You may request a copy of the Fund's current Report to Shareholders by contacting Franklin Templeton's Fund Information Department at 1-800/DIAL BEN® (1-800-342-5236) or by visiting [franklintempleton.com](http://franklintempleton.com). All investments involve risks, including possible loss of principal. Interest rate movements and mortgage prepayments will affect the Fund's share price and yield. Bond prices generally move in the opposite direction of interest rates. As the prices of bonds in a fund adjust to a rise in interest rates, the fund's share price may decline. Investments in lower-rated bonds include higher risk of default and loss of principal. The Fund is actively managed, but there is no guarantee that the manager's investment decisions will produce the desired results.
