ABOUT THE MEETING

At our annual meeting, our shareholders will act upon the matters outlined in the accompanying notice of meeting. The scheduled matters to be acted upon at the 2017 annual meeting are the election of three (3) members of the board of directors named in the Proxy Statement, a non-binding advisory vote on the compensation program for the Company's named executive officers (a say-on-pay vote), a non-binding advisory vote on how frequently shareholders will be provided a say-on-pay vote (a say-on-frequency vote), and the ratification of the appointment of Cherry Bekaert LLP as our independent registered public accounting firm for fiscal year 2018. In addition, our management will report on our performance during fiscal year 2017.

VOTING INFORMATION

All shares represented by properly executed proxies received by the board of directors pursuant to this solicitation will be voted in accordance with the shareholder's directions specified in the applicable voting instructions or proxy card. If no directions have been specified during Internet or telephone voting or by marking the appropriate places on the physical proxy card, the shares will be voted in accordance with the board's recommendations which are:

FOR the election of each of the director nominees as directors of the Company for a term of two (2) years, and until their successors are elected and qualified

FOR the compensation of our named executive officers as disclosed in this Proxy Statement.

FOR the 3 Years say-on-frequency alternative set out in the proxy card.

FOR the ratification of the appointment of Cherry Bekaert LLP as the Company's independent registered public accounting firm for fiscal year 2018.

A shareholder signing and returning a proxy has power to revoke it at any time prior to its exercise by delivering to the Company a later-dated proxy or by giving notice to the Company in writing or at the meeting, but without affecting any vote previously taken.

Record Date

You may vote all shares that you owned as of September 28, 2017, which is the record date for the annual meeting. On September 28, 2017, we had 9,162,565 common shares outstanding. Each common share is entitled to one (1) vote on each matter properly brought before the meeting.

Ownership of Shares

If your shares are registered directly in your name, you are the holder of record of these shares and we are sending these Proxy Materials directly to you. As the holder of record, you have the right to give your proxy directly to us, give your voting instructions by telephone or by the Internet directly to us, or vote in person at the annual meeting. If you hold your shares in a brokerage account or through a bank or other holder of record, you hold the shares in street name, and your broker, bank or other holder of record is sending these Proxy Materials to you. As a holder in street

name, you have the right to direct your broker, bank or other holder of record how to vote by filling out a voting instruction form as provided to you by your broker or other person who is the holder of record, or if such Internet or telephone access is provided to you by such holder of record, by following the directions to provide your instructions to the record holder via the Internet or by telephone. Regardless of how you hold your shares, we invite you to attend the annual meeting.

Electronic Availability

In compliance with the proxy rules promulgated by United States Securities and Exchange Commission (SEC), our Proxy Statement and Annual Report to Shareholders are available over the Internet at www.proxyvote.com, a website established specifically for access to such materials. Such materials are also available on the Company's website at www.sunlinkhealth.com.

How to Vote

Your Vote Is Important. We encourage you to vote promptly. Internet and telephone voting is available through 11:59 p.m. local time on Sunday, November 12, 2017 for all shares held of record. Depending on whether you are a record holder of your shares, or whether you hold your shares in street name, you may vote by any of the means described below.

Voting Procedures for Holders of Record

If you are a holder of record, you may vote your shares by any of the following methods:

By Telephone: If you are a holder of record located in the U.S., you can vote your shares by calling the toll-free telephone number provided on your proxy card. Holders of record may vote by telephone 24 hours a day. Our telephone voting system has easy-to-follow instructions and allows record holders to confirm that the system has properly recorded their votes. If you vote by telephone, you do not need to return your proxy card.

By Internet: If you are a holder of record you can also vote your shares by using the Internet. Your proxy card indicates the website you need to access for Internet voting. Holders of record may vote on the Internet 24 hours a day. As with telephone voting, you will be able to confirm that the system has properly recorded your votes. If you vote by Internet, you do not need to return your proxy card.

By Mail: If you are a holder of record, you can vote by marking, dating and signing your proxy card and returning it by mail in the enclosed postage-paid envelope.

At the Annual Meeting: You may vote in person at the Annual Meeting. If you vote your shares now, it will not limit your right to change your vote at the Annual Meeting if you attend in person.

Voting Procedures for Beneficial Holders

If you hold your shares in street name, you may vote your shares by any of the following methods:

By Telephone/Internet: The availability of telephone and Internet voting for beneficial owners will depend on the voting processes of your broker, bank or other holder of record. Therefore, we recommend that you follow the voting instructions in the materials you receive from your broker, bank or other holder of record.

By Mail: If you hold your shares in street name, please complete and mail the voting instruction card you receive from your broker, bank or other holder of record.

At the Annual Meeting: You may vote in person at the Annual Meeting. If you hold your shares in street name, you must obtain a proxy, executed in your favor, from the holder of record if you wish to vote your shares in person at the Annual Meeting.

