**Proxy Statement
Annual Meeting of Stockholders
May 14, 2015**

We are providing you with these proxy materials in connection with the solicitation by Zebra's Board of Directors of proxies for our 2015 Annual Meeting of Stockholders. We will hold the annual meeting at 10:30 a.m., Eastern Time, on Thursday, May 14, 2015, at the Hyatt Regency Long Island at Wind Watch Golf Club, 1717 Motor Parkway, Hauppauge, New York 11788.

We mailed this proxy statement and proxy card to stockholders on or about April 15, 2015.

This proxy statement contains important information regarding our annual meeting, the proposals on which you are being asked to vote, information you may find useful in determining how to vote, and information about voting procedures. As used herein, we, us, our, Zebra or the Company refers to Zebra Technologies Corporation.

Questions and Answers about the Annual Meeting and These Proxy Materials

What matters will be voted on at the annual meeting?

The following matters will be voted on at the meeting:

Proposal 1: To elect two Class I directors with terms to expire in 2018;

Proposal 2: To hold an advisory vote to approve the compensation of our named executive officers;

Proposal 3: To approve our 2015 Short-Term Incentive Plan;

Proposal 4: To approve our 2015 Long-Term Incentive Plan;

Proposal 5: To ratify the appointment by our Audit Committee of Ernst & Young LLP as our independent auditors for 2015

Such other business if properly presented or any adjournment or postponement of the annual meeting.

How does the Board of Directors recommend that I vote?

Zebra's Board recommends that you vote:

FOR the election of the two individuals nominated by our Board and named in this proxy statement as Class I Directors for a three-year term expiring in 2018;

FOR the approval, on an advisory basis, of the compensation of our named executive officers;

FOR approval of the 2015 Short-Term Incentive Plan;

FOR approval of the 2015 Long-Term Incentive Plan;

FOR ratification of the appointment by our Audit Committee of Ernst & Young LLP as our independent auditors for 2015.

Will there be any other items of business on the agenda?

If any other items of business or other matters are properly brought before the annual meeting, your proxy gives discretionary authority to the persons named on the proxy card with respect to those items of business or other

Table of Contents

matters. The persons named on the proxy card intend to vote the proxy in accordance with their best judgment. Because the deadlines for stockholder proposals and nominations have passed, we do not expect any items of business to be brought before the annual meeting other than the items described in this proxy statement.

Who is entitled to vote at the annual meeting?

Holders of our Class A common stock at the close of business on March 24, 2015, the record date, may vote at the meeting. We refer to the holders of our Class A common stock as **stockholders** throughout this proxy statement. Each stockholder is entitled to one vote for each share of Class A common stock held as of the record date.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

You may own shares directly in your name as a stockholder of record, which includes shares for which you have certificates. If your shares are registered directly in your name, you are the **holder of record** of those shares, and we are sending these proxy materials directly to you. As the holder of record, you have the right to give your voting proxy directly to us or to vote in person at the meeting.

You may also own shares indirectly through a broker, bank or other holder of record. If you hold your shares indirectly, you hold the shares in **street name** and are a **beneficial holder**, and your broker, bank or other holder of record sent these proxy materials to you. As a beneficial holder, you have the right to direct your broker, bank or other holder of record how to vote by completing a voting instruction form.

Do I have to do anything in advance if I plan to attend the annual meeting in person?

An individual who is a beneficial owner of Class A common stock must bring to the meeting a legal proxy from the organization that holds the shares or a brokerage statement showing ownership of shares as of the close of business on the record date. Representatives of institutional stockholders must bring a legal proxy or other proof that they are representatives of a firm that held shares as of the close of business on the record date and are authorized to vote on behalf of the institution.

Do I have electronic access to the proxy materials and annual report?

For **holders of record**, we are pleased to offer the opportunity to receive stockholder communications electronically. By signing up for electronic delivery of documents such as our annual report and the proxy statement, you can access stockholder communications as soon as they are available without waiting for them to arrive in the mail. Holders of record can also reduce the number of documents in their personal files, eliminate duplicate mailings, conserve natural resources, and help reduce our printing and mailing costs. If you are a holder of record and would like to receive stockholder communications electronically in the future, please contact Computershare at 877-870-2368 or 201-680-6578. Enrollment is effective until canceled.

Beneficial holders should refer to the information provided by the broker, bank or other institution that is the holder of record for instructions on how to elect to receive proxy statements and annual reports over the Internet. Most stockholders who hold their stock through a broker, bank or other holder of record and who have electronic access will receive an e-mail message containing the Internet address to use to access our proxy statement and annual report.

How do I vote my shares?

Your vote is important. We encourage you to vote promptly, which may save us the expense of a second mailing.

If you are a **holder of record**, you may vote your shares in any of the following ways:

by telephone You may vote your shares by calling the toll-free telephone number on your proxy card. You may vote by telephone 24 hours a day through 11:59 p.m., Eastern Time, on May 13, 2015. The telephone voting system has easy-to-follow instructions and allows you to confirm that the system has properly recorded your vote. If you vote by telephone, you do not need to return your proxy card.

over the Internet You may vote your shares via the website <http://www.proxyvote.com>. You may vote over the Internet 24 hours a day through 11:59 p.m., Eastern Time, May 13, 2015. As with telephone voting, you may confirm that the system has properly recorded your vote. If you vote over the Internet, you

Table of Contents

do not need to return your proxy card. You may incur costs such as telephone and Internet access charges if you vote over the Internet.

by mail You may vote your shares by marking, dating and signing your proxy card and returning it by mail in the enclosed postage-paid envelope.

in person at the annual meeting If you choose not to vote by telephone, over the Internet or by mail, you may still attend the meeting and vote in person. If you vote prior to the meeting, you may still attend the meeting and vote in person.

If you are a **beneficial holder**, the instructions that accompany your proxy materials will indicate whether you may vote by telephone, over the Internet or by mail. If you wish to attend the meeting and vote in person, you must bring a legal proxy from the organization that holds the shares or a brokerage statement showing ownership of shares as of the close of business on the record date.

Can I revoke or change my vote after I submit my proxy?

If you are the **holder of record**, you may revoke your proxy at any time before your shares are voted if you (1) submit a written revocation to our Corporate Secretary, (2) submit a later-dated proxy to our Corporate Secretary, (3) provide subsequent telephone or Internet voting instructions, or (4) vote in person at the meeting. If you are a **beneficial owner** of shares, you must contact the broker or other nominee holding your shares and follow their instructions for changing your vote.

What will happen if I do not vote my shares?

If you are the **holder of record** and you do not vote by proxy card, by telephone, via the Internet or in person at the annual meeting, your shares will not be voted at the annual meeting.

If you are a **beneficial owner** of shares and you do not provide the broker or other nominee that holds your shares with voting instructions, the broker or nominee may vote your shares only on those proposals on which it has discretion to vote. Under the rules of the New York Stock Exchange (NYSE), your broker or nominee does not have discretion to vote your shares on non-routine matters such as Proposals 1, 2, 3 and 4. However, your broker or nominee does have discretion to vote your shares on routine matters such as Proposal 5. In the absence of instructions, shares subject to broker non-votes will not be counted as voted or as present or represented on the proposal.

What if I do not specify how my shares are to be voted?

Our Board has appointed Douglas A. Fox and Jim L. Kaput to serve as the proxy committee for the meeting. Mr. Fox is Vice President, Investor Relations, of Zebra. Mr. Kaput is Senior Vice President, General Counsel and Corporate Secretary, of Zebra. By giving us your proxy, you are authorizing the proxy committee to vote your shares in the manner you indicate.

If you are a **holder of record** and you submit a proxy, but you do not provide voting instructions, your shares will be voted:

FOR the election of the two individuals nominated by our Board and named in this proxy statement as Class I Directors to serve for a three-year term expiring in 2018;

FOR the approval, on an advisory basis, of the compensation of our named executive officers (Proposal 2);

FOR approval of the 2015 Short-Term Incentive Plan (Proposal 3);

FOR approval of the 2015 Long-Term Incentive Plan (Proposal 4);

FOR ratification of the appointment by our Audit Committee of Ernst & Young LLP as our independent auditors for 2015 (Proposal 5);

In the discretion of the named proxies regarding any other matters properly presented for a vote at the annual meeting.

Table of Contents

If you are a **beneficial owner** and you do not provide the broker or other nominee that holds your shares with voting instructions, the broker or other nominee will determine if it has the discretionary authority to vote on the particular matter. Under the NYSE's rules, brokers and other nominees have the discretion to vote on routine matters such as Proposal 5, but do not have discretion to vote on non-routine matters such as Proposals 1, 2, 3 and 4. If you do not provide voting instructions to your broker or other nominee, your broker or other nominee may only vote your shares on Proposal 5 and any other routine matters properly presented for a vote at the meeting.

What constitutes a quorum, and why is a quorum required?

A quorum is necessary to hold a valid meeting of stockholders. If stockholders of a majority of the voting power of the stock issued and outstanding and entitled to vote at the meeting are present in person or by proxy, a quorum will exist. Shares owned by Zebra are not voted and do not count for quorum purposes. On March 24, 2015, we had 51,795,052 shares of Class A common stock outstanding, meaning that 25,897,527 shares of Class A common stock must be represented in person or by proxy to have a quorum. Your shares will be counted towards the quorum if you submit a proxy or vote at the meeting. Abstentions and broker non-votes will also count towards the quorum requirement. If there is not a quorum, a majority of the shares present at the meeting may adjourn the meeting to a later date.

To assure the presence of a quorum at the meeting, please vote your shares by toll-free telephone or over the Internet or complete, sign and date our proxy card and return it promptly in the enclosed postage-paid envelope, even if you plan to attend the meeting.

What is the effect of a broker non-vote?

Brokers or other nominees who hold shares of our Class A common stock for a beneficial owner have the discretion to vote on routine proposals when they have not received voting instructions from the beneficial owner at least ten days prior to the meeting. A broker non-vote occurs when a broker or other nominee does not receive voting instructions from the beneficial owner and does not have the discretion to direct the voting of the shares. Broker non-votes will be counted for purposes of calculating whether a quorum is present at the meeting. Thus, a broker non-vote will not affect our ability to obtain a quorum. Broker non-votes will not have any effect on the outcome of any proposal to be voted on at the meeting.

What is the vote required for each proposal?

Nominees for director are elected by a plurality of the votes cast; however, each nominee who is elected by a plurality vote who does not receive a majority vote will have his or her resignation from the Board considered in accordance with Zebra's Corporate Governance Guidelines. A majority vote means that the number of votes cast in favor of a nominee must exceed the number of votes withheld with respect to that nominee. In 2013, the Board amended Zebra's Amended and Restated By-Laws and Corporate Governance Guidelines to implement a resignation process with respect to uncontested elections of directors if a nominee does not receive a majority vote for election to the Board. Prior to the mailing of Zebra's proxy statement, each nominee for director submits a binding but contingent letter of resignation. A director who is then elected by a plurality vote but who does not receive a majority vote will have his or her resignation considered by the Nominating Committee in light of the best interests of Zebra and its stockholders. The Nominating Committee will make a recommendation to the Board concerning the acceptance or rejection of the resignation(s).

Table of Contents

In any contested election, nominees for director will continue to be elected by a plurality of the votes cast without a contingent resignation to be considered by the Board conditioned on receipt of a majority vote. A contested election means an election of directors (i) for which the Corporate Secretary of Zebra has received a notice that a stockholder has nominated a person for election to the Board in compliance with Zebra's Amended and Restated By-Laws and (ii) such nomination has not been withdrawn at least five days prior to the date Zebra first mails the notice of meeting to stockholders. Neither abstentions nor broker non-votes count as votes cast.

Proposal	Vote Required	Broker Discretionary Voting Allowed
Proposal 1 Election of two Class I directors with terms to expire in 2018	Plurality of votes cast with resignation process if majority vote not achieved	No
Proposal 2 Advisory vote to approve named executive officer compensation	Majority of the votes cast affirmatively or negatively	No
Proposal 3 Approve our 2015 Short-Term Incentive Plan	Majority of the votes cast affirmatively or negatively	No
Proposal 4 Approve our 2015 Long-Term Incentive Plan	Majority of the votes cast affirmatively or negatively	No
Proposal 5 Ratify the appointment of Ernst & Young LLP as our independent auditors for 2015	Majority of the votes cast affirmatively or negatively	Yes

With respect to Proposal 1, you may vote FOR all nominees, WITHHOLD your vote as to all nominees, or vote FOR all nominees except those specific nominees from whom you WITHHOLD your vote. The two nominees receiving the most FOR votes will be elected. A properly executed proxy that is marked WITHHOLD with respect to the election of one or more directors will not be voted with respect to the director or directors indicated. Proxies may not be voted for more than two nominees for director and stockholders may not cumulate votes in the election of directors.

With respect to Proposals 2, 3, 4 and 5, you may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN from voting on any of these proposals, your abstention will not affect the vote on the proposal since the proposal requires approval of a majority of the votes cast affirmatively or negatively.

What happens if the annual meeting is adjourned or postponed?

Your proxy will still be effective and will be voted at the rescheduled annual meeting. You will still be able to change or revoke your proxy until it is voted.

Who is paying for the costs of this proxy solicitation?

We will bear the expense of soliciting proxies. We have retained Alliance Advisors LLC to solicit proxies for a fee of \$16,500 plus a reasonable amount to cover expenses. Proxies may also be solicited in person, by telephone or electronically by Zebra personnel who will not receive additional compensation for such solicitation. Copies of proxy materials and the Annual Report will be supplied to brokers and other nominees for the purpose of soliciting proxies from beneficial owners, and we will reimburse such brokers or other nominees for their reasonable expenses.

How can I find the results of the annual meeting?

Preliminary results will be announced at the meeting. Results also will be published in a current report on Form 8-K to be filed with the Securities and Exchange Commission within four business days after the meeting. If the official results are not available at that time, we will provide preliminary voting results in the Form 8-K and will provide the final results in an amendment to the Form 8-K as soon as they become available.

Corporate Governance

Corporate Governance Guidelines

Zebra's primary objective is to maximize stockholder value over the long term. Our Board of Directors believes that sound governance practices and policies provide an important framework to assist the Board in fulfilling its duty to stockholders. The Board reviews Zebra's Corporate Governance Guidelines from time to time and modifies the Guidelines to reflect sound corporate governance policies and practices. Our Corporate Governance Guidelines are available on Zebra's website at <http://www.zebra.com> under About Zebra-Investor Relations-Governance-Governance Documents.

Director Candidates and Diversity

The Nominating Committee of our Board of Directors is responsible for identifying individuals qualified to serve as directors, recommending candidates, and assisting the Board in discharging its responsibilities relating to the governance of Zebra.

Consideration of Board candidates typically involves a series of internal discussions, review of the qualifications of candidates, and interviews with selected candidates. The Committee may use the services of a search firm to identify director candidates. Board members or management may also suggest candidates for nomination to the Board. The Committee also considers candidates suggested by stockholders and individual self-nominations. The Committee does not evaluate proposed candidates differently based on the source of the proposed candidate. A stockholder seeking to recommend a prospective nominee for the Committee's consideration should submit the candidate's name and qualifications to Zebra's Corporate Secretary at: Three Overlook Point, Lincolnshire, Illinois 60069. The Committee did not receive any stockholder suggestions for director candidates to be considered for election to the Board at the 2015 annual meeting. Stockholders who wish to nominate a director for election at an annual meeting of stockholders of Zebra must comply with our Amended and Restated By-Laws regarding stockholder proposals and nominations.

The Nominating Committee considers a diverse set of criteria when evaluating Board candidates. The Committee believes that Board candidates must exhibit certain minimum characteristics: sound judgment and an even temperament, high ethical standards, and a healthy view of the relative responsibilities of a board member and management. Board members should be independent thinkers, articulate and intelligent, and have a commitment of time and attention to Zebra's business. The Committee's Charter also sets forth other criteria that the Committee considers important, including experience as a board member of another publicly traded company, experience in industries, global businesses or with technologies relevant to Zebra, accounting or financial reporting experience, meeting the independence standards for directors established by NASDAQ and the Securities and Exchange Commission, and race, gender, nationality and ethnicity of a candidate to support diversity. Finally, with respect to directors who may be nominated for re-election, the Committee may consider criteria such as whether the director represents stockholder interests in deliberations before the Board, demonstrates loyalty to Zebra, attends meetings regularly, keeps abreast of corporate and industry changes, prepares effectively for meetings with Board members and senior management, communicates effectively at Board and Committee meetings and with senior management, supports the deliberative process as a team member (e.g., courteous, respectful, constructive), challenges the Board and management to set and achieve goals, and/or possesses special characteristics that contribute to effectiveness as a Board member. Each year the Committee reviews the performance of current directors whose terms will expire at the upcoming annual meeting of stockholders, as well as the qualifications of any candidates for election to the Board.

Independence of Directors

Under our Corporate Governance Guidelines and NASDAQ listing rules, a majority of our directors must be independent. Under NASDAQ listing rules, a director does not qualify as independent unless the board affirmatively determines that the director has no relationship which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. NASDAQ listing rules also provide that a director is not independent if (1) the director has been employed by Zebra in the last three years; (2) the director or an immediate family member has received, during any 12-month period in the last three years, more than \$120,000 in compensation from Zebra (other than director and committee fees and pensions or other forms of deferred compensation for prior service); (3) an immediate family member has been employed as an executive officer of Zebra in the last three years; (4) the director or an immediate family member is a partner, controlling stockholder, or

Table of Contents

an executive officer of an organization to which Zebra made, or from which Zebra received, payments for property or services in any of the years 2012, 2013 and 2014 that exceed the greater of \$200,000 or 5% of the recipient's consolidated gross revenues for that year; (5) the director or an immediate family member is employed as an executive officer of another entity where at any time during the past three years any Zebra executive officer served (or serves) on the compensation committee of the other entity; or (6) the director or an immediate family member is a partner of Zebra's independent auditor or the director or an immediate family member was a partner or employee of Zebra's independent auditor who worked on Zebra's audit in 2012, 2013 or 2014.

In February 2015, the Nominating Committee reviewed the independence of all directors and reported to the Board. The Board determined that each of Richard Keyser, Andrew Ludwick, Ross Manire, Frank Modruson, Dr. Robert J. Potter, Janice Roberts, and Michael Smith has no relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Nominating Committee also determined that each director, except Anders Gustafsson, our Chief Executive Officer, and Gerhard Cless, our Executive Vice President, is independent under NASDAQ listing rules. The Board further determined that each member of the Audit Committee meets the independence requirements under NASDAQ listing rules and the rules of the Securities and Exchange Commission; each member of the Compensation Committee meets the independence requirements under NASDAQ listing rules, the non-employee director requirements of the rules of the Securities and Exchange Commission and the outside director requirements under the Internal Revenue Code; and each member of the Nominating Committee meets the independence requirements under NASDAQ listing rules.

Communications with the Board

A stockholder who would like to contact our Board may do so by writing to our Corporate Secretary at Three Overlook Point, Lincolnshire, Illinois 60069. Communications received in writing will be distributed to the appropriate members of the Board, depending on the content of the communication received.

Board Functions

One of the primary functions of a board of directors is to oversee senior management and the conduct of the business of the corporation, including holding the chief executive officer and senior management accountable for performance. Consequently, Zebra's Board of Directors believes that a majority of the Board should be independent from management to provide an objective view and evaluation of management and business performance. A primary responsibility of Zebra's Board is to select the Chief Executive Officer and, upon the recommendation of the CEO, to appoint other executive officers who report to the CEO. The Board also plans for succession to the position of CEO as well as certain other senior management positions. Other responsibilities of the Board include determining the compensation and benefits of the CEO, oversight of strategy and risk, approving material corporate policies and budgets, approving material investments, expenditures and transactions not in the ordinary course of business, ensuring the transparency of disclosures and financial controls, planning for and handling corporate crises, oversight of government and community relations, and setting an appropriate tone of integrity and compliance.

Board Leadership Structure

The independent members of a board may be led by an independent chairman of the board or, when the roles of the chairman and chief executive officer are combined, by an independent lead director. Michael Smith, who serves as Chairman, leads Zebra's independent directors. Mr. Smith has served as a director since 1991 and as our Chairman since 2007. This structure allows our CEO, Mr. Gustafsson, to focus on the strategic, operational, and financial matters necessary to operate Zebra's business. Mr. Smith provides an independent leadership that reflects his experience with Zebra and the operation and history of the Board. As Chairman, Mr. Smith presides at all meetings of stockholders and of the Board, including executive sessions of the whole Board and of the independent directors.

Committee Charters

Each of the three standing Committees of the Board periodically reviews the adequacy of its Charter, which sets forth the authority of the Committee and its duties and responsibilities. The Board reviewed and approved changes to the Charters of the Audit Committee, Compensation Committee and Nominating Committee in May 2013 to conform the charters to new NASDAQ requirements and retain consistency among the language of the Charters and administration of the Committees. In March 2015, the Board established the Information Technology Committee. The Information Technology Committee currently is not intended to be a standing committee of the Board. A copy of each Committee Charter is available on Zebra's website <http://www.zebra.com> under About Zebra-Investor Relations-Governance-Governance Documents.

Table of Contents***Access to Management and Advisers***

Each director has access to Zebra's management and advisers. The Board and its Committees have the right to consult and retain independent legal, financial, accounting and other advisers, as they determine necessary or appropriate to carry out their duties, at Zebra's expense.

Executive Sessions and Chairman

The Board and its Committees regularly meet in executive session with and without directors who are also officers of Zebra, such as the CEO. Chairman Michael Smith chairs executive sessions of the Board. Mr. Smith is a non-executive independent director whose duties include advising the CEO of matters discussed in executive sessions, where appropriate, as well as approving Board agenda items.

Limitation of Service on other Boards; Director Education; Retirement and Term Limits

Zebra's Corporate Governance Guidelines limit to four the number of other publicly traded for-profit boards on which a non-employee director may serve. Employee directors and executive officers are limited to service on the board of one for-profit entity other than Zebra, as approved by the Chairman. Zebra assists the Board by providing orientation for new directors and reimbursing the costs of continuing education programs. The Board does not endorse a mandatory retirement age, term limits, or automatic re-nomination to serve as a director. The Board believes that Board and Committee self-evaluation processes are the most effective means of determining whether a director should continue to serve as a director.

Director Compensation

The Compensation Committee periodically reviews the compensation of our directors. In 2012, 2013 and 2014 the Committee conducted peer group comparisons of director compensation. As a result of the 2012 review, the Committee approved and recommended to the Board for its approval, which the Board approved, changes in the compensation of non-employee directors. Those changes, which became effective as of January 1, 2013, are discussed under "Director Compensation" below.

