These materials discuss the Proposal to be voted on at the meeting, and contain the Notice of Meeting, proxy statement and proxy card. A proxy card is, in essence, a ballot. When you vote your proxy, it tells us how you wish to vote on important issues relating to Franklin Templeton Limited Duration Income Trust (the Fund). If you complete, sign and return the proxy, we'll vote it as you indicated. If you simply sign and date the proxy card, but do not specify a vote on the proposal listed thereon (the Proposal), your proxy will be voted FOR the Proposal.

We urge you to spend a few minutes reviewing the Proposal in the proxy statement. Then, please fill out and sign the proxy card and return it to us so that we know how you would like to vote. When shareholders return their proxies promptly, the Fund may be able to save money by not having to conduct additional mailings. Returning your proxy card does not preclude you from attending the meeting or later changing your vote prior to its being cast.

We welcome your comments. If you have any questions, call Fund Information at

THE PROPOSAL: ELECTION OF TRUSTEES

How are nominees selected?

The Board of Trustees of the Fund (the Board or the Trustees) has a Nominating Committee consisting of Harris J. Ashton, Robert F. Carlson, S. Joseph Fortunato, Edith E. Holiday, Frank W.T. LaHaye, Gordon S. Macklin, Chairman, and Frank A. Olson, none of whom is an interested person of the Fund as defined by the Investment Company Act of 1940, as amended (the 1940 Act). Trustees who are not interested persons of the Fund are referred to as Independent Trustees, and Trustees who are interested persons of the Fund are referred to as Interested Trustees.

The Nominating Committee is responsible for selecting candidates to serve as Trustees and recommending such candidates (a) for selection and nomination as Independent Trustees by the incumbent Independent Trustees and the full Board; and (b) for selection and nomination as Interested Trustees by the full Board. In considering a candidate's qualifications, the Nominating Committee generally considers the potential candidate's educational background, business or professional experience, and reputation. In addition, the Nominating Committee has established as minimum qualifications for Board membership as an Independent Trustee (1) that such candidate be independent from relationships with the Fund's investment manager and other principal service providers both within the terms and the spirit of the statutory independence requirements specified under the 1940 Act, (2) that such candidate demonstrate an ability and willingness to make the considerable time commitment, including personal attendance at Board meetings, believed necessary to his or her function as an effective Board member, and (3) that such candidate have no continuing relationship as a director, officer or board member of any investment company other than those within the Franklin Templeton Investments fund complex.

When the Board has or expects to have a vacancy, the Nominating Committee receives

and reviews information on individuals qualified to be recommended to the full Board as nominees for election as Trustees, including any recommendations by Qualifying Fund

Shareholders (as defined below). Such individuals are evaluated based upon the criteria described above. To date, the Nominating Committee has been able to identify, and expects to continue to be able to identify, from its own resources an ample number of qualified candidates. The Nominating Committee will, however, review recommendations from Qualifying Fund Shareholders to fill vacancies on the Board if these recommendations are submitted in writing and addressed to the Nominating Committee at the Fund's offices and are presented with appropriate

Edgar Filing: FRANKLIN TEMPLETON LIMITED DURATION INCOME TRUST - Form DEF 14A

background material concerning the candidate that demonstrates his or her ability to serve as a Trustee, including as an Independent Trustee, of the Fund. A Qualifying Fund Shareholder is a shareholder who (i) has continuously owned of record, or beneficially through a financial intermediary, shares of the Fund having a net asset value of not less than two hundred and fifty thousand dollars (\$250,000) during the twenty-four month period prior to submitting the recommendation; and (ii) provides a written notice to the Nominating Committee containing the following information: (a) the name and address of the Qualifying Fund Shareholder making the recommendation; (b) the number of shares of the Fund which are owned of record and beneficially by such Qualifying Fund Shareholder and the length of time that such shares have been so owned by the Qualifying Fund Shareholder; (c) a description of all arrangements and understandings between such Qualifying Fund Shareholder and any other person or persons (naming such person or persons) pursuant to which the recommendation is being made; (d) the name, age, date of birth, business address and residence address of the person or persons being recommended; (e) such other information regarding each person recommended by such Qualifying Fund Shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the U.S. Securities and Exchange Commission (SEC) had the nominee been nominated by the Board; (f) whether the shareholder making the recommendation believes the person recommended would or would not be an interested person of the Fund, as defined in the 1940 Act; and (g) the written consent of each person recommended to serve as a Trustee of the Fund if so nominated and elected/appointed.