Broker Vote on Election of Directors, Routine and Non-Routine Proposals A broker non-vote occurs when a broker holding your shares in street name does not vote on a particular matter because you did not provide the broker voting instructions and the broker lacks discretionary voting authority to vote the shares because the matter is non-routine or fails to exercise such authority. New York Stock Exchange (NYSE) Rule 452 and Section 402.8 of the NYSE Listed Company Manual which regulate broker voting in connection with certain listed companies, including companies listed on the NYSE American, LLC exchange (NYSE American exchange), prohibit broker discretionary voting on a variety of matters, including, but not limited to, the election

Table of Contents

of directors for shares held in client accounts when the broker has not timely received voting instructions from the client. Effective September 9, 2010, Rule 452 and Section 402.8 were amended to prohibit broker discretionary voting upon matters related to executive compensation, including, but not limited to, advisory votes on approval of compensation and the frequency of such advisory votes.

If you hold your shares in a bank or brokerage account, you should be aware that if you fail to instruct your bank or broker how to vote within ten (10) days of the meeting, the bank or broker is not permitted to vote your shares in its discretion on your behalf for the election of directors, but is permitted to vote your shares in its discretion on your behalf on routine items.

NYSE American exchange rules also determine whether proposals presented at the shareholder meetings are routine or not routine. If your holdings of our common shares are held in street name, under the rules of the NYSE your broker or other nominee may vote your shares on certain routine matters, other than the election of directors and compensation matters, if you do not provide such record holder with voting instructions. The ratification of the selection of our independent registered public accountants is considered a routine matter upon which brokerage firms and other nominees may vote on behalf of the beneficial owners if no voting instructions are provided.

While banks and brokers have historically cast their votes on routine items in support of management's recommendations in the absence of instructions from their clients, some firms are now casting uninstructed votes in the same proportion as their clients' instructed votes, giving, in effect, investors who provide voting instructions to brokers an opportunity to disproportionately influence the outcome of proxy voting.

If you want to ensure that your shares are voted in accordance with your wishes on Proposals 1, 2, 3 and 4 you should complete and return your voting instruction form before November 10, 2017.

Revocation of Proxies: All shares that have been properly voted and not revoked will be voted at the meeting. If you sign and return your proxy card without any voting instructions, your shares will be voted as the board of directors recommends.

Holder of Record

You can revoke your proxy at any time before your shares are voted if you: (1) submit a written revocation to our Secretary; (2) submit a later-dated proxy; (3) provide subsequent telephone or Internet voting instructions within the time permitted for such voting methods; or (4) vote in person at the meeting.

Beneficial Holders

If you are a beneficial holder you can revoke your proxy or voting instructions at any time before your shares are voted if you (1) cause the record holder to submit a written revocation to our Secretary; (2) cause the record holder to submit a later dated proxy if you timely provide updated voting instructions to such holder by mail or if provided by the record holder by Internet or telephone voting; or (3) vote your shares in person at the annual meeting through a later-dated proxy, executed in your favor, from the holder of record.

Quorum and Required Vote

Quorum: We will have a quorum and will be able to conduct the business of the annual meeting if the holders of a majority of the shares that are entitled to vote are present at the meeting, either in person or by proxy.

Table of Contents

Votes Required: To elect directors a plurality of the votes cast is required. The say-on-pay proposal will be approved if the number of votes cast in favor of the proposal exceeds the number of votes cast against the proposal.

Shareholders are not voting to require that the say-on-pay vote be held every three years, only to express a non-binding preference for how often the say-on-pay vote should be held. The Company will take into consideration the shareholder vote on each of the alternatives set forth in the proxy card with respect to that Proposal. To ratify the appointment of Cherry Bekaert LLP as the Company's independent registered public accounting firm for fiscal 2018 a majority of votes cast is required.

How We Count Votes: Abstentions will be counted for purposes of determining the presence or absence of a quorum. In the case of Proposal 1 (Election of Directors), Proposal 2 (the say on pay vote), Proposal 3 (the say-on-frequency vote), and Proposal 4 (Ratification of the Selection of Independent Registered Public Accountants), abstentions will not change the number of votes cast for or against these proposals.

Other Business; Adjournment and Postponements

We are not aware of any other business to be acted upon at the annual meeting. If, however, other matters are properly brought before the annual meeting, your proxies will have discretion to vote or act on those matters according to their best judgment.

Any adjournment of the annual meeting may be made from time to time by approval of the holders of a majority of the voting shares held by shareholders present in person or by proxy at the annual meeting, whether or not a quorum exists, without notice other than by an announcement made at the annual meeting. The record date for the annual meeting will continue to be the record date for all adjournments of such meeting unless the Board sets a new record date in which event notice of the record date and of the date to which the meeting has been adjourned will be given in accordance with Ohio law and applicable rules of the NYSE American exchange. In all events, the record date for a change in shares will be the time when the certificate of amendment or of amended articles effecting the change is filed in the office of the Secretary of State of Ohio.