Stock Ownership Guidelines

In February 2015, the Board approved a revision of our Stock Ownership Guidelines for executive officers and non-employee directors. The Board increased the multiple of pay stock ownership guideline requirement for the Chief Executive Officer (from 4x to 5x), Executive Vice President (from 3x to 4x) and Senior Vice Presidents (from 2x to 3x). The revised Guidelines became effective as of February 11, 2015, the date of Board approval. Participants must satisfy the applicable minimum stock ownership levels by the later of December 31, 2017 or five years after becoming subject to the Guidelines. A cap does not exist on the maximum value or number of shares that can be held by a covered participant. Participants are required to retain a portion of the after-tax shares acquired upon exercise or vesting of an equity award until a minimum stock ownership level is satisfied. The minimum stock ownership levels for participants under the revised Guidelines are:

Covered Participant		Multiple of Pay		Number of Shares
Chief Executive Officer	Satisfy	5x annual base salary	or	100,000
Executive Vice President	Satisfy	4x annual base salary	or	30,000
Senior Vice President	Satisfy	3x annual base salary	or	20,000
Vice President	Satisfy	1x annual base salary	or	10,000
Non-Employee Directors	Satisfy	5x annual board cash retainer	or	10,000

In February 2015, the Compensation Committee reviewed compliance with the Guidelines in effect as of December 31, 2014, for all incumbent directors and executive officers. The Committee also reviewed compliance with the revised Guidelines, treating the Guidelines as if they were in effect as of December 31, 2014. Except for Mr. Modruson, who joined the Board in February 2014, all of our non-employee directors satisfied the applicable stock ownership level as of December 31, 2014. Mr. Modruson is on track to satisfy the applicable stock ownership level. In addition, each of Zebra's remaining executive officers either satisfied or is on track to satisfy the applicable stock ownership level. A copy of the revised Stock Ownership Guidelines is available on Zebra's website <http://www.zebra.com> under "About Zebra-Investor Relations-Governance-Governance Documents".

Oversight of Risk Management

The goal of risk management is to provide reasonable assurance to our senior management and Board that a controllable risk will not have a material or significant adverse effect on Zebra. As set forth in our Corporate Governance Guidelines, the Board is responsible for the oversight of risk management. This responsibility is discharged primarily through the Audit Committee. The Audit Committee receives regular reports from a risk committee comprised of management employees regarding the identification and management of risk in our businesses. In addition, the Compensation Committee is responsible for the oversight of risk related to our compensation policies and practices. Both the Audit Committee and Compensation Committee give regular reports to the Board regarding their oversight roles and the directors regularly discuss significant risks facing Zebra. Management categorizes identified risks as environmental (such as economic environment, competitive landscape, and currency/foreign exchange rates), strategic (such as product research and development, brand positioning, marketing and pricing), operational (such as distribution and logistics, and sales), financial (such as tax, accounting, information technology, and liquidity) or legal and compliance (such as governance, international trade, anti-bribery, product compliance, international laws and regulations, and litigation) risk. Risks arising out of Zebra's compensation policies and practices may, depending on the actions or behavior encouraged by a performance or similar goal, be categorized as a strategic, operational, financial, or legal and compliance risk. Identified risks that may be controlled are then assessed by management in terms of impact on Zebra, the likelihood of occurrence, and ultimately, Zebra's level of risk exposure. Environmental risks, such as general economic conditions, are not directly controllable by management, but are evaluated against Zebra activities to manage Zebra's exposure to these risks.

Management conducts an annual assessment of the risks arising out of Zebra's compensation policies and practices. Management reviewed each significant element of compensation for the purpose of determining whether that element of compensation, including any related performance goals and targets, encourages identifiable risk-taking behavior and whether any identified risks could have a material adverse effect on Zebra. As part of this review management considers whether a compensation plan is designed to mitigate or cap risk, including features such as compensation caps under our Zebra Incentive Plan and the use of return on invested capital performance targets to reduce incentive plan compensation if invested capital is not realizing minimum rates of return approved by the Compensation Committee. Management reviewed base salaries, the 2014 Zebra Incentive Plan, 2014 Enterprise Incentive Plan and equity awards granted under the 2011 Long-Term Incentive Plan. Based on this review, management then prepared a report and discussed its review and conclusions with the Compensation Committee. Management determined that our policies and practices are not reasonably likely to have a material adverse effect on Zebra.

Code of Business Conduct; Code of Ethics for Senior Financial Officers

Zebra has a Code of Business Conduct that applies to directors, officers and employees. We also have a Code of Ethics for Senior Financial Officers that applies to our CEO, Chief Financial Officer and Chief Accounting Officer. The Code of Business Conduct and Code of Ethics for Senior Financial Officers each address matters such as conflicts of interest, confidentiality, fair dealing and compliance with laws and regulations. During 2013, Zebra approved a revised Code of Business Conduct and reviewed the Code of Ethics for Senior Financial Officers. Copies of the Code of Business Conduct and Code of Ethics for Senior Financial Officers are available on Zebra's website at <http://www.zebra.com> under About Zebra-Investor Relations-Governance-Governance Documents.

Related-Party Transactions

Zebra has a written related-party transaction policy that may apply to any transaction, arrangement or relationship in which Zebra and any related person are parties. A related person includes our directors and executive officers, their immediate family members, entities in which a director, executive officer or immediate family member is a partner or has a 10% or more beneficial interest, and beneficial owners of more than 5% of our common stock and their immediate family members. Our General Counsel and Audit Committee administer Zebra's policy, with the General Counsel first assessing whether a proposed transaction is subject to the policy. If the General Counsel determines that a proposed transaction is a related-party transaction, then the Chairman of the Audit Committee or the full Audit Committee will review the proposed transaction to determine if it should be approved. Under Zebra's policy, all relevant available facts and circumstances are to be considered, including: (i) the benefits to Zebra; (ii) the impact on a director's independence in the event that the related person is a director, an immediate family member of a director or an entity in which a director is a partner, stockholder or executive officer; (iii) the availability of other sources for comparable products or services; (iv) the related person's interest in the transaction; (v) the terms of the transaction;

and (vi) the terms available to unrelated third parties or to employees generally. There were no related-party transactions in 2014.

Compliance Reporting

Zebra maintains a compliance hotline and website for compliance reporting. The compliance hotline and website establish a confidential means for employees or other persons to communicate to management or the Board any concerns that they may have, including concerns regarding accounting, internal controls or audit matters or compliance with laws, regulations, policies or the Code of Business Conduct. Our Chief Compliance Officer reports regularly to the Audit Committee on our Compliance and Ethics Program, including reporting on the communications received via the compliance hotline.

Table of Contents**Proposal 1****Election of Directors**

The Board of Directors currently consists of nine directors, seven of whom are independent under NASDAQ listing requirements, and two of whom are currently executive officers of Zebra. Each of the nominees for election as director currently serves as a director of Zebra.

Our Board of Directors is divided into three separate classes, with one class being elected each year to serve a staggered three-year term. The terms of the Class I Directors expire at the annual meeting, and two directors will be elected to serve for a three-year term expiring at the 2018 meeting and until their successors are elected and qualified. Our Nominating Committee has recommended, and our Board has approved, the nomination for election of Richard L. Keyser and Ross W. Manire to serve as Class I Directors. Dr. Robert J. Potter, whose term expires on the date of the annual meeting, will retire from service on the Board and the Compensation Committee. Dr. Potter has served as director of Zebra for 12 years and serves as the Chairman of our Compensation Committee. The Board thanks Dr. Potter and is grateful for his service to Zebra.

If at the time of the annual meeting any of the nominees is unable or declines to serve, the persons named in the proxy will, at the direction of the Board of Directors, either vote for the substitute nominee or nominees that the Board of Directors recommends or vote to allow the vacancy to remain open until filled by the Board. The Board has no reason to believe that any nominee will be unable or will decline to serve as a director if elected.

The Board of Directors recommends a Vote FOR the election of Richard L. Keyser and Ross W. Manire to serve as Directors of Zebra.

Audit Committee. The Audit Committee functions as the standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934. Our Board has determined that Mr. Manire is an audit committee financial expert as defined under Securities and Exchange Commission regulations. In addition to the Board's determination that each member of the Committee meets the independence requirements under NASDAQ and rules of the Securities and Exchange Commission, (1) each member of this Committee satisfies the NASDAQ requirements that no member have participated in the preparation of financial statements of Zebra or any current subsidiary of Zebra within the past three years and (2) Mr. Manire meets the financial sophistication requirement established by NASDAQ. This Committee assists the Board in fulfilling its oversight functions with respect to matters involving the financial reporting, independent and internal audit processes, disclosure controls and procedures and internal control over financial reporting, and matters such as related-party transactions and risk management. The Committee is responsible for appointing, retaining, compensating, evaluating, and terminating, when appropriate, our independent auditor; reviewing and discussing with management and the independent auditor, Zebra's annual and quarterly financial statements; and discussing policies with respect to risk assessment and risk management. The Committee has the authority to engage and determine funding for outside legal, accounting or other advisors.

Compensation Committee. The Compensation Committee determines the total compensation philosophy relating to our CEO and other executive officers and determines Zebra's peer group for compensation purposes. The Committee oversees overall compensation corporate governance, the administration of Zebra's short-term and long-term compensation plans and determines (or with respect to the CEO recommends to the Board) the total compensation and terms of employment for executive officers, including salary, short-term incentive targets, long-term incentive targets, performance goals and performance targets for both cash and equity awards, and the timing, terms and number of equity awards. The Committee also oversees Zebra's Stock Ownership Guidelines for the non-employee directors and executive officers. The Committee has delegated to the CEO the right to grant a limited number of equity awards to non-executive officers between regular meetings of the Committee. The Committee also oversees the performance management and talent management processes used by Zebra and recommends to the Board the compensation of non-employee directors.

Towers Watson served in 2014 as the independent executive compensation consultant to the Committee to provide competitive compensation data, analysis and guidance throughout the process of determining compensation for Zebra's executive officers. The role of Towers Watson in determining executive compensation is further described below under Compensation Discussion and Analysis. The Committee has the authority to engage outside legal counsel, tax and accounting, or other advisors.

Nominating Committee. The Nominating Committee identifies individuals qualified to be Board members, recommends director nominees, and assists our Board in discharging its responsibilities relating to corporate

governance. For more information regarding the Nominating Committee, see Corporate Governance. The Committee has the authority to retain a search firm to identify director candidates and to engage outside legal counsel or other advisors.

Information Technology Committee. In March 2015, our Board established the Information Technology Committee. The Information Technology Committee assists our Board in fulfilling its oversight functions with respect to matters involving appraising our information technology (IT) strategy and architecture; appraising major IT-related projects and technology architecture decisions; ensuring that our IT programs effectively support our business objectives and strategies; evaluating our cybersecurity programs in light of relevant market risks; and updating our Board on IT-related matters. Our Board appoints members of the Information Technology Committee with the initial members being Frank Modruson (Chair), Richard Keyser, Andrew Ludwick and Ross Manire.

Director Compensation

The Compensation Committee recommends to the Board the compensation of non-employee directors. When reviewing compensation, the Committee considers market data and historical practices. In 2012, the Committee engaged its independent compensation consultant, The Delves Group, to conduct a non-employee director compensation analysis. The Committee reviewed market data on both non-employee director compensation and financial performance of publicly-traded companies viewed as comparable to Zebra. The 22 peer companies then used for non-employee director compensation were the same companies used when assessing executive officer compensation for 2013 compensation purposes. The compensation information also consisted of data from the 2011-2012 National Association of Corporate Directors Director Compensation Report. The compensation data indicated that Zebra’s total board compensation was then aligned with the 25th percentile of the peer group, with the cash retainer then being aligned with the median of the peer group, total cash compensation was between the 25th percentile and the median, and equity compensation then aligned with the 25th percentile. In addition, Zebra’s mix of cash and equity awards was then aligned with the median mix of the peer group. The Committee also reviewed the compensation of members of our three standing committees of the Board, with the compensation data indicating that the compensation of the Chairman of the Audit Committee was then aligned with the 25th percentile and the compensation of the Chairmen of the Compensation Committee and Nominating Committee was between the 25th percentile and the median. Audit Committee member compensation was then aligned with the median, Compensation Committee member compensation was between the median and 75th percentile, and Nominating Committee member compensation was aligned with the 25th percentile.

As a result of this 2012 review, the Committee made recommendations regarding the non-employee director compensation and the Board approved the following compensation:

Annual Cash Retainer	Effective January 1, 2013, the annual cash retainer was increased from \$50,000 to \$60,000 for all non-employee directors, with Chairman Smith’s annual cash retainer increasing from \$100,000 to \$110,000.
Annual Equity Retainer	Effective with the May 2013 annual equity grant to non-employee directors, the target grant date fair value was increased from \$100,000 to \$150,000 and the mix of equity grants was changed to 100% in the form of fully-vested stock to replace the prior 50/50 split in the form of fully-vested stock and fully-vested stock appreciation rights.
Additional Cash Fees	The additional cash fee of \$2,000 was maintained for each in-person Board meeting in excess of five in-person Board meetings per year and \$1,000 for each telephonic Board meeting in excess of two telephonic Board meetings per year.

Table of Contents

In 2012, the Committee also made recommendations regarding the compensation for service on committees of the Board and the Board approved the following compensation:

Annual Cash Retainer for Committee Chair	Maintain at \$15,000 for the Compensation Committee Chair. Maintain at \$15,000 for the Audit Committee Chair. Maintain at \$8,000 for the Nominating Committee Chair.
Annual Cash Retainer for Committee Members	Maintain at \$10,000 for each Compensation Committee member who is not serving as Chair. Maintain at \$10,000 for each Audit Committee member who is not serving as Chair. Increase from \$2,000 to \$5,000 for each Nominating Committee member who is not serving as Chair.
Cash Fees for Additional Committee Meetings	Maintain at \$1,500 for the Chair and \$1,000 for other committee members for each in-person committee meeting in excess of five in-person committee meetings per year with no additional fee for telephonic committee meetings.

Non-employee directors may participate in our non-qualified deferred compensation plan and our group medical and dental plans, and they are reimbursed for expenses incurred in attending Board and committee meetings. Neither Mr. Gustafsson nor Mr. Cless receives additional compensation for service as a director.

Executive Summary - Compensation Discussion and Analysis

Our Compensation Discussion and Analysis focuses on Zebra's total rewards philosophy, the role of the Compensation Committee (for purposes of the Compensation Discussion and Analysis section, the Committee), our total compensation components, market and peer group data, and the approach used by the Committee when determining elements of the compensation package of our executive officers, including base pay, annual incentive targets and achievement, long-term equity incentive targets and performance, benefits and employment agreements.

Acquisition of Enterprise Business of Motorola Solutions, Inc.

In October 2014, Zebra acquired the Enterprise business of Motorola Solutions, Inc. The Enterprise business had approximately \$2.5 billion in net sales in 2013 when owned by Motorola Solutions, resulting in Zebra's pro forma net sales for 2013 being approximately \$3.5 billion. As a result of the acquisition and recruiting needs and changes made to executive duties arising from the acquisition, five executive officers joined Zebra in late 2014. One of these new executive officers, Joachim Heel, is a named executive officer (as defined below). Other than Mr. Heel, this Executive Summary and the Compensation Discussion and Analysis describe or refer to the compensation of our new executive officers where specifically noted.

The following executive officers' compensation is disclosed and discussed in this proxy statement (the named executive officers):

Anders Gustafsson, Chief Executive Officer
Hugh K. Gagnier, Senior Vice President, Asset Intelligence and Tracking
Joachim Heel, Senior Vice President, Global Sales
Michael C. Smiley, Chief Financial Officer
Michael H. Terzich, Senior Vice President, Chief Administrative Officer

Setting 2014 Compensation and Incentive Targets for Executive Officers

Zebra's total rewards program is designed to align our business strategy with increasing stockholder value. An important aspect of our compensation philosophy and programs is to pay competitively and reward for company and individual performance. Base pay, annual incentive and long-term equity components are determined within a pay-for-performance approach, targeted generally at market median when target performance goals are achieved. Superior performance can result in above median pay when target financial or individual performance goals are exceeded.

In designing and implementing our total compensation program for 2014, we were primarily guided by market compensation data of a peer group of publicly-traded companies, and market compensation data provided by Towers Watson from three broad-based surveys. The peer group data included: revenue, net income, market capitalization, one- and three-year revenue change, one- and three-year net income change, net profit margin, return on invested capital (ROIC), and one-, three- and five-year total stockholder return (TSR) for each of the 24 peer group companies.

Table of Contents

Zebra's executive officers' base salary compensation as of November 2013 ranged from 7.0% below to 30.2% above the consensus market median (i.e., average of the peer group and three broad-based surveys). Mr. Gustafsson's base salary was 6.2% above consensus market median. The market data for target annual cash incentive compensation indicated that our executive officers' target annual cash incentive compensation as of November 2013 ranged from 10.6% below to 26.6% above consensus market median. Mr. Gustafsson's target annual cash incentive as a percentage of base salary was 4.1% above the consensus market median. The market data for target long-term incentive equity awards indicated that our executive officers' equity compensation from the 2013 annual grant ranged from 24.9% below to 32.8% above consensus market median. Mr. Gustafsson's target long-term incentive equity award from his 2013 annual grant was 5.3% above consensus market median.

Named Executive Officer Compensation

After reviewing market data, considering our total rewards philosophy, the recommendations of the CEO with respect to executive officer compensation, and additional corporate governance issues such as a pay for performance analysis, the Board or the Committee took the following actions respect to 2014 compensation and stock ownership:

Approved increases in base salaries for all executive officers as of April 1, 2014, including the CEO's base salary, except for one executive officer whose base salary significantly exceeded the consensus market median.

Approved increases from the 2013 annual cash incentive targets as a percentage of earned base salary of 5 percentage points over the 2014 annual cash incentive targets for four of eight then executive officers. The CEO's 2014 annual cash incentive target was not increased over 2013 and remained at 100% of earned base salary.

Approved 2014 annual cash incentive award targets to be paid in March 2015 to each named executive officer based on achieving certain levels of adjusted operating income. For each named executive officer, the payout is based on achieving at least 75% of the 2014 adjusted operating income performance target, with no payout if performance is below the 75% threshold performance. Actual 2014 adjusted operating income was \$222,104,000, representing 118.0% of the adjusted operating income performance target of \$188,200,000, resulting in a maximum (i.e., cap) payout percentage (before considering the ROIC modifier and individual performance) of 200% of the target incentive.

Reviewed the return on invested capital (ROIC) modifier for the 2014 annual cash incentive, which applied to all named executive officers. Actual 2014 ROIC was 18.2%, which exceeded the 17.00% performance target but did not exceed the 23.00% maximum performance target. As a result, the ROIC modifier did not increase or decrease the potential 2014 annual cash incentive award amounts.

In March 2014, the Committee approved performance-vested restricted stock awards that constituted 40% of the grant date fair value of the named executive officers' target equity awards, time-vested restricted stock awards that constituted 40% of the grant date fair value of the named executive officers' target equity awards, and time-vested stock appreciation rights that constituted 20% of the grant date fair value of the named executive officers' target equity awards. In April 2014, Zebra entered into an agreement to acquire the Enterprise business of Motorola Solutions, Inc. Mr. Gustafsson then recommended, and the Committee agreed, that the time-vested restricted stock awards and time-vested SARs would be granted in May as in prior years. To align the interests of Zebra officers who were designated to be granted performance-vested restricted stock awards and the interests of officers of the Enterprise business, Mr. Gustafsson also recommended, and the Committee agreed, to postpone the grant of the performance-vested restricted stock awards until after the completion of the acquisition. We completed the acquisition in October 2014 and granted the performance-vested restricted stock awards in November 2014.

The performance-vested restricted stock awards granted in November 2014 have a two-year performance period ending on December 31, 2016, and a payout based on achieving target levels of (1) net sales (weighted 60%) in 2015 and 2016 and (2) adjusted EBITDA margin (weighted 40%) in 2015 and 2016.

Approved the vesting in May 2014 of the 2011 performance-vested restricted stock awards that had a three-year performance period ended December 31, 2013. These awards vested at 62% of the target number of shares due to the achievement over the performance period of (1) a net sales CAGR (5.1%) that exceeded the 5.0% target for minimum payout established in 2011 and (2) an ROIC (28.8%) that exceeded the 14.0% target for maximum payout established in 2011.

Reviewed compliance with our stock ownership guidelines as of December 31, 2014, and as revised as of February 11, 2015, for non-employee directors and executive officers. This review showed that all directors

and named executive officers exceeded or are on track to exceed the stock ownership goals applicable to them.

Stockholders Approve Compensation of Zebra's Named Executive Officers (Say on Pay)

At Zebra's 2014 annual meeting, we conducted a stockholder advisory vote regarding the 2013 compensation of executive officers as disclosed in the 2014 proxy statement. Zebra's Board of Directors recommended stockholders approve the executive officers' compensation. The proposal was approved by 95.2% of the votes cast for the proposal plus the votes cast against the proposal.

The Committee discussed the results and determined that no changes to compensation philosophy or strategy were required or should be considered as a result of the favorable stockholder vote. While the advisory vote was positive, our Board, Compensation Committee and executive officers regularly consider changes to our total rewards programs to align our strategy to Zebra's business strategy and stockholder expectations. For example and as described above, in 2014, the grant of performance-vested restricted stock was postponed from the usual May grant to November in order to align the interests of Zebra's officers who were designated to be granted performance-vested restricted stock awards with the interests of employees of the Enterprise business who joined Zebra upon completing the acquisition.

Annual Advisory Vote on Compensation of Named Executive Officers (Say on Frequency)

Zebra holds an annual stockholder advisory vote on the compensation of our named executive officers. The next stockholder advisory vote on the frequency of stockholder advisory votes on named executive officer compensation is anticipated to be held in 2017.

Independent Compensation Committee

Only independent directors served on the Compensation Committee during 2014. Dr. Potter served as the Chair of the Compensation Committee, and Ms. Roberts and Messrs. Keyser and Smith also serving as members. None of the Compensation Committee members has ever been an officer or employee of Zebra.

Acquisition of Enterprise Business of Motorola Solutions, Inc.

In October 2014, Zebra acquired the Enterprise business of Motorola Solutions, Inc. The Enterprise business had approximately \$2.5 billion in net sales in 2013 when owned by Motorola Solutions, resulting in Zebra's pro forma net sales for 2013 being approximately \$3.5 billion. As a result of the acquisition and recruiting needs and changes made to executive duties arising from the acquisition, five executive officers joined Zebra in late 2014. Other than Mr. Heel, the Executive Summary and this Compensation Discussion and Analysis describe or refer to the compensation of our new executive officers only where specifically noted.

