2017, we mailed to most of our stockholders a Notice of Internet Availability of Proxy Materials (the Notice of Availability) containing instructions on how to access and review the proxy materials, including this Proxy Statement and our Annual Report, on the Internet and instructions on how to vote on the Internet, in person, or by mail. The Notice of Availability also contains instructions on how to receive a paper or electronic copy of the proxy materials. If you received a Notice of Availability by mail, you will not receive a printed copy of the proxy materials unless you request one. If you received paper copies of our proxy materials, you may also view these materials over the Internet by following the instructions contained in the Notice or Proxy Card. The Proxy Statement and our Annual Report are available at www.proxyvote.com.

What is the purpose of the meeting?

At the Annual Stockholders Meeting, you will be asked to vote on the following:

- Proposal 1:*** to elect the seven director nominees named in this Proxy Statement to serve on our Board of Directors until the next annual stockholders meeting or until their successors are duly elected and qualified;
- Proposal 2:*** to approve, on a non-binding, advisory basis, the compensation of our named executive officers; and
- Proposal 3:*** to ratify the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017.

You may also be asked to consider and act upon any other matters that may properly be brought before the Annual Stockholders Meeting or at any adjournments or postponements thereof.

What constitutes a quorum?

The presence, in person or by proxy, of Class A and Class B common stockholders entitled to cast a majority of all votes entitled to be cast at the Annual Stockholders Meeting is necessary to constitute a quorum for the transaction of business at the meeting. Holders of Class A common stock are entitled to one vote per share. Holders of Class B common stock are entitled to fifty votes per share, to the extent they own 49 limited partnership units in our operating partnership for each share of Class B common stock so voted. Holders of Class A common stock and Class B common stock vote together as a single class on the matters to be considered at the Annual Stockholders Meeting, and their votes are counted and totaled together. As of March 1, 2017, 155,656,840 shares of Class A common stock totaling 155,656,840 votes entitled to be cast and, to our knowledge, 1,095,114 shares of Class B common stock (totaling 54,755,700 votes entitled to be cast) were outstanding, so that an aggregate of 210,412,540 votes are entitled to be cast at the Annual Stockholders Meeting. Class A and Class B common stockholders do not have the right to cumulative voting for the election of directors or otherwise.

2 *2017 Proxy Statement*

Table of Contents

What vote is needed to approve each proposal?

The affirmative vote of a plurality of all the votes cast at the Annual Stockholders Meeting at which a quorum is present is necessary for election of the nominees for the directors named in this Proxy Statement. However, our Policy on Majority Voting requires that any nominee who receives a greater number of votes against than votes for in an uncontested election will, within two weeks following certification of the stockholder vote, submit a written resignation offer to our Board of Directors for consideration by our Nominating and Corporate Governance Committee. See Corporate Governance Matters Policy on Majority Voting. A majority of all the votes cast at the Annual Stockholders Meeting at which a quorum is present is necessary for: (i) approval, on a non-binding, advisory basis, of the compensation of our named executive officers and (ii) ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017. We will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence or absence of a quorum. Abstentions do not constitute a vote for or against any matter being voted on at the Annual Stockholders Meeting and will not be counted as votes cast. Therefore, abstentions will have no effect on Proposals 1 through 3 or any other matter that may properly be brought before the Annual Stockholders Meeting or at any adjournment or postponement thereof, assuming a quorum is present. Broker non-votes, or proxies from brokers or nominees indicating that such broker or nominee has not received instructions from the beneficial owner or other entity entitled to vote such shares on a particular matter with respect to which such broker or nominee does not have discretionary voting power, will be treated in the same manner as abstentions for purposes of the Annual Stockholders Meeting. There will not be any broker non-votes with respect to Proposal 3, because Proposal 3 is a routine matter on which brokers are permitted to vote without instructions from the beneficial owner. If you are a beneficial owner whose shares of common stock are held of record by a broker, your broker has discretionary voting authority under the New York Stock Exchange, Inc. (NYSE) rules to vote your shares on Proposal 3, even if the broker does not receive voting instructions from you. However, under the NYSE rules, your broker does not have discretionary authority to vote on Proposals 1 and 2 or any other matter that may properly be brought before the Annual Stockholder Meeting or any adjournment or postponement thereof without instructions from you, in which case a broker non-vote will occur and your shares of common stock will not be voted on these matters at the Annual Stockholders Meeting. None of the proposals, if approved, entitle any of our stockholders to appraisal rights under Maryland law or our charter.

How do I vote?

Voting in Person at the Meeting. If you are a Class A or Class B common stockholder of record and attend the Annual Stockholders Meeting, you may vote in person at the meeting. If your shares of common stock are held in street name and you wish to vote in person at the meeting, you will need to obtain a legal proxy from the broker, bank or other nominee that holds your shares of common stock of record.

If you cast a vote by proxy, you may revoke it at any time before it is voted by:

properly executing and forwarding to us a proxy with a later date; or

appearing in person and voting by ballot at the Annual Stockholders Meeting.

If you attend the Annual Stockholders Meeting, you may vote in person whether or not you have previously given a proxy, but your presence (without further action) at the Annual Stockholders Meeting will not constitute revocation of a previously given proxy.

4 *2017 Proxy Statement*

Table of Contents

How does the Board recommend that I vote on each of the proposals?

Our Board of Directors recommends that you vote:

Proposal 1: the election of the seven director nominees named in the enclosed Proxy Statement to serve on our Board of Directors until the next annual stockholders meeting or until their successors are elected and qualified; **FOR** each director nominee

Proposal 2: the approval, on a non-binding, advisory basis, of the compensation of our named executive officers; and **FOR**

Proposal 3: the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017. **FOR**

How is my vote counted, and are there any specific voting arrangements in place?

If you properly execute a proxy, and if we receive it prior to voting at the meeting, or authorize your proxy to vote your shares in person, electronically through the Internet or by telephone, the shares of common stock that the proxy represents will be voted in the manner specified on the proxy. If no specification is made, the shares of common stock will be voted (i) FOR election of each of the director nominees named in this Proxy Statement; (ii) FOR approval, on a non-binding, advisory basis, of the compensation of our named executive officers ; and (iii) FOR ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017; and (iv) as recommended by our Board of Directors with regard to all other matters in its discretion.

On August 23, 2016, we issued and sold 29,610,854 shares of our Class A common stock at a purchase price of \$21.00 per share to Q REIT Holding LLC, a wholly owned subsidiary of the Qatar Investment Authority, a governmental authority of the State of Qatar (collectively, QIA). As of the record date, the shares purchased by QIA represented a 9.9% fully diluted economic interest in our company (inclusive of all outstanding operating partnership units, including any long term incentive plan units) and 14.1% of the outstanding voting interests of our common stock. However, pursuant to the terms of a Stockholders Agreement that we entered into with QIA on August 23, 2016, QIA has agreed to limit its voting power on all matters coming before our stockholders (whether at a meeting, or by written consent) to no more than 9.9% of the total number of votes entitled to be cast on such matter. Accordingly, 8,780,013 shares of the Class A common stock held by QIA on the record date (representing the number of shares held by QIA that are in excess of such 9.9% threshold) will be voted at the Annual Stockholders Meeting in the same manner and proportion as the votes cast by all other stockholders on such matters. QIA has granted our Board of Directors an irrevocable proxy to vote these excess shares in such manner and proportion. In addition, QIA has agreed under the Stockholders Agreement to vote its remaining shares in favor of the election of each of the director nominees named and recommended by our Board of Directors in this Proxy Statement.

It is not anticipated that any matters other than those set forth in the Proxy Statement will be presented at the meeting. No stockholder proposals or nominations were received on a timely basis, so no such matters may be brought to a vote at the Annual Stockholders Meeting. If other matters are presented, proxies will be voted at the discretion of the proxy holders.

What other information should I review before voting?

For your review, we make available free of charge through our website at *www.empirestaterealtytrust.com*, under the headings Investors/SEC Filings, our Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, Current Reports on Form 8-K, and all amendments to those reports as soon as reasonably practicable after such material is electronically filed with or furnished to the SEC. Further, we will provide, without charge to each stockholder upon written request, a copy of our and our operating partnership's Annual Reports on Form 10-K

Empire State Realty Trust 5

(including our consolidated financial statements, schedules and list of exhibits), Quarterly Reports on Form 10-Q, Current Reports on Form 8-K, and all amendments to those reports as soon as reasonably practicable after such material is electronically filed with or furnished to the SEC. Requests for copies should be addressed to Corporate Secretary, Empire State Realty Trust, Inc., 111 West 33rd Street, 12th Floor, New York, New York 10120. Copies may also be accessed electronically by means of the SEC's home page on the Internet at www.sec.gov. Neither our Annual Report on Form 10-K for the year ended December 31, 2016 nor the 2016 Annual Report to Stockholders shall constitute a part of the proxy solicitation materials.

What should I do if I received more than one Notice of Availability?

There are circumstances under which you may receive more than one Notice of Availability. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each such brokerage account. In addition, if you are a stockholder of record and your shares are registered in more than one name, you will receive more than one Notice of Availability. Please authorize your proxy in accordance with the instructions of each Notice of Availability separately, since each one represents different shares that you own.

PROPOSAL 1: ELECTION OF DIRECTORS

Our Board of Directors currently consists of seven members, each serving for a term of one year or until his/her successor is duly elected and qualified. Our Board of Directors appointed Ms. Leslie D. Biddle effective March 6, 2017, filling the vacancy created by the passing of our former director, Alice M. Connell. Peter L. Malkin, our Chairman Emeritus, may attend meetings of our Board of Directors, but does not have board member voting status.

At the Annual Stockholders Meeting, stockholders will be asked to elect each of the director nominees to serve until the 2018 annual stockholders meeting or until their successors are duly elected and qualified. Our Board of Directors, upon recommendation of the Nominating and Corporate Governance Committee, has nominated Anthony E. Malkin, William H. Berkman, Leslie D. Biddle, Thomas J. DeRosa, Steven J. Gilbert, S. Michael Giliberto and James D. Robinson IV to serve as directors. Each of the nominated persons currently serves as a member of the Board and has consented to being named in this Proxy Statement and to serve as a director, if elected. If any nominee is unable to accept election, proxies voted in favor of such nominee will be voted for the election of such other person or persons as our Board of Directors may select.

