IMPLEMENTATION OF THE POLICY REQUIREMENTS OF THE STATE REGARDING NETWORK SPEED UPGRADE AND TARIFF REDUCTION

This announcement is made pursuant to Rule 13.09 of the Rules Governing the Listing of the Securities on The Stock Exchange of Hong Kong Limited and Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

China Telecom Corporation Limited (the Company) noted that the State's policy requirements regarding network speed upgrade and tariff reduction as mentioned in the Government Work Report presented in the first session of the 13th National People's Congress of the People's Republic of China convened on 5 March 2018, which include requirements to: (i) increase efforts in implementing network speed upgrade and tariff reduction measures; (ii) achieve full coverage of high-speed broadband in cities and rural areas; (iii) expand the coverage of free Wifi Internet access in public areas; (iv) substantially reduce the tariffs of household broadband, corporate broadband and dedicated leased line; (v) cancel data roaming fee; (vi) reduce mobile data tariff by at least 30% in this year.

The Company will implement appropriate measures in due course in accordance with the above-mentioned policy requirements. Meanwhile, the Company will further accelerate the supply-side structural reform and speed up corporate transformation and upgrades. The Company will deeply promote network intelligentisation, service ecologicalisation and operation intellectualisation to expand telecommunications information consumption, persistently promote costs reduction and efficiency enhancement as well as enhance operation efficiency. The Company will endeavour to mitigate the impact on the business operation of the Company brought by the above-mentioned policies and promote the corporate's sustainable healthy development.

In the meantime, investors are advised to exercise caution in dealing in the securities of the Company.