Our Total Rewards Philosophy

The Committee annually reviews the total rewards philosophy. Zebra's total rewards program is designed to align our business strategy with increasing stockholder value. Created with all employees in mind, our philosophy provides a holistic approach containing five inter-related dimensions that focus on the overall employment value proposition:

Total Rewards Component	Purpose of Component
Compensation	Base salary- to attract and retain employees by compensating them for the primary functions and responsibilities of the position. Annual cash incentive awards- to attract, retain, motivate and reward employees for achieving or surpassing key target performance goals at the Zebra, business unit and individual level. Long-term equity awards- to attract, retain, motivate and reward top talent for the successful creation of stockholder value.
Benefits	To attract and retain employees by providing competitive health, welfare and retirement benefits packages in order to maintain their overall health.
Work-Life and Well-Being	To attract and retain employees by providing programs that actively support and facilitate employees to achieve success at work and home through good health and wellness for body and mind.
Performance and Recognition	To attract, retain, motivate and reward employees for achievements that meet and surpass expectations.
Development and Career	To attract, retain and motivate employees by providing a learning foundation that allows employees to take charge of their career in support of business requirements.

The objectives of Zebra's total rewards approach are to:

- Increase stockholder value through long-term stock price growth.
- Maximize the financial performance of Zebra.
- Facilitate the delivery of the highest quality goods and services to our customers.
- Encourage our employees to take actions that balance short-term achievements with long-term success without excessive risk.
- Motivate behavior to attain Zebra's objectives.
- Attract, retain and reward the highest performing employees who contribute to our success.

Role of Our Compensation Committee

The Committee is comprised entirely of independent directors and assists the Board with its responsibilities regarding the total compensation of our executive officers and non-employee directors by overseeing our compensation and benefit programs. The Committee fulfills its responsibility by:

Reviewing our total rewards philosophy annually to ensure the components align with the objectives of our total rewards philosophy.

Seeking the counsel of our management team and advisors, such as that of a compensation consultant, for input and guidance.

Reviewing its charter annually to ensure its actions align with its responsibility delegated by the Board.

Fulfilling its responsibilities identified in its charter using a sound corporate governance approach that balances an appropriate level of risk tolerance with a total rewards philosophy.

Zebra's Independent Compensation Consultants

With respect to 2014, the Compensation Committee engaged Towers Watson as its independent executive compensation consultant to provide competitive peer group and executive compensation data, analysis and guidance when (1) establishing a peer group for compensation purposes, (2) setting executive officer and non-employee director compensation, and (3) reviewing performance and determining payouts with respect to performance-based awards.

The Committee has received a report from Towers Watson in which Towers Watson reported its conclusion that Towers Watson is an independent advisor to the Committee and that no conflict of interest exists with respect to the services of Towers Watson or the services rendered in 2014. In reaching this conclusion, Towers Watson reported that (1) it exclusively provides executive and director compensation consulting services to the Committee and did not provide any other services to Zebra in 2014, (2) the total amount of fees paid by Zebra to Towers Watson for services in 2014 was less than 1% of the consolidated revenue of Towers Watson for any of its most recent three fiscal years, (3) Towers Watson maintains policies and internal review procedures to identify and prevent conflicts of interest, (4) no regular member of the Towers Watson executive compensation team serving Zebra has a business or personal relationship with a member of the Committee that would create a conflict of interest, (5) no regular member of the Towers Watson executive compensation team serving Zebra owns stock of Zebra, and (6) no regular member of the Towers Watson executive compensation team serving Zebra has a business or personal relationship with an executive officer of Zebra that would create a conflict of interest.

Our Compensation Approach

In designing and implementing our total compensation program for 2014, we were primarily guided by market compensation data of a peer group of publicly-traded companies which our Committee views as comparable to Zebra, as well as market compensation data from three broad-based surveys. As detailed further below, the peer group companies were selected by the Committee as being within a reasonable range of similar revenue and market capitalization to Zebra, having a global business, having similar alignment with a variety of financial metrics, having a similar business model and products of a similar technical nature, and with a consideration of whether a potential peer also regards Zebra as a peer. The competitive compensation data is reviewed and utilized by the Committee when developing the design of our executive officer compensation program and setting executive compensation levels and targets.

Our Total Compensation Components

Our total compensation program includes four components: base salary, annual incentive, long-term equity incentive and employee benefits. Each component serves a particular purpose and, therefore, each is considered independent of the other components, although all four components combined provide a holistic total compensation approach within our overall total rewards philosophy in order to attract, retain, motivate, develop and reward our employees. For 2014, the Committee determined each executive officer's compensation component levels by comparing each total compensation component to market data reflective of that compensation component. The Committee did not use a targeted pay mix to allocate total compensation among these components.

The base salary, annual incentive and long-term equity incentive components are determined within a pay-for-performance approach, targeted at market median when target performance goals are achieved, and can result in

Table of Contents

superior pay when target performance goals are exceeded and/or individual performance exceeds expectations. Actual cash compensation varies based upon the attainment of financial and individual performance goals, as well as each executive officer's position, responsibilities and overall experience. The process by which individual performance goals are established and reviewed is described below under *Performance Management Process and Talent Management Review*. Employee benefits are designed with features that align with market median program offerings. The following table describes the purpose of each component and how that component is related to our pay-for-performance approach and budget:

Compensation Component	Purpose of Compensation Component	Compensation Component in Relation to Performance and Budget
Base salary	To attract and retain employees by compensating them for the primary functions and responsibilities of the position.	Any base salary increase an employee receives depends upon the employee's individual performance, and the employee's displayed skills and competencies, all established within the overall salary budget.
Annual cash incentive awards	To attract, retain, motivate and reward employees for achieving or surpassing key target performance goals at the Zebra, business unit and individual level.	Financial and individual performance determines the actual amount of the employee's annual cash incentive award. Award amounts are self-funded because they are included in Zebra's financial performance results when determining actual financial performance.
Long-term equity awards	To attract, retain, motivate and reward top talent to increase stockholder value.	The employee's past performance and future potential determines the amount of equity granted to them, established within an annual equity grant budget. Additionally, the collective performance of our employees to attain our financial goals is one of many factors influencing stock price growth resulting in wealth creation.
Employee benefits	To attract and retain employees by providing competitive health, welfare and retirement benefits packages in order to maintain their overall health.	Established within the overall employee benefit budget.

Performance Management Process and Talent Management Review

Our annual performance management process and the results of our annual talent management review are important aspects of the Committee's determination of compensation component levels and targets for our executive officers. Individual performance criteria and an executive officer's talent assessment consist of a combination of objective and subjective criteria. Individual performance goals were established for all executive officers as of January 1, 2014, and final evaluations were conducted in early 2015 under our annual performance review process.

Performance Management Process for Individual Performance Goals: At the beginning of each year, Mr. Gustafsson meets with each executive officer and discusses the executive officer's individual performance goals for the year. In general, individual performance goals for an executive officer are those strategic initiatives led by the executive officer. Mr. Gustafsson then presents each executive officer's individual performance goals to the Committee for approval. The Board of Directors and Chairman Smith work with Mr. Gustafsson to establish Mr. Gustafsson's individual performance goals for the year, though Mr. Gustafsson's performance goals for the year are not given an incentive weight within our short-term or long-term compensation programs. After the year end, Mr. Gustafsson evaluates the attainment of each individual performance goal and the executive officer's leadership and contributions in achieving the performance goal, and presents his assessment to the Committee for their review, including Mr. Gustafsson's recommended multiplier for each executive officer. The multiplier is 1.0 if the executive officer has met expectations with respect to individual performance goals, and is below 1.0 or above 1.0 to the extent the executive officer has not met, or has exceeded, individual performance goals as recommended by Mr. Gustafsson and approved by the Committee. The Board has an annual formal evaluation process led by Chairman Smith, through which it assesses the performance of Mr. Gustafsson, including determining the extent to which Mr. Gustafsson's individual performance objectives are met. For 2014 performance, Chairman Smith and Mr. Keyser communicated the results of the Board's evaluation to Mr. Gustafsson. Mr. Gustafsson communicated to

Table of Contents

each executive officer the results of his evaluation and recommendations to the Committee, as well as the Committee's discussion and decision as to the 2014 annual incentive award. The performance evaluations by Mr. Gustafsson may take into account other factors such as (1) performance of daily responsibilities; (2) particular or general contributions to the overall management of Zebra; and (3) display of behaviors against Zebra's values.

Talent Management Review: After completing the annual performance evaluations, Mr. Gustafsson presents an overall talent management review to the Board, discussing the past performance and future potential of each executive officer and each of their direct reports, including a discussion of key skills, competencies, developmental opportunities and succession plans.

Establishing Our Peer Group

As part of the Committee's annual review of the companies that comprise the peer group for executive compensation purposes, in July 2013, Towers Watson provided comparative financial and other information with respect to the then-current company peer group, as well as a group of ten companies that met the criteria Zebra uses to select its peer group and therefore could be considered as additions to the Zebra peer group. Towers Watson also reviewed the 16 companies that are included in the peer group used by ISS for its own analyses. Current and prospective members of Zebra's peer group are evaluated along the following factors: annual revenues (0.5x to 2.0x Zebra), market capitalization (0.5x to 2.0x Zebra), similarity of alignment of a variety of financial metrics, global presence, similarity of business model, having products of a similar technical nature, and whether a potential peer also regards Zebra as a peer. Towers Watson recommended that the Committee remove two companies from Zebra's peer group because one company had been acquired and another had agreed to be acquired. Towers Watson also recommended three additions to the peer group.

The Committee reviewed the peer group membership and recommended changes. The Committee then approved the removal from the peer group of Power One Inc. due to the completion of its acquisition. The Committee also approved the addition to the peer group of Netgear, Inc., FEI Company and Plantronics, Inc., resulting in a new peer group for 2014 compensation purposes of 24 companies. This new peer group is set forth in the table below.

Zebra's Peer Group for 2014 Compensation Purposes		
Arris Enterprises, Inc.	Finisar Corp.	Netgear, Inc.
Brady Corp.	FLIR Systems, Inc.	Plantronics, Inc.
Checkpoint Systems, Inc.	Intermec, Inc.	Polycom, Inc.
Ciena Corporation	Itron, Inc.	ScanSource, Inc.
Coherent, Inc.	KEMET Corp.	Teradata Corp.
Dolby Laboratories, Inc.	KLA-Tencor Corp.	Teradyne, Inc.
Electronics for Imaging, Inc.	LAM Research Corp.	Trimble Navigation, Ltd.
FEI Company	Logitech International	Waters Corp.

In November 2013 Towers Watson provided comparative financial and stock market performance data about each peer group member, including:

annual revenue (15 companies larger than Zebra);

net income (7 companies larger than Zebra);

current market value (9 companies larger than Zebra)

one-year revenue percentage change (10 companies higher than Zebra);

three-year revenue percentage change (13 companies higher than Zebra);

one-year net income percentage change (7 companies higher than Zebra, not meaningful for 10 companies);

three-year net income percentage change (2 companies higher than Zebra, not meaningful for 12 companies);

net profit margin (9 companies higher than Zebra);

ROIC (4 companies higher than Zebra);

one-year total stockholder return as of October 24, 2013 (10 companies higher than Zebra);
three-year total stockholder return as of October 24, 2013 (10 companies higher than Zebra); and
five-year total stockholder return as of October 24, 2013 (14 companies higher than Zebra).

This information assists the Committee in assessing Zebra's relative size and performance against all peer group companies. This information offers a perspective on the appropriateness of the peer group membership for purposes of Zebra's executive compensation and how well Zebra, and therefore its executive officers, are performing vis-a-vis peer group members.

Peer Group and Broad-Based Survey Executive Compensation Data

For 2014 compensation purposes, in November 2013, Towers Watson presented to the Committee compensation data regarding compensation of executive officers holding similar positions in our peer group and in technology and other industries. The compensation data sources used by Towers Watson consisted of compensation data from our peer group of 24 companies, a proprietary survey from Towers Watson (reflecting data from companies with annual revenues less than \$3 billion), and the Radford Executive Survey (reflecting data from high technology companies with annual revenues between \$500 million and \$2 billion).

From these sources, Towers Watson compiled market-based compensation data at the 25th percentile, median and 75th percentile levels for each of these four sources, as well as consensus (i.e., average) compensation data, for base salaries, annual cash incentive awards, long-term equity awards and total direct compensation (the sum of base salaries, annual cash incentive awards and long-term equity awards) for individual executive officer positions.

Base Salary. The market compensation data indicated that our individual executive officers' base salary compensation as of November 2013 ranged from 7.0% below to 30.2% above the consensus market median. The market data indicated that Mr. Gustafsson's base salary was 6.2% above consensus market median.

Target Annual Cash Incentive Compensation. The market data for target annual cash incentive compensation indicated that our individual executive officers' target annual cash incentive compensation as a percent of base salary as of November 2013 ranged from 5 percentage points below to six percentage points above consensus market median. In addition, the target annual cash incentive compensation in absolute dollar terms ranged from 10.6% below to 26.6% above consensus market median. The market data indicated that Mr. Gustafsson's target annual cash incentive as a percentage of base salary was three percentage points below the consensus market median and his target annual cash incentive compensation in absolute dollar terms was 4.1% above median.

Long-Term Incentive Equity Award. The market data for target long-term incentive equity awards indicated that our executive officers' equity compensation from the 2013 annual grant ranged from 24.9% below to 32.8% above consensus market median. Mr. Gustafsson's target long-term incentive equity award from his 2013 annual grant was 5.3% above consensus market median.

Recommendations by CEO Regarding 2014 Compensation

In connection with establishing the compensation of executive officers (other than the CEO) for 2014, Mr. Gustafsson reviewed the competitive executive compensation data described above. Mr. Gustafsson also reviewed the historical compensation of each of the executive officers, including base salary, target and actual annual cash incentive awards, and the grant date fair value of prior equity awards granted to each executive officer. Mr. Gustafsson presented, and the Committee reviewed, Mr. Gustafsson's compensation recommendations regarding each executive officer at the February 2014 meeting of the Committee.

2014 Base Salaries. Each executive officer has a base salary which is established by the Committee (or, in the case of Mr. Gustafsson, the Board). For 2013, no executive officer base salaries were increased in light of the expected challenging economic and budget environment in 2013 and Mr. Gustafsson's recommendation that more emphasis on incentive pay would help drive growth in 2013. For 2014, Mr. Gustafsson recommended that the base salaries of all executive officers as of April 1, 2014, (except one be increased from 2013. Mr. Heel joined Zebra on September 15, 2014, and his salary reflected in the table

Table of Contents

below is his salary as set forth in his employment agreement. Mr. Gustafsson also recommended, as further described below, that the Committee consider approving increases in the target annual cash incentive award of four of the eight executive officers (other than Mr. Gustafsson). The Committee discussed Mr. Gustafsson's recommendations and approved the recommended base salaries of the executive officers for 2014. The Committee also recommended to the Board that Mr. Gustafsson's 2014 base salary, which had remained at \$800,000 since 2012, be increased to \$850,000. The Board considered the Committee's recommendation and approved the increase in Mr. Gustafsson's base salary.

Our named executive officers' annual base salaries are included in the following table:

Named Executive Officer	2012 Salary	2013 Salary	2014 Salary	Percentage Increase	Effective Date
Anders Gustafsson	\$800,000	\$800,000	\$850,000	6.25%	4/1/2014
Hugh K. Gagnier	\$373,500	\$373,500	\$380,970	2.00%	4/1/2014
Joachim Heel	N/A	N/A	\$450,000	N/A	9/15/2014
Michael C. Smiley	\$381,600	\$381,600	\$396,864	4.00%	4/1/2014
Michael H. Terzich	\$338,000	\$338,000	\$344,760	2.00%	4/1/2014

2014 Target Annual Cash Incentive Awards. Each executive officer has a target annual cash incentive award, which is established by the Committee (or, in the case of Mr. Gustafsson, the Board) and set as a percentage of base salary. As noted above, Mr. Gustafsson recommended that the Committee consider approving increases (other than for Mr. Gustafsson) in the target annual cash incentive award of four of eight executive officers as of April 1, 2014. Mr. Heel joined Zebra on September 15, 2014, and his target annual cash incentive salary reflected in the table below is the incentive set forth in his employment agreement.

Except for Mr. Heel, who joined Zebra on September 15, 2014, the Committee reviewed the market data, discussed each executive officer's performance with Mr. Gustafsson and assessed each executive officer's target annual incentive in terms of both a percentage of base salary and in absolute dollar amounts in comparison to the market data. As a result, the 2014 target annual and maximum incentive percentages for named executive officers were established as follows:

Named Executive Officer	2012 Target	2012 Maximum	2013 Target	2013 Maximum	2014 Target	2014 Maximum
	Annual Cash Incentive	Annual Cash Incentive	Annual Cash Incentive	Annual Cash Incentive	Annual Cash Incentive	Annual Cash Incentive
Anders Gustafsson	100%	200%	100%	200%	100%	200%
Hugh K. Gagnier	60%	120%	65%	130%	70%	140%
Joachim Heel	N/A	N/A	N/A	N/A	75%	150%
Michael C. Smiley	65%	130%	75%	150%	75%	150%
Michael H. Terzich	60%	120%	65%	130%	70%	140%

The target annual cash incentive awards for 2014 had the effect of moving the two officers closer to the market median. The actual annual incentive awards that would be payable to each executive officer is calculated as a percentage of the officer's eligible compensation defined as base salary earned during the calendar year.

Performance Goals under the 2014 Annual Cash Zebra Incentive Plan

The 2014 Zebra Incentive Plan (ZIP) provided for an annual cash incentive award based on the achievement of financial and individual performance goals during 2014. All named executive officers participated in the ZIP. Two executive officers who joined Zebra upon completion of the acquisition of the Enterprise business participated in the 2014 Enterprise Incentive Plan (EIP) adopted by the Board on October 20, 2014. The EIP was established pursuant to the Employee Matters Agreement between Zebra and Motorola Solutions. The ZIP contained an initial

Table of Contents

financial performance goal for executive officers, which is intended to qualify the ZIP awards as performance-based compensation under Section 162(m) of the Internal Revenue Code. Qualified performance-based compensation is fully tax deductible by Zebra as compensation under the Internal Revenue Code. The initial financial performance goal was positive Zebra income from operations, which was applied before any additional financial or individual performance goals were applied. Under this goal, the ZIP award amount for the Chief Executive Officer could not exceed 1.5% of positive Zebra adjusted income from operations or exceed 0.5% of positive Zebra adjusted income from operations for each other executive officer.

Additional financial performance goals were established for the purpose of exercising negative discretion under the ZIP. For the 2014 ZIP, Zebra's adjusted income from operations was established as a financial performance goal with specific performance targets established for threshold, target and maximum payouts. The threshold and maximum performance payout percentages were 50% and 200%, respectively. Achievement below the threshold would result in a 0% payout percentage. Achievement of adjusted income from operations performance levels, modified as described below by ROIC performance, was weighted 100% at each executive officer's 2014 target annual cash incentive award. The initial amount earned, however, could be modified by the Board (for Mr. Gustafsson) or Committee (for all other executive officers) as a result of individual performance goal achievement.

Each executive officer's 2014 annual cash incentive under the ZIP, including Mr. Gustafsson's, was subject to an ROIC modifier. As shown below in a table, if the ROIC target range were achieved, the annual cash incentive amount would not be modified. If the ROIC target range were exceeded, the annual cash incentive amount would be increased by 10%. If the ROIC target range were not achieved, the annual cash incentive amount would be reduced by 10% or 100% depending upon the level of ROIC achievement in relation to the target range. The ROIC modifier may not increase an incentive award beyond a maximum 200% award payment.

Individual Performance Goals under the ZIP: As described above under *Performance Management Process and Talent Management Review*, each executive officer's 2014 annual cash incentive award could be modified by the achievement of individual performance goals. These goals varied by executive officer as recommended by Mr. Gustafsson and approved by the Committee and, with respect to Mr. Gustafsson, as established by the Board. Mr. Gustafsson presents his performance assessment relative to individual performance goals and proposed incentive award recommendations to the Committee for their review and approval regarding goal attainment and approval of annual incentive award amounts.

2014 Financial Performance Goals and Performance Targets: The 2014 financial performance goals and performance targets, as well as the threshold, target, maximum and actual results are reflected in the following three tables:

Adjusted Income from Operations	Income from operations for the applicable period, adjusted to remove non-recurring charges, as applicable. ¹	75% of adjusted operating income target (\$141,100,000) Award is 50% of target incentive	100% of adjusted operating income target (\$188,200,000) Award is 100% of target incentive	115% of adjusted operating income target (\$216,400,000) Award is 200% of target incentive
Return on Invested Capital	Net Operating Profit After Tax (NOPAT) for 2014 divided by Invested Capital where (a) NOPAT = Adjusted Income from Operations x (1-budgeted tax rate) and (b) Invested Capital = total assets minus (cash and cash equivalents, current and long-term investments and marketable securities, and non-interest-bearing current liabilities), and which is calculated as the average Invested Capital reflected on five balance sheets (end of Q4 2013 and each of Q1-Q4 2014).	12.00-16.99% Award reduced by 10%	17.00% to 22.99% Award amount unchanged	Performance: At or above 23.00% Award increased by 10% but may not exceed 200% of target incentive

¹ Non-recurring charges specifically include such expense items as (i) one-time charges, non-operating charges or expenses incurred that are not under the control of operations management, as approved by the Committee; (ii) restructuring expenses; (iii) exit expenses; (iv) acquisition, integration and divestiture expenses; (v) Board of Directors projects (e.g., director searches); (vi) gains or losses on the sale of assets; (vii) acquired in-process technology; (viii) impairment charges; and (ix) changes in GAAP. The above list is not exhaustive and is meant to represent examples of the kind of expenses typically excluded from the calculations of Income from Operations. Acquisitions: generally, for the first quarter beginning at least six months after an acquisition closes, the financial targets will be adjusted to incorporate the acquired company's budget or financial plan. The reported financial performance will also be adjusted to include the acquired company's actual performance for the first quarter beginning at least six months after an acquisition closes.

² Performance below 75% of adjusted operating income performance target (i.e., threshold performance) or performance below the 12.00% ROIC performance threshold results in a 0% payout. Performance between the stated performance levels is interpolated on a straight line basis.

¹ Performance less than threshold results in no payout.

The amount of each of the named executive officers' actual incentive award under the 2014 ZIP depended upon the level of attainment of the adjusted operating income and ROIC financial performance goals and attainment of individual performance goals. For Messrs. Gustafsson, Gagnier, Heel, Smiley and Terzich, the incentive award amounts are calculated based on 2014 adjusted operating income performance of 118.0% of target, which resulted in a payout percentage of 200% of each named executive officer's target incentive. Our 2014 ROIC performance of 18.2% met the performance target range and therefore did not result in any change in the incentive amount. Mr. Gustafsson then assessed the individual performance of each executive officer, which included weighting strategic priorities and applying a discretionary modifier (either up or down not exceeding 5%) to determine the recommended incentive award for each executive officer. Because the maximum payout percentage was achieved under the 2014 ZIP, and given the significantly increased workloads in 2014 arising from the acquisition of the Enterprise business, Mr. Gustafsson recommended that each executive officer's incentive amount be paid out at 200% of target. The Compensation Committee then reviewed and approved the actual incentive award payouts.