The election of each nominee requires the affirmative vote of a plurality of all the votes cast at the Annual Stockholders Meeting at which a quorum is present in person or by proxy. However, our Policy on Majority Voting requires that any nominee who receives a greater number of votes against than votes for in an uncontested election will, within two weeks following certification of the stockholder vote, submit a written resignation offer to our Board of Directors for consideration by our Nominating and Corporate Governance Committee. See Corporate Governance Matters Policy on Majority Voting.

Board of Directors and Committee Self-Evaluations

Throughout the year, our Board of Directors discusses corporate governance practices with management and third party advisers to ensure that the Board and its committees follow practices that are optimal for the company and its stockholders. As part of this process, the Board conducts an annual self-evaluation in order to determine whether it and its committees are functioning effectively. CORPORATE GOVERNANCE MATTERS

This section of our Proxy Statement contains information about a variety of our corporate governance policies and practices. We have structured our corporate governance in a manner which we believe closely aligns our interests with those of our stockholders. You are encouraged to visit our website at www.empirestaterealtytrust.com to view or obtain copies of our Corporate Governance Guidelines, committee charters, and Code of Business Conduct and Ethics. The information found on, or accessible through, our website is not incorporated into, and does not form a part of, this Proxy Statement or any other report or document we file with or furnish to the SEC. You may also obtain, free of charge, a copy of our Corporate Governance Guidelines, committee charters, and Code of Business Conduct and Ethics by directing your request in writing to Corporate Secretary, Empire State Realty Trust, Inc., 111 West 33rd Street, 12th Floor, New York, New York 10120. Additional information relating to the corporate governance of our company is also set forth below and included in other sections of this Proxy Statement.

Corporate Governance Guidelines

Our Board of Directors has adopted Corporate Governance Guidelines that address significant issues of corporate governance and set forth procedures by which our Board of Directors carries out its responsibilities. Among the areas addressed by the Corporate Governance Guidelines are director qualification standards, director responsibilities, director access to management and independent advisors, director compensation, director orientation and continuing education, management succession, annual performance evaluation of our Board of Directors, management responsibilities and meeting procedures. These guidelines meet or exceed the listing standards adopted by the NYSE, on which our Class A common stock is listed. Our Nominating and Corporate Governance Committee is responsible for assessing and periodically reviewing the adequacy of the Corporate Governance Guidelines and will recommend, as appropriate, proposed changes to our Board of Directors.

Code of Business Conduct and Ethics

Our Board of Directors has adopted a Code of Business Conduct and Ethics that applies to our directors, officers and employees. Among other matters, our Code of Business Conduct and Ethics is designed to deter wrongdoing and to promote:

honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;

full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;

compliance with applicable governmental laws, rules and regulations;

prompt internal reporting of violations of the Code to appropriate persons identified in the Code; and

accountability for adherence to the Code of Business Conduct and Ethics.

Any waiver of the Code of Business Conduct and Ethics for our directors or executive officers may be made only by our Board of Directors or one of our Board committees. We intend to disclose on our website any amendment to, or waiver of, any provision of the Code of Business Conduct and Ethics applicable to our directors and executive officers that would otherwise be required to be disclosed under the rules of the SEC or the NYSE.

Director Independence

Background. Our Corporate Governance Guidelines provide that a majority of our directors serving on our Board of Directors must be independent as required by the listing standards of the NYSE. In addition, our Board of Directors has adopted director independence standards that assist our Board of Directors in making determinations with respect to the independence of directors.

Empire State Realty Trust **19**

Table of Contents

Independence determinations made by our Board of Directors. Our Board of Directors has determined, based upon its review of all relevant facts and circumstances and after considering all applicable relationships of which our Board of Directors had knowledge between or among the directors and the company or our management, that each of our directors, other than Anthony E. Malkin, has no material relationship with us (either directly or as a partner, stockholder, director or officer of an organization that has a relationship with us) and is independent as defined in the NYSE listing standards and our director independence standards. No director participated in the final determination of his own independence.

Consideration of Director Candidates

The Nominating and Corporate Governance Committee considers properly submitted stockholder recommendations for candidates for membership on our Board of Directors as described below under Identifying and evaluating candidates for director. In evaluating such recommendations, the Nominating and Corporate Governance Committee seeks to achieve a balance of knowledge, experience and capability on our Board of Directors and to address the membership criteria set forth below under Director qualifications. Any stockholder recommendation for consideration by the Nominating and Corporate Governance Committee should include the nominee's name and qualifications for Board of Directors membership. The recommending stockholder should also submit evidence of the stockholder's ownership of our shares, including the number of shares owned and the length of time of ownership. The recommendation should be addressed to the Corporate Secretary, Empire State Realty Trust, Inc., 111 West 33rd Street, 12th Floor, New York, New York 10120.

Director qualifications. Our Corporate Governance Guidelines contain the membership criteria for our Board of Directors. Directors should (i) possess the highest personal and professional ethics and integrity, exercise good business judgment and be committed to representing the long-term interests of the company and our stockholders and (ii) have an inquisitive and objective perspective, practical wisdom and mature judgment. We endeavor to have a Board representing a diverse experience that provides knowledge of business, financial, governmental or legal matters that are relevant to our business and to our status as a publicly owned company.

Directors must be willing to devote sufficient time and effort to carrying out their duties and responsibilities effectively and should be committed to serve on our Board of Directors for an extended period of time. A director who also serves as chief executive officer or holds an equivalent position at another company should not serve on more than two other boards of public companies in addition to our Board of Directors, and other directors should not serve on more than four other boards of public companies in addition to our Board of Directors. Pre-existing positions in excess of these limits may be maintained, unless our Board of Directors determines that doing so would impair the quality of the director's service to our Board of Directors.

The Nominating and Corporate Governance Committee ensures that the potential nominee is not an employee or agent of, and does not serve on the board of directors or similar managing body of, any of our competitors and determines whether the potential nominee has an interest in any transactions to which we are a party.

Prior to a vote as to whether a potential nominee is recommended to our Board of Directors, each member of the Nominating and Corporate Governance Committee is provided reasonable access to such potential nominee. Such access includes a reasonable opportunity to interview such potential nominee in person or by telephone and to submit questions to such potential candidate. In addition, each potential nominee provides the Nominating and Corporate Governance Committee with a written detailed biography and identifies the committees of our Board of Directors, if any, on which the potential nominee would be willing to serve.

Identifying and evaluating candidates for director. The Nominating and Corporate Governance Committee may solicit recommendations for director nominees from any or all of the following sources: non-management directors, the Chairman and Chief Executive Officer, other executive officers, third-party search firms or any other source it deems appropriate. As described above, the Nominating and Corporate Governance Committee will also consider candidates recommended by stockholders.

The Nominating and Corporate Governance Committee will review and evaluate the qualifications of any proposed director candidate that it is considering in compliance with the Nominating and Corporate Governance

20 *2017 Proxy Statement*

Table of Contents

Committee's procedures for that purpose, and conduct inquiries it deems appropriate into the background of these proposed director candidates. In identifying and evaluating proposed director candidates, the Nominating and Corporate Governance Committee may consider, in addition to the minimum qualifications for Nominating and Corporate Governance Committee-recommended director nominees, all facts and circumstances that it deems appropriate or advisable, including, among other things, the skills of the proposed director candidate, his or her depth and breadth of business experience, his or her independence and the needs of our Board. In identifying director nominees, the Nominating and Corporate Governance Committee and our Board of Directors may consider diversity when identifying and evaluating proposed director candidates. Our Board of Directors does not discriminate on the basis of race, color, national origin, gender, religion, disability, or sexual preference in selecting director candidates. Each director must represent the interests of all of our stockholders. As noted above, the Nominating and Corporate Governance Committee, when recommending director candidates to the full Board for nomination, may consider whether a director candidate, if elected, assists in achieving a mix of board members that represents a diversity of background and experience. The Nominating and Corporate Governance Committee will evaluate all proposed director candidates whom it considers or who have been properly recommended to it by stockholders based on the same criteria and in substantially the same manner, without regard to the source of the initial recommendation of the proposed director candidate.

Other than Leslie D. Biddle, who was appointed to the Board effective March 6, 2017, there are no nominees for election to our Board of Directors this year who have not previously served as one of our directors.

Policy on Majority Voting

Our Board of Directors has adopted a policy regarding the election of directors in uncontested elections. Pursuant to such policy, in an uncontested election of directors, any nominee who receives a greater number of votes affirmatively against his or her election than votes for his or her election will, within two weeks following certification of the stockholder vote by our company, submit a written resignation offer to our Board of Directors for consideration by our Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee will consider the resignation offer and, within 60 days following certification by our company of the stockholder vote with respect to such election, make a recommendation to our Board of Directors concerning the acceptance or rejection of the resignation offer. Our Board of Directors will take formal action on the recommendation no later than 90 days following certification of the stockholder vote by our company. We will publicly disclose, in a Current Report on Form 8-K or periodic report filed with the SEC, the decision of our Board of Directors. Our Board of Directors will also provide an explanation of the process by which the decision was made and, if applicable, its reason or reasons for rejecting the tendered resignation.

Leadership Structure of our Board of Directors

Our Board of Directors understands that there is no single, generally accepted approach to providing board leadership and that, given the dynamic and competitive environment in which we operate, the appropriate leadership may vary as circumstances warrant. Our Board of Directors does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of our Board of Directors. Our Board of Directors consists of a majority of independent and non-executive directors. Our Board of Directors currently believes it is in our company's best interests to have Anthony E. Malkin serve as Chairman of our Board of Directors and Chief Executive Officer. Our Board of Directors believes combining these roles promotes effective leadership and provides the clear focus needed to execute

our business strategies and objectives.

Our Board of Directors has appointed Steven J. Gilbert as its lead independent director. The lead independent director's duties include chairing executive sessions of the independent directors, facilitating communications and resolving conflicts between the independent directors, other members of our Board of Directors and the management of our company, and consulting with and providing counsel to our Chief Executive Officer as needed or requested.