The Nominating Committee may amend these procedures from time to time, including the procedures relating to the evaluation of nominees and the process for submitting recommendations to the Nominating Committee.

The Board has adopted and approved a revised formal written charter for the Nominating Committee. A copy of the charter is attached as Appendix A to this proxy statement.

Who are the nominees and current members of the Board of Trustees?

The Board is divided into three classes, each class having a term of three years. Each year the term of office of one class expires. This year, the terms of three Trustees expire. Robert F.

Carlson, S. Joseph Fortunato, and Rupert H. Johnson, Jr. have been nominated for three-year terms, set to expire at the 2008 Annual Meeting of Shareholders. Edith E. Holiday has been nominated for a two-year term, set to expire at the 2007 Annual Meeting of Shareholders. Frank A. Olson has been nominated for a one-year term, set to expire at the 2006 Annual Meeting of Shareholders. These terms continue, however, until successors are duly elected and qualified or until a Trustee's resignation, retirement, death or removal. The Board reduced the authorized number of Trustees to ten following the death of Frank H. Abbott, III on June 30, 2005. There is currently one vacancy on the Board following the resignation of Martin L. Flanagan effective July 31, 2005. It is currently anticipated that the Board will eliminate such vacancy by reducing the authorized number of Trustees to nine at its next meeting. Proxies cannot be voted for a greater number of persons than the nominees named in this Proxy Statement.

All of the nominees are currently members of the Board; however, Ms. Holiday and Mr. Olson are standing for election by shareholders of the Fund for the first time. An incumbent Independent Trustee nominated Ms. Holiday and Mr. Olson for consideration by the Nominating Committee as nominees for Trustee. All of the nominees, other than Mr. Johnson, are considered to be Independent Trustees. In addition, all of the current nominees and the Trustees are also directors and/or trustees of other investment companies in Franklin Templeton Investments.

Pursuant to the Fund's Amended and Restated Agreement and Declaration of Trust, two of the Trustees are to be elected solely by the holders of the Preferred Shares, and the remaining Trustees are to be elected by the holders of the outstanding Common Shares and Preferred Shares voting together as a single class. This year Rupert H. Johnson, Jr. has been nominated to be elected solely by the holders of the outstanding Preferred Shares.

Edgar Filing: FRANKLIN TEMPLETON LIMITED DURATION INCOME TRUST - Form DEF 14A

Certain Trustees of the Fund hold director and/or officer positions with Franklin Resources, Inc. (Resources) and its affiliates. Resources is a publicly owned holding company, the principal shareholders of which are Charles B. Johnson and Rupert H. Johnson, Jr., who owned approximately 17.76% and 15.04%, respectively, of its outstanding shares as of June 30, 2005. Resources, a global investment management organization operating as Franklin Templeton Investments, is primarily engaged, through its various subsidiaries, in providing investment management, share distribution, transfer agent and administrative services to a family of investment companies. Resources is a New York Stock Exchange, Inc. (NYSE) listed holding company (NYSE: BEN). Charles B. Johnson, Chairman of the Board and Trustee of the Fund, and Rupert H. Johnson, Jr., Senior Vice President and Trustee of the Fund, who are brothers, are the father and uncle, respectively, of Gregory E. Johnson, Vice President of the Fund.

Each nominee is currently available and has consented to serve if elected. If any of the nominees should become unavailable, the persons named as proxies in the proxy card will vote in their discretion for another person or persons who may be nominated as Trustees.

