Item 1.01 Entry into a Material Definitive Agreement.

On April 5, 2019, Cypress Energy Partners, L.P. (the "Partnership") entered into an At Market Issuance Sales Agreement (the "Sales Agreement") by and between the Partnership and B. Riley FBR, Inc. (the "Agent"). Pursuant to the terms of the Sales Agreement, the Partnership may sell from time to time to or through the Agent, as sales agent or principal, the Partnership's common units representing limited partner interests ("Common Units"). The sales, if any, of the Common Units through the Agent as sales agent under the Sales Agreement will be made by any method permitted by law deemed to be an "at the market offering" as defined in Rule 415 promulgated under the Securities Act of 1933, as amended (the "Securities Act"). The Partnership may also sell Common Units to the Agent as principal at a price agreed upon at the time of sale.

Under the terms of the Sales Agreement, the Partnership will pay the Agent a commission equal to 3.0% of the gross proceeds from each sale of Common Units that are issued and sold through the Agent as Sales Agent. In addition, the Partnership has agreed to pay certain expenses incurred by the Agent in connection with the offering.

The offering has been registered under the Securities Act pursuant to the Partnership's shelf registration statement on Form S-3, as amended (Registration No. 333-230380), as supplemented by the Prospectus Supplement dated April 5, 2019, relating to the sale of the Common Units (the "Prospectus Supplement").

The Sales Agreement contains customary representations and warranties of the parties and indemnification and contribution provisions under which the Partnership and the Agent have agreed to indemnify each other against certain liabilities, including liabilities under the Securities Act. The Partnership expects to use the net proceeds from any sale under the Sales Agreement of the Common Units for general partnership purposes, which may include, among other things, repayment of indebtedness, financing of future acquisitions and capital expenditures and additions to working capital.

The representations, warranties and covenants contained in the Sales Agreement were made only for purposes of that agreement and as of specific dates, were solely for the benefit of the parties to the Sales Agreement, and may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made by each contracting party to the other as a way of allocating contractual risk between them that differ from those applicable to investors. Moreover, the subject matter of the representations and warranties are subject to more recent developments. Accordingly, investors should be aware that these representations, warranties and covenants or any description thereof alone may not describe the actual state of affairs of the Partnership or any of its subsidiaries, affiliates, businesses or equity holders as of the date they were made or at any other time.

The foregoing description and the description contained in the Prospectus Supplement are not complete and are qualified in their entirety by reference to the full text of the Sales Agreement, a copy of which is filed as Exhibit 1.1 to this Current Report on Form 8-K, and is incorporated herein by reference.

Legal opinions relating to the Common Units are included as Exhibits 5.1 and 8.1 to this Current Report.