Our Board of Directors Role in Risk Oversight

While risk management is primarily the responsibility of our senior management team, our Board of Directors plays an active role in overseeing management of our company's risks. The committees of our Board of Directors assist the full Board in risk oversight by addressing specific matters within the purview of each committee. The Audit Committee focuses on oversight of financial risks relating to the company; the Compensation Committee focuses primarily on risks relating to executive compensation plans and arrangements; the Finance Committee focuses on risks relating to our capital structure and strategies; and the Nominating and Corporate Governance Committee focuses on reputational and corporate governance risks relating to our company, including potential conflicts of interest and the independence of the members of our Board of Directors. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the full Board of Directors keeps itself regularly informed regarding such risks through committee reports and otherwise.

Our company's senior management team reports to our Board of Directors on the company's tenant base, leverage policies, any material litigation, compliance with applicable REIT rules, cybersecurity, and other risk-related matters. In addition, members of our Board of Directors routinely meet with members of senior management in connection with our business generally, their consideration of matters submitted for review or approval by our Board of Directors, and the risks associated with such matters.

In addition to our Board of Directors' review of risks applicable to our company generally, the Board conducts an annual self-assessment in order to evaluate performance for the purpose of improving Board and committee processes and effectiveness. See [Information About Our Board of Directors and its Committees](#) Board of Directors and Committee Self-Evaluations.

We maintain a Disclosure Committee consisting of certain members of our executive management and senior employees. Our Disclosure Committee meets as often as circumstances dictate to ensure the accuracy, completeness and timeliness of our disclosure statements, and to evaluate the effectiveness of the design and operation of our disclosure controls and procedures on an annual and periodic basis. The purpose of our Disclosure Committee includes bringing together representatives from our core business lines and employees involved in the preparation of our financial statements to consider the materiality of information required to be disclosed to the company's stockholders, the SEC and the investment community. Our Disclosure Committee reports to our Chief Executive Officer and Chief Financial Officer.

Executive Sessions of Independent Directors

The independent members of our Board of Directors meet in executive session after each regularly scheduled meeting of our Board of Directors without the presence of any persons who are part of our management. The executive sessions are chaired by our lead independent director.

Director Attendance at Annual Stockholders Meetings

We encourage each member of our Board of Directors to attend each annual stockholders meeting. Each member of our Board of Directors attended our 2016 Annual Stockholders Meeting in person, other than Leslie D. Biddle, who was appointed to our Board effective March 6, 2017.

Audit Committee Financial Experts

Our Board of Directors has determined that each of S. Michael Giliberto, Leslie D. Biddle and Thomas J. DeRosa is an audit committee financial expert as defined in Item 407(d)(5) of SEC Regulation S-K, and that each of them is independent as such term is defined by the applicable rules of the SEC and NYSE.

Communications with our Board of Directors

We have a process by which stockholders and/or other parties may communicate with our Board of Directors, our independent directors as a group or our individual directors by e-mail or regular mail. Any such

The company's Chief Financial Officer will review each communication received in accordance with this process to determine whether the communication requires immediate action. All appropriate communications received, or a summary of such communications, will then be forwarded to the appropriate member(s) of our Board of Directors. However, we reserve the right to disregard any communication that the company's Chief Financial Officer determines is unduly hostile, threatening, illegal, unrelated to the company, or otherwise inappropriate.

Whistleblower Policy

Our Audit Committee has adopted procedures for (i) the anonymous and confidential submission by employees or other interested parties of complaints or concerns regarding violations of securities laws or questionable accounting, internal accounting controls or auditing matters, and (ii) the receipt, retention and treatment of employee complaints or concerns regarding such matters. In addition, this section provides quantitative and qualitative information about the manner and context in which compensation is awarded to, and earned by, our named executive officers, and places in perspective the data presented in the tables and narrative that follow.

Throughout this Proxy Statement, our Chairman and Chief Executive Officer, Anthony E. Malkin, our President and Chief Operating Officer, John B. Executive Summary

Executive Compensation Philosophy

Our executive compensation program is designed to align incentives for executives with achievement of our business strategies, to encourage our management to focus on creating growth in value for our stockholders, and to retain our executives. In order to meet our objectives, our executive compensation program is designed to provide:

incentive compensation that places a strong emphasis on financial performance, with the flexibility to assess operational and individual performance;

an appropriate link between compensation and the creation of stockholder value through equity awards, including awards tied to absolute and relative total stockholder return;

balanced incentives that do not promote excessive risk-taking; and

a significant portion of compensation in the form of multi-year performance-based and time-based equity awards designed to attract and retain highly talented executives.

Financial, Operational and Stock Performance Highlights

A long-standing principle of our executive compensation program is to link pay to performance. Accordingly, when making compensation decisions, we analyze and assess our financial, operational and stock performance and execution on our strategic initiatives. As set forth below, during the entire period since our initial public offering (IPO) in October 2013, including during the year 2016, the company delivered strong financial and stock performance and made significant progress on its long-term strategic goals. Detail regarding our financial results is presented in our Annual Report on Form 10-K for the period ending December 31, 2016, filed by us with the SEC on February 27, 2017 and provided to you concurrently with this Proxy Statement. We provide the summary financial information in this Proxy Statement solely to assist your review of our Compensation Discussion and Analysis and evaluation of the

compensation of our named executive officers. Such summary should not be used as a substitute for the detailed financial information in our 2016 Annual Report on Form 10-K.

Say-on-Pay and Say-on-Frequency Results

Our Compensation Committee considered the voting results of the advisory, non-binding say-on-pay vote at our 2016 annual stockholders meeting in connection with the discharge of its responsibilities. The 2016 say-on-pay received strong support from our stockholders, with a substantial majority of our stockholders (96.2% of the votes cast by stockholders of our Class A and Class B common stock) voting to approve the compensation of our named executive officers described in our 2016 proxy statement.

At our 2014 annual stockholders meeting, a substantial majority of our stockholders (96.1% of the votes cast by stockholders of our Class A and Class B common stock) voted in favor of our company's proposal to hold the say-on-pay vote every year. In light of this vote, and consistent with our recommendation, our Board of Directors determined that it intends to include an advisory vote to approve the compensation of our named executive officers every year until the next required vote on the frequency of stockholder votes on named executive officer compensation. We currently expect the next advisory vote on the frequency of stockholder votes to approve the compensation of our named executive officers to occur at our 2020 annual stockholders meeting.

Roles of our Compensation Committee, Compensation Consultant and Management

Compensation Committee

Our Compensation Committee is comprised entirely of independent directors. Our Compensation Committee has overall responsibility for monitoring the performance of the company's executives and evaluating and approving our executive compensation plans, policies and programs. In addition, our Compensation Committee oversees the development, implementation, and administration of our Equity Incentive Plan.

Our Compensation Committee determines all components of our Chief Executive Officer's compensation. With respect to the other named executive officers, our Compensation Committee seeks input from our Chief Executive Officer and reviews and approves all components of our other named executive officers' compensation.

Compensation Consultant

Our Compensation Committee has engaged FPL Associates LP (FPL) an outside compensation consultant, to provide guidance with respect to the development and implementation of our compensation programs. FPL provides our Compensation Committee with advice concerning the types and levels of compensation to be paid to our named executive officers. FPL also provides market compensation data on base pay, as well as annual and long-term incentives.

Our Compensation Committee requires that its consultant be independent of company management. Our Compensation Committee performs an annual assessment of the consultant's independence to determine whether the consultant is independent. Our Compensation Committee most recently assessed FPL's independence in February 2017 and confirmed that FPL is independent and that FPL's work has not raised any conflict of interest.

Management

Our Chief Executive Officer attends Compensation Committee meetings, provides information as to the individual performance of the other named executive officers, and makes annual recommendations to our Compensation Committee regarding appropriate compensation levels for all named executive officers other than himself. All elements of our executive officers' compensation must be approved by our Compensation Committee, and our Chief Executive Officer is not present during portions of our Compensation Committee's discussions with respect to his compensation.

Benchmarking Process

In developing our executive compensation programs, our Compensation Committee commissions an annual compensation benchmarking analysis to ensure that our programs are competitive with those of other similar publicly traded REITs, including consideration of the cost of attracting and retaining talented executives in the New York City marketplace.

Peer Data

Our Compensation Committee developed an appropriate peer group for our company with the advice of FPL, including publicly traded REITs that have a type and size of portfolio and operate in a market similar to ours. The Committee evaluates the members of our peer group each year to ensure that they continue to be appropriate and to determine whether other companies should be added. In early 2016, in consultation with FPL, the peer group was adjusted to reflect more closely other REITs which operate and compete in high-barrier high-cost markets like New York.

Our 2016 peer group consists of 13 public REITs primarily focused in the office REIT sector, with several having their principal offices and much of their portfolio located in New York or similar markets. As of December 31, 2016, the peer group companies ranged in size, defined by UPREIT market capitalization, from approximately \$1.1 billion to \$21.6 billion, with a median capitalization of \$5.1 billion. On the same basis, our UPREIT market capitalization of approximately \$6.0 billion placed us at the 63rd percentile of the group. The 2016 peer group consists of the following 13 companies:

Boston Properties, Inc.	Kilroy Realty Corporation
Columbia Property Trust, Inc.	Paramount Group, Inc.
Corporate Office Properties Trust	Parkway, Inc.
Cousins Properties Incorporated	Piedmont Office Realty Trust, Inc.
Douglas Emmett, Inc.	SL Green Realty Corp.
Highwoods Properties, Inc.	Vornado Realty Trust
Hudson Pacific Properties, Inc.	

After our peer group has been established, FPL provides market data and practices of the peer group for our Compensation Committee to consider, as well as information on executive compensation trends and developments generally. Specifically, FPL provides information regarding the design and levels of compensation paid by our peers and overall counsel to determine the appropriate incentive design for our company. Such compensation data for peers is analyzed by our Compensation Committee with the assistance of FPL.

For purposes of determining our overall level of executive compensation (the primary elements of which are base salary, annual incentive cash bonus and long-term equity incentive compensation), our Compensation Committee looks at the practices of the peer group and seeks to set a suitable and competitive compensation package in the context of the New York City marketplace in which we operate and the competitive conditions for the talent pool in that market. The resulting compensation is intended to serve the company's requirements in both recruitment and retention of key qualified executives.

