LyondellBasell Receives U.S. Antitrust Clearance for Acquisition of A. Schulman

Announces Early Termination of HSR Waiting Period

HOUSTON and LONDON, March 21, 2018 /PRNewswire/ LyondellBasell (NYSE: LYB), one of the largest plastics, chemicals and refining companies in the world, today announced that the Federal Trade Commission granted early termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (HSR Act), with respect to its pending acquisition of A. Schulman, Inc. (NASDAQ: SHLM).

The termination of the waiting period under the HSR Act satisfies one of the conditions for the closing of the pending acquisition, which remains subject to other customary closing conditions, including approval by A. Schulman shareholders and the receipt of other required regulatory clearances and approvals.

As previously announced on February 15, 2018, LyondellBasell and A. Schulman, a leading global supplier of high-performance plastic compounds, composites and powders, entered into a definitive agreement under which LyondellBasell will acquire A. Schulman for a total consideration of \$2.25 billion. The acquisition builds upon LyondellBasell's existing platform to create a premier Advanced Polymer Solutions business with broad geographic reach, leading technologies and a diverse product portfolio.

The transaction is expected to close in the second half of 2018.

More information on the transaction can be found at www.LyondellBasell.com/AdvancedPolymerSolutions.