Listed below, for each nominee and Trustee, is his or her name, age and address, as well as position and length of service with the Fund, a brief description of recent professional experience, the number of portfolios in the Franklin Templeton Investments fund complex that he or she oversees, and other directorships held.

How often do the Trustees meet and what are they paid?

Edgar Filing: FRANKLIN TEMPLETON LIMITED DURATION INCOME TRUST - Form DEF 14A

The role of the Trustees is to provide general oversight of the Fund's business, and to ensure that the Fund is operated for the benefit of all shareholders. The Trustees anticipate meeting at least nine times during the current fiscal year to review the operations of the Fund and the Fund's investment performance. The Trustees also oversee the services furnished to the Fund by Franklin Advisers, Inc., the Fund's investment manager (the "Investment Manager"), and various other service providers. The Fund pays the Independent Trustees \$1,160 per quarter plus \$400 per Board meeting attended. Trustees who serve on the Audit Committee of the Fund and other funds in Franklin Templeton Investments are paid an aggregate per diem compensation of \$2,000, a portion of which is allocated to the Fund, for attending a meeting of the Audit Committee on a day when a Board meeting is not held. Members of a committee are not separately compensated for any committee meeting held on the day of a Board meeting. Fees payable by the Fund to certain Trustees are subject to reduction resulting from fee caps adopted by the boards in Franklin Templeton Investments limiting the total amount of fees payable to trustees who serve on other boards within Franklin Templeton Investments.

During the fiscal year ended March 31, 2005, there were nine meetings of the Board, six meetings of the Audit Committee, and one meeting of the Nominating Committee. Each Trustee then in office attended at least 75% of the total number of meetings of the Board and the total number of meetings held by all committees of the Board on which the

Trustee served.

The Fund does not currently have a formal policy regarding Trustees' attendance at the annual shareholders' meeting. None of the Trustees attended the Fund's last annual meeting held on September 8, 2004.

Certain Trustees and officers of the Fund are shareholders of Resources and may receive indirect remuneration due to their participation in the management fees and other fees received by the Investment Manager and its affiliates from the funds in Franklin Templeton Investments. The Investment Manager or its affiliates pay the salaries and expenses of the officers. No pension or retirement benefits are accrued as part of Fund expenses.

Edgar Filing: FRANKLIN TEMPLETON LIMITED DURATION INCOME TRUST - Form DEF 14A

*****Trustee since June 2005.

The table above indicates the total fees paid to the Independent Trustees by the Fund individually and by all of the funds in Franklin Templeton Investments. These Trustees also serve or have served as directors or trustees of other funds in Franklin Templeton Investments, many of which hold meetings at different dates and times. The Trustees and the Fund's management believe that having the same individuals serving on the boards of many of the funds in Franklin Templeton Investments enhances the ability of each fund to obtain, at a relatively modest cost to each separate fund, the services of high caliber, experienced and knowledgeable Independent Trustees who can more effectively oversee the management of the funds.

Board members historically have followed a policy of having substantial investments in one or more of the funds in Franklin Templeton Investments, as is consistent with their individual financial goals. In February 1998, this policy was formalized through adoption of a requirement that each board member invest one-third of the fees received for serving as a director or trustee of a Templeton fund in shares of one or more Templeton funds and one-third of the fees received for serving as a director or trustee of a Franklin fund in shares of one or more Franklin funds until the value of such investments equals or exceeds five times the annual fees paid to such board member. Investments in the name of family members or entities controlled by a board member constitute fund holdings of such board member for purposes of this policy, and a three-year phase-in period applies to such investment requirements for newly elected board members.

Who are the Executive Officers of the Fund?