If a quorum is not present at the annual meeting, shareholders may be asked to vote on a proposal to adjourn or postpone the annual meeting in order to allow the solicitation of additional proxies. If a quorum is present at the annual meeting, a shareholder vote may be taken on any of the proposals in this Proxy Statement prior to any such adjournment if there are sufficient votes for approval of such proposal. If a quorum is present at the annual meeting but there are not sufficient votes at the time of the annual meeting to approve one or more proposal(s), shareholders may also be asked to vote on a proposal to adjourn or postpone the annual meeting in order to allow the solicitation of additional proxies with respect to any proposals on which action is not taken prior to adjournment of the meeting.

CORPORATE GOVERNANCE

Our business is managed by the Company's employees under the direction and oversight of the board of directors. Except for Mr. Thornton, none of our board members is an employee of the Company. The board limits membership on the audit committee, the executive compensation committee (referred to in this Proxy Statement as the compensation committee) and the strategic planning committee to independent non-management directors. We keep board members informed of our business through discussions with management, materials we provide to them, visits to our offices and facilities, and their participation in board and board committee meetings.

The board of directors has adopted charters for the standing board committees (other than the executive committee), resolutions governing the process for identification and nomination of candidates for the board, and the Company's code of ethics, known as the SunLink Health Systems, Inc. Code of Conduct. These documents, together with the

Company's Articles of Incorporation and Code of Regulations, provide the framework for the governance of the Company. Our Code of Conduct is applicable to our directors and our employees, including

Table of Contents

our principal executive officer and principal financial officer. Members of our board are required to certify compliance with our Code of Conduct. Any amendment to or waiver of our Code of Conduct for any board member, our chief executive officer, our chief financial officer or any other executive officer as well as our comptroller and any other similar accounting officer will be disclosed on our website, www.sunlinkhealth.com.

A complete copy of the charters of the board committees, the resolutions governing the process for identification and nomination of candidates for the board and the Code of Conduct for employees, as in effect from time-to-time, may be found on the Company's website at www.sunlinkhealth.com. Copies of these materials are also available to shareholders without charge upon written request to the Secretary of the Company.

Summary of the Corporate Governance Principles

Board Leadership Structure

Our Company is led by Mr. Robert M. Thornton, Jr. who has served as chief executive officer and chairman of the board of directors since 1998. We combine this traditional leadership structure with a board structure in which our non-management directors meet regularly outside of the presence of Mr. Thornton. We believe that this structure currently works best for the Company by providing us with the benefits of a single person setting the tone and having primary responsibility for managing our operations and provides clear leadership. At the same time, by having a board which is composed mainly of independent directors, including former CEOs, individuals with healthcare industry operating experience, and diverse other talents, we believe that we have created a board that is collegial, well versed in board processes and the duties of the committees on which they sit, and well engaged in their responsibilities. The board believes its members have no reticence about forcefully expressing their views while at the same time fully and fairly considering the views of their fellow directors, and that the members of the board have the experience and ability to critically evaluate the performance of our Chairman and CEO in implementing the strategic, as well as day to day, goals of the Company. Although the board periodically evaluates alternative board governance models and refinements to the existing structure, it believes, after assessing the current service of the Company's Chairman and CEO and the current composition of the board, that the current board leadership structure is appropriate for the Company.

Independence

The board of directors is required to consist of a majority of independent, non-management directors who meet the criteria for independence required by the NYSE American exchange. Under such rules, a director is independent if he or she does not have a material relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Our board annually evaluates each board member's independence.

The board of directors has determined that, as of September 25, 2017, six (6) of the Company's seven (7) incumbent directors are independent under these guidelines: Ms. Brenner and Messrs. Baileys, Burleson, Ford, Turner and Mills. Mr. Thornton, as a management director, also participates in the board's activities and provides valuable insights and advice. Each member of our audit and compensation committees is an independent director both under the general definition for board independence as well as any separate independence criteria for service on the applicable committee whether required by the SEC, the NYSE American exchange or SunLink. Independence requirements for committee service are set forth in the respective committee charters.

The non-management directors meet periodically in executive session without the management director present. The executive sessions of non-management directors are presided over by the director who is the chairperson of the committee responsible for the issue being discussed. General discussions, such as the review of the Company's overall

performance, are presided over by the chairperson or a director elected by a majority of the non-management directors.

