Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(b) On October 31, 2018, Jay D. Browning announced that he has elected to retire, effective January 1, 2019, from his position as Executive Vice President and General Counsel of Valero Energy Corporation (Valero).

(c) On October 31, 2018, Valero's board of directors elected Jason W. Fraser, currently Senior Vice President & Counsel-Public Policy, Strategy & External Communications, as Executive Vice President and General Counsel of Valero to succeed Mr. Browning, effective January 1, 2019.

Mr. Fraser, age 50, has over 19 years of experience with Valero. In his current role, he oversees and has responsibility for Valero's Public Policy & Strategic Planning, Governmental Affairs, Investor Relations, and External Communications. In December 2016, he was elected Vice President-Public Policy & Strategic Planning of Valero, and in May 2018, he was promoted to his current position. From May 2015 to November 2016, Mr. Fraser served in London as Valero's Vice President-Europe, overseeing Valero's European commercial businesses. Prior to his service in London, he served at Valero's San Antonio headquarters as Senior Vice President & Deputy General Counsel of Valero Services, Inc. from 2013 to 2015. Prior to that, he held various roles including Senior Vice President-Specialty Products of Valero Marketing and Supply Company, and as a member of Valero's integration team in London tasked with integrating the European businesses acquired by Valero in 2011 from Chevron.

(e) Valero adopted the following compensatory arrangements with Mr. Fraser in connection with his election:

grants of 6,450 shares of restricted stock and 6,450 performance shares under Valero's 2011 Omnibus Stock Incentive Plan. The restricted shares vest (become nonforfeitable) in equal annual installments over a period of three years beginning October 31, 2019. The performance shares are subject to vesting in three annual increments based upon Valero's total shareholder return (TSR) compared to its peers during one-year, two-year, and three-year performance periods (the first vesting date being in January 2020 for the performance period ending in 2019). On their vesting dates, the performance shares are payable in shares of Valero's common stock in amounts ranging from zero to 200 percent of the number of vested performance shares. Additional shares of common stock may be awarded on the vesting dates with respect to the computed value of dividend equivalents accrued during the performance measurement periods, subject to Valero's achievement of prescribed TSR rankings relative to Valero's peers;

an annual base salary of \$600,000, effective January 1, 2019, and a 2019 bonus target percentage of 80% under Valero's annual incentive bonus program; and

a Change of Control Severance Agreement, which becomes operative for a fixed three-year period when a change of control occurs. The agreement provides generally that the officer's terms of employment will not be materially adversely affected during the three-year period after a change of control. The foregoing description of the agreement is not complete and is qualified in its entirety by reference to the full text of the agreement, which is attached as Exhibit 10.01 to this Current Report and is incorporated herein by reference.

Item 9.01 Financial Statements and Exhibits.

(d) Exhibits.

10.01 Change of Control Severance Agreement (Tier II-A) between Valero Energy Corporation and Jason W. Fraser.

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the Company has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