The Audit Committee received the written disclosures and the letter from PwC required by Independence Standards Board Standard No. 1. The Audit Committee also received the report of PwC regarding the results of their audit. In connection with their review of the financial statements and the auditors' report, the members of the Audit Committee

discussed with a representative of PwC, the independence of PwC, as well as the following: the auditors' responsibilities in accordance with generally accepted auditing standards; the auditors' responsibilities for information prepared by management that accompanies the Fund's audited financial statements and any procedures performed and the results; the initial selection of, and whether there were any changes in, significant accounting policies or their application; management's judgments and accounting estimates; whether there were any significant audit adjustments; whether there were any disagreements with management; whether there was any consultation with other accountants; whether there were any major issues discussed with management prior to the auditors' retention; whether the auditors encountered any difficulties in dealing with management in performing the audit; and the auditors' judgments about the quality of the Fund's accounting principles.

Based on its review and discussions with management and the Fund's auditors, the Audit Committee did not become aware of any material misstatements or omissions in the financial statements.

Accordingly, the Audit Committee recommended to the Board of Trustees that the audited financial statements be included in the Fund's Annual Report to Shareholders for the fiscal year ended March 31, 2005 for filing with the U.S. Securities and Exchange Commission.

FURTHER INFORMATION ABOUT VOTING AND THE MEETING

Solicitation of Proxies. Your vote is being solicited by the Board. The cost of soliciting these proxies will be borne by the Fund. The Fund reimburses brokerage firms and others for their expenses in forwarding proxy material to the beneficial owners and soliciting them to execute their proxies. In addition, the Fund may retain a professional proxy solicitation firm to assist with any necessary solicitation of proxies. The Fund expects that the solicitation would be primarily by mail, but may also include telephone, telecopy, electronic or oral solicitations. If the Fund does not receive your proxy by a certain time you may receive a telephone call from a proxy soliciting agent asking you to vote. If professional proxy solicitors are retained, it is expected that soliciting fees would be approximately \$5,000, plus expenses. The Fund does not reimburse Trustees and officers of the Fund, or regular employees and agents of the Investment Manager, involved in the solicitation of proxies. The Fund intends to pay all costs associated with the solicitation and the Meeting.

Voting by Broker-Dealers. The Fund expects that, before the Meeting, broker-dealer firms holding shares of the Fund in street name for their customers will request voting instructions from their customers and beneficial owners. If these instructions are not received by the date specified in the broker-dealer firms' proxy solicitation materials, the Fund understands that New York Stock Exchange Rules permit the broker-dealers to vote on the Proposal to be considered at the Meeting on behalf of their customers and beneficial owners. Certain broker-dealers may exercise discretion over shares held in their name for which no instructions are received by voting those shares in the same proportion as they vote shares for which they received instructions.

Quorum. A majority of the shares entitled to vote - present in person or represented by proxy - constitutes a quorum at the Meeting. The shares over which broker-dealers have discretionary voting power, the shares that represent broker non-votes (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter), and the shares whose proxies reflect an abstention or withhold authority on any item are

Edgar Filing: FRANKLIN TEMPLETON LIMITED DURATION INCOME TRUST - Form DEF 14A

all counted as shares present and entitled to vote for purposes of determining whether the required quorum of shares exists. However, because the Proposal is the only matter currently expected to be presented at the meeting, the Fund does not anticipate that there will be any broker non-votes or abstentions.

Required Vote. Provided that a quorum is present, Trustees must be elected by not less than a plurality of the votes cast of the shares entitled to vote thereon. All voting rights are non-cumulative, which means that the holders of more than 50% of the shares voting for the election of Trustees can elect 100% of such Trustees if they choose to do so.

Abstentions and broker non-votes will be treated as votes present at the meeting, but will not be treated as votes cast. Abstentions and broker non-votes, therefore, will not be counted for purposes of obtaining approval of the Proposal. As discussed above, the Fund does not anticipate there will be any broker non-votes or abstentions.

Adjournment. Whether or not a quorum is present at the Meeting, the Meeting may be adjourned from time to time for any reason whatsoever by vote of the holders of shares entitled to vote holding not less than a majority of the shares present in person or by proxy at the Meeting, or by the Chairman of the Board, the president of the Fund in the absence of the Chairman or certain other authorized officers. The persons named as proxies will vote in their discretion on questions of adjournment those shares for which proxies have been received.

