MATERIAL FACT

Braskem S.A. (“Company or Braskem”), in compliance with CVM Instruction 358/02, as a result of the allegations of improper payments to its benefits in contracts signed with Petróleo Brasileiro S.A. – Petrobras (“Allegations”), hereby announces to its shareholders and the market the following:

1. The Company has not been subpoenaed in any investigative procedure, in Brazil or abroad, related to the Allegations.
2. Nevertheless, Braskem proactively initiated an internal procedure of investigation about the Allegations (“Investigation”).
3. The Company hired law firms in Brazil and in the USA with recognized experience in similar cases to conduct the Investigation, which will be held in accordance with the best international practices in such procedures.
4. Braskem has voluntarily contacted the capital markets regulators in Brazil (Securities and Exchange Commission of Brazil - CVM) and in the United States (Securities and Exchange Commission – SEC and Department of Justice – DOJ) by keeping them informed about the progress of the Investigation.

The Company reinforces its commitment to adopt the necessary measures to elucidate the facts and will keep the market informed about its advancements.

São Paulo, April 1, 2015.

Braskem S.A.

Mario Augusto da Silva

Chief Financial and Investor Relations Officer

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
