CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

This Current Report contains forward-looking statements as that term is defined in the Private Securities Litigation Reform Act of 1995. These statements relate to anticipated future events, future results of operations or future financial performance, including statements regarding our expectations, hopes, intentions or strategies regarding the future. You should not place undue reliance on forward-looking statements. All forward-looking statements included in this Current Report are based on information available to us on the date hereof, and we assume no obligation to update any such forward-looking statements. It is important to note that our actual results could differ materially from those in such forward-looking statements. Some of the factors that could cause results to differ materially from those in the forward-looking statements are set forth in the “Risk Factors” incorporated by reference in this Current Report below.

The forward-looking statements included herein are necessarily based on various assumptions and estimates and are inherently subject to various risks and uncertainties, including risks and uncertainties relating to the possible invalidity of the underlying assumptions and estimates and possible changes or developments in economic, business, industry, market, legal and regulatory circumstances and conditions and actions taken or omitted to be taken by third parties, including customers, suppliers, business partners and competitors and legislative, judicial and other governmental authorities and officials. Assumptions related to the foregoing involve judgments with respect to, among other things, future economic, competitive and market conditions and future business decisions, all of which are difficult or impossible to predict accurately and many of which are beyond our control. Any of such assumptions could be inaccurate.

Section 5 - Corporate Governance and Management

Section 5.06 -Change in Shell Company Status.

Based on the current operations of the Pinnacle Enterprise, Inc. (the “Company”), the Company ceased being a shell company as that term is defined in Rule 12b-2 of the Securities Exchange Act of 1934, as amended. The current operations of the Company are described in this Current Report on Form 8-K.

The Company was incorporated in the State of Nevada on April 19, 2010. Until recently, the Company was a development stage company engaged in the business of architectural design, architectural animation, 3D modeling as well as Computer-Aided Design (CAD) drafting and conversion services.

On June 25, 2013, the Company entered into an Agreement of Merger and Plan of Reorganization with Alkame Water, Inc., a privately held Nevada corporation (“Alkame Water”), and Alkame Acquisition Corp., our wholly-owned Nevada subsidiary. In connection with the closing of this merger transaction, Alkame Sub merged with and into Alkame Water (the “Merger”) on June 26, 2013, with the filing of Articles of Merger with the Nevada Secretary of

State.

As a result of the Merger, the Company is in the business of pursuing the sale and distribution of the Alkame brand of bottled waters, as well as other various applications for water treatment technology. The Company's principal executive offices are located at 3651 Lindell Road, Suite D # 356, Las Vegas, Nevada 89103, and its telephone number is (702) 273-9714.

2

In the past few months since the Merger, the Company has taken active steps to further its business plan, including the following:

1. The Company signed an agreement with a biopolymer manufacturer and acquired an exclusive arrangement with a biodegradable / compostable plastic bottle for its water products.
2. The Company purchased all raw materials consisting of bottle caps, bottles, labels, boxes and other items for its products.
3. The Company has assembled the raw materials to complete its bottled water products in Idaho using Xtreme Technologies, Inc.'s, facility.
4. The Company acquired space at three warehouses in Arizona, Georgia and Pennsylvania to store and distribute its products.
5. The Company paid GS1 to acquire a set of SKUs to create bar codes and has taken other steps of that nature to ready its products for sale.
6. The Company procured state licensing and health permits in the states in the markets it plans to conduct business.
7. Pallets of the Company's products have been shipped to two retail locations, and sales have commenced at those locations.
8. The Company has sold several cases of its bottled water products online.
9. The Company has been active in signing endorsements with celebrities to help promote the Company's products.
10. The Company has retained consultants to assist with project management, marketing and operational control, social media, radio advertising, has done several press releases, retained an IR firm, and financials, sales, and marketing.
11. The company has also begun working with a national distributor specifically for convenience stores, and pallets have already begun to move into the southwest region of the USA.

Furthermore, as reported in the Company's Form 10-Q for the quarter ended June 30, 2013, the Company's financial statements provide evidence that its operations are no longer nominal. The Company incurred \$75,439 in advertising expenses and \$153,500 on consulting expenses in pursuit of its business plan. As such, the Company is no longer a shell company.