Shareholder Proposals. The Fund anticipates that its next annual meeting will be held on or about September 21, 2006. Shareholder proposals to be presented at the next annual meeting must be received at the Fund's offices, One Franklin Parkway, San Mateo, California 94403, Attention: Secretary no later than April 24, 2006, in order to be considered for inclusion in the Fund's proxy statement and proxy card relating to that meeting and presented at that meeting.

A shareholder of the Fund who has not submitted a written proposal for inclusion in the Fund's proxy statement by April 24, 2006, as described above, may nonetheless present a proposal at the Fund's 2006 Annual Meeting of Shareholders if such shareholder notifies the Fund of such proposal in writing at the Fund's offices not earlier than April 24, 2006 and not later than May 24, 2006. If a shareholder fails to give notice within these dates, then the matter shall not be eligible for consideration at the shareholders' meeting. If, notwithstanding the effect of the foregoing notice provisions, a shareholder proposal is acted upon at the 2006 Annual Meeting of Shareholders, the persons designated as proxy holders for proxies solicited by the Board for the 2006 Annual Meeting of Shareholders may exercise discretionary voting power with respect to any shareholder proposal not received by the Fund at the Fund's offices by July 7, 2006. A shareholder proposal may be presented at the 2006 Annual Meeting of Shareholders only if such proposal concerns a matter that may be properly brought before the meeting under applicable federal proxy rules and state law.

In addition to the requirements set forth above, a shareholder must comply with the following:

1. A shareholder intending to present a proposal must (i) be entitled to vote at the meeting; (ii) comply with the notice procedures set forth in this proxy statement; and (iii) have been a shareholder of record at the time the shareholder's notice was received by the Fund.
2. Each notice regarding nominations for the election of Trustees shall set forth (i) the name, age, business address and, if known, residence address of each nominee proposed in such notice; (ii) the principal occupation or employment of each such nominee; (iii) the number of shares of the Fund which are beneficially owned by each such nominee; (iv) whether such shareholder believes each such nominee is or will be an interested person of the Fund (as defined in the 1940 Act); (v) the written and signed consent of each such person to be nominated, to be named as a nominee and to serve as a trustee if elected; and (vi) all such other information regarding each such nominee as would have been required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had each such nominee been nominated by the Trustees of the Fund. In addition, the shareholder making such nomination shall promptly provide any other information reasonably requested by the Fund.

Edgar Filing: FRANKLIN TEMPLETON LIMITED DURATION INCOME TRUST - Form DEF 14A

3. Each notice regarding business proposals shall set forth as to each matter: (i) a brief description of the business desired to be brought before the meeting and the reasons for conducting such business at the meeting; (ii) the name and address, as they appear on the Fund's books, of the shareholder proposing such business; (iii) the number of shares of the Fund which are beneficially owned by the shareholder; (iv) any material interest of the shareholder in such business; and (v) all such other information regarding each such matter that would have been required to be included in a proxy statement filed pursuant to the proxy rules of the SEC, had each such matter been proposed by the Board of Trustees of the Fund.

Submission of a proposal by a shareholder does not guarantee that the proposal will be included in the Fund's proxy statement or presented at the meeting.

No business other than the matters described above is expected to come before the Meeting, but should any other matter requiring a vote of shareholders arise, including any question as to an adjournment or postponement of the Meeting, the persons named on the enclosed proxy card will vote on such matters in accordance with the views of management.

By order of the Board of Trustees,

Murray L. Simpson

Secretary

Dated: August 22, 2005

San Mateo, California

APPENDIX A

NOMINATING COMMITTEE CHARTER

I. The Committee.

The Nominating Committee (the "Committee") is a committee of, and established by, the Board of Directors/Trustees of the Fund (the "Board"). The Committee consists of such number of members as set by the Board from time to time and its members shall be selected by the Board. The Committee shall be comprised entirely of independent members. For purposes of this Charter, independent members shall mean members who are not interested persons of the Fund ("Disinterested Board members") as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the "1940 Act").