Table of Contents

Role of the Board in Risk Oversight

The business of the Company is managed by the Company's employees under the direction and oversight of the board. Among the oversight activities of the board is the broad oversight of risk. Risk is inherent in virtually every business activity. Accordingly, the board's primary role with respect to risk is to ensure that the Company's management implements appropriate procedures designed to identify and, where possible, quantify and/or mitigate risks. The board administers its risk oversight function both at a board level and through its various committees. Our board committees consider, among other things, risk issues within their areas of responsibilities. For example: The audit committee oversees the accounting and financial reporting process, the adequacy of our risk-related internal financial controls, internal audit, the impact of risks on our current financial position, and related compliance matters. The compensation committee oversees the annual performance evaluations of executive management, succession planning, and the evaluation of risks that may be implicated by the Company's compensation structure. The responsibilities of the individual committees are discussed in greater detail elsewhere in this Proxy Statement.

Business Combinations

In the event SunLink receives any formal written offer to purchase more than 20% of the Company's outstanding common shares, such proposal is required to be evaluated by the board of directors, who have delegated the evaluation of such offer(s) to the strategic planning committee of the board of directors. Such committee is required to be comprised of a majority of independent directors and currently is comprised solely of outside directors. The strategic planning committee has established three criteria for any takeover proposal it considers: (1) adequate price both in light of the limited trading market for the Company's common shares and the factors analyzed by the Board in connection with the Company's then current plans to go private, (2) certainty of financing, and (3) minimum execution risk. The strategic planning committee may retain such legal and financial advisors as it may deem necessary to advise it and the board in respect of any offer or other proposal.

In the event of any proposed business combination involving SunLink, the compensation committee is authorized to retain an independent financial advisor to evaluate and make recommendations to the compensation committee concerning any severance or retention package proposed for any of SunLink's officers or directors in connection with any proposed business combination. The compensation committee will evaluate any such proposals in light of existing severance benefits and the financial effect of any existing or additional benefits.

Director Share Ownership

SunLink believes that each director should have a personal investment in the Company. Each outside director (or future outside director, as the case may be) is required to own at least one thousand (1,000) common shares of SunLink. Each outside director (or future outside director, as the case may be) must maintain ownership of such number of common shares until such outside director ceases to serve as a member of the board. Each of our incumbent directors has complied with such ownership requirement since at least July 1, 2008.

Annual Meeting Attendance

Although we do not have a formal policy regarding attendance by members of the board at our annual meeting of shareholders, the board of directors encourages all of its members to attend the annual meeting of shareholders. In November 2016, all director nominees and all then directors were personally present at the annual meeting of shareholders, except Mr. Mills.

Table of Contents

Communications By and With Directors

In connection with the proper discharge of their duties, our independent non-management directors have access to individual members of management or to other employees of the Company on a confidential basis. Likewise, in connection with the discharge of their duties, non-management directors as authorized by the board or a committee thereof also have access to Company records and files, and our directors may contact other directors without informing Company management of the purpose or even the fact of such contact.

Shareholders may communicate with the Board, Board committees, non-employee directors as a group, and individual directors by submitting their communications in writing to SunLink Health Systems, Inc., 900 Circle 75 Parkway, Suite 1120, Atlanta, Georgia 30339 Attention: Corporate Secretary. Any communication should contain (i) a representation that the shareholder is a holder of record of our common shares; (ii) the name and address, as they appear on our books, of the shareholder sending the communication; and (iii) the number of our common shares that are beneficially owned by such shareholder.

Our corporate secretary will forward communications to the intended recipients unless the communication is unduly hostile, threatening, illegal or similarly inappropriate, in which case our corporate secretary has the authority to discard the communication or to take appropriate legal action regarding the communication. Similarly, unsolicited advertisements or invitations to conferences or promotional material, in the discretion of our corporate secretary or her designee, may not be forwarded to the directors.

Related Party Transactions

The Company is subject to a variety of prohibitions on, or approval procedures with respect to, related party transactions.

First, the Company is subject to certain of the NYSE American exchange requirements which require shareholder approval of certain related party transactions. Second, the Company's Code of Conduct prohibits related party transactions which could give rise to a conflict of interest including, but not limited to, employment by third parties that do business with the Company; conducting business, not on behalf of the Company, with the Company's vendors, suppliers, and contractors; representing the Company in any transaction where such person representing the Company has a substantial personal interest; disclosure or use of confidential or inside information about the Company for personal gain; competition with the Company in any purchase, sale or ownership of property, property rights or interests; performing services for vendors or competitors of the Company; service on any board of directors or trustees that might conflict with the Company's interests and; the acceptance of any faculty or speaker positions and any honoraria in connection therewith. A related party transaction must be approved by the Company's compliance committee, or, in the case of a member of the board of directors and/or an executive officer, such related party transaction must be approved by the board's audit committee, with such action reported to the Company's independent directors. To assist in identifying related party transactions, each director and executive officer is required, annually, to submit a Conflict of Interest Disclosure Statement. We have not adopted formal standards for the approval of related party transactions, but instead the compliance committee or the board of directors reviews these transactions on a case-by-case basis and may approve such transactions that are in, or not inconsistent with, the best interests of the Company and its shareholders.