Further, an executive's target compensation is not mechanically set at a particular percentage of the peer group. Rather, our Compensation Committee also takes into account the executive's role and experience, and the competitive factors needed to retain and incentivize such executive. Ultimately, our Compensation Committee believes that the decision as to appropriate target compensation for a particular executive should be made based on the full review of individual and company performance as well as competitive market data.

Overall, as set forth below in Elements of Our Compensation Program, FPL determined that our executive compensation programs, as structured, are appropriate to retain valued executives and remain competitive amongst our peers. Based upon the review of peer group compensation levels and general industry compensation levels, our Compensation Committee believes that the value and design of our executive compensation programs are appropriate for a company of our size, structure, business, and market.

Key Features of Our Compensation Program

We have adopted many leading market best practices with respect to our compensation practices. A number of those practices are set forth below.

What we do....	What we don't do....
<p>We pay for performance, and our compensation programs are designed to have direct alignment with total stockholder return performance; salaries comprise a relatively modest portion of each named executive's overall compensation opportunity</p>	<p>û We do not provide excise tax gross-ups</p> <p>û We do not have single-trigger change of control benefits</p>
<p>We use multiple performance metrics as well as different performance measures in granting equity awards, which mitigates compensation-related risk; we also measure performance across various performance periods</p>	<p>û We do not allow hedging; our Compensation Committee must approve pledging of company stock by executive officers and other key employees</p>
<p>We have implemented a clawback policy that allows for the recovery of previously paid executive compensation</p>	<p>û We do not encourage unnecessary or excessive risk taking; incentive awards are not based on a single performance metric and do not have guaranteed minimum or uncapped payouts</p>
<p>We have double-trigger change of control benefits</p>	<p>û We do not allow for repricing of stock options without stockholder consent</p>
<p>We have robust stock ownership guidelines for our named executive officers and directors</p>	<p>û We allow very limited perquisites for our Chairman and Chief Executive Officer, structured with specific business rationales</p>
<p>We have a conservative compensation risk profile and ensure that our compensation program structure does not encourage excessive or inappropriate risk taking</p>	

We align the interests of our stockholders and executive officers by granting long-term equity awards that vest based on achievement of TSR targets and enhance executive officer retention with long-term equity incentive awards that vest based on the performance of services over time

We engage an independent compensation consultant to advise the Compensation Committee, which is comprised solely of independent directors

Elements of Our Compensation Program

The compensation provided to our named executive officers typically consists of base salary, annual incentive cash bonus, long-term equity incentive compensation, and other perquisites and benefits, if applicable, each of which is described in more detail below. In formulating base salary, cash bonus and long-term equity incentive compensation, we start by looking at our peer group as a reference, then focus more specifically on those peer companies which operate in our highly competitive marketplace of New York City. We also consider each individual's sustained performance, contribution, experience, expertise, and specific role within our company. As shown below, a large element of the total compensation package for each executive is based on quantifiable performance criteria, centered on creation of stockholder value.

Empire State Realty Trust **31**

Table of Contents***Base Salaries for 2016 and 2017***

The base salary payable to each named executive officer provides a fixed component of compensation that reflects the executive's position and responsibilities. Base salaries are reviewed annually by our Compensation Committee and may be adjusted to better match competitive market levels or to recognize an executive's professional growth, development, and increased responsibility.

For 2016, the annual base salary for each executive was increased to be more in line with our updated peer group and the competitive landscape for talent within our New York City marketplace.

After its annual review, for 2017 our Compensation Committee determined not to increase 2017 annual base salaries for each of our named executive officers as reflected in the chart below:

Named Executive Officer	Base Salary		% Change
	2016	2017	
Anthony E. Malkin	\$ 810,000	\$ 810,000	0.0%
John B. Kessler	700,000	700,000	0.0%
David A. Karp	650,000	650,000	0.0%
Thomas P. Durels	650,000	650,000	0.0%
Thomas N. Keltner, Jr.	625,000	625,000	0.0%

Annual Incentive Cash Bonus Payments for 2016

We provide cash bonuses to incentivize our named executive officers to achieve key short-term corporate strategic milestones, to motivate certain desired individual behaviors, and to reward substantial achievement of these corporate objectives and individual goals. Target cash bonuses are set at a percentage of the named executive officer's annual base salary.

Upon the recommendation of FPL, our Compensation Committee set 2016 target cash bonus amounts for our named executive officers at 150%, 100%, 75%, 75%, and 50% of Mr. Malkin's, Mr. Kessler's, Mr. Karp's, Mr. Durels's and Mr. Keltner's respective 2016 annual base salaries, resulting in target awards with the following values: Mr. Malkin \$1,215,000, Mr. Kessler \$700,000, Mr. Karp \$487,500, Mr. Durels \$487,500, and Mr. Keltner \$312,500.

The Compensation Committee determined that actual 2016 cash bonus amounts would be paid based upon achievement of corporate, individual and, with respect to Mr. Durels, certain portfolio and operational objectives. Our Compensation Committee established rigorous corporate and operational objectives, and it determined that it would have discretion at the end of 2016 to determine an appropriate award based on an evaluation of these aggressive quantifiable goals. The mix of goals with respect to each named executive officer was determined as follows:

Named Executive Officer	Cash Bonus Performance Dimension		
	Corporate	Operational	Individual

On February 17, 2017, our Compensation Committee reviewed the company's 2016 performance against the target corporate goals, as set forth below.

Corporate Goals	Target	Actual	Percent of Goal
Core FFO Per Share	\$0.94	\$1.00 without QIA ³ \$0.97 with QIA	106% 103%
Same-store NOI Growth	2.7%	7.5%	277%
Property Operating Margin	51.4%	53.0%	103%
MG&A Expenses (as % of revenue)	7.1%	7.2%	101%

In its series of discussions to determine 2016 cash bonus awards, our Compensation Committee noted: (i) the company's outperformance in quantitative criteria, especially same-store NOI growth that far exceeded a challenging hurdle, as well as Core FFO per share, particularly given the impact of new share issuances to QIA, (ii) the strategic benefits and significance of the QIA transaction to the company's balance sheet and its ability to operate and invest opportunistically, and (iii) the company's financial and operational performance and TSR for 2016, and over the entire period since the IPO, resulting in stock price movement from \$13 per share in October 2013 to more than \$20 per share as of the end of 2016.

The Committee also considered a number of related factors, including: (i) the scope of the officer's responsibilities within our company and in relation to comparable officers at various companies within our peer group; (ii) the experience of the officer within our industry and at our company; (iii) a review of historical compensation information for the individual officer; (iv) a determination of the compensation needed to motivate and retain that individual; (v) the recommendations of the Chief Executive Officer with respect to the executive officers other than Mr. Malkin; and (vi) data regarding compensation paid to officers with comparable titles, positions or responsibilities at our peer companies (see *Benchmarking Process* above).

Based upon the company's substantial outperformance of the 2016 corporate criteria (and, for Mr. Durels, performance against the portfolio and operational objectives), a detailed review of each executive's individual performance for the year, as well as the related factors noted above, our Compensation Committee approved payment of 2016 cash bonus awards for Messrs. Malkin, Kessler, Karp, Durels, and Keltner: \$1,822,500, \$1,050,000, \$731,250, \$731,250 and \$468,750 respectively.

Annual Incentive Cash Bonus Criteria for 2017

Upon the recommendation of FPL, our Compensation Committee again set 2017 target cash bonus amounts for our named executive officers at 150%, 100%, 75%, 75%, and 50% of Mr. Malkin's, Mr. Kessler's, Mr. Karp's, Mr. Durels's and Mr. Keltner's respective 2017 annual base salaries, resulting in target awards with the following values: Mr. Malkin \$1,215,000, Mr. Kessler \$700,000, Mr. Karp \$487,500, Mr. Durels \$487,500, and Mr. Keltner \$312,500.

The foregoing 2017 target cash bonus amounts represent no increase from the target cash bonus amounts set by the Compensation Committee in 2016.

³ Actual without QIA adjusts the fully diluted weighted average shares to exclude the 29,610,854 shares issued to QIA on August 23, 2016.

Table of Contents

The Compensation Committee determined that actual 2017 cash bonus amounts would be paid based upon achievement of corporate, individual and, with respect to Mr. Durels, given his role in managing a critical business unit, certain portfolio and operational objectives. Our Compensation Committee established rigorous corporate and operational objectives in setting the goals in the tables below, and it determined that it would have discretion at the end of 2017 to determine an appropriate award based on an evaluation of these aggressive, quantifiable goals. Consistent with 2016, the mix of goals with respect to each named executive officer was determined as follows:

Named Executive Officer	Cash Bonus Performance Dimension		
	Corporate	Operational	Individual
Anthony E. Malkin	75%		25%
John B. Kessler	75%		25%
David A. Karp	60%		40%
Thomas P. Durels	40%	40%	20%
Thomas N. Keltner, Jr.	50%		50%

The corporate criteria for 2017 again relate to: (a) Core FFO per share, (b) same-store NOI growth, (c) property operating margin, and (d) MG&A expenses as a percentage of revenue. The target portfolio and operational objectives with respect to Mr. Durels again relate to: (i) tenant quality; (ii) occupancy at year end; (iii) leasing; (iv) weighted average starting rents; (v) tenant improvements; and (vi) actual capital expenditure compared to budget amounts.

The foregoing 2017 annual incentive amounts shall be paid in cash, unless the named executive officer elects to exchange all or part of such cash for an equivalent number of LTIP units (or at 125% of the exchanged cash amount, if the recipient agrees to defer vesting of such LTIP units over a three-year period).

Long-Term Equity Incentive Compensation***General***

Our Compensation Committee believes that a substantial portion of each named executive officer's compensation should be in the form of long-term equity incentive compensation. Equity incentive awards align management's interests more closely with those of our stockholders and encourage management to create stockholder value over the long term, because the value of the equity awards is directly attributable to changes in the price of our common stock over time. In addition, equity awards with vesting tied to the achievement of TSR goals directly aligns the interests of our executive officers with those of our stockholders and encourage value creation for our stockholders and equity awards are an effective tool for management retention because full vesting of the awards generally requires continued employment for multiple years.