II. Board Nominations and Functions.

Edgar Filing: FRANKLIN TEMPLETON LIMITED DURATION INCOME TRUST - Form DEF 14A

1. The Committee shall make recommendations for nominations for Disinterested Board members on the Board to the incumbent Disinterested Board members and to the full Board. The Committee shall evaluate candidates' qualifications for Board membership and the independence of such candidates from the Fund's investment manager and other principal service providers. Persons selected must be independent in terms of both the letter and the spirit of the 1940 Act. The Committee shall also consider the effect of any relationships beyond those delineated in the 1940 Act that might impair independence, e.g., business, financial or family relationships with investment managers or service providers.
2. The Committee also shall evaluate candidates' qualifications and make recommendations for interested members on the Board to the full Board.
3. The Committee may adopt from time to time specific, minimum qualifications that the Committee believes a candidate must meet before being considered as a candidate for Board membership and shall comply with any rules adopted from time to time by the U.S. Securities and Exchange Commission regarding investment company nominating committees and the nomination of persons to be considered as candidates for Board membership.
4. The Committee shall review shareholder recommendations for nominations to fill vacancies on the Board if such recommendations are submitted in writing and addressed to the Committee at the Fund's offices. The Committee shall adopt, by resolution, a policy regarding its procedures for considering candidates for the Board, including any recommended by shareholders.

III. Committee Nominations and Functions.

The Committee shall make recommendations to the full Board for nomination for membership on all committees of the Board.

IV. Other Powers and Responsibilities.

1. The Committee shall meet at least once each year or more frequently in open or executive sessions. The Committee may invite members of management, counsel, advisers and others to attend its meetings as it deems appropriate. The Committee shall have separate sessions with management and others, as and when it deems appropriate.
2. The Committee shall have the resources and authority appropriate to discharge its responsibilities, including authority to retain special counsel and other experts or consultants at the expense of the Fund.
3. The Committee shall report its activities to the Board and make such recommendations as the Committee may deem necessary or appropriate.
4. A majority of the members of the Committee shall constitute a quorum for the transaction of business at any meeting of the Committee. The action of a majority of the members of the Committee present at a meeting at which a quorum is present shall be the action of the Committee. The Committee may meet in person or by telephone, and the Committee may act by written consent, to the extent permitted by law and by the Fund's by-laws. In the event of any inconsistency between this Charter and the Fund's organizational documents, the provisions of the Fund's organizational documents shall be given precedence.

5. The Committee shall review this Charter at least annually and recommend any changes to the full Board.

ADDITIONAL STATEMENT FOR CLOSED-END FUNDS ONLY

The Committee shall comply with any rules of any stock exchange, if any, applicable to nominating committees of closed-end funds whose shares are registered thereon.

APPENDIX B

AUDIT COMMITTEE CHARTER

I. The Committee.

The Audit Committee (Committee) is a committee of, and established by, the Board of Directors/Trustees of the Fund (the Board). The Committee shall consist of such number of members as set by the Board from time to time, but in no event less than three, and its members shall be selected by the Board. The Committee shall be comprised entirely of independent members, as defined in Item 3(a)(2) of SEC Form N-CSR (Disinterested Board members). Members shall be financially literate, meaning that each member is able to read and understand fundamental financial statements, including the Fund's balance sheet and income statement. At least one member of the Committee shall be designated by the Board as an audit committee financial expert, as defined in Item 3(b) of SEC Form N-CSR, unless the Board determines that the Fund does not have an audit committee financial expert on the Committee.

