## **GOL Closes US\$225 mm Bond Offering**

**São Paulo, March 22, 2007** GOL Linhas Aéreas Inteligentes (NYSE: GOL and Bovespa: GOLL4) announced today that its subsidiary Gol Finance has closed an offering of US\$225 million 7.50% Senior Notes due 2017 ( Notes ) in a transaction exempt from registration under the United States Securities Act of 1933, as amended ("Securities Act"). Gol and its subsidiary, Gol Transportes Aéreos S.A., guarantee the Notes, which are senior unsecured debt obligations of Gol.

Gol intends to use the proceeds of the offering to finance the acquisition of Boeing 737 Next Generation aircraft, equipment and supply materials, as a complement to its U.S. Exim Bank guaranteed bank financing.

In connection with the Notes, Gol entered into a registration rights agreement providing that it will use its reasonable best efforts to file with the Securities and Exchange Commission and cause to become effective a registration statement relating to an offer to exchange the Notes for an issue of registered notes with terms identical to the Notes, except that the exchange notes will not be subject to restrictions on transfer or to any increase in annual interest rate as described in the agreement.

With the placement of the Notes, Gol achieved a 10-year financing at the lowest coupon ever achieved on an unsecured bond by a non-investment grade rated airline. "This offering further reduces our cost of capital and bolsters the company's capitalization", says Richard Lark, Chief Financial Officer of Gol.

The Notes (and the guarantees) have not been and, except as contemplated by the registration rights agreement, will not be registered under the Securities Act and may not be offered or sold (a) in the United States absent registration or an applicable exemption from registration under the Securities Act, or (b) in any other jurisdiction in which such offer or sale is prohibited. This press release shall not constitute an offer to sell nor the solicitation of an offer to buy the Notes.