Long-term equity incentive compensation is granted in the form of LTIP units, representing a class of partnership interests in our operating partnership, or shares of restricted Class A common stock. Each grant is formulated as a dollar amount when approved, based on peer benchmarks, competitive conditions, and the criteria and goals discussed herein. In accord with the applicable approval, such dollar amount is converted into units or shares, which for 2016 was based on the fair value calculated under ASC Topic 718. For a description of such fair value calculation, see Note 10 to our 2016 audited financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2016. For a description of LTIP units, see "LTIP Units" below. In connection with these awards, our executives elect whether to receive LTIP units or shares of restricted Class A common stock. To date, all of our

executives have chosen LTIP units.

In order to maximize retention and enhance the goals of our company, our Compensation Committee has determined to structure our long-term incentive awards with both (a) awards subject to multiple performance vesting components and (b) awards subject only to time-based vesting. The long-term equity incentive award is initially allocated 50% (based on target amounts) in the form of time-based vesting awards and the balance in the

34 *2017 Proxy Statement*

Table of Contents

form of performance-based vesting awards, in order to provide (i) an appropriate alignment of interests with stockholders, (ii) motivation to focus on multi-year stockholder value creation, and (iii) retention of our highly talented executives.

The time-based awards vest 25% per year over four years on each anniversary of a specified date proximate to the grant date, subject to continued employment by the executive officer.

Distributions with respect to the time-based LTIP units, both vested and unvested, will be paid as and when distributions are paid with respect to our partnership units.

The performance-based awards vest based on the company's absolute and relative annualized TSR over a three-year performance period. Such awards, to the extent earned at the end of such three-year performance period, will vest 50% at the end of such period and 50% on the first anniversary of the end of such period, subject to continued employment by the executive officer.

The annualized TSR is calculated based on the annualized appreciation in the company's Class A common stock price from the beginning of the performance period to the 20-trading-day trailing average closing Class A common stock price at the end of the performance period, plus the amount of dividends per share paid over the performance period.

Distributions with respect to the performance-based LTIP units granted in 2016 and thereafter are paid to the extent of 10% of the distributions paid with respect to our operating partnership units, and the 90% balance will be accrued and paid in full if and when such LTIP units are earned at the end of the performance period. Distributions with respect to the performance-based LTIP units granted before 2016 are paid to the extent of all distributions paid with respect to our operating partnership units.

2016 Long Term Equity Incentive Compensation Awards and Criteria.

Based on the recommendation of FPL, our Compensation Committee set 2016 target long-term equity incentive compensation amounts for our named executive officers as shown below.

Such long-term equity incentive awards were allocated as described above between performance-based vesting awards for the performance period January 1, 2016 to December 31, 2018, and time-based vesting awards, which vest 25% on each anniversary of the first day of 2016.

- (1) In view of our company's leasing and operating results in 2015, as well as market conditions for executive retention, on February 29, 2016, our Compensation Committee, in consultation with FPL, approved an additional one-time long term equity incentive award of \$1,000,000 for Mr. Durels, which is 100% time-based, subject to vesting 30% on the third anniversary of the grant date, 30% on the fourth anniversary, and 40% on the fifth anniversary in each case subject to continued employment by Mr. Durels.

These targets were chosen in relation to FPL's benchmarking study of the company's updated peer group, particularly the subset of our peers operating in the New York City market, based on: (i) achieving an appropriate balance between cash and equity as it relates to total remuneration and (ii) arriving at a level of total remuneration which, when combined with the level of base salary and cash bonus, remains at a market competitive level to attract and retain our key executives.

The metrics for performance-based awards granted in 2016 are (a) 25% based on the absolute annualized TSR performance of the shares of Class A common stock, (b) 50% based on relative annualized TSR performance of the shares of Class A common stock compared to the NAREIT Office Index, and (c) 25% based on relative annualized TSR performance of the shares of Class A common stock compared to the MSCI US REIT Index, all as described below. Our Compensation Committee determined (a) to keep these performance metrics for 2016 at the same level as 2015 and (b) to re-weight them going forward so that relative TSR now comprises 75% of the criteria, and absolute TSR comprises 25%, as compared with 50% relative and 50% absolute in prior years.

The performance targets and potential award levels with respect to the absolute TSR performance of the shares of Class A common stock (25% of total performance-based award) are as follows:

Other Compensation Policies and Practices

LTIP Units

Pursuant to our Equity Incentive Plan, we have issued LTIP units, as a form of equity-based award for long-term incentive equity compensation. LTIP units are designed to qualify as profits interests in our operating partnership for federal income tax purposes, meaning that initially they would not be entitled to any distributions upon the liquidation of our operating partnership. However, over time the LTIP units can become entitled to a share of liquidating distributions from our operating partnership until the LTIP units are on a one-for-one parity with operating partnership units. LTIP units are designed to offer key employees a long-term incentive that in the long-term will become comparable to restricted stock, while allowing them to enjoy a more favorable income tax treatment. Each LTIP unit awarded is deemed equivalent to an award of one share of Class A common stock reserved under our Equity Incentive Plan, reducing availability for other equity awards on a one-for-one basis.

With the exception of performance-based LTIP units granted in 2016 and thereafter, all LTIP units issued in connection with annual equity awards, whether vested or not, receive the same per unit distributions as operating partnership units, which equal per share dividends (both regular and special) on our common stock. No dividend is paid initially with respect to performance-based restricted stock. Instead, the dividend amount is accrued and paid in full if and when such shares are earned at the end of the performance period. Performance based LTIP units granted in 2016 and thereafter will receive 10% of such distributions currently, unless and until such LTIP units are earned based on performance, at which time they will receive the accrued and unpaid 90% and will commence receiving 100% of such distributions.

The key difference between LTIP units and restricted stock is that at the time of award, LTIP units do not have full economic parity with operating partnership units, but can achieve such parity over time upon the occurrence of specified events. The capital account associated with an LTIP unit when it is initially issued is zero. Under the terms of the LTIP units, our operating partnership will revalue its assets upon the occurrence of certain specified events, and any increase in valuation from the time of grant until such event will be allocated first to the holders of LTIP units to equalize the capital accounts of such holders with the capital accounts of holders of operating partnership units. Upon equalization of the capital accounts of the holders of LTIP units with other holders of operating partnership units, the LTIP units will achieve full parity with operating partnership units for all purposes, including with respect to liquidating distributions.

Following a two year holding period, holders of vested LTIP units that have achieved such parity will have the right to convert their vested LTIP units into an equal number of operating partnership units or to require our operating partnership to redeem their vested LTIP units for an equal number of shares of Class A common stock

Table of Contents

of the company or, at the company's option, an amount of cash equal to the value of such shares. Unless and until such parity is reached, the value that an executive will realize in a liquidation for a given number of vested LTIP units is less than the value of an equal number of operating partnership units. Events that allow such revaluation of our operating partnership's assets under the partnership agreement and applicable federal tax regulations generally include: (1) the issuance by the company of our Class A common stock, (2) the issuance by our operating partnership of common or other operating partnership units, (3) significant repurchases of common stock for cash, and (4) the redemption by the company of common operating partnership units for cash or other property.

Our Compensation Committee believes that allowing executives to choose to receive equity-based awards in the form of LTIP units (1) serves our objectives by increasing the after-tax value of a given equity grant and, therefore, enhances our equity-based compensation package for executives as a whole, (2) advances the separate goal of promoting long-term equity ownership by executives (see *Minimum Share Ownership Guidelines for Executive Officers and Directors*), (3) has no adverse impact in the form of dilution as compared to using restricted stock, (4) does not increase our recorded expense on account of equity-based compensation awards, (5) further aligns the interests of executives with the interests of stockholders and (6) because LTIP units are offered by many of our peers, enables the company to remain competitive with our peers in recruiting and retaining talented executives. Based on these considerations, we offer certain eligible officers and employees a choice between restricted stock and LTIP units on a one-for-one basis for their performance-based and time-based long-term equity compensation awards.

Employment Agreement and Change in Control Severance Agreements

We entered into an employment agreement with Anthony E. Malkin effective October 7, 2013. His employment agreement provides for salary, target bonus, equity awards, and other benefits, including severance benefits upon qualifying terminations of employment. For more information, see *Compensation of Our Executive Officers Employment Agreement and Equity Award Agreements*.

In addition, we entered into change in control severance agreements with Messrs. Kessler, Karp, Durels and Keltner. These agreements provide for severance and other benefits, including acceleration of vesting of outstanding equity awards, upon qualifying terminations of employment following a change in control. For more information, see *Compensation of Our Executive Officers Change in Control Severance Agreements and Equity Award Agreements*.

Employee Benefits

We have a 401(k) Retirement Plan (our *401(k) Plan*) to cover eligible employees of the company and any designated affiliate. Our 401(k) Plan permits an eligible employee to defer a percentage of eligible annual compensation, subject to certain limitations imposed by the Internal Revenue Code of 1986, as amended (the *Code*). The employee's elective deferrals are immediately vested and nonforfeitable upon contribution to the 401(k) Plan. We match up to \$1,250 of employee contributions in cash in order to encourage employee participation. We do not provide our named executive officers with a supplemental pension or any other retirement or nonqualified deferred compensation benefits, other than the 401(k) Plan benefits provided generally to our employees.

Perquisites and Other Personal Benefits

We provide Mr. Malkin a car and a full-time driver, with a value up to \$153,800 per year, as adjusted for consumer price index (CPI). This allows him to use his time efficiently during his travel. The cost to the company in 2016 was \$96,047 for the driver's salary and bonus and \$20,719 for car-related expenses.

In 2016, we covered the costs of Mr. Durel's commutation train ticket, which amounted to \$6,975 (consisting of \$3,706 for commuting reimbursement plus a \$3,269 tax gross-up). This benefit and the associated tax gross-up have been eliminated prospectively.