II. Purposes of the Committee.

The function of the Committee is to be directly responsible for overseeing the Fund's accounting and auditing processes, which shall include the appointment, compensation, retention and oversight of the work of the Fund's independent registered public accounting firm (auditors) engaged (including resolution of disagreements between management and the auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Fund. It is management's responsibility to maintain appropriate systems for accounting and internal controls. It is the auditors' responsibility to plan and carry out an audit in accordance with the standards of the Public Company Accounting Oversight Board and to report directly to the Committee. It is not the duty of the Committee to plan or conduct audits or to determine that the Fund's financial statements are complete and in accordance with generally accepted accounting principles; it is the responsibility of the auditors to conduct audits and the responsibility of management to prepare the Fund's financial statements in accordance with generally accepted accounting principles.

In giving its recommendations to the Board with respect to the Fund's financial statements, the Committee will rely on:

1. management's representation that such financial statements have been prepared with integrity and objectivity and in conformity with generally accepted accounting principles,

Edgar Filing: FRANKLIN TEMPLETON LIMITED DURATION INCOME TRUST - Form DEF 14A

2. the report of the Fund's auditors with respect to such financial statements.
Consistent with such allocation of functions, the purposes of the Committee are:
- (a) To oversee the Fund's accounting and financial reporting policies and practices and its internal controls, and to obtain, where it deems appropriate, reports on internal controls of service providers to the Fund;
 - (b) To oversee the quality, objectivity and integrity of the Fund's financial statements and the independent audit thereof;
 - (c) To act as a liaison between the Fund's auditors and the Board; and
 - (d) To consider such other matters as it deems appropriate in carrying out its purpose and any other matters that may be assigned to it by the Board.

In addition, the Committee shall serve as the Fund's Qualified Legal Compliance Committee (QLCC) pursuant to Section 205 of the SEC's Standards of Professional Conduct for Attorneys (the Standards). In this capacity, the Committee is required

to adopt and maintain written procedures for the confidential receipt, retention and consideration of any report of evidence of a material violation. Evidence of a material violation means credible evidence, based upon which it would be unreasonable, under the circumstances, for a prudent and competent attorney not to conclude that it is reasonably likely that a material violation of an applicable U.S. federal or state securities law, a material breach of fiduciary (or similar duty) to the Fund arising under U.S. federal or state law, or a similar material violation of any U.S. federal or state law has occurred, is ongoing, or is about to occur.

III. Powers and Duties.

T

he Committee shall have the following powers and duties to carry out its purposes:

- (a) To select the auditors, subject to approval both by the Board and by a separate vote of the Disinterested Board members, and, in connection therewith, to evaluate the independence and qualifications of the auditors in accordance with applicable federal securities laws and regulations and the rules and standards of the Independence Standards Board and American Institute of Certified Public Accountants.
- (b) To be directly responsible for approving the services to be provided by, and the compensation of, the auditors, including:
 - (i) pre-approval of all audit and audit related services;
 - (ii) pre-approval of all non-audit related services to be provided to the Fund by the auditors;
 - (iii) pre-approval of all non-audit related services to be provided by the auditors to the Fund's investment adviser or to any entity that controls, is controlled by or is under common control with the Fund's investment adviser and that provides ongoing services to the Fund where the non-audit services relate directly to the operations or financial reporting of the Fund; and

(iv) establishment by the Committee, if deemed necessary or appropriate, as an alternative to Committee pre-approval of services to be provided by

the auditors, as required by paragraphs (ii) and (iii) above, of policies and procedures to permit such services to be pre-approved by other means, such as through establishment of guidelines or by action of a designated member or members of the Committee; provided the policies and procedures are detailed as to the particular service and the Committee is informed of each service and such policies and procedures do not include delegation of audit committee responsibilities, as contemplated under the Securities Exchange Act of 1934, to management; subject, in the case of (ii) through (iv), to any waivers, exceptions or exemptions that may be available under applicable law or rules.

