Closed-held Corporation

**NOTICE OF MATERIAL EVENT**

The Management of Vivo Participações S.A. ("Vivo Part.") and Telemig Celular S.A. ("TC") (collectively referred to as "Companies"), make known to the public, in compliance with and for the purposes of the Brazilian Securities Commission Rulings Nos. 319/99 and 358/02, that in a meeting held on May 11, 2010, the Board of Directors of Vivo Part approved the terms and conditions of the corporate restructuring transaction involving Vivo Part. and TC, in regard to the merger of TC into Vivo Part., and consequent winding-up of TC.

The intended transaction will not imply changes in the share control of Vivo Part., nor shall it result in modification of the shareholding interest of its other shareholders, as provided for in the following description about the transaction:

1. Background Information.

In order to simplify the organizational structure of the companies acquired by Vivo Part. within the year of 2008, a corporate restructuring was approved on July 27, 2009, such corporate restructuring consisting of TCP's acquisition of all shares of its controlled company Telemig Celular S.A. ("TC"), and transfer of TCP shares to the holders of the acquired shares, and consequently TC became a wholly-owned subsidiary of TCP. On the same date, TCP shares were fully acquired by Vivo Part., and the holders of TCP shares then acquired (including those resulting from TC merger) received new shares of Vivo Part., and, accordingly, TCP became a wholly-owned subsidiary of Vivo Part. Subsequently, on November 13, 2009, Vivo Part. and TCP approved in their respective Special Shareholders Meetings the merger of TCP, and therefore, TC became a wholly-owned subsidiary of Vivo Part. ("Corporate Restructuring"), all in compliance with the provisions of article 252 of Law No. 6.404/76 and CVM Ruling 319/99 and CVM Guidance Report No. 35.

2. Merger of TC.

The merger of TC into Vivo Part. is intended to proceeding with the corporate restructuring process for VIVO companies as aforesaid, which, however, should not be understood as or give rise to changes in their shareholding structure. Furthermore, the maintenance of several organizational structures increases administrative and operating costs.

Because TC is a wholly-owned subsidiary of Vivo Part., the intended merger shall result in Vivo Part.'s capital increase, once Vivo Part. has already registered in its shareholders' equity the amount of TC shares and it is not appropriate to mention replacement of shares held by the merged company's non-controlling shareholders with the merging company's shares. Therefore, no valuation report shall be prepared for the net equity at a market price for replacement ratio calculation in relation to shares held by non-controlling shareholders, as provided for in article 264 of Law No. 6.404/76 and article 2, paragraph 1, VI, of CVM Ruling No. 319/99, and pursuant to CVM latest opinions upon inquiries made about similar restructuring processes, as mentioned in CVM Opinion No. 559, issued on November 18, 2008, or in relation to Vivo Part.'s issuance of new shares.

All net equity, assets, rights and obligations of TC will be acquired by Vivo Part., which will fully succeed TC, as provided for in the Protocol and Justification of Merger of Telemig Celular S.A. into Vivo Participações S.A. ("Protocol") executed by the Management of the Companies involved.

The implementation of the transaction shall result in the winding-up of TC and its consequent exclusion from the

corporate chain, so that Vivo Part. becomes a direct holder of all Vivo S.A. shares only, in its capacity as wholly-owned subsidiary.

The shareholders meetings held by TC and Vivo Part. in order to resolve on the corporate restructuring proposal mentioned hereunder will be called within the time limits provided by the relevant laws and by-laws.

**Future Transactions:** Once the aforesaid corporate restructuring is accomplished, the merger of Vivo S.A. into Vivo Part. may be taken into consideration, provided that all required corporate and regulatory approvals are given in this regard, so as to conclude VIVO's corporate structure simplification process; which should not, however, be understood as or give rise to any changes in its shareholding structure, once Vivo S.A is already a wholly-owned subsidiary of Vivo Part. After the merger is approved by corporate bodies as mentioned above, it will be timely informed to shareholders and the market in general.

The documents related to the transaction mentioned hereunder will be made available to the shareholders of the involved Companies as of May 11, 2010, at Vivo Part.'s offices (Av. Dr. Chucri Zaidan, 860 – Morumbi district – São Paulo City – in the State of São Paulo – 3rd floor – Side B – Corporate Matters Division), from 9:00 a.m. through 5:00 p.m., upon production of a statement containing their respective shareholding status issued up to two (2) days in advance. Further information may be given by phone call to number +55 11 7420-1172, by the Investor Relations Division.

São Paulo, May 11, 2010.