Clawback Policy

We have adopted a formal clawback policy, which allows us to recoup compensation paid to an officer covered by the policy if the related financial results are subsequently restated as described below. The policy covers all of our current and former executive officers as well as certain other specified officers. Pursuant to this policy, if we are required to prepare an accounting restatement due to material non-compliance with any financial reporting requirement, then our Compensation Committee may require an employee covered by the policy who was engaged in fraud, willful misconduct, or intentional illegal conduct which materially contributed to the need for such restatement to repay or forfeit to the company excess compensation. Excess compensation includes annual cash bonus and long term incentive compensation in any form (including restricted stock and LTIP units, whether time-based or performance-based) received by that employee during the three-year period preceding the publication of the restated financial statements that our Compensation Committee determines was in excess of the amount that such employee would have received if such compensation had been determined based on the financial results reported in the restated financial statements.

Our Compensation Committee intends to periodically review this clawback policy and, as appropriate, conform it to any applicable final rules adopted pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act.

Hedging and Pledging our Securities

Our employees are prohibited from engaging in a transaction meant to hedge or minimize losses in our securities, including engaging in transactions in puts, calls or other derivatives on our securities, or short-selling our securities.

Executive officers and certain employees owning more than \$1,000,000 of our securities are prohibited from pledging our securities as collateral for a loan unless such pledging is approved by our Compensation Committee.

Minimum Share Ownership Guidelines for Executive Officers and Directors

We have adopted minimum stock ownership guidelines that require each executive officer to maintain ownership of a minimum number of shares of our common stock (including awarded operating partnership units and LTIP units) having a market value equal to or greater than a multiple (ten times, in the case of our Chief Executive Officer, and five times, in the case of all other executive officers) of such executive officer's base salary. Each executive officer must achieve the minimum equity investment within five years from the later of the date of the completion of our IPO (for executive officers in place at that time) and the date of such officer's appointment (for subsequently appointed executive officers).

We have adopted minimum stock ownership guidelines that require our independent directors to hold a number of shares of our common stock (including awarded operating partnership units and LTIP units) having a market value equal to or greater than five times the portion of the annual base retainer which is eligible to be paid in cash. Each independent director must achieve the minimum equity investment within five years from the later of the date of the completion of our IPO (for directors in place at that time) and the date of such director's election to our Board of Directors (for subsequently appointed directors) to attain compliance with the stock ownership requirements.

Tax Gross Up Payments

We do not provide any golden parachute tax gross-up payments to our named executive officers. According to their employment agreements, if any payments or benefits to be paid or provided to any of our named executive officers would be subject to golden parachute excise taxes under Section 280G of the Code, the executive's payments and

benefits under his employment agreement will be reduced to the extent necessary to avoid such excise taxes, but only if such a reduction of pay or benefits would result in a greater net after-tax receipt for the executive.

Tax Implications Deductibility of Executive Compensation

Section 162(m) of the Code limits the deductibility on the company's tax return of compensation over \$1 million to any of the named executive officers of the company other than the Chief Financial Officer unless, in general, the compensation qualifies as performance-based compensation under Section 162(m) of the Code. The company believes that, because it qualifies as a REIT under the Code and pays dividends sufficient to minimize federal income taxes, the payment of compensation that does not satisfy the requirements of Section 162(m) will generally not affect the company's net income. Our Compensation Committee's compensation policy and practices therefore are not directly guided by considerations relating to Section 162(m).

Risk Considerations in our Compensation Programs

Our Compensation Committee has discussed the concept of risk as it relates to our compensation programs with management and FPL, and our Compensation Committee does not believe the goals, or the underlying philosophy of our compensation programs encourage excessive or inappropriate risk taking.

Compensation Committee Report

The following Compensation Committee report to stockholders shall not, in accordance with the rules of the SEC, be incorporated by reference into any of our future filings made under the Exchange Act or under the Securities Act, and shall not be deemed to be soliciting material or to be filed under the Exchange Act or the Securities Act.

Our Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K, and, based on such review and discussions, our Compensation Committee recommended to our Board of Directors that our Compensation Discussion and Analysis be included in this Proxy Statement.

Parachute Payments

In the event that any amount payable to an executive officer would be subject to the excise tax under Section 4999 of the Code, such amount will be reduced to one dollar less than the threshold amount that would trigger an excise tax under Section 4999 of the Code, unless that reduction would result in the executive receiving a lesser net after-tax amount.

The change in control severance agreements also contain standard confidentiality and mutual non-disparagement provisions, which will apply indefinitely, and non-competition, no-hire and non-solicitation provisions, which apply during the term of the agreements and will continue for one year following termination of employment, except that Mr. Kessler's non-compete restriction will continue for six months following the termination of his employment and his no-hire and non-solicitation restrictions will continue for 24 months following the termination of his employment.

All disputes, except equitable enforcement of restrictive covenants, under the change in control severance agreements will be resolved by arbitration in accordance with the rules of the Judicial Arbitration and Mediation Services, Inc. in New York City. We have agreed to pay all costs of the arbitration except, if applicable, the executive officer's petitioner's filing fee. If an arbitrator determines that the applicable executive officer has prevailed on the issues in dispute in the arbitration, we will pay or reimburse any reasonable expenses, including reasonable attorney's fees, which the executive officer incurs in such arbitration.

Potential Payments Upon Termination

As set forth above in Employment Agreement and Equity Award Agreements and Change in Control Severance Agreements and Equity Award Agreements, our named executive officers will be entitled to certain compensation and benefits in the event of termination of employment. Assuming a termination of employment and change in control (if applicable) occurred on December 31, 2016 and a price per share of our common stock on the date of termination of \$20.19, the amount of compensation that would have been payable to each named executive officer in each situation is listed in the table below.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policies and Procedures With Respect to Related Party Transactions

It is the written policy of our Board of Directors that all related party transactions (generally, transactions involving amounts exceeding \$120,000 in which a related party (directors and executive officers or their immediate family members, or stockholders owning 5% of more of our outstanding stock) has a direct or indirect material interest) is subject to approval or ratification in accordance with the following procedures.

Our Nominating and Corporate Governance Committee reviews the material facts of all related party transactions that require its approval and either approve or disapprove of the entry into the related party transaction, subject to some exceptions. If advance approval of a related party transaction is not feasible, then the related party transaction is considered and ratified, if deemed appropriate by our Nominating and Corporate Governance Committee, at its next regularly scheduled meeting. In determining whether to approve or ratify a related party transaction, our Nominating and Corporate Governance Committee will take into account, among other factors it deems appropriate, whether the related party transaction is on terms no less favorable to the company than terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related party's interest in the transaction.

If a related party transaction will be ongoing, our Nominating and Corporate Governance Committee may establish guidelines for our management to follow in its ongoing dealings with the related party. Thereafter, our Nominating and Corporate Governance Committee, on at least an annual basis, reviews and assesses ongoing relationships with the related party to see that they are in compliance with our Nominating and Corporate Governance Committee's guidelines and that the related party transaction remains appropriate.

All related party transactions are disclosed in our applicable filings with the SEC as required under SEC rules.

QIA

Securities Purchase Agreement

On August 23, 2016, we entered into the Securities Purchase Agreement with QIA, pursuant to which QIA purchased from us 29,610,854 shares of our Class A common stock at a purchase price of \$21.00 per share (the "QIA Shares"). As of March 1, 2017, the QIA Shares represented a 9.9% fully diluted economic interest in us (inclusive of all outstanding operating partnership units and long term incentive plan units of our operating partnership).

We received approximately \$621.8 million in gross proceeds at the August 23, 2016 closing of the purchase and sale of the QIA Shares.

Stockholders Agreement

In connection with the sale of the QIA Shares to QIA, we and QIA entered into the Stockholders Agreement dated August 23, 2016, which sets forth certain rights and obligations of us and QIA relating to QIA's ownership of our Class A common stock, including the following:

QIA was not permitted to transfer any QIA Shares during the six-month period that followed the closing, and may not transfer more than 50% of the QIA Shares during the period that began six months after the closing and will end on the one-year anniversary of the closing.

QIA agreed to limit its voting power on all matters coming before our stockholders (whether at a meeting or by written consent) to no more than 9.9% of the total number of votes entitled to be cast on such matter. Any shares

Empire State Realty Trust 57

Table of Contents

of Class A common stock held by QIA in excess of such 9.9% threshold will be voted in the same manner and proportion as the votes cast by all other stockholders on such matters. QIA granted our Board of Directors an irrevocable proxy to vote in such manner any shares of Class A common stock it holds in excess of such 9.9%. Further, QIA must vote all of its remaining shares in favor of the election of each member of any slate of director nominees recommended by our Board of Directors.

For so long as QIA maintains at least a 5.0% fully diluted economic interest in us and remains in material compliance with the terms of the Stockholders Agreement, QIA will have the right (but not the obligation) to purchase, at the time of any new issuance by us of common equity securities, an amount of newly issued Class A common stock which will enable QIA to own 9.9% of the aggregate of such new issuance. These top up rights are generally exercisable on a quarterly basis, or sooner if we or the operating partnership issues new equity securities in an issuance in excess of \$1.0 million.

For an initial period of five years from the date of the closing, to the extent QIA remains in material compliance with the terms of the Stockholders Agreement, QIA will have the right of first offer to co-invest with us as a joint venture partner in real estate investment opportunities initiated by us where we have elected, at our discretion, to seek a joint venture partner. The right of first offer period will be extended for a 30-month term if at least one joint venture transaction is consummated by us and QIA during the initial five-year term, and will be extended for a further 30-month term if at least one joint venture transaction is consummated during such initial 30-month extension term.

Subject to certain minimum thresholds and conditions, we will indemnify QIA for certain applicable U.S. federal and state taxes payable by QIA in connection with dividends paid by us on the QIA Shares (and any top up shares) that are attributable to capital gains from the sale or exchange of any U.S. real property interests. Our obligation to indemnify QIA will terminate one year following the date on which the sum of the QIA Shares and any top up shares then owned by QIA falls below 10% of our outstanding common shares.

Registration Rights Agreement

In connection with the sale of the QIA Shares to QIA, we and QIA entered into a registration rights agreement, dated as of August 23, 2016, which required us, among other things, to file with the SEC within 180 days following the Closing, a resale shelf registration statement providing for the resale of the QIA Shares. We filed the resale shelf registration statement with the SEC on February 2, 2017. In addition, QIA will be entitled to cause us to include in the registration statement such additional top up shares of Class A common stock as QIA may acquire from time to time in the future, up to a 9.9% fully diluted economic interest in us. The registration rights are subject to certain conditions and limitations, including restrictions on sales of shares by the holder in connection with certain public offerings and our right to delay or withdraw a registration statement under certain circumstances. We will generally pay all registration expenses in connection with our obligations under the registration rights agreement.