Nominees for Election as Directors for a Two-Year Term Expiring In 2019

Nomination of Directors

We currently do not have a standing nominating committee. Our entire board of directors performs the functions of the nominating committee. Our board does not believe that it needs a separate nominating committee because the full board is comprised predominately of independent directors and has the time and resources to perform the function of selecting board nominees. When our board performs its nominating function, it acts in accordance with our Articles of Incorporation and Code of Regulations but does not have a separate charter related to the nomination process.

Director Qualifications

The board of directors concluded that each continuing director and each director nominated for re-election was qualified to serve as a director of SunLink and recommended the nominees for election or re-election at the current year's annual meeting. No single factor was more important than any other factor in the evaluation of any director or selection of any director nominee and the board made its determination on the basis of its own experience and subjective evaluation of each individual, with reference to various objective criteria required by law or other regulatory requirements, including but not limited to independence requirements and stock exchange regulations, as well as the subjective criteria that each director has deemed desirable in evaluating nominations.

Each director nominated for re-election and each continuing director was deemed by the board to have: met applicable legal and regulatory definitions of independence excluding from such independence determination only Mr. Thornton, the Company's sole management director; met the criteria set forth in the Company's corporate governance guidelines; a reputation for and to have displayed, personal integrity and judgment; achieved professional prominence in their business careers; manifested concern for the interests of the Company's shareholders; sufficient time available for service on the SunLink board taking into account such person's other professional and personal commitments; demonstrated a commitment to the Company based on their current and historical service to the Company as a director and/or as an executive officer of the Company; a general understanding of marketing, finance, and other disciplines relevant to the success of a publicly traded company in today's business environment; and knowledge with respect to the current state of the Company based on their current and historical service to the Company as a director and/or as an executive officer of the Company.

Board members with long board service to the Company (Baileys, Brenner, Burleson, Ford, Mills, Thornton and Turner), prior experience in the healthcare services industry (Burleson, Ford and Thornton), current and prior experience providing legal services to clients in the healthcare industry (Turner), prior experience in businesses ancillary to the healthcare services industry (Burleson, Ford and Thornton), or a combination thereof, as set forth in greater detail in their individual biographies, were deemed to have applicable industry or related industry experience relevant to the Company. Board members identified in greater detail in their individual biographies as having served as officers of other healthcare services providers (Burleson, Ford and Thornton) or a current officer of the Company (Thornton) were deemed to have had operational experience relevant to the Company. Directors identified elsewhere in this Proxy Statement in greater detail as serving on specific committees of the board were deemed to have experience in matters relevant to their current committee assignments including executive compensation (Baileys, Brenner, and Burleson), and financial expertise (Brenner, Ford and Mills). Each director identified in greater detail in their biographies as an incumbent director of SunLink or as having served as an officer, director or both of one or more other public companies (Baileys, Burleson, Thornton and Mills) was deemed to have experience relevant to SunLink as a public company and to the discharge of the duties of such persons as directors of a public company. Each director with prior CEO experience (Baileys, Burleson and Ford) and corporate legal experience (Turner) was deemed to have experience relevant to their oversight of the Company's management in general and its CEO in

particular. Each director identified in their biography as having applicable healthcare services industry experience (Baileys, Burleson, Ford and Thornton), or healthcare legal experience (Turner) was deemed to have applicable industry regulatory experience. Each director identified

as having experience in industries which are or have been highly competitive (all) or highly regulated, especially the financial services industries (Brenner and Mills), were deemed to have experience relevant to the Company in its own business which is both highly competitive as well as highly regulated. Each director was deemed of sufficient age and maturity to have accumulated the life experiences, viewpoints, and expertise necessary to perform the duties of a public company director, as well as being able to vigorously perform his or her duties as a director of the Company.

The board conceptualizes diversity expansively to include differences of viewpoint, professional experience and skill sets, especially in matters of healthcare service operations and regulations, financing, marketing, and human resources, as well as a subjective determination of individual qualities, attributes and differences. The board has taken into account the benefits of, but has not ascribed any specific weight to, or adopted any formal policy with respect to, matters of geographic and cultural background, race, and gender. The board evaluates each individual in the context of the board as a whole, with the objective of recommending a group that can best facilitate the success of SunLink's business and represent shareholder interests through the exercise of sound judgment using its diversity of experience. The board evaluates each incumbent director to determine whether he or she should be nominated to stand for re-election based on the types of criteria outlined above as well as the director's contributions to the board during their current term. Because the assessment of the diversity of the board as well as the effectiveness of the current factors in achieving diversity from a variety of perspectives is based on the individual subjective evaluation of each of the board members, the Company does not engage in any formal benchmarking procedure.

