MANAGEMENT PROPOSAL

Pursuant to item (a)(ii) of the Call Notice of the Annual Shareholders Meeting called for April 30, 2009, we propose to distribute dividends, in the total amount of R\$26,980,694.36, as payment of the mandatory dividend related to the fiscal year ended December 31, 2008, corresponding to R\$0.2009 per share, treasury shares excluded, charged to the fiscal year net profits account. It is also proposed that the Board of Directors further establishes the date of payment of such dividends, within the 2009 fiscal year, based on the shareholding position of April 30, 2009 (after floor is closed) for Bovespa shareholders, and May 6, 2009 for NYSE shareholders, with no monetary adjustments. The shares and ADRs will be negotiated *ex-dividends* as of May 4, 2009.

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