(c) To meet with the auditors, including private meetings, as necessary to (i) review the arrangements for and scope of the annual audit and any special audits;

(ii) discuss any matters or concerns relating to the Fund's financial statements, including any recorded and/or unrecorded adjustments to such statements recommended by the auditors, or other results of audits; (iii) consider the auditors' comments with respect to the Fund's financial, accounting and reporting policies, procedures and internal controls and management's responses thereto; and

(iv) to review the form of opinion the auditors propose to render.

(d) To receive and consider reports from the auditors:

(i) as required by generally accepted accounting standards; and

(ii) annually and by update as required by SEC Regulation S-X, regarding: (w) all critical accounting policies and practices of the Fund to be used; (x) alternative treatments within generally accepted accounting principles for policies and practices related to material items that have been discussed with management of the Fund, including ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the auditors; (y) other material written communications between the auditors and management of the Fund, such as any management letter or schedule of unadjusted differences; and (z) all non-audit services provided to any entity in an investment company complex, as defined in SEC Regulation S-X, that were not pre-approved by the Committee pursuant to SEC Regulation S-X.

(e) To consider the effect upon the Fund of any changes in accounting principles or practices proposed by management or the auditors.

(f) In considering the independence of the auditors, to request from, and discuss with, the auditors a written statement, and other reports as necessary, describing all relationships between the auditors and the Fund, the Fund's investment adviser and service providers, and other entities advised or serviced by, including any entities controlling, controlled by or under common control with, the investment adviser or any other service providers to the Fund that, in the auditors' judgment, could be thought to bear upon the auditors' independence;

to receive and consider, if applicable, periodic reports from the auditors regarding whether the provision of non-audit services is compatible with maintaining the auditors' independence; and to request from the auditors a certificate that they are independent auditors under the Federal securities laws and are in compliance with all standards adopted by the Independence Standards Board.

(g) To require that the auditors regularly provide timely information to the Committee with respect to new rules and pronouncements by applicable regulatory and accounting standards agencies, along with an explanation of how such developments may affect the Fund's financial

Edgar Filing: FRANKLIN TEMPLETON LIMITED DURATION INCOME TRUST - Form DEF 14A

statements and accounting principles and practices.

(h) To review, at such times and in the manner deemed appropriate by the Committee, the results of the annual audit of, and the report of the auditors on the Fund's annual financial statements, including footnotes and any significant audit findings.

(i) To consider any reports of difficulties that may have arisen during the course of the audit, including any limitations of the scope of the audit, and management's response thereto.

(j) To review certifications of the Fund's Chief Executive Officer Finance and Administration, and Chief Financial Officer and Chief Accounting Officer concerning (i) all

significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting which are reasonably likely to adversely affect the Fund's ability to record, process, summarize and report financial information; and (ii) any fraud, whether or not material, that involves management or other employees who have a significant role in the Fund's internal controls over financial reporting, and for any other purposes the Committee deems appropriate, as required by § 302 of the Sarbanes-Oxley Act.

(k) To inform the chief legal officer (CLO) and chief executive officer (CEO) of the Fund (or the equivalents thereof) of any report of evidence of a material violation by the Fund, its officers, directors/trustees, employees (if any), or agents (collectively, affiliates). In connection therewith, the Committee shall:

(i) determine whether an investigation is necessary regarding any report of evidence of a material violation by the Fund or its affiliates;

(ii) if the Committee determines such an investigation is necessary or appropriate, (A) to notify the Board; (B) initiate an investigation, which may be conducted by either the CLO or by outside attorneys; and

(C) retain such additional expert personnel as the Committee deems necessary to assist in the investigation;

(iii) at the conclusion of any such investigation, (A) recommend by a majority vote, that the Fund implement an appropriate response (as defined in Section 205.2(b) of the Standards) to evidence of a material violation, and (B) inform the CLO and the CEO and the Board of the results of such investigation and the appropriate remedial measures to be adopted;

(iv) acting by majority vote, take all other appropriate action, including the authority to notify the SEC in the event the Fund fails in any material respect to implement an appropriate response that the Committee has recommended the Fund to take; and

(v) otherwise respond to evidence of a material violation.