The amount of the two executive officers' actual incentive award under the 2014 EIP depended upon the level of attainment of the net sales financial performance goal for the fourth quarter of 2014, which included the period commencing when Zebra acquired the Enterprise business on October 27, 2014. The incentive award amounts are calculated based on 2014 fourth quarter net sales of 108.4% of target, which resulted in a payout percentage of 140% of these two executive officer's target incentive. Because the maximum payout percentage was achieved under the 2014 EIP, Mr. Gustafsson recommended that each executive officer's incentive amount be paid out at 140% of target. The Compensation Committee then reviewed and approved the actual incentive award payouts.

2014 Long-Term Equity Incentive Awards. Each executive officer has a target annual long-term equity award, which is established by the Committee after receiving the recommendation of Mr. Gustafsson. The Board establishes Mr. Gustafsson's target annual long-term equity award after hearing the recommendation of the Compensation Committee. The Committee believes it is important that all of our executive officers are incented to create stockholder value over a long-term investment horizon. Zebra shifted a few years ago from granting only stock options to granting time-vested stock appreciation rights (SARs), time-vested restricted stock and performance-vested restricted stock. Over the past few years we have adjusted the allocation of awards among the equity vehicles to improve alignment with Zebra's stockholders and better reflect current compensation practices in order to attract, retain, motivate, develop and reward our employees.

Utilizing the market median data information for the executive officers as a guide, Mr. Gustafsson recommended to the Committee in March 2014 long-term equity incentive awards with a specified value at grant date for each executive officer. With respect to the total value at grant date of Mr. Gustafsson's equity awards in 2014, the Committee consulted with Towers Watson and considered factors similar to those considered when determining the values at grant date of equity awards for the other executive officers. The Committee recommended to the Board, and the Board approved, a 2014 equity award to Mr. Gustafsson having a total value at grant date equal to the value at grant date of his 2013 award of \$2,500,000. The values at grant date of the 2014 awards were allocated 40% to performance-vested restricted stock, 40% to time-vested restricted stock and 20% to time-vested SARs for Mr. Gustafsson and the named executive officers. When calculating the number of performance-vested restricted shares and time-vested restricted shares, the actual number of shares is set by dividing the grant date fair value by the

Table of Contents

closing price of our common stock on the grant date, without a reduction for the restricted nature of the shares. For time-vested SARs, the actual number of SARs is set by dividing the grant date fair value by the binomial value of a SAR.

2014 Annual Equity Grants

In March 2014, the Committee approved performance-vested restricted stock awards which constituted 40% of the grant date fair value of the named executive officers' target equity awards, time-vested restricted stock awards which constituted 40% of the grant date fair value of the named executive officers' target equity awards, and time-vested stock appreciation rights which constituted 20% of the grant date fair value of the named executive officers' target equity awards. In April 2014, Zebra entered into an agreement to acquire the Enterprise business of Motorola Solutions, Inc. Mr. Gustafsson then recommended, and the Committee agreed, that the time-vested restricted stock awards and time-vested SARs would be granted in May as in prior years. To align the interests of Zebra officers who were designated to be granted performance-vested restricted stock awards and the interests of officers of the Enterprise business, Mr. Gustafsson also recommended, and the Committee agreed, to postpone the grant of the performance-vested restricted stock awards until after the completion of the acquisition. We completed the acquisition in October 2014 and granted the performance-vested restricted stock awards in November 2014. Two executive officers who joined Zebra in 2014 prior to completing the acquisition were granted time-vested restricted stock and time-vested SARs upon commencing employment and were granted performance-vested restricted stock awards in November 2014. The two executive officers who joined Zebra upon the completion of the acquisition were granted time-vested restricted stock awards and performance-vested restricted stock awards in November 2014 to replace equity awards granted by Motorola Solutions that were forfeited as of the closing of the acquisition.

Performance-Vested Restricted Stock. The performance-vested restricted stock awards granted in November 2014 have a two-year performance period ending on December 31, 2016, and a payout based on achieving target levels of (1) net sales (weighted 60%) in 2015 and 2016 and (2) adjusted earnings before interest, taxes, depreciation and amortization (EBITDA) margin (weighted 40%) in 2015 and 2016. A separate calculation of actual achievement is made for each performance goal. Achievement of the 2015 net sales performance target would result in the banking of 30% of the target number of shares under an award; achievement of the 2015 adjusted EBITDA margin performance target would result in the banking of 20% of the target number of shares under an award. After the two-year performance period, the number of shares of restricted stock that are eligible to vest on May 15, 2017, will be the greater of either the total number of banked shares or the number of shares earned based upon the achievement of the 2016 net sales performance target and the 2016 adjusted EBITDA margin performance target as set forth in the table below:

Performance Goals	Performance Threshold ¹	Performance Target	Performance Maximum
Net Sales in 2016	30% of target shares vest	60% of target shares vest	108% of target shares vest
Adjusted EBITDA Margin in 2016	20% of target shares vest	40% of target shares vest	72% of target shares vest

¹ Performance in 2016 in between the stated performance levels is interpolated on a straight line basis.

Table of Contents

The net sales performance targets for 2015 and 2016 (i.e., performance targets) were set based upon management's net sales and adjusted EBITDA margin forecasts for each year when analyzing the combination of Zebra with the Enterprise business of Motorola Solutions. The 2016 net sales performance threshold is 3% below the 2016 net sales performance target; the 2016 net sales performance maximum is 3% above the 2016 net sales performance target. The 2016 adjusted EBITDA margin performance threshold is two percentage points below the 2016 adjusted EBITDA margin performance target; the 2016 adjusted EBITDA margin performance maximum is two percentage points above the 2016 adjusted EBITDA margin performance target.

The number of shares of performance-vested restricted stock that could vest for each of the named executive officers is as follows.

2014 Performance-Vested Restricted Shares Granted

Three-Year Vesting Period for Time-Vested Restricted Stock: To provide a significant long-term perspective and retention incentive, the Committee determined that the time-vested restricted stock awards for executive officers, including Mr. Gustafsson, would vest 100% on May 8, 2017 (for Mr. Heel, September 15, 2017), the third anniversary of the grant date.

Base Price and Vesting Period of Time-Vested SARs: The actual base (or exercise) price of the SARs was set using the closing price of our common stock on the May 8, 2014 (for Mr. Heel, September 15, 2014). Consistent with recent annual equity grant award terms, the Committee determined that the SAR awards for executive officers, including Mr. Gustafsson, would vest 25% on the first four anniversaries of the grant date, or each May 8 beginning 2015, and would expire on May 8, 2024 (for Mr. Heel, on each September 15 beginning 2015, and would expire on September 15, 2014).

Restricted Stock that Vested in 2014

Performance-Vested Restricted Stock: On May 5, 2011, Zebra granted the named executive officers performance-vested restricted stock with a three-year performance period ending December 31, 2013. The 2011 performance-vested restricted stock awards vested on May 5, 2014, at 62% of target. The grants had a performance target of 7.5% compounded annual growth rate of total net sales (CAGR) in 2013 over 2010 total net sales of \$894,359. The total net sales CAGR threshold (i.e., minimum) for the three-year performance period was 5.0%, and the total net sales CAGR maximum was 10.0%. Total net sales for 2013 were \$1,038,159, resulting in a total net sales CAGR of 5.1% for the three-year period, which exceeded the threshold performance target. As a result of exceeding the threshold total net sales CAGR but failing to meet the target total net sales CAGR, the target number of shares granted in 2011 was decreased by 48%. In addition, the maximum return on invested capital (ROIC) modifier (i.e., 14.0%) for the three-year performance period was exceeded (i.e., three-year average was 28.8%), resulting in a 20% increase in the number of shares vested pursuant to the total net sales CAGR performance goal (i.e., 62% of target shares vested). Although share price was not a performance goal under the grants, during the three-year period from the May 5, 2011 grant date until the vesting date on May 5, 2014, the stock price rose from \$41.57 per share to \$72.20 per share.

Time-Vested Restricted Stock: In May 2011, Zebra granted the named executive officers time-vested restricted stock with three-year cliff vesting in May 2014. In addition, in May 2010, the Board approved the grant to Mr. Gustafsson of an award of time-vested restricted stock as to which 25% of the 2010 award (i.e., 11,233 shares) vested in May 2014. During the three-year period from the May 5, 2011 grant date until the vesting date on May 5, 2014, the stock price rose from \$41.57 per share to \$72.20 per share. During the four-year period from the May 6, 2010 grant date to Mr. Gustafsson until the vesting date on May 6, 2014, the stock price rose from \$27.82 per share to \$73.98 per share. Set forth below is the number of shares of time-vested restricted stock that vested for each named executive officer, including the value of the shares on the vesting date.

Employee Benefits Component: Our executive officers are also eligible to participate in various benefit programs offered generally to Zebra's U.S. salaried employees, such as our health plans and group disability and life insurance plans. We provide a 401(k) plan to eligible employees with a company match, and also provide a non-qualified deferred compensation plan for highly compensated employees in which Zebra does not provide for company contributions. We generally do not provide other long-term compensation plans, supplemental executive retirement plans or a defined benefit pension plan. We have not historically provided any perquisites.

Zebra also provides a supplemental executive disability policy for executives to replace the difference between what the group disability policy provides and the 60% earnings replacement cap under the group policy. Zebra pays for the supplemental executive disability coverage and the covered executive is taxed on this benefit, which amount is then reimbursed to the executive.

Our Executive Officer Employment Agreements

Each executive officer has an employment agreement, addressing matters such as compensation (including base salary, annual cash incentive awards, long-term equity awards and employee benefit), termination of employment, non-competition and/or non-solicitation provisions. We believe that providing an employment agreement facilitates the attraction of high performing and high potential executive officers by providing them a minimum level of total compensation. We also believe the employment agreements provide a minimum level of assurance in the event of a

Table of Contents

termination of employment in connection with a change in control, for good reason by the executive officer, or by Zebra without cause, as defined in each executive officer's employment agreement and summarized under Executive Compensation – Employment Agreements.

The various components of total compensation as reflected within the employment agreements are reviewed on an annual basis by the Committee as described within this Compensation Discussion and Analysis. All other provisions of the employment agreements are established at the onset of the employee being appointed as an executive officer and are reviewed and updated on an as needed basis.

Specific to the non-compete and/or non-solicitation provisions, we believe these provisions align with our desire to protect the company and the stockholders from negative actions that could be caused by an executive officer who joins a competitor and engages in activities that could result in competitive harm to Zebra or our customers.

We believe that the severance amounts as reflected under Potential Payments upon Termination of Employment are fair and reasonable in order to allow the executive officer to transition from Zebra with minimal disruption to our overall business and, in the event of a change in control, to help secure the continued employment and dedication of our executive officers, notwithstanding any concern they may have regarding their own employment.

Tax Effects

Compliance with Section 162(m). Section 162(m) of the Internal Revenue Code provides that compensation paid to named executive officers (other than our chief financial officer) in excess of \$1,000,000 cannot be deducted for federal income tax purposes unless such compensation is performance-based, is established by an independent committee of directors, is objective and the plan or agreement providing for such performance-based compensation has been approved in advance by our stockholders. The Committee structures compensation to take advantage of the performance-based compensation exemption under Section 162(m) to the extent practicable, while satisfying Zebra's compensation policies and objectives. If in the judgment of our Committee the benefits to Zebra of a compensation program that does not satisfy the conditions of Section 162(m) outweigh the costs to Zebra of the failure to satisfy these conditions, the Committee may adopt such a program.

Table of Contents**Executive Compensation**

The following table summarizes the compensation earned during 2014, 2013 and 2012 by our Chief Executive Officer, our Chief Financial Officer and our three other most highly compensated executive officers as of December 31, 2014. We refer to these five executive officers as the named executive officers.

(1) The amounts reflect the aggregate grant date fair value, computed in accordance with Financial Accounting Standards Codification Topic 718, Compensation – Stock Compensation, of restricted stock and stock appreciation rights (SAR) granted in 2014, 2013 and 2012. The amounts included in this column include the grant date fair value of time-vested restricted stock and SARs, as well as performance-vested restricted stock, which is calculated based on the probable satisfaction of the performance conditions for such awards. If the highest level of performance is achieved for the performance-vested restricted stock granted in 2014, the grant date fair value of all stock awards would be as follows: Mr. Gustafsson \$3,197,060; Mr. Gagnier \$895,275; Mr. Heel \$1,508,628; Mr. Smiley \$959,079; and Mr. Terzich \$966,663. Please see Note 18, Equity-Based Compensation, of Zebra's consolidated financial statements included in Zebra's Annual Report on Form 10-K for the year ended December 31, 2014, for a discussion of assumptions made in calculating the aggregate grant date fair value of these awards.

(2) The amounts in this column reflect the annual incentive compensation earned under Zebra's annual incentive plan.

(3) All other compensation for 2014 consists of 401(k) matching contributions (Mr. Gustafsson \$5,477; Mr. Gagnier \$414; Mr. Heel \$1,813; and Mr. Smiley \$2,587); life insurance premiums (Mr. Gustafsson - \$600; Mr. Gagnier - \$600; Mr. Heel - \$150; Mr. Smiley - \$600; and Mr. Terzich - \$600); a tax gross up in connection with income recognized for long-term disability premiums paid by Zebra (Mr. Gustafsson - \$8,813; Mr. Gagnier - \$5,159; Mr. Heel - \$0; Mr. Smiley - \$3,572; and Mr. Terzich - \$3,255); Zebra paid executive long-term disability insurance premiums (Mr. Gustafsson \$11,997); and relocation benefits (Mr. Heel \$16,588).

(1) See Compensation Discussion and Analysis for additional discussion of Zebra's 2014 annual incentive plan and equity awards.

(2) The amounts in this column represent potential earnings under the 2014 annual incentive plan. The threshold, target and maximum amounts are based on a percentage of incentive eligible compensation. The amount earned was subject to attaining levels of achievement of financial performance goals and, other than for the chief executive officer, individual performance goals as described in the Compensation Discussion and Analysis. If the threshold performance target is not met, the annual incentive award is \$0. At threshold performance, 50% of the target incentive will be earned. At target performance, 100% of the target incentive will be earned. At maximum performance, 200% of the target incentive will be earned. As described in Compensation Discussion and Analysis, return on invested capital (ROIC) acted as a modifier of the amount earned under the performance goals; however, pursuant to the terms of the plan, the ROIC modifier cannot increase the financial performance component of the incentive award beyond a maximum 200% award payment for the financial performance component. The actual amounts earned in respect of 2014 are reported in the summary compensation table.

(3) The target column represents the number of shares of performance-vested restricted stock granted on November 6, 2014. These awards would vest on May 15, 2017, have a two-year performance period ending on December 31, 2016, and a payout based on achieving target levels of (1) net sales (weighted 60%) in 2015 and 2016 and (2) adjusted earnings before interest, taxes, depreciation and amortization (EBITDA) margin (weighted 40%) in 2015 and

2016. A separate calculation of actual achievement is made for each performance goal. Achievement of the 2015 net sales performance target would result in the banking of 30% of the target number of shares under an award; achievement of the 2015 adjusted EBITDA margin performance target would result in the banking of 20% of the target number of shares under an award. After the two-year performance period, the number of shares of restricted stock that are eligible to vest on May 15, 2017, will be the greater of either the total number of banked shares or the number of shares earned based upon the achievement of the 2016 net sales performance target and the 2016 adjusted EBITDA margin performance target as set forth in the table below:

Table of Contents

Performance Goals	Performance Performance Performance		
	Threshold	Target	Maximum
Net Sales in 2016	30% of target shares vest	60% of target shares vest	108% of target shares vest
Adjusted EBITDA Margin in 2016	20% of target shares vest	40% of target shares vest	72% of target shares vest

Performance in 2016 in between the stated performance levels is interpolated on a straight line basis. The net sales performance targets for 2015 and 2016 (i.e., performance targets) were set based upon management's net sales and adjusted EBITDA margin forecasts for each year when analyzing the combination of Zebra with the Enterprise business of Motorola Solutions. The 2016 net sales performance threshold is 3% below the 2016 net sales performance target; the 2016 net sales performance maximum is 3% above the 2016 net sales performance target. The 2016 adjusted EBITDA margin performance threshold is two percentage points below the 2016 adjusted EBITDA margin performance target; the 2016 adjusted EBITDA margin performance maximum is two percentage points above the 2016 adjusted EBITDA margin performance target. If the performance thresholds are not achieved, 0% of the shares vest. The threshold column represents the number of shares that would vest if both performance thresholds are attained. The maximum column represents the number of shares that would vest if both performance maxima are attained. Except for Mr. Gustafsson, if an executive officer's employment is terminated by reason of death or disability prior to December 31, 2016, the vesting of these awards will accelerate at the target number of shares. Except for Mr. Gustafsson, if an executive officer's employment is terminated by reason of death or disability on or after December 31, 2016, but before May 15, 2017, or by the officer by reason of retirement or by Zebra other than for cause at any time during the performance period, the vesting of these awards will be determined in accordance with the performance-based vesting goals, with pro rata vesting in the case of retirement or termination by Zebra other than for cause. If an executive officer's employment is terminated for any reason other than death, disability, by the officer by reason of retirement or by Zebra other than for cause, the shares of restricted stock will be forfeited. Mr. Gustafsson's employment is terminated by reason of death, disability, by Mr. Gustafsson for good reason or by Zebra other than for cause, the number of vested shares will be the target number of shares prorated based on days elapsed from November 6, 2014, to the date of termination of employment (unless otherwise determined by the Board or the Compensation Committee). If Mr. Gustafsson's employment is terminated for any reason other than death, disability, by Mr. Gustafsson for good reason or by Zebra other than for cause, the shares of restricted stock will be forfeited. For performance-vested restricted stock awards, if a change in control involves stockholders receiving consideration consisting of publicly traded common stock, and if the restricted stock agreement is assumed or a provision is made for the continuation of the restricted stock agreement, then there will be a substitution of the common stock into which Zebra common stock is converted in the change in control and the target number of shares of restricted stock will vest. If a change in control does not involve stockholders receiving publicly traded common stock, then there will be a cash payment to the holder representing the value of the target number of shares of restricted stock. The definitions of change in control, good reason and cause are summarized under Employment Agreements below.

- (4) Represents shares of time-vested restricted stock granted on May 8, 2014 (for Mr. Heel, September 15, 2014). These awards vest 100% on May 8, 2017 (for Mr. Heel, September 15, 2017). Dividends are not paid on our common stock. The vesting of these awards will be accelerated in full upon a termination of employment by reason of death or disability, and accelerated pro rata upon a termination by reason of retirement, resignation for good reason, or termination by Zebra without cause, except that for Mr. Gustafsson the number of vested shares would be prorated based on days elapsed from the grant date to the date of termination of employment (unless otherwise determined by the Board or the Compensation Committee). For all executive officers, (1) if a change in control involves stockholders receiving consideration consisting of publicly traded common stock, and if the restricted stock award agreement is assumed or a provision is made for the continuation of the agreement, then there

will be a substitution of the common stock into which Zebra common stock is converted in the change in control and the restricted stock award agreement will continue in accordance with its terms and (2) if a change in control does not involve stockholders receiving publicly traded common stock, then there will be a cash payment to the holder representing the value of the shares of restricted stock.

(5)

Represents the number of shares underlying SAR awards granted on May 8, 2014 (for Mr. Heel, September 15, 2014). SARs become exercisable in 25% increments on each of the first four anniversaries of the grant date and expire on the tenth anniversary of the grant date. For all awards held by executive officers other than Mr. Gustafsson, (i) upon termination of employment by reason of death or disability, the unvested portion will vest in full and the SAR will remain exercisable until the earlier of the expiration date or one year after the termination of employment; (ii) upon retirement, any unexercised vested portion will remain exercisable until the earlier of the expiration date or one year after retirement; (iii) upon termination for cause, the SAR will be forfeited; and (iv) upon termination for any other reason, any unexercised vested portion will remain exercisable until the earlier of the expiration date or (a) 90 days after termination if terminated by Zebra and (b) 30 days after termination if termination is voluntary. For Mr. Gustafsson, upon termination of employment (i) by reason of his death, disability, resignation for good reason, or termination by Zebra without cause, the SAR will vest pro rata based on the number of days from the grant date through and including the date of termination of employment, giving credit for any SARs vested prior to termination of employment, and the SAR will remain exercisable until the earlier of the

Table of Contents

expiration date or one year after his termination of employment due to death or disability or 90 days after his termination of employment by reason of resignation for good reason or termination by Zebra without cause; (ii) upon retirement, any unexercised vested portion will remain exercisable until the earlier of the expiration date or one year after retirement; (iii) upon termination for cause, the SAR will be forfeited; and (iv) upon termination for any other reason, any unexercised vested portion will remain exercisable until the earlier of the expiration date or 30 days after his termination of employment. For all executive officers, (1) if a change in control involves stockholders receiving consideration consisting of publicly traded common stock, and if the SAR agreement is assumed or a provision is made for the continuation of the SAR agreement, then there will be a substitution of the common stock into which Zebra common stock is converted in the change in control and the SAR will continue in accordance with its terms and (2) if a change in control does not involve stockholders receiving publicly traded common stock, then there will be a cash payment to the holder representing the difference between the value of a share on the date of the transaction over the base price of the SAR.

(6) The base price equals the closing market price of our common stock on the date of grant.

(7) The amounts included in this column were determined in accordance with Financial Accounting Standards Codification Topic 718, Compensation – Stock Compensation and, in the case of performance-vested restricted stock awards, are calculated based on the probable satisfaction of the performance conditions. Please see Note 18, Equity-Based Compensation, of Zebra’s consolidated financial statements included in Zebra’s Annual Report on Form 10-K for the year ended December 31, 2014, for a discussion of assumptions made in calculating the aggregate grant date fair value of these awards.

Table of Contents**Non-Qualified Deferred Compensation**

Pursuant to Zebra's non-qualified deferred compensation plan, a named executive officer may defer, on a pre-tax basis, up to 80% of his base salary and annual incentive award. Deferred compensation balances are credited with gains or losses which mirror the performance of benchmark investment funds selected by the participant under the plan. All credited amounts are unfunded general obligations of Zebra, and participants have no greater rights to payment than any unsecured general creditor of Zebra.

The value of a participant's account changes based upon the performance of a participant's selected benchmark investment funds. Account balances are paid either in a lump sum or in annual installments. The plan permits payment upon, among other things, a termination of employment or a change in control of Zebra. Zebra does not make contributions to the plan, but pays the costs of administration.

The table below shows the funds available under the plan and the 2014 rates of return.

Employment Agreements

Zebra has employment agreements with each of the named executive officers. Mr. Gustafsson's employment agreement is substantially the same as the agreements of Messrs. Gagnier, Heel, Smiley and Terzich, except as described below.