Tax Protection Agreement

In 2013, we entered into a tax protection agreement with Anthony E. Malkin and Peter L. Malkin that is intended to protect to a limited extent the Malkin Group and an additional third party investor in Metro Center (who was one of the original landowners and was involved in the development of the property) against certain tax consequences arising from a transaction involving one of four properties, which we refer to in this section as the protected assets.

First, this agreement provides that our operating partnership will not sell, exchange, transfer or otherwise dispose of such protected assets, or any interest in a protected asset, until (i) October 7, 2025, with respect to one protected asset, First Stamford Place, and (ii) the later of (x) October 7, 2021 and (y) the death of both Peter L. Malkin and Isabel W. Malkin, who are 83 and 80 years old, respectively, for the three other protected assets, Metro Center, 10 Bank Street and 1542 Third Avenue, unless:

(1) Anthony E. Malkin consents to the sale, exchange, transfer or other disposition; or

58 *2017 Proxy Statement*

Table of Contents

(2) our operating partnership delivers to each protected party thereunder a cash payment intended to approximate the tax liability arising from the recognition of the pre-contribution built-in gain resulting from the sale, exchange, transfer or other disposition of such protected asset (with the pre-contribution built-in gain being not more than the taxable gain that would have been recognized by such protected party if the protected asset been sold for fair market value in a taxable transaction at the time of the consolidation) plus an additional amount so that, after the payment of all taxes on amounts received pursuant to the agreement (including any tax liability incurred as a result of receiving such payment), the protected party retains an amount equal to such protected party's total tax liability incurred as a result of the recognition of the pre-contribution built-in gain pursuant to such sale, exchange, transfer or other disposition; or

(3) the disposition does not result in a recognition of any built-in gain by the protected party.

Second, with respect to the Malkin Group, including Anthony E. Malkin and Peter L. Malkin, and one additional third party investor in Metro Center (who was one of the original landowners and was involved in the development of the property), to protect against gain recognition resulting from a reduction in such continuing investor's share of the operating partnership liabilities, the agreement provides that during the period from October 7, 2013 until such continuing investor owns less than the aggregate number of operating partnership units and shares of common stock equal to 50% of the aggregate number of such units and shares such investor received in the formation transactions, which we refer to in this section as the tax protection period, our operating partnership will (i) refrain from prepaying any amounts outstanding under any indebtedness secured by the protected assets and (ii) use its commercially reasonable efforts to refinance such indebtedness at or prior to maturity at its current principal amount, or, if our operating partnership is unable to refinance such indebtedness at its current principal amount, at the highest principal amount possible. The agreement also provides that, during the tax protection period, our operating partnership will make available to such continuing investors the opportunity (i) to enter into a bottom dollar guarantee of their allocable share of \$160.0 million of aggregate indebtedness of our operating partnership meeting certain requirements or (ii) in the event our operating partnership has recourse debt outstanding and such a continuing investor agrees, in lieu of guaranteeing debt pursuant to clause (i) above, to enter into a deficit restoration obligation, in each case, in a manner intended to provide an allocation of operating partnership liabilities to the continuing investor. In the event that a continuing investor guarantees debt of our operating partnership, such continuing investor will be responsible, under certain circumstances, for the repayment of the guaranteed amount to the lender in the event that the lender would otherwise recognize a loss on the loan, such as, for example, if property securing the loan was foreclosed and the value was not sufficient to repay a certain amount of the debt. A deficit restoration obligation is a continuing investor's obligation, under certain circumstances, to contribute a designated amount of capital to our operating partnership upon our operating partnership's liquidation in the event that the assets of our operating partnership are insufficient to repay our operating partnership liabilities.

Because we expect that our operating partnership will at all times have sufficient liabilities to allow it to meet its obligations to allocate liabilities to its partners that are protected parties under the tax protection agreement, our operating partnership's indemnification obligation with respect to certain tax liabilities would generally arise only in the event that the operating partnership disposes in a taxable transaction of a protected asset within the period specified above in a taxable transaction. In the event of such a disposition, the amount of our operating partnership's indemnification obligation would depend on several factors, including the amount of built-in gain, if any, recognized and allocated to the indemnified partners with respect to such disposition and the effective tax rate to be applied to such gain at the time of such disposition.

The operating partnership agreement requires that allocations with respect to such acquired property be made in a manner consistent with Section 704(c) of the Code. Treasury Regulations issued under Section 704(c) of the Code provide partnerships with a choice of several methods of allocating book-tax differences. Under the tax protection

agreement, our operating partnership has agreed to use the traditional method for accounting for book-tax differences for the properties acquired by our operating partnership in the consolidation. Under the traditional method, which is the least favorable method from our perspective, the carryover basis of the acquired properties in the hands of our operating partnership (i) may cause us to be allocated lower amounts of

Empire State Realty Trust **59**

depreciation and other deductions for tax purposes than would be allocated to us if all of the acquired properties were to have a tax basis equal to their fair market value at the time of acquisition and (ii) in the event of a sale of such properties, could cause us to be allocated gain in excess of its corresponding economic or book gain (or taxable loss that is less than its economic or book loss), with a corresponding benefit to the partners transferring such properties to our operating partnership for interests in our operating partnership.

Registration Rights

We entered into a registration rights agreement with certain persons receiving shares of our common stock or operating partnership units in the formation transactions, including certain members of our senior management team and our other continuing investors. In connection therewith, on October 7, 2014, which we refer to as the shelf effective date, we filed an automatically effective shelf registration statement, along with a prospectus supplement, with respect to, among other things, shares of our Class A common stock that may be issued upon redemption of operating partnership units or issued upon conversion of shares of Class B common stock. Pursuant to this registration rights agreement, under certain circumstances, we will also be required to undertake an underwritten offering upon the written request of the Malkin Group, which we refer to as the holder, provided (i) the registrable shares to be registered in such offering will have a market value of at least \$150.0 million, (ii) we will not be obligated to effect more than two underwritten offerings during any 12-month period following the shelf effective date; and (iii) the holder will not have the ability to effect more than four underwritten offerings. In addition, if we file a registration statement with respect to an underwritten offering for our own account or on behalf of the holder, the holder will have the right, subject to certain limitations, to register such number of registrable shares held by him, her or it as each such holder requests. With respect to underwritten offerings on behalf of the holder, we will have the right to register such number of primary shares as we request; provided, however, that if cut backs are required by the managing underwriters of such an offering, our primary shares shall be cut back first (but in no event will our shares be cut back to less than \$25.0 million).

We have also agreed to indemnify the persons receiving rights against specified liabilities, including certain potential liabilities arising under the Securities Act, or to contribute to the payments such persons may be required to make in respect thereof. We have agreed to pay all of the expenses relating to the registration and any underwritten offerings of such securities, including, without limitation, all registration, listing, filing and stock exchange or FINRA fees, all fees and expenses of complying with securities or blue sky laws, all printing expenses and all fees and disbursements of counsel and independent public accountants retained by us, but excluding underwriting discounts and commissions, any out-of-pocket expenses (except we will pay any holder's out-of-pocket fees (including disbursements of such holder's counsel, accountants and other advisors) up to \$25,000 in the aggregate for each underwritten offering and each filing of a resale shelf registration statement or demand registration statement), and any transfer taxes.

Excluded Properties and Businesses

The Malkin Group, including Anthony E. Malkin, our Chairman and Chief Executive Officer, owns non-controlling interests in, and Anthony E. Malkin and Peter L. Malkin control the general partners or managers of, the entities that own interests in seven multi-family properties, six net leased retail properties (including one single tenant retail property in Greenwich, Connecticut), and a parcel that is being developed for residential use. The Malkin Group also owns non-controlling interests in one Manhattan office property, two Manhattan retail properties and several retail properties outside of Manhattan, none of which were contributed to us in the formation transactions. We refer to the

non-controlling interests described above collectively as the excluded properties. In addition, the Malkin Group owns interests in two mezzanine and senior equity funds, three industrial funds, and five residential properties, and which we refer to collectively as the excluded businesses. Other than the Greenwich retail property, we do not believe that the excluded properties or the excluded businesses are consistent with our portfolio geographic or property type composition, management or strategic direction.

60 *2017 Proxy Statement*

Table of Contents

Pursuant to management and/or service agreements with the owners of interests in those excluded properties and services agreements with the five residential property managers and the managers of certain other excluded businesses which historically were managed by affiliates of our predecessor, we are designated as the asset manager (supervisor) and/or property manager of the excluded properties and will provide services to the owners of certain of the excluded properties and the five residential property managers. As the manager or service provider, we are paid a management or other fee with respect to those excluded properties and excluded businesses where our predecessor had previously received a fee on the same terms as the fee paid to our predecessor, and reimbursed for our costs in providing the management and other services to those excluded properties and businesses where our predecessor had not previously received a management fee. Our management of the excluded properties and provision of services to the five residential property managers and the existing managers of the other excluded businesses represent a minimal portion of our overall business. There is no established time period in which we will manage such properties or provide services to the owners of certain of the excluded properties and the five residential property managers and provide services and access to office space to the existing managers of the other excluded businesses; and Peter L. Malkin and Anthony E. Malkin expect to sell certain of these properties or unwind certain of these businesses over time. We are not precluded from acquiring all or certain interests in the excluded properties or businesses. If we were to attempt any such acquisition, we anticipate that Anthony E. Malkin, our Chairman and Chief Executive Officer, will not participate in the negotiation process on our behalf with respect to our potential acquisition of any of these excluded properties or businesses, and the approval of a majority of our independent directors will be required to approve any such acquisition.

These services and transactions are reflected in our consolidated statements of operations as third-party management and other fees.

We earned asset management (supervisory) and similar service fees from excluded properties and businesses of \$1.4 million, \$1.8 million and \$2.0 million during the years ended December 31, 2016, 2015 and 2014, respectively.

We earned property management fees from excluded properties of \$0.4 million, \$0.3 million and \$0.4 million during the years ended December 31, 2016, 2015 and 2014 respectively.

