Ordinary Shares, nominal value 2.00 per share (1)	500,000(2)	\$62.21(3)	\$31,105,000(3)	\$3,872.58(4)

- (1) American Depositary Receipts evidencing American Depositary Shares issuable upon request after expiration of the five-year lock-up period on deposit of the Ordinary Shares, nominal value 2.00 per Share (**Ordinary Shares**), have been registered pursuant to a separate Registration Statement on Form F-6 (Registration No. 333-192032).

All documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act prior to the filing of a post-effective amendment indicating that all securities offered have been sold or that deregisters all securities then remaining unsold shall be deemed to be incorporated by reference in this Registration Statement and to be part hereof from the date of filing of such document incorporated by reference. Statements contained in the foregoing documents incorporated by reference shall be deemed to be modified or superseded hereby to the extent that statements contained in the Prospectus, or in any subsequently filed documents that are amendments hereto or that are incorporated herein by reference, shall modify or replace such statements:

(a) The Annual Report on Form 20-F of the Registrant for the year ended December 31, 2017, as filed with the Commission on March 07, 2018 (the **Form 20-F**) (Commission file No. 001-31368);

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Edgar Filing: Sanofi - Form S-8

Alexandra Roger, Head of Securities Law and Capital Markets at the Registrant, has given her opinion about certain legal matters affecting the securities registered under this Registration Statement. Ms. Roger owns, or may have the right to acquire, the Registrant's Ordinary Shares and/or American Depositary Shares.

Item 6. Indemnification of Directors and Officers.

The French Commercial Code prohibits provisions of corporate articles of associations that limit the liability of directors. However, if a director is sued by a third party and ultimately prevails in the litigation on all counts, but is nevertheless required to bear attorneys' fees and costs, the Director may be reimbursed for those fees and costs pursuant to an indemnification arrangement.

Under French law a company may purchase directors and officers insurance for all or part of the members of its management. A French corporation is responsible to third parties for the consequences of the decisions of its board of directors. However, if those decisions qualify as mismanagement, the relevant member of the board of directors may have to fully or partly indemnify the company. Sanofi has purchased insurance for all of its directors and officers.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

See Exhibit Index.

Item 9. Undertakings.

The undersigned Registrant hereby undertakes:

(a) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(1) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(2) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement; to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(3) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that paragraphs (1) and (2) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

The undersigned Registrant further undertakes that, insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
