- (1) Each Performance Share represents a contingent right to acquire one Common Share.
- (2) Each Performance Share represents the right to receive one share of our Common Stock subject to the satisfaction of performance goals based on a return on equity calculated by dividing earnings before interest and income tax from continuing operations over the performance period by shareholders' equity as of the completion of the performance period. During the performance period, our return on equity exceeded the highest performance goal and accordingly 100% of the shares were issued.