Other

We were reimbursed at allocable cost for 647 square feet of shared office space, equipment, and administrative support shared with us in our corporate offices, as was done prior to our formation, and we received rent generally at market rental rate for 3,074 square feet of leased space, from entities affiliated with Anthony E. Malkin at one of our properties. Total revenue aggregated \$271,453, \$209,689 and \$132,733, for the years ended December 31, 2016, 2015 and 2014, respectively.

During August 2016, such entities moved from the previously shared office and leased spaces to relocate to a new 5,351 square foot leased space at one of our properties, paying rent generally at a market rental rate. Under such new lease, the tenant has the right to cancel such lease without special payment on 90 days notice. We now have a shared use agreement with such tenant, to occupy a portion of the leased premises as the office location for Peter L. Malkin, our chairman emeritus and employee, utilizing approximately 15% of the space, for which we pay an allocable pro rata share of the cost to such tenant. Total revenue aggregated \$134,091 for the year ended December 31, 2016.

During 2016 and in connection with our office move, Peter L. Malkin purchased miscellaneous furniture and artwork from us at their appraised value of \$23,300. Remaining office furniture was disposed.

One of our directors, James D. Robinson IV, is a general partner in an investment fund, which owns more than a 10% economic and voting interest in one of our tenants, with an annualized rent of \$5,743,805 and \$4,391,572 million as of December 31, 2016 and 2015, respectively.

PROPOSAL 2: NON-BINDING, ADVISORY VOTE TO APPROVE THE COMPENSATION OF NAMED EXECUTIVE OFFICERS

We seek your advisory vote to approve our named executive officers compensation (as described in the Compensation Discussion and Analysis section of this Proxy Statement and the accompanying compensation tables and narrative disclosure) in accordance with the regulations under Section 14A of the Exchange Act. The following proposal, commonly known as a Say on Pay proposal, gives stockholders the opportunity to approve, reject or abstain from voting with respect to our fiscal 2016 executive compensation programs and policies and the compensation paid to our named executive officers during 2016. Your non-binding, advisory vote will serve as an additional tool to guide our Board of Directors and our Compensation Committee in aligning our executive compensation programs with the interests of our company and our stockholders. In considering this vote, we encourage common stockholders to carefully review the information presented on our compensation policies and decisions regarding our executive officers, as disclosed in detail in this Proxy Statement under Compensation Discussion and Analysis and Compensation of our Executive Officers.

As discussed in the Compensation Discussion and Analysis section of this Proxy Statement, the primary objectives of our executive compensation program are to attract and retain qualified and talented individuals who possess the skills and expertise necessary to lead, manage and grow our company, and are accountable for the performance of our company. We also seek to promote an ownership mentality amongst our named executive officers by issuing equity grants to them that not only align their interests with the interests of our stockholders, but also enhance the executives focus on our long-term performance. We believe this strong tie between compensation and performance leads to the success of our company and serves the best interests of our stockholders. Further, our Compensation Committee regularly reviews all elements of the compensation paid to our named executive officers. Our Compensation Committee believes that our present compensation program, as described in the Compensation Discussion and Analysis section and the accompanying tables and related narrative in this Proxy Statement, aligns the interests of our named executive officers with our stockholders, and incentivizes our executives to focus on the achievement of our long-term business objectives.

Approval of this non-binding, advisory Say on Pay resolution requires the affirmative vote of the holders of a majority of the votes cast at the Annual Stockholders Meeting at which a quorum is present.

The vote on this proposal is non-binding and advisory in nature. Because of this, it will not affect any compensation already paid or awarded to any named executive officer, and it will not be binding on or overrule any decisions by our Board of Directors or our Compensation Committee. Nevertheless, our Board of Directors highly values input from our stockholders, and our Compensation Committee will carefully consider the results of this vote when making future decisions about executive compensation. In addition, even if a majority of our stockholders approves this proposal, if there is a significant vote against the compensation of our named executive officers, our Compensation Committee will evaluate whether any actions are appropriate to address the concerns of our stockholders. The vote on this resolution is not intended to address any specific element of compensation; rather, the vote relates to the overall compensation of our named executive officers, as described in this Proxy Statement in accordance with the compensation disclosure rules of the SEC.

Our Board of Directors unanimously recommends that you vote FOR the following non-binding advisory resolution:

RESOLVED, that the compensation paid to our named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the compensation tables and narrative

discussion, is hereby APPROVED, on a non-binding, advisory basis.

Table of Contents**PROPOSAL 3: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Our Audit Committee has selected the accounting firm of Ernst & Young LLP to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2017, subject to ratification of this appointment by our common stockholders. Action by stockholders is not required by law, the NYSE or our organizational documents in the appointment of an independent registered public accounting firm, but this appointment is submitted by our Board of Directors for ratification as a matter of good corporate governance in order to give our stockholders a voice in the designation of auditors. If the appointment is not ratified by our stockholders, our Board of Directors will further consider its choice of Ernst & Young LLP as our independent registered public accounting firm. Ernst & Young LLP has served as our independent registered public accounting firm since May 2010 and is considered by our management to be well-qualified. Ernst & Young LLP has advised us that neither it nor any member thereof has any financial interest, direct or indirect, in our company or any of our subsidiaries in any capacity.

A representative of Ernst & Young LLP will be present at the Annual Stockholders Meeting. The representative will have an opportunity to make a statement if he or she desires and will be available to respond to appropriate questions.

Fee Disclosure

The following table lists the fees for services rendered by our independent registered public accounting firm for the years ended December 31, 2016 and 2015.

	2016	2015
Audit Fees ⁽¹⁾	\$ 2,101,995	\$ 2,101,995
Audit Related Fees		
Tax Fees ⁽²⁾	1,335,050	766,870
All Other Fees		
Total	3,437,045	2,868,865

(1) Audit Fees billed in 2016 and 2015 arose from the audit of our annual consolidated financial statements, acquisition audits, reviews of our quarterly consolidated financial statements, statutory and regulatory audits, consents and other services related to filings with the SEC.

(2) 2016 and 2015 Tax Fees consist of (a) tax return preparation and compliance fees of \$583,800 and \$543,000, respectively, for assistance regarding federal and state tax compliance, and return preparation, and (b) other tax fees of \$751,250 and \$223,870, respectively, for tax planning, tax advice and related tax services.

Our Audit Committee considers whether the provision by Ernst & Young LLP of the services that are required to be described under All Other Fees is compatible with maintaining Ernst & Young LLP's independence from both management and our company.

Pre-Approval Policies and Procedures of our Audit Committee

Our Audit Committee must pre-approve all audit services and permissible non-audit services provided by our independent registered public accounting firm. In the intervals between the scheduled meetings of the Audit Committee, the Audit Committee delegates pre-approval authority under the pre-approval policy to the Chair of the Audit Committee. The Chair must report any pre-approval decisions under the Policy to the Audit Committee at its next scheduled meeting.

AUDIT COMMITTEE REPORT

The following is a report by the Audit Committee of our Board of Directors regarding the responsibilities and functions of the Audit Committee. This report shall not be deemed to be incorporated by reference in any previous or future documents filed by us with the SEC, under the Securities Act of 1933, as amended, or the Securities Act, or the Exchange Act, except to the extent that we specifically incorporate this report by reference in any such document.

The Audit Committee's purposes are to (i) assist the Board of Directors in its oversight of (a) the integrity of the company's financial statements, (b) the company's compliance with legal and regulatory requirements, (c) the qualifications and independence of the company's independent registered public accounting firm, and (d) the performance of the company's independent registered public accounting firm and the company's internal audit function; and (ii) prepare an Audit Committee report as required by the Securities and Exchange Commission (the "SEC") for inclusion in the company's annual proxy statement. The function of the Audit Committee is oversight. The Board of Directors, in its business judgment, has determined that all members of the Audit Committee are independent, as required by applicable listing standards of the New York Stock Exchange (the "NYSE"), as currently in effect, and in accordance with the rules and regulations promulgated by the SEC. The Board of Directors has also determined that each member of the Audit Committee is financially literate and has accounting or related financial management expertise, as such qualifications are defined under the rules of the NYSE, and that each of S. Michael Giliberto, Leslie D. Biddle and Thomas J. DeRosa is an audit committee financial expert as defined in Item 407(d)(5) of the SEC Regulation S-K. The Audit Committee operates pursuant to an Audit Committee Charter.

Management is responsible for the preparation, presentation and integrity of the company's financial statements, for the establishment and effectiveness of internal control over financial reporting, and for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm, Ernst & Young LLP, is responsible for planning and carrying out a proper audit of the company's annual financial statements in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States) ("PCAOB"), expressing an opinion as to the conformity of such financial statements with generally accepted accounting principles and auditing the effectiveness of internal control over financial reporting.

In performing its oversight role, the Audit Committee has considered and discussed the audited consolidated financial statements with management and Ernst & Young LLP. The Audit Committee has also discussed with Ernst & Young LLP the matters required to be discussed by PCAOB Auditing Standard No. 1301, Communications with Audit Committees. The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by PCAOB Ethics and Independence Rules 3526, Communication with Audit Committees Concerning Independence. The Audit Committee has also discussed with the independent registered public accounting firm its independence. The independent registered public accounting firm has free access to the Audit Committee to discuss any matters the firm deems appropriate. The Audit Committee has also met with and discussed internal audit reports with an internal auditor. Further, the Audit Committee has overseen the company's Whistleblowing and Whistleblower Policy and performed a periodic review of related reports.

Based on the reports and discussions described in the preceding paragraph and subject to the limitations on the role and responsibilities of the Audit Committee referred to below and in the Audit Committee Charter in effect during 2016, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2016.

Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent registered public accounting firm. Accordingly, the

Audit Committee s oversight does not provide an independent basis to determine that management has

maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the company's consolidated financial statements has been carried out in accordance with the auditing standards of the PCAOB, that the consolidated financial statements are presented in accordance with accounting principles generally accepted in the United States of America, that Ernst & Young LLP is in fact independent, or that the company's internal controls are effective.

⁴ Leslie D. Biddle was appointed to the Audit Committee effective March 6, 2017 and thus did not participate in the Audit Committee's oversight role relating to the preparation and filing of the audited consolidated financial statements included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2016.