Messrs. Gagnier, Heel, Smiley and Terzich. Messrs. Gagnier, Heel, Smiley and Terzich are entitled to annual base salaries and are eligible to earn targeted annual incentive awards under Zebra's annual incentive plan. Eligibility to receive equity-based compensation is determined in the sole discretion of the Compensation Committee.

Table of Contents

If the officer terminates his employment for good reason or Zebra terminates his employment without cause and under circumstances other than death or disability, the officer will be entitled to (i) a severance payment equal to one-year continuation of base salary; (ii) a pro rata portion of his annual incentive for the year in which his employment terminates, if the incentive otherwise would have been earned; (iii) any unpaid previously earned annual incentive; (iv) a severance payment equal to 100% of the officer's target annual incentive for the year in which employment terminates; (v) outplacement services not to exceed \$32,000; and (vi) the continuation of coverage under Zebra's medical and dental insurance plans, with Zebra contributing to the cost of such coverage at the same rate Zebra pays for health insurance coverage for its active employees under its group health plan, until the earlier of (a) one year after the date of termination, or (b) the officer becoming eligible for coverage under another group health plan that does not impose preexisting condition limitations. Cause includes the commission, indictment or conviction of a felony or misdemeanor involving fraud or dishonesty; a material breach of the employment agreement; willful or intentional misconduct, gross negligence, or dishonest, fraudulent or unethical behavior; failure to materially comply with a direction of the Board; or breach of fiduciary duty to Zebra.

If the officer terminates employment for good reason or Zebra terminates the officer's employment without cause, and the termination occurs within 120 days immediately preceding or one year following a change in control, then the officer will be entitled to all compensation and benefits set forth in the immediately preceding paragraph, except that the officer will receive a payment equal to two times base salary in lieu of one-year salary continuation, plus two times target annual incentive in lieu of one times, which payment would be payable within 60 days following the later of the change in control or termination of employment. A change in control includes (1) an acquisition by a person or group of 35% or more of Zebra's common stock; (2) a change in a majority of the Board within a 24-month period; (3) the approval by our stockholders of a complete liquidation or dissolution of Zebra; or (4) the consummation of a reorganization, merger or consolidation of Zebra or sale or other disposition of all or substantially all of the assets of Zebra. Good reason includes a demotion to a lesser position or assignment of duties materially inconsistent with the officer's position, status or responsibilities; a material breach by Zebra of the employment agreement; or a decrease in base salary (unless applied proportionally).

If payments or benefits exceed the threshold under Section 4999 of the Internal Revenue Code and an excise tax becomes due, the officer would be entitled to a gross-up payment such that, after payment by him of all applicable taxes and excise taxes, he retains an amount equal to the amount he would have retained had no excise tax been imposed; provided, that if the threshold under Section 4999 is exceeded by 10% or less, the total payments he would be entitled to would be reduced so that no excise tax would be due. Mr. Heel is not entitled to a gross-up payment if payments exceed the 3X parachute payment threshold under the Internal Revenue Code. If the parachute payments would exceed the 3X threshold, then the payments will be cut back to an amount that is one dollar less than the threshold. However, this cut back would not be made if Mr. Heel would have more after excise tax dollars if he paid the excise tax.

Each officer is bound by non-competition and non-solicitation provisions until two years following termination, except Mr. Gagnier is bound for one year following termination. Each officer has agreed to confidentiality covenants during and after employment.

Mr. Gustafsson. Mr. Gustafsson's employment agreement provides for a minimum base salary of \$700,000, a target annual incentive equal to 100% of salary and a maximum annual incentive equal to 200% of salary.

Mr. Gustafsson's agreement also provides (i) that any decrease in Mr. Gustafsson's starting date salary permits him to terminate his employment for good reason and (ii) if Mr. Gustafsson terminates employment for good reason or Zebra terminates his employment without cause and under circumstances other than death or disability, he will not receive outplacement services, the unvested portion of non-performance-based equity awards will vest immediately (unless otherwise expressly set forth in an award agreement, such as Mr. Gustafsson's time-vested SAR and restricted stock award agreements granted in 2010, 2011, 2012, 2013 and 2014), the continuation of his salary will be for a period of two years, and, unless it is otherwise terminated, the continuation of healthcare coverage will be for a period of two years.

Table of Contents**Potential Payments upon Termination of Employment or Change in Control**

Described below are the potential payments and benefits to which the named executive officers would be entitled from Zebra under their employment agreements, their equity award agreements, and Zebra's compensation and benefit plans upon termination of employment, if such termination had occurred as of December 31, 2014. Amounts actually received would vary based on factors such as the date on which a named executive officer's employment terminates and the price of our common stock on such date. The tables exclude payments and benefits that are provided on a non-discriminatory basis to full-time salaried employees, such as accrued salary and vacation pay.

The named executive officers are not entitled to any payments or benefits as a result of a termination of employment for cause.

- (1) Under the 2014 annual incentive plan, a participant may be paid any earned incentive award amount in the event of termination by reason of retirement, but not voluntary resignation. None of the named executive officers was eligible for retirement under the 2014 annual incentive plan.
- (2) Although none of the named executive officers was age 65 as of December 31, 2014, the time-vested restricted stock awards and performance-vested restricted stock awards granted in 2013 and 2014 provide for pro rata vesting for a termination of employment by reason of retirement on or after age 65 or prior to age 65 with the approval of the Senior Vice President, Human Resources. The performance-vested restricted stock awards would vest pro rata in accordance with the performance goals.
- (3) Excludes the amount of previously earned and fully vested deferred compensation under the 2002 Deferral Plan that would become immediately payable. See **Non-Qualified Deferred Compensation** above for additional information.

- (2) Time-vested SARs accelerate vesting in full, except that Mr. Gustafsson's 2014, 2013, 2012, 2011 and 2010 time-vested SAR awards vest pro rata based on the number of days from the grant date through and including the date of termination of employment. The amounts reflect the difference between the exercise price of each SAR and the \$77.41 closing price of our common stock on The NASDAQ Stock Market on December 31, 2014, for the following number of in-the-money SARs: Mr. Gustafsson 85,358; Mr. Gagnier 23,705; Mr. Heel 8,572; Mr. Smiley 24,638; and Mr. Terzich 21,367.

(1) The named executive officers are entitled to severance equal to salary for one year and one times target incentive, except Mr. Gustafsson, who is entitled to salary for two years and one times target incentive.

(2) Under the 2014 annual incentive plan, and in accordance with the named executive officers' employment agreements, the named executive officer may be paid an earned incentive award amount in the event of termination by Zebra without cause or termination by the named executive officer for good reason. The amount assumes termination of employment at year end and is based on actual performance.

(3) Mr. Gustafsson's 2014, 2013, 2012, 2011 and 2010 time-vested SAR awards vest pro rata based on the number of days from the grant date through and including the date of termination of employment. At December 31, 2014, 80,414 in-the-money SARs held by Mr. Gustafsson would have accelerated vesting. The amount reflects the difference between the \$77.41 closing price of our common stock on The NASDAQ Stock Market on December 31, 2014, and the base price of each SAR.

(4) Time-vested restricted stock awards granted in 2012 accelerate vesting in full., except for Mr. Gustafsson, whose 2012 time-vested award would vest pro rata. Time-vested restricted stock awards granted in 2014 and 2013 to all executives and Mr. Gustafsson's 2012 and 2010 time-vested restricted stock awards, vest pro rata based on the number of days from the grant date through and including the date of termination of employment. Performance-vested restricted stock awards granted in 2013 and 2012 to executives other than Mr. Gustafsson accelerate vesting in accordance with the performance-based vesting goals. Performance-vested restricted stock awards granted in 2014 to executives other than Mr. Gustafsson accelerate vesting in accordance with the performance-based vesting goals on a pro rata basis. Because no portion of the performance period ending December 31, 2016, has been completed as of December 31, 2014, the 2014 performance-vested restricted stock awards granted to executives other than Mr. Gustafsson are reflected in the table on a pro rata basis at target performance. Mr. Gustafsson's 2014, 2013 and 2012 performance-vested restricted stock awards vest pro rata based on the number of days from the grant date through and including the date of termination of employment. The amounts reflect the \$77.41 closing price of our common stock on The NASDAQ Stock Market on December 31, 2014, for the following number of shares of restricted stock: Mr. Gustafsson 85,358; Mr. Gagnier 28,110; Mr. Heel 1,218; Mr. Smiley 29,075; and Mr. Terzich 25,525.

- (5) The named executive officers are entitled to healthcare and dental coverage for up to one year and outplacement services with a value up to \$32,000, except Mr. Gustafsson, who is entitled to healthcare and dental coverage for up to two years, but no outplacement services.
- (6) Excludes the amount of previously earned and fully vested deferred compensation under the 2002 Deferral Plan that would become immediately payable. See [Non-Qualified Deferred Compensation](#) above for additional information.

- (1) The named executive officers are entitled to the severance amounts and earned incentive award, if any, if Zebra terminates the named executive officers' employment without cause or the named executive officers terminate employment for good reason within 120 days before or one year after a change in control, commonly referred to as a double trigger. The meanings of change in control, good reason and cause are set forth under Employment Agreements above.
- (2) The named executive officers are entitled to severance equal to two times salary and target incentive.
- (3) Under the 2014 annual incentive plan, participants are entitled to any earned incentive award amount in the event of termination by Zebra without cause or, in accordance with the named executive officers' employment agreements, termination by the named executive officer for good reason in the event of a change in control. The amount assumes termination of employment at year end and is based on actual performance.
- (4) Under the 2011 Long-Term Incentive Plan (2011 LTIP), and beginning with equity awards to the named executive officers in 2012, if pursuant to a change in control of Zebra effective December 31, 2014, stockholders receive consideration consisting solely of publicly traded common stock and outstanding equity awards are assumed or provision is made for the continuation of these awards after the change in control, then such awards will continue in accordance with their terms. These awards, however, also provide that if the participant's employment is terminated by the participant for good reason or by Zebra without cause during the one-year period after the change in control, then vesting of the awards will accelerate. Because Securities and Exchange Commission rules require that we assume a termination of employment occurs concurrently with a change in control, the amounts set forth in the table includes equity awards that under the 2011 LTIP contain double trigger acceleration provisions.
- (5) The following number of unvested in-the-money SARs held by the named executive officers would be accelerated as a result of a change in control and concurrent termination of employment on December 31, 2014: Mr. Gustafsson 151,560; Mr. Gagnier 23,705; Mr. Heel 8,572; Mr. Smiley 24,638; and Mr. Terzich 21,367. The amounts reflect the difference between the \$77.41 closing of our common stock on The NASDAQ Stock Market on December 31, 2014, and the base price of each SAR.
- (6) The following total number of unvested shares of restricted stock held by the named executive officers would be accelerated as a result of a change in control and concurrent termination of employment on December 31, 2014:

Mr. Gustafsson 135,614; Mr. Gagnier 34,257; Mr. Heel 11,974; Mr. Smiley 35,659; and Mr. Terzich 32,210. For performance-vested restricted stock awards granted in 2012, the vested number of shares of restricted stock has been determined in accordance with the performance-based vesting goals, except for Mr. Gustafsson, whose 2012 award vests at target. Performance-vested restricted stock awards granted in 2014 and 2013 vest at the target number of shares. The amounts reflect the \$77.41 closing price of our common stock on The NASDAQ Stock Market on December 31, 2014.

- (7) The named executive officers are entitled to healthcare and dental coverage for up to one year and outplacement services with a value up to \$32,000, except Mr. Gustafsson, who is entitled to healthcare and dental coverage for up to two years, but no outplacement services.
- (8) Represents estimated tax gross ups on severance, accelerated options, SARs and restricted stock, and healthcare and dental benefits.
- (9) Excludes the amount of previously earned and fully vested deferred compensation under the 2002 Deferral Plan that would become immediately payable. See Non-Qualified Deferred Compensation above for additional information.

Proposal 2

Advisory Vote to Approve Compensation of Named Executive Officers

Zebra is seeking your advisory vote to approve the compensation of our named executive officers as disclosed in this proxy statement in accordance with Section 14A of the Securities Exchange Act of 1934 and the rules of the Securities and Exchange Commission. This is known as a say-on-pay proposal. At Zebra's 2014 annual meeting of stockholders, the proposal was approved by 95.2% of the votes cast for or against the proposal. At the 2011 annual meeting, our stockholders indicated a preference of holding an annual say on pay vote.

We ask our stockholders to approve the following resolution:

Resolved, that the compensation of the named executive officers of Zebra Technologies Corporation, as disclosed pursuant to Item 402 of Regulation S-K, as described in and including the Executive Summary-Compensation Discussion and Analysis, Compensation Discussion and Analysis, compensation tables and narrative discussion contained in this proxy statement, is approved by the stockholders of Zebra.

As described in detail under *Executive Summary - Compensation Discussion and Analysis* and *Compensation Discussion and Analysis*, our total rewards and executive compensation programs are designed to attract, retain, motivate, develop and reward our named executive officers, who are critical to our success. Under these programs, our named executive officers are rewarded for the achievement of specific annual, long-term and strategic goals, corporate and individual goals, and the realization of increased stockholder value.

Our Compensation Committee regularly reviews the compensation programs for our named executive officers to ensure they achieve the desired goals of aligning our executive compensation structure with our stockholders' interests and current market practices. Our Compensation Committee also regularly reviews its own processes to ensure alignment with its charter and recent regulatory requirements. This review includes such topics as peer review analysis, total rewards philosophy, Compensation Committee charter review and a compensation risk assessment.

We are asking our stockholders to approve our named executive officer compensation as described in this proxy statement. This proposal gives you the opportunity to express your view on the compensation of our named executive officers. This stockholder vote is not intended to address any specific element of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. We ask you to vote **FOR** the approval of the resolution included above.

This vote is advisory, and therefore not binding on Zebra, our Compensation Committee, or our Board of Directors. Our Board of Directors and Compensation Committee value the opinions of our stockholders and will consider the results of the vote, as appropriate, in making future decisions regarding the compensation of our named executive officers.

The Board of Directors recommends a vote **FOR approval of the compensation of our named executive officers.**

Proposal 3

Approval of 2015 Short-Term Incentive Plan

We believe that short-term incentive compensation is an important component of our compensation program. The Board of Directors asks our stockholders to approve the 2015 Short-Term Incentive Plan (the "STIP") at the annual meeting. Short-term compensation awards have been governed by the 2011 Short-Term Incentive Plan, which was approved by our stockholders in 2011. If approved by stockholders, the STIP would become effective on the date of stockholder approval. The STIP would apply to awards made on or after January 1, 2016. Incentive compensation awards made pursuant to the Zebra Technologies Corporation 2011 Short-Term Incentive Plan would continue to be governed by the terms of that plan. The Board believes the STIP is in the best interests of Zebra because it will enable Zebra to attract, retain, motivate and reward key personnel. The Board adopted the STIP on February 11, 2015, after receiving the recommendation of our Compensation Committee to approve the STIP. The STIP would become effective upon obtaining stockholder approval.

Reference is made to Exhibit A to this Proxy Statement for the complete text of the STIP, which is summarized below.

Description of the STIP

Administration. The STIP will be administered by the Compensation Committee, which consists of at least two members of the Board who are both non-employee directors of Zebra within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934 and outside directors for purposes of the \$1 million deductibility cap under the Internal Revenue Code (the "Code"). The Committee may delegate the administration of the STIP to the Board or the chief executive officer other than certain matters relating to awards to persons whose compensation is or may be subject to the \$1 million deductibility cap or who are subject to Section 16 of the Securities Exchange Act of 1934.

The Compensation Committee will, subject to the terms of the STIP, interpret the STIP and establish rules and regulations it deems necessary or desirable for the administration of the STIP. All determinations and decisions made by the Compensation Committee and all related orders and resolutions of the Board will be final, conclusive and binding on all persons.

Effective Date, Termination and Amendment. The STIP will become effective as of May 14, 2015, if approved by stockholders at the annual meeting and will continue until amended or terminated by the Board. The Board may amend the STIP, subject to any requirement of stockholder approval required by law, the rules of NASDAQ or as determined by the Board.

Awards. Awards will be made for a fiscal year or shorter period and, unless otherwise determined by the Compensation Committee, will be paid in cash in a lump sum payment (subject to applicable tax withholding). Awards may be in the form of an annual cash incentive plan or individual award agreements. Awards will be paid promptly following the Compensation Committee's determination of whether and the extent to which the performance goals have been achieved with respect to the performance period, but in no event will awards be paid later than December 31 of the year following the end of the performance period, provided that, in the case of a participant whose employment terminates on or before December 31 of a calendar year that falls within a performance period, if the Compensation Committee determines that such participant is entitled to payment in respect of all or a portion of the participant's award, then the payment will be made to the participant not later than March 15 of the calendar year following the year of termination. The Compensation Committee will also have the right to allow participants to elect to defer the payment of awards subject to such terms and conditions as the Committee may determine.

The Compensation Committee will select eligible persons to receive awards and establish the performance goals applicable to awards. Performance goals may include one or more of the following measurements: revenue; primary or fully-diluted earnings per share; EBITDA; pretax income; cash flows from operations; total cash flows; bookings; return on equity; return on invested capital; return on assets; net operating profits after taxes; economic value added; total stockholder return or return on sales; or any individual performance objective which is measured solely in terms of quantitative targets related to Zebra or Zebra's business, or any combination thereof. Performance goals may be based on one or more business criteria, one or more business units or divisions of Zebra or the applicable sector, or Zebra as a whole, and comparison with a peer group of companies.

Table of Contents

With respect to awards granted to persons who are, or are expected to be, employed as the chief executive officer of Zebra or one of the three most highly compensated officers of Zebra other than the chief executive officer and chief financial officer as of the last day of Zebra's taxable year, the applicable performance goals will be established by the Compensation Committee no later than the latest date that the Committee may establish such goals without jeopardizing the ability of the award to constitute qualified performance-based compensation. For purposes of complying with the \$1 million deductibility cap, the maximum aggregate cash payout with respect to awards granted in any one fiscal year that may be made to any participant will be \$8,000,000.

Termination of Employment. Each award will set forth the extent to which a participant will have the right to receive payment following termination of employment. If the award does not include termination of employment provisions, then termination:

by reason of retirement, death or disability would result in a prorated payout as of the date of termination (except, in the case of retirement for awards intended to satisfy the \$1 million deductibility cap, such awards would terminate);

for cause would result in the immediate forfeiture of the award; and

termination for any reason other than retirement, death, disability or for cause (e.g., resignation), would result in immediate forfeiture of the award.

Change in Control-Definition. For purposes of the STIP, a change in control means (i) an acquisition by a person or group of 35% or more of the shares of common stock of Zebra (other than an acquisition directly from or by Zebra, by a Zebra benefit plan or certain reorganizations, merger or consolidations), (ii) a change in a majority of the Board, (iii) the consummation of a reorganization, merger or consolidation or sale of all or substantially all of Zebra's assets (unless the stockholders receive 50% or more of the stock of the company resulting from such transaction and no person or group owns 35% or more of the shares after the transaction) or (iv) a liquidation or dissolution of Zebra.

Effect of Change in Control. Except as provided in an award and absent any action taken by the Board or the Compensation Committee to continue the STIP for the remainder of an outstanding performance period in which a Change in Control occurs, in the event of a Change in Control, each participant subject to an outstanding award will receive a prorated payment of the target payout under the award.

Federal Income Tax Consequences

The following is a brief summary of certain U.S. federal income tax consequences generally arising with respect to awards under the STIP.

General. A participant will recognize compensation taxable as ordinary income (and subject to income tax withholding) in the year of payment, and Zebra will be entitled to a corresponding deduction.

Golden Parachute Payments. Awards that are granted, accelerated or enhanced upon the occurrence of a change in control may give rise, in whole or in part, to excess parachute payments under Section 280G and Section 4999 of the Code. Under these provisions, the participant would be subject to a 20% excise tax on, and Zebra would be denied a deduction with respect to, any excess parachute payments.

Section 162(m) of the Code. Section 162(m) of the Code generally limits to \$1 million the amount that a publicly held company is allowed each year to deduct for the compensation paid to each of the company's chief executive officer and the company's three most highly compensated executive officers other than the chief executive officer and the chief financial officer. However, qualified performance-based compensation is not subject to the \$1 million deduction limit. To qualify as performance-based compensation, the following requirements must be satisfied: (1) the performance goals must be determined by a committee consisting solely of two or more outside directors, (2) the material terms under which the compensation is to be paid, including the performance goals, must be approved by a majority of the company's stockholders, and (3) if applicable, the committee must certify that the applicable performance goals were satisfied before payment of any performance-based compensation is made. As noted above, the Compensation Committee currently consists solely of outside directors for purposes of Section 162(m) of the Code. The Committee would be permitted to grant awards under the STIP as qualified performance-based compensation within the meaning of Section 162(m).

Table of Contents

Section 409A of the Code. Section 409A of the Code (Section 409A) establishes rules that must be followed with respect to covered deferred compensation arrangements in order to avoid the imposition of premature income tax and a 20% excise tax on the individual entitled to receive the deferred compensation. Certain awards granted under the STIP may constitute deferred compensation subject to Section 409A. If an award is subject to Section 409A and does not comply with the requirements of Section 409A, then the amount deferred will become subject to immediate taxation to the participant, and the participant will be required to pay (1) a penalty equal to interest at the underpayment rate plus 1% on the tax that should have been paid on the amount of the original deferral and any related earnings, and (2) in addition to any regular tax, an excise tax equal to 20% of the original deferral and any earnings credited on the deferral. It is intended that the provisions of the STIP either satisfy the requirements of Section 409A or fall within an exemption from Section 409A. Zebra reserves the right to amend the STIP and awards as the company determines in good faith to be necessary to comply with the requirements of Section 409A.

The Board of Directors recommends a vote FOR approval of the 2015 Short-Term Incentive Plan

Proposal 4

Approval of 2015 Long-Term Incentive Plan

We believe that stock-based incentive compensation is integral to our compensation program and advances the interests of Zebra and its subsidiaries by rewarding key personnel for their long-term contributions to Zebra's financial success and motivating them to continue to make such contributions in the future. The Board of Directors asks our stockholders to approve the 2015 Long-Term Incentive Plan (the "LTIP") at the annual meeting. If approved by stockholders, the LTIP will become effective on the date of stockholder approval. In the event that the Plan is not approved by the stockholders, the LTIP would be null and void. The Plan would supersede and replace the Zebra Technologies Corporation 2011 Long-Term Compensation Plan (the "Prior Plan"), except that the Prior Plan would remain in effect with respect to outstanding awards under the Prior Plan until those awards have been exercised or otherwise terminated. As of March 1, 2015, 3,307,608 shares were available for new awards under the 2011 LTIP and awards with respect to 808,213 were outstanding.