We do not pay directors who are also our employees any additional compensation for serving as a director, other than customary reimbursement of expenses.

Non-Management Directors

The Company believes that the compensation of non-management directors should be at a level which is sufficient to attract talented and diverse individuals to serve on the Company's board of directors while, at the same time, avoiding compensation levels where the level of compensation might present the appearance of a potential lack of director independence. However, in recent years, the board of directors has limited director compensation in light of the Company's recent financial performance to levels below those which the board would otherwise deem appropriate.

The following chart discloses the compensation of each non-management director for the fiscal year ended June 30, 2017:

Change in Control Arrangements

With regard to the employment agreements with Mr. Thornton, Mr. Stockslager and Mr. Finn, a change in control will be deemed to have occurred in the event that any of the following events shall have occurred (with defined terms, not otherwise defined herein, having the meanings associated with them in the employment agreements):

Any Person, or Persons acting together that would constitute a group, together with any Affiliates or Related Persons thereof (other than any employee stock ownership plan), beneficially owns 40% or more of the total voting power of all classes of Voting Stock of the Company, except an acquisition by (i) an employee benefit plan maintained by the Company or another corporation controlled directly or indirectly by the Company; (ii) the Company or any Subsidiary; (iii) Executive or any Person controlled by an Executive, under common control with Executive or acting in concert with Executive; or (iv) any Person in connection with a non-control transaction;

The individuals who, as of the date of the agreement, are members of the board (the incumbent board) cease for any reason to constitute at least two-thirds of the board; *provided, however*, that if the election, or nomination for election by the Company's shareholders, of any new director was approved by a vote of at least two-thirds of the incumbent board, such new director shall, for purposes of change in control, be considered as a member of the incumbent board; *provided, further, however*, that no individual shall be considered a member of the incumbent board if such individual initially assumed office as a result of either an actual or threatened Election Contest (as described in Rule 14a-11 promulgated under the 1934 Act) or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the board (a proxy contest) including by reason of any agreement intended to avoid or settle any Election Contest or proxy contest;

Approval by shareholders of SunLink of a merger, consolidation or reorganization involving the Company, unless

the shareholders of the Company, immediately before such merger, consolidation or reorganization, own, directly or indirectly, immediately following such merger, consolidation or reorganization, at

least two-thirds of the combined voting power of the outstanding voting securities of the corporation resulting from such merger or consolidation or reorganization (the surviving corporation) in substantially the same proportion as their ownership of the voting securities immediately before such merger, consolidation or reorganization, and

the individuals who were members of the incumbent board immediately prior to the execution of the agreement providing for such merger, consolidation or reorganization constitute at least two-thirds of the members of the board of directors of the surviving corporation; or

If the executive's employment is terminated prior to a change in control and the executive reasonably demonstrates that such termination (A) was at the request of a third party who has indicated an intention or taken steps reasonably calculated to effect a change-in-control and who effectuates a change in control (a third party) or (B) otherwise occurred in connection with, or in anticipation of, a change-in-control which actually occurs, then for all purposes, the date of a change in control with

Table of Contents

respect to the executive shall mean the date immediately prior to the date of such termination of the executive's employment.

Upon a change in control, if Mr. Thornton's employment is thereafter terminated for any reason other than cause or if he terminates his employment within one (1) year of the change in control, he is entitled to (a) thirty months of base pay, to be paid in accordance with the Company's payroll practices; (b) accrued compensation, including a pro rata portion of any annual bonus for which goals have been proportionately met; (c) health and certain ancillary benefits for twenty four months following termination; and (d) full vesting of any then unvested stock options.

Upon a change in control, if Mr. Stockslager's employment is thereafter terminated for any reason other than cause or if he terminates his employment within one (1) year of the change-in-control, he is entitled to twelve months of base pay, to be paid in accordance with the Company's payroll practices.

Upon a change in control, if Mr. Finn's employment is terminated within 90 days thereafter for any reason other than death, disability or cause, he is entitled to six months of base pay, to be paid in accordance with the Company's payroll practices.

The following table sets forth certain potential benefits which would have been realized in connection with a *change in control and termination of employment without cause or at the election of the executive* for the Company's principal executive officer, principal financial officer and the Company's sole other named executive officer for fiscal year 2017 assuming the change in control and termination occurred as of the last day of the most recently completed fiscal year.

(1) The continued base salary benefit is to be paid in accordance with the Company's regularly scheduled pay periods over the applicable benefits period.

- (2) Calculated as a pro rata portion of any annual bonus for which goals have been proportionately met prior to termination and without regard to any requirement to be employed on payment date. Such payment shall be made after an audit of annual results in accordance with the applicable plan.