If stockholders approve the LTIP, no additional grants will be made under the 2011 LTIP after the date of stockholder approval and any shares then available for new awards under the 2011 LTIP will no longer be available under the 2011 LTIP or the LTIP. The Board believes the LTIP is in the best interests of Zebra because it links long-term incentive compensation to Zebra's financial performance and will enable Zebra to attract, retain, motivate and reward key personnel. Additionally, due to Zebra's acquisition of the Enterprise Mobility business of Motorola Solutions, Inc. in October 2014, Zebra is seeking stockholder approval of the LTIP to ensure equity grants are available to employees of the new, much larger employee population. The Board adopted the LTIP on February 11, 2015 after receiving the recommendation of our Compensation Committee to approve the LTIP. The LTIP would become effective upon obtaining stockholder approval.

General

The purposes of the LTIP are align participants' long-term compensation with the interests of Zebra and its stockholders and to attract, retain, motivate and reward key personnel. Under the LTIP, we may grant non-qualified options to purchase shares of Zebra's common stock, incentive stock options (within the meaning of Section 422 of the Internal Revenue Code of 1986 (the "Code")), stock appreciation rights ("SARs"), restricted stock, restricted stock units ("RSUs"), performance awards, performance shares, and performance units.

Approximately 3,200 officers, other employees, non-employee directors and consultants are eligible to participate in the LTIP. The closing price of Zebra's common stock on March 22, 2011, was \$37.10.

Reference is made to Exhibit B to this Proxy Statement for the complete text of the LTIP, which is summarized below.

Description of the LTIP

Administration. The LTIP will be administered by the Compensation Committee consisting of at least two members of the Board who are both non-employee directors of Zebra within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934 and outside directors for purposes of the \$1 million deductibility cap under the Internal Revenue Code (the "Code"). The Board will administer the LTIP for purposes of granting awards to non-employee directors and for approving, after receiving the recommendation of the Committee, awards to the CEO.

The Compensation Committee will select eligible persons to receive awards and determine the form, amount and timing of each award and all other terms and conditions of each award, including the number of shares, SARs or units subject to an award and the vesting or performance for an award.

The Compensation Committee may delegate the administration of the LTIP other than certain matters relating to awards to persons whose compensation is or may be subject to the \$1 million deductibility cap or who are subject to Section 16 of the Securities Exchange Act of 1934 or who are non-employee directors.

The Compensation Committee will, subject to the terms of the LTIP, interpret the LTIP and establish rules and regulations it deems necessary or desirable for the administration of the LTIP and may impose, incidental to the grant of an award, conditions with respect to the award, such as limiting competitive employment or other activities.

Table of Contents

All determinations and decisions made by the Compensation Committee and all related orders and resolutions of the Board will be final, conclusive and binding on all persons.

Effective Date, Termination and Amendment. The LTIP will become effective as of May 14, 2015, if approved by stockholders at the annual meeting and will terminate on the tenth anniversary of the effective date, unless terminated earlier by the Board. The Board may amend the LTIP, subject to any requirement of stockholder approval required by law, the rules of NASDAQ or as determined by the Board.

Available Shares. Subject to adjustment in the event of a stock split, stock dividend, merger, reorganization or similar event, 5,500,000 shares of common stock will be available under the LTIP. The number of available shares will be reduced by the aggregate number of shares of common stock which become subject to outstanding awards. The LTIP does not provide for the recycling of shares that are not issued or delivered by reason of the termination of an award or by reason of the delivery or withholding of shares to pay all or a portion of the exercise price or tax withholding obligations relating to the award. For purposes of complying with the \$1 million deductibility cap, the maximum aggregate number of shares (including options, SARs, restricted stock, RSUs, performance units and performance shares to be paid out in shares) that may be granted in any one fiscal year to a participant will be 500,000 and the maximum aggregate cash payout (including performance awards, performance units and performance shares paid out in cash) with respect to awards granted in any one fiscal year that may be made to any participant will be \$8,000,000.

Stock Options. The Compensation Committee will determine (i) whether an option is an incentive stock option or non-qualified stock option, (ii) the number of shares subject to the option and the purchase price per share, which may not be less than 100% of the fair market value of a share on the date of grant, (iii) the period during which the option may be exercised, which may not be later than ten years after the date of grant in the case of an incentive stock option, (iv) whether such option is exercisable in whole or in part, (v) whether the option may be exercised by paying cash or delivering previously owned shares and (vi) whether the option is subject to specified performance goals during an applicable performance period.

Incentive Stock Options. Each incentive stock option will be exercisable for no more than ten years after its date of grant, unless the option holder owns greater than ten percent of the voting power of all shares of our capital stock (a ten percent holder), in which case the option will be exercisable for no more than five years after its date of grant. The exercise price of an incentive stock option will not be less than the fair market value of the common stock on its date of grant, unless the option holder is a ten percent holder, in which case the option exercise price will be the price required by the Code, currently 110% of fair market value. Subject to the requirements of the Code, all of the terms relating to the exercise or cancellation of an incentive stock option (and tandem SAR) upon a termination of employment, whether by reason of disability, retirement, death or any other reason, will be determined by the Compensation Committee.

Stock Appreciation Rights. An SAR entitles the holder to receive, upon exercise, shares (which may be restricted stock or RSUs), cash or a combination thereof with an aggregate value equal to the excess of the fair market value of one share on the date of exercise over the grant price of such SAR. The Compensation Committee will determine (i) whether an SAR is issued in tandem with, or by reference to, an option (a Tandem SAR) or is free-standing (a Non-Tandem SAR), (ii) the number of SARs subject to the award and the grant price of the SAR, which may not be less than 100% of the fair market value of a share on the date of grant, (iii) the period during which the SAR may be exercised, which may not be longer than the exercise period of the related option in the case of a Tandem SAR, (iv) whether the SAR is exercisable in whole or in part, (v) whether the SAR may be exercised for shares (including restricted stock or RSUs), cash or a combination thereof and (vi) whether the SAR is subject to specified performance goals during an applicable performance period.

No Repricing of Options or Stock Appreciation Rights. Subject to adjustment in the event of a stock split, stock dividend, merger, reorganization or similar event, the terms of an outstanding option or SAR may not be amended to reduce the exercise price or grant price, and no option or SAR may be canceled in exchange for cash, other awards or options or SARs with an exercise price or grant price that is less than the exercise price or grant price of the original option or SAR without the approval of a majority of the votes cast affirmatively or negatively by stockholders at a meeting in which the reduction of such exercise price or grant price, or the cancellation and regranting of an award, is considered for approval.

Restricted Stock and Restricted Stock Unit Awards. The LTIP provides for the grant of (1) stock awards which may be subject to a restriction period (restricted stock) and (2) RSU awards. An RSU is a right to receive a share, or an equivalent cash value, that is subject to a restriction period. An award of restricted stock or RSUs may be subject to specified performance goals during an applicable performance period. Restricted stock and RSU awards will be subject to forfeiture if the holder does not remain continuously in the employment of or service to Zebra during the restriction period or, if the award is subject to performance goals, if those performance goals are not attained. The Compensation Committee will determine (i) whether an award will be in restricted stock or RSUs, (ii) the number of shares or RSUs subject to the award, (iii) the length of the restriction period and (iv) the performance goals, if any (e.g., stockholder return and earnings per share). Unless otherwise set forth in the award agreement, the holder of a restricted stock award (but not an RSU award) will have voting rights and will have the right to receive dividends with respect to the shares of restricted stock.

Performance Awards, Performance Units and Performance Share Awards. The LTIP also provides for the grant of performance awards, performance unit awards and performance share awards. A performance award is a right, contingent upon the attainment of performance goals within a performance period, to receive an amount in cash that has an initial value specified in the award agreement. A performance unit award is a right, contingent upon the attainment of performance goals within a performance period, to receive an amount that has an initial value equal to the fair market value of a share on the grant date, which amount may be paid in a share (which may be restricted stock or an RSU), or in lieu of all or a portion thereof, the fair market value of a share in cash. A performance share award is a right, contingent upon the attainment of performance goals within a performance period, to receive one share (which may be restricted stock or an RSU), or in lieu of all or a portion thereof, the fair market value of a share in cash.

Prior to the settlement of a performance unit award or performance share award in shares of common stock, the holder of the award will have no rights as a stockholder of Zebra with respect to the shares of common stock subject to the award. Performance awards, performance units and performance shares will be subject to forfeiture if the specified performance goals are not attained. The Compensation Committee will determine (i) the initial cash value, or number of performance units or shares subject to the award, (ii) the performance goals, (iii) the length of the performance period and (iv) whether the performance units or performance shares may be settled in shares, cash or a combination thereof.

Performance Goals. Under the LTIP, the vesting or payment of performance awards, performance units, performance shares and certain awards of restricted stock or RSUs will be subject to the satisfaction of certain performance goals. The Compensation Committee will establish performance goals applicable to awards. Performance goals may include one or more of the following measurements: revenue; primary or fully-diluted earnings per share; EBITDA; pretax income; cash flows from operations; total cash flows; bookings; return on equity; return on invested capital; return on assets; net operating profits after taxes; economic value added; total stockholder return or return on sales; or any individual performance objective which is measured solely in terms of quantitative targets related to Zebra or Zebra's business, or any combination thereof. Performance goals may be based on one or more business criteria, one or more business units or divisions of Zebra or the applicable sector, or Zebra as a whole, and comparison with a peer group of companies.

With respect to awards granted to persons who are, or are expected to be, employed as the chief executive officer of Zebra or one of the three most highly compensated officers of Zebra other than the chief executive officer and chief financial officer as of the last day of Zebra's taxable year, the applicable performance goals will be established by the Compensation Committee no later than the latest date that the Committee may establish such goals without jeopardizing the ability of the award to constitute qualified performance-based compensation.

Non-Transferability of Awards. Unless otherwise specified in the agreement relating to an award, no award may be transferable other than by will, the laws of descent and distribution or pursuant to beneficiary designation procedures approved by Zebra.

Termination of Employment. Each award agreement will set forth the extent to which a participant will have the right to exercise the option or SAR or to receive or settle unvested restricted stock, RSUs, performance awards, performance units or performance shares following termination of employment, service as a non-employee director,

Table of Contents

or consulting arrangement. If the award agreement does not include termination of employment or service provisions, then termination:

by reason of retirement, death or disability would result (i) in the case of options and SARs, in acceleration of exercisability of any unexercisable options or SARs, which may then be exercised until the earlier of the expiration date of the option or SAR and the date which is 12 months after such termination, (ii) in the case of restricted stock and RSUs, in acceleration of vesting of any unvested shares or RSUs, and (iii) in the case of performance awards, performance units and performance shares, in a prorated payout as of the date of termination (except in the case of retirement for awards intended to satisfy the \$1 million deductibility cap, which awards would terminate); for cause would result in the immediate forfeiture of the award; and

termination for any reason other than retirement, death, disability or for cause (e.g., resignation), would result in (i) the option or SAR being exercisable only to the extent exercisable on the date of termination until the earlier the expiration date of the option or SAR and the date which is 90 days after such termination and (ii) the immediate forfeiture of any restricted stock, restricted stock units, performance awards, performance units and performance shares.

Change in Control-Definition. For purposes of the LTIP, a change in control means (i) an acquisition by a person or group of 35% or more of the shares of common stock of Zebra (other than an acquisition directly from or by Zebra, by a Zebra benefit plan or certain reorganizations, merger or consolidations), (ii) a change in a majority of the Board, (iii) the consummation of a reorganization, merger or consolidation or sale of all or substantially all of Zebra's assets (unless the stockholders receive 50% or more of the stock of the company resulting from such transaction and no person or group owns 35% or more of the shares after the transaction) or (iv) a liquidation or dissolution of Zebra.

Effect of Change in Control-Double Trigger v. Cash-out. If pursuant to a change in control stockholders receive consideration consisting solely of publicly traded common stock and outstanding options, SARs, restricted stock awards and RSU awards are assumed or provision is made for the continuation of outstanding options, SARs, restricted stock awards and RSU awards after the change in control, then all outstanding time-vested options, SARs, restricted stock awards and RSU awards will continue in accordance with their terms; provided, that if a holder's employment with Zebra and its subsidiaries is terminated by the holder for good reason or by Zebra or any subsidiary without cause after the change in control and prior to the one-year anniversary of the change in control, then all outstanding options and SARs held by the holder will become exercisable in full and, along with any then unexercised portions of such options and SARs, will remain exercisable through the remaining term of such options and SARs, and all outstanding restricted stock and RSU awards held by the holder will become fully vested. In addition, all outstanding performance-based awards will become fully vested upon the occurrence of a change in control, the performance goals will be deemed to be satisfied at the target level and any options and SARs as to which a performance period lapses will remain exercisable through the remaining terms of the options and SARs.

All other changes in control would result in a cash-out of awards where each outstanding award will be surrendered to Zebra by the holder, and such award will immediately be canceled, and the holder will receive, within ten days of the occurrence of the change in control, a cash payment from Zebra (or any successor) in an amount equal to (1) in the case of an option, the number of shares then subject to such option, multiplied by the excess, if any, of the greater of (A) the highest per share price offered to Zebra stockholders in any transaction whereby the change in control takes place or (B) the fair market value of a share on the date of occurrence of the change in control, over the exercise price of the option, (ii) in the case of a non-tandem SAR, the number of shares then subject to the SAR, multiplied by the excess, if any, of the greater of (A) the highest price per share offered to Zebra stockholders in any transaction whereby the change in control takes place or (B) the fair market value of a share on the date of occurrence of the change in control, over the grant price of the SAR, (iii) in the case of a restricted stock award, RSU award, performance unit award or performance share award, the number of shares, number of units or number of performance shares, as the case may be, then subject to such award, multiplied by the greater of (A) the highest per share price offered to Zebra stockholders in any transaction whereby the change in control takes place or (B) the fair market value of a share on the date of occurrence of the change in control, and (iv) in the case of a performance award, the higher of (A) the target amount of such award that is payable upon satisfaction of the applicable performance goals at the target level and (B) the amount that would be accrued under generally accepted accounting principles as of the date of the occurrence of the change in control.

Federal Income Tax Consequences

The following is a brief summary of certain U.S. federal income tax consequences generally arising with respect to awards under the LTIP.

A participant will not recognize taxable income at the time an option is granted and Zebra will not be entitled to a tax deduction at that time. A participant will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) upon exercise of a non-qualified stock option equal to the excess of the fair market value of the shares purchased over their exercise price, and Zebra will be entitled to a corresponding deduction. A participant will not recognize income (except for purposes of the alternative minimum tax) upon exercise of an incentive stock option. If the shares acquired by the exercise of an incentive stock option are held for the longer of two years from the date the option was granted and one year from the date it was exercised, any gain or loss arising from a subsequent disposition of such shares will be taxed as long-term capital gain or loss, and Zebra will not be entitled to any deduction. If, however, those shares are disposed of within the above-described period, then in the year of the disposition the participant will recognize compensation taxable as ordinary income equal to the excess of the lesser of (1) the amount realized upon the disposition and (2) the fair market value of those shares on the date of exercise over the exercise price, and Zebra will be entitled to a corresponding deduction.

A participant will not recognize taxable income at the time SARs are granted and Zebra will not be entitled to a tax deduction at such time. Upon exercise, the participant will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) in an amount equal to the fair market value of any shares delivered and the amount of cash paid by Zebra. This amount is deductible by Zebra as compensation expense.

A participant will not recognize taxable income at the time a restricted stock award is granted and Zebra will not be entitled to a tax deduction at such time, unless the participant makes an election under Section 83(b) of the Code to be taxed at such time. If that election is not made, the participant will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) at the time the time-based or performance-based restrictions lapse in an amount equal to the excess of the fair market value of the shares at such time over the amount, if any, paid for the shares. The amount of ordinary income recognized by making an election under Section 83(b) of the Code or upon the lapse of restrictions is deductible by Zebra as compensation expense, except to the extent the deduction limits of Section 162(m) of the Code apply. In addition, a participant receiving dividends with respect to restricted stock for which the above-described election has not been made and prior to the time the restrictions lapse will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee), rather than dividend income, in an amount equal to the dividends paid and Zebra will be entitled to a corresponding deduction, except to the extent the deduction limits of Section 162(m) apply. A participant will not recognize taxable income at the time an RSU award is granted and Zebra will not be entitled to a tax deduction at such time. Upon the vesting and settlement of an RSU award, the participant will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) in an amount equal to the excess of the fair market value of the shares delivered over the amount, if any, paid for the shares.

A participant will not recognize taxable income at the time performance awards, performance units or performance shares are granted and Zebra will not be entitled to a tax deduction at that time. Upon the settlement of performance awards, units or shares, the participant will recognize compensation taxable as ordinary income (and subject to income tax withholding in respect of an employee) in an amount equal to the fair market value of any shares delivered and the amount of cash paid by Zebra. This amount is deductible by Zebra as compensation expense, except to the extent the deduction limits of Section 162(m) apply.

Golden Parachute Payments. Awards that are granted, accelerated or enhanced upon the occurrence of a change in control may give rise, in whole or in part, to excess parachute payments under Section 280G and Section 4999 of the Code. Under these provisions, the participant would be subject to a 20% excise tax on, and Zebra would be denied a deduction with respect to, any excess parachute payments.

Section 162(m) of the Code. Section 162(m) of the Code generally limits to \$1 million the amount that a publicly held company is allowed each year to deduct for the compensation paid to each of the company's chief executive officer and the company's three most highly compensated executive officers other than the chief executive officer

Table of Contents

and chief financial officer. However, qualified performance-based compensation is not subject to the \$1 million deduction limit. To qualify as performance-based compensation, the following requirements must be satisfied: (1) the performance goals must be determined by a committee consisting solely of two or more outside directors, (2) the material terms under which the compensation is to be paid, including the performance goals, must be approved by a majority of the company's stockholders, and (3) if applicable, the committee must certify that the applicable performance goals were satisfied before payment of any performance-based compensation is made. As noted above, the Compensation Committee currently consists solely of outside directors for purposes of Section 162(m) of the Code. As a result, certain compensation under the LTIP, such as that payable with respect to options and SARs, is not expected to be subject to the \$1 million deduction limit, but other compensation payable under the LTIP, such as any restricted stock award which is not subject to a performance condition to vesting, would be subject to the limit.

Section 409A of the Code. Section 409A of the Code (Section 409A) establishes rules that must be followed with respect to covered deferred compensation arrangements in order to avoid the imposition of premature income tax and a 20% excise tax on the individual entitled to receive the deferred compensation. Certain awards granted under the LTIP may constitute deferred compensation subject to Section 409A. If an award is subject to Section 409A and does not comply with the requirements of Section 409A, then amounts deferred in the current year and in previous years will become subject to immediate taxation to the participant, and the participant will be required to pay (1) a penalty equal to interest at the underpayment rate plus 1% on the tax that should have been paid on the amount of the original deferral and any related earnings, and (2) in addition to any regular tax, an excise tax equal to 20% of the original deferral and any earnings credited on the deferral. It is intended that the provisions of the LTIP either satisfy the requirements of Section 409A or fall within an exemption from Section 409A. Zebra reserves the right to amend the LTIP and outstanding award agreements as the company determines in good faith to be necessary to comply with the requirements of Section 409A.

Proposal 5

Ratification of Appointment of Independent Auditors

The Audit Committee appointed Ernst & Young LLP, independent certified public accountants, as auditors of Zebra's financial statements for the year ending December 31, 2015.

The Board wants to give stockholders the opportunity to express their opinions on the matter of auditors for Zebra, and, accordingly, is submitting a proposal to ratify the Audit Committee's appointment of Ernst & Young. If this proposal does not receive the affirmative vote of a majority of the votes cast affirmatively or negatively at the annual meeting, the Audit Committee may appoint another independent registered public accounting firm or may decide to maintain the appointment of Ernst & Young.

Zebra expects that representatives of Ernst & Young will be present at the meeting and available to respond to questions. These representatives will be given an opportunity to make a statement if they would like to do so.

The Board of Directors and the Audit Committee recommend a vote FOR the ratification of the appointment of Ernst & Young LLP as auditors for the year ending December 31, 2015.

3.2 Authority of the Committee. Except as limited by law or by the Certificate of Incorporation or By-laws of Zebra, the Committee shall have full power to select Employees to participate in the Plan, and to determine the terms and conditions of Incentive Awards, including the form, amount and timing of each Incentive Award consistent with the Plan. The Committee shall, subject to the terms of the Plan, construe and interpret the Plan and any agreement or instrument entered into under the Plan and the application thereof, establish, amend or waive rules and regulations it deems necessary or desirable for the administration of the Plan and may impose, incidental to the grant of an Incentive Award, conditions with respect to the Incentive Award, such as limiting competitive employment or other activities. Section 6
Terms of Incentive Awards

6.1 Grant of Incentive Awards. Incentive Awards may be granted to one or more Participants upon such terms and conditions and at any time and from time to time determined by the Committee, in its sole discretion.

6.2 Performance Measures and Performance Targets. The Committee shall establish the Performance Goals and Performance Targets for the Company and the Participants, as applicable, under each Incentive Award. The Committee may also determine the extent to which each applicable Performance Goal shall be weighted with respect a Participant and/or an Incentive Award.

6.3 Award Levels; Eligibility for Payment. The Committee shall establish for each Participant the amount payable with respect to each Incentive Award at specified levels of performance, based on the Performance Targets for each Performance Period and the weighting established for such criterion, if applicable. All such determinations regarding the achievement of any Performance Targets shall be made by the Committee. Except as otherwise determined by the Committee in its discretion, in order to be eligible for payment in respect of an Incentive Award, a Participant must be an Employee on the last day of the Performance Period or such other date as determined by the Committee for which such Incentive Award is earned.

6.4 Form of Payment. Unless otherwise determined by the Committee and set forth in the Incentive Award, all Incentive Awards shall be payable in cash in a lump sum payment.

6.5 Timing of Payment. Incentive Awards shall be paid promptly following the Committee's determination of whether and the extent to which Performance Targets have been achieved with respect to the Performance Period, but in no event will such Incentive Awards be paid later than December 31 of the year following the Performance Period in which such Incentive Awards are earned; provided, however, that in the case of a Participant whose employment terminates on or before December 31 of a calendar year that falls within a Performance Period, if the Committee determines that such Participant shall be entitled to payment in respect of all or a portion of the Participant's Incentive Award with respect to such Performance Period, then such payment shall be made to such Participant not later than March 15 of the calendar year following the year of termination. Notwithstanding the foregoing provisions of this Section 6.5, the Committee shall have the right to allow Participants to elect to defer the payment of Incentive Awards subject to such terms and conditions as the Committee may determine; provided, however, that each Participant's election to defer the payment of an Incentive Award complies with the terms of the applicable plan or program of Zebra or its Subsidiaries.

6.6 Termination of Employment. The Incentive Award shall set forth the extent to which the Participant shall have the right to receive payment for Incentive Awards following termination of the Participant's employment provided, however, that with respect to Incentive Awards to executive officers that are intended to qualify for the Performance-Based Exception, such exceptions shall be limited to death, Disability or a Change in Control. Such provisions need not be uniform and may reflect distinctions based on the reasons for such termination, including, but not limited to, termination for Cause or Good Reason, or reasons relating to the breach or threatened breach of restrictive covenants. Subject to Section 8.5, in the event that an Incentive Award or an employment agreement between Zebra or a Subsidiary and the Participant does not set forth such provisions, the following provisions shall apply:

(a) *Retirement, Death or Disability.* In the event that a Participant's employment with Zebra and/or its Subsidiaries is terminated during a Performance Period, or prior to the date of the payment of the Incentive Award if so provided in the Incentive Award, due to Retirement (except with respect to Incentive Awards to executive officers that are intended to qualify for the Performance-Based Exception), death or Disability, the Participant shall receive a prorated payout of the Incentive Award.

(b) *Other Termination.* In the event that a Participant's employment with Zebra and/or its Subsidiaries is terminated during a Performance Period for any reason other than the reasons set forth in 6.6(a), or prior to the date of the payment of the Incentive Award if so provided in the Incentive Award, the Incentive Award shall be forfeited.

6.7 Tax Withholding. Zebra shall have the power and the right to deduct or withhold, or require a Participant to remit to Zebra, an amount sufficient to satisfy federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of the Plan.

Section 7
Performance Goals

7.1 Performance Goals. Unless and until the Committee proposes for stockholder vote and stockholders approve a change in the general Performance Goals set forth in this Section 7.1, the attainment of which may determine the degree of payout and/or vesting with respect to Incentive Awards to executive officers that are intended to qualify for the Performance-Based Exception, the Performance Goals and Performance Targets to be used for purposes of such grants shall be established by the Committee in writing, shall be objectively measurable and shall be stated in terms of the attainment of specified levels of or percentage changes in any one or more of the following measurements: revenue; primary or fully-diluted earnings per share; earnings before interest, taxes, depreciation, and/or amortization; adjusted earnings before interest, taxes, depreciation, and/or amortization; pretax income; adjusted pretax income; cash flows from operations; total cash flows; bookings; return on equity; return on invested capital; return on assets; net operating profits after taxes; economic value added; total stockholder return or return on sales; or any individual Performance Goal which is measured solely in terms of quantitative targets related to Zebra or Zebra's business; or any combination thereof. In addition, Performance Goals and Performance Targets may be based on one or more business criteria, one or more business units or divisions of Zebra or the applicable sector, or Zebra as a whole, and if so desired by the Committee, by comparison with a peer group of companies. A Performance Target need not be based upon an increase or positive result under a particular business criterion and could include, for example, maintaining the status quo or limiting economic losses (measured, in each case, by reference to specific business criteria). The Performance Targets for any Performance Period may be measured on an absolute basis or in relation to a peer group or an index.

In the event that applicable tax and/or securities laws change to permit Committee sole discretion to alter the governing Performance Goals and Performance Targets without obtaining stockholder approval of such changes, the Committee shall have sole discretion to make such changes without obtaining stockholder approval. Nothing contained herein shall be construed to preclude the Committee from granting Incentive Awards to executive officers that are not intended to qualify for the Performance-Based Exception.

7.2 Timing of Establishment. For each Incentive Award intended to qualify for the Performance-Based Exception, the Committee shall establish the applicable Performance Goal(s) and Performance Target(s) for that Incentive Award no later than the latest date that the Committee may establish such goals and targets without jeopardizing the ability of the Incentive Award to qualify for the Performance-Based Exception.

7.3 Determination of Payout. The degree of payout and/or vesting of such Incentive Awards intended to qualify for the Performance-Based Exception shall be determined based upon the written certification of the Committee as to the extent to which the Performance Targets and any other material terms and conditions precedent to such payment and/or vesting have been satisfied. The Committee shall have the sole discretion to adjust the determinations of the degree of attainment of the Performance Targets; provided, however, that the Performance Targets applicable to Incentive Awards which are intended to qualify for the Performance-Based Exception, and which are held by executive officers, may not be adjusted so as to increase the payment under the Incentive Award (the Committee shall retain the sole discretion to adjust such Performance Targets upward, or to otherwise reduce the amount of the payment and/or vesting of the Incentive Award relative to the Performance Targets).

**Section 8
General**

8.1 Beneficiary Designation. If permitted by Zebra, each Participant under the Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be paid in case of his or her death before he or she receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by Zebra, and will be effective only when filed by the Participant in writing with Zebra's Human Resources Department during the Participant's lifetime. The spouse of a married Participant domiciled in a community property jurisdiction shall join in any designation of a beneficiary other than such spouse. If a Participant fails to designate a beneficiary, or if all designated beneficiaries of a Participant predecease the Participant, then the Incentive Award, if any, shall be paid to the Participant's estate. In the absence of any such designation, benefits remaining unpaid at the Participant's death shall be paid to the Participant's estate.

8.2 Deferrals; Compliance with Section 409A. A Participant may elect by written notice delivered to the Zebra at the time and in the form required by the Zebra or the Committee to defer payment of all or any portion of an Incentive Award the Participant might earn with respect to a year, all in accordance with the Section 409A of the Code and applicable regulations and on such terms and conditions as the Committee may establish from time to time or as may be provided in any employment agreement between Zebra and the Participant or in any deferred compensation plan maintained by Zebra.

8.3 No Guarantee of Employment or Right to Participate. Nothing in the Plan shall interfere with or limit in any way the right of Zebra to terminate any Participant's employment at any time, nor confer upon any Participant any right to continue in the employ of Zebra or any Subsidiary. Temporary absence from employment because of illness, vacation, approved leaves of absence, and transfers of employment among Zebra and its Subsidiaries, shall not be considered to terminate employment or to interrupt continuous employment. No Employee shall have the right to be selected to receive an Incentive Award under the Plan, or, having been so selected, to be selected to receive a future Incentive Award.

8.4 Right of Setoff; Recoupment. Zebra or any Subsidiary may, to the extent permitted by applicable law and which would not trigger tax under Section 409A of the Code, deduct from and set off against any amounts Zebra or Subsidiary may owe to the Participant from time to time, including amounts payable in connection with any Incentive Award, owed as wages, fringe benefits, or other compensation owed to the Participant, such amounts as may be owed by the Participant to Zebra, although the Participant shall remain liable for any part of the Participant's payment obligation not satisfied through such deduction and setoff. By accepting any Incentive Award granted hereunder, the Participant agrees to any deduction or setoff under this Section. Any Incentive Awards granted under the Plan (including any amounts or benefits arising from such Incentive Awards) shall be subject to any applicable clawback or other recoupment policies that Zebra has in place from time to time.

8.5 Change in Control. Except as provided in an Incentive Award and absent any action taken by the Board or the Committee to continue the Plan for the remainder of an outstanding Performance Period in which a Change in Control occurs, in the event of a Change in Control, each Participant subject to an outstanding Incentive Award shall receive a prorated payment of the target payout under the Incentive Award.

8.6 Amendment, Modification, and Termination. The Board may amend, suspend or terminate the Plan or the Committee's authority to grant Incentive Awards without the consent of stockholders or Participants; provided, however, that any amendment to the Plan shall be submitted to Zebra's stockholders for approval not later than the earliest annual meeting for which the record date is after the date of such Board action if such stockholder approval is required by any federal or state law or regulation or the rules of any stock exchange on which the shares of Class A Common Stock of Zebra may then be listed or quoted and the Board may otherwise, in its sole discretion, determine to submit other amendments to the Plan to stockholders for approval; and provided further, that, without the consent of an affected Participant, no Board or Committee action may materially and adversely affect the rights of such Participant under any outstanding Incentive Award, unless such action is determined by the Board or Committee in good faith to be necessary to comply with any applicable law, regulation or rule (including Section 409A of the Code). Subject to the preceding sentence, the Committee may waive or modify any term of an Award to the extent that the terms of the Award Agreement, taking the waiver or modification into account, would have been permissible if included in the original Award Agreement, but shall have no authority to waive or modify any other

Table of Contents

Incentive Award term after the Incentive Award has been granted to the extent that the waived or modified term was mandatory under the Plan.

8.7 Unfunded Plan. The Plan is intended to constitute an unfunded plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant pursuant to an Incentive Award, nothing contained in the Plan or any Incentive Award shall give any such Participant any rights that are greater than those of a general creditor of Zebra; provided, however, that the Committee may authorize the creation of trusts and deposit therein cash or other property, or make other arrangements to meet Zebra's obligations under the Plan. Such trusts or other arrangements shall be consistent with the unfunded status of the Plan unless the Committee otherwise determines with the consent of each affected Participant.

8.8 Compliance with Code Section 162(m). Zebra intends that Incentive Awards granted to executive officers who constitute covered employees under Section 162(m) of the Code shall satisfy the requirements of the Performance-Based Exception, unless otherwise determined by the Committee when the Incentive Award is granted. Accordingly, the Plan and such Incentive Awards shall be interpreted in a manner consistent with Section 162(m) of the Code and regulations thereunder with respect to an executive officer. If any provision of the Plan or any Incentive Award designated as intended to satisfy the Performance-Based Exception does not comply or is inconsistent with the requirements of Section 162(m) of the Code or regulations thereunder, such provision shall be construed or deemed amended to the extent necessary to conform to such requirements, and no provision shall be deemed to confer upon the Committee or any other person sole discretion to increase the amount of compensation otherwise payable in connection with any such Incentive Award upon attainment of the applicable Performance Targets. Payment of any amount that Zebra reasonably determines would not be deductible by reason of Section 162(m) of the Code shall be deferred until the earlier of the earliest date on which Zebra reasonably determines that the deductibility of the payment will not be so limited, or the year following the termination of employment.

8.9 Awards to Participants Outside the United States. The Committee may modify the terms of any Incentive Award made to or held by a Participant who is then resident or primarily employed outside of the United States in any manner deemed by the Committee to be necessary or appropriate in order that such Incentive Award shall conform to laws, regulations, and customs of the country in which the Participant is then resident or primarily employed, or so that the value and other benefits of the Incentive Award to the Participant, as affected by foreign tax laws and other restrictions, applicable as a result of the Participant's residence or employment abroad shall be comparable to the value of such an Incentive Award to a Participant who is resident or primarily employed in the United States. An Incentive Award may be modified under this Section in a manner that is inconsistent with the express terms of the Plan, so long as such modifications will not contravene any applicable law or regulation or result in actual liability under Section 16(b) of the Exchange Act for the Participant whose Incentive Award is modified.

8.10 Successors. All obligations of Zebra under the Plan with respect to Incentive Awards shall be binding on any successor to Zebra, whether the existence of such successor is the result of a direct or indirect merger, consolidation, purchase of all or substantially all of the business and/or assets of Zebra or otherwise.

8.11 Governing Law; Venue. To the extent not preempted by federal law, the Plan, and all agreements hereunder, shall be construed in accordance with and governed by the laws of the State of Delaware without giving effect to principles of conflicts of laws. Any dispute, controversy or claim arising out of or relating to the Plan or any award under the Plan shall be brought only in a court of competent jurisdiction in the United States District Court for the Northern District of Illinois, and no other court, agency or tribunal shall have jurisdiction to resolve any such dispute, controversy or claim.

8.12 Incapacity of Recipient. If the Committee is served with a court order holding that a person entitled to a distribution under the Plan is incapable of personally receiving and giving a valid receipt for such distribution, the Committee shall postpone payment until such time as a claim therefore shall have been made by a duly appointed guardian or other legal representative of such person. The Committee is under no obligation to inquire or investigate as to the competency of any person entitled to a distribution. Any payment to an appointed guardian or other legal representative under this Section shall be a payment for the account of the incapacitated person and a complete discharge of any liability of Zebra and the Plan therefor.

8.13 Other Plans. Nothing contained in the Plan shall prevent the Committee or Zebra from adopting other non-stockholder approved plans, policies and arrangements for granting incentives and other compensation to employees of the Company and its Subsidiaries or adopting or continuing in effect other or additional compensation arrangements, and such arrangements may be either generally applicable or applicable only in specific cases.

**Section 1
Establishment and Purpose**

1.1. Establishment. This Plan shall be submitted to the stockholders of Zebra Technologies Corporation, a Delaware corporation (Zebra) for approval at the 2015 annual meeting of stockholders and, if approved by majority of the votes cast affirmatively or negatively by the holders of the shares of Class A Common Stock, par value \$0.01 per share, of Zebra (Common Stock) present in person or represented by proxy at such meeting, shall become effective on the date of such approval. The foregoing notwithstanding, the Board shall perform the functions of the Committee for purposes of granting Awards to non-employee directors and for approving, after receiving the recommendation of the Committee, awards to the Chief Executive Officer.

3.2. Authority of the Committee. Except as limited by law or by the Certificate of Incorporation or By-laws of Zebra, the Committee shall have full power to select Employees, Directors, and consultants to participate in the Plan; determine the sizes and types of Awards; determine the terms and conditions of Awards, including the form, amount and timing of each Award and, if applicable, the number of Shares, Options, SARs, Restricted Stock, RSUs, Performance Units and Performance Shares subject to an Award, the exercise price or base price associated with the Award, the time and conditions of vesting, exercise or settlement of the Award and all other terms and conditions of the Award, including, without limitation, the form of the Award Agreement; construe and interpret the Plan and any agreement or instrument entered into under the Plan; establish, amend, or waive rules and regulations for the Plan's administration; and amend the terms and conditions of any outstanding Award. The Committee shall, subject to the terms of the Plan, interpret the Plan and the application thereof, establish rules and regulations it deems necessary or desirable for the administration of the Plan and may impose, incidental to the grant of an Award, conditions with respect to the Award, such as limiting competitive employment or other activities. Table of Contents

4.2. Individual Participant Limitations. Unless and until the Committee determines that an Award to an executive officer is not intended to qualify for the Performance-Based Exception, the following rules shall apply to grants of such Awards under the Plan:

(a) Subject to adjustment as provided in Section 4.3, the maximum aggregate number of Shares (including Options, SARs, Restricted Stock, RSUs, Performance Units and Performance Shares to be paid out in Shares) that may be granted in any one fiscal year to a Participant shall be 500,000.

(b) The maximum aggregate cash payout (including Performance Awards, Performance Units and Performance Shares paid out in cash) with respect to Awards granted in any one fiscal year that may be made to any Participant shall be \$8,000,000.

4.3. Adjustments in Authorized Shares. In the event of any stock split, stock dividend, recapitalization, reorganization, merger, consolidation, combination, exchange of shares, liquidation, spin-off or other similar change in capitalization or event, or any distribution to holders of Shares other than a regular cash dividend, the number and class of securities available under the Plan, the maximum number of securities available for Awards, the number and class of securities subject to each outstanding Award and, if applicable, the purchase price per security, the maximum number of securities with respect to which Awards may be granted during any calendar year to any person, the terms of each outstanding Award shall be appropriately adjusted by the Committee, such adjustments to be made in the case of outstanding Options and SARs without an increase in the aggregate purchase price or base price. The decision of the Committee regarding any such adjustment shall be final, conclusive and binding. If any such adjustment would result in a fractional security being (a) available under the Plan, such fractional security shall be disregarded, or (b) subject to an award under the Plan, Zebra shall pay the holder of such Award, in connection with the first vesting, exercise or settlement of such Award in whole or in part occurring after such adjustment, an amount in cash determined by multiplying (i) the fraction of such security (rounded to the nearest hundredth) by (ii) the excess, if any, of (A) the Fair Market Value on the vesting, exercise or settlement date over (B) the exercise or base price, if any, of such Award.

Section 5 Eligibility and Participation

5.1. Eligibility. Persons eligible to participate in the Plan include current and future Employees (including officers), Directors and consultants of Zebra and its Subsidiaries, as determined by the Committee.

5.2. Participation. Subject to the provisions of the Plan, the Committee shall determine and designate, from time to time, the Employees, Directors and consultants of Zebra and any Subsidiary to whom Awards shall be granted.

Section 6 Stock Options and Stock Appreciation Rights

6.1. Grants of Options and SARs. Options and SARs may be granted to one or more Participants in such number, upon such terms and conditions, and at any time and from time to time, as determined by the Committee, in its sole discretion. Each Option, or portion thereof, that is not an ISO shall be an NQSO. An ISO may not be granted to any person who is not an employee of Zebra or any parent or subsidiary (as defined in Section 424 of the Code). Each ISO shall be granted within ten years of the date the Plan is adopted by the Board. To the extent that the aggregate Fair Market Value (determined as of the date of grant) of Shares with respect to which Options designated as ISOs are exercisable for the first time by a Participant during any calendar year (under the Plan or any other plan of Zebra, or any parent or subsidiary as defined in Section 424 of the Code) exceeds the amount established by the Code, such Options shall constitute NQSOs. Non-Tandem SARs, Tandem SARs, or any combination of these forms of SARs may be granted.

6.2. Option Price and Base Price. The Award Agreement shall set forth the Option Price or base price for each Option or SAR; provided, that the Option Price shall not be less than 100% of the Fair Market Value on the grant date, and which Option Price may not be subsequently changed by the Committee except pursuant to Section 4.3. With respect to a Participant who owns, directly or indirectly, more than 10% of the total combined voting power of all classes of the stock of Zebra or any Subsidiary, the Option Price of Shares subject to an ISO shall be at least 110% of the Fair Market Value of such Shares on the ISO's grant date.

Table of Contents

6.3. Term. Each Option or SAR granted to a Participant shall expire at such time as set forth in the Award Agreement, but in no event shall be exercisable later than the 10th anniversary of the grant date. Notwithstanding the foregoing, with respect to ISOs, in the case of a Participant who owns, directly or indirectly, more than 10% of the total combined voting power of all classes of the stock of Zebra or any Subsidiary, no such ISO shall be exercisable later than the fifth anniversary of the grant date.

6.4. Exercise of Options and SARs. Options and SARs shall be exercisable, in whole or in part, at such times and be subject to such restrictions and conditions as set forth in the Award Agreement, which need not be the same for each Award or for each Participant. Options and SARs shall be exercised by the delivery of a written, electronic or other notice of exercise to Zebra, setting forth the number of Shares with respect to which the Option or SAR is to be exercised, accompanied in the case of Options by full payment for the Shares as set forth in Section 6.7. The payment by Zebra to the Participant upon an SAR exercise may be in cash, in Shares of equivalent value, or in some combination thereof, as set forth in the Award Agreement. If an Award Agreement does not specify the time or times at which the Option or SAR shall become exercisable, the Option or SAR shall become exercisable by the Participant (i) to a maximum cumulative extent of one-third of the Shares or SARs (rounded down to the nearest whole) covered by the Option or SAR on the first anniversary of the grant date, and (ii) to a maximum cumulative extent of two-thirds of the Shares or SARs (rounded down to the nearest whole) covered by the Option or SAR on the second anniversary of the grant date, and (iii) to a maximum cumulative extent of 100% of the Shares or SARs covered by the Option or SAR on the third anniversary of the grant date.

6.5. Exercise of Tandem SARs. Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable. Notwithstanding any other provision of the Plan to the contrary, with respect to a Tandem SAR granted in connection with an ISO: (i) the Tandem SAR will expire no later than the expiration of the underlying ISO; (ii) the value of the payout with respect to the Tandem SAR may be for no more than one hundred percent (100%) of the difference between the Option Price of the underlying ISO and the Fair Market Value of the Shares subject to the underlying ISO at the time the Tandem SAR is exercised; and (iii) the Tandem SAR may be exercised only when the Fair Market Value of the Shares subject to the ISO exceeds the Option Price of the ISO.

6.6. Exercise of Non-Tandem SARs. SARs may be exercised upon the terms and conditions set forth in the Award Agreement. Upon exercise, a Participant shall be entitled to receive payment from Zebra in an amount determined by multiplying (a) the excess of the Fair Market Value of a Share on the date of exercise over the base price by (b) the number of Shares with respect to which the SAR is exercised.

6.7. Option Price Payment. The Option Price upon exercise of any Option shall be payable to Zebra in full either: (a) in cash, (b) by tendering previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the total Option Price, (c) a combination (i) and (ii), or (d) in cash by a broker-dealer acceptable to Zebra to whom the holder of the Option has submitted an irrevocable notice of exercise.

Any fraction of a Share which would be required to pay the Option Price shall be disregarded and the remaining amount due shall be paid in cash. No book-entry record or certificate representing Shares shall be made or delivered until the full Option Price and any withholding taxes have been paid (or arrangement made for such payment to Zebra's satisfaction).

6.8. Termination of Employment, Service as a Director, or Consulting Arrangement. The Award Agreement shall set forth the extent to which a Participant shall have the right to exercise the Option or SAR following termination of employment, service as a Director, or consulting arrangement with Zebra and/or its Subsidiaries. Such provisions need not be uniform among Options or SARs, and may reflect distinctions based on the reasons for such termination, including, but not limited to, termination for Cause or Good Reason, or reasons relating to the breach or threatened breach of restrictive covenants. Subject to Section 9.8, in the event that an Award Agreement does not set forth such provisions, the following provisions shall apply:

Table of Contents

(a) *Retirement, Death or Disability.* In the event that a Participant's employment, service as a Director or consulting arrangement with Zebra and/or any Subsidiary terminates by reason of Retirement, death or Disability, to the extent that the Option or SAR is not exercisable, all Shares covered by the Option or SAR shall immediately become fully exercisable and shall remain exercisable until the earlier of (i) the remainder of the term of the Option or SAR, or (ii) 12 months after the date of termination.

(b) *Termination for Cause.* In the event that a Participant's employment, service as a Director or consulting arrangement with Zebra and/or any Subsidiary terminates for Cause, all Options or SARs shall expire immediately and all rights thereunder shall cease upon termination.

(c) *Other Termination.* In the event that a Participant's employment, service as a Director or consulting arrangement with Zebra terminates for any reason other than Retirement, death, Disability, or for Cause, all then exercisable Options or SARs shall remain exercisable from the date of termination until the earlier of (i) the remainder of the term of the Option or SAR, or (ii) 90 days after the date of termination. Such Options or SARs shall only be exercisable to the extent that they were exercisable as of such termination date and all unexercisable Options or SARs shall be forfeited.

Section 7
Restricted Stock and Restricted Stock Units

7.1. Grant of Restricted Stock and Restricted Stock Units. Restricted Stock Awards and RSU Awards may be granted to one or more Participants in such number, upon such terms and conditions, and at any time and from time to time, as determined by the Committee, in its sole discretion. If no Period of Restriction is set forth in the Award Agreement, the transfer and any other restrictions shall lapse (i) to a maximum cumulative extent of one-third of the Shares or RSUs (rounded to the nearest whole) covered by the Award on the first anniversary of the grant date, (ii) to a maximum cumulative extent of two-thirds of the Shares or RSUs (rounded to the nearest whole) covered by the Award on the second anniversary of the grant date, and (iii) to a maximum cumulative extent of 100% of the Shares or RSUs covered by the Award on the third anniversary of the grant date.