PROPOSAL 2 TO BE VOTED ON BY SHAREHOLDERS

Proposal 2 Advisory Vote on Executive Compensation

We are requesting your advisory approval of the compensation of our named executive officers as disclosed in the Executive Compensation section of this Proxy Statement, including the compensation tables, and the narrative discussion set forth on page 22 of this Proxy Statement. This non-binding advisory vote is commonly referred to as a say on pay vote.

Our Compensation Committee, which is responsible for designing and administering our executive compensation program, has designed our executive compensation program to provide a competitive compensation and benefits package that reflects executive performance, job complexity and strategic value of the position, which it believes also includes retention incentives, performance incentives, and alignment with the interests of the Company's shareholders. We encourage you to carefully review the Executive Compensation section of this Proxy Statement for additional details on the Company's executive compensation, including the Company's compensation objectives, as well as the processes our Compensation Committee used to determine the structure and amounts of the compensation of our named executive officers for the fiscal year ended June 30, 2017.

We are asking you to indicate your support for the compensation of our named executive officers as described in this Proxy Statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the objectives, policies and practices described in this Proxy Statement. Accordingly, we are asking you to vote, on an advisory basis, For the following resolution at the Annual Meeting:

RESOLVED, that the compensation paid to SunLink Health Systems, Inc.'s named executive officers, as disclosed pursuant to the Securities and Exchange Commission's compensation disclosure rules, including the Executive Compensation section of the Proxy Statement, and the compensation tables and narrative discussion set forth therein, is hereby approved.

While the results of this advisory vote are not binding, the Compensation Committee will consider the outcome of the vote in deciding whether to take any action as a result of the vote and when making future compensation decisions for our named executive officers.

Vote Required and Board Recommendation

The say-on-pay proposal will be approved if the number of votes cast in favor of the proposal exceeds the number of votes cast against the proposal.

The board of directors unanimously recommends that the Company's shareholders vote FOR the compensation of our named executive officers as disclosed in this Proxy Statement.

PROPOSAL 3 TO BE VOTED ON BY SHAREHOLDERS

Proposal 3 Advisory Vote on the Frequency of the Vote on Executive Compensation

The Company is presenting this proposal, which gives you as a shareholder the opportunity to inform the Company as to how often you wish the Company to include a say-on-pay proposal in our Proxy Statement (a say-on-frequency vote). While this say-on-frequency vote is advisory in nature and therefore will not bind us to adopt any particular frequency, the Board intends to carefully consider the shareholder vote resulting from the proposal in determining how frequently we will hold say-on-pay votes.

Please note that, as a shareholder, you have the choice to vote for one of the following choices, as indicated on the proxy card: to hold the advisory vote on executive compensation (1) every year, (2) every two years, (3) every three years, or (4) to abstain from voting.

The Board values constructive dialogue on executive compensation and other important governance topics with our shareholders. Because the executive compensation program for our named executive officers has remained consistent for several years, the Board believes an advisory vote every three years should be sufficiently frequent to obtain information on shareholder sentiment about our executive compensation program and to respond to shareholders feedback and the vote results.

Required Vote of Shareholders

Shareholders are not voting to approve or disapprove the recommendation of the Board that the say-on-pay vote be held every two years, but, rather, to express their own preference. The Company will take into consideration the shareholder vote on each of the alternatives set forth in the proxy card with respect to this Proposal.

The board of directors unanimously recommends that the Company's shareholders vote for the 3 Years alternative set out in the proxy card.

PROPOSAL 4 TO BE VOTED ON BY SHAREHOLDERS

Proposal 4 Ratification of Independent Registered Public Accounting Firm

Cherry Bekaert LLP was engaged to perform the Company's annual audit for the fiscal year ended June 30, 2017. We anticipate that representatives of Cherry Bekaert LLP will be present at the 2017 annual meeting of shareholders to respond to appropriate questions and to make a statement if such representatives so desire.

The audit committee of the board of directors of the Company has appointed Cherry Bekaert LLP to serve as our independent registered public accounting firm for the fiscal year beginning July 1, 2017. We are asking our shareholders to ratify the selection of Cherry Bekaert LLP as our independent registered public accounting firm. Although ratification is not required by our Code of Regulations or otherwise, the board is submitting the selection of Cherry Bekaert LLP to our shareholders for ratification as a matter of good corporate practice. If the selection is not ratified, the audit committee will consider whether it is appropriate to select another independent registered public accounting firm. Even if the selection is ratified, the audit committee, in its discretion, may select a different independent registered public accounting firm at any time during the year and may periodically request proposals from other independent registered public accounting firms and as a result of such process may select Cherry Bekaert LLP or another independent registered public accounting firm if the audit committee determines that such a change or action would be in the best interests of the Company and our shareholders.