7.2. Restrictions. Subject to Section 9.1, such other conditions and/or restrictions on any Shares of Restricted Stock or RSUs may be imposed as set forth in the Award Agreement, including without limitation, a requirement that Participants pay a purchase price for each Share of Restricted Stock or RSU, restrictions based upon the achievement of Performance Targets with respect to one or more Performance Goals (company-wide, subsidiary-wide, divisional, and/or individual), time-based restrictions on vesting, which may or may not be following the attainment of the Performance Targets, sales restrictions under applicable stockholder agreements or similar agreements, and/or restrictions under applicable federal or state securities laws.

7.3. Voting Rights, Dividends and Other Distributions. Unless otherwise set forth in the Award Agreement, Participants to whom Shares of Restricted Stock have been granted may exercise full voting rights with respect to those Shares during the Period of Restriction and shall be credited with regular cash dividends paid with respect to the underlying Shares while they are so held during the Period of Restriction. The Award Agreement may contain restrictions on the dividends and other distributions.

7.4. Termination of Employment, Service as a Director, or Consulting Arrangement. The Award Agreement shall set forth the extent to which a Participant shall have the right to receive or settle unvested Shares of Restricted Stock or RSUs following termination of employment, service as a Director, or consulting arrangement with Zebra and/or its Subsidiaries. Such provisions need not be uniform among Restricted Stock Awards and RSU Awards, and may reflect distinctions based on the reasons for termination of employment including, but not limited to, termination of employment for Cause or Good Reason, or reasons relating to the breach or threatened breach of restrictive covenants. Subject to Section 9.8, in the event that an Award Agreement does not set forth such provisions, the following provisions shall apply:

(a) *Retirement, Death or Disability.* In the event that a Participant's employment, service as a Director, or consulting arrangement with Zebra and/or its Subsidiaries is terminated due to Retirement, death or Disability, all Shares of Restricted Stock and RSUs shall immediately become fully vested on the date of termination and any restrictions shall lapse.

Table of Contents

(b) *Other Termination.* In the event that a Participant's employment, service as a Director, or consulting arrangement with Zebra and/or its Subsidiaries is terminated for any reason other than Retirement, death or Disability, all Shares of Restricted Stock and RSUs that are unvested at the date of termination shall be forfeited.

Section 8

Performance Awards, Performance Units and Performance Shares

8.1. Grant of Performance Awards, Performance Units and Performance Shares. Performance Awards, Performance Units and Performance Shares may be granted to one or more Participants in such number, upon such terms and conditions, and at any time and from time to time, as determined by the Committee, in its sole discretion.

8.2. Termination of Employment, Service as a Director or Consulting Arrangement. The Award Agreement shall set forth the extent to which the Participant shall have the right to receive payment for Performance Awards, Performance Units and/or Performance Shares following termination of the Participant's employment, service as a Director, or consulting arrangement with Zebra and/or its Subsidiaries. Such provisions need not be uniform among Performance Awards, Performance Unit Awards and Performance Share Awards, and may reflect distinctions based on the reasons for such termination, including, but not limited to, termination for Cause or Good Reason, or reasons relating to the breach or threatened breach of restrictive covenants. Subject to Section 9.8, in the event that an Award Agreement does not set forth such provisions, the following provisions shall apply:

(a) *Retirement, Death or Disability.* In the event that a Participant's employment, service as a Director, or consulting arrangement with Zebra and/or its Subsidiaries is terminated during a Performance Period, or prior to the date of the payment of the Performance Award, Performance Unit and/or Performance Share Award, due to Retirement (except with respect to Awards to executive officers that are intended to qualify for the Performance-Based Exception), death or Disability, the Participant shall receive a prorated payout of the Performance Awards, Performance Units and/or Performance Shares.

(b) *Other Termination.* In the event that a Participant's employment, service as a Director, or consulting arrangement with Zebra and/or its Subsidiaries is terminated during a Performance Period, or prior to the date of the payment of the Performance Award, Performance Unit and/or Performance Share Award, for any reason other than a reason set forth in Section 8.2(a), all Performance Awards, Performance Unit Awards and Performance Share Awards shall be forfeited.

Section 9

General

9.1 Performance Goals. Unless and until the Committee proposes for stockholder vote and stockholders approve a change in the general Performance Goals set forth in this Section 9.1, the attainment of which may determine the degree of payout and/or vesting with respect to Awards to executive officers that are intended to qualify for the Performance-Based Exception, the Performance Goals and Performance Targets to be used for purposes of such grants shall be established by the Committee in writing, shall be objectively measurable and shall be stated in terms of the attainment of specified levels of or percentage changes in any one or more of the following measurements: revenue; primary or fully-diluted earnings per Share; earnings before interest, taxes, depreciation, and/or amortization; adjusted earnings before interest, taxes, depreciation, and/or amortization; pretax income; adjusted pretax income; cash flows from operations; total cash flows; bookings; return on equity; return on invested capital; return on assets; net operating profits after taxes; economic value added; total stockholder return or return on sales; or any individual Performance Goal which is measured solely in terms of quantitative targets related to Zebra or Zebra's business, or any combination thereof. In addition, Performance Goals and Performance Targets may be based on one or more business criteria, one or more business units or divisions of Zebra or the applicable sector, or Zebra as a whole, and if so desired by the Committee, by comparison with a peer group of companies. A Performance Target need not be based upon an increase or positive result under a particular business criterion and could include, for example, maintaining the status quo or limiting economic losses (measured, in each case, by reference to specific business criteria). The Performance Targets for any Performance Period may be measured on an absolute basis or in relation to a peer group or an index.

Table of Contents

For each Award intended to qualify for the Performance-Based Exception, the Committee shall establish the applicable Performance Goal(s) and Performance Target(s) for that Award no later than the latest date that the Committee may establish such goals and targets without jeopardizing the ability of the Award to qualify for the Performance-Based Exception.

The degree of payout and/or vesting of such Awards intended to qualify for the Performance-Based Exception shall be determined based upon the written certification of the Committee as to the extent to which the Performance Targets and any other material terms and conditions precedent to such payment and/or vesting have been satisfied. The Committee shall have the sole discretion to adjust the determinations of the degree of attainment of the Performance Targets; provided, however, that the Performance Targets applicable to Awards which are intended to qualify for the Performance-Based Exception, and which are held by executive officers, may not be adjusted so as to increase the payment under the Award (the Committee shall retain the sole discretion to adjust such Performance Targets upward, or to otherwise reduce the amount of the payment and/or vesting of the Award relative to the Performance Targets).

In the event that applicable tax and/or securities laws change to permit Committee sole discretion to alter the governing Performance Goals and Performance Targets without obtaining stockholder approval of such changes, the Committee shall have sole discretion to make such changes without obtaining stockholder approval. Nothing contained herein shall be construed to preclude the Committee from granting awards to executive officers that are not intended to qualify for the Performance-Based Exception.

9.2. Non-Transferability of Awards. All ISOs granted to a Participant shall be exercisable during his or her lifetime only by the Participant. Unless otherwise specified in the Agreement relating to an Award, no Award shall be transferable other than by will, the laws of descent and distribution or pursuant to beneficiary designation procedures approved by Zebra. Except to the extent permitted by the foregoing sentence or the Agreement relating to an Award, each Award may be exercised or settled during the Participant's lifetime only by the Participant or the Participant's legal representative or similar person. Except to the extent permitted by the second preceding sentence or the Agreement relating to an Award, no Award may be sold, transferred, assigned, pledged, hypothecated, encumbered or otherwise disposed of (whether by operation of law or otherwise) or be subject to execution, attachment or similar process. Upon any attempt to so sell, transfer, assign, pledge, hypothecate, encumber or otherwise dispose of any such Award, such Award and all rights thereunder shall immediately become null and void.

9.3 Beneficiary Designation. If permitted by Zebra, each Participant under the Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be paid in case of his or her death before he or she receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by Zebra, and will be effective only when filed by the Participant in writing with Zebra's Human Resources Department during the Participant's lifetime. The spouse of a married Participant domiciled in a community property jurisdiction shall join in any designation of a beneficiary other than such spouse. If a Participant fails to designate a beneficiary, or if all designated beneficiaries of a Participant predecease the Participant, then each outstanding Option and SAR hereunder held by such Participant, to the extent exercisable, may be exercised by such Participant's executor, administrator, legal representative or similar person. In the absence of any such designation, benefits remaining unpaid at the Participant's death shall be paid to the Participant's estate.

9.4 Deferrals; Compliance with Section 409A. The Committee, in its sole discretion, may include in an Award Agreement provisions that permit a Participant to defer receipt of payment of cash or delivery of Shares that would otherwise be due to such Participant upon the exercise, lapse or waiver of restrictions, or satisfaction of any requirements, goal or target with respect to such Award. Such deferral provisions shall be consistent with Section 409A of the Code and applicable regulations and shall be made in accordance with such terms and conditions as the Committee may establish from time to time or as may be provided in any employment agreement between Zebra and the Participant or in any deferred compensation plan maintained by Zebra.

9.5. No Guarantee of Employment or Service or Right to Participate. Nothing in the Plan shall interfere with or limit in any way the right of Zebra to terminate any Participant's employment or consulting arrangement at any time, nor confer upon any Participant any right to continue in the employ of or consulting arrangement with Zebra or any Subsidiary. Temporary absence from employment because of illness, vacation,

Table of Contents

approved leaves of absence, and transfers of employment among Zebra and its Subsidiaries, shall not be considered to terminate employment or to interrupt continuous employment. Temporary cessation of the provision of consulting services because of illness, vacation or any other reason approved in advance by Zebra shall not be considered a termination of the consulting arrangement or an interruption of the continuity thereof.

Except as otherwise provided in an Award Agreement, conversion of a Participant's employment relationship to a consulting arrangement, or vice versa, shall not result in termination of previously granted Awards. No Employee, Director or consultant shall have the right to be selected to receive an Award under the Plan, or, having been so selected, to be selected to receive a future Award.

9.6. Right of Setoff; Recoupment. Zebra or any Subsidiary may, to the extent permitted by applicable law and which would not trigger tax under Section 409A of the Code, deduct from and set off against any amounts Zebra or Subsidiary may owe to the Participant from time to time, including amounts payable in connection with any Award, owed as wages, fringe benefits, or other compensation owed to the Participant, such amounts as may be owed by the Participant to Zebra, although the Participant shall remain liable for any part of the Participant's payment obligation not satisfied through such deduction and setoff. By accepting any Award granted hereunder, the Participant agrees to any deduction or setoff under this Section. Any Awards granted under the Plan (including any amounts or benefits arising from such Awards) shall be subject to any applicable clawback or other recoupment policies that Zebra has in place from time to time.

9.7 Section 83(b) Election. No election under Section 83(b) of the Code to include in gross income in the year of transfer the amounts specified in Section 83(b) of the Code or under a similar provision of the laws of a jurisdiction outside the United States may be made, unless expressly permitted by the terms of the Award Agreement or by action of the Committee in writing before the making of such election. In any case in which a Participant is permitted to make such an election in connection with an Award, the Participant shall notify Zebra of such election within ten days after filing notice of the election with the Internal Revenue Service or other governmental authority, in addition to any filing and notification required pursuant to regulations issued under Section 83(b) of the Code or other applicable provision.

9.8. Change in Control.

(a) Notwithstanding any provision in the Plan or any Award Agreement, in the event of a Change in Control pursuant to Section 2.5(c) or (d) in connection with which (i) holders of Shares receive consideration consisting solely of shares of common stock that are registered under Section 12 of the Exchange Act (disregarding the payment of cash in lieu of fractional shares) and (ii) outstanding Options, SARs, Restricted Stock Awards and RSU Awards are assumed or provision is made for the continuation of outstanding Options, SARs, Restricted Stock Awards and RSU Awards after the Change in Control, then, subject to Section 4.3, all outstanding Options, SARs, Restricted Stock Awards and RSU Awards shall continue in accordance with their terms and there shall be substituted for each Share available under the Plan, whether or not then subject to an outstanding Award, the number and class of shares into which each outstanding Share shall be converted pursuant to such Change in Control; provided, however, in the event of any such substitution, the purchase price per share in the case of an Option and the base price in the case of an SAR shall be appropriately adjusted by the Committee (whose determination shall be final, binding and conclusive), such adjustments to be made in the case of outstanding Options and SARs without an increase in the aggregate purchase price or base price; provided, further, that in the event a Participant's employment with Zebra and its Subsidiaries is terminated by the Participant for Good Reason or by Zebra or any Subsidiary without Cause on or after the date of such Change in Control and on or prior to the one-year anniversary date of such Change in Control, then all outstanding Options and SARs held by the Participant under the Plan shall become exercisable in full as of the effective date of the termination of employment and, along with any then unexercised portions of such Options and SARs, shall remain exercisable through the remaining term of such Options and SARs, as applicable, and all outstanding Restricted Stock Awards and RSU Awards held by the Participant under the Plan shall become fully vested as of the effective date of the termination of employment and the remainder of any Period of Restriction relating to such Restricted Stock Awards and RSU Awards shall lapse; provided, further, that upon the occurrence of such Change in Control the Performance Periods applicable to all outstanding Awards shall lapse and the Performance Goals applicable to such Awards shall be deemed to be satisfied at the higher of (A) the amount of such Award that is payable or earned upon satisfaction of the applicable Performance Goals at the target level and (B) the amount that would be accrued under generally accepted accounting principles as of the date of the occurrence of such Change in Control and, along with any then unexercised portion(s) of any such

Table of Contents

Options and SARs as to which a Performance Period lapses, shall remain exercisable through the remaining terms of such Options and SARs, as applicable.

(b) Notwithstanding any provision in the Plan or any Award Agreement and unless otherwise provided in a Participant's employment or other agreement, in the event of a Change in Control pursuant to Section 2.5(a) or (b), or in the event of a Change in Control pursuant to Section 2.5(c) or (d) in connection with which (i) holders of Shares do not receive consideration consisting solely of shares of common stock that are registered under Section 12 of the Exchange Act or (ii) outstanding Options and SARs are not assumed or provision is not made for the continuation of outstanding Options and SARs after the Change in Control, each outstanding Award shall be surrendered to Zebra by the holder thereof, and each such Award shall immediately be canceled by Zebra, and the holder shall receive, within ten days of the occurrence of such Change in Control, a cash payment from Zebra (or any successor) in an amount equal to (i) in the case of an Option, the number of Shares then subject to such Option, multiplied by the excess, if any, of the greater of (A) the highest per share price offered to Zebra stockholders in any transaction whereby such Change in Control takes place or (B) the Fair Market Value of a Share on the date of occurrence of such Change in Control, over the Option Price per Share subject to the Option, (ii) in the case of a Non-Tandem SAR, the number of Shares then subject to such SAR, multiplied by the excess, if any, of the greater of (A) the highest price per Share offered to Zebra stockholders in any transaction whereby such Change in Control takes place or (B) the Fair Market Value of a Share on the date of occurrence of such Change in Control, over the base price of the SAR, (iii) in the case of a Restricted Stock Award, RSU Award, Performance Unit Award or Performance Share Award, the number of Shares, number of units or number of Performance Shares, as the case may be, then subject to such Award, multiplied by the greater of (A) the highest per Share price offered to Zebra stockholders in any transaction whereby such Change in Control takes place or (B) the Fair Market Value of a Share on the date of occurrence of such Change in Control, and (iv) in the case of a Performance Award, the higher of (A) the target amount of such Award that is payable upon satisfaction of the applicable Performance Goals at the target level and (B) the amount that would be accrued under generally accepted accounting principles as of the date of the occurrence of such Change in Control. In the event of such Change in Control, each Tandem SAR shall be surrendered by the holder thereof and shall be canceled simultaneously with the cancellation of the related Option. Zebra may, but is not required to, cooperate with any person who is subject to Section 16 of the Exchange Act to assure that any cash payment in accordance with the foregoing to such person is made in compliance with Section 16 and the rules and regulations thereunder.

9.9. Amendment, Modification, and Termination. The Board may amend, suspend or terminate the Plan or the Committee's authority to grant Awards without the consent of stockholders or Participants; provided, however, that any amendment to the Plan shall be submitted to Zebra's stockholders for approval not later than the earliest annual meeting for which the record date is after the date of such Board action if such stockholder approval is required by any federal or state law or regulation or the rules of any stock exchange on which the Shares may then be listed or quoted and the Board may otherwise, in its sole discretion, determine to submit other amendments to the Plan to stockholders for approval; and provided, further, that, without the consent of an affected Participant, no Board or Committee action may materially and adversely affect the rights of such Participant under any outstanding Award, unless such action is determined by the Board or Committee in good faith to be necessary to comply with any applicable law, regulation or rule (including Section 409A of the Code). Subject to the preceding sentence, the Committee may waive or modify any term of an Award to the extent that the terms of the Award Agreement, taking the waiver or modification into account, would have been permissible if included in the original Award Agreement, but shall have no authority to waive or modify any other Award term after the Award has been granted to the extent that the waived or modified term was mandatory under the Plan.

9.10. Tax Withholding. Zebra shall have the power and the right to deduct or withhold, or require a Participant to remit to Zebra, an amount sufficient to satisfy federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of the Plan. With respect to withholding required upon the exercise of Options or SARs, upon the lapse of restrictions on Restricted Stock or RSUs, upon the satisfaction of Performance Targets, or upon any other taxable event arising as a result of Awards granted hereunder, Participants may elect, subject to the approval of Zebra, to satisfy the withholding requirement, in whole or in part, by having Zebra withhold Shares having a Fair Market Value on the date the tax is to be determined in an amount that does not exceed the minimum statutory total tax which would be imposed on the transaction. All such elections shall be irrevocable, made in writing, signed by the Participant, and shall be subject to any restrictions or limitations that Zebra deems appropriate.

Table of Contents

9.11. Unfunded Plan. The Plan is intended to constitute an unfunded plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant or obligation to deliver Shares pursuant to an Award, nothing contained in the Plan or any Award shall give any such Participant any rights that are greater than those of a general creditor of Zebra; provided, however, that the Committee may authorize the creation of trusts and deposit therein cash, Shares, other Awards or other property, or make other arrangements to meet Zebra's obligations under the Plan. Such trusts or other arrangements shall be consistent with the unfunded status of the Plan unless the Committee otherwise determines with the consent of each affected Participant.

9.12 Forfeitures; Fractional Shares. Unless otherwise determined by Zebra, in the event of a forfeiture of an Award with respect to which a Participant paid cash consideration, the Participant shall be repaid the amount of such cash consideration. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award. Zebra shall determine whether cash, other Awards or other property shall be issued or paid in lieu of such fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.

9.13. No Repricing of Options or Stock Appreciation Rights. Notwithstanding anything in this Plan to the contrary and subject to Section 4.3, the terms of outstanding Options or SARs may not be amended to reduce the exercise price or base price, as the case may be, and no Option or SAR shall be canceled in exchange for cash, other Awards or Options or SARs with an exercise price or base price that is less than the exercise price or base price of the original Option or SAR without the approval of a majority of the votes cast affirmatively or negatively by the holders of the Shares present in person or represented by proxy at a meeting in which the reduction of such exercise price or base price, or the cancellation and regranting of an Award, as the case may be, is considered for approval.

9.14. Compliance with Section 162(m) of the Code. Zebra intends that Options, SARs and other Awards granted to executive officers who constitute covered employees under Section 162(m) of the Code shall satisfy the requirements of the Performance-Based Exception, unless otherwise determined by the Committee when the Award is granted. Accordingly, the Plan and Award Agreements shall be interpreted in a manner consistent with Section 162(m) of the Code and regulations thereunder. If any provision of the Plan or any Award Agreement designated as intended to satisfy the Performance-Based Exception does not comply or is inconsistent with the requirements of Section 162(m) of the Code or regulations thereunder, such provision shall be construed or deemed amended to the extent necessary to conform to such requirements, and no provision shall be deemed to confer upon the Committee or any other person sole discretion to increase the amount of compensation otherwise payable in connection with any such Award upon attainment of the applicable Performance Goals. With respect to any Option, SAR, or other Award designed to be exempt from the requirements of Section 409A of the Code, Zebra reserves the right to delay a Participant's exercise or the lapse or satisfaction of restrictions of such Award if Zebra reasonably determines that issuance or payment under the Award would not be deductible by reason of Section 162(m) of the Code. With respect to any other Award, payment of any amount that Zebra reasonably determines would not be deductible by reason of Section 162(m) of the Code shall be deferred until the earlier of the earliest date on which Zebra reasonably determines that the deductibility of the payment will not be so limited, or the year following the termination of employment.

9.15. Awards to Participants Outside the United States. The Committee may modify the terms of any Award made to or held by a Participant who is then resident or primarily employed outside of the United States in any manner deemed by the Committee to be necessary or appropriate in order that such Award shall conform to laws, regulations, and customs of the country in which the Participant is then resident or primarily employed, or so that the value and other benefits of the Award to the Participant, as affected by foreign tax laws and other restrictions, applicable as a result of the Participant's residence or employment abroad shall be comparable to the value of such an Award to a Participant who is resident or primarily employed in the United States. An Award may be modified under this Section in a manner that is inconsistent with the express terms of the Plan, so long as such modifications will not contravene any applicable law or regulation or result in actual liability under Section 16(b) of the Exchange Act for the Participant whose Award is modified.

9.16. Successors. All obligations of Zebra under the Plan with respect to Awards shall be binding on any successor to Zebra, whether the existence of such successor is the result of a direct or indirect merger, consolidation, purchase of all or substantially all of the business and/or assets of Zebra or otherwise.

Table of Contents

9.17. Governing Law; Venue. To the extent not preempted by federal law, the Plan, and all agreements hereunder, shall be construed in accordance with and governed by the laws of the State of Delaware without giving effect to principles of conflicts of laws. Any dispute, controversy or claim arising out of or relating to the Plan or any award under the Plan shall be brought only in a court of competent jurisdiction in the United States District Court for the Northern District of Illinois, and no other court, agency or tribunal shall have jurisdiction to resolve any such dispute, controversy or claim.

9.18. Incapacity of Recipient. If the Committee is served with a court order holding that a person entitled to a distribution under the Plan is incapable of personally receiving and giving a valid receipt for such distribution, the Committee shall postpone payment until such time as a claim therefore shall have been made by a duly appointed guardian or other legal representative of such person. The Committee is under no obligation to inquire or investigate as to the competency of any person entitled to a distribution. Any payment to an appointed guardian or other legal representative under this Section shall be a payment for the account of the incapacitated person and a complete discharge of any liability of Zebra and the Plan therefor.

9.19. Other Plans. Nothing contained in the Plan shall prevent the Committee or Zebra from adopting other non-stockholder approved plans, policies and arrangements for granting incentives and other compensation to employees of the Company and its Subsidiaries or adopting or continuing in effect other or additional compensation arrangements, and such arrangements may be either generally applicable or applicable only in specific cases.