The board of directors unanimously recommends a vote FOR the ratification of the appointment of Cherry Bekaert LLP as our independent registered public accounting firm.

CERTAIN ACCOUNTING AND AUDITING MATTERS

Report of the Audit Committee

The authority, duties and responsibilities of the audit committee of the board of directors of the Company are set forth in detail in the written audit committee charter, which was adopted by the board of directors of the Company and which complies with the applicable rules of the NYSE American exchange. The audit committee has three members, each of whom is independent under the applicable rules of the NYSE American exchange. In accordance with section 407 of the Sarbanes-Oxley Act of 2002, Mr. Ford has been identified as an Audit Committee Financial Expert.

The audit committee reviews and assesses the adequacy of its charter on an annual basis. A copy of the Audit Committee Charter is available on the Company's website at www.sunlinkhealth.com.

The audit committee is responsible for overseeing the Company's financial reporting process on behalf of the board of directors. Management of the Company has the primary responsibility for the Company's financial reporting process, principles and internal controls as well as preparation of its financial statements in accordance with generally accepted accounting principles. The Company's independent auditors are responsible for performing an audit of the Company's financial statements and expressing an opinion as to the conformity of such financial statements with generally accepted accounting principles in the United States.

The audit committee met four (4) times during fiscal year 2017. In addition, the members of the audit committee reviewed, and the chairperson of the audit committee discussed with management and the Company's independent auditors, the interim financial information contained in each quarterly earnings release prior to the release of such information to the public.

The audit committee has reviewed and discussed the Company's audited financial statements as of and for the year ended June 30, 2017 with management and the independent auditors. The audit committee has discussed with the independent auditors the matters required to be discussed under Standards of the Public Company Accounting Oversight Board (PCAOB), including those matters set forth in Auditing Standards No. 1301, *Communication with Audit Committees*. In addition, the audit committee received from the independent

Table of Contents

registered public accounting firm the written disclosures and the letter required by the PCAOB's applicable requirements and has discussed with them their independence from the Company and its management. The audit committee has considered whether the independent registered public accounting firm's provision of non-audit services to the Company is compatible with maintaining the independent registered public accounting firm's independence. The audit committee has concluded that the independent auditors are independent from the Company and its management.

The audit committee discussed with the Company's independent auditors the overall scope and plans for their respective audits. In addition, the audit committee met with the Chief Executive Officer and Chief Financial Officer of the Company to discuss the processes that they have undertaken to evaluate the accuracy and fair presentation of the Company's financial statements and the effectiveness of the Company's system of disclosure controls and procedures.

In fulfilling its oversight responsibilities and as part of its review of the Company's 2017 Annual Report, the audit committee met with the Company's independent auditors, with and without management present, to discuss their evaluations of the Company's internal controls as well as the overall quality of its financial reporting.

The fees paid to the Company's auditors, Cherry Bekaert LLP, as well as the policy on pre-approval of audit and non-audit services are set forth elsewhere in this Proxy Statement.

As a result of the reviews and discussions with management and Cherry Bekaert LLP referred to above, the audit committee recommended to the board and the board has approved that the audited financial statements of the Company be included in the Annual Report on Form 10-K for the fiscal year ended June 30, 2017 for filing with the Securities and Exchange Commission.

This report has been submitted by the audit committee:

C. Michael Ford (Chairperson)

Karen B. Brenner

Gene E. Burleson

The foregoing report shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933.

Policy on Pre-Approval of Services Provided By Independent Registered Public Accounting Firm

Pursuant to the requirements of the Sarbanes-Oxley Act of 2002, the terms of the engagement of Cherry Bekaert LLP with respect to all auditing services and non-audit services to be performed for the Company by its independent registered public accountants are subject to the specific pre-approval of the audit committee (except where such services are determined to be de minimis under the 1934 Act). All audit and permitted non-audit services to be performed by Cherry Bekaert LLP require pre-approval by the audit committee in accordance with pre-approved procedures established by the audit committee. The audit committee may delegate to one or more designated members of the audit committee who are independent directors of the board of directors, the authority to grant such pre-approvals. The decisions of any member to whom such authority is delegated are presented to the full audit committee at the next scheduled meeting of the audit committee. The procedures require all proposed engagements of Cherry Bekaert LLP for services of any kind to be directed to the Company's Principal Accounting Officer and then submitted for approval to the audit committee prior to the beginning of any services.

In fiscal year 2017, 100% of the audit fees, audit-related fees and tax fees billed by Cherry Bekaert LLP were approved either by the audit committee or its designee. The fees billed by Cherry Bekaert LLP that are shown in the following table for fiscal year 2017 and 2016 were also pre-approved by the audit committee or its designee. The audit

committee has considered whether the provision of non-audit services by the Company's independent registered public accounting firm is compatible with maintaining auditor independence and believes that the provision of such services is compatible.
